Have you noticed our Mistake? Well, several of our customers have, in our recent advertisements for the famous JAMES Motor Cycles we have given the "Moloney Easy Payment System" at 15 guineas deposit and 3 guineas per week. This is definitely incorrect. It should read: 15 Guineas Deposit and 3 Guineas per month. We now also supply B.S.A., Triumph and Excelsior Motor Cycles. "The Moloney Cash and Easy Payment System."

SENIOR FOOTBALL COUNTY FINAL  
KILROSSANTY v. OLD PARISH  
(By "TAOBHLINE").

Not since Stradbally laid the boggy of the old woman up in the trees at Shandon Grounds, was there so much interest in a final as that presently prevailing and the Old Boro will be the Mecca of all Galls on Sunday next in view of the clash between the champions, Kilrossanty and last year's junior winners, Old Parish, in the senior football county final. From the Youngall Bridge to the Brickey and at every cross road from Knockmore to Loughmore, the chances of the Sean football men surprised their opponents and last year's junior winners, Old Parish, in the senior football county final. From the Youngall Bridge to the Brickey and at every cross road from Knockmore to Loughmore, the chances of the Sean football men surprised their opponents and last year's junior winners, Old Parish, in the senior football county final.

On Sunday last I was present at the senior hurling final in Waterford and not can I find a word in the papers to say that it was a brilliant exhibition and won their first senior title—not alone did they win a fluke, but they outplayed the star-studded Mount Sion team who had a two year record of victory behind them. Nowadays the champions in hurling and football are hailed as favourites when it comes to defending their laurels. Naturally enough, Kilrossanty are favoured to take the senior football title on Sunday but due to last Sunday's result, the issue is wide open and keen judges are now predicting Waterford Gaelic history—the Junior double. Old Parish just now are the popular team not that Kilrossanty are losing favour, but the majority are behind the Sean football boys who will be strongly supported to give us a Tourin repeat. During my travels around this week, I dropped in on the Old Parish training grounds and indeed I was surprised but very much impressed by the preparation for Sunday's final. They certainly will be a fit team when they face the champions on Sunday. Fielding like a well-oiled machine, they made my way towards the premises of general Willy Walsh. I said Mike Hourigan, coming from the west. Hadn't talk, surely I would like at this stage to record my sincere thanks to the hospitable and staunch Old Parish supporter, Sean O'Connell, who put the tea pot on the hob for me on one but two occasions. Sure the apple tart reminds me I must call back again some day I ought not to be determined on adding their name to the senior champion list.

All a set for a great final—Kilrossanty intent and confident on holding their title, Old Parish ready to take the title. The game in accordance with the rules. No doubt the honour of the respective parishes is at stake and nevertheless the principles of the G.A.A. should not be forgotten and I expect Kilrossanty and Old Parish to uphold them. A reminder also to the team supporters—Obey the stewards and please keep away from the goals. The match is fixed for 2.30 (S.T.).

The meeting of Swir Valley Rovers and St. Augustine's Rvs. would prove an interesting curley hair in the Western M.F. final at 1.15, and I hear the winners are not keen on contesting the county final without first securing St. Augustine's College team who due to circumstances were unable to fulfil their championship engagement. A special train will run from Waterford for the matches—Waterford, 12.30, 4/6; Killrossanty, 12.47, 3/6; Carril's X, 1.0, 1/3; Kilmalee, 1.15, 1/3; Donnybrook, 1.27, 1/3; Dungarvan, 1.40, 1/3. Dep. 7.0 p.m.

## DUNGARVAN URBAN COUNCIL Big Saving On Housing Scheme

Mr. Thomas McCarthy, chairman, presided at the fortnightly meeting (the last held by the present council) on Friday last. Other members in attendance were Messrs. T. A. Krone, T.D.; D. O'Sullivan, N. Kelly and Jas. Goode.

**Parking Places in Dungarvan.**—Supt. O'Mahony and Sergeant Linnane appeared before the meeting in connection with the proposal of the council to establish parking places in the town.

Supt. O'Mahony said that the making of parking regulations may be made by the Commissioner of the Garda with the consent of the Minister after consultation with the local authority. Before that can be done the council should agree to some concrete scheme as there would be no use putting suggestions which may be turned down later. With regard to the speed limit of 25 m.p.h. through the town, the Superintendent said this is a matter for the Minister after the holding of an inquiry. The Garda had already arranged parking on the Square which is proving successful.

Mr. O'Mahony, Clonmel Town Planning Consultant, to the council, in an extended report recommended the herringbone system of parking on the main street only wide to allow of this. Mitchell Street is sufficiently wide to allow of this system on both sides. All other streets are sufficiently wide only for parking on one side, and he recommended that the alternate day system be applied here. The Square may be considered as an ideal central park. He would recommend that a definite number of herringbone pattern be laid down and marked in white paint. Assuming that the weightbridge is removed, he estimated that approximately 120 cars could be accommodated conveniently on the main street in six lines running north and south, one line at each curb and two back-to-back rows. The small crescent at Castle Street could be utilised as a car park, as could the site at the corner of Mitchell Street and Fair Lane and the area until redevelopment takes place. In his opinion the main requirement is the prohibition of motor cars parked on both sides of such streets as O'Connell Street and Farnell St. and in positions which have little regard for thorough or local traffic. Methodical arrangement of a few more cars being accommodated in a convenient manner.

