TO-DAY IN POWER'S BREWERY

Very few premises originally designed as Breweries are to-day used exclusively for the manufacture of Mineral Waters and Bottling of Beer. Hence it is that in Power's Brewery the wealth of floor space is now beginning to show its advantage as more and more new plant is installed. Heretofore a big portion of the old Brewery was not in use. When complete in 1951, Power's New Mineral Water Factory and New Bottling Stores will be the finest of their kind in Ireland. Already Irish and English experts have helped in drawing the new Plans for the most modern lay-out possible to-day.

Irish Union of Distributive Workers and Clerks.

ANNUAL MEETING OF THE DUNGARVAN BRANCH.

The seventh annual general meeting of the above was held in the Courthouse, Dungarvan, on Tuesday night, 31st January. Mr. Jack Murphy, branch chairman, presided. The Area Organiser (Mr. E. J. Reid) Waterford, attended.

Opening the proceedings, the Chairman (Mr. Murphy) extended a warm welcome to all present, and to Mr. Reid specially, who at present was a very busy man. Referring to the annual report, he stated that the year under review was one of great achievements, and to-day the branch was in a stronger position than ever before. We had succeeded in organising practically all the shop assistants and clerical workers in Dungarvan, but there was one section of clerical workers remaining aloof from our ranks. These people had been approached by committee members some time ago, but we were overpaid and that Union membership would be of no use to them. Facts, however, prove otherwise, and we have evidence that this information is not true. I can assure them that they will not be approached again. If they wish to become members they will have to come along in the usual way and apply in writing to the committee for admission to membership.

The report and statement of accounts having been adopted unanimously, the election of branch officers and committee took place. The four outgoing officers—Messrs. Jack Murphy, chairman; Thos. D. Smyth, vice-chairman; Jas. Grant, treasurer; and John J. Meany, secretary—were re-elected for the coming year. The following were elected to act on the branch committee—Messrs. J. H. Williams, Joseph Healy, Miss C. Dawson, G. Kerr, P. Ormonde, D. J. Forde, Miss K. Flynn, J. Mountain, T. Ryan, O. Walsh, Mrs. M. Glanville, T. Kiely, Wm. Slack, T. Allen, Miss B. Devereux, Messrs. P. Nagle, T. Power (Knockmeal Section). The following were elected to act on the Social Committee—Messrs. T. Ryan, J. Healy, L. Giblin, E. J. Conway, T. Mulcahy, A. Murray, Misses K. MacManus and A. Hennessy.

Mr. Reid, in a lengthy address, addressed, apologised for the unavoidable absence of Councillor M. Coffey, Waterford, a member of the Executive Committee, Dublin. He thanked the branch officers and committee for the wonderful work that they had accomplished during the year. To the house collectors, who, in his opinion, were the backbone of the Union, his very best thanks were due for the unpleasant duties performed by them. He was most pleased to see the four outgoing officers returned to office again that night. They were a splendid team and were worthy of the trust and confidence placed in them. He had not the slightest doubt but that the Dungarvan Branch would continue to attain greater progress for the coming year.

The Chairman, in conclusion, asked Mr. Reid to convey to Councillor Coffey the hearty congratulations and good wishes of the Dungarvan Branch on his new appointment in Waterford. Having once more thanked all present for the attendance, the meeting concluded.

THE NATIONAL MEETING AT POWERSTOWN

By "DICK THE LIAR."

On Wednesday next the national meeting at Powerstown Park will be the venue of what should be a great finish to one of the best coursing seasons in the history of the sport, as taken on most of the fortunes smiled on the weather conditions and the hares, with one or two exceptions, were all that could be desired. The Trial Stake winners, dogs and bitches, are well up to the standard, and Wednesday, Thursday and Friday next should provide thrills in plenty. At this stage it is hard to assess the merits of the puppies engaged as coursing men know how much they vary in form at this time of the year. However, I am going to mention here some of the Trial Stake winners I have seen in action during the season.

