ANNUAL MEETING OF COUNTY COUNCIL

MR. DANIEL LEAHY APPOINTED CHAIRMAN; MR. MICHAEL McGRATH VICE-CHAIRMAN

Mr. D. Heskin, outgoing chairman, presided at the annual meeting of the Waterford County Council in the Courthouse, Dungarvan, on Tuesday. Other members present were—Messrs. D. Leahy, vice-chairman; T. A. Kyne, T.D.; J. Campion, J. Quirke, M. McGrath, M. Morrissey, Eric Power, Wm. Kenneally, J. Ormonde, T.D., N.T.; J. Kirwan, J. Fahy, W. Norris, Thos. Power, N. Kelly, F. Roche, J. Mansfield, P. Butler, Senator J. Butler, M. Harty, Liam Morrissey. Also present were—The County Manager, County Accountant, County Engineer Messrs. Ormonde, Hassett and Doyle, Assistant Engineers; County Secretary and Assistant.

Election of Chairman.—The Chairman (Mr. Heskin) said the first business is the election of chairman for the coming year. He would like to point out to the members that it is not his intention to go forward. He had the honour for the past five or six years and during that time he got full co-operation from every member of the council and from every official, and he would like to take this opportunity to thank them all. The duty of Chairman of the County Council is a big responsibility, and he hoped the new chairman, whoever he will be, will carry out his duties in the interest of all sections of the ratepayers.

Senator Butler stated that he was "terribly surprised at the outgoing chairman's decision. I doubt if we could find in all Ireland a more impartial chairman." he said. "Your patience with all was well noted and you carried out your duties in a manner that gave all a fair say on the subject under discussion. His decision not to go forward will be regretted by all.

Mr. Ormonde said that the outgoing chairman had carried out his duties in an admirable manner, which earned the respect and esteem of every member of the council.

The County Manager next spoke and paid high tribute to Mr. Heskin for his work as chairman. He was followed by Messrs. E. Power, M. McGrath, R. Barron, N. Kelly, W. Norris, T. A. Kyne, M. Morrissey, J. Mansfield and Jas. Quirke. The latter suggested that the council ask Mr. Heskin to reconsider his decision.

This Mr. Heskin refused to do.

Mr. Ormonde said that in view of Mr. Heskin's decision he would propose the election of Mr. Leahy, and said that Mr. Leahy had given very earnest and conscientious service to the county for many years and would carry out the affairs of the council in a most impartial manner without showing discrimination against any member of the council or party.

Mr. Quirke seconded the proposition.

Mr. Heskin declared Mr. Leahy elected unanimously and said he was very glad to do so.

On taking the chair Mr. Leahy returned thanks for his unanimous election. He paid tribute to the outgoing chairman. He said that the ratepayers are a very important section of the community, who are there for some purpose other than to be fleeced white. The rates at present are very high and this council will have to proceed very carefully. He would appeal to all members and to the County Manager and officials to help to keep down the rates and run the country as efficiently and economically as possible; and he asked the council members when coming to the council meeting to leave their political views outside in the porch.

Senator Butler said that he felt sure the chairman will get the full co-operation of each member.

Vice-Chairman.—Mr. E. Power said he would like to propose Mr. Mi. McGrath for the vice-chair. Mr. McGrath, continued Mr. Power, has given 30 years' service on the council and other boards and committees.

This was seconded by Mr. J. Kirwan.

Mr. McGrath, returning thanks for his election, said if an occasion will arise which he hoped will not, in which he should take the chair, he will conduct the business to the best of his ability, fearlessly and without favour.

Messrs. Heskin and Senator Butler paid tribute to Mr. McGrath for his services to the county.

Quarterly Meetings. — The dates of the quarterly meetings of the Council were fixed for 27th August, 12th November, 18th February, 1952, and 12th May, 1952.

Mental Hospital Committee.—All the outgoing members (13) were re-elected on the above Board.

Overdraft Accommodation. — The Board approved an overdraft from Treasurers limited to £130,000.

Revision of Valuations.— The list of revised valuations which are to be forwarded to the Valuation Office on the following day was before the meeting.

Mr. Quirke asked can the Council do anything about those. There are a lot of complaints.

Chairman—It is a matter that is out of our hands completely.

Mr. Liam Morrissey said the system is putting a premium on derelict buildings; people will not make any attempt to improve their places as the moment anything is done the valuation is increased. Even if a fair valuation was fixed things would not be so bad.

County Council—Two.

Mr. Mi. Morrissey—The Council has already sent this on to the Co. Councils' General Council. He referred to the valuation on business houses, particularly licensed houses, when any improvements are made the valuation is put up 100 per cent and automatically the E.S.B. charges on valuation and the Customs and Excise charge on the license is increased. The valuation in Tramore has been increased by £1,700.

Mr. Heskin asked who made out the lists for revision.

Chairman—I presume it's the rate collectors.

The Secretary, reading from the Act, stated collectors are compelled under pain of a fine of £5 for default to report; also any other ratepayer can report improvements.

Mr. Harty stated the regulations are antiquated and not in conformity with present day tendencies. They should be changed.

Mr. Mi. Morrissey—If a rate-collector can see repairs carried out, he should also be able to see a house that has fallen into decay.

Mr. Heskin—Take the case of a house badly damaged by a storm; there is no decrease allowed in valuation to meet the outlay to repair such house.

Chairman— There is nothing we can do about it but to ask our members who attend the Co. Council' General Council meeting to press this issue.

Mr. Heskin said those lists should first be submitted to the County Council.

Senator Butler said that new legislation is required before anything can be done.

The Co. Manager suggested that where conditions of premises were improved by way of amenity and did not result in an increase in owner's income, there should be no increase in valuation.

A resolution to this effect was passed.

Dungarvan Urban Council Meeting

Town Hall Improvement Scheme

LETTING OF COUNCIL HOUSES

Mr. T. Lannen, chairman, presided at the fortnightly meeting of the above on Friday last. Other members present were—Messrs. M. J. Keane, T. Lee, T. McCarthy, P. O'Dwyer and T. A. Kyne, T.D.

Blinds for Town Hall Windows.—Mr. McCarthy asked the Chairman's permission to refer to a matter not on the agenda, which was that there are no blinds on the windows of the hall. Recently when a very good play company performed there they had to paste papers on all the windows.

The Clerk said the provision of blinds is included in the scheme, but they find it very difficult to get blinds.

Letting of Houses.—Mr. Kyne said he would like to prepare a resolution regarding the system of letting houses in Dungarvan. The position at present is that a married man and his wife who have no family will have to remain forever as lodgers. At present such a man will not get a house, while a man from anywhere can come to the town and if he has a number of children he will get a house, while a native of the town will have to do without it.

He then proposed—"That the council recommend to the Manager that a register of applicants for council houses be compiled. That additional applicants be placed at end of such list and that all council houses be given in strict rotation from this list."

Mr. Kyne, continuing, said that while he agreed that the family man is entitled to every consideration, he did not see why the married couple should be victimised. Under the present system if a man comes into the town, we will say from Waterford City or any other place with a wife and family he is automatically appointed for a house.

The Chairman said he made a similar suggestion some time ago but nothing came of it. He thought a clause should be put into such applications that applicants should be resident in the town, say, for ten years before getting a council house. He is not in favour of the present system of letting council houses.

Mr. O'Dwyer—The list of applicants were at first compiled but was not kept to.

Mr. Lee—It's an awful thing to say that a man lived, born and reared in the town is turned down for a stranger. It is a scandalous state of affairs as it is at present and he strongly supported the resolution.

The resolution was then passed unanimously.

12½ per cent. Increase to Officials.—The Chairman raised the question of the increase of 12½ per cent. of officials' salaries and asked what officials are included.

