### ATTEMPTED ROBBERY FOILED BY GIRL

An attempt to rob the Ormond Cinema, Dungarvan, on last Monday night, whilst a programme was in progress, by a man stated to be armed and masked, was foiled by the courage and presence of mind of one of the lady cashiers of the cinema.

It appears that at about 9.30, while the usual nightly programme was on, a man approached some boys who were near the cinema and asked them if they had seen the manager around. On being told that he wasn't the man went towards the main entrance of the cinema. Entering the foyer the man, with the lower part of his face covered with a dark-coloured cloth, hastened towards the box office inside which was one of the cinema's cashiers, Miss Nell Morrissey, who was at the time checking up on the night's takings. Throwing an empty bag into the box office and pointing a gun, alleged to be a revolver, at Miss Morrissey, the man told her to put the money she was counting into the bag. Miss Morrissey took hold of the bag, as if to carry out the man's demand, but at the same time un-noticed by the man, pressed the alarm button. When the alarm bell sounded, and on hearing footsteps hastening in response to the bell the man apparently took fright, ran out and disappeared down a nearby lane. Intensive Gardaí activity followed and the vicinity of the cinema was searched, but no trace of the man was found.

The incident caused a good deal of sensation in town, as nothing of a similar occurrence ever happened before in the locality. During the week Gardaí investigation into the matter continued without result. Miss Morrissey must be highly commended for her courage and presence of mind in protecting the property of her employers.

### WEST WATERFORD NEWS.

**Clashmore Card Drive.**—First rounds for the Clashmore Parochial Card drive are now being played off and the finals will be played in Clashmore N.S. on Sunday night, 12th December. Drawing of prizes is being held in conjunction with the drive.

**On the Land.**—The lifting of the current season's beet crop is now well advanced in this area and the greater part of the crop has been disposed to the factory. Ploughing operations for next season's crops have already begun. It is expected that in this area there will be a big decrease in the area of land devoted to tillage.

**Clashmore Parish Council.**—A special meeting of the Clashmore Parish Council will be held on Monday night. All members are asked to attend.

**Clashmore F.C.A.**—A parade will be held on to-night (Friday) at 20.00 hours. Officers of the Battalion Staff will attend.

**The Roads.**—Once again we feel obliged to call attention to the very bad condition of the by-roads in this area. The surfaces are in a shocking condition, making travel most disagreeable, especially for cyclists and pedestrians. Watercourses have not been cleaned so far this season and in the event of heavy rain, damage will be done to the roads as a result. It is hard to understand why more attention is not given to the roads used by the big majority of the rural dwellers, farmers and agricultural workers who, after all, are the most important sections of the community.

**Clashmore Doctor.**—Dr. Murphy, a native of Cork City, has been appointed temporary medical officer in Clashmore dispensary area, Dr. Murphy resides at "Rockview," near Youghal Bridge.

**Machine Won Turf.**—For the past couple of weeks machine won turf has been on sale at the County Stores, Kinsalebeg. Householders state that it is very satisfactory as good as coal and as cheap. It is in great demand as a result.

**Turkeys.**—During the past week practically all the turkeys in this area were sold at satisfactory prices. Signs of the proximity of the Xmas season are now evident on all sides. All the shops are already displaying reasonable goods.

### WATERFORD COUNTY COUNCIL

A special meeting of the Waterford County Council was held at the Courthouse, Dungarvan, on Saturday, Mr. T. Hesklin, chairman, presiding, to consider a resolution regarding the reconstruction of Youghal Bridge and also to consider a recommendation from the County Manager regarding the compulsory acquisition of the Fish and Meat Shambles, Dungarvan, under the Public Health Act, 1947.

The resolution in connection with the reconstruction of Youghal bridge, adopted by the Youghal Bridge Committee and by the Cork County Council, was adopted without a discussion. The resolution asked that the bridge be reconstructed; that it be recommended to the Cork and Waterford County Councils, that the Cork County Council apply to the Minister for L.G. for a Bridge Order and that certain proposals be made for defraying the expenses of the work involved.

