DATE OF PILGRIMAGE CHANGED

The Waterford and Lismore Pilgrimage to Lourdes will take place this year from May 20 to 25. Hitherto it has occurred in September, sometimes spilling over into October.

Many have complained that these dates were so late that the normal vacation period was over, with the result that, much as they would have liked to make the pilgrimage, they could not do so.

The change in this, its first year, puts a considerable strain on the organising committee, who naturally hope that their efforts will be fruitful.

The first pilgrimage in 1959 brought a dozen sick. Every year since then more than 40 sick have been brought to the feet of Our Lady, and the banners of Waterford and Lismore have become a familiar sight in Lourdes.

A pilgrimage to Lourdes is a great spiritual experience. The multitudes of sick afflicted with all kinds of bodily ills, patiently and uncomplainingly borne, are perhaps its most striking feature.

Last year more than 50,000 of them came to the shrine. The occasional spectacular cure captures the public interest, but many find far more wonderful the spirit of resignation, the ready acceptance of the will of God, the prayers for others rather than for themselves which mark with a special seal the sick at Lourdes.

A host of other impressions stream in upon the pilgrim. Peoples of many races and colours speaking a bewildering variety of languages crowd the churches and cluster before the Grotto in the still hours of the night, the faith that there would have to be made, or that they would have an explosion in the country. In other countries this spending of money liberally would be regarded as a crime, he said, and would be tried for it.

Why not come and see for yourself?

LATE MRS. DELIA GIBLIN

It is with feelings of profound regret that we record the death of Mrs. Delia Giblin, O'Connell St., Dungarvan, which occurred at the District Hospital, on Wednesday, 29th January, after a comparatively short illness.

Aged 82, the late Mrs. Giblin was a native of Rathkeale, Co. Limerick, but had been residing in Dungarvan for over 30 years. During that time she endeared herself to all sections of the community in the town, and was rightly held in the highest esteem. She was a devout Catholic and attended Holy Mass daily. A loving mother, and an exemplary wife, her unexpected demise will be deeply felt, not alone all whose privilege it was to have made her acquaintance.

To her husband Garda Wm. (Bill) Giblin and family, sincerest sympathy is extended on their great loss.

The remains were removed from the District Hospital to St. Mary's Parish Church on Thursday evening, January 30th, and were received and blessed by Rev. Fr. J. Murphy, C.C., assisted by Rev. D. Byrne, C.C., and Rev. Fr. Stibbles, O.S.A.

The burial took place in the adjoining cemetery at 1 o'clock on the following day, Rev. Fr. Murphy, assisted by Rev. Fr. Byrne and Rev. Fr. John Morrissey, Clonmel, officiating at the graveside. There were large and representative attendances on both occasions, testifying to the high degree of respect and popularity in which the deceased was held.

The chief mourners were: William (husband); Liam (son); Theresa, Rita and Mary (daughters); Mrs. Kathleen Corcoran, Knocknagoshel, Co. Kerry; Miss Madge Ahearne, London and Miss Lil Ahearne, do. (sisters); Mr. Sean Corcoran, Knocknagoshel, Thomas Giblin, Manchester; and Michael Giblin, California (brothers-in-law); Mrs. N. Spellman, Philadelphia, Mrs. D. Rafferty, Manchester (sisters-in-law); Mrs. O'Neill, Dingle (niece); Leo and Bernard Corcoran, London (nephews).

"Liberal with the People's Money"

When a motion on the agenda of a recent Health Authority meeting requested an extension of the retrospective date for the salary increase for Assistant Officers (already granted), Mr. T. Lannon hit out strongly at what he described as "being liberal with other peoples money."

Mr. Lannon said they owed something to the people who were paying the money. The day had come when a stop seems to be made, or that they would have an explosion in the country. In other countries this spending of money liberally would be regarded as a crime, he said, and would be tried for it.

The Octopus, at times finds it difficult to make ends meet. This tentacled terror of the sea has a great affection for its young. Retiring to a hole in the rocks to produce her eggs, the mother is prepared to go to any length to foster them, even to the point of starvation. BLESSING OF SALMON BOATS

On Saturday morning last, following a Fishermen's Mass at St. Mary's Parish Church, celebrated by Very Rev. Canon Sheehan, P.P., the blessing of the fleet ceremony took place at 11 o'clock at the Market Dock and was watched by about 1,000 people. The full harbour fleet of 29 boats were afloat, decked with flags and bunting, with the crews aboard and were flanked by the local life boat and Conservators patrol launch, Canon Sheehan, accompanied by two acolytes with lighted candles, imparted a special blessing, following which the hymn "Hail Queen of Heaven" was sung to the accompaniment of the 60 strong Christian Brothers Flageolet Band in their colourful uniforms under their conductor, Rev. Brother Cordial. The Ceremony concluded with the reciting of a decade of the Rosary.

After midnight six boats participated until 6 o'clock, when three boats accounted for 8 salmon, and the bridge boats took four fish. This is said to be a good start, even though the tides for the past week are not too suitable for netting. On the opening days of this week only a few odd fish were taken but it is hoped that with stronger tides next week there will be a vast improvement in catches.

It was reported that on Monday three boats in Ardmore landed thirteen fish. The opening price was 11/- per lb to fishermen and the average weight was 94 lbs. One fisherman at Coolbagg, on the opening day, landed an 18 lb. salmon that was sold for £11-5-0 (12/6 per lb). There is a higher price for salmon over 12 lbs.

According to reports from the Fishery Office in Youghal, the following licences have been issued to date: 63 drifts; 14 snaps and 11 drifts; in addition to two stake weirs, and one box or crib.

CROSS-COUNTRY WINNER

Congratulations to Pat Coleman of Youghal (20), being the individual winner who had a 250 yards lead over Pat Riordan of U.C.C. on Sunday last, in the five mile cross country race. Coleman took the lead after half a mile, but failed to shake off Riordan until the three mile mark. It was quite obvious from Coleman's effortless running that he would not be beaten.

LATE MR. JAMES McSWEENEY

Deep regret was occasioned at the announcement of the death of a well known member of the community, in the person of Mr. James McSweeney (carpenter and joiner, retired), of Bank House, North Main Street, Youghal, which took place at a Cork Hospital, this week. A member of an old west Waterford family, the deceased was a man of outstanding character and a general favourite having spent almost a half century with the building firm of Messrs. Murray & Sons. He is survived by his daughter and three sons, to whom sincere sympathy is extended.

