DUNGARVAN U.D.C.

Mr. T. McCarthy, chairman, presided at the meeting of the Dungarvan U.D.C. on Friday night...

The Clerk said that the Department had suggested some amendments in the plans and by the time they were made and referred to the Department it would be a long time...

Mr. Clancy said that it was a good while since the Council decided to carry out the repairs during Lent...

Mr. Clancy said that it was the greatest piece of square masonry ever heard of. It would put up the rates. He would not be a party to it...

The Chairman referred to the Council's decision at the last meeting as being that Deputy Kynne and Senator Butler interview the Minister regarding increased grants for the Abbey-side housing scheme...

Senator Butler said there were things in the letter that would not cost a lot of money. Let the Council do what it was intended to do with these little additions...

Mr. Kynne said he was opposed to it. "I would like to know the man who made this order," he said...

The Chairman reiterated his suggestion and let the Minister be approached about it and to point out to him the loss in revenue to the Council that would result if the improvements were carried out during the summer...

To Mr. Kynne, the Clerk said that the plans were with the Department since November 1. Mr. Kynne—That is scandalous. We should take that up with the Minister and have this official in the Department reprimanded that delayed this for over two months...

Mr. Kelly said that the main thing was to put the hall in good repair. He thought that the Council should be allowed to carry out the repairs themselves...

Senator Butler—Under the present system you cannot do that. The Council has very little say in contracts under the Managerial system...

The Chairman's suggestion in interviewing the Minister was agreed to...

Deloret Sites—Reports regarding derelict sites in the town were read in connection with the Barrenstrata site...

Mr. Clancy said that the object he moved as regards this area had been achieved if the houses have to be demolished they must go, but he would suggest that the demolition would wait until the Minister was satisfied that no shacks would go up there...

I COURSED AND TRACKED

RECOLLECTIONS OF THE NATIONAL MEETING.

TWENTY-FOUR years ago (1925) Mr. J. Morris introduced the big puppy event at Powersdown Park, Clonmel; it was then known as the National Breeders' Trial Stake and was run as a mixed event, for dog and bitch puppies...

THREE years later Mr. Keenan again won the big stake at Clonmel with Keen Girl, a brindle bitch by Mutton Outlet of the same dam as his previous winner (Keen Girl). By a remarkable coincidence they were both May whelped...

IT is a long way back to those years, but what coursing we had. Somehow I think track racing has ruined coursing, as the present-day greyhounds are lacking the most important asset of good coursing—stamina and determination...

OWNERS of dogs know what it costs to train and enter a dog at a meeting, and cost of transport, etc., so when we see a good coursing dog just piped for the turn and then the flag merchant who, looking on, gets the dog, there is not much encouragement for the breed...

Late Mr. John J. Walsh,

Millstreet House, Modeligo.

Expressions of the deepest and most profound regret were heard on all sides when it was learned that the Angel of Death had called to his eternal reward Mr. John J. Walsh, Millstreet House, Modeligo. His demise occurred at his residence on Wednesday, the 5th ult., after a rather brief illness and at an early age. Deceased was son of Mrs. N. Walsh and the late Mr. E. Walsh, and brother of Mr. E. Walsh, Sydney, Australia; Mr. Frank Walsh, New York; and Mrs. R. C. Farrell, Youghal. He belonged to one of the best known and most esteemed families in Waterford. Of a most hospitable nature, kind and generous, he was one of the most unassuming and popular personalities in the district and was genuinely loved by both young and old alike. Apart from his many sterling and admirable traits of character, he was a keen sportsman and always took a prominent part in all forms of sport. In his youth he was an outstanding Rugby player and won many honours at Roscrea College. His passing has created a void which time can never fill and to his bereaved wife, children, mother, sister and brothers, our heartfelt sympathy is extended in their great grief and sorrow. Evidence of deceased's popularity and the extreme regret felt on his untimely passing was illustrated by the immense number of sympathisers who accompanied his remains to Modeligo Church on Thursday evening. The remains were received and blessed by Very Rev. Fr. Shine, Adm., assisted by Rev. Fr. O'Meara, C.C.; Rev. D. McGrath, C.C.; and Rev. J. Walsh, C.C. The interment took place immediately afterwards in the adjoining cemetery and was attended by an immense congregation of mourners and sympathisers.—R.I.P.

