FURTHER HOUSING SCHEMES FOR DUNGARVAN

THE magnificent results achieved by the recent deputation from Dungarvan Urban Council to the Minister for Local Government regarding further housing plans for the urban area were outlined by the Chairman, Deputy T. A. Kyne at last Friday's meeting of the Council.

Deputy Kyne said the reason for sending the Deputation was because of the Department's refusal to sanction the erection of six old peoples' houses on the Boreenatra site. Their opinion was that the site was inadequate. Regarding the Council's plans for houses at Cloney Tera, the Department also held the view that there were 200 houses in the vicinity, the space as indicated on the proposed layout should be held as an open space.

The Deputation consisted of the Chairman (Deputy Kyne), the Architect, Mr. B. Johnson, Mr. P. Walsh (Town Engineer) and Mr. B. White, Acting Town Clerk.

Dep. Kyne said at first the Dept. officials were very definite about the Cloney Tera site being kept for a playing space. However, when they (Deputation) put forward the argument that it was not being availed of as a playground, the Dept. were prepared to build on it on certain conditions. They finally agreed to it, subject to their approving of the sketch plans.

Re the Boreenatra Scheme, Dep. Kyne said the Dept. would not agree to six houses being built in a small plot. They designed a different scheme however, whereby they could build eight small-type houses (two more than originally planned), but would lose two of the big sized ones.

Colr. Thomas Lee asked when would the ball alley be knocked down? The sooner the better he said as it was of no benefit.

Colr. R. Walsh said some of the people in the area approached him about it and were anxious to have it removed.

Mr. B. White (Acting Town Clerk) said the Dept. would allow two houses on the ball alley if knocked down.

Colr. R. Walsh congratulated the Deputation who secured what they had set out to do.

The Dept. also guaranteed a speeding up of the housing schemes, which was also very important.

Deputy Kyne said he did not see any immediate snags. The Deputation was very successful.

The Town Clerk said the Dept. was not conversant with the local conditions. To them Cloney Tera was just a big field. The discussion then ended.

Award for Promotion of Macra na Tuaithe

Mr. Joe Riordan, Gliddaun, Dungarvan, received an award at the week-end for his activities in the promotion of the junior branch of Macra na Tuaithe in the county—the Macra na Tuaithe group.

He was among the Adult Leaders from all over Ireland who gathered on Saturday, at the special function held in the Gresham Hotel, Dublin, as the guests of the headquarters organization, Macra na Tuaithe and the Irish Sheep Company.

Mr. Riordan, who has completed his first three-year period as an Adult Leader in charge of Macra na Tuaithe, was presented with a Leadership Recognition Certificate.

For each further completed year of service he will receive a gold seal to attach to the certificate of merit.

A former member of the Dungarvan branch of Macra na Tuaithe, he has held the post of branch treasurer for a number of years.

Other local men who were previously presented with similar certificates, and who have already an impressive array of attached gold seals marking full years of active service on the rural front, are Messrs. T. Maher and D. Wheahan.

HIS HOLINESS POPE JOHN XXIII, DIED AT 7.49 P.M. ON MONDAY NIGHT AFTER FOUR DAYS OF AGONY THAT MOVED THE WORLD.

The 263rd Supreme Pontiff was 81. He had reigned for four years seven months and six days.

A crowd of more than 80,000, many weeping, were rising from their knees at the end of an open-air Mass in St. Peter's Square when loudspeakers announced "Pope John is dead."

THE HOLY FATHER, A SCHOLAR IN HIS PRIESTLY DAYS AND A VATICAN DIPLOMAT BEFORE HE BECAME PONTIFF, COMMENTED FREQUENTLY ON A WIDE RANGE OF TOPICS.

HIS WORDS REFLECTED HIS CONCERN FOR THE STATE OF THE WORLD AND ITS PEOPLE. OFTEN THEY REVEALED A QUICK WIT AND A BASIC HUMILITY.

Pope John, whose strong heart and tough physique enabled him to struggle with death for over 80 hours, became ill last November, shortly after his 81st birthday.

The first indication that something might be seriously wrong came on May 22nd, when he cancelled a scheduled audience and appeared pale-faced in the window of his study instead of blessing the crowds in St. Peter's Square.

Last week his condition worsened but on Wednesday he unexpectedly rallied and against his doctor's advice got out of bed briefly.

But he again began to feel pain and became restless shortly after midnight on Thursday when he asked for the Last Sacraments. On Friday, peritonitis set in, and the Pope entered his long death agony.

The Holy Father confounded his physicians by regaining consciousness early on Saturday, sitting up in bed sipping coffee and talking with his brothers and sister.

But throughout the week-end his condition worsened and several times he appeared hovering on the brink of death.

In spite of his great suffering, he remained lucid during his periods of consciousness, blessing those around him and uttering prayers for church unity.

He survived on Sunday night despite the predictions of his doctors, but moved imperceptibly towards the end as Monday wore on.

During the day it was announced that he had lapsed into a deep sleep in which sedatives were no longer any use as he had lost "all sensibility to pain."

He died the day after Whitsun, feast of Pentecost on an occasion which was always very dear to him.

From the beginning of his Pontificate the Pope's mind

and heart were set on the restoration of Christian unity. With that aim in view three patient years were spent in preparation for the calling of an Ecumenical Council, charged with the task of bringing all Christians together in "truth, unity and peace." The response this gesture evoked and the warm interest shown by the whole Christian world in the work of the Council was a tribute not only to the inspiration that prompted it but also to the Pope's human qualities—to his transparent sincerity and his all-embracing benevolence.

His great encyclicals will be memorable in the annals of the Church. Their influence crossed all boundaries, for his teaching unmistakably corresponded to the needs of mankind. It pointed the way to social justice and to the removal of class warfare by a bold programme of reform. It called for an end to racial discrimination and a full enjoyment by all peoples of the fruits of the earth. Then came his last encyclical "Pacem in Terris" which set the seal on his ceaseless endeavours for the cause of peace. It came as a beacon of light and guidance to nations and statesmen who might be tempted to despair of human survival.

Ireland mourned with the rest of the world, the death of our beloved Holy Father, and messages poured out from all parts of the country. President de Valera described Pope John's death as "a source of deep grief."

President de Valera sent the following message from Aras na Uachtairain:

"Sua Eminenza Cardinale Masella, Camerlango di Santa Rora Chiesa, Citta' Del Vaticano—The death of the Holy Father is a source of deep grief to the people of Ireland. We offer to your eminence and to the Sacred College our sincere sympathy. The Holy Father's wisdom and charity endeared him to all our hearts and we pray that his reward may be great and that from Heaven he may be able to secure what he most longed for on earth—peace and brotherly love amongst men."

President de Valera also sent a message of sympathy to the Archbishop of Dublin, Most Rev. Dr. J. C. McQuaid.

