Letter to the Editor

The Editor "Observer."

A Chara,

Please permit me space in your widely read newspaper to make public a matter of great interest and concern to cottagers generally. The County Council's Estimates Committee which met on March 28th comprising of Councillors Curran, Lannon, O'Monide and O'Dowd Flynn 204 Morrissey made a recommendation to the Council (Deputy Mayor dissenting) that "Cottage rents be revised so as to increase rents by £500 per annum" for 1955/56. This, it being stated was to encourage cottagers to purchase their cottages. The extra money was to go, it was stated, towards cottage repairs.

At the Council meeting held recently this recommendation was being executed by Mr. O'Connell. Mr. Curran, who was present, stated that the new school at Grange is practically completed, the old school would be ideal as a temporary depot. The Board agreed and the matter was left to the Secretary to make further inquiries.

West Waterford News

Classmate Waterworks—The announcement that the new "Classmate" waterworks scheme will commence in the near future will be welcomed by the people of the area. In addition to providing the village and surrounding districts with a plentiful supply of best quality water, the scheme will provide considerable employment.

Armour's Saverage Scheme—For the past few years the people of West Waterford have been eagerly looking forward to the provision of a new sewerage scheme. Direct reports outside the control of the local Public Health Authority, the scheme is still held up.

New Grange School—The construction of the new National School at Grange is well advanced. The new building is of a most modern design and will include all modern amenities. Its location is also ideal.

Garda Station to Close—It is understood that "our country" reasons, the Clonmore Garda Station will be closed in the course of the next few weeks. The decision to close this important station, situated as it is on an important highway, has caused considerable disappointment and resentment in the area. A strong protest was lodged with the Minister for Justice on behalf of the people of the sub-district.

Ring Concert—The Clonmore District Club presented a successful concert at Ring on Saturday night.

Waterford Board of Assistance

Mr. H. Gill, Chairman, presided at a special meeting of the Board on Monday last for the purpose of considering a Dispersary Replacement Programme.

Members present were Deputies Kennedy, Ormonde and Kyan, Messrs. H. Fitzpatrick, T. Gallagher, N. Walsh and C. Curran.

Mr. J. A. Hynes, Secretary; Mr. J. J. Glanville, Mrs. P. A. Croke and Mr. M. Phelan, were the officials present.

DISPENSARIES AND POPULATION FIGURES

The Secretary read a list of the various dispensaries in the County and the population figures for each dispensary area as follows—

Ardmore Dispensary (population 1180); Ballyduff (2929); Ballymacarthy (1579); Curranahar (4154); Cappoquin (2936); Clashmore (1697); Dungarvan (7677); Kilmactochas (3283); Kilmeehan (6281); Kishineen (684); Kilmore (2234); Portlaoise (1756); Rathmore (2350); Ringville (1423); Sekeane (278); St. Mary's (Clonmel) (873); Tallow (1870); Tramore (2094); Waterford New, 1 and 2 (814); (1898); Whitechurch (1823); Woodstown (2627); Waterford City No. (14405); Do. No. (14298).

The Secretary told Mr. Fitzpatrick that roughly 60 per cent of the population would now be dispensary patients.

The members discussed the question of more equitable distribution of areas (some dispensary areas being twice the size of others) and this matter was referred to the Co. M.G.H. and the doctors concerned.

The Board will then consider the question of more equitable distribution of areas (some dispensary areas being twice the size of others) and this matter was referred to the Co. M.G.H. and the doctors concerned.

KILLENAGH GARDAS STATION

Replying to the Board's request to the Board of Works re the leasing of the disused Kilmacarra Station for use as a dispensary, the Department of Public Works are stating that they would be advertising the building for sale in the near future.

The Board decided to make an offer when the property is advertised, the amount to be considered in Committee.

GRANGE DEPOT

Deputy Mayor said he had the question of a dispensary depot at Grange, to save particularly the old people from having to walk all the way to Ardmore.

Mr. Curran agreeing with the Deputy Mayor, said that the new school at Grange is practically completed, the old school would be ideal as a temporary depot.

The Board agreed and the matter was left to the Secretary to make further inquiries.

DEPUTY SOUGHT AT CHECKPOINT

Deputy Mayor said he had been approached regarding the question of a dispensary depot at Checkpoint where about 20 people have to travel every week to Passage.

The Secretary was directed to get the views of the doctor on the question.

GLENNVILLE HOUSE

The Secretary told Mr. Gallagher that there is still no word as yet from the purchase of Glennville House.

It was decided that the three Deputies approach the Minister on the matter.

We wish Mr. Carrick speedy recovery.

HOLIDAY-MAKERS RETURN

MR MICHAEL CARRICK and Francis Pranderson, New St., who went to L. over ten days ago, return Saturday last. During brief stay there, they enjoyed the Irish Club and were guests of honour.

MR SEAN MORRISSEY recently returned to L. after spending two weeks days at home after some 4 months' cruise with the Army Navy.

Mr. Morrissey stated he will not return to sea for months and has secured an important post in Ireland.

CARRICK POST OFFICE

In the course of about month, or so, the Carrick Office will be equipped with motor vans for the delivery of mail. They are secured garage premises Falls Lane, Castle Street.

A complete revision of the Carrick Office

CARRICK ON-SUIR JOTTINGS

FAVOURABLE PROGRESS

MR. MICHAEL CARROLL, Clerk of the Old I.R.A. Association in Carrick, is at present in Clonmel Hospital, and news from there states that he is progressing very favourably and will be back home again in a week's time.

We wish Mr. Carroll a very speedy recovery.

HOLIDAY-MARKERS RETURN

MESSRS. PAT NOLAN (Jr.), and Francis Prandergast, both of New St., who went to London, over ten days ago, returned on Saturday last. During their brief stay there, they attended at the Irish Club and were guests of honour.

MR. SEAN MORRISSEY, who recently returned to London, after spending two weeks' holidays at home after completing a 4 months' cruise with the Merchant Navy.

Mr. Morrissey states that he will not return to sea for some months and has already secured an important position in Ireland.

CARRICK POST OFFICE

IN the course of about one month, or so, the Carrick Post Office will be equipped with two motor vans for the delivery and dispatch of mails. They have secured garage premises at Halls Lane, Castle Street.

A complete revision and extension of the Carrick Post Office area was held this week, and Mr. Harnett, Postmaster, Waterford, and Chief Official, from Dublin attended at Carrick for this purpose. Mr. Harnett, who is Postmaster in Waterford City, formerly resided in Carrick, for some years.