The remains were removed to the Parish Church, Youghal, where Requiem Mass was offered for the repose of his soul on Monday last, and the funeral, both large and representative, took place to North Abbey Cemetery.

LATE MR. JOHN HARRIS

The death took place at Youghal Cottage Hospital this week, after a prolonged period of illness of Mr. John Harris, of Summerfield, Youghal. Of an old established Youghal family, the deceased was a small farmer and net fisherman and evinced a keen interest in greyhound racing.

The remains were removed to the Parish Church, where Requiem Mass was celebrated on Wednesday morning and the funeral, followed by a large cortege, took place that afternoon to North Abbey Cemetery. Rev. S. O'Mahony, C.C. officiated.

WEDDING BELLS: MANTAYNE-RYAN

Last week the wedding took place at St. Patrick's Church, Cork, of Mr. J. Noel Montayne, only son of Mr. and Mrs. E. Montayne, Stranally, Knockanore and Miss Maureen F. Ryan, daughter of Mr. and Mrs. P. Ryan, Wellington Rd., Cork. The ceremony was performed by Rev. Fr. Hemington, O.P. Sister (uncle of the bride), assisted by Rev. M. Kelly, C.C., Very Rev. M. Power, P.P., Knockanore, and Rev. M. Clarke, C.C., Dublin. The bride, who was given away by her father, wore a

classical gown of white brocade trimmed with mink and carried a bouquet of red carnations with trailing fern. The bridesmaids were Miss R. Ryan (sister of the bride) and Miss M. Corcoran, who wore full length dresses of flame satin with white nylon fur head-dresses, and carried white nylon muffs. The twin train-bearers were Michael and Ted Spillane (cousins of the bride). Mr. J. Kelly was bestman and Mr. John Ryan acted as groomsmen. Mr. David Ryan was usher in the Church. The soloist was Mr. P. O'Halloran and Mr. P. Hegarty presided at the organ.

LOCAL BRANCH NATIONAL EX-SERVICEMEN

The annual general meeting of the above was held recently under the Chairmanship of Mr. James J. Aherne. Mr. P. Myers commented on the large attendance of members present and paid special thanks to Capt. S. O'Meara, Capt. C. McCarthy and Capt. McAllister of the National Executive as well as Mr. B. O'Shaughnessy, Chairman of the Cork Branch, for attending the meeting. The Secretary, Mr. P. Ring, reported that the flag days were a great success, and that while their membership increased, it did not include all ex-servicemen in the area.

The election of officers and Committee resulted as follows: President, Mr. Jas. H. Aherne; Chairman, Mr. P. Myers; vice-pres., Capt. R. Mulligan; Hon. Secretary, Mr. P. Ring; Hon. Treasurer, Mr. P. Power. Committee: Messrs. W. Dower, D. Coakley, J. Fitzgerald, P. Kelly, F. Murphy, S. Sellars.

BILLIARDS

The Youghal Branch of the C.Y.M.S. beat Cogh C.Y.M.S. in the first round of the Diocese of Cloyne league in Youghal recently. Youghal, who won the league last year, beat Cogh by three games to one. Youghal were represented by J. O'Donoghue, J. Clarkin, M. Browne and P. Browne.

CAPPOQUIN NOTES

PROPOSED SWIMMING POOL

The members of the Rowing Club, who have undertaken the heavy responsibility of providing a public swimming pool and who have already done preliminary work on the site, made their first appeal to the public for assistance on Sunday next, when a church gate collection is being made. The club wishes to emphasise that, while the pool will be under the control of the committee, it will be open for use to all. Valuable help is being given by Sir R. Keane Bart, who is permitting the estate water supply to be tapped and connected with the pool. There is general agreement on the necessity and benefit of this amenity and it is hoped that it will be a generous response to the appeal for funds.

LOURDES INVALID FUND

The first promotion in aid of the Lourdes Invalid Fund, a jumble sale, held on Sunday in the Boat House, was a big success. The ladies of the committee and their helpers had quite a busy time and disposed of all articles on offer. We learn that proceeds from a "Hop" to be held on Shrove Tuesday night will go to the same deserving object.

SYMPATHY

The sympathy of his many friends in the town and district goes to Mr. Brendan Breen in the loss he has suffered through the death of his brother, Mr. William P. Breen, which took place in Cork on 21st January.

PHYSICAL TRAINING

Quite a good number of youths are attending the physical training classes for prospective oarsmen, now being held regularly in the Boat House. When tide and weather conditions permit, rowing practice is being held.

ON VACATION

Now on holiday and looking fit and well after a spell of service in the Middle East is John O'Donovan of the R.A.F.

DEATH OF MR. P. MILLEA

We announce with regret the death of Mr. P. Millea, Boola which took place on Tuesday. A full obituary will be published in our next issue.

GLEN ROVERS A.G.M.

Glen Rovers gathered at their Clubroom, Shrough, Lismore, under the chairmanship of John Prendergast to review the past year and plan for the future. Hon. Secretary Jimmy Power had little to report from the playing field as the teams had made an early exit from the championships, but he felt that the spirit and interest which existed among the youth of the district was a good augury for the future. The report of the Hon. Treasurer, M. Barry, showed the club finances to be in a satisfactory condition. The following officers were elected: Chairman, M. Power; Vice-do., J. Prendergast; Hon. Secretary, G. Roche; Hon. Treasurer, J. J. Hale. Committee: Messrs. M. Fitzgerald, M. Cahill, J. Barry, T. Brennock. Primary hurling and football teams will be affiliated for the coming year and Sean Cashman will captain the hurlers and T. Brennock the football side.

Up to TWO TONS MORE PER ACRE for main and seed potato growers

Get the biggest possible return from your potato crop next year—use fluorescent lighting to control the sprouting of your seed. This ensures:

- * Earlier and heavier yields.
- * Up to 2 tons per acre MORE for main and seed crops.
- * More flexibility in planting-out time.
- * Reduced losses from early potato blight.
- * A more uniform crop with fewer misses.
- * Better operation in mechanical planters.

Fluorescent lighting provides the PROVEN answer to the big problem of correct potato sprouting!

