LISMORE NOTES

 The monthly meeting of the women's branch of the Sacred Heart Confraternity will be held on tonight (Friday) at 7.30 p.m.

NON-STOP DRAW
 The 15th series of draws in aid of the Lismore parochial funds took place on Wednesday night last and the following are the lucky winners: £10 - Ballysaggart Sports Committee, p. Miss N. Walsh, 21 Each; Miss M. Coughlan, Ballinacree, p. Mrs. T. Hennessy; Mr. T. Leahy, Bishoptown, p. Miss F. Morrissey; Mrs. R. O'Shea, West St., p. Mr. R. O'Shea, Mrs. M. Hickey, Curragh, p. Mrs. Hennessy.

CO-OP SOCIAL
 The Knockmeal Co-Op. 2nd annual staff social, held in the Ocean View Hotel, Clontarf, on Thursday night last, proved a really enjoyable and was attended by well over 200 guests. Welcoming and thanking them for their attendance, the chairman, Mr. James Collins, remarked on the great success this function had had to be in such a short time, and hoped it would become more and more popular in the years to come.

VOCATIONAL SCHOOLS SAVINGS SCHEME

The Savings Committee reports that the savings scheme for students of Vocational Schools has made remarkable progress during the 1960/61 school year. The scheme which was introduced at the suggestion of the Executive Committee of Cumann na nGael in 1959 is based on the purchase of savings stamps by the students and the subsequent exchange of the stamps for Savings Certificates of Savings Bank Deposit Books. The Committee's organizers have been visiting schools periodically and their reports show the magnificent contribution being made to the development of the Savings Campaign by Vocational teachers.

TRAVELLED TO LAUGHING MATCH

Quite a large number of the local farming community travelled to Killiney on Wednesday and Thursday 5th last week to see the National Ploughing Championships held there and were all loud in their praises of the work done by the large number of competitors.

HOTEL DANCE
 The weekly dance in Lismore's Hotel held on Thursday night last again proved a great success. The new and novel idea introduced by the 'Hotel' pick' is proving a great draw. To explain this idea would detract from the enjoyment derived, so why not come along on Thursday night next, and see for yourself. A really good night's dancing to the music of the Jimmy Frenchie's was enjoyed.

FOOTBALL NOTES

The Lismore Soccer team were at home to Youghal on Sunday last and went down by 3-1 to the visitors. Lismore who were without three of their regulars, have only themselves to blame for this defeat, especially their forward line who had one of their worst days ever.

Following the kick-off, the home forwards had enough chances to have scored at least twice in the first quarter, but they preferred to tip their ball around the centre of the field waiting for the opposing backs to tackle. Following this first series of attacks Youghal took a grip on the game and attacked the home goal with everything they knew. But for a great display by Jim Crowley at centre-half and some brilliant saves by keeper Trevor Andersen, Lismore would have been more than a goal down at half-time.

After the resumption, the home goal was again under pressure and with the inside forwards never coming back to help the backs, it was inevitable that Youghal should score again.

Mid-way through the half-time interval a goal-mouth scramble - E. Dennis scored Lismore's only goal. Lismore had had luck but to get on equal terms when Paddy Mason fired in a great shot that had the Youghal goalkeepers all ends up, but to the consternation of the home side rebounded off the cross-bar and was cleared.

Just on full-time Youghal broke through and with all the backs beaten, Andersen made a daring save at the last minute. But from the resulting corner the same player cleverly headed the ball home by which the score in one of the poorest games seen in this venue to date was a 1-0 draw.

SOME OUTSTANDING EFFORTS

So many schemes are now in operation that the Savings Committee hesitates to particularise. The following examples of what is being done are picked at random and there are many other worthwhile schemes to which special reference is not made because of limitations on space.

Among the successful schemes listed are Youghal, supported by the Principal, Mr. R. O'Brien, and Dungarvan (Mr. Denis O'Sullivan, Principal) and the volunteer members giving encouragement to the students.

COBRATULATIONS

The Savings Committee's thanks are due to all teachers who are supporting the savings movement in schools and who are thereby slowing the realization of the importance of saving young people in the habits of their life. In particular, Cumann na nGael in 1959 is to be congratulated for the most successful development of the Vocational Schools Savings Scheme. The Savings Committee very much appreciates the facilities extended to it by organizers by the various school secretaries and other staff who visit the committee in connection with the operation of the scheme. The committee is grateful for the co-operation of the various teachers and the school staff in its work and the school staff in its work and the school staff in its work.