CARRICK-MAYO WEDDING

IN LONDON

THE marriage took place in London, of Mr. Michael Kerwick, son of Mr. and Mrs. M. Kerwick, now residing in Carrick, and formerly of Ball Alley Lane, and Miss Angela McLinskey, of Co. Mayo.

After the marriage ceremony, a reception was held, and a large number of Carrick and Mayo guests were present. Mr. Kerwick, who is 22 years old, left Carrick over 4 years ago for London. He had resided with his grandparents, Mr. and Mrs. P. Kerwick, Ball Alley Lane, prior to his going to England. He was one of the most popular and well-liked young men in the town and was, for some years, assistant operator at the Castle Cinema.

His bride comes from one of the most prominent and respected families in Co. Mayo, where she was most popular.

We wish the happy couple many long years of wedded bliss.

FIRE

A FIRE occurred, last week, at the premises of the National Bank, Main Street. It was noticed at about 3.15 a.m. The fire alarm at the Town Hall was sounded and members of the Brigade were promptly on the scene and, with the help of local neighbours, the fire was put out before any serious damage was caused.

FATAL BURNS

A VERY sad given was cast over the village of Grange-mockler and surrounding districts, on Sunday last, when it became known that an old blind pensioner had lost his life in a fire which occurred in the early hours of that morning.

The old man, who was very popular in the district, used an out-house as sleeping quarters, in Ellenahaven, Grangemockler, and, while he was in bed, the fire started and he was unable to get to safety.

We wish to express our deepest sympathy with his relatives.

The Carrick and Clonmel Fire Brigades arrived and were unable to come within the flames which had taken too much root. The Brigades worked very hard to prevent it spreading.

FIRST HOLY COMMUNION

ON Thursday of this week (Ascension Thursday), hundreds of children made their First Holy Communion, and all were very beautifully dressed. It was magnificent, as the little boys, dressed in white with red ties, and the girls, with white

frocks and veils, approached the Altar Rails to receive their First Holy Communion.

DEATH OF MRS. DALY, RATHGORMACK

THE death took place, at her residence, Park, Rathgormack, of Mrs. Ellen Daly. Deceased lady was one of the most widely-known personalities in Co. Waterford, and was most popular and highly respected and, by her death, is a great loss to her husband, sons and daughters, and a large circle of friends.

She was known as a most kindly and religious lady. She was mother of Mr. Sean Daly, a member of the staff of O.K. Garage, and Sub-Chief Ranger of the Irish National Foresters who was a noted footballer some years ago.

She was also mother of Mr. Paddy Daly, a member of the staff of Plunder and Pollak, and also a noted footballer, some years ago.

The remains were removed to Rathgormack Church and the burial took place in the adjoining cemetery, after Office and High Mass.

The chief mourners were—Mr. Patrick Daly (husband); Messrs. Edmund, Patrick, and Sean Daly (sons); Mrs. P. Hunt, Mrs. R. Hunt, Miss A. Daly, and Miss E. Daly (daughters); Mrs. M. Halpin (sister).

To her husband, sons, daughters and sisters, we offer our deepest sympathy. (R.I.P.).

OLD I.R.A.

Word received from Mrs. Ryan (Dublin), states that they are informed by Gen. Sean Mac Eoin, Minister for Defence, that he intends introducing the Bill for all rejected Old I.R.A. men, after the Budget. The former Minister, Mr. Oscar Traynor, has also informed her that his Party will put down a question in the Dail as to when this Bill will be introduced.

The people of Carrick and districts are asked to support the Drawing of Prizes which is being held in July in aid of the Carrick Branch, Old I.R.A. All Old I.R.A. men, etc., are asked to get in touch with the local Secretary, Mr. Jerry Lynch, as to any of their outstanding claims.

NEW HOUSES

THE 16 new houses, in Marian Avenue, are now nearing completion and will be ready for occupation by the middle of June.

RECENT PRESS REPORTS

THERE is no need to pass any comment on recent Press reports about alleged rows at Carrick Ormonde Hall dances, and the statement about the town itself being notorious for those rows, etc. Carrick, and the people of Carrick, have every reason to be proud of the town, and all the inhabitants, as they are considered far and near, to be the most homely and kindly in Ireland.

As regards the Ormonde Hall, it has established itself as the most beautiful in Ireland, and all who ever attended dances there had nothing but the highest of praise for the orderly manner in which it is conducted. I have spoken to old natives of the town, and also to some who came to the town and settled down there, and they all assured me that they never saw anything wrong, and strongly condemned recent newspaper headlines as to the town and its people.

DEATH OF MR. THOMAS TERRY, BROWNSWOOD

THE death took place at his residence, Brownswood, of Mr. Thomas Terry (formerly of Rathgormack).

A very sad feature was that deceased was in a Dublin Hospital, and was on his way home, when he became ill and died on the way. He was a most unassuming man and was very popular. The remains were removed to the Parish Church, Carrickbeg, and the burial took place at Rathgormack after Office and High Mass.

The funeral was of huge dimensions which testified to the esteem in which he was held in Carrick and Co. Waterford.

To his widow and family, we offer our deepest sympathy. (R.I.P.).

MEDAL FOUND—THANKS

Carrick Personality Parade

MR. JACK TORPEY (OLD I.R.A.)

ARD MEUIRE, CARRICK.

JACK (or "Sugar," as he is more familiarly known), comes from an old stock of Carrick boatmen and fishermen. The Torpey family of Carrick have a record second to none in the Fight for Irish Freedom. Jack, himself, was attached to No. 1 Section, A Coy, and was very active. On one occasion, while he was in bed, the military raided his home, and one of the party fired at him in the bed. As a result of the wound he received, he was out of employment for over 12 months, and although he made several applications for compensation, all our Irish Governments have turned him down. His brothers, Tommy, and Frank, were also members of the I.R.A. It is a credit to this family that they have three I.R.A. service medals.

"Sugar" was also a member of the old Carrick Boat Club and was a member of the maiden four that swept all before them in Ireland, over 25 years ago.

He is one of the leading net fishermen in the town. He is a member of the Committee of the local Old I.R.A. Association. He is one of the most upright and straight-forward men in the town, and has a kind word for all.

The chief mourners were—Mr. Patrick Daly (husband); Messrs. Edmund, Patrick, and Sean Daly (sons); Mrs. P. Hunt, Mrs. R. Hunt, Miss A. Daly, and Miss E. Daly (daughters); Mrs. M. Halpin (sister).