Fluorescent lighting fittings are hung in the alleys between stacked sprouting boxes and are switched on for twelve hours a day. Any farm building which can be made frost proof may be used. One fitting is sufficient for the controlled sprouting of a ton of seed potatoes. Purchase price is £10 and running costs are low—certainly not more than 7s. 6d. per ton.

ON PANCAKE TUESDAY
Try these delicious pancakes made with **HEART'S DELIGHT FLOUR**

THESE TWO RECIPES - TESTED IN OUR OWN KITCHENS - WILL GIVE YOU THE TASTIEST PANCAKES

PANCAKES

Ingredients:
4 ozs. Heart's Delight flour.
1 teasp. Salt
1 Egg
1 Pint Milk
Castor Sugar
2 Lemons
A Little Lard

Sieve the flour and salt into a bowl, then make a well in the centre, add the egg and begin to mix it in, working the dry ingredients in gradually to avoid lumps. Keeping the mixture as smooth as possible, add half of milk. Beat the mixture thoroughly for 5-10 minutes then gradually stir in the rest of the milk. Melt just enough lard in a thick frying

pan to coat bottom and sides; pour off any surplus. When the fat is smoking hot, pour in a little batter, just covering the bottom of the pan. Cook until it is golden-brown on the underside, then toss, cook the second side, sprinkle with sugar and a squeeze of lemon, and roll up; serve at once.

AMERICAN APPLE PANCAKE

Ingredients:
2 Cups stale breadcrumbs
2 Tablespoons melted butter
2 Eggs
2 Teaspoons Baking Powder
2 Cooking Apples
1 Pint Milk
2 Tablespoons Castor Sugar
4 ozs. Heart's Delight flour
1 Teaspoon Cinnamon
1 Teaspoon Salt

Bring the milk to boiling point, add the breadcrumbs and rub to a paste with a wooden spoon. Beat in the sugar and melted butter, separate the eggs, beat the yolks until thick and lemon coloured, and add to the batter. Next add the flour sifted with cinnamon and baking powder. Peel, core and chop the apples finely or, better still, grate them (there should be about 1 1/2 cups) add to the batter. Beat the egg whites until stiff with the salt, and fold in gently. Drop in table-spoons on a slightly greased pan, and cook until brown on both sides. Serve with honey or syrup, or butters and sprinkled with castor sugar.

LONDON NEWS

By COLLIGAN

WATERFORDMEN'S ASSOC.

At the annual general meeting it was decided to form a Teenage Committee. This decision has proved very popular as it is expected in the near future to enroll a number of new members in this category. The Chairman, Mr. W. Barron, Hon. Sec. Mr. P. Aherne and Hon. Treas. Mrs. C. O'Regan with the other members of the Committee are to meet a number of these young Waterford people. The President, Rev. Fr. Michael Ryan has arranged this meeting. It would be appreciated therefore if any teenagers interested would contact the Hon. Sec. Mr. P. Aherne, 31 Willow Rd., London, N.W.3.

WEMBLEY PROTEST

At the last committee meeting of the Waterfordmen's Association except on was taken by members as to the manner in which the London Co. Board had treated the Waterford hurling team in not even asking them to play off Tipperary for the right to appear in the Wembley Tournament.

LONDON G.A.A.

County Convention was held at the Russell Hotel, Russell Square, on Sunday, 19th January. During the discussion of the Secretary's report, Mr. W. Barron, representing his club "Sean McDermott's" made a vigorous protest over arrangements for the 1964 Wembley Tournament, especially over Waterford's treatment. As far as London was concerned, play offs were surely the more beneficial from a financial point of view as generally the "gate" taken in the play off paid the expenses of the teams winning and appearing at Wembley. Willie advised the Convention to lay down hard and fast rules for future Wembley games, make those conditions or rules public and stick to them—then no county will feel hurt or ignored. All the counties at home seem agreeable to play offs so it is very difficult to understand the attitude of the London Co. Board.

NEW MEMBER

The latest recruit to the Waterfordmen's Association is none other than that popular Cappoquin man, Billy Kiely. Billy's secretary of the Cm. Chullain hurling club and is a great worker among the Irish in London. The success of the Cm. Chullain club is due to Billy's efforts.

Adjourned at Mark of Respect

As a mark of respect to the late Mrs. Helena Walsh, Farnane, Modeligo, mother of Mr. Patrick Walsh, Town Engineer the monthly meeting of Dungarvan Urban Council was adjourned.

Before adjourning, other

votes of sympathy were passed for the relatives of the late Patrick J. McGrath, who died in America; the wife and family of the late David Rorden, Shendon; the family of the late Declan Power, Abbeville; to Pax and Sarah O'Brien, on the death of their brother, Rev. Fr. Francis O'Brien, in America; the wife and family of the late Patrick O'Brien, Shendon; the wife and family of the late Patrick O'Brien, Congress Village; Mr. Jimmy Mountain, the Source, on the death of his mother.

Midwives' Salaries Increased

A proposal by Mr. Patrick Cahill that the salaries of Midwives under the Authorities jurisdiction be increased was passed by 8 votes to 7 at a meeting of Waterford Health Authority, held recently in Dungarvan.

Mr. Cahill said they were the worst paid women in Ireland and were entitled to an increase. He proposed an increase of £50 a year as and from the 1st January this year.

Mr. J. A. Hynes (Secretary) said 9 women were involved and their present salary was £285 a year.

Local Race Meeting was Outstanding Success

Record Crowd Saw Excellent Racing

DUNGARVAN HARRIERS held their annual point-to-point fixture last Monday over the highly popular three mile course at Klossera. Weather conditions were ideal and the huge attendance must have constituted a record for this annual event. Once again the organising committee deserves the highest praise for the success of the meeting which is now regarded as the best in the South of Ireland.

This year because of improvements to the regular course—mainly the filling in of the dip at the entrance to the straight, the Committee had to rearrange the course completely. It was a completely left-hand one and the horses had to complete four circuits in the 3-mile run. The runners were always in clear view, however, and proved very satisfactory from every point of view.

In keeping with former years, the meeting attracted top class entries and there was very exciting racing. Highlight of the afternoon from a local point of view was the victory of Little Ned II in the Dungarvan Harriers (Confined) race. Owned by Mr. John Beresford of Coolagour, and brilliantly ridden by him, Little Ned gave a flawless performance and despite giving weight away to the remainder of the field, he cantered to a 15-lengths victory in the role of a real champion. The same horse and rider won this event again last year.