**Chairman.**—This is the last meeting of this council and I would like to hear what the members had to say on the question of dealing with it now or leaving it over for the new council.

Mr. Krone.—We could recommend to the new council that a sub-committee from the council be appointed to discuss the matter with the Garda Authorities.

Dealing with the present arrangements for parking on the Square, Mr. Krone said everyone he spoke to for an opinion in favour of a parking scheme for the Square. There is an urgent need of parking in O'Connell and Main Streets.

Mr. O'Sullivan, endorsing Mr. Krone's remarks, said it is now a pleasure to walk through the Square. There is plenty of room for everyone and the buses have a free passage. The Garda are to be complimented on it.

The Chairman agreed and said the Garda were always willing to co-operate with the council.

Supt. O'Mahony asked that in the event of a sub-committee being appointed that it include the Borough Engineer and the Town Clerk, and if not too much trouble that the council provide a sketch map of the town.

Mr. Krone—I will include that in my resolution. One matter may be contentious and that is the limited parking in many towns arrangements are made for parking on odd and even days, say, on days on the north side and even days on the south side.

Mr. Krone's proposal that a sub-committee be appointed was agreed to unanimously.

The Superintendent when leaving the meeting wished all the members who are on seek reelection happy hunting for the next fortnight.

**Abeysside Housing Scheme.**—Estimated All-in Cost.—Mr. O'Mahony, B.E., reported that the total expenditure to date on the above is £100,169 8s. 2d., divided under the following heads:—House construction, including outhouses and extras, £78,169 8s. 2d.; development and demur-

tion work, £15,000; purchase of land, lease and engineer's fees, £6,000. Total, £100,169 8s. 2d. The original estimate was £108,633 4s. 10d., and as there are 14 houses as yet to be completed and we have £5,896 18s. 8d. on hand, I now state we should complete the houses for £122,059 8s. 2d., but the saving on the lowest tender submitted will be around £28,295 10s. 5d. When the scheme is finished in 1951, the total cost will be £93,764 7s. 7d. and I shall be in a position to submit a detailed and comprehensive analysis of cost for same.

Mr. Krone.—It is perfectly clear that the council made no mistake by erecting this scheme by direct labour, and he feels that Mr. O'Mahony, engineer in charge, Mr. Finlan, resident engineer, Mr. Burke, clerk of works, and the workmen, owe an apology to be complimented. The Chairman and all the other members agreed with Mr. Krone's remarks.

Mr. Krone asked if it would be at all possible that they could now start the Clonmel housing now by direct labour, but was informed that the council must first advertise for contractors.

**Gallowhill Development Work.**—The resident engineer, Mr. Finlan, reported that the site clearing and levelling is practically completed. Excavation for road and sewers are in progress. The concrete delivery of concrete sewer pipes and cast-iron water mains and special works have been ordered. The work is being completed during the month of August, 8th, value of work during month, £2,294 2s. 7d. The remaining 10 houses on the scheme are finished except for internal joinery work, external painting and erection of eave gutters and down pipes.

**Damage to House.**—Mr. Tracy Kely appeared before the meeting in connection with his mother's house at Castle Street which he stated, was damaged when adjoining houses were knocked down.

The Chairman stated that when a complaint was made to the council the matter was referred to the solicitor and his advice was that the council should not do anything. He and the other members of the council felt at that time that she was entitled to have the damage repaired.

Mr. Goode.—One thing is perfectly clear. When those houses were demolished the gate-end of Mrs. Kely's house was left in the raw and the rain is seeping in through the wall. He recommended that the council order this work to be done.

Mr. Krone.—I believe that it's because we did not send the men to demolish the other houses, but I was on our order that the other houses were demolished. A recommendation was made to the Manager to have this work carried out.

**Grants for Building.**—The following was passed unanimously:—"That the approval of the Minister for Local Government is hereby requested to the following scheme—Grants to be made by the Dungarvan Urban District Council to persons erecting or purchasing a house in respect of which a grant is made by the Minister under Section 19 of the Housing Act, 1948, and Housing (Amendment) Act, 1950, grant to be given by the council to equal that given by the Minister in each case."

Mr. O'Sullivan proposed the adoption.

Mr. Krone, seconding, said that the council had already adopted a similar scheme. There is enough said already on this scheme for all to realise its importance.

Mr. Krone, replying to the Chairman, said that £80 was the maximum grant £20 for repairs to houses.

