GROUP OF YOLA TO CELEBRATE MASS AT THE PRIORY

The newly consecrated Bishop of Yola, Most Rev. Patrick Joseph Dalton, O.S.A., will celebrate Mass at the Priory Church, at 10 a.m. on Friday morning, 5th October.

Most Rev. Dr. Dalton was consecrated Bishop on Saturday morning in John's Lane Church, Dublin, by the Apostolic Delegate to West Africa, Most Rev. Sergio Pignedoli. The consecration took place in the presence of the President of Ireland, The Taoiseach, and a large number of presiding bishops. A number of Dungarvan people traveled to Dublin for the occasion.

R.T.B. POOLS

During the past few weeks several local members of the Rehabilitation Pools (four disabled persons) have been lucky enough to win cash prizes ranging from £5 to £250.

Last week Dungarvan produced yet another winner—Miss Keohane, 13 Murphy Pl., Abbeystown, who will receive a cash prize of £5-15-5.

DANCE IN THE TOWN HALL

CHURCH BELLS TO RING FOR COUNCIL

His Lordship the Bishop, Most Rev. Dr. D. Cahalan, asks the priests in the various parishes of the Diocese, and the Superiors of Religious Orders to arrange that the Bells of their churches and chapels should joyously ring out for approximately ten minutes from 9.50 to 10 a.m., on the morning of Thursday, 11th October.

This request has come from the Holy Father himself, as a means of solemnly announcing to the world the opening in Rome of the General Council of the Church.

His Lordship suggests also that on hearing the bells ring out on Thursday morning next we should raise our minds and hearts to God in prayer, to implore from the Lord of All, Divine help and guidance in this most solemn occasion in the life of the Catholic Church of which we are all members.

FLEW OUT TO JOB IN AMERICA

Miss Eileen Whelan, daughter of Mr. Michael Whelan, well-known skipper and harbour master at Helvick, and of Mrs. Whelan, left at the weekend for America.

She was seen off by members of her family and many friends when she flew from Shannon Airport on Sunday bound for New York, where she will reside with an aunt. Educated at the Presentation Convent, Clonmel, and in the Holy Faith Convent, Haddington Road, Dublin, she is taking up a secretarial post in the United States.

COUSIN GOT DUBLIN POST

Also for a secretarial job in the Rine Gaelacht at the weekend went Miss Kit Whelan, daughter of Mrs. P. Whelan and of the late Mr. Paddy Whelan, Helvick.

Educated at Scoil San Nicholas, Ring, and trained in commerce at Dungarvan Technical School, she took up an appointment in Dublin. She is a cousin of Miss Eileen Whelan.

DUNGARVAN'S HOUSING PROBLEM DISCUSSED

FURTHER BUILDING PLANS ENVISAGED

REFERENCES to the housing problems presently existing in Dungarvan were made at last Friday's monthly meeting of the Dungarvan Urban Council, when after a full-scale discussion on the matter it was decided to go ahead with the preparation of plans for further building of houses.

Mr. J. Howlett (Town Clerk)

said the Architect of the Boreenatra Scheme had been asked to consider plans for further houses when his present contract had finished. He (Mr. Howlett) suggested to him that the building of small type houses could be considered for old people. Six such houses could be fitted into the Boreenatra scheme which would then bring the number of houses to 40.

Mr. Howlett said the Architect submitted two types of houses that could be built—one at the estimated cost of £1050 and another at £1750, the latter to be built on a site near Clonnelly Tee. This report would have to go to the Department for discussion.

Continuing the Town Clerk

said they were now building 20 houses in Boreenatra. Progress was good and four houses would be completed in four weeks' time and the remainder in a few months. They hoped to have another scheme going when the present contract ex-

Letter to the Editor

Parochial House, St. Mary's, Clonmel.

Editor: "Dungarvan Observer," Dear Sir, As the sole survivor of the Promoters and Founders of Dickens Leather Company, I would like to express my very great relief and joy at the ending of the recent strike. And I would like to express my deep gratitude to all concerned in this happy result, especially to the Directors of the Company and the Officials of the Union. It is now 26 years since the Factory was opened and thank God it has a fine record of success a just reward for its excellent management and splendid workers.

I look forward with confidence to this Company not only maintaining its foremost place in the production of the best quality leather for the home and foreign markets, but even surpassing it if possible. This

will come about only through the most skilful technical direction at the top level and the loyal co-operation of the employees.

I understand that there is very naturally deep rejoicing among the many families, wives and children, dependant for a livelihood on the factory, at this settlement. May their prayers be heard, and their hopes realised.

Very Rev. T. B. Canon Walsh

Gaeltacht Missions The Mission at Old Parish, which is being held this week and is being conducted by priests of the Redemptorist Order is well attended.

The solemn closing takes place on Sunday. The Mission for Ring parish will open at Ring Church on Sunday night next.

SHEEPBREEDERS SUCCESSFUL SHOW AND SALE

A noticeable feature of the Co. Waterford Sheepbreeders' Association's annual show and sale, held at Dungarvan Mart, on Wednesday of last week and conducted by the well-known local auctioneering firm of Messrs. Quealy & Co., M.I.A.A., was the absence of black fibres in the rams on display. The sheep at the show were the cleanest ever.

There was almost 400 entries for the show—an increase of 50% on last year's figure. The show was one of the most successful in the history of the association.

Buyers from Cork, Louth, Kerry, Tipperary and Waterford attended, and the best shearing ram of the show was sold for 43 guineas by Curraghmore Estate, Portlaw, to the Co. Louth County Committee of Agriculture. Curraghmore Estates also had the second-highest price of 41 guineas for a black-faced shearing ram.

Thomas Quinlan, Curraheen, Rathgormack, won the special challenge cup for the best shearing ram confined to the mountain area of Co. Waterford. He also won the award for the best sheep in wool at the show. Another double was had by Curraghmore Estates for the best shearing ram and best three shearing rams at the show.

RESULTS Best shearing ram shown and sold at sale—1 and 2, Curraghmore Estate, Portlaw; 3, Liam Hassett, Kilclunney, Kilmacthomas; 4, Pierce Wall, Knockavannia.

Do (confined to the mountain area of Co. Waterford)—1, John Quinlan, Curraheen, Rathgormack; 2, Patrick Tobin, Kilbriery, Ballinamult; 3, Nicholas Walsh, Comeragh; 4, Patrick Cullinan, Knockavannia.

Best pen of three shearing rams shown and sold at sale—1, Curraghmore Estate; 2, Thomas Dunford, Ballinakill, Ballinacorney, Rathgormack; 3, John Quinlan, Rathgormack.

Best sheep in wool—1, John Quinlan, Rathgormack; 2, Pk. Flynn, Knockadrumlea, Stradbally; 3, Pierce Wall, Ballymacarby.

Best Pen of two shearing rams—1, John Fraher, Seart, Ballinamult; 2, James O'Grady, Seart, do.; 3, John Hickey, Kilbriery, do.

Best two shearing ram and over—1, Thomas Quealy, Baracree, Ballinacorney, do.; 2, David Power, Glenaneane, do.; 3, John Walsh, Bohodone, Dungarvan.

Best ram lamb—1, Liam Hassett, Kilmacthomas; 2, Wm. McCarthy, Kilbriery, Ballinacorney; 3, Pk. Walsh, Comeragh, Leamybrien.

LOCAL GAELTACHT WILL BENEFIT UNDER CHEAP CHICK SCHEME

The Department of Agriculture announces that the scheme for the supply of chicks at a reduced price to poultry-keepers will operate next season in the following areas in County Waterford:

(1) That part of the District Electoral Division of Ballymacart comprised in the townlands of Ballymacart Lower, Ballynamona Lower, Ballynamona Upper, Ballycreeen Sth., Ballycreeen North, Ballintlea South, Ballintlea North, Ballytrishane, Knockanore, Crobally Lower, Crobally Upper and Luskieran.

(2) That part of the District Electoral Division of Ringville comprised in the townlands of Ballynacourty South, Ballynacourty North, Ballynagool Beg, Ballynagool More, Ballyreilly, Barranstock, Carrigeen, Killinorin, Knockenpower Lr., Knockenpower Upr, Faha, Glencariska, Gortnadiha Lr., Gortnadiha Upr, Helvick, Lagnagoushee, Leigh, Mweelaghorna, Moanbrak, Moat, Rathmeneagh, Reamanagh, Shanacloon and Shanakil.

The distribution of vouchers will be effected during November by a number of centres in each of the above-named areas. The name of each centre and the date and time appointed for the distribution of

the vouchers will be notified by poster and by any other local means available. Poultry-keepers who wish to obtain chicks must attend at one of the local centres and will here be given the vouchers necessary to enable them to order up to four dozen chicks. The price payable at the local centre is 4/- per dozen.

