Things were different after this

The Chinese knew gun-powder but they used it with commendable discretion, for fireworks only. Early cannons were unwieldy, unreliable and beautifully ornamented. They made their impact nearly as much by their noise as they did by their shot. The device in our picture, designed to ensure that the cannon would face the desired direction, was not successful in practice, owing to the recoil. Cannon did, however, influence towns defence architecture and, after some centuries of alteration and augmentation, most towns abandoned their defence walls in the early 19th century.

Exquisite Operettas by Presentation Convent Pupils

The beautifully appointed modern model theatre of the Presentation Convent, Dungarvan was filled to capacity on Wednesday night (last night) for its first performance, when two delightful operettas "Sunshine and Song" and "The Doll's House Party" were presented before public audience by the junior and senior pupils of the schools.

A MUSICAL TREAT This performance was truly the season's musical treat, with superb staging, colourful costumes and songs and dances to delight young and old alike. The operetta "Sunshine and Song," presented by the senior girls is a comic opera in two acts from the book, lyrics and music of George Morgan and Fred Johnson, Cincinnati, P.S. Playing the principal parts are: Hilary Keane, Congress Willis; Alice Daly, Abbeyside; Mary Keyes, Emerald; Pat; Anne Nagle, O'Connell St.; Mary Hayes, Caseyville; Vera Walsh, New Line, Abbeyside; Peggy Whelan; Kay Hogan, Caseyville; Geraldine O'Meara, Mitchel St.; Marie Donovan, Father Tobin, Fionula Browne, Geraldine Keegan, Carmel Power, who come from Abbey-side.

THE STORY The delightful story of "Sunshine and Song" deals with Susan Clifton (played by Esther Tobin), the sunbonnet girl, who is the orphaned child of musical parents. She has been left in charge of Mr. and Mrs. Abigail Scroggs, a skintight couple, who have starved and stunted her (the skintight are portrayed by Geraldine O'Meara and Geraldine Keegan).

As the play opens, Mrs. Henry Coleman (Vera Walsh) the president of the State Federation of Music Clubs, arrives in the village to conduct a contest for certain scholarships of music. She is accompanied by her daughter Barbara (Marie Donovan), her son Bob (Kay Hogan) and his friend Jerry (Fionula Browne). The contest is held in the garden of Mr. and Mrs. Meadows (Mary Keyes and Alice Daly) who are prosperous and respected farmers, and whose daughter Miranda (Hilary Keane) is among the contestants. On the evening of the contest Sue timidly approaches the ladies in charge and asks to be allowed to take part. They are

willing, but Mrs. Scroggs, encouraged by her daughter Evalina (Anne Nagle) harshly refuses to allow it, insisting that she has no proper clothes for such an affair, and that she is needed for the endless dish-washing of the Scroggs household.

IN THE NAME OF THE LAW Sue is discouraged, but on meeting Barbara, Bob and Jerry, she tells her story and enlists their sympathy and support. Moreover, she tells them she believes her parents left her some sort of property, but that the Scroggs refuse to divulge the nature of it. They promise to call on Ezra McSpavin (Peggy Whelan) the Village constable and persuade him to intercede in the name of the law.

The opening of the second Act shows all the young people of the Village gathered for the music contest. Various members of the group take part, and a surprise entrant is Susan who appears gorgeously dressed through the good offices of sympathetic Barbara. Sue wins the prize, and also wins Bob Coleman's heart, while Jerry and Barbara also come to a romantic agreement.

HAPPY EVER AFTER The finding of a dispatch box and the disclosing of its valuable contents removes all barriers and paves the way for a double wedding in the happiest of all happy endings in a lovely story, beautifully performed by the school girls.

AN EXCELLENT PERFORMANCE The acting and singing of the pupils is excellent, the lighting and stage settings are exquisite, and the splendid acoustic properties of the new theatre coupled with a clear view of the stage make for the perfect enjoyment of the show by the audience.