ALL IRELAND IN MOURNING
Spreading rapidly through every city, town and village of Ireland the news of the death of the Pope evoked the sympathy and profound grief of the populace. In homes throughout the country families who had waited by radio and television sets for the announcement of the culmination of the long drawn out agony of the beloved Pontiff, knelt in prayer. Though the end was regarded as inevitable, the actual announcement of the Pope's death brought home to all the great loss they suffered by his passing.

WATERFORD'S SYMPATHY

Mr. C. Curran, Chairman Waterford County Council, has sent the following telegram to the Apostolic Nuncio: "On behalf of the members and staff of the County Council of Waterford and Associated Public Bodies, I beg to tender to your Excellency our respectful and profound sympathy on the lamented death of the illustrious Sovereign Pontiff His Holiness Pope John XXIII."

A telegram in similar terms has also been sent by the Chairman to Most Rev. Dr. Cahalan, Bishop of Waterford and Lismore.

The College of Cardinals will meet in Conclave to elect a new pope at 6 p.m. on June 19th. Balloting will start on June 20th. Before going into the Conclave, the Cardinals will attend a Mass of the Holy Ghost in St. Peter's Basilica.

ESTABLISHMENT OF SUPERMARKETS CONDEMNED

A Resolution from Skibbereen Urban Council that they call on the Minister for Industry and Commerce to control or restrict in some manner the establishment of super-markets throughout the country, was adopted at Friday's meeting of Dungarvan Urban Council.

Deputy T. A. Kyne (Chairman) said if super-markets came to Dungarvan and gave cheaper food, it would be a good thing, but if they were depriving others of making a living it would be disastrous.

Colr. R. Walsh said they were doing both. They had cheaper food, but were also hitting the local traders.

At this stage another member strongly objected to the man selling fruit on the Square. It was unfair to the traders of Dungarvan he said who were paying rates and he was paying nothing other than £20 to the Government.

"The Health Authority will come to the traders telling them what to do," he continued "yet nothing is done about these other people and dirt."

ing around the town. The people must be protected."

Dep. Kyne: What protection can we give? We can't stop him selling fruit on the Square.

A Member: We should write to the Government about it. The traders have to try and pay their rates. Also, his van is an obstruction.

Dep. Kyne: I can't see what we can do.

Colr. Thos. Lee asked what would the working people do only for these people coming into town selling cheaper food.

Colr. R. Walsh said if anything could be done, Moore St., Dublin, would not be there today.

Dep. Kyne said the shopkeepers did not come along to the Council and indicate what to do. Like themselves they didn't know what to do.

Colr. T. Lee said every man was entitled to make a living. Finally, on the proposal of Colr. N. A. Kelly, it was decided to pass the resolution.

WEDDING BELLS

The wedding took place this (Thursday) morning at Kilrossanty Parish Church—between Mr. Christopher Burke, son of Mrs. Josephine Burke and of the late Mr. Joseph Burke, Keating Street, Dungarvan, and Miss Josephine Ryan, daughter of the late Mr. and Mrs. Ryan, Kilrossanty.

Very Rev. Fr. Harty, P.P., officiated. The matron of honour was Mrs. J. Ryan and the best man was Mr. Thomas Ryan (brother of the bride). The two little Kiersey children were pretty bridal attendants.

Kilmacthomas News

Passing of a Prominent Farmer.—Widespread regret was felt at the death of Mr. John Sheehan, farmer, Garranurton, Kilmacthomas, which occurred at his residence about midday on Thursday of last week, 30th ult. (Feast of St. Felix), following an indisposition of some months duration and at the allotted span.

Sprung from one of the oldest and most highly respected Catholic family stocks in Co. Waterford, the late Johnny Sheehan (as he was affectionately hailed by all who knew him) was of a kind and cheery disposition; he was an extremely popular figure in the agricultural life of these parts, and the news of his demise evoked feelings of sincere regret and sympathy with his nearest and dearest in general. In this area the bereaved ones include Miss Margaret Sheehan, Garranurton (sister); Miss Nellie McKeon, Ballyvaden, and Mrs. M. Drohan, Knockeyan, Leamybrien (nieces); and the Hickey family, Carrighilla, Stradbally (cousins).

There was a large and representative attendance at the removal of the remains to St. Anne's Church, Ballyvaden, where the coffin was received and blessed by the Rev. P. Power, C.C., do., and again at the interment, which was made in the family plot in the adjoining cemetery on Saturday (after two Requiem Masses). Rev. P. Power, C.C., Ballyvaden, assisted by Very Rev. D. Power, P.P., Stradbally, officiated at the graveside. Many Mass cards and messages of condolence were received.

Rightly Regarded with esteem and respect by all who have the pleasure of knowing her is Mrs. Charles Langley, Tay Lodge, Leamybrien. The gracious lady, who is taking up residence in Yougha, is at the time of writing, a guest of Mr. and Mrs. R. Russell, Seaford House, Kilmacthomas.

Domined in the Sister Isle is Mr. Patrick Galvin, who is at present whiling away his annual holiday-break breathing his native air and is accompanied by his estimable life's partner and their family of four children. They are the guests of his parents Mr. and

Mrs. William Galvin, Ballyvaden, Kilmac., and are having a nice time.
Incidentally, Mr. Patk. Galvin is brother of Mr. Richard Galvin, Ballyvaden; James Galvin, Carrigastle, Kilmac., and Mrs. P. Organ, Ballinabanogue, do.

The Spirit of the Mission is distinctly to the fore in the parish of Newtown, Kilmacthomas and Kil., where Rev. Fathers Harris and Goings of the Redemptorist Order, are the good missionaries engaged. Occupied last week at the Newtown and Kilmacthomas side of the parish, the zealous and devoted Fathers are this week continuing their soulful efforts at the other side thereof, where, in the Church of Our Lady of Mount Carmel, the morning Masses and lectures and the Rosary of the B.V.M. and sermon each evening are being assisted at by caparthy congregations, and where the fortnight's Mission will wind up to-morrow (Sunday) evening, when the closing sermon will be preached.

Sympathy in full measure is extended to the nearest and dearest of the late Mr. Patrick O'Brien, Kilmac., Kilmacthomas, who answered the Great Call at his residence on Friday of last week, 31st ult. (Feast of Our Lady, Queen of the Universe).

An industrious, inoffensive neighbour, the deceased went through life on the best of terms with everyone else in his district.

The remains were removed to the Parish Church, Co. Power, on Saturday evening, and the interment took place in the adjoining cemetery after the 11 o'clock Mass on Sunday.

Kill Agricultural Services.—Proprietor, Mr. P. Fitzgerald, Kilmacthomas. Every farm machine sold will be serviced and fitted on the holding of the purchaser. Agriculturists are advised not to miss Mr. Fitzgerald's interesting advt. in this paper.

Tomorrow, Sunday 9th inst. (Feast of the Sacred Heart of Jesus), at the Children's Mass at St. Anne's Church, Ballyvaden, a group of pupils from St. Anne's National School, do., will approach the altar rails and receive the Sacrament of Holy Communion for the first time.