**SHAMBLES.**  
The County Manager, speaking on his recommendation to acquire the Fish and Meat Shambles, Dungarvan, explained that under the Dungarvan Harbour Improvement Act of 1881 it was laid down that these buildings be used for a specific purpose, that was as Meat Shambles and Fish Shambles. He went on to say that the Urban Council had recommended that they be acquired for some other specific purpose, and the Urban Council had made a move in that direction. Council's view was that they could be acquired under the Public Health Act, 1947, and the Urban Council had recommended that they be so acquired for the purpose of a public health clinic or a dispensary. He (Manager) would recommend the County Council to proceed to acquire them for this purpose.

Replying to Mr. O'Ryan, the County Manager said that they would then be the property of the County Council.

Senator Butler said he presumed that when the acquisition was completed that the County Council would put up buildings such as a dispensary or a clinic or some other building which would be necessary for public health purposes. There was one point he would like to bring before the Council. This place was a very valuable one for the Urban Council to have, it was a very fine store-house. Everything that the Urban Council wanted to store was there. The Urban Council would be deprived of that accommodation, and he thought that the Urban Council should get alternative accommodation or compensation if they were to be taken from the Urban Council. He thought that that was a very reasonable application to make.

Chairman—That can come on later.

Senator Butler—I want to see it done now. It's no use saying afterwards that when the Urban Council is handed over the trusteeship of these buildings the Urban Council will want some place for a store yard. The Urban Council will know now, if the County Council will make some other arrangement for the Urban Council to give some other place.

Chairman—The Urban Council have no claim to use them other than as shambles.

Senator Butler—I know. But the Urban Council recommends to the County Council to take them over but not to take them over for nothing.

Chairman—I am sure the County Council will not deprive the Urban Council of accommodation but you are dealing with the acquisition of the buildings now, the other thing can come up at a future date.

Senator Butler—I am sure that the Urban Council will be satisfied with that, that when the buildings are acquired, alternative accommodation will be provided by the County Council. I want to have that recorded.

Mr. Norris said that the shambles were being used as stores only by the Urban Council, and if the County Council took them over they would be responsible for their maintenance.

Mr. Kelly said that at the moment the buildings were being used as a store. He agreed with Senator Butler that the Urban Council should get some other place. During the emergency they served a very useful purpose as there was a fuel depot there run by the Parish Council.

Senator Butler—This is a very valuable place, and all we want is alternative accommodation.

Chairman—I am sure that the County Council will make provision for that.

Senator Butler—I want that recorded in the minutes.

Mr. D. Leahy—Don't see why the County Council should be held responsible for giving alternative accommodation.

Mr. O'Ryan—The Urban Council has it, why didn't they make use of it? They are asking the Co. Council to take it over and to be owners of it at the same time.

Senator Butler—We don't want to be the owners at all.

County Manager—It is a very valuable site, which can be used as a public health clinic or a dispensary and the only way to acquire it is under this Act.

Senator Butler—We are facilitating the Public Health Authorities by giving this site. We need not give it at all; we can keep it as a store if we like.

Replying to Senator Butler, the County Secretary said he had made a note of Senator Butler's request for alternative accommodation in the minutes.