**Small Dwelling Acquisition Act.**—The following was adopted:—"That the Council be asked to be fixed to the Deed of Mortgage of this date now read whereby security is given to the Commissioners of Public Works in Ireland for the repayment of the sum of £4,000 proposed to be financed by them to us under the Small Dwelling Acquisition Act, 1890 to 1948."

Repairs required.—Applications for repairs to their houses were read from Mary O'Mahony, 80 Loughmore; John O'Brien, 22 do.; Mrs. Byrne, 63 do., and Mr. Torsey, 70 do.

The applications were referred to the engineer.

**Acknowledgments.**—Letters thanking the council for resolutions of sympathy were read from Martin Fitzgerald and Mr. Torsey.

**The Swimming Pool.**—Mr. Krone said that he saw from the minutes and the Press reports that the local club had a right to charge admission to the pool when they hired it for the day. He would now like to ask the Manager under what Section of the Act the pool could be let for a day, as his information is that it could not be let. He understood the Swimming Club paid £4 for the removal of the seats and the work was done by council workmen. He would like to know if they were instructed by the council to do so and if the council men were paid by the council and the club.

Mr. Goode said he thought the seats were removed on the Sunday morning so that the men would not be working for the council then.

Mr. Krone referred to the good work done by the Swimming Club, and said he would like to know if the men were paid in any way. If the men were paid—

Mr. Krone.—You surely will agree that as the council men were working, unemployed men should have first preference.

Mr. Goode.—I agree.

Mr. Krone.—What I and the other members are interested in is was there authority given to the club to remove the seats, and if so, by whom. We all agree that if the club had applied for seats here they would not have been removed. We are objecting to the procedure.

Mr. Krone said that what was done was not out of the way. We are awaiting delivery of concrete sewer pipes and cast-iron water mains and special works have been ordered. The work is being completed during the month of August, 8th, value of work during month, £2,294 2s. 7d. The remaining 10 houses on the scheme are finished except for internal joinery work, external painting and erection of eave gutters and down pipes.

## SENIOR FOOTBALL COUNTY FINAL KILROSSANTY v. OLD PARISH

(By "TAEHLINE").

Not since Stradbally laid the laurels of the old women up in the trees at Shandon Grounds, was there so much interest in a final as that presently prevailing and the Old Boro will be the Mecca of all Gais on Sunday next in view of the clash between the champions, Kilrossanty and last year's junior winners, Old Parish, in the senior football county final. From the Youthful Bridge to the Brickey and at every cross road from Knockanore to Loughmore, the chances of the Sean a football men is the chief topic and as the great day draws near enthusiasm is mounting to fever pitch and believe it or not there is a growing wave of confidence in 1949 last year's junior champions to take their first senior title.

On Sunday last I was present at the senior hurling final in Waterford and not can I say a word but that it was a brilliant exhibition and won their first senior title—not alone did they win but they outplayed the star-studded Mount Sion team of which had a two year record of victory behind them. During my travels around this week, I dropped in at the Old Parish training grounds and was very much impressed by the preparation for Sunday's final. They certainly will be a fit team when they face the champions on Sunday. Fielding and kicking practice was being perfected and the last sprint was as fast as the first grand team spirit prevailed all round and there was quite an air of confidence in the players dressed in the shade of a fence. Looks like a belt of rain said I as I made my way towards the premises of general Willy Walsh. Yes, said Mike Hogan, coming from the west. Radio talk, surely, I would like at this stage to record my sincere thanks to the hospitable and staunch Old Parish supporter back a tight, who put the tea pot on the hob for me not on one but two occasions. Sure the apple tart reminds me I must call back again some day to coghmann. Dur-

ing a conversation with Willy Walsh I asked his opinion on Sunday's final—"I'm telling you, he said when the Comeragh men are finished with us on Sunday they can talk." Willy promised me if the hand did not turn out he would come in and bring the flute along with him to parade the teams around the field. Due to pressure of other matters, I was not possible for me to visit Leamybreen as I intended to see Kilrossanty in training but their preparation is a sure in the capable hands of Paddy McGrath, Pat Walsh, Sean Crotty, Martin Fitzgerald and Garda Mick Moloney who have little to learn when it comes to team fitness. Kilrossanty in their first outing scouted for the Divisional Avonmore. In their next engagement against Stradbally they were a vastly improved team and gave their best display to date and won in convincing high scoring fashion. Their clash with Dungarvan did not come up to expectation but nevertheless they left no doubt in the minds of those present that they played

### Big Saving On Housing Scheme

Mr. Thomas McCarthy, chairman, presided at the fortnightly meeting (the last to be held by the present council) on Friday last. Other members in attendance were—Messrs. T. A. Kyne, E. D. O'Sullivan, N. Kelly and Jas. Goode.

**Parking Places in Dungarvan.**—Supt. O'Mahony and Sgt. Liddane appeared before the meeting in connection with the proposal of the council to establish parking places in the town.