Macree Dick, the winner in Mitchellstown in November combined the good impression he gave me there by winning the Munster Cup at Newcastle West in January, where he beat Bold Lieutenant in the final, and in the well this puppy should go very far. Game Prince, a good runner, is in good hands, he should show up well as he has pace and stamina. The connections of the Fermoys winner, Lios Champion rate him highly and he beat some useful ones in his outings at Fermoys and Mitchellstown. The New Ross winner, Kinless Pete, is a good one as he won the Loe Garmen Cup at Christmas, and this is good form for a puppy. Another cup winner in Middleton Champion, who qualified at Ardbraccan in November, and I hear he is expected to keep up the good reputation established by the midland puppies in Clonmel over the years. During a recent visit to Dublin I got a great account of the St. Margaret's winner, Let's Varnose. By all accounts he has everything necessary to beat them all, and as I know he is in good hands he will be fighting fit for the big event. I liked the way Quare Intention won at Kilsheelan, and he looked like a nursery winner. Dunowen Prince, winner at Bandon, is another with good credentials as he showed his paces in great style at the Youghal meeting earlier in the season. In summing up at this stage and not forgetting the ones I have not seen in action, I am satisfied that the above-mentioned eight dog puppies should supply the winner of the 1950 Derby. Assessing the merits of the bitches is a tricky problem, as until we get the list of certain runners it is difficult to say much about them. However, at this stage I will say that the best I have seen are the litter sisters, Peg's Gift, winner at Youghal, and Magic Grizette, winner at Fermoys. I am hoping to see both in Clonmel next, and both with any normal luck should give a good account of themselves. Owing to going to Press before the final list of runners is known, and in the absence of the draw, I can say no more at this stage. The International Cup, the third big attraction, is known and in the absence of the draw, I can say no more at this stage. The International Cup, the third big attraction, is known and in the absence of the draw, I can say no more at this stage.

West Waterford Div. Board, G.A.A.

Draws and Fixtures.

The annual meeting of the West Waterford Board for the purpose of making draws and fixtures was held in the C.M.S. Hall, Dungarvan, on Sunday last. Mr. C. Curran (chairman) presided. Also present were—Rev. Fr. J. Grace, C.C. (vice-chairman); Messrs. M. Fives (treas.); D. O'Sullivan (sec.); T. Cashin (Co. Board Reps.); T. Lannon (Munster Council); Rev. Bro. Dunne, and representatives of 30 clubs in the division.

A letter was read from Old Parish F.C. seeking a permit to hold a four club tournament in aid of Parochial Funds. Granted.

The Gaelic League were granted an open date for Feis in Cappoquin on the first Sunday in May.

Two open dates were granted in May to the committee in charge of the fund for the Convent of Mercy, Cappoquin.

Fixtures and Objections Committee.—It was decided that the committee should consist of Chairman, Vice-Chairman, Treasurer, T. Cashin, Rev. Fr. J. Morrissey, C.C. (Co. Board Reps.), with P. Cunningham and J. Fives (Lismore Group), and P. Hurley and P. Burke (Dungarvan Group).

It was decided, on the Chairman's suggestion, that the above body should also act as a Finance Committee.

A delegate suggested that a Panel of Referees be set up and said that any incidents that occurred during the past year were due to bad and lax refereeing.

The Chairman said he was not anxious to have referees criticised at board meetings as these were the most important men in the association and performed their tasks in a most efficient manner. He had of course, some exceptions, but had a panel on a previous occasion and the system proved unsatisfactory.

Following a discussion it was decided to leave the matter in the hands of the Chairman and Secretary.

Divisional Teams.—On a vote it was decided to enter Divisional S.F. and S.H. teams in the current year's County Championships.

It was agreed to set up a committee to handle the teams.

Late Mrs. Hanrahan, Death of Mrs. Walsh

Ballinacorney, Dungarvan. MOYING, GRANGE.

It is with deep regret we chronicle the death of Mrs. Hanrahan which occurred on Friday, 3rd February, at her residence, Relict of the late Mr. M. Hanrahan, the deceased (nee Donoghue) was a grand type of Irish woman, capable of an exceeding degree. She was beloved by all whose pleasure it was to have known her and who now mourn her death, with whom we join in extending to her bereaved children and relatives sincere sympathy in their loss.