Replying to a member, the County Manager said that the cost of taking

### CAPPOQUIN WIN J.H. FINAL

**MOUNT SION'S POOR DISPLAY.**  
Cappoquin, 7-8; Mount Sion, 1-1.

Cappoquin had a runaway victory over the Eastern representatives, Mount Sion in the County Junior Hurling Final at the Gaelic Field, Dungarvan, on Sunday, winning by 7-8 to 1-1. As the scores indicate, the Western Divisional winners had very little difficulty in disposing of the city team, and from start to finish were always on top. With such a large winning margin—27 points to 4 points—the game lacked excitement and thrills, particularly in the second half. Exchanges were fairly even in the first half, although Cappoquin always seemed to have something in reserve. This was demonstrated in the second half when Mount Sion could find no answer to the deadly marksmanship of the "Cornerstone" men. The conditions were very favourable for the hurling and a large crowd watched the game. O'Connor (Cappoquin) scored, scoring with a point, to which Curran added a goal. Two further minors for Cappoquin followed. After Conway had stretched the Cappoquin score by another major, Mt. Sion had their first score—a point from Flannely. A short time later, however, English (Cappoquin) negatived, leaving the half-time scores: Cappoquin, 2-4; Mt. Sion, 0-1.

On resuming Cappoquin were quickly on the offensive and had three fast goals per Curran, Brown and Conway, without reply from the opposition. A little later O'Connor sent over the ball, and Sion's only score in this half then followed, when a Cappoquin player missed a "70," and Flannely (Mt. Sion) rushed in to get the ball, send to Greene, who goalied. The score had no effect, however, on the outcome, as Cappoquin still continued to dominate and added a further goal and a point to their tally. Towards the end English had another major to close the scoring.

The game was played in a good, clean, friendly spirit. When the final whistle came the result was the signal for great rejoicing by the "Cornerstone" supporters, who seemed to be present in full force.

Teams:—Cappoquin—J. Brackett, J. Lacey, N. Kelleher, T. McCarthy, M. O'Connor, W. Lee, R. Curran, P. McGrath, J. Cahill, M. Brown, P. English, T. Loneragan, W. Conway, P. Cunningham, W. Sargent.

Mount Sion—J. McCabe, M. Morrissey, P. Power, J. Hayden, J. Rabbit, J. Gallagher, M. Flannely, M. Foley, C. Condon, J. Flannely, D. Casey, J. Duggan, J. Regan, P. Greene, T. Healy.

Mr. D. O'Sullivan refereed with his usual efficiency and impartiality.

### Proposed Rents of New Houses at Abbeyside.

**RANGE FROM 22/2 TO 16/2 PER WEEK.**  
**POSSIBILITY THEY MIGHT BE LOWER.**

At the meeting of the Dungarvan Urban Council on Friday night, Mr. T. McCarthy, chairman, presiding, the Town Clerk (Mr. E. Deery) submitted proposed rents in respect of the Abbeyside housing scheme based on the engineer's estimate of £105,533 for the scheme.

The cost per house of 13 five-roomed houses was £1,450, and weekly inclusive rent, 22/2; 32 four-roomed houses, £1,405, and weekly inclusive rent, 19/8; 16 four-roomed houses, £1,450, and weekly inclusive rent, 20/8; 8 four-roomed houses, £1,406, and weekly inclusive rent, 19/8. The Clerk added that the rates on the houses was based on the current rate and that the rents included the installation of baths in the five-roomed houses and provision for same in the other houses. The weekly cost of the baths were excluded it would mean a reduction of 6d. per week.

Mr. Kyne asked the Clerk if he had taken into account that there would be reduction in the loan charge from 3 1/2 per cent to 2 1/2 per cent.

Mr. Kyne said, "I saw something about it, but we have got nothing officially about it."

Mr. Kyne said he had a printed report of a statement by the Minister to that effect. He was not making the statement that there would be a reduction officially, but they could take it for granted that there would be.

Senator Butler said it would be at the rate of 2 1/2 per cent, and that there would be a refund of the amount between 3 1/2 per cent. and the 2 1/2 per cent.

Mr. Kyne said that this would bring the rents down lower.

The Clerk and Senator Butler then proceeded to calculate what the rents would be on the assumption that there would be a refund of the two rates of interest and it was found that there would be an estimated reduction of 3/- in respect of the five-roomed houses and 2s. 6d. in respect of the others.