The race of the day, however was the last one on the card, in which the veteran horse, Irish Coffee, owned and ridden by Mr. J. Bryce-Smith of Co. Meath, scored a three lengths victory over the money-on favourite Ballyrichard, in the Waterford Flour Mills stakes.

Comey Prince elected to make the early pace and still led over the final flight. It was then that Irish Coffee made his effort and once he hit the front never looked like being caught.

Ballyrichard did put in a belated challenge but failed to catch the Bryce-Smith owned chaser.

The following are the detailed results—

BRICKEY DRAINAGE SCHEME

Deputy Ormonde, has received the following letter from the Minister for Finance: "I wish to refer to your recent enquiry concerning the River Brickey Drainage Scheme. I am advised by the Commissioners of Public Works that tenders for the work will be invited early next week."

LATE MR. JAMES PRENDERGAST

By the death of Mr. James Prendergast in Cork recently, the country lost one of its greatest sons in the bitter struggle for Independence. A native of Mount O'Dell, Dungarvan, he moved to the family home in Glencorin, Ardmore, which, incidentally, was raided several times during the trouble period. Countless were the activities and incidents in which the late Jim Prendergast played so prominent a part in their stern opposition to British tyranny. In 1920 he was amongst the figure-heads in the attack on the R.I.C. Barracks in Ardmore. On October 20th that year the West Waterford Flying Column was formed, and again Jim was one of the founder members. Less than a fortnight later—November 1st to be exact—Jim and his colleagues were participants in the famous Piltown ambush. On January 21st, the following year, the historic ambush of the metal bridge in Thamore took place, and in February of the same year Jim was "one of the boys" in the attack on the British troops at Cappagh Railway station. On March 21st 1921, he was implicated in the Burgery Ambush in which Pat Keating of Comeragh lost his life, and he was at Helwick Pier for the landing of arms from Germany. Then in 1922 he was O.C. in the Infantry Barracks in Waterford when it was attacked by Free State Troops. After the truce he took the republican side. One could go on and on naming the events of national im-

Lismore Land Available for Housing Notes

HOLY HOUR
Tonight (Friday) being the first Friday night of the month Holy Hour and evening Devotions will be held in St. Catherine's Church, at 7.30 p.m.

WEDDING BELLS
CABILL-DUNNE
The wedding took place at St. Catherine's Church, Lismore, on Wednesday of last week, January 29th, between Mr. Michael Cabill, son of Mrs. Margaret Cabill and the late Mr. Cabill, Mill St., Cappoquin and Miss Irene Dunne, daughter of Mrs. Eileen Dunne and the late Mr. J. Dunne, Castle Farm Lodge, Lismore. The ceremony, with Nuptial Mass and Papal Blessing, was performed by Very Rev. Canon Doherty, V.F., Lismore, assisted by Rev. Fr. Slattery, C.C., Lismore.

The bride, who was given away by her brother-in-law Mr. Sean Moran, looked radiant, dressed in a full length white satin gown, with shoulder length veil and matching accessories. The bridesmaids of honour were her sisters, Mrs. A. Moran and Mrs. J. Fisher, Cappoquin, both of whom wore pink full length nylon over satin gowns, with accessories to tone. The child attendants were Jean Fraher and John Moran. The best man was Mr. Eddie Cahill, brother of the groom, and the bridesman was Mr. Michael Fraher. A reception was held later at Lismore Hotel, and after which the happy couple left on their honeymoon, which is being spent in London and Paris. Both groom and bride are very popular in their respective towns. The bride had been a most efficient receptionist at Lismore Hotel for a number of years. We join with their many friends in wishing them both many years of wedded bliss.

CONGRATULATIONS
Heartiest congratulations are extended to Mr. Patrick Lineen Ballyin, Lismore, on winning a substantial sum in the M.H. Pool on Saturday last. Congratulations are also extended to the following recent pool winners also: Mrs. Frank Geoghegan, Chapel St.; Mrs. Jack Lenders, Parks Rd.; Mrs. Larry Quinn, Owbeg; Mr. C. O'Donnell, South Mall.

BALLYAGGARTI G.A.A. A.G.M.
Ballyaggarti G.A.A. Club held their annual general meeting on Friday night last, and elected the following officers for the coming year: Chairman, James Greehy; vice-chairman, Patrick Fennessy; Secretary, Joe Roche; Assistant Sec., William Roche; Treasurer, Thomas Vesle; Hurling capt., Michael Clancy; Selectors: William Kenefick, Patrick Fennessy, Seamus Walsh. Committee: Sean Griffin, Patrick Fennessy, Seamus Walsh, William Kenefick, Michael Walsh, John Brennan.

VANDALISM

VANDALISM in the Caseyville, Loughmore and Congress Villas area in Dungarvan was deplored and condemned by members of the Dungarvan Urban Council at their meeting on Friday night, when a letter was read from the District Engineer of the E.S.B. to the Superintendent of the Gardaí complaining of malicious damage to public lights in these areas.

The letter to the Gardaí stated: "It is impossible to maintain a public lighting system in these places. The lights are being broken and as soon as they are replaced they are smashed again. Unless there is improvement in the position in the near future, the Board, with the approval of the Urban Council, will be obliged to take whatever steps are considered desirable in order to avoid the unnecessary expenditure arising in this connection."

Colr. Thos. Lee said there was a lot of vandalism going on in these areas, and it was not the children who were responsible.

Den. Kvne (Chairman): We deplore this conduct.

Colr. John McCarthy said the letter from the E.S.B. should be published in the local Press. Surely some of the residents must know who were responsible, he said, and he would appeal to them to report it. All the tenants could not be blamed for the actions of a few.

Land Available for Housing

At the monthly meeting of Dungarvan Urban Council on Friday night last, Mr. P. J. Doyle, Town Clerk stated that they had a further offer of land suitable for housing purposes.

Mr. Doyle said the offer was made through Mr. L. F. Langan, Solr., on behalf of Mrs. M. Lynch, South Toe, Dungarvan in respect of three acres of land at Springmount. Mr. Langan added that because of its proximity to the town it would be suitable for building purposes.