The Clerk stated it applied to the Clerk, Harbour-master and the lamplighter at Ballinacourty.

The Chairman asked if such increase must be sanctioned by the council or is it an order made by the Manager.

Further discussion was adjourned.

Request From Swimming Club.—The following order made by the Manager with regard to the application from the Swimming Club for the loan of seats for the Swimming Gala:—"Application for use of pool granted, club to insure against all accidents, etc. Seats from Town Hall to be loaned to the club for day on usual conditions. Seats in park or elsewhere not granted, and Town Hall seating granted provided it is not needed for the day in the Town Hall. An inclusive charge of 10/- to be made."

Mr. Kyne said he disagreed before with the taking of seats from the park. By all means give them the seating in the hall.

The Chairman said they should help the Swimming Club every way they could. That club has done a lot for the youth of the town.

Mr. Keane agreed that the Swimming Club has rendered great service to the youth of the town. He had no sympathy with the people who sit in the park for a cheap look.

Mr. O'Dwyer said it was a worthy object and he suggested that the park seats be also granted if required.

Mr. Keane seconded.

Chairman—It is proposed and seconded. Is there any amendment?

Mr. Kyne—I am protesting against giving the seats in the park.

Mr. McCarthy—Give all the seats in the hall and if they want more take some from the park.

There are a lot of old people who would like to sit in the park.

Extension of Water Main.—When the question of extending the water main to the extreme end of the quay was discussed,

Mr. Lee opposed the proposal, saying it would be an awful thing to put £50 on the ratepayers to suit others.

Mr. O'Dwyer—It will be cheaper to do a permanent job by laying a pipe. Hoses will cost you more eventually supplying water to boats.

Mr. McCarthy suggested adjourning it to the next meeting and this was approved.

Repairs to Council Houses.—A letter from the Department approved of the raising of a loan of £4,000 from the council's treasurers, to be repaid over a ten years' period for the above purpose.

Temporary Dwellings.—The council discussed the report of the sanitary officer on dwelling at Shandon.

Mr. McCarthy—I can't see what harm this is doing.

Mr. O'Dwyer—This is on private property and a rent is being paid. This man and his family belong to this town for centuries back.

Chairman—It seems to be the feeling of the meeting that things remain as they are.

No action was taken.

Date of Annual Meeting.—The council fixed the date of the annual meeting for the election of Chairman and Vice-Chairman for Saturday, 30th June, at 12 noon.

£80 Grants for Reconstruction.—On the proposal of Mr. O'Dwyer, seconded by Mr. McCarthy, it was decided to ask the Minister to make grants available as soon as possible in respect of the reconstruction of houses, for which three applicants have been certified by the engineer.

Loan of £1,000.—The council decided to seek the Department's sanction to the raising of a loan of £1,000 for the purpose of making grants for reconstruction of houses in accordance with Housing (1950) Act.

Loan of £8,250.—The Department wrote approving of the council's scheme, as submitted, for the making of grants to persons for erection or purchase of houses for their own occupation over a period of 10 years.

On the proposition of Mr. McCarthy, it was decided to seek sanction from the Department for the raising of the above amount in connection with this scheme.

Town Hall Improvements.—Mr. Keane, when this item was reached on the agenda, asked how the hall license now stood?

Clerk—There is no license except for short dances.

Mr Keane—Who has been instrumental in raising the sanitary question?

Clerk—The Superintendent.

Mr. Keane—Would not that be more of a job for the M.O.H.? Was there any report from the Co. M.O.H.?

Clerk—There was. The District Justice, when considering applications, had to take into consideration all points raised by the Superintendent.

Mr. Keane thought the council should try to come to some arrangement with the Co. M.O.H. He was of opinion that the expenditure of £20 in erecting a high partition between the bar and the gents' lavatory would, pending approval of the plans, meet the case. He would go so far as to state that in its present condition the Dungarvan Town Hall is up to the standard of any provisional hall in Ireland outside of the cities, and in view of this he thought it would not be unreasonable if our solicitor asked the District Justice to visit the hall and see it for himself, as it would seem he (the Justice) has an exaggerated view of the condition of the hall.

The Chairman said the plans for the hall are in Dublin awaiting sanction. He saw no reason why they should not ask for the renewal of the license.

The Clerk read the following dated 29/5/51 from the Superintendent:—I return herewith plan of proposed renovations to the Town Hall. In view of what was said at the last meeting of the council, I have no option but to await the carrying out of the proposed renovations and take whatever action may be necessary in the District Court if and when the application for a public dancing license is made.

Mr. Kyne said the Superintendent said his views were asked and he thought certain comments made here were unfair.

The Chairman held that the views of the people are that the hall was used for dancing for the past 40 years without an objection; and the council are now asked to spend £6,000 or £7,000.

Mr. O'Dwyer—You will get it back.

Chairman—That not the point. We could relieve the ratepayers of that £7,000. You have already lost £3,000 on the roof, which he held and as the architect stated at the time, could have been repaired for £200.

Following some further discussion, it was decided to invite the Co. M.O.H. and the Superintendent to the special meeting of the council to be held on Saturday, 30th inst.

Playground for Abbeyside.—In connection with the proposal to convert Stokes' Field into a playground for the youth of Abbeyside,

Mr. McCarthy said all the members unanimously agreed on this. He is anxious to see this carried out as there are a number of very promising young hurlers anxious to avail of this. Swings for children could be erected at one end.

Mr. Kyne said there are two views regarding this—one that it be left a playing pitch and the other that it be left exclusively for children.

Following more discussion, it was decided to await reply re grant from the Department.

Litter Baskets.—The Medical Officer in a report recommended the provision of litter baskets at convenient points throughout the town for the reception of litter, i.e., orange and banana peels, paper, etc.

The Engineer, reporting on the above, said he presumed that these would be mainly required in the shopping centres, and estimated the cost of supplying the requisite number at £30. The report added—I am not at all satisfied they would serve any useful purpose.

No action was taken on the report.

Scavenging.—The Medical Officer, reporting on the collection of refuse in the urban area, stated—That as at present carried out is most unsatisfactory by reason of the type of cart employed and also because collections have to be made at a time when business premises are open and food and materials are exposed. The report recommended that a properly constructed motorised vehicle be obtained. With the aid of this it will be possible to make collections before 10 a.m.

The Engineer's report was—I agree that a motorised vehicle would be the best soultion, but the cost of such a plant would be prohibitive. The present scavenging cart is covered and I cannot see that it can be considered object onable. As regards collections, every effort is made to have the business sections of the town collected early, but as the collection area has increased considerably in recent years, it would not be possible to cover the whole district in a few hours as suggested unless the scavenging staff was greatly increased.

High tribute was paid by several members to the present scavengers.

Mr. O'Dwyer said that some shopkeepers seemed to wait until the scavenger had passed and then sweep their shops out into the street. That should not be allowed.

Mr. Keane referred to the fair on Wednesday, and said there had been much comment on the manner in which the streets were left after it.

The Clerk stated that the workmen were unable to clean certain parts as the cattle owners would not move the cattle out of the way.

Mr. McCarthy stated he had seen the condition of the footway outside the National Bank and it was scandalous. He thought it should not have been allowed to remain in such a condition. He thought the bank should wash them as the council could not be expected to do so. All the people on the Square have to wash the flags opposite their premises.

Mr. Kyne asked if the council employed extra men that day to wash the streets or was it that extra men were not employed. He would like to have a report on this.

When a member stated that the footpaths along the Square were always washed by the council men.

Mr. McCarthy said that this was not so. He said he had no objection to the carrying out of this work by the council men.

Mr. O'Dwyer stated that the cause of the complaint on Wednesday was due to the fact that it was a very big fair and cattle remained on the streets to a late hour.

Mr. O'Dwyer also said that he saw where in Limerick hawkers are charged £1 for a stand at the fair and asked could this council do likewise.