To her husband, sons, daughters and sisters, we offer our deepest sympathy. (R.I.P.).

same back. It was handed in at the Garda Station, Kilsheehan, and they got in touch with the Carrick Gardai, and Mr. Walsh was informed of his medal being found. He wishes to return his most sincere thanks to the person who found and handed up the medal; and the Gardai at Kilsheehan and Carrick Gardai, but not least, to the "Dungarvan Observer," the only paper in which the appeal for the lost medal was published.

WON £5

AT the drawing of prizes, held at Touraneena, on Sunday last, under the auspices of the Touraneena Handball Club, the first prize of £5 was won by Mrs. Annie Park, Cahernaleague.

KILBRIEN DEFEAT BRICKEY RANGERS AS the mists sweeping down from the Comeragh enveloped the countryside of Kilbrien, on Friday evening of last week, few anticipated that the camogie game, Kilbrien v. Brickey Rangers could be played. A pretty large crowd collected at the Kilbrien venue for the event and, to the cry of: "Here they come," the Brickey Rangers ladies, accompanied by officials and supporters, arrived by bus and car. The start of the game was not long delayed when Mr. Paddy Ryan, Kilbrien, who had charge of the whistle, soon had the team on the move. From the outset, Kilbrien, who had a vastly improved and strengthened side from the one beaten by the Brickeys, some time ago, hurled with much confidence and, it was evident, that their recent victory over Kilrossanty was no "flash in the pan."

The advantage of a home venue, and some local vocal support, had its advantages for the home team, Hurling was of a high standard, and Brickey Rangers pressed from the start but the Kilbrien defence was of the stone-wall variety, and some very fine saves in goal, by Miss Dunford received much applause. In this half, some mid-field duels between Miss E. Walsh (Kilbrien), and Miss M. McGrath (Brickeys), were the highlights of the evening, whilst Miss Tess O'Meara was outstanding for Kilbrien. The interval led to L.F. to all, for the Brickeys, did not flatter the visitors. On the change over, the pace increased when some spectacular hurling was in evidence between one of the Brickeys stars, Miss Gerie Flynn, and Miss Mary Coffey, Kilbrien. Having gained advantage, at this half, play was not long in progress when Kilbrien had the equaliser. It was won by M. Dunne from a big field of competitors. The Committee of this Club has several races fixed for the coming Summer and the members of the Club are showing remarkable interest.

BAND PRACTICES

THE Carrick-on-Suir Brass and Reed Band are having special practices every Tuesday night, from 8.30 p.m. to 9.30 p.m., in preparation for the coming May Processions, and the Sacred Heart Processions in June.

SILVER CIRCLE DRAW

AT all the Masses in the Parish Church, on Sunday last, an appeal was made to the people to support to the fullest, the forthcoming Silver Circle Draw which will be held in aid of the Church and Schools.

ONE-WAY TRAFFIC

AT the Fraher Field, Dungarvan, on Sunday last, it was all one-way traffic in the first round of the Munster Minor football championship, Kerry v. Waterford. Playing with a strong breeze in the first half, Waterford, despite some good individual players were not impressive and the interval score of Kerry, 1-5; Waterford, 0-1, told its own tale. On the change-over, Waterford were seen to better advantage and added 1-2. Kerry, more or less, had the game well in hand all through, and the interval score, Kerry, 3-4; Waterford, 1-5, was a pretty accurate indication of the run of the play. The attendance was on the small side and many spectators were of the opinion that some infringements were not caught the eye of the referee.

At all times and in all ways, a typically generous Irishwoman, her passing will be deeply regretted by those earnest and sincere friends of hers who appreciated her for true worth, and who will always reverse the memory of her natural simplicity.

To her bereaved nephews and nieces, sympathy is tendered on their irreparable loss.

The remains, accompanied by a large and representative cortege of sympathisers, were removed to St. Mary's Church, Touraneena, on Monday last, and the coffin was received and blessed by Very Rev. Fr. Walsh, P.P. On Tuesday, following Requiem Office and High Mass, interment took place in the adjoining cemetery.

Funeral arrangements by Jas. Kieley and Sons, Undertakers, Shandon, Dungarvan.

THE BIG TOP

THE Big Top, with its gaily covered wagons, and caravans, has come and gone. What an appeal the sawdust ring holds for young and old. The bright lights, the midge ponies, the walking horses, the performing dogs, the acrobats from other nations, feats of strength, of balance, of poise, the performing clowns, lions, monkeys, and numerous acts of lesser importance thrill the audience, and before the last act is completed, down comes the tent side and, in a short time, all is set for the road again, and the show goes on.

STOCK SLUMPS

AT Cappoquin, on Sunday last, Fourmilewater's hurling stock slumped a bit when they were beaten by Cappoquin in a senior hurling challenge game.

RECEIVED INTO MEDICAL MISSIONARY ORDER

RIGHT REV. MONSIGNOR J. F. STOKES, P.P., V.G., St. Peter's, Drogheda, presided at the Reception Ceremony, at Drogheda, at which ten Postulants were received into the Order of the Medical Missionaries of Mary. Also present at the Altar were Mother Mary Martin, Superior-General of the Order.

The Postulants included that highly-idealised Abbess, young lady, Miss Mary Kyne (Sister Mary Garvan), oldest daughter of Aid, T. A. Kyne, T.D., and Mrs. Kyne, Abbeyside. Held in high esteem by her pupils and teachers in Abbeyside and Dungarvan, we now avail of the opportunity of extending to Sister Mary Garvan our very best wishes for her future happiness in her Sacred calling.

SEEN, HEARD AND NOTED

WE are reminded of "The Harp that once through Tara's Halls," when we say gone are the days, when the residents of Touraneena and district were treated to some grand musical selections from the Touraneena File and Drum Bands, of which the Parish boasted no less than two.

What a pleasure it used to be to assemble at social and sporting gatherings and follow the band which stirred the hearts of all music lovers, thus reminding us of the adage: "Music hath charms."

However, all hope is not lost, as we understand most of the instruments are still intact, thus awaiting the coming of a future generation to again beat the big drum and restore the Parish to its former pedestal in the musical world, by being one of the few parishes in rural Ireland to cater for two bands.

The coming clash, in camogie, Kilbrien v. Ballinamult, is awaited with much interest.