When the Chairman stated the price being asked, a member said it was much too high. Mr. Doyle then read the report of the Town Engineer, Mr. P. Walsh in which he stated that the land was well situated and suitable for housing. It could not be drained however into the town sewerage system because of its elevation, and it would be very costly to drain it.

It was finally decided to defer it to the next meeting of the Council when the Engineer would be present.

"What has the N.F.A. done for the small farmers?" This question is often asked and very often it carries the implication that the N.F.A. has done nothing for small farmers. This implication is of course untrue.

The relative stability in pig prices, the flat rate transport of barley and feeding wheat into the areas where there is a deficiency in feed grains, the increase in the milk price last year, all these are matters that resulted directly from N.F.A. activity in the past.

It is commonly said that N.F.A. has done nothing for small farmers on rates, but if you look back you will find that even before the National Convention of 1962, it was the policy of the Association that the first £20 P.L.V. should be completely exempted from rates. This policy has been staunchly adhered to. The fact that it has not yet been implemented is not due to lack of energy or activity on the part of the N.F.A.

Furthermore, everything within its power has been done

by the Association to bring home to the Government and to the public the economic position of the small farmer and to expose the inadequacies of the resources at present available to him to improve his position.

Much more needs to be done so that a comprehensive policy of credit, grants and incentive payments, together with farm planning, educational facilities and Advisory Services, can provide the necessary resources inside the farm gate. Even more is needed once the produce leaves the farm if stable and remunerative outlets are to be continuously available.

Marketing Boards, International trade arrangements, the re-involvement of the Irish Co-operative Movement, all these, although at first they may appear remote and of little direct interest to the small farmer, are matters which are really of direct and vital importance.

Alongside this policy of making these vital resources available, there must be a price policy giving farmers stable and remunerative prices.

On the question of small farms, Mr. Richard Deasy, President, N.F.A., said a short time ago in Galway that "it was fundamental in the philosophy of N.F.A. that, with exceptions in the case of the old or the sick, society owes no man a living, but that it owes to every man the duty of offering him an opportunity to make for himself and his family a decent living."

This means that on each of us, be he small farmer or large farmer, there is a duty to avail himself to the full of the resources and opportunities available to him. It means too that the N.F.A. must recognise that in the case of small farmers, in the case particularly of the 'Special Areas', present resources for agricultural development are altogether inadequate.

"It is the duty of the whole Association to frame a Small Farms Policy which can make available to the family farm all of these vital resources, capital, education, incentive and market outlets.

This is what we have done in our most recent document 'Farm Income and Agricultural Development 1964-70', which at the moment is being studied by the Government."

"Having framed such a policy, we as an Association have two further duties. Each of us must stand firmly behind our policy to see that it is implemented, and all of us must work together in positive action to encourage and help them to band together in confidence and to match with their hard work and traditional skills the new material and psychological resources which it is our aim to secure for them.

"There is much immediate work to be done. You must build the conviction that together you can overcome great obstacles. Not all the answers can come from agricultural development alone. Afforestation, tourism, industrial development, each has a part to play alongside agriculture. But the fundamental truth is that no combination of answers can possibly succeed if you have not the determination to make them succeed."

On this particular occasion, Mr. Deasy, concluded by saying that solutions are possible, and that new resources will be made available to farmers.

TURNOVER TAX AND THE FARMER
N.F.A. Central Office has received a few reports indicating that in at least some areas there is a certain amount of confusion about the application of the Turnover Tax to purchases by farmers. To clarify the position we would point out that sales of seeds, fertilisers, machinery and other materials of a kind used in large quantities by farmers for the purpose of their occupation are exempt from the Tax, provided that the amount purchased at any one time is greater than £1 in value and that the materials in question are not of a kind which is also commonly used for other purposes than farming.

N.F.A. Central Office would be glad to take up any cases where farmers feel that they have been incorrectly charged turnover tax. It is most important, however, that before referring the matter to N.F.A. Central Office, the farmer would make quite sure of his facts.

REPORT ON CO-OPERATION
Last year a world renowned figure was asked by the Minister for Agriculture, to carry out a Survey of the Agricultural Co-operative Movement in Ireland. His report was published last week.

Before taking decisions in several years. As the ground is too steep for normal transport you could arrange to "sledge" a few cwt. at a time behind a horse. It is troublesome but the effort will be more than repaid in healthier sheep, more lambs surviving and a better sward of grass.

Q.—Can farmyard manure be applied to a field which was recently limed?
A.—If the lime was washed into the soil by rain it is quite safe to apply farmyard manure. Ammonia is lost from the FYM only when it is mixed with lime.

Q.—Please let me know the fertiliser treatment for young pine trees which I am planting out for a wind break.
A.—The only treatment necessary is to spread 2-3 ozs. of Ground North African Phosphate around each seedling.

Q.—My outfarm consists of very steep and in part wet land. It has received no lime or manure for over 20 years and the land is inaccessible with no road to the fields. What manure should I use?
A.—Under those conditions it would be worth carting the new concentrated G.N.A.P. and spreading by hand. Use 6 cwt. per statute acre as you don't wish to repeat the job for se-

veral years. As the ground is too steep for normal transport you could arrange to "sledge" a few cwt. at a time behind a horse. It is troublesome but the effort will be more than repaid in healthier sheep, more lambs surviving and a better sward of grass.

Q.—An acre of blackcurrants was intercultivated with a turnip crop from which the leaves and tops were left as a soil mulch. What is the fertiliser value of this practice?
A.—The analysis of turnip varies considerably depending on the soil and the fertilisers applied to the crop. The amount of plant food in these leaves is negligible although they will have a humus value for the blackcurrant bushes. I suggest you apply FYM at 10 tons per acre this spring, supplementing with 6 cwt. of Hi-Unit 6.5.15 compound containing Sulphate of Potash which is a most desirable ingredient for the horticultural crops.

The Small Farmers And The N.F.A.

detail on its recommendations be no question of home farmers being able to afford to meet foreign competition. "It is fundamental to the long term success of any business that its earnings should be able to provide personal remuneration for those employed in it, interest on the capital invested in it and a margin of reserve to maintain it in a competitive state and to cover risks and losses in future years.

"For the past 10 years there has been a steady erosion of net farm income. During that period our costs have risen, like those of other businesses, by over 25% but, unlike other businesses, we have not been able to pass these costs on in our prices.

