KILMACTHOMAS COURT

STOLE A 2/- FIR TREE. TWO LABOURERS FINED £1 EACH.

Before Mr. F. J. McCabe, D.J. Notwithstanding the fact that there was no sitting of the court at Kilmacthomas last month, this month's sitting on Wednesday week was of brief duration and there were only two cases of importance heard. Apart from this, the only other business transacted was the usual no lights and other minor offences under the Road Traffic Act, school attendance cases, etc., in which nominal fines were imposed.

On charges of stealing a fir tree, value 2/- the property of Major Poer O'Shea, Gardemorris, Kilmacthomas, James Power and Martin Power, Ballyvadden, Kill, and Ballycristeen, Kill, were at Kilmacthomas District Court fined £1 each.

Supt. Lyons, G.S. Tramore, prosecuting, said that on the 31st August, at about 4.30 p.m., Sergt. O'Sullivan found the two defendants coming from Gardemorris with two portions of a fir tree. One of them had an axe and two children were helping them to carry portion of the tree. The defendants said they found the tree cut on the demesne. The defendants pleaded guilty.

Sergt. O'Sullivan, Kill, said James Power told him he was erecting a shed at the back of the house.

The defendants stated that they were labourers and found the tree cut.

County Waterford Vocational Education Committee.

Very Rev. Canon O'Brien, P.P., V.F., chairman, presided at the monthly meeting of the County Waterford Vocational Education Committee at Sgal na gCeard, Dungarvan, on Monday. Also present—Messrs. W. Dower, M. McGrath, Jas. Mansfield, M. Clancy, M. H. O'Hara, E. A. P. Kelly, T. J. Fear Mor, N. Kelly and J. Lanigan, Acting C.A.O.

Exhibition of Paintings.—A letter from the Department stated that a second exhibition of paintings by Irish artists was being arranged for circulation by the Department at an early date, and asking the committee if they wanted an avail of the opportunity to make application.

It was agreed that an exhibition be held at Sgal na gCeard for three days and in Cappoquin School, on Tuesday, Wednesday and Thursday, Mr. St. Claire-Hill, Main Street, Dungarvan, if he would lecture on the paintings at the exhibition.

"A Serious Injustice."—Mr. Kyne raised the question of the appointment of the headmaster at Cappoquin School, and said he felt that a serious injustice had been done to Mr. J. Fahy as far as the information he (Mr. Kyne) had got. The matter because the Secretary said he did circulate the staff and we had only two applications before us.

Rev. Chairman—We could not appoint notice that the appointment be put on the agenda for the next meeting.

Mr. Kyne—This is all as in it—(reading from agenda of last meeting) beyond the date of the re-arrangement of staff was necessary in connection with Cappoquin School. It did not say that we were going to do anything.

Mr. O'Hara—Neither Mr. Baston or Mr. Fahy was qualified?

Rev. Chairman—Neither of them could act as headmaster.

Mr. Kyne—Who stated that?

An Fear Mor—None of them can fulfil the conditions as they are not on the staff for five years.

Mr. Walsh—I think there was no injustice done to him at all.

Mr. Clancy asked was there anything on the agenda at the last meeting to indicate to the committee that such an appointment was going to take place. There was not, he said.

Mr. Kyne—I have nothing at all against the man that got it.

The C.A.O. said that during the summer Mr. Driscoll had informed him that he was not taking the post in Cappoquin, and that he had been asked by Mr. Driscoll to go to Mr. Fahy to see if he would support him.

Mr. Driscoll did not go they had to revert to the old position.

Mr. Walsh—That Mr. Baston approached him before the last meeting and he (Mr. Clancy) told him definitely that if Mr. Fahy was going for it and had the necessary qualifications he would vote for him (Mr. Fahy). He (Mr. Clancy) was not at the last meeting as there was nothing on the agenda about it. He felt that he would be lacking in his duty if he did not go to that meeting for this was coming on; but there was nothing on the agenda about it.

Mr. Fahy was a long time in the service of the committee, and if he had the necessary qualifications he (Mr. Clancy) would vote for him, but if he had not, he would not support him.

Mr. Walsh—We had Mr. Baston for 12 months in Cappoquin and he was an excellent teacher, and if we lose him the school would suffer eventually. I maintain he is entitled to the position.

Mr. Kyne—It is a question of years between them.

Mr. Walsh—The Secretary told us going for it and Mr. Fahy was going for it and Mr. Fahy was going for it and Mr. Fahy was going for it.

Mr. Walsh—And Mr. Fahy has only two years.

Mr. Kyne—I suggest he has considerably more.

Mr. Kyne contended that Mr. Baston was not as qualified as Mr. Fahy, and went on to suggest that there had been "some hoofing" about the appointment.