Trees for Square.—In connection with the recent application from the workers of the Glue and Gelatine Factory for permission to plant trees on the Square in memory of the late Dr. Michael Casey, the workers to supply the trees. The protecting of the trees, which would be a matter for the council, and the fact that trees, planted there formerly had been destroyed, also a suggestion formerly from the engineer, that he thought Wolfe Tone Road would be a more suitable site, were referred to, and the matter was adjourned to November, before which trees cannot be planted.

Loading Bank.—On the question of providing a loading bank, adjourned to ascertain if the County Council could contribute towards its erection.

The Clerk stated that the legal adviser to the County Council has stated that that body have no power to enable them to provide funds for this purpose in the urban area, but could assist the council by giving them any waste materials available.

Mr. Kyne—The provision of a loading bank could not cost so much.

Clerk—The estimate of the engineer is £15u.

Chairman—We will adjourn it to find out what the County Council can give.

Gallowshill Housing Scheme.—On the proposal of Mr. Kyne, seconded by Mr. McCarthy, a resolution to raise a loan of £75,700 for the above scheme was passed.

Loan for Quay Street Sewer.—It was decided to also raise a loan for this purpose.

Boundary Wall.—The question of building a boundary wall between Garvan's Terrace and playground at the Gallowshill scheme at an estimated cost of £800 was adjourned on the suggestion of the Chairman to allow members to visit and inspect the area.

Mr. Lee said there is no doubt but the gardens of the residents of Garvan's Terrace suffer from trespass. He said there was a fence here previously, a stone-faced fence but when building the ball alley all the stones were taken from the fence.

Rents of Council Houses.—Following a discussion, the council, on the casting vote of the Chairman, approved the Manager's order to raise the rents of certain houses at Mitchel's Terrace.

The voting was:—

Against raising the rents—Messrs. McCarthy, Kyne and Lee

For—Messrs. Chairman, Keane and O'Dwyer.

Raffle for Greyhound Pup.—Ticket No. 5401, held by Mrs. T. Galom, Ballintlea, Old Parish, was the lucky one in the draw for greyhound pup, presented by Mr. James Harty. Very Rev. Fr. Corbett, P.P., on behalf of the Parochial Committee of the Ring Church Building Fund, desires to express his appreciation to the numerous friends, especially those in Dungarvan, who generously contributed to the signal success of the draw.

Dungarvan Pioneers' Outing.—One hundred and eighty members of the Dungarvan Pioneer Total Abstinence Association held an outing on Sunday, travelling by five special buses. Accompanied by Rev. D. Byrne, C.C., Spiritual Director, and members of the Council, the party went to Wexford, Avoca, Glendalough to Waterford, where they dined in the Savoy and then returned by Tramore.

Cycling News.—T. O'Neill, Rising Sun Athletic and Cycling Club, won the one mile and three miles open handicaps from scratch at the Bansha, County Tipperary, Sports on Sunday last from 20 competitors. We wish this well-known cyclist many further successes during the season.

Raised to the Priesthood.—Amongst the Oblate students raised to the priesthood at Our Lady's Scholasticate, Kildalton Abbey, Piltown, Co. Kilkenny, on Sunday by Most Rev. Dr. Collier, Bishop of Ossory, was the Rev. John O'Regan. Fr. O'Regan is son of Mrs. and the late Timothy O'Regan, formerly of Abbeyside and now residing at St. Brigid's Street, Dungarvan. He celebrated his first Mass at Abbeyside Parish Church on Monday morning last, at which a very large congregation attended, including the Abbeyside Troup of Catholic Boy Scouts, of which he was formerly a member. The choir, under the direction of Miss M. O'Gorman, rendered the sacred music of the Mass, and the server was Master J. O'Regan, brother of the celebrant. We join with his host of friends here in wishing Fr. O'Regan years of health for the noble work to which he has dedicated his life.

Transfer of Superintendent O'Mahony.—The announcement of the transfer of Superintendent O'Mahony from Dungarvan to Sligo has been received in Dungarvan with feelings of regret for the loss of a conscientious peace officer and a straightforward and genial gentleman. Since his advent to Dungarvan nine years ago, Superintendent O'Mahony carried out his onerous duties in a most efficient and competent manner. His many friends in Dungarvan and throughout the county will learn of his impending departure with much regret and will wish him, Mrs. O'Mahony and family all that is best in the years that lie ahead. The high tributes paid to Superintendent O'Mahony at the District Court on Wednesday last by the District Justice, Messrs. T. C. Williams, J. F. Kenny, A. R. Farrell, solrs, and by Mr. P. O'Keeffe, Court Clerk, were richly deserved.

University Students.—The following local students of University College, Cork, were successful at the recent Summer Examination:—Bachelor of Engineering Degree—Thomas Dee, Church Street, Dungarvan; Patk. G. Hallahan, Square, Dungarvan; Henry D. Shine, Abbeyside, Dungarvan. Second Year Engineering—Thomas N. Enright, Abbeyside, Dungarvan; John P. O'Regan, Mitchel Street, Dungarvan. In the medical side Mr. Thomas Barry got his Fourth Medical, while Mr. John Coffey got his M.B., Bch., B.A.O. Degree.

Golf Club (Ladies' Branch).—Sunday next, 1st July, will be the Ladies' Open Day. The Deise Cup will be played for in the morning—18 holes stroke. Also a special prize for the best nett for handicaps of 28 and over, and in the afternoon a Scotch Foursomes v. Bogey, choose partners. We hope that all our own members will compete and by so doing help to make the day a great success. The draw for the Junior Cup for members with handicaps of 30 and over will take place this week. As there are a number of beginners who have not yet got handicaps, the committee have decided to allow them compete in this event off 36.

Golf Notes.—The Captain's Day last Sunday proved a great success at Ballinacourty. There was a very big entry for the Captain's Prize. Mr. M. A. Moloney presented a fine silver cup appropriately engraved. The weather, the course, the golf and the golfers, were all that could be hoped for. Shortly after 7 p.m. it was announced that the winner was P. Daly, who returned the magnificent net score of 63. He is, of course, one of the club's outstanding players, and it is many years now since a short handicap man won the Captain's Prize. The runner-up is a member of the club for only a few days. J. O'Donoghue, a comparative beginner, also returned a fine score and was beaten for third place by J. McCarthy only on the second nine holes. There was a very large attendance of members and their friends at supper, after which and customary speeches the captain presented the prizes. Some of the members contributed more or less musical items and then the floor was cleared for a short dance, and a good time was had by all. The previous evening a very successful sweepstake was held. A goodly sum was realised despite precautions to keep the bidding at the auction within very reasonable limits. The details of the day's play are as follows:—Winner, P. Daly, 75 (12), 63; 2, M. O'Connor, 86 (24), 64; 3, J. McCarthy, 81 (16), 65, on the second nine from J. O'Donoghue, 89 (24), 65; best gross, P. Walsh, 81; best gross (17 and over), T. Maher, 86.

The captain presented also the other cups that were won recently, and P. Daly had to make several trips to the table. In addition to the Captain's Prize he has won the Clonea Cup and the E. A. Ryan Cup. The Cunnigar Cup was presented to Fr. Fitzgerald.

At the recent examinations held in London at University College Hospital, Dr. I. N. Greeson, M.D.V., M.R.C.V.S., passed the Final Examination in surgery, medicine and midwifery obtaining the Licentiate in Medicine, Surgery and Midwifery (Lond.).

We understand that Dr. Gleeson is the only one in Ireland who holds both a doctorate in Medicine and Veterinary Science and we now understand that it is his intention now to take out an M.D. degree.

Feis Cheanntair Ceapach Chuinn.—It has now been decided to hold a district feis at Ceapach Chuinn during Mi Lunasa to select competitors for Feis na nDeise at Dungarbhain the following month.