"Farming today is competing with the fabrication of towns and cities, with their lights, glamour and entertainment. How can we then hope to get the rising generation to turn their thoughts and energy to a life of hard, unrelenting toil, especially if the reward is to be a mere pittance?

"While I must not underestimate the conditions under which the farmer and farm worker live would need to be such as to attract men of intelligence, energy and resource to the land.

"Now is the time when strong measures must be taken to allay the terrifying anxiety gripping agriculture and the people who make their living from the land."

(A. G. Algeo, President, Ulster Farmers' Union).

2—There will be neither fast nor abstinence from Thursday, 13th February, up to and including Sunday, 1st March, apart from the usual Friday abstinence, which, of course, will hold good.
3—From Monday, 2nd March up to midnight on Holy Saturday, the usual Lenten fast and abstinence will be obligatory, except, of course, on Sundays and on St. Patrick's Day.

Bishop's Pastoral

Very Rev. and Rev. Fathers and dear Brethren,

THE LIFE OF A CHRISTIAN

The holy season of Lent is approaching once more and at this time of the year the Church exhorts us to prepare ourselves, by reflection, prayer and penance, for a worthy commemoration of the Mysteries of our Redemption—the Passion and Death and the Resurrection from the dead of Our Lord Jesus Christ. During Lent we ought to give ourselves ample time and opportunity to think over, in a prayerful manner, the life and work of Christ, our Redeemer. For it is His life and His work that has saved us from the consequences of sin. It is our sure hope that for all eternity we shall enjoy the result of what He and He alone has done for each one of us.

Jesus Christ, and no other one, is the Founder of our religion. He is truly God and He is truly man. He is the Creator of the world. St. John tells us in the very first page of his Gospel: "All things were made by Him; and without Him nothing was made." We are followers of Christ, we are Christians, because we have believed in His teaching; we have been Baptised in His name; we have received His grace in our souls; we have pledged ourselves to His commandments. The first disciples of Jesus, the Apostles, were Christians for the very same reason. They heard His teaching with their own ears; they believed in Him; they were Baptised in His name; they undertook to live the way of life that He pointed out to them. That is what constituted a follower of Christ then: this is what will always constitute a follower of Christ, a Christian. And it is only to those who are His true followers that Christ has promised eternal life.

Recently we have been deeply impressed by the extraordinary action of the Vicar of Christ, the representative on earth of Our Lord Himself, in making a pilgrimage to the Holy Land. More than anything else, therefore, let us during this Lent, at every opportunity, take up the Book of the Gospels and read in it the authentic words and actions of Jesus Christ. And as we read let us be drawn nearer to Him by secure belief in Him, by secure hope in His promises and by a love that will move us always to do His holy will.

No one can read the New Testament without noticing that the tone of the Apostolic writings is that of men charged with news that is almost too good to be true. The very name they give their preaching, "the gospel" or "good news" gives expression to this conviction. They speak as men who have been entrusted with news of a great deliverance, a great triumph of good over evil, and as men commissioned to offer to the world a favour so tremendous as to be almost beyond the power of the human mind to grasp it. Joy and gladness and optimism are the characteristic note of all they have to tell.

We may cite a few passages by way of example. The angel said to the shepherds on the first Christmas night: "Behold, I bring you good tidings of great joy, that shall be to all the people. For this day is born to you a Saviour, who is Christ the Lord." (Luke 2).

Guinness Trade Appointment

Mr. R. W. S. Greene who has been appointed Assistant Trade Manager of Arthur Guinness & Co. (Dublin) Ltd., was born in Co. Clare and educated at Blackrock College, Dublin. Having trained in the Guinness Vathouse, Co. Wick, and Traffic Departments and in the Company's branches in Newcastle-on-Tyne, Liverpool and Belfast, he joined the Trade Department at St. James's Gate in 1930. For the last ten years he has been Export Manager spending from four to five months each year on the Continent, visiting most of the countries west of the Iron Curtain and travelling on twelve different airlines (including a helicopter service). Mr. Greene is a member of the Council of the Irish Exporters' Association (and a former Vice-President) and a member of the Executive Council of the Irish Council of the European Movement. He is a former Irish squash racquets champion and also plays tennis and golf. He is a former President of Fitzwilliam Lawn Tennis Club and of the Irish Squash Racquets Association.

"We speak," writes St. Paul,

the wisdom of God in a mystery, as it is written, that eye hath not seen nor ear heard; neither hath entered into the heart of man to conceive, what things God hath prepared for them that love Him." (1 Cor. 2).

St. John points out that God had destined us to be His adopted children through Jesus Christ. Behold what manner of charity the Father hath bestowed upon us that we should be called and should be the sons of God. Now we are sons of God and it hath not yet appeared what we shall be. We know that when He shall appear, we shall be like Him." (1 John 3).

Here, then, we may learn the worth and dignity of our Christian name. I am a true son of God and what else upon earth matters in comparison? I have indeed to go about my life with its duties and all that is entailed in it. I have to work for a living or take my place in the family or lead my own existence. I have to strive to be efficient and effective in the material things of life that fall to my share to be done. But it is the consciousness that I am a Catholic and an adopted child of God that gives my life a real meaning and purpose.

What more noble ideal, source of inspiration, desire or fancy, can a man have than to be called and to be a son of God; to know that he has been drawn by grace into close union with God; to feel the meaning of Our Lord's words at the Last Supper: "If any man loves me, he will keep my commandments, and my Father will love him, and we will come to him and make our abode with him." (John 14).

An intimate bond of union was established between Our Lord and each one of us, when His Spirit was brought to the Church and Christened. Just as the only-begotten Son of God was born a real human child in the stable at Bethlehem, so you and I were born again by baptism to be truly children of God, members of the Catholic Church and heirs to the Kingdom of Heaven. We were thus raised to the dignity which gives a new meaning to life and a new significance to all creation. We were enabled and by that enabling we were compelled to live up to the honour and to make ourselves more noble.

We understand, therefore, why, early in His life, Jesus Christ did before us the very exciting, startling, "Be ye perfect" of His heavenly Father is perfect" (Mt. 5, 48).

APPEAL TO YOUTH

Once again I should like to address a special word to the young men and women, boys and girls, of the Diocese. My dear young people, I ask you all to be loyal and true at all times and on all occasions to your Irish and Catholic Faith and noble traditions. Love God, Who created you—love Him in the person of Jesus Christ, His Eternal Son and your Saviour. Love Mary, the Mother of Jesus and your Heavenly Mother, too. Love the father and mother whom God has given you in this life—love them always, and be loyal to them through thick and thin.