We note absentee from the last meeting of the Waterford Co. Council as regards members. Maybe they had reasonable excuses and maybe they had not.

Why not make the amount of Co. Council officials' salaries available to the ordinary ratepayer, including travelling expenses?

Tom O'Flynn and Dave Halley contributed much to the success of Newcastle in their recent championship game. Both are much esteemed personalities in the Ballinamult area.

J. Power, Biontis, Ballinamult, was a prominent minor who was sound in defence on the Waterford side, on Sunday last. He that lives not with Charity, dies without it.

YOUGHAL NEWS

DESTRUCTION OF SALMON FRY

FROM reports to hand there would appear to be untold destruction of salmon fry taking place in Youghal Harbour and Bay for the past week or more. Early this week a local fisherman, James Delaney, caught a 6 or 7lb. pollock in his nets and opening the fish found that it contained three fully developed salmon fry 6 inches in length. Mr. Delaney is not one hundred per cent in favour of the artificial propagation of salmon due to the fact that they are released in such large numbers until it is almost impossible for them to escape the many fish predators in both the fresh and tidal waters. He informed our correspondent that this week he had seen in Youghal Bay banks of salmon fry being schooled like sprats to the top of the water where they were being picked up by flocks of gulls. Mr. Delaney was of the opinion that if the fry were released in much smaller numbers they would have a better chance of escape. It is a well known fact that pollock, bass and cormorants are the chief offenders and seemingly there is little or no remedy to protect the fry. This season the Blackwater Hatchery Committee, who operate the Salmon Hatchery at Mallon, liberated well over a million salmon fry and it is indeed a pity that they cannot be protected on their journey to the sea.

MEDICAL APPOINTMENT

Dr. M. J. Collins, who has been appointed Assistant County M.O.H., County Cork, is son of Mr. and Mrs. Curs, Collins, Ardcarraig, Upper Strand, Youghal. Dr. Collins received his early education in St. Coleman's College, Fermoy, and subsequently at U.C.C., where he was graduated. He served with the RAF in World War II as medical officer and after the war he served as assistant medical officer in Doncaster, England. Prior to his present appointment he pursued an additional medical course at the Rotunda Hospital, Dublin.

CERTIFICATE OF MERIT

WE are pleased to report that Mr. P. S. Rohan, of South Main Street, Youghal, who recently attended the "Cater" Gas Training Centre, in Dublin, has succeeded in passing the Technical Course, and has been awarded a Certificate of Merit. The object of the Course, is to give "Cater" Gas consumers, and staffs, all over the country, the fullest possible technical knowledge to enable them to give a high standard of "after-sales service" to consumers. Congratulations to Mr. Rohan on his achievement.

LATE MRS. ANASTASIA REA

Deep regret was felt at the announcement of the death of Mrs. Anastasia Rea, Sarfield's Terrace, Youghal, which sad event took place at the early age of 25 years at a Cork Hospital on Monday week last.

YOUGHAL HARBOUR COMMISSIONERS

At a special meeting of the above Senator O'Gorman, Chairman, presided.

The Chairman said that we are here to consider the position of the schooner "James Postlewaite" which since she finished her film career as "Devil Dam" in Moby Dick some two years ago, has been a source of worry and much expense to the Harbour Board as the owner has failed to keep the ship adequately and safely moored, as a result of which the Harbour Board had to accept the responsibility of doing so in the interests of users of the harbour.

In reply to Mr. Lynch, the Secretary said that the amount due to the Board by the owner Mr. O'Connor, which is exclusive of legal expenses is £85.

Mr. Lawlor said that this ship has been roaming the harbour at will during the winter months and as well as being a danger to harbour users has caused much damage to the quays.

Finally Mr. Lawlor proposed and Mr. Hickey seconded that the Board instruct their Law Adviser to take immediate steps to collect from the owner the amount due to the Harbour Board to date.

Tom O'Flynn and Dave Halley contributed much to the success of Newcastle in their recent championship game. Both are much esteemed personalities in the Ballinamult area.

J. Power, Biontis, Ballinamult, was a prominent minor who was sound in defence on the Waterford side, on Sunday last. He that lives not with Charity, dies without it.

When your cows don't go in calf—

SHORTAGE OF PHOSPHATE in their food may be one of the causes; it occurs frequently. If they chew RAGS and BONES, if they are in POOR CONDITION, it is most likely due to SHORTAGE OF PHOSPHATE. Overcome this by applying PHOSPHATIC MANURE to the land they graze or by giving them an APPROVED MINERAL MIXTURE for CATTLE.

Phosphate means MORE CALVES, MORE MILK, MORE PROFIT.

LIGHTS ON VEHICLES Guard Giblin charged John Power, Durrow, with using an unlighted cycle, fined 3/6; same v. Vincent Glavin, Carriglea, 3/6; Guard P. Dunne, Dungarvan v. Thomas Kieley, Sarsfield Street, light and reflector, 5/-.

DRIVER'S LICENCE Guard Mulcaire charged Paul Doherty, Whitechurch, Cappagh, with driving without a driving licence, fined 2/6.

CYCLIST AND CAR IN COLLISION A collision between a car driven by Richard Dunphy, Mount Alvernia, Malinow, and a bicycle ridden by Patrick Perie, Bellehane, Kilsantony, at Kilsheen, Pike, on the night of February 5th last, had a sequel when both were summoned under the Road Traffic Act by Supt. Flanagan, who explained that the accident occurred on the main Dungarvan-Waterford road about five miles from Dungarvan.

The motorist was at the time ascending the left hand side of the road when the cyclist was riding on the right hand side of the road. The cyclist was riding on the right hand side of the road when the motorist was ascending the left hand side of the road. The cyclist was riding on the right hand side of the road when the motorist was ascending the left hand side of the road.

The Justice dismissed the case against Mr. Dunphy and fined Portle 10/-.

BOYS CHARGED For the larceny of aluminium valued at £1 from the premises of the Dungarvan Technical School, two young boys who have since paid the amount he owed them were given the benefit of the Probation of Offenders Act and warned by the Justice as to their future behaviour.

Another young lad charged with the larceny of finding of a purse containing £4 was also given the benefit of the P.O.A.