WATERFORD G.A.A. CONVENTION

Every affiliated Club in the county with one exception was represented at the annual Convention of the Waterford G.A.A. held at the Municipal Hall on Sunday. A total of 104 delegates took part in the deliberations, which is considered a record.

A big surprise was the defeat of the outgoing Chairman, Mr. M. V. O'Donoghue, by Very Rev. P. D. Cummins, O.S.A. The voting was 84 to 79, and there was one spoilt vote. The new Chairman is a native of Strabally, was a noted footballer in his youth and was appointed prior to St. Augustine's, Dungarvan, last year. Before that he was prior of the Augustinian Order in Cork, where he was well-known as a staunch supporter of the native games.

The Convention lasted for about seven hours. Delegates Welcomed.—Rev. Bro. Murray, Superior, Dungarvan C.B.S., welcomed the delegates to the school and expressed his pleasure at having them there. He hoped that next year they would do even better than last year.

Delegate Questions Absence of Public.—Mr. J. Fitzgerald (Eire Oie) asked why the members of the public were not allowed to be present. The Chairman, Mr. M. V. O'Donoghue, replying, said that it was the annual meeting of the Gaelic Clubs of the county with their officials and the public had no right to be admitted. The Press was there.

Mr. Fitzgerald asked for an answer to his question and the Chairman replied: "I have answered your question."

Flea For Native Tongue.—Standing orders were suspended to allow a representative of the Gaelic League to address the Convention in connection with the Irish language. The representative said he would appeal to those that knew Irish to use it. He would ask them to put the language in the very first rank, to see that it got pride of place.

Hogan Stand Tickets.—Arising from the statement of accounts, Mr. Harte (Mt. Sion) referred to the item of £202 4s. 8d. for compensation to players in the Hogan Stand and Final and said he would like particulars about it.

The Chairman said that it included loss of work and that in training. The total number in training was 25 which lasted for three weeks. There was a loss of revenue to players during that period. It was a very reasonable amount for the work and sacrifices of the players.

Training Fund "Disappointing".—Mr. M. Creagh, N.T. (County Board members) referred to the Training Fund collection of £127 and said it was very disappointing.

County Secretary (Mr. D. Good)—Yes, it was very disappointing. Mr. Creagh also referred to the item regarding Hogan Stand tickets, and the Secretary explained that they received 50 of them, but that they were not to be used.

Mr. Creagh also referred to the item regarding Hogan Stand tickets, and the Secretary explained that they received 50 of them, but that they were not to be used.

Medals.—The item of £90 15s. due for medals (old account) in the book since 1947 was referred to by Mr. P. Cunningham (Tallow).

The Chairman said he thought this item was carried on as an estimate. The question of the outstanding medals was going back for a generation and some of the Clubs to which medals were due were no longer in existence.

The Secretary said they had a special Deise type medal and they got samples, but they were not of that type. They wanted to give a Deise medal to a Deise man.

Mr. J. Vaughan (Lismore)—Why not ask him (Mr. Cunningham) to agree to accept medals that can be set at the moment?

Mr. Cunningham said he only wanted to know what teams were included in the Secretary's list. He asked if Rathgormac and Mountain Rovers included.

Secretary—They are included. Chairman by Ticket.—Mr. O'Meara (Mental Hospital Club) asked if admission was by ticket at the County Final in Waterford. There were ticket sellers there, but they were not being admitted for cash at the turnstiles.

Secretary—The returns I got was that in a certain section on the tickets sellers and the gatesmen. The Chairman said that he was glad that Mr. O'Meara had raised this, and they would be gone in the future. Referring to the position about the medals, the Chairman said that every club or team that won medals were entitled to get them and the Board was willing to give them.

a meeting when necessity demands it. What was the necessity? Secretary—The meeting was called according to the county by-laws.

Chairman—The Chairman knows no reason why he should give an explanation to you or anybody else for, as Chairman, calling a meeting of the County Board.

Mr. O'Dea—I want to know what was the necessity? Chairman—You are out of order. Mr. T. Lannon (Dungarvan) said that the Chairman had said there were two resignations before that meeting. That was not correct; there was one.