Ample humour is afforded by the various comic types, including Mr. Scroggs, the hen-pecked husband, Jerry the breezy college youth, Evalina, the shrewish vixen, Ruben Meadows (played by Mary Hayes). SHOW TIMES Following today's matinee, performances which commenced at 3 p.m., the evening show will commence at 8 p.m., this (Thursday) night with the concluding performance of the

series on Friday night. THE DOLL'S HOUSE PARTY The junior pupils also presented a delightful operetta "The Doll's House Party" to the words and music of Clementine Ward. Parents will love the naturalness of the performances by the little ones in this charming operetta which opens with the Doll's House mistress giving an "At Home" at which the guests (among whom are Japanese Dolls, Negro Dolls, Dancing Dolls, Baby Dolls, Nursemaid Dolls, Housemaid Dolls, Young Lady Dolls, and Old Lady Dolls) contribute items to help entertain.

The Old Lady Dolls, who do not approve of dancing, sing a characteristic song "In Our Young Days." The Nursemaid Doll, who brings in the Baby Doll for inspection, sings a Lullaby, with chorus, and the Little Dolls also contribute a song.

Tea is brought in by the Doll's Housemaids, and while the cups are handed around, a "tea song" is sung by all. At the close, the guests all sing a "parting chorus" expressing their delight at the entertainment, and dance off the stage, the Doll's House family remaining on till the fall of the curtain.

CHRISTMAS FESTIVAL To add to the feast of music and song there is a presentation of a programme of songs and carols in an exquisite setting to round off one of the most delightful and entertaining performances which have been presented in the town for many a long day.

Circulated to each man was a copy of a special Council held on Oct...

The Chairman (Mr. Charles Curran) said he was satisfied the Minutes gave a true and accurate account of what happened.

Mr. B. Walsh said from the minutes it was clear they did not permit themselves to the expenditure of one penny on a water scheme.

Mr. J. Quinn said he was glad that was so, as the Press had said otherwise. It is a terrible thing, he said, if a representative of the public can be attacked by the Press.

Mr. H. H. Dowd said they agreed to the water scheme in principle and he would make his apologies to anyone for saying that. A lot of people were under a misapprehension as to the cost of the survey for the water scheme.

The Chairman in reply said the total cost of the survey was £2911.18.11, made up as follows: Maps, £75.00; Office Materials, £75.17.5; Engineering, £1948.5.4; travelling expenses £281.1.0; wages £150.0.0; labourers, £280.0.0; £27.5; materials £29.18.7; machinery charges, £14.8.11.

Mr. Curran presenting a full statement on the affairs of the Council and the County Council Review under the heading "To speed 3 million pounds and not knowing you are doing it" was holding the Council up to ridicule. The "To speed of the trouble he said, was what struck the result in his mind. He said that the "To speed" statements made throughout the county, as the Council had guarded itself as well as the interests of the ratepayers. Their action in consulting the interested ratepayers and was the essence of democracy. The Dublin report was completely untrue and was obviously based on an invention that appeared in the local press.

Mr. Curran's statement went on: "With regard to the question of the Water Survey Report and allocation of costs by Council, the matter has led to many wild statements and much thinking. The Council has been held up to ridicule and has been accused of irresponsibility and dictatorial tactics. The Council did in fact act in a most democratic manner by deciding to consult with rural organisations before making any decision with regard to the Regional Water Supply scheme."

I have not criticised the local Press as alleged. I have merely pointed out that the necessarily condensed reports were misandhood in some quarters. "The minutes of the meeting held on 24th October last and 27th of last Committee meeting held on 20th November, 1961, give a complete and clear account of all resolutions which were passed by Council and more important still the effect of these resolutions. The following is an explanation of the motion: "To speed 3 million pounds and not knowing you are doing it" was holding the Council up to ridicule. The "To speed of the trouble he said, was what struck the result in his mind. He said that the "To speed" statements made throughout the county, as the Council had guarded itself as well as the interests of the ratepayers. Their action in consulting the interested ratepayers and was the essence of democracy. The Dublin report was completely untrue and was obviously based on an invention that appeared in the local press.