Supt. O'Mahony said that the making of parking regulations may be made by the Commissioner of the Garda with the consent of the Minister after consultation with the local authority. Before that can be done the council should arrive at some concrete scheme. There would be no use putting up suggestions which may be turned down later. With regard to the speed limit of 25 m.p.h. through the town, the Superintendent said this is a matter for the Minister after consultation with the Garda with the consent of the Minister after consultation with the local authority. Before that can be done the council should arrive at some concrete scheme. There would be no use putting up suggestions which may be turned down later.

**Gallowhill Development Work.**—The resident engineer, Mr. Finian, reported that the site clearing and levelling is practically completed. Excavation for road and sewers are in progress. We are awaiting delivery of concrete sewer pipes and cast-iron water mains and specials which have been ordered. There are 18 houses and 18 tanks to be built on the scheme.

**Abeysside Housing Scheme.**—The resident engineer, Mr. Finian, reported that the site clearing and levelling is practically completed. Excavation for road and sewers are in progress. We are awaiting delivery of concrete sewer pipes and cast-iron water mains and specials which have been ordered. There are 18 houses and 18 tanks to be built on the scheme.

**Damage to House.**—Mr. Thos. Kelly reported that the roof of his house at Castle Street, which was damaged in connection with his mother's house at Casp Street, which he stated, was damaged by the adjoining houses were knocked down.

**Scavenger's Cart.**—The Manager, Mr. Farrell, reported that the cart which was used for the purpose of collecting refuse, was damaged by the adjoining houses were knocked down.

**Lighting the Way.**—Messrs. O'Sullivan and Kelly reported that the placing of the lights at the Voughal Road which at present give no light at the entrance to six or seven houses therein, are the matter was referred to the Borough Surveyor for his views.

**Compliments.**—Mr. Kelly said this is the last meeting of the council before the election, he complimented the members on their work during the year and expressed his appreciation of their services.

**Grants for Building.**—The following was passed unanimously: "That the approval of the Minister for Local Government is hereby requested to the following scheme:—Grants to be made by the Dungarvan Urban District Council to persons erecting or purchasing a house in respect of which a grant is made by the Minister under Section 18 of the Housing Act, 1948, and Housing (Amendment) Act, 1950, grant to be given by the council to equal that given by the Minister in each case."

**Mr. O'Sullivan, endorsing Mr. Kyne's remarks, said it is now a pleasure to walk through the Square. There is plenty of room for everyone and the buses have a free passage. The Garda are to be complimented on it.**

**The Chairman agreed and said the Garda were always willing to co-operate with the council. Supt. O'Mahony asked that in the event of a sub-committee being appointed that it include the Borough Engineer and the Town Clerk, and if not too much trouble that the council provide a sketch map of the town.**

**Mr. Kyne—I will include that in my resolution. One matter may be contentious and that is the limited parking. In many towns arrangements are made for parking on odd and even days, say, odd days on the north side and even days on the south side.**

**Mr. Kyne's proposal that a sub-committee be appointed was agreed to unanimously. The Superintendent, when leaving the meeting wished all the members who are to seek reelection happy hunting for the next fortnight.**

**Abeysside Housing Scheme.**—Estimated All-in Cost—Mr. O'Mahony, B.E., reported that the total expenditure to date on the above is 100,169 6s. 2d., divided under the following heads:—House construction, including out-houses and extensions, £79,169 6s. 2d.; development and demoli-

tions for repairs to their houses were read from Mary O'Mahony, 60 Loughmore; John O'Brien, 22 do.; Mrs. Byrne, 63 do., and Mr. Torpey, 28 do.

The applications were referred to the engineer.

**Acknowledgments.**—Letters thanking the council for resolutions of sympathy were read from Martin Fitzgerald and Mr. Torpey.

**The Swimming Pool.**—Mr. Kyne said that he saw from the minutes and the Press reports the resolutions of sympathy were read from the council men were paid by the council and the club.

**Mr. Goode said he thought the seats were removed on the Sunday morning so that the men should be working for the council then.**

**Mr. Kelly referred to the good work being done by the Swimming Club, and said he would like to see the club facilitated in every way. If the men were paid every day, it would be a great help to them.**

**Mr. Kyne—You surely will agree that as the council men were working, unemployed men should have first preference.**

**Mr. Kelly—Yes, I agree.**

**Mr. Kyne—What I and the other members are interested in is what is being done for the club to remove the seats, and if the club had applied for seats here they would have got seats. What we are objecting to is that the council are not doing anything for the club.**

**Mr. Kelly said that what was done was not out of the way. The club should be facilitated.**

**Chairman—The council always gave credit to the Swimming Club. That question is not a question of the council, and the other members will know under what Act the seats and benches were made. There is nothing whatever against the club.**

**Mr. Kelly asked if it is a matter for the council or if it is a Managerial function. He referred to a statement made previously by two members of the council that the pool was not fit for internal laundry work, external painting and erection of eaves and down pipes.**

**Damage to House.**—Mr. Thos. Kelly reported that the roof of his house at Castle Street, which was damaged in connection with his mother's house at Casp Street, which he stated, was damaged by the adjoining houses were knocked down.