The Secretary said that the resignations were Martin Cullen (Chairman of the Selection Committee) and the other one, John Keane.

Mr. Lannon said that at that particular County Board meeting there was only one resignation—Mr. Cullen. The rest of the Selection Committee were picking the team on that night.

Chairman—There were two letters of resignation—one was accepted from John Keane and the other from Martin Cullen.

Mr. P. Fanning (County Board member) thought that the action of the County Board had a salutary effect on the Selection Committee. He thought that the resignation of John Keane avoked the Selection Committee to their responsibilities. It was unfair to say that there was a vote of censure on the team.

The Chairman said there was no such thing as a vote of censure. Before it was adopted, Mr. O'Meara congratulated the Secretary on his splendid report.

The Secretary said there was hardly any necessity for him to tell them that it was one of the proudest years in Waterford's history. He pointed to some pictures of the All-Ireland Final which were hanging on the walls of the room, and pointing to one of Jim Ware with the All-Ireland Cup, said: "Jim Ware, I am glad to say, started us on the road in 1931. My ambition (he added) is to see not only one All-Ireland but two some day" (applause).

Outgoing Chairman's Address.—Mr. M. V. O'Donoghue (outgoing chairman) then addressed the delegates. After a short address in Irish he said, speaking in English, that for more than half a generation it had been his proud privilege to address the annual Convention of the G.A.A. in the Deise. On the whole it was a period of quiet but steady progress, largely uneventful.

Gradually the long lean years of spathy and disappointment faded in to the past. New hopes were born, new confidence inspired. Dogged determination and perseverance banished fatalistic defeatism. The Deise must triumph. Many and cruel were the setbacks when success was almost within our grasp. No other Irish county had felt so keenly and so bitterly the "sickening pangs of hope deferred." But, at last the dawn broke. The tide turned and Portlaine experienced the full glory of the Hogan Stand. The year of 1948 had seen their most cherished dreams realised, and their most sanguine expectations exceeded. "But a short year ago," he continued, "when I had the honour of being recalled to resume control of the G.A.A. affairs in the county I asked for one combined special effort to reach the goal of our desires. It was forthcoming. To-day I am proud and happy to congratulate you and to salute you as All-Ireland Senior Hurling Champions (applause) and All-Ireland Minor Hurling Champions (applause) and as Munster Junior Football Champions (applause)—a triple triumph which, if not actually unique in the annals of G.A.A. history, is certainly an amazing record for the Deise. Naturally, I am deeply conscious of the great honour which was vouchsafed to me in being your chairman during such a glorious period of achievement. I will always cherish it as one of the proudest memories of my life (applause)."

Continuing, Mr. O'Donoghue said that the splendid Deise victories had opened a new and brighter chapter in G.A.A. records. That a county struggling under so many burdens and handicaps could surmount them all in a single year and even defy tradition itself, was certain to have a tremendous psychological effect on what is termed the weaker Gaelic counties. No longer were the highest honours the monopoly of the powerful "big guns." It should give a big impetus to the morale and hopes of many of the lesser hurling counties and result in a general levelling up of standards and honours.

"I feel I must pay a special tribute for the renown which they have won for themselves and their historic county, but also for the high standard of their sportsmanship and general behaviour. For years they had set a standard as gallant and manly losers, but now they had endeared themselves to the hearts of Gaelic by their chivalry in victory. Honours sit easy on them. They had long known how to lose as Gaelic; now long known in the best traditions of Gaelic sportsmanship, how fields are won. Let them be honoured not only for their prowess, but for their manly interpretation of all that is best in Gaelic athletics.

"Yes, indeed, well may we exult that Waterford has achieved so much in the G.A.A. fields in 1948. But we should not let our natural pride and exultation obscure our Gaelic vision and our national objective. The winning of All-Ireland honours is the goal of every true Gaelic member of the G.A.A. (applause). Winning an All-Ireland is a valuable strategic gain in the continuous campaign to Gaelicise the land. The main consideration should be to ensure that the newly-won position can follow up our success.