Senator Butler said supposing that the rent of the five-roomed houses was reduced to 19/8, they could not have a subsidy from them because nobody could pay 19/- and to subsidize would mean increasing the rates, which were too high already. The Chairman said that many of the houses for the houses would not be able to pay 7/6 a week or even less. For people in lodgings the houses might be a God-send for them.

The Clerk said that he had calculated the rents because the Department asked for that information. It was agreed that the Clerk write the Department regarding the matter of the rates of interest, and if there was a refund of the difference in the rates, that the rents be calculated on that basis.

### OBITUARY

**MISS MARY SPRATT.**  
O'CONNELL, ST., DUNGARVAN.

It is with deep regret that we announce the death of Miss Mary Spratt, daughter of Mr. and Mrs. E. Spratt, O'Connell Street, Dungarvan, which occurred at a Dublin Nursing Home on Friday of last week after a brief illness. Deceased, a popular young lady, was blessed with an exceptional combination of gifts, and those who had the pleasure of being intimately acquainted with her need no words to remind them of her beautiful and lovable personality. She had recently passed her final examination in the banking profession and had just taken up the appointment therein when she fell ill, thus ending a brilliant career on the threshold of a future of great promise for her in this life. She died a holy, happy death in her 18th year. To her grief-stricken parents, brothers and sister, deep sympathy is extended in the great loss they have sustained.

The remains were removed by road from Dublin on Saturday and reached Dungarvan in the evening. Accompanying the remains was one of the largest corteges witnessed for many years.

The remains were received at the Parish Church gates by Very Rev. Canon O'Brien, P.P., Very Rev. P. D. Cummins, O.S.A., (cousin); Rev. P. Farrell, C.C., Dungarvan; Rev. M. O'Meara, C.C., Inismeele; Rev. Fr. Daly, O.S.A., Dungarvan.

The interment took place in St. Mary's Parish Church Cemetery after Mass on Sunday, Very Rev. T. Canon O'Brien, P.P., V.F., and Very Rev. P. D. Cummins, O.S.A., officiated at the graveside. On the grave were placed a number of floral wreaths.

The chief mourners were—Mr. and Mrs. E. Spratt (parents); Donald and Tom (brothers); Oonagh (sister); George and Tom Stokes (uncles); Bessie and Monica Stokes; William McCarthy, Ballyduff; E. McCarthy, do.; M. Moloney, Skeehy crine (grand-uncles); Mrs. Beston, Dromore; Mrs. P. Egan (Hotel); Mrs. Lynch, Ballyduff; Mrs. Ryan Ballymeela; Mrs. Maher, Clashmore; Mrs. K. Healy (grand-aunts).