The voucher must be obtained at the local centre and subsequent applications to the Department for vouchers will not be considered unless in exceptional circumstances.

Applicants may obtain whatever breeds or crosses are available at any of the hatcheries which have been selected to supply chicks under the scheme in the particular area. A list of such hatcheries is furnished with each voucher. Persons who receive chicks under the scheme may not resell the chicks supplied.

Poultry-keepers who purchase chicks under this scheme may obtain grants under the poultry Development Scheme towards the cost of chicken houses and chick-rearing equipment. Particulars of these grants may be obtained from the Committee of Agriculture or from the Secretary, Dept. of Agriculture, Poultry and Eggs Division, 16 Uppet Mount Street, Dublin 2.

LATE PATRICK

HENNEBRY

ARDO, ARDMORE

The sad event of the death of Patrick Hennebry, late Ardo, Ardmore, took place on Tuesday, Sept. 25th, at St. Joseph's Hospital, Dungarvan, after a duration of illness and in the fullness of years. He was a general favourite in Ardmore and surrounding districts. Sincere sympathy is extended to his sister, Miss B. Hennebry, with whom he resided and with his immediate relatives.

The remains were removed from the Hospital to Ardmore Church on Wednesday followed by a cortege of large dimensions and were blessed and received by Rev. Fr. Griffin, C.C., Ardmore, assisted by his grand-nephew, Rev. C. Hennebry, sub-deacon, St. John's College, Waterford.

Requiem Masses were celebrated on Thursday morning and the interment took place later in the afternoon at St. Declan's Cemetery. Another large concourse were present. Rev. Fr. Cahill, P.P., assisted by Rev. Fr. Griffin, C.C., and Rev. C. Hennebry, sub-deacon.

J. Kiely & Sons had charge of funeral arrangements.

LATE PATRICK

GUIRY

Curraodon, Ballinamult

The death occurred at his residence Curraodon, on Sunday, Sept. 10th of Patrick Guiry, after a rather long duration of illness. He was well-known and likeable personality and of a very cheerful disposition. He was a most industrious man in his earlier days. He was employed by the Knockmeal Co-Op. Creamery as carter from Cappagh Station.

Sincere sympathy is extended to his daughter, Mrs. John Dalton, Curraodon, and to his son-in-law and grand-children; to his sister Mrs. Julia Cleary, Grange, Cahir and also to his nephews and nieces in Ballyguiry, Dungarvan.

His remains were removed on Monday evening to Touraneena Church, followed by a cortege of very large proportions and were blessed and received by the Rev. Fr. Mulcahy, C.C., Touraneena.

Requiem Masses were offered on Tuesday morning and interment took place in the adjoining cemetery. Another large concourse attended.

Fr. Mulcahy, C.C., officiated at the graveside.

J. Kiely & Sons, Dungarvan, had charge of funeral arrangements.

LISMORE NOTES

FIRST GAME OF THE SEASON

Lismore soccer club opened the new season on Sunday last, when they played Abbeyside at the Castle Farm ground. The game, played in fair conditions, was hard fought throughout and was marred by petty fouling and some minor incidents. Home captain, T. Enderesen, winning the toss, elected to play with the strong breeze and the visitors kicked-off. With five minutes gone McGovern netted for Abbeyside. Almost from the kick-off, Lismore attacked, and Johnny Whelan had the ball in the net to level the scoring. Lismore piled on the pressure, and but for some fine saves by John McGrath in the visitors goal, would have taken the lead.

Against the run of play, Abbeyside again went ahead through McGovern, but this lead was again short-lived, when a shot by Pat Connors was scrambled away, but E. Dennis collected the clearance and shot to the net. Just before half-time home goalkeeper Enderesen was injured while clearing under pressure and though he played on, was very badly handicapped.

After the change-over Lismore had the better of the play but poor finishing lost them many chances. With time almost up Abbeyside scored from a blantly offside position, but the score was allowed, to leave them victors by 4 goals to 2.

Star of the game was undoubtedly Noel Keating at left full, who never put a foot wrong. Also, Billy Hogar at centre-half and Pat O'Connor on the left wing, were others to impress.

On Sunday next, Lismore travel to Fermoy to play Fermoy United.

KILMAC'

NEWS

By Beating Tramore in the Eastern Divisional Junior football championship at Walsh Park, Waterford, on Sunday, Newtown qualified for the Co. final in the grade.

Holidaying in his native Kilmac' these days is Mr. Robert (Bob) Phelan, eldest son of the late Mr. and Mrs. J. Phelan, who lived opposite the local Post Office. He emigrated 28 years ago and his present visit to the town marks his second since 1934. Chelsea, London is the place of his adoption and he is prettily positioned over there. In regard health and spirits, he is having a nice time among his relatives and friends here.

Miss M. Clifford, N.T., native of Killarney, Co. Kerry, replaces Miss Sheila Lucey, N.T., native of Droumanallig, Pallingeary, Co. Cork, as assistant teacher at Newtown National School, Kilmac'. Well and popularly known, Mr. Moe. Walsh, N.T., a native of Kilmac' is principal of Newtown N.S., where Miss Lucey taught for the past three years, and for a period she was Hon. Secretary to Kilmac' Thomas Guild of the I.C.A. A lady of poise and personality, she is now teaching in a N.S. near Cork City. Her elder sister is a teacher in the parish of Clashmore and Kinsalebeg.

Kilmac' Thomas, G. Tramore, NI.—Thus resulted this George French Shield tie (Association Football) decided at the Kilmac' Thomas venue, last Sunday. It was a very fast game, and Bertie Battye in the home XI's goal brought off some grand saves; his clearances always were well-timed and accurately directed. The winners (both individually and collectively) gave a great display. Scorers were: John Beresford (2 goals), Roy Battye (1), Pat Walsh (1), Don Casey (1) and John Byrne (1). Mr. W. (Billy) Collins, Waterford, refereed right rulefully and well.

Kilmac' XI: B. Battye; P. Walsh, S. Power, J. Phelan, P. Flynn, S. O'Reilly; D. Casey; J. Byrne, R. Battye, J. Beresford, S. Pender.

the Town Hall, on Friday night last which was a great success. The very large crowd present enjoyed a pleasant night's dancing to Pat O'Brien's Band.

SEASON CLOSES

The Araglen dance platform, which proved so popular during the summer months to dancers from all parts drew the curtains on yet another season on Sunday night last. This platform catered for all tastes, ceilí, old time, and modern, engaging some of the best bands in Munster. The inclemency of the weather has forced the platform to close rather earlier than usual this year.

BRICKEYS AND KILL ADVANCE

Mitchels Never Recovered From Disastrous Start

Brickey Rangers 4-5 John Mitchels 1-4

THE footballing marathon that Brickey Rangers and John Mitchels inaugurated many weeks ago was resolved in decisive fashion on Sunday last at Dungarvan, when before an attendance that paid £278-18-0, the Rangers at the fourth attempt, qualified to meet Geraldines in the championship semi-final.

But after the thrills and drama of the previous three encounters this fourth and final chapter was an unexpected anti-climax. Almost before it had begun, the game had been won and lost, when all that remained to be done was to determine Brickeys' final winning margin.

OPPORTUNIST GOALS
Three in the opening ten minutes the ball wound up in the Mitchels net—opportunist goals all, but scores that should not have been conceded by the losers' defenders. Each came as a result of tragic (for Mitchels) misfielding—a failing that the ever-alert Brickey men capitalised on with the minimum of fuss, but with the maximum effect.

And so Brickeys found themselves in a near unassailable position—and with only one-sixth of the hour gone. It was conceivable that only something approaching a miracle could salvage Mitchels from their unenviable plight. Thus it did transpire.

UNGRATEFUL
Under such circumstances a criticism of the standard of football would be an act of ungratefulness to all thirty participants. To play open constructive football would have been beyond the bounds of human possibility, and all things considered, both sides did as well as could be expected in their battle against the elements.

But while none can dispute the justice of the result, the ten-point margin that separated the sides at the close did scant justice to the spirited efforts of Mitchels. Territorially they had as much of the play as the winners, but the Rangers received all the breaks that were going, and left Mitchels with an uphill struggle from an early stage.

STAND POISED
Now the Bushy Park men stand poised to carry off the

clusive title at last. Admittedly Geraldines and Kill bar their path to a first crown, but judging them on Sunday's form they must be odds-on favourites to achieve their greatest ambition.

Although their defeat was a heavy one, Mitchels put up a tremendous battle. The final scoreline may seem a contradiction of that, but with the exception of the early decisive moments there was little or nothing between the sides.