"Gaelic must never lose sight of the fact that the national language is making a desperate fight for survival and the crisis is not yet past. If the G.A.A. threw its full strength into the struggle for the revival of Irish the battle is assuredly won. Let us remember that when the G.A.A. was founded in 1884, Gaelic games in Ireland had almost ceased to exist. In a short half century the ruthless determination and aggressive nationalism of the G.A.A. alone rescued the games from oblivion but established them on an impregnable basis throughout the length and breadth of Ireland. And that was accomplished in the face of great odds. The G.A.A. could do the same thing for the Gaelic tongue and in a shorter time. What is needed is the unbending will and militant spirit of the Gaelic pioneers. Let the G.A.A. rally four square behind the language revival to the clarion cry of 'Seo change i n-ainm.' Deo that was the cry which stirred the won over hoias of Irishmen to another worthy cause."

Dealing with internal G.A.A. affairs in the county, Mr. O'Donoghue said that last year he had in mind the fact of the Gaelic scholarship scheme, which was, he said, a progressive step. The success attending the inauguration of the scheme was most encouraging. Of the young men who repaid the benefit of a month's sojourn in the Fionn Gaeltacht it was a happy coincidence that four of them had secured places in the G.A.A. medals. That typified the complete Gaelic progress for which they should all strive—Gaelic athletic prowess and Gaelic education. He desired a good wish to be efficient in Irish, but my opportunities were limited. Now, first of all, I wish to say a word about what you have done for me forward and supported me to the position in which I now find myself. I hope that after a time I will be able to say that you have done for me what I have done for you. But while thinking of those who supported me and put me in this position, I want to make it clear to those who did not support me that as Chairman of the Waterford County Board, have not the least enemy for their opinion or for their action to-day. I want to make it clear that I am thinking of those who put me forward, I first of all as a priest, want to be honest and just. I am not going to allow myself to be the instrument of revenge for any person, or for any individual, or for any club. I want to make that clear from now. (Applause) Now, Gaelic, it has been said that I am being a bit of a top of an opposition. I assure you I am no fool. I am a Waterford man who has resided outside the confines of the county for 18 years. I am 53 years associated with the games of Waterford, and I am glad to say—and you are in a position to judge my sincerity—that I still love Waterford.

Continuing, Rev. Fr. Cummins said that he was in the peculiar position of being a kind of neutral, to judge the action of the county in this regard. He said that he was a Waterford man who has at all times continued to put Waterford first and time and again has been in the firing line. He said that he was a Waterford man who has at all times continued to put Waterford first and time and again has been in the firing line. He said that he was a Waterford man who has at all times continued to put Waterford first and time and again has been in the firing line.

Concluding, the Rev. Chairman said: "I thank you all, and I promise to do my best. And if I succeed in now the most serious external menace facing the G.A.A. I am not at all convinced that it springs from economic causes. I am very much afraid that the time has come when we must look outside Ireland to a fatal fascination on many of our restless Irish youth. Bionn adhras fada agus buailtín. The G.A.A. as the premier national and youth organisation should discourage emigration by every means in its power. It goes without saying that a certain number of emigrants are necessary to the well-being of the G.A.A. in Irish social life are a powerful antidote to the emigration disease. Moreover, G.A.A. activities among emigrants can only help to maintain their loyalties and contacts with Mother Ireland but also conduce to hasten their return to the land of their birth. While planning to counteract the menace of emigration, it behoves the G.A.A. also to keep a wary eye on the enemies within. Of these the most dangerous are indiscipline, factionism and exploitation of the Association for personal ends. Of late years these ugly tendencies have manifested themselves in rather alarming fashion. The G.A.A. should be on the alert to nip in the bud anything of this nature and so maintain itself for what it is—a sheet anchor of Irish resurgence and nationality.

I wish to conclude on a note of high optimism for the future. I am confident here and pray that this year of 1949 will see the historic Deise not only maintaining the proud place it has won in the Gaelic world but also adding to its glorious achievements. Let us be worthy upholders of the great honours won. Further success may or may not be ours in 1949. It is not in mortals to command success. But we, proud sons of the Deise, can do more—we can deserve success. In n-ainm Deo, let us do it." (Applause).

The Chairman thanked Rev. Fr. Kelleher and Mr. O'Dea for their words of appreciation. Replying to Mr. O'Dea's point, he said that he endeavored as far as possible not to cover the ground that was covered by the Secretary. "After the All-Ireland final," continued Mr. O'Donoghue, "I took the first opportunity of congratulating the Selection Committee for the magnificent work they had achieved."