### I COURSED AND TRACKED

**BITCH WINS IRISH CUP AT CLOUNANNA.**

AFTER a lapse of 25 years (1923-4) a bitch has again made history on the famous stretches at Clounanna. The winner, "Winning Navy," bred by Tremando ex Navy Nap, proved herself worthy to rank with the best, as from her first course on Wednesday until her final on Friday against that good dog, "Boscawl," she never put a foot astray and has again proved the value of breeding, as her sire, Tremando, is a Derby and International Cup winner, and her dam "Navy Nap," an unlucky loser of the Oaks. Going further back we had her grand-sires "Rebel Light" and "Man-o-Man," and her grand-dam, that wonderful bitch, "Rebel Music Made." So she had the blood and proved herself fit to rank amongst the best. The only bitch to win an Irish Cup at Clounanna previously was the famous Clounanna brindle, "Satsrahe," owned by Miss Kitty O'Reilly (now Mrs. Dr. O'Callaghan) and nominated by her father, the late Mr. P. J. O'Reilly. This bitch was by "Dick the Liar," out of "Leaves of Memory" and won the cup in 1923-4, beating Mr. J. Corcoran's (Mullingarr) "What's Next" in the final. Two other bitches had the honour of winning the Irish Cup, but not at Clounanna. "Cissie's Fancy" in 1905-7, won at Cressagh, and "Silviana," 1907-8, won at Wexford. In the season of 1916-17 the semi-final at Clounanna could not be run off owing to very severe frost, and amongst the four that divided the cup were two bitches, "Fawn Queen" and "Lady Charming," the dogs being "Outlaw VII" and Michael O'Hara's "Osprey Hawk," the winner of the cup a couple of seasons later in 1918-9. So for the benefit of my readers it is interesting to note that only two bitches can claim to have won an Irish Cup at Clounanna. "Mira's Fancy" was the runner-up to "Figara" in 1928-9 at Clounanna. I may also mention that the year "Silviana" won the cup in Wexford another bitch, "Wise Widow," was runner-up. Many of my younger readers will be interested to know that the first Irish Cup at Waterford was won by a Waterford dog, "Pierres-de-Wet," and was owned by that great old sportsman, the late Mr. Robert Phelan, who angle divided in 1869-10, this time with "Pikeman," the co-divider being another Co. Waterford man, Michael Curry, of Rathgormack, with "Happy Joe II." Two other County Waterford dogs to make history at Clounanna were Mr. J. Hasset's "Killicooney," runner-up to "Keen Laddie," 1926-7, and in my opinion the unluckiest dog of them all, "Wily Warrior," owned by Mr. W. Walsh, and runner-up to "Black Jester" in 1927-8. So Waterford men and dogs played no mean part in the making of Irish Cup history.

At this stage a number of members were speaking among themselves and Mr. O'Ryan asked that Standing Orders be enforced to allow one member to speak at a time. "We have three" or four meetings going on together," said Mr. O'Ryan. When the meeting was brought to order, the Chairman suggested that the shambles be acquired and that when they be acquired alternative accommodation be provided for the Urban Council because if there was to be a clinic or dispensary in Dungarvan a site must be got for it and maybe at a greater cost.

Mr. O'Ryan—I am sure the County Council will facilitate the Urban Council in every way, but the County Council should not be bound in any way.

Senator Butler—Let it be recorded that the County Council will facilitate the Urban Council; that's all I want.

A resolution approving of the County Manager's recommendation to acquire the shambles under the Public Health Act was then unanimously passed.

R.I.P.

**CHEERING NEWS.**

Just three weeks remains to Christmas Day, and there is cheering news of the fare associated with the great feast so intimately connected with the home. Last year it was reported that the position of supplies approached that of previous years. This applies with more force in 1948 than in 1947. The only snag is that prices are high. The first news of supplies concerns turkeys. There is it is confidently believed, a plentiful supply for the home market with an exportable surplus. Moreover, the turkeys now being handed are of first-class quality, and better than last year's birds. Prices will be 5d. to 6d. higher than last year due to the higher guaranteed price being paid to producers who are getting 2s. 6d. per lb. Home consumers will probably be asked for prices ranging up to 3s. 9d. per lb. for top quality birds. Exporters are getting 3s. 3d. per lb. for turkeys delivered in England. Dealers say that quantities are greater than last year and that the demand from the home market has been provided for, there will be a large exportable surplus. This surplus is expected to exceed last year's total by the number of turkeys sent as gifts to proximate ties resident across Channel under the scheme recently announced by the Government. This means that the volume of the export going through regular trade lines will be about the same as last year. Geese, ducks and geese will also be in good supply, and the quality will be first-class. The scarcity of eggs shows signs of ending and prices are coming down. As those who have already engaged in the campaign of baking Christmas cakes and making puddings know, supplies of dried fruit (raisins, sultanas, candied peel, etc.) is easier this year than for many Yuletides past, though it can hardly be said that the position is all that could be desired. Supplies of fresh fruit are expected to be ample. The home apple crop was excellent this year, and in addition, it is expected orange and other imported fruit will be available. It is hoped that supplies of figs, bananas and Tunis dates will arrive in the country and reach the shops in time. It is stated that supplies of hams will be considerably below pre-war level.