Literary Club Dinner - The Committee of the Literary Club have been organising many new activities recently and not least among them is the revival of their annual dance. Many with names of pleasure when this dance was an annual event to be looked forward to. The fact that it has lapsed for a few years will make its revival all the more welcome. The present Committee are keeping up the tradition of the Club in sparing no effort or expense to make their dance a success. Typical of this is their choice of a band, the Del Rio Orchestra has been playing in Dublin Olympic and Crystal ballrooms and is one of the most popular combinations in Dublin. They have not neglected the South before and are looking forward to the opportunity.

The Band includes such well known names as Walter Edgar, Jim Doherty, and other well known names. The dance will be held at the Del Rio, Malinow, on Saturday night, May 13th.

Witness thought if the cyclist kept on his own side the cyclist would have been killed. Witness remained with the injured man and Mr. Dunphy went for the priest, doctor and Guards.

To Mr. Farrell - The cyclists were coming down the hill fairly fast. If the motorist did not swerve to the right the cyclist could have been killed. The cyclist was not pitched off, he continued on the bicycle past the car and then fell off.

The witness was cross-examined by Mr. King.

Mr. Patrick Flynn said he was in company with Mr. Portle on 5th February. They were in a public house up to 7 o'clock. They then went into Mrs. Guiry's which they left about 9.45 pm. Witness was accompanied by Mr. Barron and Mr. Portle; all of them had lights. After travelling about a quarter of a mile witness who was leading, saw the lights of the car about 60 yards away and thought it was well on its own side. He was not dazzled by the car lights. Mr. Portle was seven to eight yards cycling behind witness. When witness heard the crash he came back, took the bicycle from the centre of the road and left it against the fence. Mr. Portle was lying on his back and was unconscious on the wrong side of the road. The witness was cross-examined by Mr. Farrell, 20/-.

To Mr. King - Witness said Mr. Portle had no sign of drink on him.

Mr. King - In fact you could say he was as sober as a judge? Witness - Yes.

Mr. E. Dunphy said the car he owned is a 1949 Anglia and he is driving since 1938. Witness saw the cyclist approaching from about 60 yards with his own side and in single file. Witness was on his own side; two of the cyclists passed and the third was about 15/20 yards off. When about 10 yards away the cyclist swerved straight across the road. Witness swerved, as if he kept straight or more to the left, he would have killed the cyclist.

Good News for Ballymacarrey Rural Area - We have received copies of a letter recently addressed to Deputy Sean O'Riada by Mr. E. C. Enright, District Engineer, ESB.

Dear Sir - I desire to inform you that the Ballymacarrey Rural Area has been selected for development under the Rural Electrification Scheme. It is expected that construction work will commence in the course of the next few weeks.

unlookers by returning a score of 89 points out of a possible 75 to win the individual prize. Sgt. Richie Walsh with a score of 64 points was placed 2nd in the individual prize. The average score of the winning team was 59 pts. This being the first competition of the present year is a very good omen for the Battalion, veterans competitions.

The Command, Shooting Competition which is held a few weeks away can be seen by a party of 20 in the field. The practice, rapid and map, is still in its early stages as to when these will take place. Platoon members are especially welcome to take part in these shoots as the more practice the Platoon gets the better will be the results in the platoon competition.

SCOUT NOTES

Troop Meeting -

Somebody forgot to put the flag in position at this Troop Meeting on Saturday night. We had a quiz by numbers which gave quite a lot of information but all of it not correct. There followed an item which looked simple enough. Certain Scouts from each Troop were told to march one at a time around the Den following orders to turn right or left or about, at different marked spots on the floor. Some traps still have doubts about left and right feet and take turns as they would on bikes or scooters. Even a member of the crack Melvin Patrol fumbled and maybe he did not like showing off what he could do. Second Class Badges 'tickets for the journey to 1st Class' were presented to Scouts John Regan of the Wolfhound Patrol and Pat Langan of the Tiger Patrol. Then came a bit of a song practice - the Troop Song 'Land getting special attention.

And Then - After that the COE meeting was held and some of the absent ones - those who had renounced excuses - were to turn up. Burke and Squad must have decided they had not reasonable excuses and stayed away. Added on to the usual business a discussion about the team for the next Farrell Cup competition took place and a provisional team was selected. We have about 38 to pick the team of eight from, so we ought to be able to get a good team. At the end of business Foxy and Gerard arrived in and some old snags of our last camp at Rathfriland were taken. The year is uncertain but perhaps it is 'the year of Oscar' with 'Tring to the minds of chaps like T. Whelan, Nedger Mull and P. Arrigan.

Whit Camp - All preparations are now ready for EL Fintars Melvin Patrol week-end training camp at Stradbally. A kind land owner there gave them a choice of sites when they visited Stradbally on Sunday last. The only thing Paddy does not like about it is the 'training part' but it will only cost them 400/- to train for Summer Camp.

Band - The Band led the Abeyside team to their match at Killeagh on Sunday last and they had a good day and played well. If we had a few more Flugs and Poles we could have got fellows to carry them. Burke went along as an extra standard bearer or for some other reason.

Who's News - Dyea is still busy as a bee fixing up the Committee Rooms and with the help of Jerry is making a neat job of it. However, it is a pity that Dyea would not mind a little competition from our other carpenter who got his Merit Badge for carpentry not so long ago. Nollet may not be able to get a trip to his own canoe but he got a trip to one of the other events. We are not sure if he can swim but anyway Austeen can and we are sure he would not be a feller to have a 'drop in the ocean'.

FISHERY CONSERVATORS MEETING

BOARD OPPOSED TO USE OF THREADLINES

At a monthly meeting of the Board of Conservators for the Lismore District, held at Tallow, on Thursday last week, there attended Mr. R. G. Annesley (Chairman), presiding; Miss Montgomery, Brig. Jephson, Col. Silcock, Capt. Black, Capt. Clayton, Major Maxwell, Messrs. M. Greehey, E. P. Lynch, J. Healy, W. O'Neill, Inspector Wolfe, and Joseph Power (Clerk).

Two memorial questionnaires were received from the Department of Fisheries concerning prosecutions at Rathfriland District Court at which William O'Shea was fined £10, and £2-2-0 costs, for the unlawful possession of a gaff and Laurence Murphy was fined £5 with £2-2-0 costs and 5/- expenses for the former by reduced to £3 as the defendant was of very poor intelligence. The Clerk was instructed to complete the questionnaires accordingly.

It was decided that the matter of the use of thread lines for trout be brought to the notice of the various angling clubs in the district, pointing out that the Board was opposed to this form of fishing and requesting that Club members be urged not to use thread lines.

