TRAFFIC BUILDING AT TRAMORE.
On the suggestion by Mr. M. Morrissey that the Council acquire a derelict building at Tramore, a private property of the Tourist Board.

Mr. Roche suggested that the extension be brought to Coolfin Road, and that the three farmers would be prepared to take a supply if this was done and the water rent charge to them would go to reducing the cost. Mr. Shanahan, he said, would be prepared to let the Council run the pipe through his land if this would be more economical. The County Engineer stated that the extension to Coolfin Cross would reduce the original estimate by roughly £200. Mr. J. Meeting of County Libraries Committee

The August meeting of the County Libraries Committee was held in the Court House, Dungarvan, on Monday, 20th August. Present were Mrs. M. G. Mooney, Chairman; Messrs. M. J. McCarthy, R. Walsh and N. Kelly, M.C.C.

The minutes of the last meeting were read and duly signed. LIBRARY SURVEY.—The County Librarian reported that County Waterford had been selected as the first County Library Service to be surveyed. The Library Council have now completed their work in this county.

Mr. Kelly said that members should take their duty seriously and attend or else tender their resignation. Mr. Kelly and Mr. Walsh passed unanimously a resolution that, as from the date of this meeting, any member of the County Waterford Libraries Committee who fails to attend three consecutive meetings, without submitting a legitimate excuse shall cease to be a member of the said Committee and his name shall be deleted from the roll of members.

Mr. McCarthy commented on the fact that representatives of the local Press never attended the meetings. He thought that in view of the importance of the Library Service and the not inconsiderable amount of public money involved, the meetings should be covered by the Press. The Co. Librarian was instructed to inform the Press regarding the importance of the committee work.

TALLOW NOTES

Annual Horse Fair—The annual horse fair was held on Monday last and under very weather conditions, the attendance was well up to the standard of former years and although the horse has taken more or less back seat in the country to-day the number of sales transacted was well up to the average. All classes and types of horses were on offer from proud looking "blood" to the light of other days, and while the former were few, they were eagerly bought up at very remunerative prices. Troopers were in fair demand while a number of farm horses also changed hands at moderate prices. Cobs and ponies were in steady demand while fat horses met a ready sale. Established almost half a century ago this annual horse fair is gaining popularity year after year and judging by Monday's large attendance of buyers from across Channel and from all parts of Ireland the annual fair is one of Ireland's leading ones. Arrangements were all that could be desired, thanks to the energetic organising of the committee. The highest price of the fair, £200, was obtained by a Clashmore owner, for a pure-bred, while £130 and £140 were obtained by Knockanore and Waterford owners. Troopers made from £45 to £60; farm horses, £18 to £23; cobs, £18 to £25; fat horses, £12 to £30.

Ilmathomas Notes

Sweet and Moving Memories—The late Mr. John Donohue, Friary Street, Dungarvan, those who knew him well to remember him with reverence and affection, a clubbable citizen who bespoke most eloquently through his practical charity in leaving his property in action. Peace to his gentle soul.

Touraneena and District News

Death of Mrs. Margaret Linneen—Margaret Linneen, who was born in the town of Westford, was a most enjoyable one and all were delighted with her beautiful scenery encountered along the route and the journey, although a long one, passed all too quickly amidst such delightful scenic beauty.

Ballyduff, Moorehill and Knockanore

Outing to Westford—Recently a party of people from the village travelled to the historic town of Westford where a most enjoyable day was spent by all. The local guide, Muintir na Tire, the primary school was being held. The trip object was to visit St. Peter's College where the annual rural was a most enjoyable one and all were delighted with her beautiful scenery encountered along the route and the journey, although a long one, passed all too quickly amidst such delightful scenic beauty.

WEST WATERFORD NEWS

The Harvest—The continuation of the bad weather has seriously delayed the important work of harvesting the corn crop and the position is far from satisfactory. The major portion of the wheat crop is still uncut and the heavy rains have resulted in a good deal of lodging. If the harvest is to be saved properly a long spell of fine weather is required. At all the Masses, Clashmore Church on Sunday last, prayers were asked for favourable weather.

Interesting Items

U.S. CONGRESS AND PARTITION—The Congress of the United States of America is expected to have before it shortly a resolution which would give the people of Ireland should have the right to determine the form of government under which they desire to live and that the Republic of Ireland should embrace the entire territory of Ireland unless the clear majority of all of the people of Ireland in a free plebiscite determine and declare to the contrary. This resolution recently received the endorsement of the Foreign Affairs Committee of the House of Representatives and is now to go before the Rules Committee: well-informed observers believe that its passage through that committee on the floor of the house will be automatic and there is already a demand for a debate in the political circles in Washington as to its fate in Congress itself.