**RATHGORMACK BRIDE OF BIRKENHEAD MAN.**

Very Rev. Fr. Robert Moore, P.P., Hackney and Rural Dean, Middlesex, England, was celebrant of the Nuptial Mass and assisted by Rev. Francis Greaves, C.C., do. officiated at the wedding, at the Church of St. John the Baptist, Hackney, on a recent date. Mr. Harry Mann, of Birkenhead, and Miss Nellie Galvin, third daughter of the late Mr. and Mrs. Pierce Galvin, Rathgormack, Co. Waterford, were the bride and groom. The ceremony was a most charming, was attended by her sister, Mrs. W. Stamp, as matron of honour. Mr. Percival Hassell, brother-in-law of the bridegroom, functioned as best man. Mrs. Hayes, of Dublin presided at the organ during the Nuptial Mass and the ceremony. Many guests were present at the reception which followed at the home of the bride's sister, including Fathers Moore, Greaves and Rev. Martin Galvin (brother of the bride) after which the newly-weds left for Southport, Lancs., on their honeymoon. Mr. and Mrs. Mann received a large array of serviceable and costly wedding presents. All prosperity and happiness to both.

**TOURANEENA AND DISTRICT NOTES**

**DEATH IN EXILE.**

It is with deep regret we record the death after a brief illness at Boston, U.S.A., of William Kearney, a native of Farnane, Modeligo. The late William Kearney emigrated to America in the early twenties, but revisited his native land about 12 years ago. The news of his death cast a gloom over the district where he was a very popular figure prior to his emigration. He was a keen lover of music and no one could render more pleasingly on the many instruments he played the traditional airs of Ireland. He took a great interest in Irish-Ireland affairs during a critical period in our country's history and was one of the pioneers of the Sinn Fein Movement in the Ballinacully district. Deceased was Mrs. Margaret McCoy, Mrs. Nellie Brown, Mrs. Mary McDonnell, Mrs. Hannah Concannon, Dublin, Mrs. Alice O'Connor, and Mr. Michael Kearney, Boston, U.S.A., to whom much sympathy is extended.

**45 DRIVE.**

Everything is now in readiness for the finals of the 45 Drive at Touraneena N.S. on Sunday night, December 5th. The event is being staged by one of the biggest vet judging from the number of first rounds already played. The 45 Drive is a prize and an efficient Ladies' Committee will look after the catering.

**WEDDING BELLS.**

Touraneena Parish Church was the scene of a pretty wedding on Tuesday last week, the contracting parties being Mr. Vincent Keane, Colligan and Miss Mary McGrath, Leckersary. The ceremony, Nuptial Mass, was performed by Very Rev. Fr. Walsh, P.P. The bridesmaid was Miss Mary Hickey, Leckersary, and the bridesmaid and Mr. Thomas Keane, brother of the bridegroom, was best man. Their numerous friends in the district wish them many years of wedded bliss.

**ON THE AIR.**

Silbh gCua was on the air on Monday night last week when a very interesting and well planned programme of the folklore of the district was broadcast by Radio Eireann. The programme consisted of stories and songs narrated by the late Padraig O' Milleadh, one of the latest and greatest of the singers of the Croppy. The origin of the famous or notorious factions, the "Shanavests" and "Caravats," explained fully, and the many gory battles recalled. The far-famed school at Ballingulkee, which was conducted by Thomas O'Keefe, assisted by for a time by McDonnell, was the subject of another record. William Crotty, the highwayman, was the romantic hero of the tale. The programme concluded with the singing of the simple but moving lament composed by the outlaws' wife. Again came the stirring tale of the "Silbh gCua," which brought to a conclusion this very interesting programme. We are promised a similar programme in the near future, and we are glad to see that the Gaeil Graidheacht Binnghraic O' Cadhla.