The funeral which took place at Garradone Church on Saturday evening, 5th February, was of a very large and representative character, testifying in no uncertain manner to the great respect in which she was held. The remains were received at the Church gates by Rev. Fr. Power, C.C., who recited the prayers for the dead. On Sunday following the celebration of Holy Mass interment was made in the adjoining cemetery. A large number of other large cortege of mourners and sympathisers. Rev. Fr. Power, officiated.

KILMATHOMAS NOTES

Early Tillage.

Throughout mid-Waterford farmers have made excellent progress in their early tillage operations despite the difficulty in many cases of finding the necessary labour assistance. Incidentally, the number of agriculturists in the area now operating their own tractor-propelled implements is practically double that of last year.

Death of Mrs. E. Hennessy.—The announcement of the death of Mrs. Ellen Hennessy (nee O'Mahony) wife of Mr. James Hennessy, Rathmadden, Kilmathomas, was a source of deep regret throughout these parts. The late Mrs. Hennessy occurred at her home, to the inexpressible grief of her well and popularly known husband and family, followed an illness which was borne with uncomplaining patience and exemplary fortitude and resignation. Endowed with the noble gifts of nature, devoted, loyal and charitable, she was an outstandingly fine type of Irish womanhood, whose rare qualities of heart and heart were of her golden opinions of those who were privileged to call themselves her friends. Her life's journey, which possessed a cheerful and philosophical outlook on life, from which she never departed, and which was the noble gift of nature, together with the many other benign traits of character which equipped her for and guided her through life's journey, were a source of joy and comfort to her neighbours who were daily in contact. Unassuming in disposition, her goodness of mind and generosity of heart enabled her to go through life without making a single enemy. A loving and devoted parent, her gentle and unflinching hospitality never failed to impress her share of acquaintances, who shared with those who were nearest and dearest to her a sorrow which her demise at a moderately advanced age has evoked. There was a large and representative attendance at the funeral, which was held at the Church of Our Lady of Mount Carmel, Kilmathomas, on Friday evening, 10th inst., and again on Saturday, when, subsequent to the celebration of Requiem Mass, interment was made in the adjoining cemetery. Rev. T. Hanrahan, C.C., Kilmathomas, officiated at the graveside. A number of beautiful floral wreaths were laid on the grave, and many cards of sympathy and messages of condolence were received. R.I.P.

On Leave.—Enjoying a period of leave at his parental home, these days is Cpl. J. Fitzgerald, of the Army of the Republic of Ireland. A magnificent specimen of a young man, he is the son of Mr. and Mrs. James Fitzgerald, Carrigastee, Bonmahon (very esteemed neighbours), and is in the front ranks of his grade in Army boxing circles.

Newtown Parish Card Drive.—The Newtown Parish "30" Card Drive is well advanced. Meetings have been held at Stradbally, Ballynaneen, Bonmahon and Kilmathomas, and Mr. Reddy, E.S.B., has informed us that rural electrification will be installed in a few months.

Kilmathomas Dramatic Society are sunning a grand 30 Drive. £30 in prizes. Winners: £16, second, £8; third, £4. Householder who winning card is holder £2. Cards, 6/- Final in Rainbow Cinema on March 12th.

Fine Gael Meeting in Dungarvan.

Addressing the Waterford Fine Gael constituency meeting at Dungarvan on Sunday last, Senator D. Burke, Clonmel, said he believed that local government was the plighting of cranks in this country and had never got a fair chance. Men with a bee in their bonnet had come along and asked to give them a system which was worse than formerly. Instead of Ministers being to a great extent responsible to councils, they had become the tools of the Minister for Local Government during the Fianna Fall Government. The present Minister for Local Government would give back some of their powers to councils and he (Senator Bourke) believed that they would have better Urban Councils and County Councils to serve on than they had for the past 16 years. If the people put forward are prepared and determined to do their duty, they will be put in a position of strength that will be of immeasurable help in the next few years and, said the speaker, I think we will be the majority Party when the next General Election comes.

Mr. O'Gorman, T.D., said that after two years of Inter-Party Government he thought that the people were very satisfied with the way they were being governed. The local elections were a very serious matter for the Government, because if the councils were filled by people of opposite political persuasions they could make the lives of the Ministers very awkward.