An Fear Mor said it was very unfair for Mr. Kyne to make a suggestion like that, and he went on to explain that at a previous meeting, over which he presided, a letter had been addressed to the Chairman by Mr. Fahy, applying for the post, and the committee agreed that Mr. Baston carry on, and that as there might be other applications, it would be better to wait for the next meeting.

Mr. Kyne—As it was not on the agenda for the next meeting.

An Fear Mor—And since it was only a temporary appointment, I don't think we can be charged with "hoofing."

Mr. Kyne—I have nothing against Mr. Baston. I know him better than the other man, but when any man has a complaint or a grievance I will bring it before the Board.

Mr. McGrath (to Acting C.A.O.)—Would the Teacher-in-Charge get a better salary?

Acting C.A.O.—If he is satisfactory he will be awarded £30 at the end of the year.

Mr. McGrath—And if Mr. Fahy was appointed in this case he would get it?

Acting C.A.O.—If the Department was satisfied with him he would get it.

Replying to Mr. Clancy, the Acting C.A.O. said that Mr. Baston had been sanctioned by the Department as Teacher-in-Charge for the coming year.

Mr. Kelly—I propose that it be put on the agenda for the next meeting that the headmaster be appointed for Cappoquin.

Mr. Clancy said he would not agree with that. Mr. Baston impressed him and he thought he was a very nice man, but he thought that they should do anything to embarrass Mr. Baston now. The only fault he (Mr. Clancy) had was that this matter was not on the agenda for the last meeting, and if it had been Mr. Fahy might be in that appointment now. Therefore, Mr. Fahy had a grievance.

Mr. Clancy—There were two applications at that meeting and they were deferred to the next meeting and there was nothing on the agenda about it. I suggest it was very neatly arranged. And the position now is that you cannot fill it. Is not that injustice?

Mr. Walsh—There was no injustice in this case at all.

Mr. Clancy said that Mr. Kyne held that Mr. Fahy had a grievance and he held it very effectively too. He proposed that the committee proceed to the next business.

Mr. Walsh asked that Mr. Kyne should be asked to withdraw his remarks in this case at all.

Mr. Kyne—I withdraw that charge against any member of the committee. It was an ill-advised word to use, but I am satisfied that it was not intended to be anything but a statement of fact.

Mr. Clancy said that he would hand notice that the appointment be put on the agenda for the next meeting.

Rev. Chairman—We cannot do it now. Let it go. He is appointed.

The Acting C.A.O. here read a letter from the Department approving of Mr. Baston's appointment as Teacher-in-Charge of Cappoquin School until the end of the session.

Mr. Kyne—in other words we cannot submit a notice of motion to fill the vacancy, as I am satisfied I know that things were wrong.

Rev. Chairman—They were not wrong.

Mr. Kyne—I am satisfied they were wrong.

The matter then dropped.

Application for Higher Pay.—A communication was read from Miss G. Patterson, part-time teacher, commercial subjects at Dungarvan School, pointing out that she was the lowest paid of the committee's part-time teachers and asking the committee to increase her rate of pay.

Proposing that the rate be increased, Mr. N. Kelly said that he remembered when he was being taught by Miss Patterson that he found her one of the most excellent teachers he ever met.

Mr. Walsh seconded it.

Mr. McGrath—I agree with Mr. Kelly that she is an excellent teacher.

Acting C.A.O.—She is a good competent teacher.

Mr. Clancy—I don't know the lady but I was talking to an ex-pupil of hers and he spoke very highly of her.