I'd Be A Hypocrite To Change Now'

BOAT BUILDING FEE 'AS YOU WERE'

THAT THE TECHNICAL SCHOOL WAS BEING USED AS A GARAGE BY SOME PEOPLE, AND THAT ITS PURPOSE SHOULD BE TO HELP YOUNG PEOPLE SEEKING OPENINGS IN LIFE AND NOT ADVOCATE CHRISTMAS CAKE MAKERS WAS STATED BY DEPUTY T. A. KYNE AT TUESDAY'S VOCATIONAL EDUCATION MEETING IN DUNGARVAN.

Deputy Kyne first raised the matter when he again objected to the raising of the fee for the boat-building classes from £2 to £5 per annum.

The Committee were discussing the financial scheme for 1962/63 at the time.

Mr. C. Curran said he had no sympathy with the boat-builders as they were all in the higher income group.

Deputy Kyne - So are the Christmas cake-makers attending high classes. I'm proposing a 10% increase on the fees of all other classes, which is the increase in the boat-building fee. However, I'll withdraw my proposal if Mr. Curran will withdraw his about the boat-builders.

Mr. Curran - It's a 10% increase. I want to reduce the rates so there are 10% more of the classes. I'm not proposing the fees of all classes be increased by the same percentage as the boat-building class.

Deputy Kyne - I'm not proposing the fees of all classes be increased by the same percentage as the boat-building class. I'm proposing a 10% increase on the fees of all other classes, which is the increase in the boat-building fee. However, I'll withdraw my proposal if Mr. Curran will withdraw his about the boat-builders.

Chairman Criticises Action Of Deputation

KILMACTHOMAS' fight for a new technical school has ended.
At Monday's meeting of Waterford County Council it was decided on the recommendation of the special committee set up to investigate the necessity and desirability of such a school, to go ahead with the project at a cost of £25,000.

The Chairman (Mr. Charles Curran) congratulated the Committee on the time and energy they put into finding out all the facts. He was compelled, however, to introduce a discordant note regarding the deputation which came before the last meeting. "That deputation," said Mr. Curran, "didn't come with any feeling of goodwill. They came over the heads of the special committee which was a reflection on the members of that committee. They should first have come before the investigating committee who did their work well."

Mr. M. Galsely said he had to agree with Mr. Curran, as it had been said to him that the committee was only set up as an eyewash.

Deputy Kyns said he wasn't aware of any statements made. He was merely asked to introduce the deputation and he did so.

Mr. Dowling, Co. Secretary, said that even if the Minister sanctioned it, it would be at least three years before the school would be built.

The following organisations submitted statements on the building of the new school: — A.T. & G.W.U. (Dungarvan), Kilmacthomas I.C.A., Mr. D. Cullinan, C.E.O.; I.N.T.O. (Dungarvan Branch); Cumann

Miss Sheila O'Shea, S.M.H. Convent, Ferrybank, representing Co. Waterford, was placed third in the Junior Section at the finals of the National Wholesome Breadbaking Competition which was held in conjunction with the National Ploughing Championships at Killarney last week under the auspices of the E.S.B.

Mrs. Joan Hutchinson who represented Co. Waterford in the Senior Section of the finals is a committee member of the local I.C.A. Guild and also secretary of the Annual Flower Show. She is well known in the South East as a demonstrator of craftwork at various I.C.A. centres.

The 27 senior and student finalists, one from each county and two from Co. Tipperary—competed in three heats, the first of which commenced at 10 a.m. on Wednesday morning and the first three in each heat went into the final which was "cooked-off" at 2.30 on the Thursday.

In the huge tent which housed the competitions there were electric cookers and ovens for the competitors in each heat. The judge of the competition was Miss B. Daly, Inspector of Domestic Science, Department of Education, Mrs. M. Curtis, Editor of Woman's Page, Cork Examiner, and Miss M. Fitzpatrick, Senior Demonstrator, E.S.B.

The county championships were held in October and all county champions received prizes and expenses presented by the General Electric Co. of Ireland Ltd., Ungare Ltd. and the Electricity Supply Board.

The winner of the National Championship was Mrs. M. Killeen, Mountgarden Rd., Portlaoise, who was representing Co. Laois. The mother of three children, Mrs. Killeen is a native of Muinebeg, Co. Carlow. She has been in Portlaoise for five years. In 1958 she won the Co. Laois final of the same competition.

Mrs. Killeen said she was "thrilled to bits at having won. 'I never thought I had a ghost of a chance," she said. She has not decided what to do with her £50 prize money but will, however, be returning home with the cups and electrical appliances—including an ultra modern cooker—that she won.

Second prize in the contest went to Mrs. Jean Tierney, of Clu Muine, Sarranshoe, Limerick. Not a year married this is her first time to compete. Mrs. Kathleen Guinane, of Knockferna, Circular Road, came third.