OVER-ELABORATION
Foolishly, however, when Mitchels found themselves trailing badly, they became prone to over-elaboration, whereas Brickeys adopted first time tactics, which, under the prevailing conditions were the wisest ones to take, the losers continuously attempted to take too much out of the ball, and invariably ended up in trouble against unrelenting opposition.

THE SCORING
Scarcely had Billy Daniels set the game in motion when Brickeys found themselves a goal up. A perfectly placed free by Nicholas McGrath was fielded in the Mitchels goal-mouth by Tony Kirwan but he dropped the greasy ball, and in a flash it was forced over the line in a melee. Billy Kirwan opened Mitchels account with a point from a free, and almost immediately Seamus Kenny added a second.

Again misfortune befell the Comeragh men in the eight minute when it was the turn of full-back Waiky Connors to blunder and Patsy Murray duly accepted the gift to slam home goal number two. Two minutes later the Mitchels' defence again failed to clear its lines and a fisted effort by Murray left goal-keeper Sullivan with the embarrassing task of stooping for a third time to take the ball from the net. Murray tacked on a point before Billy Kirwan and Justin Spratt exchanged minutes to leave Brickeys 3-2 to 0-3 ahead at the break.

STRETCHED THEIR LEAD
Two minutes after the restart, Mick Farrell stretched the Rangers' lead to a clear three goals when he pointed a free. Their position now a hopeless one

BRICKEY RANGERS... through to the semi-final after four meetings with John Mitchels

Mitchels nevertheless continued to doggedly dispute supremacy and when Billy Kirwan brilliantly crashed a 21-yard free to the net on the three-quarter hour their flagging hopes temporarily soared.

Billy Kirwan sent a scorching over the bar that had it been six inches lower could have been picked out of the thatch. This was the result of a well-timed cross from Kenny.

But the Brickeys had the final say when Mick Farrell goalied from a penalty needlessly conceded in the dying minutes and Justin Spratt had the final point.

BRICKEYS BEST
For the Rangers, Nicholas McGrath, Pat Spratt and Patsy Donnelly were best in defence. Andy Hallissey played some great football at midfield, while Mick Farrell, a brilliant strategist, Justin Spratt and goal-grabber Patsy Murray were the stars in attack.

Mitchels were well served in defence by W. Connors (when moved to centre-back) Michael Kirwan and Pete Gough. Of the midfielders Noel Kirwan was best and Billy Kirwan still one of the finest forwards in the county. Bill Thompson and Jimmy Mansfield were the danger men in attack.

Brickey Rangers—R. Whelan, B. Spratt, N. McGrath, P. Ferncombe, P. Kilgrew, P. Donnelly, P. Spratt, A. Hallissey, M. Walsh, J. Spratt, M. Farrell, J. Woods, T. Foley, P. Curran, P. Murray. Sub.—W. Terry for Foley.

John Mitchels—M. Sullivan, T. Kirwan, W. Connors, W. Boland, M. Kirwan, P. Gough, C. Crowley, N. Kirwan, R. Connors, J. Mansfield, S. Kenny, B. Kirwan, M. Cowman, B. Thompson, T. Kirwan.

SALMON ROD CATCH RETURNS
The Department of Lands, Fisheries Division, wishes to remind persons who held salmon rod licences valid for the 1962 season that they will participate in a draw for free all-district salmon licences for 1963 provided they submit returns of their 1962 catch on the prescribed form not later than 31st October, 1962.

The co-ordination of anglers in furnishing their returns will contribute materially to the work of planned development of fishing waters.

Stradbally go under in dull Semi-Final

Kill 0-10 Stradbally 1-2

SENIOR football in the county received its worst possible advertisement in the form of an uninspired hour of negative fare, when Kill and Stradbally clashed in the semi-final of the county at Dungarvan on Sunday last.

Disappointing games I have witnessed before, but never can memory recall any encounter to plummet to such depths as this aimless and unimaginative football debacle between these neighbouring parishes.

Throughout, it was just one long bore. Neither side seemed to possess a set purpose and indeed many of the participants seemed more intent on becoming involved in totally unnecessary flare ups than going about the task on hands.

But if criticism can be justifiably levied on both sides, there can be no gainsaying the fact that Kill are worthy finalists for the first time in four years. They, and not the Red, were the only side to raise their play on occasions from the mediocrity which it was mostly engulged in and succeeded in revealing glimpses of what could be rightly regarded as a true criterion to their real potential.

That Stradbally could fall from grace to such an extent in twelve months was to my mind a pre-match impossibility. They were but a poor resemblance to the side that lost to Mount Sion in last year's final, while their methods of approach on Sunday were highly questionable at times.

COVERED UP
With the exception of the opening quarter when Stradbally's enthusiastic efforts partially "covered up" for their shortcomings, there were ominous signs that their championship bid for '62 was wanting. Even with the advantage of a strong breeze they failed to make any noticeable headway and Kill were in no way flattered by a three point interval lead. On the contrary, in fact, their 0-4 to 0-1 advantage could have been far greater had not three open goals been incredibly muted by over-caer forwards.

Nor could a fifth minute second half goal, scored from a penalty by midfielder Billy Barry act as an uplifting tonic for the game. That score left but a solitary point between the sides and seemed a formal guarantee for a rousing finish. But almost as quickly as Stradbally's chances of success blossomed, they petered out again and Kill completely dominated the closing stages.

DECISIVE DIFFERENCE
While the winners enjoyed a variety of advantages over the Reds, the most decisive difference between the sides was the scoring potential of the respective attacks.

Unlike Kill, who had scoring ability forwards in Paddy Duggan and Monty Guiry, the Reds' attack was as weak as the proverbial straw. Not one of the eight succeeded in raising a flag during the hour and all their scores came from headed balls by midfielder Billy Barry.

PEEVISH OPPOSITION
Confronted by such peevish opposition the winners' defence never experienced a moment of respite and their goal-keepers, Nick Whelan wasn't called upon to save once throughout.

The Kirwans, Michael and Tom took the honours in the full-line, while Tom Mooney and Achill Lannon were seldom outwitted in the half-line. Despite the best efforts of

who "stood in" for the effort, no chance.

Duggan and Barry then exchanged points but in the closing quarter which they monopolised to an even greater extent Kill added points by Flynn Tibbs, Kennedy (50') and Duggan.

Kill—N. Whelan, M. Kirwan, T. Kirwan, M. Hayes, G. Moon, T. Mooney, A. Lannon, N. Power, M. Kennedy, P. Duggan, M. Guiry, P. Finucane, M. Regan, M. Flynn, J. Tibbs.

Stradbally—J. Power, T. Foley, P. King, D. Gough, T. Walsh, P. Power, J. Fennell, B. Barry, K. Murphy, P. Casey, M. Casey, E. Casey, T. Murphy, J. Cotter, T. Guiry. Subs—P. Clancy to T. Murphy, J. Guiry for Cotter.

Referee—W. Jones (St. John's).

DUAL THREAT
While four of their forwards figured in the scoring returns it was the dual threat of half-forwards Duggan and Guiry that caused Stradbally greatest worry. Guiry took severe punishment at times as he tore open the Reds' defence, while Duggan picked off points with consummate ease.

What of Stradbally? Few could have been prepared for so substandard a display from them. They never mounted attacks with customary cohesion, while a complete lack of fitness left many of the side with headaches to merit before the game had run its course.

Their defence performed with more distinction than any other sector of the side and Tom Foley, Pat King and Tom Walsh are blameless for defeat.

At midfield, Billy Barry vaulted but gallantly disputed mastery with Power and Kennedy but received only token assistance from a surprisingly subdued Ken Murphy.

That they failed to score play is a condemnation in itself of the penetrating worth of the attack. The full line of Tommy Murphy, Cotter and Terry Guiry was seldom in the picture and it was left to the all-Casey half-line of Pierce, Mossy and Eugene to threaten most danger.

Within two minutes of the throw in Monty Guiry gave Kill the lead with a point. Five minutes later Barry equalised from a free for Stradbally but points by Guiry and Duggan (free) restored the Easterners' lead by the end of the first quarter. Despite facing the breeze Kill continued to dominate and Tibbs (twice) and Regan blazed wide from point blank range. In the 23rd minute Duggan added another minor and not undeservedly they turned over three points to the good.

Twice within minutes of the restart the Reds' defence luckily averted disaster — on the latter occasion at the expense of a '50' which Noel Power pointed. Three minutes later the issue appeared to be thrown open when Billy Barry converted a penalty—a shot that gave Martin Kennedy

BOVINE TUBERCULOSIS ERADICATION SCHEME

In recent published statements of the Irish Creamery Milk Suppliers' Association it was suggested that an extension after the end of this month of the period for the sale of reactor cows to canneries and for the headage grant arrangement would enable more farmers to qualify for clear herd bonus. This bonus is payable if, after the disposal of all reactor cows under the headage grant arrangement and the removal of any reactor cattle other than cows, the herd has a clear test under the B.T.E. Scheme.