ELECTION OF CHAIRMAN.—The next item on the agenda was the election of officers for the coming year, commencing with the election of Chairman. There were three nominations for the post of Chairman: Rev. Fr. Cummins (outgoing); Rev. Fr. Kelleher (Clonea), and Very Rev. P. D. Cummins, Prior, O.S.A., Dungarvan. Rev. Fr. Cummins was elected by a vote of 79. There was one spoilt vote.

"GET RID OF BITTERNES." New Chairman's Appeal.—The Rev. Fr. Cummins then took the chair amidst prolonged applause. Addressing the delegates, he said he was sorry to say that his knowledge of the county was not sufficient to address them in Gaelic. He had a limited knowledge, but he was afraid it would not rise to the level of what he would like to have said. "I make that statement," he declared, "to make it clear to you that while I am not well equipped in that knowledge, I have a love for our language and Gaelic education. My desire is a good wish to be efficient in Irish, but my opportunities were limited. Now, first of all, I wish to say a word about what you have done for me forward and supported me to the position in which I now find myself. FINANCE COMMITTEE MOTION.—A motion that Cumann Baile Nua be reinstated herewith, gave rise to divergent views. The Rev. Chairman said that when the question was raised that if a club which had been expelled from the Association could be reinstated, the Rev. Chairman said that the point was very debatable. He had got opinion on this and he personally held that no club could be expelled perpetually.

Mr. Kevin Whelan (Strabally) who referred the match following which Cumann Baile Nua were expelled, said that he got no compensation for the injuries he received that day. He asked what compensation he would get for them.

Mr. C. Curran (Waterford, Western Board) opposed the motion and said that though he bore no enmity to the Baile Nua Club, he felt that it would be a bad precedent to reinstate them. The Chairman said he would take the responsibility of recommending the motion to the Munster Council.

VENUES FOR S.H. FINAL.—Two motions that (1) bye-laws fixing the S.H. county final for Dungarvan and Waterford, alternatively, be rescinded, and (2) that the county S.H. final be played at a venue suitable to both teams, were moved by Lismore Club.

Mr. J. O'Dea (Dungarvan) opposed the motion and said that it had been admitted that Waterford City was the head of the county, and after that Dungarvan. Played at these venues the final gave opportunity to every Gael to see them.

On a show of hands, the motion was declared lost, as it did not receive the requisite two-thirds majority. FINANCE COMMITTEE MOTION.—A motion by the Mount Sion Club, that the Finance Committee be required to meet regularly and report to each meeting of the County Board the financial position of the Board, was recommended to the County Board.

Arising from the motion, the Rev. Chairman put before the delegates the question of the establishment of a General Purposes Committee to deal with finance, objections and fixtures. In his opinion it would be a very desirable thing to do.

Following a short discussion it was decided that such a committee would be formed. ANNUAL DECISION FOR PLAYING FINALS AT HOME.—The Convention agreed unanimously that the County Board should be instructed to oppose strongly any view to playing the 1949 Waterford hurling final in New York.

WATERFORD-TIPPERARY BOUNDARY.—The All-Ireland Club's motion recommending to the incoming County Board that the boundary between the counties of Waterford and Tipperary be carried on the River Suir, at Carrigrohilly, was carried. The County Board, at the northern side of the River Suir, or the River Suir itself, was passed.

FOOTBALL COMMITTEE.—Motions (3) asking to set up a Football Board to set to football interests in the county, was amended to read "Sub-committee," and in this form was passed.

Abbeyside Sea Captain's Appointment.—The "Irish Pine" (7,500 tons) sister ship of the "Irish Pine," which left on her maiden voyage for Baltimore on Thursday, was for her Master, Captain David Foley, "Shell House," Abbeyside, Dungarvan. Captain Foley can be truly described as having "the sea in his blood," for he comes from an old and esteemed seafaring family that for generations has been associated with seafaring. He has been with Irish shipping, Ltd., since 1942, and served on most of their ships.

Whist Drives.—Prize-winners at the Scouts' Den, Abbeyside, on Wednesday night were—1st lady, the beloved Mrs. M. Maher and Mrs. A. democracy of the Association, that any member was entitled to stand for any position, highly or lowly. He concluded by expressing the hope that next year they would win the triple title.