**The Chairman stated that when a complaint is made to the council the matter is referred to the solicitor and his advice was that the council was not liable. He said that the other members of the council felt at that time that she was entitled to have the damage repaired.**

**Mr. Goode—One thing is perfectly clear. When those houses were demolished the gable-end of Mrs. Kelly's house was left in a state of disrepair and was seeping in through the wall. He recommended that the council order this work to be done.**

**Mr. Kyne—We could recommend to the Manager that this work be carried out. Would it be possible that we could find an order on the Public Works Department in respect of such repairs were carried out by the council.**

**Mr. Kelly—I believe that it is because we did not send the men to demolish the other houses, but it was on our order that the other houses were demolished. The recommendation was made to the Manager to have this work carried out.**

**Grants for Building.**—The following was passed unanimously: "That the approval of the Minister for Local Government is hereby requested to the following scheme:—Grants to be made by the Dungarvan Urban District Council to persons erecting or purchasing a house in respect of which a grant is made by the Minister under Section 18 of the Housing Act, 1948, and Housing (Amendment) Act, 1950, grant to be given by the council to equal that given by the Minister in each case."

## WATERFORD CO. BOARD G.A.A.

A meeting of the Waterford County Board G.A.A. was held in the Mount Sion Schools, Waterford, on Sunday night last.

The Chairman, Mr. P. Fanning, presided. Also present were—Messrs. P. Kennedy (Chairman of the Board), C. Ware (Rep. on Central Council), M. Creagh, N.T., and T. Lennon (Rep. on Munster Council); M. Cashin (Western Board); M. Doyle and P. Callaghan (Eastern Board); Rev. Bro. Keane (Superior C.B.S., Dungarvan); Rev. Bro. Collins (Superior M. Sion); T. Pinkert (Secretary Eastern Board); D. O'Sullivan (Secretary Western Board); John Keane (Treasurer); D. Goode (secretary), and representatives of the different Senior Clubs.

**Congratulations to County Champions.**—The Chairman extended the congratulations of the Board to Tourin on winning the Senior Hurling Championship. He complimented the losers on their manly display.

The Chairman then presented the Minor Hurling Championship Cup to the representative of Na Rísig team.

Mr. P. Fanning said that on behalf of Mount Sion he sincerely congratulated Tourin on their great win.

**Rev. Brother Murray's Departure.**—The Chairman referred to the departure of Rev. Bro. Murray, who he described as a great and outstanding Gael, who had given wonderful service to the Association in Waterford. He also paid a tribute to Rev. Bro. Dunne, who had been transferred from Dungarvan to Midleton and welcomed Rev. Bro. Keane to Dungarvan and Rev. Bro. Collins to Mount Sion.

Rev. Bro. Keane suitably replied and said he would do his best to further the interests of the G.A.A.

**Investigation into Constitution.**—The Chairman referred to the investigation into the constitution of the Board.

## of the Emmets (Portmoro) M.F. team, which had been deferred from the previous meeting was then proceeded with. The four members of the team who, it had been alleged, had played soccer appeared before the meeting and, in reply to the Chairman, said they had played no soccer since their match in the Waterford M.F. Championship. They had now severed all connection with soccer.

A statement was also made by an official of the Club concerned, who said that their aim was to wipe out soccer in their area and propagate Gaelic games.

Following a long discussion, it was found proved that the club concerned had played soccer players, but, due to the circumstances of the case, it was agreed to exercise leniency and to suspend the club for a period of only six months. It was decided not to list any of the four players who had appeared before the meeting, but to give them a severe warning.

As the players concerned were leaving the room, one of them passed an offensive remark and as a result it was decided to suspend him for a period of 12 months.

**National League.**—The Board made arrangements for the forthcoming National League matches in which Waterford teams will participate.

**Fire Oge Appeal.**—Eire Oge J.H. team appealed against the decision of the Western Board in refusing their objection to St. Augustine's.

The appeal was ruled out of order as no rule was quoted.

**J. H. Final.**—The J. H. Final was fixed for the 21st October.

NOTICE TO ALL FARMERS

Hard work on your part has saved much of the harvest in the worst harvest weather most of us can remember. In spite of the best you could do, a great deal of BAD HAY has been gathered.

Bad Hay Can Kill Good Cows. No farmer can afford to lose a good cow. The dangerous time is next February, March and April. You can save your cows by having either GRASS SILAGE or EARLY GROWING GRASS to give them EARLY IN THE NEW YEAR.

LOCAL HAPPENINGS

IN MEMORIAM. HACKETT (First Anniversary) - In fond and loving memory of Elma Hackett, Mitchell St., Dungarvan, who died 10th September, 1949. R.I.P. Sacred Heart of Jesus, have mercy on her soul. Sadly missed by her sorrowing mother and family.