Another Win For Kilossera Major

Mr. Johnnie Hennessy is keeping up his winning form with Kilossera Major, as on Tuesday night last he ran away with the Sprint event at Youghal. Truly this fellow is a money spinner and it will take a good one to lower his colours at this track. More power to you Johnny.

Waterford County Council

(Continued from Front Page)

Mr. Kyne moved the following motion—"That the County Council of Waterford hereby approve of the borrowing from the Local Loans Fund of a sum of £20,400 repayable over a period of 50 years to finance the erection of 20 additional rural cottages in the Waterford county health district, subject to the sanction of the Minister for Local Government."

Mr. Kyne said that each councillor is aware of the urgent need of further houses throughout the county.

Mr. Quirke—I would like to know where those cottages are to be built. Three were to be given to Ballyduff.

Mr. Kenneally—This loan will only be drawn on when required. With regard to the demand for houses, at least six are required at Ballinakill.

The council approved the motion.

Cottage Purchase Scheme.—Following the reading of two Departmental circulars on this scheme, the council, on the advice of the Manager, deferred consideration to the quarterly meeting in July.

Increase Granted to Council Workers.—The application for an increase of 10/- per week from the Amalgamated Transport and General Workers' Union on behalf of County Council workers was next considered.

Mr. Kyne said this application was adjourned from the previous meeting at the request of the chairman. He would now ask the council to be unanimous in granting this and bring the Waterford workers' wages to the same level as Kilkenny workers, who got a recent increase. Tipperary figure is higher, but he is not asking for the Tipperary rate.

Chairman—Have we estimated for this?

Manager—There is no provision made in estimate.

Replying to Mr. Kyne, the County Surveyor said the number of men employed at present, which is a peak period on the roads, turf scheme, etc., is 896. On the assumption that the average for the year is 500 men, which is as near as he can get the increase of 10/- would mean £13,000 in full year. Taking grants into account, he thought the amount acquired from the rates would be between £7,000 or £8,000.

Mr. Kyne said it could probably be £6,000.

Mr. M. Morrissey said the council gave 4/- recently and now this demand for 10/- that would be 14/-. Is there any guarantee that it will stop here?

Mr. Kyne—He or any other councillor cannot say that there would not be any further demand, but could we not all say that any further increase will not be given inside, say, 12 months.

Mr. Heskin said he agreed there is a reasonable demand for an increase. He can see a danger that if the County Council go too far it may mean that many of their men may lose their employment before the year is out. He is prepared to support an increase within reason.

Mr. Liam Morrissey agreed that men may lose their employment, and suggested leaving the matter over to the next estimates meeting.

Mr. Kyne said that the higher paid officials got 12½ per cent. All are agreed that the purchasing value of the £ in 1939 is now 10/-. The men who have occupied the new council cottages have seven times a higher rent than they were paying. He held that where you have satisfied employment. You will always get a higher return of work.

Mr. Campion, seconding Mr. Kyne's proposal, said he cannot see how any man can conscientiously object.

Mr. Heskin moved that council give an all-round increase of 5/- a week. He saw the danger of a big number of their regular men losing their employment.

Mr. Liam Morrissey seconded.

Mr. M. Morrissey said that as they had already given 4/- increase, he would propose 6/- to bring the full increase up to 10/- in the 12 months.

Senator Butler said the County Council are always fair to the ratepayers as well as to their workers. There is no doubt but the standard of living has gone up, and that is a very good thing in any country, but when the standard of living goes up the cost of living must also necessarily go up. He suggested that the increase be left at 7/6 a week.

During a further long discussion some heat was introduced when Mr. Kyne referred to the increase recently of 4/-, which, he said, was agreed on in McCarthy's pub, Lismore, before the meeting.

Mr. Kyne then proposed that an increase of 12½ per cent. be given.

Mr. Ormonde seconded.

This, the Secretary, would amount to an increase of 8/3.

Senator Butler proposed, and Mr. Harty seconded, that they be unanimous on 8/-, and this was eventually agreed to.

Cinema Licenses.—Mr. M. Morrissey, when the matter of granting cinema licenses came up, held there should be some regulations governing prices, as he would like to know if the council had any authority in the matter.

Manager—It is my opinion we have no authority over prices.

Mr. Morrissey said it seems wrong that a cinema proprietor who can make thousands need only pay £1 license and can charge 1/8 a head on seats, which could be got for 4d.

Housing.—Mr. Keyes answered many questions on the delays in connection with houses to be built at Ardmore, Ballyduff, Ballinamult, Tramore and Lismore water schemes, etc.

Senior Hurling At Dungarvan

UNRULY SCENES MAR SECOND MATCH

Glorious weather favoured the double-feature hurling programme billed for the Gaelic Field, Dungarvan, on Sunday last and the thousands who patronised the fixtures, saw a good display from the contestants in the first game between Cappoquin and St. Molleran's (the representative of Carrickbeg and district. The second encounter which was looked forward to as the major attraction lay between the 1950 champions (Tourin) and the runners-up (Mount Sion) was marred by scenes rarely witnessed in the Gaelic arena. Rules and the referee's decisions were flouted by a player and attempts to assault the referee made by at least one player. All this, of course, will be dealt with, we hope strongly, by the County Board in due course.

The field was in splendid order for the encounters but the stewarding which was in the hands of the County Board broke down completely from the period in which the referee ordered a Tourin player to the line.

Cappoquin and St. Molleran's fielded out under the charge of J. Pinkert and gave a good display of clean hurling, Cappoquin winning on the score, 5-9 to 2-6. St. Molleran's on the run of play were worthy of a few more scores but their forwards were at erratic and several opportunities went abegging. The victors on the other hand, had a forward line that availed of every opportunity which presented itself to add to their total. Their most prolific scorers were young Lonergan, corner forward, and O'Connor and Walsh, right and left wing forwards, respectively.

MOUNT SION v. TOURIN.

After parading round the grounds led by the Thomas Francis Meagher Fife and Drum Band, and the playing of the National Anthem, a two minutes' silence was observed in memory of the late Dr. D. T. McCarthy. Mr. Callaghan (St. Molleran's) who had charge of the whistle, threw in the ball and Mt. Sion broke away and had a point in the first minute of the game. Tourin worked back to equalise and went ahead shortly afterwards when McGrath registered another point. The lead was short-lived as John Keane sent in a hard cross shot which was netted by Flannery to put the challengers two points up. John Keane increased this to three with a good left hand drive over the bar from a difficult angle. Mount Sion at this stage were having the best of exchanges and a goal by Kennedy left them leading by six points. Tourin rallied and had a goal (Fives) and a point (Barry) to reduce arrears to two points. Flannelly with a well-judged goal, and Healy, two poins off frees, again restored the Mount Sion lead to seven points. During the next Mount Sion attack, a Tourin player was ordered to the line by the referee and refused to leave the field. After much persuasion from team mates and supporers he was eventually got to leave the field and the game was re-started. Mount Sion had further points per T. Keane to bring their lead up to 8 points, before T. Fives pointed for Tourin to leave the half-time score, Mount Sion, 3-7, Tourin, 1-4.

The resumption saw Mount Sion again in attack and Mulcahy pointed to which Mount Sion replied with a like score per Barry and McGrath had a brace of points for the same side, Mount Sion put in a series of attacks on goal and after being repulsed four or five times succeeded in goaling. Points by Keane (1) and Kennedy (2) were registered for Mount Sion before more scenes took place and when it became evident that the field could not be cleared the game ended, the score sheet reading, Mount Sion, 4-12; Tourin, 1-6.

Dungarvan District Court

Held on Wednesday before Mr. O Riain, D.J.