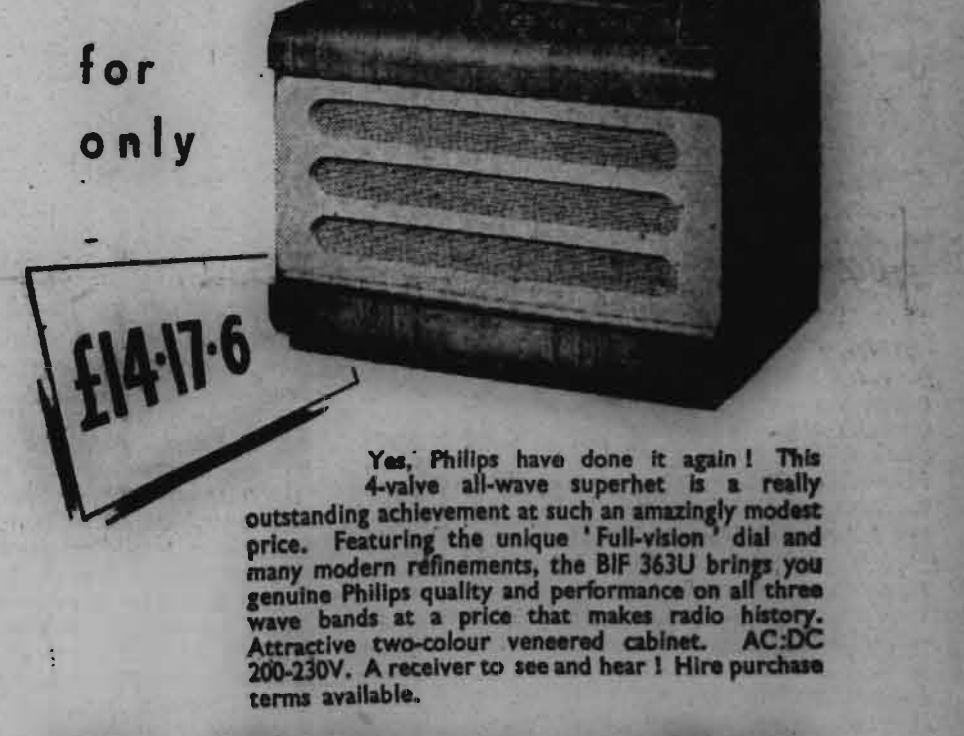

After other members had paid tribute to Miss Patterson's teaching ability, the resolution was unanimously passed.

Request for French Classes.—Mr. T. M. Blackmore, junr., Nicholas-town, Modeligo, was appointed a part-time teacher of French at Dungarvan School.

Acknowledgment.—The relatives of the late Sean Keating, Ardmore, wrote thanking the committee for their resolution of sympathy.

Financial Scheme.—The Acting C.A.O. submitted the following financial scheme for the coming year:—In connection with the estimated financial scheme for 1949-50, I am to explain that the cost of administration is shown at £22 less than last year in view of the appointment of a new C.E.O. at a beginning salary of £375. The promotion of Patrick O'Donnell as whole-time teacher of Irish in lieu of Labhras O'Callaghan, who resigned, makes the total number of whole-time officers at 15 instead of sixteen as in the previous session. The appointment of two Domestic Economy Instructors on probation in place of those who resigned on marriage means a reduction of £24 and £28 respectively. Although I am to make provision for an increase of £52 in existing salaries, the increase in the cost of living figures, the all-over sum is £82 less than that for the estimated current session, there being a saving of £500 by the resignation of Labhras O'Callaghan. Provision is made for three additional part-time teachers for classes on two evenings weekly. This provides for an increase of £15 per annum. "Widows' and Orphans' Pension Fund contributions and National Health Insurance. The provision of a sound film projector has been before you more than once and is but a suggestion so far. Heating and lighting has been an increased item of recent years and no im-

I COURSED AND TRACKED

Rules of Coursing

I have been asked by several people lately to quote in these articles some of the more important rules regarding judging and slipping at coursing meetings and most old timers are not satisfied with coursing as it is now. I quite agree with them when they say that it is better for everyone concerned to know that when people go to see coursing they want coursing and not greyhound racing. So clubs should confine the card according to the number of hares available. In my opinion four sixteens are quite enough for any day's coursing and if any club can provide sixty courses in four hours their patrons should be well satisfied and the judge and slipper will be able to do their duty properly.

PRINCIPLES OF JUDGING

We take the following important points from Rules 29, 30 and 32.

29.—The judge should decide all courses upon the one uniform principle that the greyhound which

does the most towards killing the hare during the continuance of the course is to be declared the winner.

30.—Speed shall be estimated by one, two or three points according to the degree of superiority shown. In awarding points for speed the judge shall take into consideration the merit of a lead obtained by a dog which has lost ground at the start owing to a bad slip or being unsighted or which has had to run the outer circle. Under no circumstances is speed without substantial work to be allowed to decide a course.

32.—Where a dog willfully stands still in a course or departs from directly pursuing the hare he points subsequently made by him shall be scored.

Owing to lack of space I am unable this week to quote above rules fully but my readers will understand that the above extracts are the main issue at stake. How many times recently have we seen dogs just getting to the escape inches in front and getting the flag? How often do we see the judge taking no notice of how dogs are slipped. In fact it seems unnecessary to provide a hare for present-day judging as they very seldom follow the dogs. This results in bad slipping and unsighted dogs being unnoticed.

ANY of my readers who have sent in articles for publication in the past will be glad to hear that we are served up here is just another form of greyhound racing.

THE Waterford meeting last week was up to the usual standard and the hares stood up well. Regal Ranger went very fast and divided the Open Stake with Mr. W. Power's Pure Honour. Both should be heard of again. Those successful in the Trial Stakes, Bright Promise and Coolahorna Rover, were awarded winners and should go well in Kill-sheelan later on.