MCCARTHY (9th Anniversary) - In loving memory of Mary Catherine (Polly) McCarthy, late of 8, Western Terrace, who died 14th September, 1941. Masses offered.

Will those who think of her today... A simple prayer to Jesus say... Always remembered by her loving mother, brothers and sister.

KEATING (2nd Anniversary) - In sad and loving memory of Sean Keating, Seaview, Ardara (late Staff Captain G.H.Q. I.R.A.), who died on September 21st, 1948. Sadly missed by his father, sisters, brothers, aunt, nephews and nieces. Sacred Heart of Jesus, have mercy on his soul. Masses offered.

DUGGAN (Sixth Anniversary) - In sad and loving memory of my darling mother, Nora Duggan, late of 23, Cathal Brugha Place, who died September 10th, 1944. On her soul, Sweet Jesus, have mercy. Masses offered.

You have left a beautiful memory... A sorrow too great to be told... To those who loved and lost you your memory will never grow old.

Will those who think of her today... A little prayer to Jesus say... Always remembered by her loving daughter Hattie, brothers, sisters and grandchildren.

ACKNOWLEDGMENT. BELLI - The widow and daughter of the late John Bell, Church Street, Cappoquin, wish to thank sincerely all those who sympathized with them in their recent sad bereavement, those who sent Mass cards, telegrams, letters of sympathy and floral tributes, also those who called personally and attended funeral. Trusting this will be accepted by all in grateful acknowledgment.

Christian Brothers Past Pupils' Union - The union is organizing a social to be held at Egan's Hotel on Wednesday, 10th October at 8 p.m. The annual meeting will be followed by a social consisting of high tea and smoking concert. All past pupils are cordially invited to attend.

Golf Notes - Sunday next, 17th inst., vice-presidents (Dr. M. K. Cusack) prize. Ladies may compete with a handicap limit of 28. Draw for partners in morning and at 2.30 in afternoon. Thursday, 20th - E. A. Ryan Cup qualifying round, 8 to 10 to qualify for match play.

Flanna Fail (The Real Republican Party) - We ask the people in the County and Urban Areas to give us their votes in order of choice. (See page 2 for list of candidates). 1.- We ask the people to remember this - that it was under the Flanna Fail Government Industrial Policy that two of the finest industries in Ireland started in Dungarvan to keep our workers at home. 2.- We ask the people also to remember that it was through the Flanna Fail Housing Policy that houses were built at Loughmore, Cathal Brugha Place and Abbeyside for the people. We also were responsible for a decent swimming pool. Do not be fooled by a Coalition Government. (Advt.)

Ballsbridge Football Club - The annual house-to-house collection in aid of the above club will take place during the coming week. (Advt.)

Browne and Mrs. Shanahan; 1st gent., the between Mrs. E. M. Hockin and Mr. P. Broderick. The miniature prize was won by Mr. Ed. Whelan. Top score prize next Wednesday will be £1.

Dungarvan Dramatic Club - All members of the above club are requested to attend a general meeting (for rehearsal) at the club rooms at Mr. Williams' (solic.) offices, Main Street, at 8 o'clock, Friday, Sept. 15th.

I.R.A. Veteran Comrades' Association - At a largely attended meeting of the I.R.A. Veteran Comrades' Association, held at the Courthouse, Dungarvan, on Sunday, 10th inst., Mrs. K. Randles was unanimously elected Chairman, amidst applause. Also present - John Murphy, Clonfert; Upper, M. Curran, Helwick House, Ring; secretary, B. Dea, treasurer. The Chairman then had lengthy correspondence from the National Executive, Galway, per Chas. O'Brien, President, dealing with pension claims, etc.; also correspondence from Sean McBride and General Mulrany, and was assured of continued help and assistance in claiming proving their claims, and the board will sit in Dungarvan at an early date to hear the claims of those who are already sent in completed forms. The Chairman urged all Old I.R.A. members to apply for forms and fill them in as possible. Should any member find any difficulty in filling in their forms it was decided to have some done up by the Secretary. It was also pointed out that the organization was strictly non-political. The organization will not be permitted to use a platform for disputes or dissension within the rank of the organization. The meeting adjourned to a future date. The Secretary was directed to call a meeting in the event of further correspondence as to pension claims.

Wedding Bells - Two well-known and popular families, both members of the farming community of the county, were united in the holy bonds of matrimony at the Parish Church, Kilmacshann, on Tuesday last by the Very Rev. H. Conway, P.P., assisted by the Rev. J. Morrissey, C.C. The contracting parties were Mr. Sean Norris, Rathgormack, Carrick-on-Suir, and Miss Nellie Tobin, Ballyconny, Dungarvan. The bride, who is a very popular young lady, made a pleasing picture in a beige two-piece with navy accessories. She was attended by her sister, Miss Bridie Tobin, who wore grey with brown accessories. The best man was Mr. Walter Norris, brother of the groom. After the ceremony a reception was held at Lawlor's Hotel, Dungarvan, where a very pleasant few hours were spent by a big party of friends of the bride and groom. The bride is a well-known member of the Kilmacshann Dramatic Class and a prize-winner at Festsanna throughout the past few years. They received a big array of wedding gifts.