Whether you are near or far away from them, shrink from doing what would hurt them or bring discredit on the home from which you have sprung. Aim high in life and try to do well. Be happy, with that true happiness that comes from doing only what your Catholic conscience tells you is right and good.

In your daily life be conscious of the great blessing and privilege it is for you to know and believe in the religion that has come to us from God, our Creator, through the lips of His Son, Jesus Christ, the God-man. Aim at being an Apostle of the true religion to others, especially when you mix and mingle with those who do not know Jesus Christ or believe in Him, or obey Him. Seek to understand your religion better every day. Your religion, because it has come to you from God Himself, holds the answer to all the problems of your life. Be on your guard against every kind of propaganda, for what is evil and untrue, in your study, in your work, in your recreation, be able to discern and pass right judgment on what is presented to you—the ideas, the theories of life, the standards of conduct—be able to discern what is right, and what is wrong in the light of the extraordinary knowledge—that is yours because God has revealed His truth to your mind and He has given you laws to obey for love of Him.

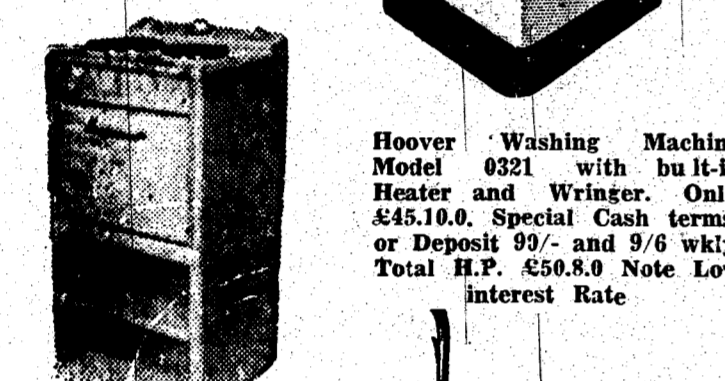

The Grace of Our Lord, Jesus Christ, and the love of God and the Communication of the Holy Ghost be with you all. Yours devotedly in Christ, DANIEL COHALAN,
Bishop of Waterford, Court House, Dungarvan, and Lismore.

TOURIN SHOCK JUNIOR CHAMPIONS

The 1964 hurling season got off to a sensational start on Sunday last when Tourin, the reigning Primary champions, shocked junior titleholders, Fourmilewater, in the final of last year's winter league at Cappoquin.

At the end of as hard-fought a game as has been witnessed at the Cornerstone venue for many a day, Tourin triumphed on the score-line 4-3. The men in red and white had once more proved the firm back to shreds in the process gave irrefutable proof of their return to the very pinnacle of the hurling ladder.

A very big attendance turned out for what was quite an exciting quarter which neither was given or asked. But the creditably none could have expected an unsavoury a game in which many reputations for good sportsmanship were greatly tarnished.

For Tourin, of course, it was another hour of glory. They are quite obviously going to take a deal of beating in this year's junior championship and fully deserved their hard won success on Sunday.

For Fourmilewater it was an hour that is best forgotten. They failed completely to come to grips with the hard-hitting opposition and never reproduced the brand of hurling that earned them highest honours in '63.

The opening half was a close one at the end of which Tourin led by a solitary point—1-1 to 0-3. But the real incidents, untidy and otherwise, were crammed into the second moiety. Right through those hectic thirty minutes the issue remained in perilous doubt but Tourin, with unyielding grit succeeded in stretching and maintaining their lead.

Try as they might in the closing stages, Fourmilewater could not penetrate a staunch defence for the vital scores and at the call of time, Tourin were worth every one of the four points that separated them from the Ballymac side.

In victory, Tourin had many stars, but standing head and shoulders over all was half back Ollie Wilkinson who, greatest ever display for the club, Jimmy O'Gorman was another to give a great display and was tireless at midfield, while his brother Johnny was also a tower of strength in defence.

Goalkeeper Frank McGrath made many brilliant saves and the Dooceys, Dick and Wally were always to the fore.

Defeat must have been a great disappointment to Fourmilewater particularly when their senior career lies ahead. It was just one of those games when they failed to find their feet and it is a setback from which they should be quite capable of overcoming.

In Kieran Ryan they had the outstanding performer on view and it was certainly no fault of this wholehearted mid-fielder that his side tasted defeat. Others to play sterling roles for them were Mick Connolly, Martin Walsh and goalkeeper Tom Brazill.

They fielded without the services of centre-back Tom Walsh and this Dublin-based player was sadly missed against forwards that certainly knew their direction to goal.

KILGOBINET RECEIVE WALK-OVER

Ballyduff conceded a walk-over to Kilgobinet in the winter football league. The game was due to be played in Cappoquin on Sunday last.

FOOTBALLERS DEFEAT CARLOW

Having led by 1-2 to 0-2 at half-time, Waterford went on for hurling to Colligan Rockies.

to defeat Carlow 2-4 to 1-4 in a very entertaining football challenge at Walsh Park on Sunday last.

This was a particularly impressive performance by the Deise men who were forced to field without Mick Connolly, Jimmy Hewitt (both on duty with Fourmilewater) and Martin Kennedy and Mick Farrell.

But their replacements came up to standards so splendidly that there were no apparent weaknesses on the side.

In a defence that never allowed the Carlow forwards an opportunity of settling down Michael Kirwan and Tramore's John O'Brien were superb. Between the posts Pat Croty (Rathgormack) was brilliantly alert and must now be an automatic selection in the team.

Minor Football—Ring v. Stradbally; Fanaithe na Bride v. St. Declans; Affane v. Cappoquin; Abbeyside v. Ballinameela; Dungarvan v. Emmetts; Ballyduff v. Brickey Rangers.

Lismore and Kilrossanty received first round byes and will meet in the second round. At the start of the meeting, applications were considered from Lismore, Kilrossanty and Ballyduff for regrading from junior to primary grade in hurling. The Lismore and Kilrossanty applications were passed unanimously, but Ballyduff's was heavily defeated. Speaking for Ballyduff Mr. Mickie Feeney said their club had been very badly hit through emigration, and if things kept going as they were, the club might have to be abolished altogether.