Kilmac' (Temperance) Parochial Hall.—A working committee was recently formed to renovate the above hall as a meeting place and recreation centre for the people of the Kilmacthomas area—especially for the young people—and it was decided to do most of the work on a voluntary basis. Work quickly commenced and is proceeding appreciably.

The Committee has a fund which must be added to adequately carry out the plans agreed upon. Their first effort to raise funds will consist of a Silver Circle Weekly Lottery for a period of twenty weeks at 1/- per week. To make a success of this, all old Kilmacthomas and friends of the Mahon straddling town surely will help.

Those who wish to be associated with the Committee may send a full £1 or partial subscription to any of the following: Rev. Fr. M. Walsh, C.C., Kilmacthomas; Mr. Percy Kirwan, do.; Mr. Sean Ormond, T.D., do. by whom all subscriptions will be gratefully acknowledged, and anyone who desires to become a promoter will be sent a card for twenty members.

Here's warmly wishing this laudable undertaking the success it distinctly deserves.

Lismore Notes

EARLY MASS

For the convenience of those making the Pilgrimage to Our Lady's Shrine at Knock on Sunday next and for those travelling on the annual Pioneer excursion, which is also on Sunday next, an early Mass will be celebrated in St. Carthage's Church on Sunday morning at 7 a.m.

DEATH OF MR. J. COLBERT

It is with deep and sincere regret we record the death of Mr. Joseph Colbert, New St., Lismore, which had event occurred at Ardkeen Hospital, Waterford, on Monday last, June 3rd, after a long duration of illness. Joe, as the deceased gentleman was more popularly known to his countless friends, was one of the town's most popular figures and his passing has been regretted by all.

Deepest sympathy is extended to all his relatives and friends, but more especially to his sorrowing wife, son and daughter on their great loss.

The remains were removed to St. Carthage's Church on Tuesday evening and were received and blessed by Very Rev. Canon Dunphy, P.P., V.F., assisted by Rev. Fr. Slattery, C.C., and Rev. Fr. Queally, C.C., and the burial took place on Wednesday in the adjoining cemetery, the same clergy officiating at the graveside. Large and representative corteges attended both funeral and burial.

DANCE CANCELLED

As a mark of respect on the death of His Holiness Pope John XXIII, the dance which was to have been held in the Town Hall, Lismore, on Monday night last, was cancelled.

CO. SHEEP JUDGING COMPETITION

Lismore was the venue on Friday night last for the Co. Sheep Judging Championship organised by the Co. Executive of Macra na Feirme and which was sponsored this year by Lismore branch. Macra clubs from all parts of the county were represented and for Cappoquin club it proved a most successful night, as they supplied the 1st and 3rd places.

The following are the results: 1st—Steven Seanon, Cappoquin (180 marks); 2nd—M. Halley, Kilmacthomas (166 marks); 3rd—John J. Seanon, Seanon, Cappoquin (132).

ANNUAL OUTING

In brilliant sunshine the pupils of Lismore C.B.S. went on their educational outing on Wednesday of last week. The outing, which proved a most successful one, this year took them to Dublin; and visits to the Zoo, Museum, Phoenix Park, etc., added much to their enjoyment. However, their greatest thrill came when the boys bought a football and visited Croke Park, where a game was arranged between them, and one thing is certain that no matter where these boys may roam in later life, they will always cherish the memory of, as youngsters, having played in our national stadium.

LISMORE RANCH OF MACRA NA FEIRME

Though this year's Macra na Feirme field, evenings have only recently commenced, already it is proving a great season for the Lismore Club, and if they can continue their present good form, then indeed it should prove one of the most successful years ever for the club.

The following is a list of prizes won to-date and the winning individuals:—

Killeigh field evening (4 cups)—Mrs. M. Byrne (baking and cereals); best baking team and best ladies team.

Lisgood field evening—weeds and grasses—Dick Dooney; Coyne field evening (4 cups)—open stock judging—Michael Byrne; weeds and grasses—Dick Dooney; baking—Mrs. M. Byrne; best all round team. They also tied with Conna for the best stock judging team, but very sportingly, without tossing, left the award to Conna.

Kinsalebeg field evening: novice stock—Tom Cahill.

HOW MANY WILL YOU HAVE TO CARRY TODAY?

On that confetti-strewn morning when you said you'd "love, honour and obey", we know you didn't include carrying heavy buckets of water every day.

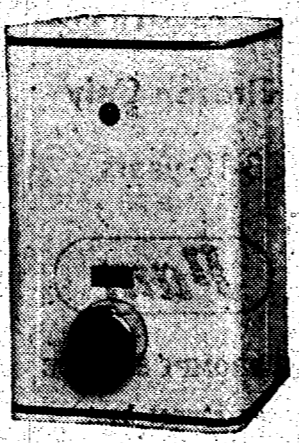

In this season of slim and feminine spring styles, it's not fair for a wife to be still in the unfashionable bucket parade when electricity will carry the equivalent of 400 of these buckets of water to your house for the price of that last cigarette he smoked.

In the spring of 1963, no house should be without water on tap. The bucket is fast disappearing off the Irish road and good riddance to this time-consuming, back-breaking symbol of the past.

Ask your E.S.B. representative for details of the E.S.B.'s Pump Advisory Service and avail of the Government and local Authority Grants to bring water to your home.

AND HERE IS THE SPECIALLY DESIGNED WATER HEATER FOR THE FARM KITCHEN...

A wonderful 10 gallon water heater that is easily installed under your draining board, and gives you all the hot water you need, automatically. Electric water heating costs less than a 3d. a gallon and that's very reasonable. Cash price £15 or convenient H.P. terms.

Colr. Welcomed

At last Friday's meeting of Dungarvan Urban Council, Colr. Nicholas A. Kelly was welcomed back by Colr. R. Walsh. Colr. Kelly has been indisposed for some time.

Deputy T. A. Kyne (Chairman) and the other members present associated themselves with Colr. Walsh's remarks.

Returning thanks, Colr. Kelly said he was glad to be back again. He paid tribute to Mr. P. Walsh, B.E., and the Council members on being so successful on their recent deputations to the Minister for Local Government regarding the housing scheme for the town.

Land Sold

An application from Waterford County Council to purchase a plot of land opposite "Arus Brugh" as a site for the proposed new fire station was unanimously approved at last Friday's monthly meeting of Dungarvan Urban Council.

Dep. T. A. Kyne (Chairman) said the first brigade service was the most valuable one in the county for the money that was being provided for it. He would not like to put anything in their way and would give them every facility possible.

Colr. John McCarthy said at present they were very "boxed in".

Mr. B. White (Acting Town Clerk) said the County Manager had agreed to the purchase at a figure of £200 an acre. That was the figure agreed on by the two bodies.

Colr. McCarthy then proposed that the site be sold, and it was agreed unanimously.