Road Traffic Act Offence.—Supt. O'Mahony charged Garrett Morrissey, Ballinameela, under Section 51 of the above Act.

Defendant, who did not appear, but who was represented by Mr. A. R. Farrell, solr., was fined 10/-.

Mr. T. A. Kyne, T.D., in reply to the Superintendent, said he was motoring from Dungarvan to Cappoquin and when approaching Cappagh Creamery and Railway Station he saw defendant cycling ahead of him in the same direction. When the car was nearing the cyclist veered out to the centre of the road and witness took it he was going into the creamery. Witness had slowed down to 20/25 miles when he saw the cyclist and proceeded to pass him out on the left. As he was passing the cyclist suddenly turned left to go up to Cappagh Railway Station and the bicycle struck the side of witness's car. Witness stopped and asked if he was all right and he said he was. He noticed a scratch on his hand. Witness got defendant's name and gave defendant his name. Defendant said he thought he would beat witness to the turn. Defendant was going away but witness called him back and said they should report this. Guard Grey came on the scene at this time.

To Mr. Farrell, Mr. Kyne said he is 12 months driving. This is a perfectly straight road. The cyclist veered out to the centre of the road and gave the impression he was going to the creamery on the right. Defendant is an elderly farmer, probably 50 years. When witness first saw him he was travelling at 30/35 miles and then slowed down. It would not be correct to say that the cyclist was only six feet from the left hand side. Witness is certain he sounded the horn. The car was practically stationary when the cyclist crashed into the side of it.

The Justice said he should convict under Section 51 and imposed the fine above stated.

Adjourned for Month.—After hearing the evidence of Vincent Fottrell on behalf of the Soldiers' and Sailors' Land Trust, who sought possession of a house from Patk. McGrath, Lackenfune, Dungarvan, who is in England since 1935.

The Justice, on the application of Mr. Farrell, solr., adjourned the further hearing for a month to enable Mr. Farrell, who was only instructed that morning to look into the law governing the tenancy of such trust houses and the possibility of purchasing such houses.

Mr. Kenny, solr., was for the applicant.

Trespass.—Jas. Lynch, Kilnafrehan, got a decree for £3 against Mr. O'Neill, do., in respect of trespass of sheep on his holding on various dates.

Plaintiff, who said all he wanted was to stop the trespass, said wire he had put up was pulled down and defendant promised to put up some wire and stakes.

Mr. Williams, solr., was for plaintiff, and defendant did not appear or was not professionally represented.

Wholesale Beer Dealers' Licences were granted to Messrs. M. Keane, R. A. Merry and P. I. Power, and Auctioneers' Licences were granted to Messrs. Queally and Ballot and Mr. E. Spratt.

Mr. Williams and Mr. Farrell, solicitors, made the applications.

Larceny of Wash-hand Basin.—Supt. O'Mahony charged a local man named Sullivan with the larceny of a wash-hand basin from one of the dressing-rooms at the Gaelic Field.

The Justice imposed a sentence of three months, the warrant not to issue if defendant is of good behaviour for six months. The basin was recovered and handed back.

Obituary.

MR. PATRICK ELSTED

Mr. Patrick Elsted, who died at the Dungarvan Hospital on Saturday night last, was a native of Abbeyside and a well-known seafaring man and circled the Globe several times during a long and active live. During the 1914/'18 and the recent war, he had the experience of being torpedoed five times and his reminiscences of those events and others of a full and varied life, when he could be got to recount them, were amazing and thrilling. His remains were removed to the Abbeyside Parish Church on Sunday evening and interment was made in the adjoining cemetery on Monday following the celebration of Requiem Mass for the happy repose of his soul. Rev. Fr. Power officiated on both occasions. There was a big attendance both at the removal of the remains and at the interment.—R.I.P.

Kilmacthomas Notes

In the Fine Attendance of hurling fans at Fraher Field, Dungarvan, on mid-summer day, the mid-Waterford area was strongly represented. Too bad the Tourin-Mount Sion set-to was shaded by scenes of rowdyism. No picture is appealing unless it has light and shade, but we must try and keep the shadows in the background, and—Tourin's true "sports" will be with us in saluting the sterling Mount Sion team, in whom all genuine Deise lovers of the purely Celtic code feel justly proud.

The Death occurred at Cork of Miss Johanna Moran (formerly of Ballyvaden, Kilmacthomas), on Friday of last week, at the age of 72 years, and the sad event has been very deeply regretted by a wide circle of friends. Miss Moran came of a family widely connected and most popular throughout mid-Waterford. Possessed of a bright and cheery disposition, she went through life with a smile and encouraging word for everyone, and her goodness was stamped on her person. Gifted with a great sense of humour and repartee all intimately acquainted with her always enjoyed her read wit. A beloved personality has passed away to enjoy the reward she so well deserved, and her death was a happy and tranquil one. The deceased lady's great popularity was reflected in the remarkably large number of Mass cards and messages of sympathy received, and by the very representative and large gathering, both at the removal of her remains to St. Anne's Church, Ballylaneen, Kilmacthomas, on Saturday evening and at her burial in the adjoining cemetery on Sunday. Rev. M. J. Russell, C.C., Ballylaneen, officiated at the graveside. The chief mourners included the Power, Harris and Whelan families of Shanakill, Ballyvaden and Kilmoylan, respectively, and Mr. and Mrs. Sutton, Cork. Ar a h-anam, a Iosa Dilis, dean trocaire.

Care-free Abandon and merry camaraderie characterised outstanding y last Sunday night's grand dance at the admirably appointed Rainbow Hall, Kilmacthomas. Sponsored by the Stradbally District Nursing Association, the function proved one of the largest and most enjoyable social gathering ever held in the Mahon-veined town. Dancing commenced at 9 p.m. with unabated zest up to 3 a.m., when the capital combination of instrumentalists engaged—The Lawrentian Dance Band—rendered the National Anthem. Needless to state, patrons did full justice to the satismying refreshments available.

That Keighery's Ladies' Hairdressing Saloon (Kilmacthomas) is proving a veritable boon to the members of the fair and gentle sex from the coast to the Comeraghs is a fact obvious as it is pleasant to publish. As advertised, the saloon is open daily from 9.30 a.m. and a qualified hairdresser does the work.

Have It that there is a movement on foot for the "staggering" of holidays. (As long as they do not fail to the ground we must be satisfied. The dictionary offers no clue to the new application of the word "staggering." It means, however, that holidays should be spread over the summer in order to ease the congestion experienced in August. Most of the big industrial towns in the sister isle have their "wakes" beginning on the August bank holiday, and all the resources of transport as well as of housing accommodation are overtaxed. It is hard to break away from the habit of years, but if holidays could be arranged to give each month a share of the traffic it would help to solve a difficult problem.

Summer Holidays . . . trains . . . buses . . . cars . . . travelling . . . home-coming. Home! From London, Birmingham, Manchester, Leeds, they're swarming in on us these days; those brothers, those sisters, those neighbours, whose work has taken them across the water to win their daily bread in the land of the Rose.

His Many Friends and well-Wishers in the centre of the Deise country sincerely sympathise with worthily popular Mr. Patrick Gibson, 15, Emmet Place, Waterford, in his sad bereavement and loss occasioned by the death, last week, of his mother, Mrs. Mary Gibson, do, a grand type of Catholic Irishwoman of her generation and a great favourite with everybody who had the pleasure of her acquaintance. Mr. Gibson, by the way is a valued employee of Messrs. O'Sullivan's, Broad St., Waterford.