Mrs. B. M. Redmond, T.D., Senator J. Butler and Councillor T. Lynch, Waterford, who presided, also addressed the meeting.

Wexford Hold Record in Mud Battle.

Wexford defeated Cork by 5 points to 2 points in the National Football League (Group 2) at Wexford Park on Sunday. For the first time since Cork were under an almost continual pressure, but M. O'Driscoll (goal), A. Murphy, P. O'Brien and S. O'Connell, held their heads and left feet and let the ball fly. The score was 5-2 to Wexford. The game was a close race, with the home side leading 3-1 at half-time. The game was a close race, with the home side leading 3-1 at half-time. NEWTON PARISH CARD DRIVE

The Newtown Parish "30" Card Drive is well advanced. Meetings have been held at Stradbally, Ballynaneen, Bonmahon and Kilmathomas, and Mr. Reddy, E.S.B., has informed us that rural electrification will be installed in a few months.

Once again we offer congratulations to our local boxer, Mr. Petie Crotty, on his clear-cut victory over the Scottish welterweight Champion, (ex-Paratrooper, D. Garda Dance.—This annual social event, in aid of the Benevolent Fund, was held in the Town Hall, Dungarvan, on Wednesday night last and, as in former years, proved to be an outstanding success from every point of view. Dance devotees flocked from every corner of the county and outside it, and to the strain of Stephen Garvey's Dance Orchestra the dance went with a rare swing until at 4 a.m. the playing of the National Anthem brought to a close one of the most enjoyable dances ever held in the hall. Present—Mr. P. J. O'Gorman, T.D., chairman, presiding; Mrs. S. Hurley, Messrs. E. P. Lynch, V.C.; L. Daly, S. P. Daly, B.E.; M. D. Broderick, M. A. Harnett, Mr. T. A. Hayes, Manager, and Mr. M. J. Corry, T.D., who was invited to attend.

Mr. M. J. Corry, T.D., wrote stating that he had succeeded in getting the Deputy County Surveyor (Mr. D. Coffey, B.E.) to include, under the Local Authorities (Works) Act, 1946, a sum of £5,000 for essential repairs to the seawall, works to be carried out in the coming financial year.

Waterford, after playing with the wind, led by 3 points at half-time, and when they beat off a Tipperary attack on the resumption it looked as if the favourite was strengthened when Waterford had the first points in this half.

A lucky goal brought Tipperary within striking distance again, and after they had two further points they held out against the Waterford bid and attacked again to force a ruck as time was running out. Regan pointed for the homesters following a free by Brennan in the first minute. Waterford soon replied with a goal from Tobin, whose free was fumbled by Eoin Brennan, who was one of Tipperary's outstanding players.

Waterford attacked strongly on the resumption, but were driven back, and Tipperary again missed an opportunity before they forced a fifty which was sent wide. About half-way through, Farrell pointed for Waterford to put them four points ahead. Then Kevin Burke scored a goal from a centre by Fogarty, and this was followed by a good save by Regan in the Waterford goal. Tipperary kept up the pressure and Burke equalised. Brennan scored the point which gave victory to Tipperary on the score 1-4 to 1-3. Mr. J. Martin refereed.

Youghal Mental Hospital.—The Town Clerk read a letter from the Department of Health, President, Dr. M. A. Casey, vice-president, Mr. M. H. O'Hara, joint hon. treasurers, Mr. E. B. Boyle, Mr. M. McGrath; joint hon. secretaries, Mr. A. Lawn, Mr. J. Foley. Committee—Dr. McCann, Messrs. J. Liddane, P. Casey, M. C. Nagle, J. Hill, C. O'Doherty, W. J. Nolan, O'Keefe, E. O'Neill, J. A. Power, P. Arrigan, D. Forde, B. McCarthy. Selection Committee—Messrs. J. Liddane, M. H. O'Hara, A. Lawn, T. B. Boyle, M. McGrath.