Record Entry Expected

A record entry is expected this year for the golf competition for Agricultural Graduates to be held at Mullingar Golf Club on Sunday, June 16.

There is tremendous interest in the Townsend Fianavan trophy which will be awarded to the best county team in the fourball competition, as it was won last year by the local Westmeath team. Mr. John Keenan, B. Ag. Sc., and Mr. P. Griffiths, both of Mullingar, Competition is very keen among agricultural graduates to bring the trophy to another county this year and the local people are equally anxious to retain it.

WHITSUN WIN

A Whitsun bonus came the way of Mr. P. Mason, Barrack Street, Cappoquin, on Monday last, when he was one of a lucky five who shared a fifty-pounds charity pools prize to collect £10.

SLANEYSIDERS WERE WORTHY WINNERS

WEXFORD 1-18; WATERFORD 4-6

AN approximate 3000 attendance at Fitzgerald Stadium, Killarney, on Sunday last saw Wexford defeat the newly-crowned National Hurling League champions, Waterford, by three points after a leisurely game that made it clear to all that it was little more than a challenge

Wexford, who fielded without Billy Rackard and Eddie Kelly of the regular side, were the more purposeful of the two and fully deserved their victory. They overcame the disadvantage of a disastrously slow start to overhaul the Deise men and there was no questioning their superiority at the end.

Yet the result was far from being a disappointing one when looked at from a Deise viewpoint. In attack they were short M. Flannely, John Barron and Philly Grimes while Frankie Walsh was forced to retire with an eye injury after five minutes. Thus for fifty-five minutes of the game they had only two regular forwards up front.

They got off to a wonderful start with a first-minute goal and were 2-1 up before Wexford opened their account with a point by Paul Lynch. The Slaneysiders gradually gained control and at the interval they led by 1-8 to 2-2.

On the evidence of that first half display one could not be too enamoured about Waterford's chances. They had played with the first-half breeze and yet trailed by three points at the break.

But in keeping with their fighting spirit they met the Wexford challenge in defiant fashion after the resumption. Right through the half they kept pace with the winners in the matter of scoring and had not only kept level but performed a piece of goalkeeping wizardry in sealing with a Tom Cheasty special minutes before the end. Waterford might have stayed off defeat.

Once again the display of goalkeeper Ned Power oozed with confidence. On numerous occasions he thwarted Wexford scoring efforts that seemed certain to reach their intended destination and proved emphatically that he is the man for the job.

The full-line of defence never over-exerted themselves yet Cunningham, Flynn and Byrne all played impressively. Martin Og had yet another good hour but John McGrath failed to effectively subdue Paul Lynch and he was replaced by Johnny Moylan (Dungarvan) in the second half.

Joe Condon was the better of the Deise midfielders and John Meaney when moved to the half line of attack was seen at his best.

But it was the indomitable irrepresive Tom Cheasty who stole the individual honours from this game. He was at his linking elusive best and almost won the game off his own stick.

Seamus Power had a good hour at full-forward while John Kirwan was the most impressive of the newcomers.

Wexford's best were Tom Neville, John Nolan and Ned Colfer in defence and Paul Lynch.

DEATH OF MISS NORA AHERN

We regret to record the death of Miss Nora Ahern, Rathcanning, Dungourney, which sad event occurred at her residence on May 28th. A most popular lady, what renders her death more poignant is that she was predeceased by her brother only a few weeks ago.

A representative cortege accompanied the remains to St. Peter's Church, Dungourney, and the interment took place in Mogeely Cemetery.

To her brother and relatives much sympathy is extended.

County Board officers and members of the Dungarvan and Ballymacarby branches of Connacht Ceoltoiri Eireann, travelled to Mullingar, County Westmeath, at the week-end to attend the all-Ireland festival of traditional music.

POTATO BLIGHT

Blight is the most destructive of all diseases affecting the potato crop. The time between the outbreak stage and virtual complete destruction of the foliage of an unprotected crop is usually two to three weeks. The fungus attacks and prematurely kills the aerial parts of the plant thus preventing maximum tuber formation and diminishing the yield. Further losses arise by its invasion of the tubers which subsequently rot.

INTER-COUNTY GAMES POSTPONED

As a mark of respect to the Pope and as a tribute to Vin Baston, the Waterford County Board called off two inter-county challenge games this week. They were the Waterford-Trip senior football game fixed for Cammel on Wednesday night and the senior hurling game between Wexford v. Kerry scheduled for Nowlan Park to-night (Thursday).

SYMPTOMS OF BLIGHT

The disease starts as pale or brown spots at the edges of tips of the lower leaves. These spots turn brown, enlarge and spread to other leaves. Each blight spot on the under surface of the leaf has a white mouldy fringe in damp weather. The field has a characteristic sickly smell. The spread of the disease is determined by weather conditions. If these continue humid and warm with few dry sunny periods, the disease spreads rapidly throughout the crop, destroying the foliage. Under dry conditions the disease spreads very slowly.

The tubers become infected when blight spores are washed through the soil or at lifting time. During the growing season the tubers should be protected as much as possible from infection by keeping them well earthed up and covered with soil. Infected tubers have dull grey, slightly sunken blotches on the skin. When cut open a rusty brown granular zone can be seen. In time the whole tuber is destroyed by a brown dry rot or more commonly by secondary diseases producing a putrid wet rot.

CONTROL

Spraying is the chief method of controlling Potato Blight and it is the only insurance carried out before the field against loss. Spraying must be done before the field becomes infected, because blight fungicides are preventatives not cures. A well-made Burgundy Mixture gives excellent protection. There are also several proprietary substances on the market for the prevention of blight. These should be applied according to the manufacturer's instructions.

The spray is best applied in dry weather, the first application being given about the time blight is likely to appear in the locality and before any signs of it are seen on the crop. Two, three or more applications given at intervals of about two weeks may be necessary for effective control during the season. In a late season such as this an early outbreak of blight could result in the complete loss of a potato crop. Growers are advised to protect their crops by spraying in time.

SALMON FISHING

In the opening days of last week salmon were again very scarce and it was thought that the good run of fish had ended almost entirely from the middle of the week to the closing day there was a vast movement with the net men in Youghal; some of the boats having taken over 40 salmon for the week. There was a big net in the Knockadoon area in the afternoon having a very bad sea on. This week boats were unable to fish on Monday due to the strong easterly gale but fished for the entire day. The wind abated somewhat on Tuesday and only a few boats went to the bay where there was a heavy sea but not favourable for the operation of the nets.

FISHING COMPETITION

On Wednesday the Youghal Sea Anglers Club held their annual boat fishing competition for the season for the main trophies which included the Hatchery Cup for the greatest number of fish taken in the May and June competitions. A full report of the winners will appear in next week's issue.