Reference—W. Jones (St. John's).

Government Makes Arrangements for Unmillable Wheat

The Government has considered the position in regard to the wheat crop. The indications are that a significant proportion of the crop will be declared unmillable, mainly because of high maltose content, and such wheat can be sold commercially only as a feeding stuff. This would, of course, have the effect of reducing considerably the income which growers would normally have hoped to obtain from wheat, in order to counteract this reduction, so far as it is practicable to do so, the Government have decided to make a bonus payment to all growers whose wheat is declared unmillable of an amount sufficient, on the average to bring their total receipts from the sale of wheat (i.e. feed price plus bonus) up to approximately the lowest price for millable wheat prescribed in the Wheat Order, namely 52/6 a barrel.

The bonus payment will be 12/6 a barrel to growers of unmillable wheat in addition to the feed price which will be paid for such unmillable wheat. Growers delivering unmillable wheat to millers will be paid by the millers at the appropriate feed price; the bonus will be paid direct to each grower from the Exchequer in due course.

The total cost of the arrangements in regard to unmillable wheat is estimated at £2,250,000 of this amount it is calculated that approximately £1,050,000 can be recovered by means of an import duty on wheat without necessitating an increase in the price of flour and bread. The balance of £1,200,000 will be provided by the Exchequer. The levy of 3/3 a barrel on millable wheat will be returned to the growers who paid it.

TO REPRESENT OLD BORO'

THE 'BIG FOUR' TO PLAY IN TOWN HALL

The renowned 'Big Four' will make their first ever appearance at the Town Hall, Dungarvan, on Thursday night next, October 11th. They have successfully toured Germany and other Continental countries and the United States. A packed attendance is expected for this outstanding dancing attraction. See advertisement in this issue for further details.

JOHN CASEY, Main Stage who will represent Dungarvan in the Muller Avelis Competition at Dunmore East on Saturday and Sunday next.

Scotcher would have the opportunity of having a further test with a view to qualifying for a clear herd bonus. An extension of the period for the disposal of reactor cows for headage grant would not, however, help head owners who still have reactors for sale to qualify for clear herd bonus by the 30th November.

It is clear that the request for an extension of the period for the sale of reactor cows to canneries and for the headage grant arrangement has not been given a view to earning clear herd bonus but rather with a view to securing the £15 headage grant for cows of canning quality which head-owners would in any event be getting rid of at this time of the year.

STRADBALLY... failed disappointingly in last Sunday's semi-final.

JOHN MITCHELS... their championship hopes have ended.

SOUTHERLY GALE

Youghal experienced a severe storm on Saturday last when heavy rain fell in the afternoon and the spring tide was backed by a strong southerly gale. Residents along the sea front made the usual preparation to keep out the flood which proved to be unnecessary as at 7.5 p.m. at the top of the tide the wind changed to south west. Consequently there was only slight flooding in the town but the promenade wall and strand got a fierce hammering from the mountainous waves.

YOUGHAL BRIDGE

Many residents of the town were disappointed when they learned that on Monday last the 170 ton suspended span of the new bridge across the Blackwater had been dropped into position. The width of the span being 80 feet by 33 feet wide. Four 100 ton hydraulic jacks lowered the span into position at the rate of 9" per quarter of an hour. This operation had been eagerly awaited by many over the past week when the weather was found to be unsuitable for such a delicate operation. During the move there were many stops to check progress and make slight adjustments.

YOUGHAL FIRE BRIGADE THANKED

The following letter was received by Second Officer M. Loughlin of the Youghal Fire Brigade from Rev. Superior Christian Bros. Schools—Dear Mr. McLoughlin, We, the Christian Brothers, wish to thank you and your Brigade for successfully extinguishing the fire on our premises recently. Only for your prompt arrival and decisive action, not only would one building have been burned but the Monastery Schools and neighbouring houses would be in great danger. Youghal may feel secure and proud of the men in charge

of its fire-extinguishing equipment. Yours sincerely, Bro. D. F. Williams.
PARKING NEAR YOUGHAL FACTORY
Backwater Cottons Ltd., applied for and were granted permission to erect "No Parking" signs in the vicinity of the Main Gate to Seafield Fabrics Ltd., as cars were indiscriminately parked near the factory gates and were causing an obstruction to the 750 employees at both factories.

COBH/YOUGHAL RAILWAY LINE

In connection with the threatened closure of the Cobh-Junction-Youghal Railway line by CIE a meeting of all parties concerned was held at the Town Hall last week presided over by the Chairman of the Cork Co. Council, Mr. M. J. Corry, who welcomed the several public representatives present. In a letter addressed by the Secretary CIE to the Cork Co. Council it was stated that the revenue from the Cobh Junction-Youghal line was £32,853 and the loss £24,513 for year ended 31st March, '61. Following a prolonged discussion the Chairman proposed and Mr. C. Curran, Chairman, Waterford Co. Council, seconded that he be requested to give details of revenue from each station for freight and passenger traffic from Cork to Youghal. It was pointed out that on one Sunday this year 2,300 persons left Cork for Youghal by train. It was finally decided to await the CIE's reply to the resolution to be received in the future to be held in Youghal on Wednesday, October 10th.

CAPPOQUIN NOTES

OFFICER'S ESCAPE
Commandant Michael Dugan, who, with his wife and two sons, escaped injury when his residence in Howth was destroyed by fire on Saturday night, is a native of Tour, Cappoquin. He is stationed at Col. Barracks, Dublin. His many friends here were pleased to learn of the popular officer's escape.

SNOOKER FINAL

Interest in the final of the Novice Snooker Handicap, was shown by the large attendance in the C.Y.M.S. Hall, on Wednesday night. The winner was Jim Cahill of Aftane, who defeated Pat-ick Cunningham in two straight frames. Presenting the prizes, Mr. J. P. O'Brien, complimented both players on their display and expressed his pleasure at the success of the promotion.

REHABILITATION

On next Sunday, a Church gate Collection in aid of the Rehabilitation Institution will be held.

PRIEST'S DEPARTURE

Rev. Michael Olden, following a vacation here, has left for Rome to continue his studies in the Irish College.

THE LOODS

Extensive flooding occurred in the low-lying lands near the Blackwater, following the rain-storm of last weekend. In many cases the water was several feet deep. The Sports Field and farm lands adjoining were covered with water as a result of the collapse of a portion of the river bank on the western boundary of the property. The break occurred in the portion of the bank which had been rebuilt a few months ago and was caused by the pressure of the swollen river backed by the fierce south-westerly gale.

"COIS TINE"

The popular winter round the fire gatherings of the members of the Gaelic League will be held each Wednesday night during the coming season.

Ruling prices were: Bacon Pigs, 100/- to 177/6 per cwt. live weight; Porkers, 165/- to 180/- per cwt.; Strong Stores, £8.6s. to £10.5s.; Medium Stores, £6.6s. to £7.10s.; Bonhams, £4 to £4.5s.; Sows and Litters, £34 to £46-10s. each. The next market will be held on Tuesday, 16th October.

LISMORE A.F.C. ANNUAL GENERAL MEETING

The annual general meeting of the Lismore Association Football Club was held recently and the following is the Secretary's (Mr. Edmond Barry) report:—

I have great pleasure in submitting my report on the past season's workings. But before I do so I would like to take this opportunity to thank all who helped to make the season such a success. The shopkeepers who so kindly displayed our posters and sold tickets for our raffle; also all the other ticket sellers; the Press for its continued support and of course the car owners who so kindly put their cars at our disposal. Also the players, members of the club and the general public.

This year we decided, after much consideration not to enter the Waterford and District League. One of the reasons for this decision of ours was that there was no 3rd Division in this league, all teams going 2nd Division. The standard of 2nd division football, we felt, was too high for our team, most of whom are only minors. Another reason was travelling expenses, as most of the games would have been either in Waterford City or down the eastern part of the county and we felt we could not keep imposing on the car owners.

But all this did not prevent us from playing the game, and we had several challenge games against Youghal, both home and away, in junior and juvenile; Abbeyside, Dungarvan, Cappoquin and Fermoy United. Our best game of the season was undoubtedly the one against Ferrybank, in which we drew 2 goals all, on their home pitch at Rockshire Park.

We also ran a 5-a-side competition during the year which was a great success. One of the greatest achievements of the year was the enclosing of our pitch and though the cost of railings, etc., was a heavy drain on our resources, we feel that it was well worth it. I would like to thank Col. J. Sirock, Agent for Lismore Estates, for aiding us in this achievement.

I would like to offer my deepest sympathy to members of the Club who suffered bereavements during the past year. Finally I want to offer my sincere thanks to my fellow members on the Committee, who have helped to make my job a pleasant one.