Mr. John Moloney, Ballymurrin, Kill, who answered the Great Call on Monday of this week, was a quiet, modest and retiring man, and he had lived his span of 68 years on the best of terms with his neighbours. Deceased is survived by his family of four sons and one daughter, who are held in great esteem in the district, and sympathy with them in their affliction is widespread. A numerous cortege accompanied the removal of the remains from the residence to the Church of Our Lady of Mount Carmel, Kill, on Tuesday evening. Subsequently to the celebration of Requiem Mass on Wednesday, the burial took place in the adjoining cemetery amid every manifestation of profound sorrow. Rev. T. Hanrahan, C.C., Kill, recited the prayers at the graveside.—R.I.P.

DRUG DEALER SENTENCED.

A "wholesaler of narcotics" was sentenced in New York to 15 years in prison and fined 11,000 dollars (about £3,930). It was the heaviest penalty ever imposed in this Fedral District on narcotics charges.

Ballyduff, Moorehill and Knockanore News

Regretted Demise.—It is with very deep and profound regret we record the death of Mrs. Joan Tobin, beloved wife of Mr. David Tobin, Ballyduff, which sad event took place at St. Anne's Home, Fermoy, on the 24th inst., following a brief illness. Member of an old and respected family, deceased was held in the highest esteem by all classes of the community, and her death at an early age is deeply and deservedly regretted. Of a kindly and unassuming disposition, deceased was one of the district's most popular inhabitants, and seldom have expressions of such deep sympathy followed an obituary notice as those which on all sides followed the sad bereavement, and all join in tendering their very deep and sincere sympathy to her bereaved husband and relatives in their sorrow and loss. A funeral cortege of unusually large proportions accompanied the removal of the remains to St. Michael's Church, Ballyduff, on Sunday evening, when they were received by Very Rev. T. Dunphy, P.P., assisted by Rev. T. Keating, C.C., who blessed and recited the prayers for the dead. On Monday and Tuesday mornings Requiem Masses were offered up for the happy repose of her soul, and on Tuesday afternoon the funeral took place to Mocollop Cemetery, where all that was mortal of deceased was reverently consigned to mother earth in the presence of a very large and representative cortege and amidst every manifestation of deep regret. Very Rev. T. Dunphy, P.P., assisted by Rev. T. Keating, C.C., officiated at the graveside. R.I.P.

Interesting Hurling Contest.—At Ballyduff Sportsfield, Air Corps, Fermoy, met Tallow in a hurling friendly played in connection with the Garden Fete (in aid of Parochial Funds) and a very fast and exciting game resulted. Play reached a high standard at times and the exchanges were very fast. Tallow took the lead, which they maintained for the greater portion of the game, and it was only in the closing minute that the Army scored the winning goal to win by the minimum score, a point—3—3 to 3—2. The game attracted a large attendance. Mr. M. O'Keeffe proved a very efficient referee.

Conna Carnival.—The annual carnival sponsored by the Conna Guild of Muintir na Tire was held in the picturesque castle grounds on Sunday last under ideal weather conditions and proved to be a huge success, the attendance surpassing all expectations. The carnival opened with the Fancy Dress Parade from the village headed by the Fermoy Confraternity Band. Afterwards an open air concert was held in the castle grounds. Artists taking part were—Mr. Frank Ryan, Tallow (tenor); Miss Mary Frost, Fermoy (soprano), Mr. Dick Donegan, Cork (guitar) Mr. Chris Sheehan, Cork (baritone), the Basson troupe of dancers; while the comere was Cork's leading comedian, Danny Hobbs, while musical selections were given by Fermoy Confraternity Band. Highlight of the evening concert was the selections by No. 2 Army Band (by kind permission of the Minister for Defence) under the conductorship of Lieut. Denis T. Millerick. Soloists were Mr. Frank Ryan, Miss Chris Sheehan and Miss Mary Frost. Games and amusements were supplied by Mitchelstown Amusements Company. The programme was brought to a close with a grand all-night dance in the Parish Hall, with music by the Brideside Serenaders Orchestra, Tallow. The Organising Committee are to be congratulated on the excellent arrangements for the carnival, which reflects the greatest credit on all concerned, especially the competent hon. sec., Mr. A. J. Walsh, who left nothing undone to ensure the success of the carnival. Judges at the Fancy Dress were—Miss Meade, Mr. and Mrs. Reynolds and Mr. D. Hobbs. Death of Mr. J. Higgins.—It is with very deep regret we record the death of Mr. John Higgins, Ballynoe, which took place recently at the Nazareth Home, Mallow, following a brief illness. Member of an old and respected East Cork family, deceased was one of the district's most esteemed inhabitants, and the announcement of his death was received with the very deepest regret, for by his passing the locality has lost a personality time can never replace, and all join in tendering very deep and sincere sympathy to his bereaved relatives in their sorrow and loss. A very large cortege accompanied the removal of the remains to St. Catherine's Church, Ballynoe, on Wednesday evening where they were received at the church gates by Rev. P. Foley, C.C., who blessed and recited the prayers for the dead. On Thursday morning Requiem Mass was offered up for the happy repose of his soul, and in the afternoon the interment took place in the local cemetery in the presence of a large cortege and amidst every manifestation of very deep regret. Rev. Fr. Foley, C.C., officiated. May he rest in peace.

Declan is well known in Gaelic and athletic circles, and in former years was a prominent member of the local Hurling and Football Club, which was unable to field out this season.

Completion of Work.—The work of tarring the road from Browne's Cross to Killeenagh Barracks has now been completed and reflects the greatest credit on Mr. M. Walsh, County Council overseer; and his competent staff. Hopes are held that the entire road to Youghal will be tarred at an early date.

TALLOW NOTES

Death of Mrs. E. Hoskins.—It is with very deep regret we record the death of Mrs. Elizabeth Hoskins, Barrack Street, Tallow, which sad event took place at her residence on the 20th inst. following a brief illness, fortified by the rites of the Holy Church. Deceased was a member of an old and esteemed family and was held in the highest respect by all sections of the community. Relict of the late Edward Hoskins, deceased was a very popular member of the community and the announcement of her death was received with the deepest regret not alone in her native parish but all over West Waterford where she was well and popularly known. Genial, kindly and unassuming, deceased was a general favourite with young and old alike and her passing is deeply regretted and all join in tendering very deep and sincere sympathy to her bereaved family in their sorrow and loss. On Thursday evening the remains were removed to the Church of the Immaculate Conception, Tallow, where they were received by Very Rev. M. Hearne, P.P., assisted by Rev. M. Enjoyable Outing with Young Farmers Club.—Upwards of 30 members of the Tallow Young Farmers Club had a very enjoyable and instructive outing on Wednesday of last week when they visited Ballycotton and inspected a number of farms in the locality. Their first visit was to the model farm owned by Mr. J. H. Roberts, Ballycotton, which contains 90 acres laid out on the most modern and up-to-date method. Looking at the farm to-day one would find it hard to believe that seven years ago it was derelict, being reclaimed and drained under the Land Project Scheme and is now one of the most modernised and up-to-date holdings in East Cork. This farm keeps 30 shorthorn milch cows, 20 two-year-olds and 30 Border Leicester sheep and grows 10 acres of beet, 6 acres of barley and 4 acres of oats. In the modern newly built farm yard, 200 pigs are fattening and 36 sows are kept. Water is laid on and every modern convenience used re feeding, which is dry, hence the work of feeding is carried out in the minimum of time. The lady members of the party were shown over the poultry department where 200 Light Sussex hens are kept by Mrs. Roberts and were much impressed at the excellent arrangements. The next visit was to Coolmalee Castle estate owned by Mr. J. R. Allen. This estate contains upwards of 400 acres and a herd of 30 Jersey cows are kept. The whole holding is laid out in the most modern fashion, new grass seeds, rotational grazing, etc., 16 acres of beet are grown on the flat in rows, sixteen by 13 inches apart. Cultivation is carried out by a self-powered cultivator. Later the party visited Imokilly Orchards, also the property of Mr. J. H. Allen. The orchards contain over 45 acres of which four acres are under glass. Here large quantities of tomatoes and cucumbers are grown for export and home consumption. Mushrooms are also grown on a large scale in dark houses. The visitors were entertained by Mr. Allen while dinner was served at Fossett's Hotel, Ballycotton, by the Club. It was a most interesting, instructive and enjoyable day and in route homewards the members visited Garryvoe and Youghal. The next outing of the Club will be to Johnstown Castle, Co. Wexford, on Wednesday, August 1st. At the next meeting of the Club on July 13, Messrs. J. Barry and G. Kingston will give a summary of their recent visit to England and South Wales.