BOY'S TIMELY RESCUE FROM DROWNING

Last week the Bunt Stores Quay was the scene of a dramatic rescue when a four-year-old boy, Kevin Conroy, of the Mall, Youghal, narrowly escaped drowning when he fell into the Market Dock. He was playing with other boys at the Ferry Slip when he fell in. Mr. Daniel Hurley of the Mall, a factory worker entered the water fully clothed and later with the assistance of Mr. M. Coyne, O'Reilly Terrace, succeeded in bringing the boy to

the quay in an unconscious condition. At the time the tide was on the ebb and a strong current was flowing. Using the life-kiss method and a special repulsion net, successfully carried out by Mr. Jim Cronin, local E.S.B. engineer. The boy was later removed to his home where he was attended to by Dr. E. T. Roddan. This piece of timely rescue is worthy of recognition by the authority concerned.

HUNGER STORM

Youghal and district was the centre of a severe electric storm on Saturday morning and Saturday night. Around eight pm vivid flashes of lightning interposed with loud peals of thunder commenced in the East. It eased again around 1 a.m. but returned more vividly on Saturday night. During the storm E.S.B. lighting was flickering but there was no break for any length of time.

LUCKY YOUGHAL LADY

Congratulations to Mrs. P. Seiler, of De Valera Street, Youghal, who last week won a pool prize of £175.

HELP FOR FREEDOM FROM HUNGER CAMPAIGN

The Youghal U.D. Council recently decided to raise funds for the Freedom from Hunger campaign and on Saturday last the Council sponsored a dance at the Town Hall at which there was a very large attendance. Mr. Sean O'Sullivan, U.D.C. was in charge of the function and dancers had a most enjoyable night to the music of Jimmy McCarry's Cell Band.

TRADERS OPPOSE NEW TAX

At a meeting of the Youghal Traders' Association held recently at the Town Hall under the chairmanship of Mr. R. G. Good, U.D.C., the chief subject discussed was the proposed new turnover tax. After discussion the following resolution was unanimously adopted and the Secy. Mr. Con Hurley was directed to forward same to the Minister for Finance: "The Youghal Traders' Association representing sections of the retail trade in Youghal and district, strongly protest and unanimously oppose the proposed imposition of unjust turnover tax and intend to take all measures to prevent its implementation." In this connection a public protest meeting was held at the Town Hall on Wednesday last.

CORK YOUGHAL TRAIN EXCURSIONS

On Sunday and Monday last the Cork-Youghal line was in operation for the first time since it closed down on February last. There were three trains packed to capacity on Sunday but there was a big falling off on Monday due possibly to the strong easterly wind that blew all day. In addition to the trains there were several private buses and both the town and strand parking spots were well filled. It is understood that excursion trains will operate on Sunday next.

REBUILDING SEA WALL

The work of rebuilding the south sea wall at the Green Park is now well under way and when completed will be an improvement on the old wall. The work is being supervised by Mr. J. O'Regan, B.E. Asst. Co. Engineer.

FIRE ALERT AT YOUGHAL

On Tuesday of last week at about 9 p.m. the Youghal Fire Brigade were called to Day's Bar, South Main Street, where fire and some timber beams through the chimney were well alight. After about an hour the brigade had the outbreak well under control which necessitated the moving of bricks from the outside of the house in order to locate the smouldering beams.

YOUGHAL SPORTS

Under the auspices of the N.A.C.A.I. the Youghal Athletic and Cycling Club held their first novice sports meeting at Cooper's G.A.A. grounds on Whit Monday when there was a large attendance. Wm. Maguire of Grange had an easy double in winning the 100 metres and 220 yards with M. O'Mahony of Blazney taking second place in each of these events. John Amott, of Youghal, had a cycling treble and a second winning the one mile, two miles and 4,000 metres and taking second place in the three mile cycle-junior c.e. Representing the County Board was Mr. J. C. O'Connell, handicapper and starter and Mr. Thomas Aherne as referee.

SALMON YAWL DAMAGED

Last on Sunday night week or in the early hours of the following morning a salmon yawl licence No. 57 and fished by Mr. John Barry, Clonard, was rather badly damaged at Redburn Strand some three miles along the beach. The boat had been hauled up for the weekly close season; above high water mark when she was lifted and thrown over on an anchor which held two plants. In addition the stem was completely broken off. As a result the crew of four are

unable to operate their nets, being entirely dependent on salmon fishing for a livelihood. Only three weeks ago the same crew had three new nylon nets stolen from the crib at Redburn valued about £25 and so far the nets have not been located. This second calamity to Barry and his crew is indeed deplorable and is condemned by all sections of the community. The matter is being investigated by the local Garda.

LATE ROBERT McGRATH

It is with deep regret that we record the death of an outstanding member of the community in the person of Mr. Robert (Bob) McGrath, of Catherine Street, Youghal, which took place at Youghal Cottage Hospital after a short period of illness. A highly respected member of an old seafaring family and the father of eight brothers. The late Bob McGrath spent the greater part of his life at sea and during the 1914-18 was served with distinction with the Royal Naval Reserve. For over 25 years he was president caretaker of the League of the Cross Hall of which he was a lifetime member. The remains were removed to the Parish Church where Requiem Mass for the repose of his soul was offered on Monday morning week and the late Bob's sole testimony of popularity took place that afternoon at North Abbey Cemetery.

The chief mourners were Mrs. H. McGrath (widow); Mrs. H. B. (sister); the Misses Bridget and Jane McGrath (sisters); the Lynch family of Monastrea; and Mr. and Mrs. Claxkin, Youghal.

Very Rev. Canon Sheehan, P.P., officiated assisted by Rev. D. O'Connell, C.C. Rev. E. O'Dwyer, C.C. Rev. H. O'Mahony, Chaplain, Cottage Hospital and Very Rev. P. de Barra, P.P., Clondrohid.

VOUGHAL CYCLING STAR

At the initial open sports meeting of the season promoted at the Hiltown Athletic Club and Carrigaline G.A.A. on Sunday week last, Martin Meagher of Talbot Street, a promising rider was the star in the cycling events where he recorded a fine treble in the one, two mile and three mile events.

WEST WATERFORD NOTES

F.F. MEETING AT ARDMORE

A meeting of Dungarvan-West Waterford Comhairle Ceantair Fianna Fail was held recently at Ardmore. Several matters concerning organisation and the welfare of the area were discussed. The attendance included Mr. Sean O'Rourke, T.D., and Mr. Sean Whelan, M.C.C.

CLASHMERE WOMAN'S DEATH IN U.S.A.

The death occurred in the U.S.A. recently of Miss Johanna Cunningham, a native of Clashmore. To her bereaved relatives sympathy is extended.

THUNDER STORM

One of the most severe thunder storms of recent years broke over the Clashmore area on Saturday evening last. Vivid flashes of lightning accompanied the incessant thunderclaps while there was also a torrential downpour of rain. As a result the electricity system was put out of action over a wide area and many people were without light and power for several hours. The long delay in restoring the current led to some criticism.

WHY THE DELAY?

Over three years ago it was decided that one of the nine new dispensaries in Co. Waterford would be erected at Clashmore. After this long period there is yet no sign of the new structure being built and one is entitled to ask—why the long delay?