Introducing Two New BIG ATTRACTION SENATOR BUTLER AT THE ARCH CONGRATULATED
 The lovely Arch Ballroom certainly has an unbeatable Christmas and New Year programme, as can be seen by the following list of attractions: Christmas Night - The greatest ever two band cell, presenting "The Musician of the Year", "Ireland's Ace Accordionist" world famous Dermot O'Brien and his Cell, Bend, with star vocalist, Defmot was born in 1928, Co. Louth in 1928, entered national competition in 1954 and 1955, and on both occasions was selected as the Irish Accordion Champion. He has broadcast from Radio Eireann, B.B.C. Home Service, B.B.C. Light Programme, B.B.C. General Overseas, Woman's House (B.B.C. Light), C.D.T. of Kilcock Programme, Gael Linn Programme, Solist with E. Light Orchestra, Station W.B.C. Boston U.S., Ted Mack T.V. Show, New York, resident Band Leader, State Ballroom Boston 1956, and City Centre Ballroom, New York, 1958. Also on Christmas night, "The Musician of the Year" presents another famous cell band - The Clogher Cell Band - from Cork, featuring vocalist Pat Daly. The Clogher Cell Band was the first band in the South to be broadcast on Radio Eireann's "Saturday Night Cell House" and received a tremendous reception on two recent visits to the "Irish Club" Dublin. "Jasman" in the Kerryman has the following to say: "Pat Daly has a delightful lyric voice and I would travel a long way to hear him sing again."
 On St. Stephen's Night the Arch presents "The South's Top Band", The Bramwell Raitton Orchestra and Show Band (Cork). Big things are predicted for this top-class band by leading dance critics. The following is taken from Jasman's dancing diary (22nd July 1961): "For a long time I've been talking of the Bramwell Raitton Orchestra, and even though I know Bram is a 'top class' musician, I've never really heard the full line-up until last Sunday night. Glad to say this, without doubt one of the swiftest outfits I've heard in many a long day. Some bands you hear you like, some you don't, but just a few bands send that little shiver up your spine. The Bramwell did just that when I hear them swinging into "But I Do." I felt that shiver and then when they changed over to "Chimes Blues" it was still there. I felt, yes siree, this is it. What else could you expect though. Look at the front-line: trumpet Brian McCarthy; alto clarinet, the incomparable Mick O'Brien; and on "bones" Mick Foley. That should really mean something and believe me it does. Dare I predict big things for the Bramwell Raitton Orchestra? Dare I "Do" it?"
 So with this great band on St. Stephen's night, it will be a case of all roads lead to the Arch.
 See advertisement in this issue for details of other outstanding attractions on New Year's night and on Friday, 5th January.

David Brown Tractors
 At 12.30 p.m. on Tuesday, November 28th, an Aircraft landed at Dublin Airport with a very special cargo on board. To Irish farmers the cargo represented very welcome news - for it contained the two new David Brown Tractors, the DB/880 and the DB/990. The two latest models to the David Brown range of tractors which is now the most extensive range sold in Ireland and specially planned to meet Irish farming conditions. The tractors which were shown to a group of David Brown Distributors, and to the Press, have also been displayed at the Smithfield Show on December 4th. The addition of these two new tractors by David Brown means that farmers can now choose from a comprehensive range of tractors which are priced most competitively for this market.
 With the introduction of their 1962 Implematic tractor series, David Brown Tractors Ltd. take the lead as manufacturers of the most comprehensive range of tractors for general-purpose machines, of 35 h.p. to 62 h.p. and two narrow models designed primarily for vineyard, hopfield, fruit and similar applications. This 1962 Implematic range is spearheaded by the new 52 h.p. 990 model and there is another newcomer in the medium power bracket, the 880. The existing 950 and 850 Implematic machines which, in 18 months, have achieved all-time record sales for the company are obtained in improved form. Narrow versions of the 850 and 880 are also offered, making a full range of six tractors, all of which are available with "live" p.t.o. and "live" hydraulic lift required.

MEDIUM POWER RANGE
 In the medium power bracket David Brown now offer a choice of two models, an improved version of the highly successful 950 and a newcomer, the 880. These machines will meet the varying requirements of a broad section of farmers in Ireland.
 Broadly speaking, these variations are typified by (a) the farmer who requires a tractor which is not unnecessarily heavy, yet is capable of heavy cultivating and harvesting duties and (b) the one-tractor farm where general-purpose figures prominently in the working programme, thereby calling for a faster machine which nevertheless has sufficient power to take heavy work from time to time.
 The well-established 950 Implematic, which has sold at a higher rate than any other tractor, is retained to fulfil the former need. At a mid-of-all-work, David Brown tractor ever built is retained to fulfil the former need. At a mid-of-all-work, the new 880 Implematic is