REPRESENTATIVES ON MUNSTER COUNCIL.—Messrs. T. Lannon (Dungarvan) and P. Fanning (Mount Sion) were elected as Representatives on the Munster Council.

REPRESENTATIVE ON CENTRAL COUNCIL.—Mr. M. V. O'Donoghue (with 82 votes) was elected Representative on the Central Council. Messrs C. Ware (59 votes) and "Fad" Brown (eight votes) contested the position with him.

MOTIONS.—The motion by the Dungarvan Club—that no bye-laws be enforced beyond six p.m. they are brought up to date—was taken first.

The Rev. Chairman said that this motion was being taken first as there was some doubt about its printing, or promulgation. He thought that for the better conduct of the Board this motion should be considered.

Mr. T. Curran (Dungarvan), moving the motion, said that in their opinion very few clubs had got any copies of them or knew about them. They should be printed and given to the clubs.

Mr. P. Fanning (Mount Sion) said that they had bye-laws in operation but they were not printed and they did not know about them. He believed they were known to every club, even though they were not printed. He thought that if this motion were passed there would be chaotic conditions in no time, because they might as well forget about the bye-laws altogether.

It was agreed to recommend to the incoming County Board that the bye-laws be printed and circulated immediately.

REINSTATEMENT OF NEWTOWN CLUB MOTION.—A motion that Cumann Baile Nua be reinstated herewith, gave rise to divergent views. The Rev. Chairman said that when the question was raised that if a club which had been expelled from the Association could be reinstated, the Rev. Chairman said that the point was very debatable. He had got opinion on this and he personally held that no club could be expelled perpetually.

Mr. Kevin Whelan (Strabally) who referred the match following which Cumann Baile Nua were expelled, said that he got no compensation for the injuries he received that day. He asked what compensation he would get for them.

Mr. C. Curran (Waterford, Western Board) opposed the motion and said that though he bore no enmity to the Baile Nua Club, he felt that it would be a bad precedent to reinstate them. The Chairman said he would take the responsibility of recommending the motion to the Munster Council.

VENUES FOR S.H. FINAL.—Two motions that (1) bye-laws fixing the S.H. county final for Dungarvan and Waterford, alternatively, be rescinded, and (2) that the county S.H. final be played at a venue suitable to both teams, were moved by Lismore Club.

Mr. J. O'Dea (Dungarvan) opposed the motion and said that it had been admitted that Waterford City was the head of the county, and after that Dungarvan. Played at these venues the final gave opportunity to every Gael to see them.

On a show of hands, the motion was declared lost, as it did not receive the requisite two-thirds majority. FINANCE COMMITTEE MOTION.—A motion by the Mount Sion Club, that the Finance Committee be required to meet regularly and report to each meeting of the County Board the financial position of the Board, was recommended to the County Board.

Arising from the motion, the Rev. Chairman put before the delegates the question of the establishment of a General Purposes Committee to deal with finance, objections and fixtures. In his opinion it would be a very desirable thing to do.

Following a short discussion it was decided that such a committee would be formed. ANNUAL DECISION FOR PLAYING FINALS AT HOME.—The Convention agreed unanimously that the County Board should be instructed to oppose strongly any view to playing the 1949 Waterford hurling final in New York.

WATERFORD-TIPPERARY BOUNDARY.—The All-Ireland Club's motion recommending to the incoming County Board that the boundary between the counties of Waterford and Tipperary be carried on the River Suir, at Carrigrohilly, was carried. The County Board, at the northern side of the River Suir, or the River Suir itself, was passed.

FOOTBALL COMMITTEE.—Motions (3) asking to set up a Football Board to set to football interests in the county, was amended to read "Sub-committee," and in this form was passed.

Abbeyside Sea Captain's Appointment.—The "Irish Pine" (7,500 tons) sister ship of the "Irish Pine," which left on her maiden voyage for Baltimore on Thursday, was for her Master, Captain David Foley, "Shell House," Abbeyside, Dungarvan. Captain Foley can be truly described as having "the sea in his blood," for he comes from an old and esteemed seafaring family that for generations has been associated with seafaring. He has been with Irish shipping, Ltd., since 1942, and served on most of their ships.