G.A.A. STRENGTHHOLD

The success of Clashmore in the first round of the primary football championship indicates the strength of the G.A.A. in the parish. It is no mean achievement to be able to field two teams consisting of thirty different players—all from the parish.

HEADMASTER'S BEREAVEMENT

Bereaved by the death of his brother Vincent, which occurred following an illness, in Kilkenny on Tuesday, is Mr. John Baston, headmaster of Cappoquin Technical School. The late Commandant Vin Baston was in charge of F.C.A. groups in the Kilkenny division and was a well-known player on Waterford senior hurling teams.

CAPPOQUIN NOTES

DEATH OF MRS. K. O'DONOGHUE

The death of Mrs. Kate O'Donoghue, Coolagortboy which took place on Monday, 27th May, has removed a well-known and much esteemed personality. She had reached the great age of ninety-two and was widely known and held in much regard. Proof of public sympathy on her passing was shown by the very large attendance at the removal of the remains to Affane Church where they were received by Very Rev. J. Halley, P.P., who, assisted by Rev. C. Daly, C.C., officiated at the interment in Old Affane on Wednesday morning. There was again a great number of mourners. Those bereaved include Patrick and Michael Coolagortboy sons; Mrs. P. O'Donoghue; Mrs. P. Power, Dungarvan; Mrs. J. McKee, Lackenroe; Miss Kitty O'Donoghue, Coolagortboy (daughters); Mrs. C. Connors, Delany Boston, U.S.A. (niece); Michael Connors, Boston (nephew); and other relatives.

(Undertaking by A. Walsh and Sons, Cappoquin.)

GLOR NA GAEIL

A meeting for the purpose of establishing a branch of Glor na Gaeil was held at the Vocational School on Tuesday night, Patrick O'Flannusa, who presided, stated the aim of the society was to get the members of every organisation to unite in the work of reviving the language and to encourage the use of it in every day conversation. If all lent a helping hand much could be accomplished. Badges to show that the wearer would speak Irish would be available soon and so would notices for display in shops where there were Irish spoken. Sale of publications in the native tongue would also be undertaken. The following were elected to the committee: E. Frsher (G.A.A.), J. J. Scanlan (M.A.F.), Miss F. Bolger (I.C.A.), Miss M. O'Gorman (Legion of Mary); P. O'Faolain (Gaelic League); James Nugent (Cealt na hEireann) and Sean O'Curran.

LOCAL LADY ENGAGED

The engagement has been announced of Mr. Kevin Desmond Twomey, elder son of Mr. and Mrs. J. Twomey, Beckleyheath, Kent, and Miss Mary Josephine Scanlan, elder daughter of Mr. and Mrs. P. J. Scanlan, Bellevue House, Cappoquin.

KNOCK PILGRIMAGE

To convenience those travelling to Knock Shrine on Sunday, Holy Mass will be celebrated in the Parish Church at 6.30 a.m.

SUCCESSFUL ANGLER

On the last day of a fishing holiday on Lough Derg, Dr. T. McMahon killed a brown trout weighing 12½ lbs. He was fishing a dry fly and using a cast with a 34-lb. strain. The large fish gave an hour's play.

Ballinacorney 4-10; Ballyduff 1-0

Kilgobnet 1-2; Tourin 0-5

In the first of these Primary football championship games at Cappoquin on Sunday, Ballinacorney must have established themselves as favourites for honours by the ease of their victory over Ballyduff. They turned in a power-packed display of clever open football and were full value for their nineteen winning points. They led 1-4 to 1-0 at half-time and added 3-6 without reply in the second half. Tourin recovered well from a disastrous start which saw them 1-1 down after ten minutes to fight back to a most honourable draw with Kilgobnet.

Kilgobnet were the more clever side but their forwards lacked the finishing power to round off their clever approach work. A draw was an equitable result of a most entertaining game.

WEDDING

CASEY POWER

The marriage took place at Affane Church, Cappoquin, Co. Waterford, of Mr. John Casey, eldest son of Mr. and Mrs. Patrick Casey, Lacken, Cappoquin, and Miss Mary Power, only daughter of Mr. and Mrs. John Power, Coolagortwee, Cappoquin. The ceremony, with Nuptial Mass and Pupal Blessing, was performed by Very Rev. J. Keane, P.P., Cappoquin, assisted by Very Rev. J. Halley, P.P., Modeigo. Best man was Mr. Patrick Power, brother of the bride, and the bridesmaid was Miss Bridget Casey, sister of the groom.

The bride, who was given away by her father, wore a grey two-piece with white accessories and carried a bouquet of lily of the valley, while the bridesmaid wore a pale green two-piece with white accessories and carried a bouquet of white carnations.

Following the ceremony, a reception was held at the Toby Jug, Cappoquin and the honeymoon is being spent touring Ireland.

N.F.A. NEWS

GOVERNMENT DECISION POSES THREAT

The Government decision to permit bread from the Six Counties to be sold here poses a very real threat to the livelihood of wheat growers, flour millers and bakers. This decision to allow the import of bread under a tariff is all the more inexplicable because it goes beyond the established Government policy of harmonising our trading practices with those of the Common Market.

The E.E.C. regulations for the gradual establishment of a Common Market in agricultural produce are carefully designed so as not to unduly disrupt the existing pattern of trade.

The price paid for wheat in the Six E.E.C. countries still differs widely and so there are special arrangements to prevent the export of bread from cheap wheat countries to those where the wheat is dearer. The removal of these special arrangements will follow in the event of the harmonisation of wheat prices and will not follow the set pattern of reduction common to other industrial tariffs.

The Treaty of Rome also provides for the alignment of labour practices between a country and another. It follows, therefore, that Ireland, having signed the International Labour Office Convention which prohibits night baking, is not expected to permit bakeries outside the country where no such prohibition exists to take advantage of this situation.

HUMAN EFFORT AND INVESTMENT IN AGRICULTURE YIELD LOW RETURNS

The basic policy of IFAP is being partially implemented by some governments and international agencies, e.g. the UN/FAO World Food Programme. Despite this the Farm Leaders from member Countries of IFAP found it necessary to reiterate some of the problems which still need immediate treatment at a national and world level.

They pointed out that the economic position of the farmer in to-days world is inherently weak. In advanced countries production sometimes exceeds effective demand. At the same time in less developed areas hunger and malnutrition still prevail. The immediate problem therefore is to increase farm production (not indiscriminately, however) and improve distribution.

The current problems and incomes of farmers around the world show considerable variation but nearly everywhere human effort and investment in agriculture yield lower returns compared with returns from other forms of economic activity.