THE TWO NEW POWERFUL TRACTORS WHICH HAVE BEEN INTRODUCED BY DAVID BROWN. (TOP): THE D.B. 880 IMPLEMATIC WITH ITS 2.5 DIRECT INJECTION DIESEL ENGINE MULTI-SPEED POWER TAKE OFF. (BELOW): THE D.B. 990 IMPLEMATIC WITH THE EXTRA-POWERFUL NEW 32 H.P. 3 LITRE DIESEL ENGINE DESIGNED FOR THE TOUGHEST IRISH CONDITIONS.
 In introducing this new wider range of machines David Brown are building on firm foundations. Since the introduction of the first Implematic tractor in early 1960, sales and production have risen by more than 50% and further expansion is planned.
 This confidence in their ability to capture an increased share of world markets is reflected in the highly competitive prices of the new range of machines. Moreover, in all cases the all-in-price covers a really comprehensive specification.
 The new David Brown range gives Irish farmers an opportunity to choose a tractor which meets their requirements, not only in terms of fittings applied as part of the standard equipment. This is particularly true of the medium power range where it is the company's experience that requirements vary according to the branch of farming in which the tractor is to be used and the plan of machinery usage.
NEW 880 IMPLEMATIC
 The new 880 Implematic is a four-cylinder 52 h.p. machine which is in the five-six furrow class. Of particular significance in view of recent developments in power-driven cultivating and harvesting implements, this tractor is powered by a three litre diesel engine of higher ratio through the "4-speed" range, the maximum full-power speed being more than 3 m.p.h. faster than the 150.
SMALL IMPLEMATIC
 Smallest in the new David Brown range is also an established Implematic machine, the 850. At 35 h.p., it's tractor is a very economical machine yet has sufficient power to tackle most jobs on any farm. As such it is ideal as a "second" tractor on the larger farm or for all-round usage on the small farming unit.
NARROW MODEL
 Of these four models, the 880 and 850 are offered in narrow versions for use principally in vineyards and orchards, and are ideal for beet growers and market gardeners. Despite their very compact dimensions, the narrow models embody the full Implematic specification. Wheel settings can be adjusted for general work and Category 1 linkage is fitted.
NEW FEATURES
 Significant new features are incorporated in all these David Brown Implematic models making the standard specification the most comprehensive of any tractor on sale in Ireland today. To the present Implematic specification have been added a multi-speed power take-off drive, a high clearance front axle, increased lift at the hydraulic linkage, and a semi-automatic take-off for use when transporting mounted implements in the raised position.
 The new multi-speed p.t.o. unit which meets the British standard requirement of 540 r.p.m. at the p.t.o. in high or low ratio, is also capable of meeting the new American standard of 1,000 r.p.m. By selecting the ratio and consequently the tractor engine speed, according to the implement and job in hand, each tractor and implement can be operated at the optimum speed. High ratio is particularly applicable to such operations as planting and spraying, where a low forward speed is desirable.
 A new type of front axle gives ample clearance when working in growing crops (low crops in particular) and general clearance is maintained by the ability of the hydraulic lift to raise any implement to adjustable level for transport.
 Standard Implematic features which are retained on all David Brown models include an air-purpose hydraulic system capable of handling implements, fitted with 20th wheels or those designed for use with front control, as well as external hydraulic services. All these come under the control of a single lever, as does the selector. David Brown system of weight transfer, Tractor Control, A differential lock is provided as a further standard traction aid.
 All the David Brown models are available with a choice of single-stage clutch or as a "live-drive" version. The latter has a two-stage clutch which provides "live" hydraulics and "live" power take-off.

SCHOOL RENOVATION
Answering a question in the Dail from Mr. M. Davern, T.D., the Minister for Finance said that working drawings were being prepared with a view to inviting tenders for the renovation and reconstruction of the Convent of Mercy, National School. It is hoped locally that this very necessary work will be under way in the near future.

PRIZE WINNER
Congratulations are extended to Mr. Finbar Power, prominent in Meera on Felmea circles on his being placed second in the Munster Final of the Best Stock Judging Competition held at Ennis.

COURSE
Local owner, Mr. D. Meekill's greyhound "Sports Field" qualified for the final of the Best Stakes at the recent Young's meeting. There was a division of the stake.

There was a large attendance at the club grounds on Sunday when some twenty trials were run. Hares ran strongly and no "kills" were made.