**DANCE.**

A dance under the auspices of the Knockree Rice Committee will be held at the popular dancing centre, the Halfway Hall, on Sunday night, December 12th. Music by Jackie Mueery's Dance Band, will be provided. The committee are leaving nothing undone to make this one of the best events of the dancing season.

**VARIETY.**

The big event of the year will be the variety concert to be held at Ballinacully on Sunday night, December 28th. The programme will include many varieties of note well as some local talent. If the popular feature "Question Time" was included it should arouse much interest. The concert will be a most entertaining always attract a very large crowd, and it is also deserving of the greatest public support possible, as it is in the interests of the district.

**HANDBALL CLUB.**

Early in 1949 we shall have yet another 45 Drive sponsored by the Touraneena Handball Committee. The revival of handball, one of the nation's oldest and popular games, is making much progress in the parish, and it is expected this drive will bring the usual generous support. Finals at Halfway Hall on Sunday night, January 30th.

**Dance.**—On Wednesday night next a grand all-night dance will be held at the Desmond Ballroom in aid of the West Waterford Hunt. **Sympathy.**—Our very deepest sympathy is extended to Mr. James Ahearne, Tintur, Cappoquin, on the death of his brother, Mr. Wm. Ahearne, which sad and unexpected event occurred at his residence, Bishopstown, on Tuesday, 30th inst. R.I.P.

**First Prize Again for Cappoquin Station.**

We have much pleasure in announcing that once again first prize has gone to Mr. J. Kelleher, stationmaster, Cappoquin, for the prettiest and best kept station in the Waterford district. This club, under the leadership of Mr. J. Kelleher and Wexford, and despite exceptionally keen competition this year, Cappoquin has had honour and credit in every contest. We are sure they feel more than compensated for their work, not alone by being first prize-winners year after year, but also by the genuine words of praise and admiration which come spontaneously to everyone's lips on seeing it. They have now the splendid record of winning first prize for the past four years in succession, three seconds and one third since 1940. We congratulate them on their success and hope to see it repeated next year.

**Successful 45 Drive.**

On Sunday night, December 5th, the most successful 45 Drive for many years was held at the C.Y.M.S. Hall in aid of parochial funds. Huge numbers were present from over a wide area, and from every point of view it was an outstanding success. Arrangements were carried out to perfection by a capable committee and with Mr. J. McCarthy as M.C. not a single hitch occurred throughout the night and everything went off with the minimum of delay. The prize-winners were—1st, Messrs. M. Sargent (Senr.) and J. Donohue, Cook St.; 2nd and 3rd divided between Mr. J. O'Donnell, Mellery; Mr. J. Pender, do.; Mr. T. Mehan, do.; Mr. J. Kearney, Mr. J. Sargent also held the householders card.

Death of Mrs. E. Power, Beehive. —The death of Mrs. E. Power, Beehive, Kilmacthomas, which took place on the night of Saturday, November 27th, after a brief illness and the illness of years, evoked widespread regret among her relatives and friends, and deep and genuine sympathy is extended to her grief-stricken family in this hour of their great sorrow and loss. The deceased lady, who was proprietress of the well-known licensed premises "The Beehive," was a truly grand type of Irishwoman. Her remarkable memory, her wide and varied knowledge, her intelling sense of good humour, made a few hours spent in her company a delightful experience. Her rich and poor alike she had the same cheery word, the same hearty welcome, and to those in need she never failed to extend a helping hand. A true friend, a kind neighbour, whom to know was to love and respect, she was in truth one of nature's gentlewomen. Her passing from this world has left a void which cannot be filled. To her family one and all we tender our sincere sympathy on the loss of such a mother and trust that God will help them to bear their heavy cross. A magnificent tribute was paid to her memory in the extremely large and representative cortege which accompanied the removal of the remains from her late residence on Sunday evening to the Parish Church, Fourmilewater, where they were received by the Very Rev. P. Meskill, P.P. Father Dowd and Walsh officiated at the graveside. The peace of Heaven to her gentle soul.