What Co-operation Can do - Fine examples of what co-operation can do are being forthcoming in the Kilgobnet and Kilbrien areas at present. In Kilgobnet, the one-time famous ball alley which over the past few years was allowed to fall into decay, is now by the efforts of the young men of the Parish who when their hard day's work was over, all through the summer, gave their leisure hours to the reconstruction of the court completely rebuilt, with the exception of the finishing coat of plaster which it is expected will be completed in a few weeks when the alley will again rank as one of the finest in the county. Not content with this fine job of work it is the intention of this virile group of workers to build a gallery which will accommodate a very big crowd. Out Kilbrien way, another batch of voluntary workers have been busy and their combined efforts every evening, over the past few months, have succeeded in turning the old schoolhouse into a fine recreation hall, where it is hoped to hold classes, concerts, cinema shows, lectures, cellars, dances, etc.

TALLOW NOTES

Wedding Bells - A very pretty wedding was recently solemnized at the Church of Our Lady of Peace and St. Laurence, Burnham, when members of two popular families were united in Holy Matrimony. The contracting parties were Mr. Ernest Frederick Godfrey, Clippinham, Slough, Bucks, and Miss Mary (Molly) Baldwin, Sapperston, Tallow. The groom is only son of the late Mr. and Mrs. Fred Godfrey, Clippinham, and is a very popular member of the community. The bride is only daughter of the late Mr. and Mrs. Michael Baldwin, Sapperston, Tallow, and both at home and across Channel is a most popular personality. The ceremony was performed by Rev. Fr. Bourditt, C.C., Burnham. The bride was given away by Mr. Fred Evans, and wore a hyacinth blue two-piece ensemble with dove grey accessories, and carried a spray of pink carnations and white heather. She was attended by Mrs. Kitty Maynaki (née Doneyvan) as Maid of Honour, who wore a pink two-piece with brown accessories and carried a spray of sweet peas. Mr. Sydney Roberts (Griece) of the groom's best man. After the ceremony a reception was held at the home of the bridegroom and was attended by upwards of 45 guests, after which the happy couple left on their honeymoon, which was spent in Southbourne and in Ireland. The popularity of both was aptly demonstrated by the large number of valuable and serviceable presents received to mark the auspicious occasion. With their numerous friends we join in wishing Mr. and Mrs. Godfrey every happiness and success.

Acquiesces in the News - Hearty congratulations are extended to Mr. John Frazer, Tallow A.C., on his success in winning the high jump and being placed second in the long jump at Clashmore Sports, while Mr. J. Dunne, Tallow A.C., was second in the high jump at the same meeting. To both we offer our congratulations on worthily upholding the fame of the Tallow Club.

Take Your Partners - Lovers of dancing will be very pleased to learn that short dances will be held every Wednesday night at the Regal Ballroom from 9 to 12 p.m. (S.T.) under the auspices of the Athletic Club, and it is hoped the support forthcoming will be up to expectations. It is hardly necessary to point out the work being done for the athletic movement by the club, and especially for the youthful members, and it is hoped the public will show their appreciation by supporting the Wednesday night dances. In order to run a club, funds are needed, and we may point out that Tallow Athletic Club held a raffle and a school sports meeting without any appeal to the public for funds. However, to keep it going funds are needed, so what better or easier way than by patronising the weekly dances. You will be helping a worthy cause and you will get the maximum of enjoyment for your money.

Kilbrien Social Club Opening of New Hall - SUNDAY NIGHT, SEPT 17th. GRAND DANCE 8-2 (O.T.) MUSIC BY NIGHTINGALE ORCHESTRA Admission: 3/- TEAS, MINERALS.

Wins at Youghal and Clonmel Tracks - We offer hearty congratulations to Mr. J. Hennessy, Killosera, on the outstanding success of two of his greyhounds during the past week-end at Youghal, winning the quick result sweepstake at Clonmel, clocking 30.80 in all heats, and the other, Killosera Times, winning the sprint race at Youghal in 18.60.

CHAMPIONS DETHRONED

Tourin, 3-7; Mount Sion, 2-5. TOURIN WORTHY SUCCESSORS.

The defeat of the senior champions for the last two years, Mount Sion by Tourin (junior champions, 1949) was witnessed by a large attendance (receipts £210) at Waterford on Sunday, and as hard a final as ever played maintained interest of the spectators to the final whistle. With an all-star selection in J. Keane, A. Fleming, L. Fanning, J. O'Regan, D. Power, M. Healy, J. Callaghan, and Flannely, the holders were strong favourites to retain their title for the third year, but as events proved, Tourin took command and dictated the play for most of the hour, their hard-hitting never allowing the Choc Sion players to indulge in their pitter-patter movements, which is the outstanding feature of the Mount Sion game.