BOOLA SPORTS COMMITTEE
The dance held in the Boole House on Friday night and run by the Boole Sports Committee was an outstanding success. Jimmy McCarthy's Band (Milford) contributed much to the pleasure of the occasion.

SUNDAY NIGHT'S CELEBRATION
On next Sunday night the Comeragh Valley Cell B and D will supply the music for the local G.A.A. Club's cell at the Boole House. This pro-Christmas dance promises to be a very enjoyable affair.

BALLINACOURTY'S EASY WIN
In atrocious weather conditions, Ballinacourty had a very easy victory over a Cappoquin-Tourin combination at the Sports Field on Sunday. The local side had no score, while Ballinacourty registered five goals and ten points, Mr. J. McGrath, Alfase, was referee.

At a meeting of the local Guild it was decided to cooperate with the Rowing Club in the holding of the usual Christmas treat for the boys of St. Michael's School. This takes place on Sunday and consists of the members of the Guild will be unable to assist at the party for the sinner's of the County Home to be held on the same date. It is decided to send a donation to the promoters of this function. The Treasurer announced that the recent raffle was most successful, the Xmas Cakes going to Miss Phyl Musgrave. Arrangements for the holding of a Jubilee Sale in January were made.

WATER SCHEME
At Monday's meeting of the County Council the proposed Regional Water Scheme, as outlined by the County Engineer, was rejected. However, existing schemes will be proceeded with. These include the Athlone-Tourin Scheme.

Western Convention On Sunday

Lismore is the setting on Sunday next for the thirty-third Annual Western Convention, when delegates from all clubs in the Division will review a year of progress and success.

Nominations have been received for all official posts with the exception of secretaryship where Seamus O'Brien, Abbeydale will be returned unopposed for his third term of office. Undoubtedly Seamus has since his election in 1959 firmly established himself as a Secretary above par and under his care and guidance the Division has and will prosper.

He has always been at the beck and call of every club and their decision to re-elect him without a contest is a fitting tribute to his work over the past year. Two nominations have been received for the chairmanship—James Moloney N.T. (outgoing) and Paddy Kennelly (Gerardines). Last year Mr. Moloney was prevailed upon to continue as Chairman and reluctantly condescended to do so. Personally I have no knowledge of his intentions this year but should he decide to stand down the Board would be fortunate in having such an able second choice as Paddy Kennelly.

The outgoing Vice-Chairman, Nicholas MacCraith is seeking re-election. The other nominations are Paddy Kennelly (Gerardines) and John Fraher (Cappoquin) but the latter man may also be returned unopposed.

Seamus Cullin, Ardmore and Mick Whyte, Ballinacourty are listed to oppose outgoing treasurer Tom Walsh but again we may be without a contest for this post.

The greatest interest of the Convention will be focussed on the struggle for representation to the County Board. The three outgoing officers, John McKenna (Brickies), Donal Whelan (Abbeydale) and Mickey Tobin (Dungarvan) are included in the field of 13 candidates. The other nominations are Michael Flynn (Stradbally), Jim Cullen (Ardmore), Sean Tobin (Colligan), Eddie Fitzgerald (Cathal Brugha) David Lee (Lismore), Paddy Kennelly (Gerardines), John Coffey (Fountainwater), Michael Callan (Ballinacourty), Cyril Power (Emmetts) and John Fraher (Cappoquin). Last year there was a desperately close struggle for the three seats and with most of the 1961 runners again under similar orders we can expect yet another close issue.

MOTIONS
Of the seven motions listed four are in the name of Abbeydale. They are (1) That the dues for all Western Finals be fixed at the first meeting of the District committee; (2) That the bye-laws effecting the running of the championship be read out with the minutes of the Western Board meeting; (3) That semi-finals and finals in all grades of the championship in the Western Division be played in conjunction with County Board fixtures; (4) That a referee's room be set up within the Division and that the first meeting of the panel be held in February.

Emmetts are moving a motion asking that the junior football championship be run in two grades as was the junior hurling championship of 1961, i.e. Grade "A" and "Grade B" the latter to be confined to clubs with senior teams.

Ardmore's motion requests that Western minor finals be played on Sundays, whilst Lismore are seeking a more equitable allocation of championship matches from the Western Board.

Once again it is my pleasure to record that the year under review was a most successful one and that the wonderful spirit and enthusiasm of clubs, players and officials, which has helped the Division to make such great progress during its thirty-two years of existence, was well maintained throughout the season.