The report of Inspector Wolfe stated since last meeting fishing in the district showed very little improvement on the previous month. The total catch for the month of March were: 1293 salmon weighing 13,081 lbs. taken by nets, 174 weighing 1770 lbs. by weirs and 361 weighing 3864 lbs. taken by rods making a total of 1829 salmon weighing 17,715 lbs. the average weight of all salmon caught was 10.29 lbs. The total number of sea trout taken for the month was 74 weighing 142 lbs. being an exceptional large number for so early in the year. During the month he performed the usual tour of duty both night and day and was pleased to report that two isolated cases there were very little sign of poaching in the district. On April 17th, accompanied by the Asst. Inspector, Head Waterkeeper Ellis and Waterkeeper D. Walsh and two members of the Garda he carried out an extensive search of Ballycotton Bay in the course of which they located and seized two fixed engines anchored in the Bay measuring 220 yards and 160 yards. The usual order for forfeiture was sought and sent to Youghal District Court on April 20th. On the morning of the 23rd he carried out a like raid in Ardmore without result. Head Waterkeeper Ellis and Keeper Walsh while on patrol sprayer seized three fixed engines of a total length of 89 yards and Waterkeepers McGrath and Geary seized another fixed engine of 30 yards at Camphire. The launch is performing the usual weekend patrols of the river.

Messrs. J. L. Keane, Solicitors to the Board, stated that based on the evidence of Sgt. J. Leary, of Cappagh Station, the following fines were imposed at Cappoquin Court on March 22: Thomas Greany, Davis Street, Dungarvan, prosecuted for possession of 34 trout during the close season was fined £3 with 4/- per fish and £2-2-0 costs; Michael Sandford, Connolly St. Dungarvan, on a like charge of 11 trout, was fined £2 with 8/- per fish and £2-2-0 costs; Ed. and Edward Conners, Derry Lower, Cappagh, on a like charge of 5 trout was fined £2 with 1/- per fish and £2-2-0 costs. As the defendants were under the impression that the trout season opened on February 1st and not the 15th, the Board decided that the rods and gear seized from these men be returned and the Clerk was directed to so instruct Sergeant Deasy, G.S.

The Clerk informed the Board that with the exception of an acknowledgment from the Department he did not hear anything definite regarding the £600 grant as set out in the Financial Estimate for 1955/56. It was decided to write the Department again on the matter. A letter was read from the Department of Fisheries acknowledging receipt of the Board's communication regarding the completion of the plans for the proposed fish pass at Castletownroche Weir.

The Secretary, Northern Committee Cork Co. Council wrote the alleged dumping of refuse in the river below Clonmen Castle and enclosing copy of report of the Deputy Co. Engineer that there was no evidence of the dumping of any trade waste or of any refuse into the water blow the Castle and requesting fuller information as to the exact location; also the nature of the materials said to have been dumped. In this matter a letter was read from Col. Grehan that he was visited by a representative of the County M.O.H. who had seen two car bodies and smaller items of scrap iron in the river and suggested that the owner be warned to cease this obnoxious practice. A letter was read from the Department enclosing paying order for £15 being one-third of the total amount expended in the year 1954/55 in the destruction of fish predators.

Striking references were paid to the memory of the late Dr. Thomas Kennedy, M.O.H., of Youghal, and brother of Mr. John Kennedy, Tallow Street, Youghal, who was for a great number of years Chairman of the Board of Conservators.

A letter was read from the members of Dr. Kennedy's family and also his brother in their great loss. The Clerk on behalf of the officers of the Board expressed his sympathy with the Board's appreciation of sympathy.

Sanctions to appointments made for the current season were received from the Department of Fisheries.

The next meeting of the Board will be held at Lismore on Thursday May 24th next at 2.30 pm.

At a monthly meeting of the Blackwater Hatchery Committee under the Chairmanship of Mr. J. C. Annesley, a letter was read from the Department of Fisheries enclosing a paying order for £50 grant towards the expense of operating the hatchery for the current year.

The next meeting of the Board will be held at Lismore on Thursday May 24th next at 2.30 pm.

The Chairman presented a sum of £10 received by him from Mr. H. D. Sherwood, of the remains, Ballyhooley, and the same was directed to acknowledge same with thanks.

A letter was read from the Secretary, Salmon Research Trust of Ireland Incorporated regarding the life history of research into the life history of trout and sea trout.

A letter was read from the Secretary, Inland Fisheries Trust regretting having overlooked informing the Committee of the plans for Glenbowe Lake and fens the water in the lake remained permanently impounded the 5th being washed in by a fresh stream has continued to accumulate and the upper end of the lake became very shallow and badly wedged. It is proposed to remove a good deal of the silt and to clean up generally. The sluices will be repaired and operated periodically so as to provide a turn over of water to keep silt from accumulating. The trout which went 30/4 from the lake after the sluices were lifted were repaired and operated periodically so as to provide a turn over of water to keep silt from accumulating. FRESHER AND CLEANER EGGS

Large sums of money are lost each year to poultry-keepers by selling stale and soiled eggs. Losses can be avoided and better prices made if producers will adopt the following precautions.

- 1 DO NOT OVMHOLD EGGS. Eggs should not be kept longer than three days after being laid. During that time they should be stored in a COOL, DRY place.
- 2 DO NOT WASH OR STEEP EGGS. A washed egg will not keep. Soiled eggs should be cleaned with a damp (but not wet) cloth.
- 3 PROVIDE CLEAN NESTS AND KEEP THEM APPROACHES TO THE NESTS CLEAN.
- 4 DO NOT SELL EGGS WHICH HAVE BEEN LAID ON GRASS OR IN HEDGES OR FENCES.
- 5 DO NOT SELL SMALL MIS-SHAPEN OR CRACKED EGGS.

It should be carefully noted that producers who sell stale or dirty eggs are liable to prosecution. (Issued by the Department of Agriculture)

LOCAL HAPPENINGS

ACKNOWLEDGMENT of Mary Goffin, we mean, has now been completed by Fr. O'Rogan, which will soon be broadcast. He was also written the script for the Saint, John of God Nursing Sisters' vocation film. Needless to say, those of us in this office, who remember Fr. O'Rogan since his apprenticeship days, are delighted to learn of his literary success as well as his host of friends in Dungarvan and throughout the County.