On the proposal of Tom Walsh (Fourmilewater) it was unanimously decided to grant regrading from senior to junior for hurling to Colligan Rockies.

Waterford Can Collect Vital League Points

NOT since they beat Kerry in the Provincial championship of 1957 has Waterford's football stock been as high as at present. Unbeaten in the League competition to-date they face their stiffest test on Sunday next when they meet Limerick in the vital game of their section

at Dungarvan. The result of this game will determine the destination of group honours, and whilst neither county can expect to defeat the winners of Section 4A, most likely Kerry, the zeal and enthusiasm of Sunday's participants should not be impaired in any way.

Two years have elapsed now since the Deise County annexed Divisional honours, but if present form is any indication, as it surely is, then the County should qualify for the quarter finals of the league, and in reality step nearer to Manhattan—the coveted prize for the eventual winners.

In fact a division of the spoils will suffice to send Waterford forward for a probable tilt with the Kingdow. On Sunday last the Shannonsiders dropped their first point when an understrength Tipp side held them to a draw at the Ennis road grounds and nothing less than victory will be sufficient at the 'Fraser field.

GRATIFYING

Following an unsatisfactory championship performance last year, Waterford's displays in the current league have been gratifying to say the least. In their defeat of Clare and Tipp they have performed in a manner that suggests they are once again on the resurgence road. Against the former, in particular they gave a splendid exhibition on Banner County soil and proved conclusively that it was not merely a flash in the pan by subsequently overcoming a much fancied Tipperary side.

Now only Limerick bar the path to further League progress but with ground advantage it will be a major surprise should they fail to continue on their winning way. It has, of course, been a source of annoyance and disappointment in the past to see the footballers inexplicably fail in their favour. There is no denying that they are obsessed with the idea—if that is the appropriate word, of doing the unexpected, and it is to be hoped that Sunday will not be another off-colour occasion for them.

On Sunday last the side had a very beneficial outing against Carlow in a challenge game in Waterford and scored impressively by a one goal margin. The Leinster champions may not have been at full strength, but the Deise men were also forced to field without Mick Connolly, Martin Kennedy and Mick Farrell. All three will be playing against the Shannonsiders, and should strengthen the team to a considerable

degree. Except for the return of Michael Connolly the defence is the same as did duty on Sunday last. The Fourmilewater man however, is no longer pivot, a post now occupied by Tramore's John O'Brien, who is flanked by Michael Kirwan (John Mitchels) and Connolly.

The inner trio of defenders remain unaltered, namely Paddy Cariton, Mark Dingley and Michael Tobin. To-date

direct positional switch during the course of the game. The full line, not surprisingly, is left intact. Tommy Joe Harty, as proved against Carlow, is fitting the bill admirably at full forward, while Jimmy Hewitt and Tommy Kirwan can be prolific scoring forwards.

The current league campaign has proved the most successful in the history of Limerick football. Never before have they annexed sectional honours and they are fully bent on rectifying matters on Sunday. Conceding home venue will not be to their advantage, but the homesters would be ill-advised to take the game too much for granted.

The Limerick side is practically unchanged from the one that has served them so well up to now and includes such noted hurling stars as Bernie

Hartigan. CONFIDENCE IN THE DECIES It is a game, however, that it is confidently expected will end in a Deise triumph. They appear to be the better equipped all round side, and on the amiliar confines of the Fraser Field they are entitled to the vote. But Limerick, let it be stressed will be no push-over and a sustained sixty minutes is necessary to ensure the county of a place in the concluding stages of the league race.

The Waterford team is: P. Croty (Rathgormack); P. Cariton (Ardmore), M. Dingley (Gaultier), M. Tobin (Geraldines); M. Kirwan (John Mitchels); J. O'Brien (Tramore); M. Connolly (Valley Rovers); T. Walsh (Kilrossanty); M. Kennedy (Kill); F. O'Brien (Mt. Sion); M. Guiry (Kill); M. Farrell (Brickey Rangers); T. J. Harty (Valley Rovers); T. J. Harty (Ring); T. Kirwan (John Mitchels).

There was a record and most enthusiastic attendance at the annual general meeting of the Affane Hurling and Football Club, held at the club-rooms, Affane, Cappoquin. It had been a most notable year for the club, in which they took their first ever county title in the Primary Football championship. The Club Chairman, Rev. C. Daly, C.C. presided and in his address congratulated the members on their success in the past year and expressed his pleasure at seeing such a fine attendance present.

Hon. Secretary, Paddy McGrath in his report dealt in full with the year's activities, both on and off the playing fields. He reviewed in detail their history-making primary football campaign from the opening game against Tallow in June to their magnificent victory over eastern champions Fenor in the county final at Dungarvan in December. Their fund-raising projects had been very well supported during the year and their thanks were due to the countless people who had helped them in so many ways, particularly the Affane Dramatic Group, to whose efforts the outstanding success of their annual concert was solely due. This report with that of the Hon. Treasurer, T. Fitzpatrick, were unanimously adopted.

The following officers were elected for the coming year: President, Rev. J. Hally, P.P.; Vice-do., Mr. J. O'Gorman, N.T.; Chairman, Rev. C. Daly, C.C.; Vice-do., Mr. T. Murphy; Hon. Secretary, P. McGrath; Asst.-do., P. Denn; Hon. Treas., R. Troy; Asst. Treas., T. Fitzpatrick. Committee: Messrs. D. McGrath, M. Morrissey, M. Prendergast.

It was decided to affiliate junior, primary and minor football teams and a primary hurling team. Captains elected were: junior football, J. McGrath; primary hurling, P. McGrath. Election of captains for the remaining teams was deferred.

INTER-COUNTY SELECTORS Mr. John Coffey and Mr. Willie Grant were appointed selectors to the Waterford Intermediate hurling team at a recent meeting of the Fourmilewater Hurling Club.

The County Council's road demand from the Dungarvan U.D. Council for the coming year is £1,220—an increase of £20 on the current year.

At Friday's meeting of the Urban Council, T. A. Kyne said they had tried to keep the demand at the same figure as at present, but £1,220 was the nearest they could get to it (£1,200).

Colr. John McCarthy said the Posts and Telegraphs people were doing a lot of damage in the taking up of slabs, as they were being replaced very badly.