Rising farm costs, combined with the downward pressure of farm production on prices, create the cost-price squeeze, the farmer's income tend more and more to lag behind incomes in other sectors. The way in which the benefits of a greater productivity are shared in agriculture and in other sectors of the economy has not changed since IFAP addressed itself to that problem six years ago. Too often the idea prevails that any improvement in the productivity of agriculture should be reflected exclusively in price decreases to consumers or in increased shares to those engaged in processing and distribution. In the case of industry, a share is allocated to capital, another to labour, and a third-sometimes to the consumers. In farming the various elements - labour, management and capital - are nearly always unified on a personal or family basis and therefore producers are all the more entitled, but less able, to claim and obtain a fair share of the benefits of their increased productivity.

ADJUSTMENT OF PRODUCTION

A world which professes the thesis of growing interdependence could not lightly accept the proposition that surplus countries tackle their problem of agricultural abundance exclusively through policies of limitations of production whilst in some areas the food intake of the vast majority of the population remains too low. Resort to production limitations can only be justified when production exceeds all possibilities for expansion of the food aid. However, for the rest of the 1960's, at least, the possibility of increasing production through the use of modern techniques is likely to be much greater than the possibility of disposing of the resulting supplies in either commercial or non-commercial markets.

NEW RULES MUST BE REALISTIC

In view of the decisions regarding agricultural trade taken by the recent Ministerial meeting of GAAT and in order to deal effectively with agricultural problems, the contracting parties must modify the rules of the Agreement and revise its organisation and administration. The new rules must be realistic in relation to the specific characteristics of present day agriculture. Agreements evolved in GATT in liaison with FAO for various agricultural commodities should provide a firm and fair basis for the agricultural economy of the world and for international trade in agricultural commodities. Such agreements should be integrated in the new overall policies of GATT.

WORLD SURVEY NEEDED

Mr. J. Patton, President of the National Farmers' Union U.S.A. and first honorary member of the N.F.A. submitted a proposal to the I.F.A.P. sub-committee on problems of developing countries during the recent General Conference, held in Bray. He suggested that a global study should be made of the requirements and means of financing development, reclamation, consolidation and cultivation of land of small and family sized farmers in all developing countries. He further suggested that the United Nations special fund should allocate 250,000 dollars for a world wide survey of country by country needs and the cost of such a programme.

DETERMINATION AND WILLINGNESS OF FARMERS TO GET FAIR DEAL

The growing determination of farmers throughout the world to get fair treatment and a realistic food and farm policy was said Mr. B. E. Biesheuvel, President of IFAP, one of the most striking features of the 13th General Conference of World Farm Leaders, held in Bray.

The main tasks ahead were: First, to help integrate National Policies with International policies; and secondly, to demonstrate our willingness to co-operate with Governments while demanding free, independent and non-political, always reserving the right to constructively criticise governments and inter-governmental agencies.

The importance of our Organisation was amply demonstrated during the Conference by the attendance of special representatives from world renowned bodies such as F.A.O., O.E.C.D. and GATT. President Kennedy's special representative was also attended.

INTERNATIONAL DAIRY COMMITTEE

It is a matter of great urgency that an international agency should be created to be responsible for the overall problems specifically affecting the World Dairy Industry. This was a finding of the Dairy Products Group which recommended that such a body should be set-up to maintain equilibrium and stability in the World Dairy Products Market, thus ensuring a fair remuneration to producers and a balanced economic distribution of milk production. The Conference accepted the recommendations and has already started work on the establishment of an International Dairy Council.

IRISH REPRESENTATIVE ON WORLD EXECUTIVE

Ireland was honoured at the closing plenary session of the IFAP Conference by the election of Dr. J. N. Greene as an Executive member. This is the first time that an Irishman has held such a position and his election is a tribute both to himself and the Organisation he represents.

CORK FOOTBALLERS SHOULD MASTER DECIES

Gaelic Jottings

MITCHELS ACCOUNT FOR DE LA SALLE

The form book failed to take a hammering at Waterford on Sunday last when John Mitchels justified their role of favourites against De La Salle in the first round of the senior football championship and advanced to the next round on a score of 2-9 to 1-1.

While some will contend that Mitchels were not as impressive as expected, they were never headed during the hour and were more or less content to rest on their oars.

Playing with a fairly strong first-half breeze they combined delightfully at times and their forwards appeared to have the beating of the 'Salle defence almost as well. At the interval they led comfortably by 2-6 to 1-0 and even at this stage the result was more or less inevitable.

But to the City men's credit they had the Mitchels rattled for long periods during the second half. For quarter of an hour or more they kept up a relentless barrage of the winners' goal and it took the defence qualities of Michael Kirwan, Jim Dempsey and Pete Gough to hold them at bay.

However, Mitchels successfully weathered the storm and at the fall of time were clear and deserving winners.

There can be no doubting

the potential of their side and merited onslaught on this year's title. On Sunday none started defensive qualities of Michael Kirwan in the half line of defence. He seemed to occupy half a dozen positions all at once so often did he gain possession and more than anyone else broke the heart of the losers attack after the change of ends.

Newcomer Jim Dempsey also turned in a first-class display, while Pete Gough and goalkeeper Charlie Crowley also took the eye.

At midfield Rogie Connors and Noel Kirwan played powerful first-half football and contributed regally to their dominating interval position. Once again Sean Power with 1-5 was top scorer and proved a year thorn in the 'Salle defence. Long—another debutant proved a "real find" while Billy and Tommy Kirwan played havoc with their "opposites" on occasions.

De La Salle, even when outclassed during the first thirty minutes never gave up trying to bring the better of matters in the second half. They were best served by John Barrot, Billy Smith, Noel Dalton and Denis Ceronan.

LAST SUNDAY AT DUNGARVAN

Only two primary football

they are going to make a two-games were played at Dungarvan on Sunday last when Stradbally and Paha scored easy victories over Kilmossanty and Lismore respectively.

NO WESTERN BOARD FIXTURES ON SUNDAY

There will be no Western championship games played on Sunday next as a mark of respect to the late Pope John XXIII. This was decided at a meeting of the Board on Tuesday night.

Elsewhere in these columns the entire Divisional championship fixtures will be given.

PRIMARY FOOTBALL

Ballynacorney 4-10; Ballyduff 1-0.—Fielding their first-ever primary side, Ballynacorney scored a good win over Ballyduff on Sunday last at Cappoquin. It would be unfair to single out any one for special mention as this was a grand team effort by Ballynacorney, which produced some very nice forward movement resulting in 4-8 of this total coming direct from play.

The Ballynacorney team was T. Curran, B. Shields, P. J. Morrissey, J. Morrissey, Jim Hayes (capt.), T. Foley, T. Leahy, L. Enright, A. Hayes, R. Cashin, P. Beattie, J. Coleman, P. Duggan, P. Burke, M. Power, Subs.—P. Langan, M. C. J. Desmond.

WATERFORD'S optimistic football outlook of twelve months ago is unfortunately no longer in existence and it is with some trepidation and no great confidence that they meet Cork in the opening round of the senior championship at Fermoy on next Sunday.