Novel tournament pairings Abbeyside and Mount Sion visit New Ross

THE prestige of Waterford hurling will be at stake on Sunday next when Abbeyside accompany Mount Sion to New Ross where the full-length tournament sponsored by the O'Kennedy Park committee brings the Deise representatives and the home county's Geraldine-O'hanrahans and Rathnure St. Anne's, the champions, into opposition. The clash of the respective title holders is, without doubt, the tit-bit of the tourney, but Abbeyside-O'hanrahans pairing who are making their initial excursion into Slaney territory, will be battling for inter-county recognition, less little of its appeal by comparison with the major encounter.

The quality of the prizes, too, has enticed out the leading lights of the game in the South-East, for, in addition to Sunday's contestants, Kilkenny champions Bernabrook, the Cork title holders, St. Finbarr's and former Wexford champions St. Athan's (Banshorough) are included in the field.

So great is the interest being displayed that the promoters have decided to run a special excursion train from Dungarvan to facilitate patrons anxious to see the hurling merchants of the Deise and Model counties test strength.

TRAVELLING IN FORCE.

Local fans—and they are reputed to be travelling in force

—will pay particular heed to Abbeyside's performance. The Village side displayed every promise of living up to their customary high standard when failing narrowly to Carrigrohilly on Sunday last and at Killeagh on their return. They have again found touch with their hurleys, followers will be satisfied with nothing short of a top-notch performance.

Men like Austin Flynn, Liam O'Dea, Noel McGovern, John Hogan, Paddy Browne, Johnny O'Connor and the Whelans are of one mind when it comes to naming the 1956 champions.

Abbeyside folk to a man maintain that it was the detection of full-forward Paddy Browne that thwarted their title aspirations a year ago. But equally adamant that this will be their year. And the consensus of opinion is that if Mount Sion are to be dethroned the wearers of the saffron and blue are the side most likely to bring about their downfall.

In such a mood and knowing well that defeat could do their prospects untold harm they will face the Croppies. Their opponents, led by Mick Morrissey, left half-back on the Wexford All-Ireland team, are reputed to be a formidable side, but should the Village hit on one of their best days, their advance is not unlikely.

UP AGAINST IT

Mount Sion, long a force in such competitions, will be up against it when they face a Rathnure side powered by the Rackard brothers and Jim English. With the county riding the crest of the wave at the moment Slaney men will look to their champions to continue their winning run.

The advent of Rathnure to hurling greatness has been synonymous with the rise of Wexford as a power in the land. Their initial triumph in 1948 paved the way and a second victory in 1950 heralded the "arrival" of

Kerry oust Waterford

Kerry, 3-9; Waterford, 1-3 FOR the second successive year, Kerry minor footballers found Waterford easy prey when, at the Frusher field, Dungarvan, on Sunday last, they were rarely troubled to record a facile 3-9 to 1-3 victory. As a result the Kingdom becomes the first Munster finalist of the year.

From the throw-in, Kerry established their superiority. After gaining an interval advantage of 1-6 to 0-0 they were content to sit on their oars but a Kelly penalty goal given the visitors stout opposition. In Waterford recovery, they came again to consolidate their superiority.

Yet, by Kerry standards, they were not great. The home side's shortcomings, however, were far too conspicuous to reveal any definite defects. It is possible, of course, that the visitors would have attained far greater heights had the opposition been forthcoming.

The Waterford boys displayed a pathetic lack of understanding, reasonable fault, one might concede, seeing that it was their first outing together.

Far and away the most industrious man on the team was Noel Kirwan, yet another member of the noted Kilrossanty football family. But Kirwan was alone among the home forwards in presenting the winners rearguard with any worthwhile problems.

Goalman Spain could not be faulted, while Bermingham, O'Brien, Mahony, Kennedy and Gallagher were others to merit praise. Kerry marksmen were Murphy (0-3); Griffin (0-4); McCarthy (2-1) and McCarthy (1-1). Kelly (1-0), Kirwan (0-2) and McCarthy (0-1) recorded the home side's total.

MINOR HURLERS TO MEET

KERRY

ALTHOUGH a series of trial games have given little cause for optimism, Waterford minor hurlers should prove too well armed for Kerry whom they oppose in the opening round of the Munster championship at Austin Stack Park, Tralee, on Sunday next.

By the standard, our minors have set over the past decade, the present bunch is reckoned a poor side, but, if only on the score of their superior record in the competition, critics will be prone to anticipate a comfortable victory over the inexperienced Kingdom boys.

FEIS GAMES

Cappoquin and Geraldines triumph

Cappoquin and Geraldines respectively ran out winners of the annual hurling matches played in conjunction with Feis Ceapach Chuiain at the Cornerstone venue on Sunday last. The hurlers had a couple of goals to spare over Fourmilewater, while the Aghish men again proved superior to Affane.

Pike objection overruled

The Pike objection to the awarding of the Junior football championship to Stradbally was overruled at a meeting of the Western Board fixtures and objections committee held in the CYMS Rooms, Dungarvan, on Tuesday evening.

The objection alleged that the inclusion of Paul Webber rendered the Stradbally team illegal. On enquiry our correspondent was informed that the Board ruled that the Reds were quite in order in playing Webber.

Mount Sion defeat Dungarvan

Mount Sion and Dungarvan served up an entertaining exhibition of hurling at Waterford on Tuesday evening, the City men emerging good winners after a strenuous hour. The Blues, who certainly appear to mean business this year, however, gave what was easily their best hurling performance in a long time.

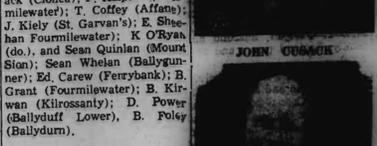

Abbeyside v. Kilrossanty match off

The Abbeyside-Kilrossanty junior hurling match arranged for the Frusher Field on Wednesday evening last was again postponed. This game which was originally put back at the request of the Kilrossanty Club, was called off on this occasion due to the illness of several players. The match was arranged for the week ending May 14th but was cancelled on Saturday.

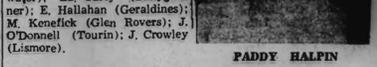

JUNIOR HURLING CHAMPIONSHIP Waterford team to oppose Clare

The following teams have been selected to represent Waterford in the Munster junior hurling championship at Ennis on May 29th.