The coming season should be a very busy one for the club, especially as the National Championships will be held in Cork this year. The following Munster Championships will be decided at our annual gala, which will be held on Sunday, 30th July.—Ladies' 100 Yards Freestyle, Ladies' 440 Yards Freestyle, Girls' under 16 Junior Squad, Boys' Springboard Diving.

We have availed of the services of Mr. and Mrs. W. Hooper again this year for swimming instruction. Readers, please note, that Mrs. Hooper, who will spend a month here, has recently attended a course at Loughborough College, which is the centre of Olympic training, and has been appointed an Olympic coach.

A large crowd is expected to attend the last all-night dance of the season, which will be held on Sunday, 19th February. Dancing will be from 10 p.m. until 4 a.m. at the usual price of 5/- (including tax). Music will be supplied by Johnny McMahon and his orchestra by popular demand.

At Barra Na hUídhre.—Owing to the inclemency of the weather the Barra Na hUídhre concert had to postpone their concert at Barra Na hUídhre on Sunday last, but hope to be before the footlights there on Sunday night next, February 12th.

Charman—His own business requires all his attention, but I am in full accord that we ask him to reconsider the matter. This was unanimously agreed to on a proposition by Mr. Daly, B.E., seconded by Mr. Lynch, T.D., and supported by the council invitation to the Minister to visit Youghal, stating that the Minister will be in Cork in a month or so, and if time will permit he will visit Youghal.

"In Your Kitchen Garden"

The manuring, digging and trenching of ground should be proceeded with when weather and soil permit. A portion of the ground should be trenched each year.

People who have a good commodity of water may sow a few cucumbers in small pots, also some tomatoes, germinating in a hot bed or in a propagating box.

A box of broad beans can also be sown for planting in the open ground in March. For course peas in particular proceed on the trench system advocated for sweet peas.

Place a layer of well decayed manure in the bottom of each trench, but leave the trench open until February. Care should be taken in the ground should be protected from rain and frost, especially in the colder districts by placing some boards over it.

Mild weather at this time of the year gives spring cabbage a tendency to bolt, but a pinch of salt will check it at the base of each plant will help to avoid this trouble. Cut a supply of stakes for use in the garden, getting a border at this season, so as to have them before time get too busy.

Proceed with the planting of all kinds of fruit trees and shrubs, but heavy frost pruning should be completed without delay. Cut out and burn all dead and diseased wood, when the pruning job is completed, a winter wash is necessary if you wish to have clean trees for a season. It is best applied in January or February, when the frost and snow have done their worst.

Any of the tar oil washes are very good to clean trees under ordinary circumstances, but if trees have been infested with a number of years and in consequence are covered with lichen, an application of caustic soda is better. Use 4 ozs. of caustic soda to a bushel of water, and a tablespoonful of creosol per two gallons of water should be successful. When applying this wash the hands and face should be protected and it ought to be done on a calm day.

Flowers.—Fence and re-arrange herbaceous borders. Continue to plant shrubs, trees, climbers and to make hedges; also to plant winter flowers. Top-dress lawns with good soil that has been put through a sieve and brush the lawn, but do not take them away or you will be robbing the ground.

Wall roses, briars and rambling roses should be pruned, which costs of the cutting back of dead and weak wood. The chrysanthemum flowering season is practically over, it is advisable to take all the cuttings, and to use long cuttings, three inches in the limit, and those that spring from the base of the stems are far superior to those that are cut from the stems. Of course the latter are better than none, as some choice varieties are very shy.

and esteem of all classes. His cheerful, pleasant and humorous disposition won for him many friends, who now mourn his passing. An obliging neighbour, a devoted husband and loving parent, his death leaves a deep void in the hearts of those who cannot be filled. Much sympathy is extended to his wife, family and relatives in the irreparable loss they have sustained. The remains were taken to Touraneena Parish Church on Thursday evening where they were received and buried by Very Rev. Fr. Walsh, C.C., Touraneena, officiated at the graveside. The funeral cortege on both occasions was large and representative of all classes. The mourners were: Miss Power (wife); Geoffrey and Tom Power (sons); Bridget Power (sister); Mrs. K. McCarthy; Dungarvan (cousin-in-law); Walter Cullinane, U.S.A. (brother-in-law).