Cork came first in the junior section when fourteen year old Kathleen O'Sullivan, 42 Rathmore Park, Cork, took the award. Miss C. Dowd, of St. Joseph's School, Lanesboro, Co. Longford, came second, and Mrs. S. O'Shea, Sacred Heart of Mary Convent, Ferrybank, Co. Waterford, was third.

The Minister for Agriculture, Mr. Smith, presented the prizes to the winners in the S.E.B. tent in the grounds of the Cabernane Hotel, Huntlands, where the competition was held. The presentation and there was loud applause for the winners.

SALE OF FARM

The farm, the property of Mr. Joseph Klynn, Bullinstown, Waterford, advertised in this paper last week, has been sold to Mr. David Rifferty, Mountfield, Portlaoise, for a substantial sum. Mr. Klynn had charge of the sale and the auctioneer was Mr. P. Mackey, Clonsilla.

Improved Conditions for Co. Council Road Workers

THE Labour Court recommendation regarding the wages and conditions of employment of road workers and supervisory grades came before the monthly meeting of Waterford County Council on Monday last.

The original claims of the workers were: (1) Reduced hours of work; (2) Five-day week for nine months of the year; (3) Increased Differential for Supervisory Grades and Engineers Office Assistants; (4) Sick Pay Scheme for Road Workers; (5) Weekly payment of wages; (6) Excess expenditure as may be incurred by decisions on the foregoing for approval.

The Secretary, Mr. J. G. Dowling said the Labour Court recommended a reduction from 48 to 45 hours per working week; No. 2 and 4 were still in abeyance; a total of £2400 excess expenditure to be approved for No. 3, and No. 5 was subject to the Council's approval.

To Col. R. Walsh, Mr. J. D. Hally (Co. Eng'neer) said approximately 500 workers would be involved under No. 5—weekly payment of wages.

Col. C. Curran asked if there was a demand for weekly payment. Some of the workers he knew couldn't run less. Mr. Dowling said if there were weekly payments it would involve additional expenditure of a minimum of £800 for a full year, which would also include the employment of one additional clerk.

Col. R. Walsh: I can't understand how it will cost £800 extra to pay these men weekly.

Mr. F. X. O'Leary (Co. Asst. Engineer) pointed out that 15,000 paying orders were issued each year. That alone costs £375, and weekly payments would mean double that figure.

In reply to Col. J. Fahy, the Co. Eng'neer said there was one overseer to every ten or twelve workers and of that ten or twelve, two were gangers.

Col. Fahy: That is too heavy. A ganger will check the time but I don't know what the duties of the overseers are. We have an overseer and a ganger over three men. It's becoming the laughing stock of the county. The overseer probably spends hours on his feet in his car and then goes off spending another half day some place else.

Mr. Hally: An overseer performs a very important function.

Col. Curran said he was very impressed by the reason which was advanced by the Union.

The Co. Manager also endorsed the Chairman's remarks and said the Union should be very fairly.

Col. Curran then proposed that they approach of the County's recommendations in respect of the reduced hours of work and the reduced Differential for Supervisory Grades and Engineers Office Assistants and leave the matter of weekly payment of wages over to the new Industrial Court. This proposal was adopted unanimously.

"SMALL FARMER ON THE WAY OUT"

A total of £750 excess expenditure to cover the increase

in salary for Building Craftsmen was approved.

Col. C. Curran said the people of the country and the small farmer had no objection to giving these increases but their own salaries were decreasing every year. He was afraid the small farmer was on the way out.

FARLEY'S MILK

People are Asking "Are We Gone Mad?"

RECENT Press reports on the proposed water scheme for the County were the centre-piece of severe criticism by Mr. J. Quirke at Monday's County Council meeting in Dungarvan. Mr. Quirke said the reports were wrong in their entirety and had set the people of the County asking "are the Council members gone mad."

Mr. Quirke said the Dublin papers published that they were spending £3 million on the Water Scheme and all the members were delighted. "I proposed," said Mr. Quirke, "that we first ask all the rural organisations to see if they were satisfied and that was passed. Such a thing of spending £3 million was never passed. The people are asking on the street, are we gone mad, and I had a big job telling them these reports were wrong. Mr. Quirke is behind it in one paper. Mr. Hally is behind it in another paper, well, I can tell you I'm before it."

Mr. Hally: I haven't taken any steps so far.

Mr. Hally said the figure of 10/- seemed to have caught the imagination completely. That figure didn't take into account the income from the Water.