LATE MISS MARY M. POWER

S.R.N., R.F.N.

The death took place on Monday, 17th September, at Lismore Hospital, of Miss Mary Power, S.R.N., R.F.N. She was a native of Carrowgarra, Cappagh, and was a well-known member of the nursing profession. She served under the Waterford Health Authority and spent twenty years on the staff of the Lismore District Hospital, holding for a period the post of matron. A lady of amiable disposition, her memory will be long cherished by those whom she gave devoted service and by her associates in the nursing and medical professions.

The County Health Authority was represented by Doctor M. O'Farrell, M.O.H., and Mr. J. A. Hynes, Secretary, when followed by many hundreds of mourners, the remains were on Tuesday evening removed to Modelgo Church, where they were received by Rev. C. Daly, C.C.

The burial took place on Wednesday in the adjoining cemetery, Rev. C. Daly, C.C., and Rev. V. O'Donovan, English Mission, officiating. There was again a very large attendance.

The chief mourners were: Edward, Carrowgarra (brother); Sr. M. Philomena Power, Paris; Mrs. K. Hodgkinson, London; Mrs. M. Luke, do.; Mrs. P. Barron, Knockalara (sisters); P. Barron and A. Luke (brothers-in-law); T. Barron, Knockalara (nephews); Mary Luke (niece). (Funeral arrangements by A. Walsh and Sons, Cappoquin.)

CALLED TO TRAINING

Miss E. O'Keefe, Ballinacash, Clashmore, has, as a result of a competitive examination, been called for training as a teacher. Miss O'Keefe, who also secured fourth place in examination for Co. Council clerkships, was educated at Mercy Convent, Dungarvan. She is second daughter of Mr. J. and Mrs. B. O'Keefe, N.T.

TALLOW NEWS

DEATH OF MR. W. MACKAY

It is with deep regret we record the death of Mr. William Mackay, Fountain, Tallow, which sad event occurred at his residence on Saturday, September 29th, after a brief illness. Deceased was a member of an old and highly respected family and was held in high regard by all. In his youth he was a member of the Volunteers and was brother of the late Quartermaster Tomas Mackay, I.R.A., who was killed by Free State Forces a short distance from his home in 1923 whilst fighting with the Republican Forces in the Civil War. The late Mr. Mickey, whom we could aptly describe as everyone's friend, had a fine sense of humour and his ever ready wit made him a general favourite not only in his native district but far beyond its confines. He was Treasurer of the local Fianna Fail Cumann.

The remains, accompanied by one of the largest corteges seen in the district for some time, was removed to the Church of the Sacred Heart, Knockanore, on Sunday. The coffin was draped in the tri-colour and a guard of honour of old comrades lined the route to the Church door. The interment took place on Monday following 10.30 a.m. Mass in the family plot in the adjoining cemetery. Very Rev. Fr. M. Power, P.P., Knockanore, assisted by Rev. Fr. Sean Nugent, C.C. Glendine, officiated. To his bereaved wife, daughter, brother and sister, the sympathy of his countless friends go out in their sorrow and loss.

The immediate mourners were: Mrs. E. Mackay (wife); Mrs. M. O'Keefe (daughter); Mr. John Mackay (brother); Mrs. K. Power, Lismore (sister), etc.

TALLOW FAIR

Tallow monthly fair, held on Friday, was not as large as previous fairs. Prices showed an upward trend and a good clearance was effected.

CHURCH CARE

On a recent visit to Knockanore Church we were struck by the beautiful way in which the interior of the Church is being kept. On enquiry as to who the caretaker was we were informed it was Mrs. W. Hayes. Strangely, and indeed, she must have made her work a labour of love, as the Church interior is a credit to her zeal.

GLENDINE PATTERN

Saturday last (Feast of St. Michael) was Pattern Day Glendine. Mass was celebrated at 9 a.m. by Rev. Fr. Sean Nugent, C.C. The parish of Glendine was, before the Reformation, known as Templemichael.

KNOCKANORE PAROCHIAL DRAW

The following are last week's results of above draw: £5—Mr. Thomas Hickey, Templemichael p.o.; Mrs. F. Casey; £1 each—Mr. P. Ahern, Killeagh, p.; Mr. M. Guiry; Mr. John Forbes, Tallow, p.; Mr. Tobin; Mr. John Butler, Youghal, p.; James Daly; Mrs. N. Parker, Templemichael, Youghal, p.; Mrs. F. Casey. Promoter's prize was won by Mrs. F. Casey.

SERGT. ON HOLIDAYS

Sr. Sgt. J. Griffin, Tallow G.S., is at present on annual holidays. He is accompanied by his wife and family.

BAD CONDITION OF ROAD

Residents of the Springfield Shanbally area are complaining of the very bad condition of about one mile of roadway in the area. Portion of this road was resurfaced, but for some reason this mile of road was left undone. We would request the County Council to have the matter attended to as soon as possible.

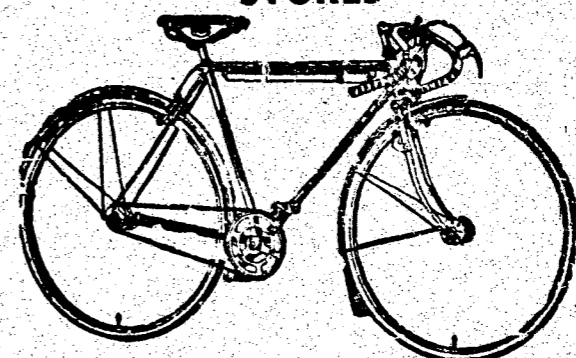

BOVINE T.B. ERADICATION

In connection with the purchase by the Department, under compulsory clearance measures of reactors in the Southern Area as from the 1st October, herd owners in Counties Cork, Kerry, Kilkenny, Limerick, Tipperary and Waterford who wish to sell cull reactors to the Department on or after that date are advised to make application to their local B.T.E. District Office without delay to have the reactors valued. They should indicate their individual herd numbers in their applications.

Any herdowner who has not yet joined the Scheme should apply without delay to his local B.T.E. District Office for a test of his herd. Failure to arrange for a test leaves the herdowner liable to prosecution.

The foregoing statement has been issued by the Government Information Bureau on behalf of the Department of Agriculture.

IRISH DOGS TO RUN IN U.S.

Bord na gCon has arranged to enter a team of Irish-bred greyhounds in a special international event to be held at the Biscayne greyhound race track in Miami, Florida, in December next. The team of three will depart from Shannon Airport for Biscayne on Wednesday, 3rd October, 1962, and consists of the following greyhounds —

Toast the Prince.
 Dai and Duck, Lios Mire and

It will be recalled that the representatives of Bord na gCon visited the U.S. last February with the object of ascertaining whether a market for Irish-bred greyhounds could be developed in the U.S. The key centres of the greyhound industry in the States were visited and discussions were held with track representatives, State Racing Commissioners, representatives of the National Coursing Association, owners, breeders and trainers.

It was the consensus of opinion among owners, breeders and interested bodies in the U.S. that at the present time there exists an opportunity for increasing exports of Irish-bred greyhounds to their country. They explained that originally all their greyhounds were imported from Ireland. With the past decade or so, American breeders have concentrated almost exclusively on Australian blood lines and at present, Australian sires dominate breeding. A new blood line is now considered necessary. It was suggested that the Board should send out top-class greyhounds to re-establish the reputation of the Irish-bred greyhound and to prove that the Irish breed is pre-eminent.

The Board is confident that the team purchased is the most suitable available to master racing and climatic conditions in the U.S. which differ greatly from this country.

It is expected that there will be six starters only in the Biscayne International (eight dog races are standard in the U.S.) and that two places will be reserved for Ireland. The final choice or runners to represent

Ireland will only be made following a period of training and acclimatisation in the U.S. The Irish challengers will be trained in the U.S. by Mr. Patrick Dalton (Licensed trainer) of Golden, Co. Tipperary, who will accompany the greyhounds on their flight.

The following are details of the greyhounds being sent out by the Board —

Dai and Duck (Knockour Agate ex Quare Princess) is a bridled bitch, whelped May 1960, bred by Mr. Edmond Kowles Ballintubbert, Athy Co. Kildare, and previously owned by Mr. James Maloney Tonaifarna, Vicarstown, Portlaois.

Dai and Duck has only been twice unplaced in 13 starts and recorded 34.07 at Shelbourne Park for 600 yards flat on 23rd June, 1962. This is best time recorded to date for this distance at that track this season. She also recorded 29.63 seconds for 525 yards flat when winning at Shelbourne Park on 12th June, 1962. This is the best time recorded by a bitch at that track this season.