With the inauguration of the grade "B" championship in hurling we had a new and a successful competition added to our list. It is gratifying to see the running of a 7th championship involved in increased work for the Board, the success of the competition and the splendid co-operation, ingenuity and most vigorous contesting game in the series and after a very exciting hour's hurling in which the standard at times compared favourably with that of the higher grade, Kilgobnet emerged worthy winners in the county final against Ballygunner. Kilgobnet's great and while their display was not their first county title and the only hurling championship for this Division this year.

Junior Football—Twenty-two teams affiliated in this championship and having seen most of the games I'm satisfied that this is too big a number for an area of the county which is not overstocked with football. A number of teams could have the effect of improving the quality of the football in some of our games and it would solve the difficulties arising each year from the over-crowding of the second rounds of this championship. The standard of football improved with games between Ring and Bockey Rangers, St. Patrick's and Valley Rovers. In the second round of the quality of the football and the determination of the contestants increased and the games were provided in the games between Clane and Kilgobnet and Ring. The final between Valley Rovers and R. Emmet's was the highlight of our football championship and after a thrilling game in which both sides tried might and main for victory, Robert Emmet's emerged narrow but very worthy champions of the West. It was a most disappointing for the County and for the Club that the Western Champions were denied an opportunity of playing in the above County Final in which the winners awarded a valuable trophy.

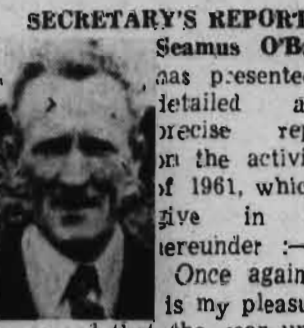

I feel satisfied that Robert Emmet's will prove worthy champions when they play in senior competition next year.

MINOR CHAMPIONSHIPS
By winning out in both hurling and football this year, Dungarvan sees surpassed their best of the previous year when they won the juvenile and minor football double. This was a great achievement for the Old Boro Club who should reap the benefits of these victories in the near future when their minor graduates take part in adult competition.

Thirteen teams affiliated in hurling and the high standard reached in recent years was well maintained. A hard round game between Stradbally and Lismore, Dungarvan and St. Arsen's and Ardmore and Ballyduff, and Cappoquin versus Dungarvan, were all great beginning to a championship which ended in a minor of glory when Ballyduff and Dungarvan fought one of the most thrilling fixtures seen in the West for quite some time.

Amby McGovern on the right wing was the pick of the forwards and it was perhaps fitting that he should net the all-important goal. Pat Beatty and Danny O'Connor worked very hard in the inside positions and Michael Sheehan on the left wing turned in a brilliant display. With a bit more help up front, Abbeydale could emerge as a strong force.

On Sunday next, Abbeydale meet Kilmacomas at New Line Park, at 2.45 pm.

SECRETARY'S REPORT
Seamus O'Brien presented a detailed and precise report in the activities of 1961, which I give in full hereunder.

It is my pleasure to record that the year under review was a most successful one and that the wonderful spirit and enthusiasm of clubs, players and officials, which has helped the Division to make such great progress during its thirty-two years of existence, was well maintained throughout the season.

With the inauguration of the grade "B" championship in hurling we had a new and a successful competition added to our list. It is gratifying to see the running of a 7th championship involved in increased work for the Board, the success of the competition and the splendid co-operation, ingenuity and most vigorous contesting game in the series and after a very exciting hour's hurling in which the standard at times compared favourably with that of the higher grade, Kilgobnet emerged worthy winners in the county final against Ballygunner.

Abbeydale Shock Maryville

Abbeydale had their most impressive win of the season on Sunday last, at New Line Park. Pat fell during the whole game, but both teams played good football under such bad conditions. Playing into the wind, Abbeydale took control from the start and were unlucky not to be more than one goal up at half-time, as they had some near misses. Maryville looked dangerous in the odd breakaway, but found the Abbeydale defence a rare form.

John McGrath had his best game in goal so far, whilst Julius O'Leary and Flynn were stout all through, while Whelan at centre-half dealt competently with every attack up the middle. Left-half Mulvihill was unquestionably Abbeydale's man of the match. He seemed to revel in the heavy underfoot conditions and turned in his most impressive display to-date.