At the same venue on Sunday night these same Counties meet in a senior hurling challenge in aid of the local St. Colman's College. Both are expected to field their strongest possible sides and it should be a lively and entertaining pre-championship try-out.

BY JOHN A. MURPHY

While Sunday is the initial championship outing for both the lack of the draw designs that the winners will go direct into the provincial decider against Kerry or Tipperary.

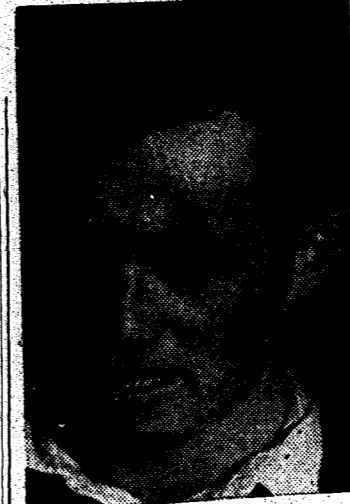

Thus, in reality, this Fermoy clash is the semi-final, and should Waterford confound the critics it will be their second Munster final appearance in four years.

But, such sobering prospects to my mind, be treated as little more than a dream. True, one can never predict with our and out certainty the result of any championship game—something let me add that more

neglected by the Co. Board. The challenge game arranged for Clonmel on Wednesday night against Tipperary was also postponed as a mark of respect to the late Pope John XXIII, and as a tribute to the late Vin Baston, and consequently team selection has been deferred until later in the week.

Nevertheless, at this late stage no great changes are expected from the team originally chosen to go duty against Tipperary in the challenge.

Sean Ormond, backed by years of experience is the obvious choice for goal-keeping duty, while Eddie Mooney is an automatic selection at full-back.

TOMMY POWER

ing though their form has been of late. I expect them to be seen in far better light on Sunday.

Nevertheless, it would be sheer folly to predict other than a Cork victory as already stated. Waterford's preparation for the game has been of a ship-shod variety, and on all known form the Leisiders should advance with a comfortable winning margin.

THRILLS PROMISED

The hurling clash of these rival counties (at 7.30) should draw a huge hosting to the venue, and with Cork fielding their probably championship team there will be no punches pulled or no holds barred.

Waterford are in something of a predicament about their line-out as injuries sustained in recent "battles" are taking their inevitable toll on the playing strength of the side.

Already on the injured list are Larry Guinan, Mick Dempsey and Mick Flannally, while Frankie Walsh now turns that trio into a quartet.

While the majority of these tournament and challenge games are for worthy causes, Waterford's almost non-stop participation in them is giving cause for serious concern. How often have we seen them literally "burned out" by championship time, and easy meat for opponents they would normally dispose of without undue difficulty.

For Sunday's game all the regulars, with the exception of the injured, will be on duty, and it will be interesting to see how the side fares against full-strength opposition.

Cork persist with Mick McCarthy as centre-back flanked by Jerry O'Sullivan and Pat Fitzgerald, while Brohan, Denis O'Riordan and Denis Murphy front goal-keeper Seanie O'Brien.

Mick Mortell is recalled to partner Noel Gallagher at midfield, while in attack, which includes the "Ringer," the most notable feature is the return of full-back Christy O'Shea after a lengthy absence.

While the result is of no real importance, neither side will concede anything easily. Without knowledge of Waterford's line-out it is difficult to foresee how they will fare against the determined Leisiders. More important than the outcome however is that the Deise players should finish the game's heat duty—the bug bear had not been so vital a role in the county's championship aspirations.

MONTY GUIRY

verbal blinder, and receive full co-operation from his partner—whoever he may be. If they are to entertain any hopes of mastering Cork's Eric Ryan and Gon Sullivan.

Monty Guiry and Tommy Kirwan are the only ones certain of inclusion in the attack. Eric O'Brien is still nursing an injury, and as yet does not know if he can play.

Unlike Waterford, the Cork selectors were faced with few problems, as their team practically picked itself.

In O'Sullivan-Ryan, midfield pairing they have a partner, who second to none, and it is this pair who are likely to cause Waterford greatest frustration.

In defence they have high-flying backs in Tim Breen, Jimmy Callaghan and Johnny Flynn, and the momentum of such a accomplished footballer as Dan Murray is an indication of their defensive strength.

Not so long ago Cork would not have won All-Ireland titles in successive years had there not been a measure up to the remainder of the side. On Sunday that same sector is the sole suspect one, and newcomers Murphy, Eamon Ryan and Noel O'Halloran are being "battered" in championship football.

Because of the very fact that Waterford have upset the form book on a few occasions in the past decade, one cannot rule out the possibility of another shock result. And disappoint-

REGRETTED PASSING OF VIN BASTON

Gaelic men the world over, and particularly in his native Passage East, were shocked to hear of the regretted death of Comdt. Vincent Baston, in Kilkenny on Tuesday last. Vin, rightly regarded as one of the greatest hurlers the Deise County has ever produced, is generally acknowledged to this very day as the finest centre-back ever to tread the green sward of Croke Park.

During his golden years—the late forties and early fifties—his was a household name amongst hurling followers everywhere. In 1948 his flawless and unforgettable display in the All-Ireland final against Dublin inspired his colleagues to a history-making triumph and brought the coveted McCarthy Cup to the Deise for the first time.

Nor did his hurling prowess go unnoticed by the Provincial selectors and in 1948, '49 and '50 he figured gloriously in Munster's Railway Cup victories. On and off the field of play his sportsmanship made him a model member of our great Gaelic Association. Never was Vin known to have been the administrator of a deliberate blow; never did he retaliate even in self-defence but always adorned the scene with the splendour and majesty of his hurling.

His career started with Mount Sion in colleges championships and he had the distinction of representing his county in all three grades. He won practically every honour the game could bestow upon him and in the Army also won countless trophies.

For some years past he has not enjoyed the best of health but his passing at the age of 44 years has stunned into silent grief those who knew him; saw him play or those who simply heard of the name, Vin Baston.

For Vin, the final whistle has sounded and his departure from this life is in answer to the Grim Reaper's Call. But memories of his greatness will never be forgotten in the Deise County, which he served with such unflinching loyalty for so long.

Truly the words of the Irish Ballad are applicable to him: "We may have great men, But we'll never have better."

To his bereaved wife, sons, daughter and relatives deepest and sincere sympathy is extended—Go ndeanadh Dia trocaire ar a anam.

HIS GREATEST HOUR: Pictured second from the right in the front row is the late Vin Baston, just before Waterford's history-making All-Ireland triumph in '48. Also in the picture are: (Back row, l. to r.)—M. Cullen (selector), M. Foley, N.T. and J. Ware (trainers), J. Keane, F. Daly, M. Hickey, Jim Ware (capt.), K. O'Connor, E. Carew, Tom Curran, Tom Lannon (Selector), Kneeling (l. to r.): D. Goode (Secretary), J. Goode, J. Cusack, A. Fleming, W. Galvin, J. O'Connor and C. Moylan.