Mr. J. D. Hally (Co. Ennis): We are not in a position in principle. We are not in a position to go ahead with the preliminary stages of these schemes.

Mr. Hally: I see in Clare they can do a scheme for £85,000 and it is only 1/4 on the rates. Why can't we do the same?

Mr. Hally: We adopted the report in principle, for a £2,800,000 scheme. We also had two schemes at a cost of £150,000 or £300,000 per scheme. I also drew your attention regarding the appointment of consultants to carry out maintenance work on these schemes. It is not correct to say you didn't make any decision. Mr. Quirke: That was not my interpretation of the thing. We were to put it to the interested organisations first.

CHAIRMAN WANTS NO POLITICAL FAVOURITISM

"If there's going to be favouritism for political parties with regard to cottage repairs, I'll be responsible for having the matter brought before the Minister. It has happened in other counties, but I'll see it doesn't happen here." This was stated by Mr. Charles Curran at the monthly meeting of Waterford County Council on Monday when a discussion on cottage repairs took place.

Mr. Curran said the matter when he had made a representation on behalf of a cottager for repairs, but got no acknowledgment. Later, a man from outside the county made a representation on behalf of the same cottager and the Engineer visited the cottage.

Mr. Curran said the Engineering staff should reply separately to every representation.

WATERFORD'S DECISIVE VICTORY

Limerick Routed In Disappointing Game

WATERFORD 4-12 LIMERICK 1-2

NEVER can a final result have given such satisfaction to Waterford supporters and yet have their pleasure from the hour's exchanges cut to a minimum as Sunday's National Hurling League game against Limerick at Walsh Park. For the

It was with the utmost confidence Limerick travelled to the City venue. Confidence based on doubt on the sparkling form displayed in their outings against Wexford and Cork. But after this massacre of the innocents - I find it compelling to phrase Limerick's defeat as such - the Shannonsiders can have revised opinions on their present status in the hurling world.

expectant thrills were never there and the game which by pre-match indications promised so much, petered out into a tame and uninteresting spectacle for the 8,000 odd attendance.

NUMEROUS WORRIES

Limerick's worries right now are numerous. On Sunday one found it impossible to understand how the some team best Wexford recently and it looks as if Mick Mackey will have to plan a new reconstruction scheme before his charges can be considered dangerous opposition.

Jim Hogan performed a difficult task well in goal, but only the half-line of Joe Leonard, Tony O'Brien and Kevin Long impressed in defence. After a bright opening Eamonn Casey and Tommy Casey were outplayed at midfield and only Liam Hogan left an imprint in attack.

Waterford - J. Hogan, T. Cunningham, A. Flynn, Jackie Condon, M. Flannelly, M. O. Morrissey, J. Byrne, Joe Condon, W. Dunphy, M. Murphy, T. Cheasty, P. Walsh, S. Power, Doc' Walsh, P. Grimes.

BYRNE CAUGHT THE EYE

The all Mount Sion half-line of Mick Flannelly, Martin O'Morrissey and Jimmy Byrne was, however, the sheet anchor of the side. But good though Flannelly and Morrissey played it was 21-year-old Jimmy Byrne that caught the eye. Now fully matured in a hurling sense he is fast becoming one of the best defenders in the game and on Sunday outplayed to such an extent that the Limerick selectors were forced to switch Rainsford off him in the second half.

Thanks to yet another outstanding display by Joe Condon, Waterford enjoyed the whip-hand at midfield. Likewise, like his brother Jackie, he seldom played better and he covered up for an only moderate Billy Dunphy.

POWER AND DOC' WALSH OUTSTANDING

Undoubtedly Seamus Power and Doc' Walsh were the stars in attack. Power now back in the position in which he attained his former glory had a fine display, giving Jack Quaid a free point and scoring 2-3 into the bargain. Likewise, Doc' Walsh was an outstanding success on the fringe of the square and his tendency to tuck far outfield left full-back Tom O'Donnell not knowing how to effectively 'police' him. Phil Grimes was the Patrick Querry. (28) farmer.

Twelve Months for Local Man

Judge S. McD. Pawlett, at Waterford Criminal Court, sentenced Michael Kiely (38), of Dungarvan, to twelve months imprisonment for having, on June 15th last, at Kilmadigan, maliciously set fire to a dwellinghouse, the property of his brother-in-law, Mr. Phil Grimes was the Patrick Querry. (28) farmer.

HURLERS AND FOOTBALLERS TRIBUTE
Waterford recorded a great Gaelic double on Sunday last when the hurlers and footballers scored deserved victories over Limerick and Clare respectively.

The hurlers never expected to be in such a moment of glory as the most disappointing Limerick sides I have ever seen.