During the past coursing season, Dai and Duck was a trial stake winner at the Old Killeen meeting and was unplaced in the Oakes (unsighted in third round). Racing weight 64 lbs.

Lios Mire (Knockhill Chieftain ex Lady Lou). This bridled January 1961, dog has only been unplaced once in 10 starts — the final of the 1962 Irish Laurels where he finished 4th. Racing weight 76 1/2 lbs. Lios Mire was bred and previously owned by Mrs. John Morley, Lisnare, Newmarket, Co. Cork. Best time recorded to date for 525 yards flat, 29.71 seconds.

blue bridled January 1960 dog has only been unplaced four times in 38 starts. He has won 20 top class races including the 1962 Grand Prize, run at Enniscorthy track. He recorded 34.16 seconds for 600 yards flat when winning at Shelbourne Park on 16th June, 1962, and 29.62 seconds for 525 yards flat at Harold's Cross on 20th October, 1961.

Toast the Prince was bred and previously owned by Mr. Patrick J. Brennan, Ballin-Killen House, Bagenalstown, Co. Carlow.

Mr. Dalton will also be bringing out with him on behalf of Mr. H. London of Glasgow the greyhound, King of the Congo, a bitch, which will represent Scotland in the Biscayne International, is, of course, Irish-bred (he is a litter brother to this year's English Greyhound Derby winner, The Grand Canal).

King of the Congo was bred by Mr. Patrick Dunphy, Castle-rome, Co. Kilkenny, and was purchased recently by Mr. Louisa from Mr. Edward J. Limerick. This dog has raced with distinction over the following distances —

Abnemo, 47, Roche's Street, 525, 550, 600, 700 and 745 yards.

He has only been unplaced 5 times in 24 starts. Racing weight, 69 lbs.

The prize money for the Biscayne International will be 5,000 dollars plus added money. A final decision on the distance

for the race has not yet been reached but it is expected to be run over 550 or 605 yards. The Irish team of greyhounds was purchased by the Board's agents, Messrs. P. Dalton (Golden) and K. Joyce (Clonmel) following consultations with the Board's representatives. The total cost of purchasing the greyhounds will be met by the Board. A contribution towards other expenses arising will be forthcoming from the promoters of the event.

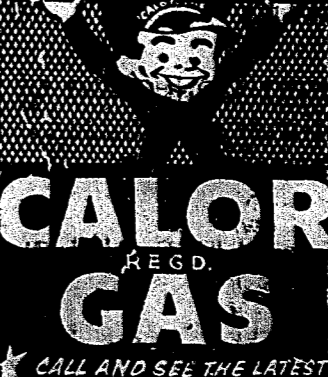

Future racing plans for the Irish contingent have not been finalised as yet.

It will be remembered that a British challenge under the late Mr. Leslie Reynolds, the prominent British trainer, was unsuccessful in a similar international event promoted at Biscayne last year.

It is understood that Mr. Reynolds' charges failed to acclimatise.

The reports of the Board's officials who made a detailed study of U.S. racing conditions earlier this year, confirm the British experience that considerable difficulties have to be surmounted by visiting teams of greyhounds. The Irish trainers will be required to race on a sand surface pursuing an inside-line from grass with almost completely covered fronts which open outwards. U.S. racing muzzles are much heavier than those used in Ireland but the Irish team has been exercised and galloped wearing this type of muzzle. The Irish dogs dogs will also have to be kennelled at least two hours before the start of racing in accordance with U.S. racing practice.

Kilmacthomas News

First of its Kind in this Country.—The Minister for Agriculture, Mr. Smith, on Wednesday, 26th ult., opened a rural domestic college for disabled women at Coolamber Manor, Lisryan, Co. Longford. Equipped and furnished by the Rehabilitation Institution for £40,000, the College will accommodate 60 women who may train for employment in poultry-keeping, laundry work, cookery, butter and cheese-making and horticulture.

The principal of the new college is a very widely known and esteemed Co. Waterford lady, in the person of Miss Kathleen O'Brien, who first saw the light at Knockour, Stradbally, and who is a sister of Mr. John O'Brien, N.T. (Principal), Goresbridge National School, Co. Kilkenny, and first cousin of the late Rev. Fr. John Vincent Butler, O.S.A. (who was born at Rathmaiden, Kilmacthomas).

Two Science Laboratories, a domestic science room and seven music rooms comprise a £50,000 extension to the convent of Mary Immaculate of Conventary School, Roscommon. This new wing was opened and blessed on Wednesday week (26th ult.) by Most Rev. Dr. Vincent Hanly, Bishop of Ephin.

The attendance included Tomas Uas O'Flainn, senior inspector, Department of Education, who belongs by birth to Co. Waterford's Cove Village of Stradbally.

Felicitations are most cordially offered to Miss Catherine Beresford (eldest daughter of Mr. and Mrs. T. Beresford, Kildwan, Bonmahon) and Mr. Michael Power (son of Mrs. Margaret Power and the late Mr. Patrick Power, Carrigeen Kill, Kilmacthomas) on their marriage, which, with Nuptial Mass, was solemnised in the Church of Our Lady of Mount Carmel, Kill, by the Rev. L. Walsh, C.C., do. The popular pair, who received numerous valuable wedding presents to mark the auspicious occasion, have the very best wishes of their many friends for their prosperity and happiness in their matrimonial sphere.

The Cove Village of Stradbally was the birthplace of Mr. Patrick Hayden, Cloth Hall, New Ross, Co. Wexford, whose death took place at St. Joseph's Home, Waterford, on the second day of last week (Feast of St. Finbarr), following a comparatively short illness and at a moderately advanced age. He was not out of his teens when he went to New Ross, where he got on the staff of the Cloth Hall. Later, he became joint-director of the concern with Mr. John French, by whom he was predeceased.

The late Mr. Hayden was a golden jubilarian of the Pioneer Total Abstinence Association and was for many years President of the New Ross branch of same. He was a brother of Madame St. Anne, Convent of the Sacred Heart, Castle, Cumberlandshire, England.

The remains were removed to the Parish Church, New Ross, and subsequent to the celebration of Requiem Masses the next day, interment was made in St. Stephen's Cemetery nearby in the presence of many mourners and sympathisers.

Mrs. Downey, a very well-known, active member of Kilmacthomas Guild, Irish Countrywomen's Association, has won the brown bread baking competition organised by the Guild and is to be congratulated on her success.

The Annual Rally for members of the Waterford and District Centres of the Pioneer Total Abstinence Association took place in the Cathedral of the Holy Trinity, Waterford, on Sunday last (30th ult.) at 7.30 p.m. A specially chartered bus conveyed the members of Stradbally Faha - Ballylaneen Centre to and from the rally.

Spiritual Director of the Stradbally Faha - Ballylaneen Centre is the Rev. Fr. M. Fennell, C.C., Stradbally, by whom the members were accompanied on the occasion.

Son of Mrs. L. V. Battye, supplier of electrical equipment, TV and radio sets, Main Street, Kilmacthomas, and the late Mr. R. D. Battye, is Mr. W. A. (Bertie) Battye, Electrical Engineer, who has just opened business at 86, Main Street, Carrick-on-Suir, where he stocks a huge assortment of radio and television sets, as well as all requirements for users of the E.S.B. current. A winner of the National Certificate in Electrical Engineering, Mr. Battye will, in his lines, be a boon to the people of Tipperary and adjoining counties, for by dealing with him, they will receive top value, save time and make their money go farther. He is the possessor of many admirable traits of head and heart, his stocks will be offered at the keenest prices in a manner most acceptable to the public.

Bad Weather.—Torrential rain and terrific gales were experienced in this area over the last week-end. Rivers and streams were in heavy spate and all low-lying lands water-logged at the time of writing. Damage caused by the violent display of Ventus included the uprooting of trees, dislodging of slates and fragments of masonry from roofs, and the dislocation of a cable conveying electricity (which the E.S.B.'s nearest repairs operatives quickly set right).

WEST WATERFORD NEWS

THE STORM
 Last Saturday evening's storm was particularly severe in this area. Gusts of up to eighty miles an hour knocked down trees, tumbled corn stacks and blew slates off houses while torrential rain resulted in swollen rivers and severe flooding in low lying districts. Uncut corn was seriously dismaged.

Conditions were especially severe along the coast which was lashed by huge waves and as the tide rose, breakers crashed over the promenade at Ardmore and over the seawall, along the road near Youghal Bridge. Along this stretch passers-by were drenched and conditions for traffic were hazardous for a period.

THE BEET SEASON
 The beet season in this area is now in full swing and deliveries began last week-end. It is stated that despite the bad summer both yield and quality are reasonably satisfactory.

ARDMORE MAN'S DEATH
 The death occurred at an advanced age, of Mr. Patrick Hennehy, Ardmore. To his bereaved sister and relatives sympathy is extended.