CAPPOQUIN FOR JUNIOR HURLING FINAL

By their victory over St. Augustines (Abbeyside) at Lismore on Sunday last in the Western decider, the boys from the Cornerstone qualified to contest the County Final against the Eastern winners (Mt. Sion Junior Hurling Club). This is billed for the Gaelic Field, Dungarvan, on Sunday next.

There was very little between the contestants on Sunday last, and it was only in the closing quarter that the heavier and better trained Cappoquin boys asserted their superiority. At half-time the score was: Cappoquin, 2-2; St. Augustines, 2-0. At the third quarter the score read: Cappoquin, 4-3; St. Augustines, 4-1. In the closing quarter Cappoquin scored 2-2 without reply from St. Augustines, and at the full-time whistle were deserving winners on the score of 6-5 to 4-1.

The teams were played on to the field by the 'Abbeyside Boy Scouts' Pipe Band. Mr. J. Vaughan, Lismore, refereed.

diate reduction is at hand so far. Repairs to buildings refers to Dungarvan Technical School in the matter of external repairs to cracks in walls and parapets as well as internal repairs to loose plastering. Painting of walls and woodwork is necessary internally and externally. The amount of £190 is but an approximation. Receipts—But to rife fact that you have an unexpended balance on hands your current receipts would not meet expenditure. The Department's grants and the local contributions are shown at the same amount as for last year. A rate of 3d. in the £ would give £4,350 lbs. 11d. I have left the amount stand at £4,320 as for last year's estimate. We are on the reduced rate since 1947.

The scheme was adopted.

TALLOW MURDER CHARGE

ACCUSED REMANDED TO SPECIAL COURT AT LISMORE.

At Cappoquin District Court on Thursday James Power, The Close Tallow, appeared on remand charged with the murder of James Dunne, Dunmore, Tallow, on November 6th, 1946, and was remanded to a special court at Lismore on December 6th.

Supt. P. Creane, Lismore, said that the application before the court was merely one for a remand to a special court at Lismore on December 6th.

Justice—You will be in a position to go on then?

Superintendent—Yes. I understand that Mr. McNamara, who is appearing for the accused, will be able to attend.

Mr. J. N. McNamara, solr., Young-hal, said that he had a letter from the State Solicitor that the court would be held at Lismore or Tallow on the 6th or 7th.

District Justice O'Riain said that District Justice O'Donovan had written to the Court Clerk stating that he would be able to take the case at Lismore on the 6th and continue to the 7th or 8th if necessary.

Inspector P. J. Croke, in a deposition, said he had already made a deposition in the case which he now confirmed. He was still making inquiries into the case and asked for a remand to a special court in Lismore on December 6th.

The accused was then remanded to a special court in Lismore on December 6th.

The principal feature of the club's activities was educational: twice a week we met for Mrs. O'Sullivan's talks and discussions on Disease Control and Crop Management.

CAPPOQUIN NOTES

45 Drive.—On next Sunday night, 28th inst., the big 45 Drive in aid of the Parochial Funds will take place at the C.Y.M.S. Hall. Everything is now in readiness and it is hoped the event will bring the usual generous support for this worthy object.

G.A.A.—Congratulations to our J.H. teams on their success at Lismore on Sunday last when they defeated St. Augustines' Hall. Everything is now in readiness and it is hoped the event will bring the usual generous support for this worthy object.

Successful Cell.—We are glad to be able to report the wonderful success of the weekly Cell held at the Bathhouse under the auspices of the Cumann Gaelach, Ceapach Chaitin. Those Cells are held each Friday night from 8.30 to 10.30 and each moment of these two hours is enjoyed to the fullest extent by the huge number of Cell enthusiasts present. It is no exaggeration to say that each Cell is increasing in popularity, as bigger and bigger numbers keep turning up. Their success in Cappoquin is certainly a sign of all Ireland music is rendered at those Cells by a first-class Cell band.

Celebrity Concert.—An outstanding success—A grand celebrity concert held at the Desmond Cinema on Sunday night last was one of the most successful functions held in the town for quite a long time. Never had such a crowd been seen in the spacious Desmond Hall, which was literally packed to capacity. The services of really celebrated artists had been secured by the manager-director, Mr. W. McCarthy, among them being the noted Irish tenor, Mr. Padraig McManus, fresh from his English tour. The appearance of Mr. McManus had been the chief attraction in the splendid programme and his magnificent rendering of many beautiful songs held the audience in a rapture. Mr. F. X. O'Leary acted as emcee and the accompanists were Miss Eily Mullins and Mr. Thomas Conroy.

Divisional Final in J.H.—Cappoquin and St. Augustines met at Lismore on Sunday last in the West Waterford J.H. Final and a close and exciting game ensued. Cappoquin won the honours and thus qualified to meet Mt. Sion in the County Final. A tribute is due to both Cappoquin and St. Augustines for a good, clean game.