The game itself was so poor that even the big Waterford contingent must have been bored stiff at the one-sided exchanges. Limerick never lived up to the fine reputation their earlier league games had given them and the entire attendance of 8,000 must have been wondering how they ever beat Waterford.

The result was undoubtedly a passing one from a Waterford viewpoint. This victory proved conclusively that their championship lapse against Cork was only a temporary nature and on his latest showing will be vitally concerned in the League's final shake up.

While Limerick were being annihilated at Waterford, the Spinnakers made a successful journey to Kilmash where they beat Clare 1-3 to and thus almost ensured themselves of sectional honours.

With full points from three games they now have only one further outing against Limerick at Cappoquin and unless their eyes are wide altogether they should account for the Shannonsiders.

Sunday's game by all accounts was well short of a classic but once again the Delse side with a mixture of football ability and unflinching determination collected the spoils. Narrow as their victory was they always played better football and ran out convincing winners. But before they had a last minute score, when Clare's best performer, Frank Kennedy sent a great drive crashing off the cross-bar.

NEW COMPETITION GETS UNDER WAY ON SUNDAY
The newly inaugurated junior hurling league gets under way on Sunday next. The games down for decision. The competition sponsored by the Western Board is on the knees-out system and twelve clubs have entered for it.

Three games were down for decision on Sunday - one each at Ballymacarbery, Dungarvan and Cappoquin. The first was St. Mary's - Affane game which will be played.

The third game of the competition brings Affane and St. Mary's together at Cappoquin. Both sides made favourable impressions in their respective games in the championship and it will be interesting to see how they fare now when pitched against each other.

It was only after two tough games with Geraldines that St. Mary's made their exit from this year's championship and left such stalwarts as Sean McKelvey, Paddy McGrath, Tommy Cahill, Bob Troy and the Healeys in their ranks must be favourites to account for the opposition.

But their task may be far more difficult than most people realise. The Melleray side also contains its quota of stars, such as goalkeeper Colm Connelley, the O'Rourkes and Martin Power, and they will test the Affane men to the limit.

DUNGARVAN AND THE SHERIFFS MEET IN LIMERICK CITY
The Sargent Cup - now way blighted schedule resumes again on Monday next when Dungarvan and Brickey Rangers meet at Dungarvan. In the past this competition commemorated a great Cappoquin Gaelic festival way back and has been allowed to take something of a back seat. Now the County Board is attempting to make up for lost time and Sunday's game will clear the way for the closing stages.

Both sides will be considerably under-strength for Sunday's game, thus making it impossible to forecast with any reasonable assurance the outcome. However, of the two, Dungarvan seem greater hands.

MIDFIELD FAILURE
Though it is extremely doubtful that Limerick would

have won had all fifteen played with distinction, their already slim hopes became practically non-existent once their much-vaunted midfielders collapsed. They tried numerous plays in

an effort to break Waterford's grip on things in the centre, but to all no avail. Finally, in desperation, their only dangerous forward was brought out to partner Tommy Casey but by then Limerick's position was irrevocable.

POWER'S SCORES
Limerick, playing with the slight advantage of a crosswind forced the early pace and seemed to good effect when he picked a free point before setting a pile-driver from Pat Murphy. Murphy squandered another great chance before Seamus Power opened the scoring with a Waterford point in the 10th minute. Two minutes later Power availed of a defensive mix-up to score an opportunistic goal and within seconds Phil Grimes pointed a free. Points by Liam Hogan (one from a free) broke Limerick's "duck" but when Doc' Walsh placed Power for a great goal and the latter added a quick point, it was evident only a hurling miracle could save Limerick. Seconds before the interval they were unfortunate when Jackie Condon scored with Dickie Roche well beaten.

Waterford resumed in a flurry and within a minute Doc' Walsh scored 1-1, the goal being the result of a blunder by goalkeeper Jim Hogan. In the fifth minute Seamus Power had a point and a minute later Doc' Walsh was the chief architect in another Waterford goal scored by Phil Grimes. Substitute Pat Hartnett quickly replied with Limerick's only major of the hour but a succession of points by Joe Condon, Mick Murphy, Martin Morrissey, Phil Grimes, Doc Walsh (2) and Cheasty left Waterford comfortable 4-12 to 1-2 winners.

Considering Sunday was Waterford's initial outing since July last, their display was highly impressive. At last the defensive problems seem to be settled and if there were a few weaknesses in attack, a tally of 4-12 is respectable in the extreme.

MADE A CELEBRATED RETURN
Dickie Roche made a celebrated return to goal and although not overworked proved equal to the occasion on the few times he was called upon to do so.