POPULAR CLASHMORE LADY WEBS
 Congratulations are extended to Miss E. McGrath, Knockan-egis, Clashmore, on the occasion of her marriage to Mr. William Foley, Ardmore. Both bride and bridegroom are very popular in this area and their many friends join in wishing them many years of health, happiness and prosperity. Mrs. Foley has been very prominent in the social life of her native parish and was an unselfish worker in every movement for the betterment of the district.

The wedding breakfast was held in Green Park Hotel, Youghal and the honeymoon is being spent on the Isle of Man.

E.S.B. DEVELOPMENT
 The development of the Drum area is now completed. Some people, who had been original acceptors, refused to instal current due to the severe impact of the Special Service Charge. These are people living in remote districts and officials of the E.S.B. have stated that it would be entirely uneconomic to give them electricity at the regular rates. On the other hand, the people concerned have said that the charge they were asked to pay was exorbitant and out of proportion to the value of the service offered.

ANGLING SUCCESS
 Congratulations to Mr. Kevin Coughlan, P.C., Ardmore, on his recent success in an angling competition. Mr. Coughlan, who is one of the founders of the Ardmore Angling Club, is also agent of the Sugar Beet Company and of the E.S.B. He is keenly interested in public affairs and is a member of the local O.A.P. Committee.

ROAD WORKS
 Work on the widening of the main road between Grange and Youghal Bridge will commence in the near future. Extra road workers will be taken on for the project, which has been made possible by a State

Grant of £15,000.

JUMBLE SALE
 The annual jumble sale, in aid of local District Nursing Association, will be held at Ardmore on Sunday next. It is hoped that the general public will generously support this very worthy object.

G.A.A. CARNIVAL
 It is intended to hold a carnival in aid of Clashmore G.A.A. Club in the course of a few weeks. Full details will appear in our advertising columns later.

SYMPATHY
 Clashmore G.A.A. Club tendered sympathy to Rev. Fr. M. J. Russell, C.C., on the recent death of his mother.

INADEQUATE ADVISORY SERVICE
 Since the post of Parish Agent lapsed early this year, the Aghlish-Ardmore-Clashmore area is without an adequate agricultural advisory service. The reason for this very unsatisfactory position is as follows—When the post of Parish Agent was terminated, it was the responsibility of the Co. Committee to supply an agricultural adviser. Due to pressure from a number of agricultural bodies the County Council made certain steep reductions in their Estimates and amongst them the items pruned was the contribution to the Agricultural Committee. This left this body in the position that it was unable to make any appointments and thus the area mentioned has been left without an agricultural instructor. Due to the financial position of the committee there is no immediate prospect of the position being rectified.

VOLUNTARY HEALTH INSURANCE SCHEME

The Voluntary Health Insurance Scheme was introduced five years ago, that is, in October, 1957, and it is appropriate to record that the amount paid out in claims over that period has now reached £1,000,000. This represents 26,000 claims. This amount was distributed approximately as follows: for hospital maintenance, £400,000; for surgeons', physicians' and anaesthetists' fees, £450,000; for other auxiliary hospital services, including x-rays, drugs and medicines, £150,000. 200 to 250 claims, at a cost of £7,500-£10,000, are now being paid each week.

There are at present 60,000 subscribers to the Scheme. These account, with their wives, children and other dependants for 160,000. 750 Group Schemes have now been formed.

N.F.A. NEWS Our Farmers Stand To Gain

WIDESPREAD GOODWILL TOWARDS IRELAND

Having made a thorough on-the-spot assessment of the possibilities for Irish agriculture in the Common Market, he was certain that there were many real opportunities for an expanded Irish Agricultural Industry. This was the opinion expressed by Mr. Richard Deasy, President of the National Farmers' Association, at a Press Conference, given on his return to Ireland, last week.

Our farmers stand to gain considerably by our entry to the European Community because we would then obtain economic prices for our produce in a stabilised market.

If we are to make the most of our opportunities, we cannot afford to let things drift. We must improve our production, develop still more the processing of farm products and expand our marketing efforts.

Another interesting point that struck Mr. Deasy was the widespread amount of goodwill towards Ireland which he found in European Countries. They recognised Ireland as a separate entity in English speaking

Europe. In all the discussions that took place it appeared to be generally accepted that Ireland would become a full member of the Community.

During his tour he met Ministers for Agriculture, Senior Government Officials and Leaders of National Farmers' Organisations, in Italy, Belgium, France and Britain. The fact that Ireland was setting up an office in Brussels was welcomed by our counterpart organisations in Europe. The function of the office will be to give our farmers a direct link with day to day developments in European Agriculture.

While there are undoubtedly prospects for many products, the most promising line of development appears to be in our livestock and livestock products.

The wholesale rejection of wheat coupled with deteriorating weather conditions resulted in an emergency meeting of the National Grain Committee of the N.F.A. last week. This was followed by a meeting with the Irish Flour Millers' Association and immediately afterwards by a meeting with the Minister for Agriculture, Mr. P. Smith, T.D.

An increasing proportion of wheat now being offered to the mills is being rejected as unmillable on the standards set by the Flour Millers.

Under these circumstances the N.F.A. deputation asked the Minister to arrange for the wheat to be paid for at wheat order prices, and for the lower 'limit of bushel weight in the wheat order to be deleted.

The Minister acknowledged that a decision was urgently needed and promised to bring the recommendations of the deputation to the notice of the Government immediately.

Farmers are again urged not to withhold their wheat from the mills and where wheat is classified as unmillable they are advised to have the bushel weight and moisture shown on their dockets.

The N.F.A. sought out every available sack in the country and also enquired into the position in Great Britain and Northern Ireland. Extra bags were made available to farmers from many different sources.

We would like to record our appreciation of the help given by different bodies. The fertilizer manufacturers have made available the sacks which they had in stock for the coming season. The Irish Sugar Company, has given out all the sugar bags it can spare. All possible sources were tapped.

Some sack hire merchants were able to import a small number from Britain where the crux of the shortage is still not over, due to a harvest which is reported as being potentially the biggest since the war.

In some parts of the country farmers had to use polythene sheeting spread on firm ground thus providing a satisfactory base for heaping grain. The grass was covered with another sheet at night.

Meanwhile, the N.F.A. urges farmers to take all the care possible of filled sacks in their keeping. They should be kept from standing on bare damp ground where they will be liable to rot and farmers themselves will have to pay for it in the end.

The function of the office will be to give our farmers a direct link with day to day developments in European Agriculture.

While there are undoubtedly prospects for many products, the most promising line of development appears to be in our livestock and livestock products.

The N.F.A. is very conscious that the dairy farmer stands to lose more than anyone else in the drive to Eradicate Bovine T.B. and because of this we have always sought for adequate compensation for reactors and farmers should not dispose of their reactor cows now at unrealistic prices.

The present scheme which has been in operation for the past three years under which farmers sold their cows to the canning factories and received an additional bonus of £15 from the Government is scheduled to terminate on Sunday, 30th September, 1962.

This scheme will be replaced by a new one under the provisions of the new scheme the Department of Agriculture will purchase cow reactors direct from farmers at market value and dispose of them under contract to the factories.

The National Farmers' Association is continuously in touch with the Department of Agriculture and other interests with regard to this matter. We are assured by the Department that the prices which will be paid under the new scheme will be at least as good, and may in fact be better than the prices which the farmers have been receiving under the present scheme including the £15 bonus.

Therefore, there is no need for farmers to rush their reactor cows on to the market before the 1st October, 1962, unless they are endeavouring to have a clear herd.

With regard to the qualifying date for a clear herd, the N.F.A. is pleased to record that following discussions between the Association and the Department of Agriculture last March, the Department decided to extend the qualifying period from the 30th September, 1962, to the 30th November, 1962.

We appreciate this gesture on the part of the Department as showing a genuine sympathy for the real difficulties facing those herd owners who were trying to have a clear herd. We have since asked the Department to stay with these farmers and to give a further extension of the qualifying period to the 30th January, 1963.

We have a large capacity for dealing with the canning of cows in this country, and we are satisfied that the vast majority of the firms engaged in this business have made and are making a genuine effort to relieve the pressure.

It appears that canners' agents may have been prepared to create the present confusion for their own advantage. Confusion leads to panic and panic leads to loss of money unnecessarily. Hence farmers should be aware of the following statement:

"The eradication of Bovine T.B. has been a costly item to the farmer and particularly to the dairy farmer. As the N.F.A. said in a public statement last week, and on all previous occasions: 'The N.F.A. is very conscious that the dairy farmer stands to lose more than anyone else in the drive to Eradicate Bovine T.B. and because of this we have always sought for adequate compensation for reactors'."