With the assistance of a strong wind, Tourin were quickly on the offensive and J. Regan deserved the honour of scoring a splendid goal from a hard drive by T. Fives. Receiving from Healy, T. Gallagher raised the first flag (a point) and M. Flannely shook the net from close in to put the champions four points ahead. T. Fives missed two free when well placed and Healy (Mount Sion) made no mistake from far out to put his club five points up.

Swinging play to Mount Sion quarters from the puck out, J. Fives opened Tourin's account with a fine goal from a free, and Healy snapped up a loose ball to put Tourin two points up.

Play running in their favour, Tourin played a vigorous game, and with a pull in the half-forward line, drew level with a goal from J. Fives, after Deacy had taken a free from a free, and a long drive from Dooney to the Mount Sion square resulted in Tourin taking the lead when J. Fives gave Regan no chance.

From close in Mount Sion forwards found the defenders in line and all their efforts failed to find a weak link in a sizzling defence.

F. Fanning had a big hand in in Dave Walsh (full-back) and ex-Dublin star full-back) and close, marking by Dooney and Fives broke up attack after attack.

J. Fives failed on a brace of points before pointing a third, scores for Tourin from a pass from T. Fives (2-4 to 1-2). With the approach of half-time, T. Fives' free brought their total to 15-5, while Regan's reply being a goal by J. Keane. Half-time score, Tourin, 15-5; Mount Sion, 5-2.

The breeze in this Tourin favoured before pointing a third, first-time pulling by the Tourin forwards and Mount Sion defence under pressure.

Keane cleared and when the ball reached T. Keane he sent it over to the bar, or rather, as it was a point by T. Fives' free 4-0. The ball, however, was not so easy to pull and dare-devil tactics followed from the strong Tourin forwards, Graham, Healy, pulling and dare-devil tactics followed from the strong Tourin off-day, failing to score when well placed several times and with victory within their grasp when the attack failed to free their advantage.

Healy's (Mount Sion) free was then separated by the Tourin forwards and Mount Sion pressed hard but J. Keane failed to close in free. Hayden (Mount Sion) sent in some nice drives but all were driven wide.

Great lengths into the Tourin placed Fives, who pucker-out Murray to beat Regan with a terser were jubilant and their other score was a point from T. Gallagher, leaving Mount Sion 10-7. With the final whistle Tourin supporters swarmed on to the pitch and shouldered their way through the greatest enthusiasm.

SPORTING GESTURE - During the first half the referee had occasion to order a Tourin player to the sideline in Kilgobnet and on the request of John Keane (Mount Sion) was allowed to continue. The rule states that a player ordered off cannot continue to play and his club shall be responsible for his removal. The referee's ruling was correct.

The standard was the best seen for many years and the last few minutes of the new champions was amazing. With advantage of height and striking, they maintained the upper hand throughout the hour. Dave Walsh (full back) gave a great exhibition, time and again clearing his lines and covering the goal. His defence was superb and marks him as the outstanding man in the position. The four Fives brothers were excellent and in defence and attack were always in the thick of the fray. Healy and Dooney did well also in the forward line. McGarth brothers (in goal and left) gave good service and McCarthy and Russell more than held their own at centre-field.

Mount Sion were best served by Regan (goal), Healy, Hayden, Flannely, T. Gallagher and John Keane. The unanimous decision was that the best team of the rise of new champions was THE MINOR FINALS.

With St. Augustine's first star combination from Abbey-side always within striking distance of their opponents, Na Risi, the minor final produced a hurling fast and clean. Na Risi

took time to settle down and steering work by Hogan, Morrissey, Flynn (Abbeyside) kept the scores low. Kennedy opened the scoring with a good goal from a free by Morrissey. Brett added two points from good positions. With only five points lead Na Rising looked like forfeiting their minor title but tactical changes saw M. Morrissey brought out to centre-half where he was outstanding. Hogan (Abbeyside) scored the lead with a well-taken free. O'Connell pulling a high ball, crashed home a goal and the holders were 7 points ahead. Na Risi were best served by Morrissey, Flynn and M. Brett. McHugh, Flynn and McCarthy were best for the losers.

If you have ever listened to Opera on the radio, you will have heard the soprano hit a high C. It's her big moment, bless her. And what does the lady sound like on the average small radio set? Like the shriek of the Cork Mail. Don't blame her. Within the walls of the Opera House her voice is a glory of pure sound. But by the time it has passed through the "works" on the average set, it has been thinned to a piercing scream. Now hear her on this Murphy 130. This isn't an average set. It isn't built like one. It doesn't look like one. And it doesn't sound like one. Go to your Murphy Dealer and hear the lady as she ought to be heard. Then you'll know why the critics cheered.
