Cork, on Pilo other hand the country have considered to this. They have made and hard the base of only two points are still vitally concerned in this league race. Victory on Sunday would in all probability involve them in a play-off with Water-ford again. Defeat, however, would end all hopes of qualifications are solidity of the defence. Gione from the full-back line is: John Lyons who served the country well for so long. Filling the breach is Deais Brennan of Blackrock, who now flanks clubmates Jimmy Brohan and March.

Cork folk, needless to say, will look to their midftelders Duggan and Kelly to ensure a plentiful supply of the ball to their attack, and their

The full-back line of Cunningham, Flynn and Barron is without doubt one of the best in present day hurling Cunningham, since his cetarn to defence, has been in builliant form and the task of policing Mickey Quane seems well within his capabilities. However, I cannot fall in line with this contention. Flynn can master Ring, and expecting Cheasty and Fower to at least break even in the centre, the Waterford half-line of attack can noteh sufficient scores to see them through.