"In March of this year the N.F.A. sought an extension from the Department to the qualifying date for a clear herd and an extension of two months was obtained. The N.F.A. has continued to press for an extension to January 30th, 1963. The Association has asked farmers not to sell at unrealistic prices since in the course of negotiations an assurance was received from the Department that the prices which will be paid under the new scheme will be at least as good, and may in fact be better than the prices which the farmers have been receiving under the present scheme including the £15 bonus."

One of the most important meetings ever to be held in Ireland is likely to take place next May. This was mentioned by the President of the N.F.A., Mr. R. Deasy, at his Press Conference last week, when he said, that preliminary investigations and enquiries have already been made, about the possibility of holding the next General Conference of I.F.A.P. (International Federation of Agricultural Producers) in Dublin.

FOOTBALLERS SHOULD OVERCOME KILKENNY

● Gaelic Jottings

● Last Sunday's Games

Those of us who defied the atrocious weather conditions to witness last Sunday's senior football championship games at Dungarvan unfortunately received scant compensation for the hardships that had to be endured throughout an afternoon of sheer boredom.

Without undue difficulty Kill qualified for the county final at Stradbally's expense, after a game that must strongly rival the all-time flops of this or any other championship year.

Nor did the "game" of the day—the fourth meeting of Brickeys and John Mitchels succeed in lifting the gloom that had descended on the venue after the opening game. Spirited as were the efforts of both sides, they found it very difficult to overcome the the living climatic conditions, a total of 100 minutes of the huge attendance "stuck it out" to the end. Brickeys struck their decisive blows early on, and inside ten minutes scored three somewhat fortunate goals.

Mitch's never subsequently recovered from the shock of these losses. Terrifically they had more of the play than the Brickeys, but their enthusiasm was badly sapped, and they never moved with the same precision they displayed in the three previous encounters.

Ironically, a so-called fortune, when needed most, turned its back on the Kilrossanty men. Those early goals were conceded with a simplicity that astounded the Brickeys—not to mention Mitch's, and ruined the pre-match speculation that yet another "skin-tight" game would be the outcome of the year.

But if a ten-point winning margin grossly flattered Brickeys, they can deny them the right of their place in the semi-final and at Goalposts. The conditions, though unsuitable to both sides, were particularly unfavourable to Mitch's whose slick passing movements became repeatedly hampered down in the treacherous under-foot conditions.

The Rangers with the exception of Goalposts supporters will be the new darlings to oppose Kill in the decider. The championship jinx that has plagued both Brickeys and Kill down through the years is on the verge of being smitten in no uncertain fashion.

Of the three remaining clubs the Agishers are the complete outsiders. Impressive though their form has been so far in the campaign, they must be rated underdogs against the Rangers—a position however they have thrived on to-date. They were equally unfamiliar against Admore in the county final, and yet cast aside the challenge of the seashore with unbelievable ease. In the light of such circumstances Brickeys cannot take anything for granted. For to underestimate Goalposts would be an error that could easily with it the championship.

OBSERVING WINNERS
The loss of the Kill county title is a bitter pill to swallow. On considering the game strong contenders for the title were the Agishers and the Rangers who were both playing and having by both sides.

Whatever goal football there was came from Kill, but even all the standard was reckoned. Frequently there were violent outbursts of temper when boots rather than the honourable fists were used.

That Kill are capable of much better than they displayed against the Reds, is an undoubted fact. True the 0-10 to 1-2 victory was as easily attained as the score suggests, but even with so convincing a winning margin they were far from invulnerable.

Against better opposition however, it is not unreasonable to expect a different Kill, and I do not am prepared for a 100% improvement on final

● Next Sunday's Games

The gaelic limelight is shared equally by three venues on Sunday next—Waterford, Dunhill and Dungarvan—all staging games of importance. At the city venue, Waterford's footballers open their national league campaign against Kilkenny, while Dunhill and Dungarvan are the scenes of battle for the semi-finals of the senior hurling championship. At Dunhill the Cheasty-led Ballyduff take on the might of the holders Mt. Sion, who are bidding for their tenth successive title. On all known form there should only be one result, but the form book has been shattered before, and at the county venue Ballyduff's chances will be better than if the game had been fixed for the city.

At the Old Boro' venue Erin's Own will be attempting to qualify for their fourth final in a row. Barring their way Abbeyside, who have invariably found the championship a happy hunting ground for them, and if the Poleberry side are favourites, Abbeyside must nevertheless be in the game with a great chance.

FOOTBALLERS' FANCIED
Should the county's footballers fail to earn their 1962/63 league campaign with a win against Kilkenny, it will be a major disappointment to followers.

The championship displays of the Waterford men has sent confidence zooming through the county. Though beaten by Kerry in the Munster semi-final, they scored 2-6 against the King on defence—a feat neither Cork, Dublin or Roscommon attacks could accomplish.

On the basis of that fact alone, Waterford should succeed on Sunday—and it is hard to see anything to spare the county.

DETERMINED
Erin's Own on Sunday will be attempting to qualify for their fourth successive county final. Three times in three years they have tasted the bitter cup of defeat at the final hurdle against Mount Sion but here they are more determined than ever to make '62 their year. But while the determination of Mount Sion may be

MOUNT SION FANCIED
Perhaps the most apt description for the Dunhill game in which Ballyduff throw down the gauntlet to Mount Sion is that of "David and Goliath."

Ballyduff in only their first year in the senior grade have done remarkably well to reach the semi-final stage. In the last round they convincingly beat Dungarvan on their own pitch and since then have been "hard at it" to ensure peak fitness for their greatest test to-date.

It goes without saying that inter-county star, Tom Cheasty will be the key figure in their attempt to cause the hurling sensation of the decade. But should the Powers and company pull their weight, 'Sion

CONFIRMED GOAL-POACHERS
But should the Village pair confound this belief then an upset will be more than a possibility. In attack Willie Redmond, Dick Whelan, Liam Enright and Denis Flynn are confirmed goal-poachers who, if plentifully supplied could crack a defence of even Erin's Own standing.

IMPOSING ARRAY OF TALENT
The City side presents an imposing array of talent, headed by such accomplished individuals as Joe and Jackie Cordon, Jim Irish, Joe Coady, John Meany, Charlie Ware and

REMARKABLY WELL
Against such a talented side one cannot expect Ballyduff to succeed. Their challenge will be hampered by determination, but the most they can possibly hope to achieve is to run the champions close. That is not an intended slur on Ballyduff either is it an indication of 'Sion's present day strength.

FOOTBALLERS FACE KILKENNY
Waterford's footballers—no longer the underdogs of the province, make their league debut on Sunday, at the City Sportsfield, when they face a Kilkenny side that travels to the city in hope than confidence.

Waterford are holders of this section of the league, and although Sunday's side shows

THE WATERFORD TEAM IS: S. O'Rourke (Kilrossanty); T. Moloney (D.O.); E. Mooney (Ardmore); M. Kirwan (Kill); T. Power (Ardmore); M. Kennedy (Kill); M. Connolly (Poulnelwater); M. Gairry (Kill); A. Hallissey (Brickeys); T. J. Hartly (Ring); J. Hewitt (Valley Rovers); J. Spratt (Brickeys); T. Walsh (Stradbally); N. Power (Kill); T. Kirwan (John Mitchels); Subs.: N. Walsh (Kilrossanty); P. Haaty (Ring); P. Murray (Brickeys); V. Byrne (Enniscorthy); W. Connors (John Mitchels).

WHILE the initial appearance of Waterford's footballers against Kilkenny at Walsh Park in the 1962/63 League campaign will be awaited with interest on Sunday next, the majority of followers will become hurling-minded this week-end as both championship semi-finals down For decision at Dungarvan and Dunhill. The Old Boro' venue stages the Erins' Own - Abbeyside game, while Mount Sion step out in defence of their title against last year's junior champions, Ballyduff, at Dunhill.

Outside the Abbeyside and Ballyduff camps there are few, if indeed any, who would predict other than yet another all-outly decider between Waterford's greatest rivals. But shock results have become part and parcel of every such campaign and a note of caution is essential in this pre-match summary of Sunday's games.

While each venue can lay claim for being the centre-piece of the most attractive game, the writer feels that the Dungarvan meeting of Erin's Own and Abbeyside will provide the most absorbing spectacle of the day.

MIXED FORTUNE
Latest reports from their training camp brings news of mixed fortune. The return of Austin Flynn who missed the quarter-final against Collihan will add strength and solidity to the side. On the other hand mentors are perturbed at the news that centre-back Mick Kieley is an extremely doubtful starter. Kieley broke a finger against the Rockies and although the plaster-cast was removed early in the week, the finger is still tender and painful. He has deferred a decision on playing until the week-end but presently his chances of fielding are slim.