McCarthy Cup Competition.—Tallow juvenile hurling team qualified for the next round of the under 16 McCarthy Cup competition at Lismore Sportsfield on Wednesday evening of last week when they defeated Cappoquin, 3-3 to 2-1, after a very keen and well contested game. Hurling of a very high standard was the order, fast first-time pulling being indulged in by both teams and at half-time Tallow were ahead by two points (2-3 to 2-1). The second half was a repetition of the first and, despite determined attacks by both sides the only score of this half came to Tallow—a goal by Liam Quirke following a pass by Noel Curley. The former proved a good marksman scoring his side's three goals. Outstanding for Tallow were O'Mahony, Fitzgerald, Hogan and Sheehan, while Coffey (goal), Fraher and Herr wer best for the losers. The Tallow team was : R. Ryan (capt.), N. Curley, P. Curley, P. Fitzgerald, W. Quirke, P. Higan, P. Cox, D. O'Mahony, J. Sheehan, J. Condon, W. Henley, J. Ryan, W. McGrath, T. Fitzgerald, L. Cronin.

In Gaelic Circles.—The chief topic in local Gaelic circles is the meeting of Tallow and Geraldines in the junior hurling championship at Cappoquin Sportsfield on Sunday next and speculation is rife as to the result. With victories over Cappoquin and Glen Rovers the Geraldine fifteen are favourites for Sunday's encounter but favourites don't always win and the wearers of the blue and gold are more than hopeful of victory. Hurling is coming back into its own in the town by the banks of the Bride and with the schoolboys and juveniles giving them a lead, the juniors will be all out to make it three in a row. With two well-trained teams all out for victory a great game is assured.

Annual Collection.— The annual collection in aid of the Tallow Hurling Club will be taken up out side the Church gates before both Masses on Sunday next.

G.A.A. RULES

Approval of Findings by Central Council

The findings of the Referees' Sub-Committee, set up by the Central Council of the G.A.A. for the purpose of getting uniformity of interpretation of rules have now been approved by the Council and will be circulated to all counties to be implemented. The Committee set up by the Council were : Messrs. M. O'Neill (Wexford); J. Dunne (Galway); S. Dignan (Cavan); D. Ryan (Kerry); C. Murphy (Cork); S. Cahill (Monaghan); M. J. Flaherty (Galway) and J. Flaherty (Offaly), to examine the situation.

After an exhaustive survey of the rules they have issued recommendations which should bring about a remarkable and much needed improvement.

As might be expected, the eight who went through the rules are satisfied that all points of play are sufficiently clarified in the current issue of the Official Guide and their work mainly was that of "interpreters" of the rules as they stand.

They did not, of course, seek to amend or frame rules, that being a function of the Congress which can be dealt with only every three years, and confined themselves to issue what now amount to Central Council directives to all referees throughout the country.

The definite instruction that in 14 yards frees in football it is wrong to put players outside the 14 yds. line but that all players, except the player taking the kick, must be outside a 14 yards radius from the ball until it is kicked, will be welcomed, the extinging position having been very unsatisfactory.

It is of interest to point out that even team mates must stand 14 yards away from the kicker, thus ending the practice whereby they stood close at hand and charged in when he kicked.

A somewhat similar position existed in hurling, some referees putting attacking players outside the 21 yards line when a free was being taken from the mark. Now the Sub-Committee clears the air by stating that the referee must not put players outside the 21 and add that all that is necessary is to have rule 147 complied with.

The relevant part of the rule states : "In all free pucks, including the 70 yards puck, no player shall stand nearer than 21 yards until the ball is pucked."

Charging the Goalkeeper.

Another very important instruction is that frontal attack on a goalkeeper who is in possession is not permissible, and the Committee goes further by clarifying frontal attack as follows ; "shouldering goalkeeper in the chest or rushing (bundling him over the goal-line, or, generally speaking, charging him from the front in any manner which would not be permissible against a player outfield."

Several full-backs will have to mend their ways with the announcement that they commit a foul when they obstruct a forward by "pressing the hurley against his back or chest to prevent him from moving goalwards."

Other recommendations of the Sub-Committee are as follows :—

Football.

The ball, in all cases must be toed from the ground.

(i) The practice of lifting the ball with the knees (melee) is not permissible.

(ii) The practice of lifting with the hands a rolling ball is not permissible.

In the kick-out the ball may be kicked from any point in the parallelogram.

Kick in from sideline is to be taken in all cases at point where ball goes over the line.

In hand-to-toe run it is permissible to hop the ball once after each hand-to-toe effort.

A fair shoulder charge against a player is not a foul irrespective of whether the player is knocked to the ground or not.

It was considered necessary to emphasise that the goalkeeper should not be penalised for touching the ball on the ground.

The portion of the rule dealing with this matter states : "The goalkeeper, within the parallelogram, may touch the ball while on the ground with his hand, and when himself on the ground, fist the ball away."

Two turns by a player are permissible provided he does not overstep.

In the case of a penalty, the referee should insist on all players being outside the 21 yards and none nearer than 14 yards to the ball.

Hurling.

The penalty for pucking-out the ball from outside the parallelogram is a 70 yards free puck to the opposing team.

A player is entitled to carry the ball on his hurley.

Speeding Up Games.

Suggestions for speeding up games are as follows :—

The two officials looking after a team are to go on to the pitch only when a player of their team is injured—no official should go on the field at any other time or for any other purpose.

Delays and stoppages for injuries are being unnecessarily extended and must be restricted.

The referee has power to restart the game at any time if unnecessary delay is being caused by officials attending to an injured player or players.

Referees should insist on the ten minutes interval at half-time being adhered to and to report any infringements

Keep up with the play—to succeed in this a referee should satisfy himself that he is physically fit.

Insist that free-kicks, free pucks, etc., are taken without delay. Where delays in kicking out, etc., are deliberate, referees should penalise under Rule 105 (d).

It states : "Caution player for forbidden tactics and send him to the line on repetition of offence."

Should a player be injured, insist on play being resumed with minimum delay—not to exceed two minutes under any circumstances.

Do not hold up the game by whistling petty infringements when same do not impede the course of the game.

Always keep the game going by prompt decisions.

Other Decisions.

Recommendations of a general nature are :—

That referees be appointed by a small Committee independent of the competing teams. The suggested Committee to consist of Chairman, Secretary, Treasurer and two others; and that this system be adopted by every council and committee of the Association.

That young referees should be encouraged and given ample opportunities and that the manner in which referees generally were being discouraged and interfered with by the officers and officials in charge of provincial, county and club teams, both on the field of play and after the games should be effectively stopped.

All Committees and Councils should insist on referees being properly togged, and a supply of outfit for this purpose should be kept.

Referees may alter a decision of the linesman, but not the agreed decision of the goal umpires.

Charging of goalie when he is not in possession to be severely and consistenly penalised.

Pushing in the back and pulling to be carefully watched and consistenly checked.

Retirements.

Arising out of the Sub-Committee's request that a direction be given, the Central Council ruled that it is not permissible for the player taking a free, to kick or hit the ball before another player, if the free rebounds from the crossbar or an upright.