J. Cressagh (Ballyduff Lower); J. Hallahan (Geraldines); J. Cusack (Clonca); P. Halpin (Fourmilewater); T. Coffey (Affane); J. Kiely (St. Garvan's); E. Sheehan (Fourmilewater); K. NICKY RACKARD recalls the greatest hurlers he has met

Whenever hurling is talked of the name of Nicky Rackard is known and honoured. Now, in the Rackard Story, which commences in the IRISH PRESS on Monday next Nicky himself recalls the great hurlers he played in and the great hurlers he met. He remembers with pride having played against those named as the greatest of the game, Mick Mackey and Jackie Power; he has a host of memories of great Tipperary stars, starting with the famed Tommy Treacy and he recalls many a clash with the men of Clare.

John Keane of Waterford gets special mention, too, as for the Cork men there is no need to say that they have played a big part in his career ever since he played in the Leinster Colleges team with dynamic Eamonn Young from Dunmanway.

Galway too gets its place in the Rackard Story, for the men of the West have entered largely into the story of Wexford hurling in recent years.

But there is more to the Rackard Story than a chronicle of great games and great players. Nicky Rackard, a keen student of the game, has much to say on training, on team spirit, on sportsmanship and even on such general subjects as the advisability of having a hurley made to measure for each individual player.

A hurler or hurling enthusiast can afford to miss the Rackard Story.

JUVENILE FOOTBALL

Ballinacorney v. Kilrossanty. Ballinacorney whose feats in the hurling field were highly spoken of last year, turn their attention to the bigger ball on Tuesday night next when they are at home to Kilrossanty in an attractive juvenile football challenge. The home side are an unknown force but should they measure up to the standard set by their hurling competitors over the formidable Conerath boys, who have been enjoying a remarkable run of success, will be hard put to escape defeat. A quarter nine evening game. The match is fixed at 8 p.m. Admission 6d.

LATE MR. P. MULCAHY

We regret to announce the sad death of Mr. Patrick Mulcahy, of Gallagher's Terrace, Youghal which took place on Tuesday week, at St. Finbarr's Hospital, Cork, after a comparatively short period of illness. His demise in his early fifties is deeply regretted and sincere sympathy is extended to his bereaved widow and large family.

Under-strength Waterford fail narrowly

Kilkenny, 3-9; Waterford, 2-5 A MAKESHIFT Waterford team put up a very creditable performance when narrowly failing to what was virtually Kilkenny's championship fifth in the semi-final of the O.M.I.R.A. tournament for the Waterford Glass Cup at the City Sportsfield on Sunday. Making light of the handicap of having to field without the services of six of the selected side, the home side turned in a most encouraging opening half but on the turnover, when aided by the breeze, they failed miserably and Kilkenny came back strongly in the closing stages to snatch victory and the right to a tilt at champions Wexford in the decisive game venue on Thursday evening.

I.R.A. TOURNAMENT "SEMI"

Outstanding feature of the game from a Waterford viewpoint was the welcome return to form of Moss Qualey, a like choice, who revealed all his old-time artistry in repelling O's onslaughts.

The Clonca man, John Cusack, making his first appearance in two years, was another last minute selection to emerge from a testing hour with credit.

Waterford fielded without without Flynn, Whelan, Kelly, Goode, M. and J. O'Connor of the original line up. To fill the vacancies Rafferty, Shalloe and Healy in addition to Qualey and Cusack were called in.

Despite all the defections, they might well be looking to a final date with Wexford had the forwards availed at even a fair proportion of the opportunities which came their way in the early stages of the second period.

THE GAME.

Barron was prominent in warding off Kilkenny attacks, who were favoured with a strong wind while Murphy saved smartly from Dwyer and Clonca, but Murphy (Kilkenny) had the opening score (point) and a sideline, but brought him his second. Clonca had a rough struggle with Dwyer, but emerged best and Grimes sent Waterford into the attack and Healy (free) had a point. A well-placed free gave Cusack

UP AGAINST IT

Mount Sion, long a force in such competitions, will be up against it when they face a Rathnure side powered by the Rackard brothers and Jim English. With the county riding the crest of the wave at the moment Slaney men will look to their champions to continue their winning run.

RATE OF
£ A

Deputy T. A. Kye, Chairman of the Estimator's Committee, presided at the meeting of the above on last Friday night, the other members in attendance being Messrs. P. Casey, D. Moloney, R. Keane, McCarthy, T. Lee, N. Kelly and Lannon.

The Manager, the Hon. Surveyor and the Town Clerk were also present.

RATE ESTIMATE 1956/7

The estimate of expenses submitted by the Estimator's Committee, showed the total amount required to be levied as £43 which is equivalent to a rate of 43/3 in the £.

The rate originally submitted to the Estimates Committee, £43/9 in the £ or an increase of 1/9 over last year's rate of 42/0. Mr. T. Lee said that in his opinion last year's rate was unduly high and would have a reduction in the rate.

The Co. Manager said Council took credit for £70 last year's estimate because the new method of assessing 60 county demand on the area.

The Chairman pointed out they were left with 1/3 to give to their credit in this year's estimate. But for this their estimate would be that amount greater. Mr. Casey—that what was amount levied on the town 346/477.

From Clerk—£10,447.
Mr. Casey—1 has gone to about 150 p.c.
Chairman—That about town is becoming prosperous. Mr. Casey—We're opposed to that, there's no doubt about it. Mr. Moloney objected to giving out a contribution of £100 to the Red Cross Water Section. He proposed that £50 be contributed to the Cross. He go no second. Dealing with increases and decreases in the Estimate, Casey pointed out that the rate Committee had proposed an increase of £38 in charges. He pointed out that £50 would be a local factory would increase supplies.

The Council turned down a solution by Mr. Casey proposed that the rent of Council houses fixed 40 or 50 years ago be increased by putting a week's extra on such houses. The exception of those occupied pensioners, widows of the Council would be affected. A further reduction of approximately £200 in the Estimate. The Chairman said this would be all right if the amount was put to reducing the rents of other Council houses. Another matter discussed the question, adjourned to Estimator's Meeting of the 10th of an extra room and room at No 4 Connolly Road which the tenant had proposed to pay an extra 5/9 in this week's extra on such houses. The Engineer's estimate for work was £430 or an extra of 8d. in the £ rate.

This question was discussed from all angles including transfer of a swap of ten by this tenant with the tenant's larger Council house. Finally, the Council took a vote.

The Chairman asked the Mayor if with a little extra could manage on a rate of 43/3. The Manager agreed this will do his best.

The Chairman then adjourned and Mr. Kelly seconded the resolution passed at meeting 9th March re temporary agents to officials be recalled. Moving the motion, Mr. A.