LISMORE NOTES

Late Mrs. Byrne.—The death of Mrs. Byrne, which took place at her residence, Lyre, on Sunday last, June 24th, removed a well-known member of the farming community of the district and one who was held in the highest esteem by all sections of the people. The deceased lady was an extremely popular personality, and her death is sincerely regretted by a very wide circle of friends, and much sympathy is extended to her beloved husband and family in their bereavement. A very large and representative cortege attended at the removal of the remains to Lismore Parish Church on Monday evening, where the coffin was received and blessed by Rev. Fr. McGrath, C.C. The interment took place at 2 p.m. on Tuesday in the Parish Cemetery and was again attended by a large number of mourners and friends. The chief mourners were—Laurence, William (sons). Kathleen (daughter).

Retreat.—The retreat for the children of Mary, conducted by Rev. Fr. Hickey, C.SS.R., came to a close on Sunday evening last. The attendance each night at the sermons and at Holy Mass in the mornings being attended by a large congregation. Over 150 took part in a procession of the Blessed Sacrament held in the convent grounds on Sunday evening. Twenty-five new members were enrolled in the Order. The grounds were beautifully decorated with flowers and buntings. Rev. Fr. McGrath, on behalf of the Rev. Canon Walsh, P.P., and Rev. Fr. Halley, C.C., thanked Rev. Fr. Hickey for conducting the retreat, the Spiritual Directress of the convent, Rev. Mother Dominic, for her great work, and last, but not least, all those who came along night and morning and helped to make the retreat such a great success.

Outstanding Full Back.—I take this opportunity to compliment Mr. Davie Walsh, B.Ag.Sc., on his outstanding display in hurling at Dungarvan on Sunday last. As I mentioned previous, Davie has held his position in many finals, and is one who has a future in the hurling field. I say better luck next time, Tourin.

Cappoquin Notes

G.A.A.—Cappoquin supporters returned home well content from Dungaryan on Sunday evening having seen their senior hurlers quality in convincing fashion for the second round by beating St. Mollerans 5-9 to 2-6. In an unfinished game marred by incidents, Tourin disappointed against Mount Sion, who, when the referee called the game off, were leading by 4-12 to 1-6.

Cappoquin have hardly ever played a better game, and superior in all departments, were not extended in winning. Indeed, the displays of Lonergan, Ahearne, Conway and the Lacey brothers must have given the county selectors food for thought. An excellent defence, a top-class centre-field and a forward line, which took their scores from all angles all went to make up a team which will not be easily defeated in this year's championship. Every position was capably filled and a share of credit for the victory must go to the selectors, who were proved completely right in the number of positional changes which they made. The fact that St. Molerans first major score only came ten minutes from the end, when Cappoquin were beginning to ease off, is the best indication of the good work of the Cappoquin defence. Having successfully withstood heavy St. Molerans pressure in the first ten minutes, they were never afterwards in difficulty. Supremacy at centrefield gave the Cappoquin forwards plenty of the ball, and they certainly made full use of it. Their positional play was excellent, and every attack looked like bringing a score. On Sunday's form it is an attack which will test to the full any defence in the county. In goal "Toddy" Devaney was in his best form, and his many good saves in the initial St. Mollerans pressure had a decisive bearing on the result. He was well covered by a good full-back line. Jimmy Lacey on the right played a storming game, and his Molerans opponent had a most unhappy hour. At full-back Paddy McGrath had an even better game than against Tourin last year, while Charlie Cullen on his left made a great first appearance in a Senior Championship game. Veteran Paddy English operated at right half-back and played one of the best games of his career. He was rarely beaten for the ball and often evaded two or three forwards before clearing. Despite an early injury, Tommy McCarthy was an outstanding centre-back, clearing right and left-handed or in the air with equal facility. Michael Lacey on the left wing was the best man on the field and had the happy knack of being in the right place at the right time to save many dangerous situations. Billy Conway and Mossie Morrissey dominated centre-field for Cappoquin, both giving a first-class exhibition of centre-field play. In the forward line Michl. O'Connor, moving over from the left to the right wing, was in his most dazzling form, and the St. Mollerans defender marking him will hardly remember the game with pleasure. Billy Lee was very successful in the centre forward position, and scoring twice himself, "made" a number of other scores. Though he did not score, Billy McGrath played well in the left wing position, sending in some nice centres, a least two of which brought goals. In the left corner Tom Lonergan proved, if any further proof were needed, that there is no better corner forward playing in the county at present. He accounted for two goals and four points of the total, his last point and the last of the game, from way out in the left corner being as brilliant an effort as one could wish to see. Dec Ahearne at full forward continues to add that very necessary finish to the approach work of the rest of the line. He struck top form on Sunday, scoring two goals and two points. In the right corner John Fraher fitted in well and with luck would have had more scores than his one goal just before half-time, when he was on the spot to turn a long drive by Billy Lee into the net. Scorers for Cappoquin were: First half—Lonergan, 1-2; Fraher, 1-0; Lee, 0-1; Ahearne, 0-1. Second half—Ahearne, 2-1; Lonergan, 1-2; Lee, 0-1; O'Connor, 0-1.

Cappoquin—T. Devaney (goal); J. Lacey, P. McGrath, C. Cullen, P. English, T. McCarthy, M. Lacey, M. Morrissey, W. Conway, M. O'Connor (capt.); W. Lee, W. McGrath, J. Fraher, D. Ahearne T. Lonergan.

Tourin disappointed badly against Mount Sion and were but a shadow of the team that took county honours last year. Dave Walsh Tom and Paddy Fives and the Dooceys played well in an overworked defence. The forwards never functioned as an attacking unit, and the absence of Jim Fives from the full forward berth was sorely felt. Scorers were: J. McGrath, 1-4; T. Fives, 0-1; D. Doocey, 0-1.

Rowing.—At the Rowing Carnival held in Clonmel on Sunday the local junior four was drawn against formidable opponents in D.U.B.C. Despite a gallant fight the Dark Blues had to give best to the University crew.

"Short Odds" for Local "Punters."—Two local followers of "form" had all-correct entries in a Racing Forecast Competition on the Northumberland Plate run by a cross-Channel newspaper. The prize offered was £100, and it was expected locally that the two "sports" would benefit substantially. The result, however, proved disappointing, as no fewer than 1,112 correct entries were received, and each successful entrant received one and ninepence.

Death of Mrs. Bridget Byrne, Tour.—One of the oldest residents of the district, Mrs. Bridget Byrne, Tour, died at an advanced age on Sunday last. The funeral took place on Tuesday morning and was held in much esteem. There was a very large concourse when the remains were removed to St. Carthagh's, Lismore, on Monday, and following Office and High Mass, the burial took place on Tuesday. The chief mourners were—Thomas (Ballyduff), Cappoquin Notes—Two Patrick (U.S.A.), John and Lawrence (sons), Mary Ellen and Kathleen (daughters). Sister Bridget, Presentation Convent, Ballingarry (cousin); Laurence Byrne (grandson).

Appointments to Missionary Areas.—Amongst the appointments made by the Superior-General of the Holy Ghost Fathers we note two of local interest. Rev. Edward Mac Sweeney, C.SS.R., son of Mr. and Mrs. M. MacSweeney, Main Street, is appointed to the district of Zanzibar, East Africa, while Rev. John N. Cahill, who is a nephew of Mrs. Lee, Castle Street, is appointed to the district of Owerri, Nigeria, West Africa. Both young missionaries, who were ordained last year, will leave Ireland for the scene of their labours in October.

Sympathy.—Sympathy is extended to Mr. Thos. Connors, Camphire, and Mrs. J. Hogan, Knahalla, on the death of their sister, Miss J. Connors, which occurred recently.

We also learn with regret of the death of Mr. Christopher Smith, C.I.E., Mallow, brother of Mr. J. Smith, stationmaster, which took place in a Cork Hospital on Tuesday morning.
