Dungarvan Rate Increased By 6/1

THE ratepayers of Dungarvan must face another steep increase for the coming twelve months. On Friday night last the members of Dungarvan Urban Council held their Estimates meeting and after long discussion and consideration a rate of 57/- in the £ was struck for the 1965/66 financial year. This rate, however, is a reduction of 9d. on the Co. Manager's demand, but an increase of 6/1 on the current Urban rate.

At the outset, the town Clerk, Mr. P. Doyle, said that the rates on the new Council houses at Boreenatra, Dungarvan, were 8/- a week, while the rates for the Council houses at Congress Villas were 2/- a week.

Deputy T. A. Kyne (Chairman) said the Council houses in Dungarvan were in an excellent condition in comparison with similar houses in Waterford City. He had recently made a tour of Waterford City in connection with the elections, and there would be an outcry in Dungarvan against the conditions of some of the houses he saw.

The Urban Engineer, Mr. P. Walsh, said that some of the Urban Council houses were definitely substandard. The floors in several houses had fallen and walls were weeping.

Mr. Kyne said that people living in houses in Dungarvan were paying 30/- to £2-10-0 a week rent.

Mr. Paddy Whelan pointed out that in the majority of these cases these people were able to afford that rent.

The Town Clerk said that in the estimate for the coming year a total of £1,500 was provided for housing repairs.

Mr. Thomas Lannon said the people of Dungarvan were finding it extremely difficult to pay the present rate. The proposed increase would be a crippling burden on them.

Mr. Thomas Lee said there was not enough work being done for the money provided by the Council for house repairs. The houses in Congress Villas were falling down and in some rooms the legs of beds had fallen through the floors. He suggested that a deputation from the Council should visit the houses in the area. The

people of Congress Villas were now being asked to pay rents which had recently been increased by 7/- or 8/- a week. It was a scandalous state of affairs.

The Town Clerk, Mr. Doyle said the Urban Council had approximately 400 houses in its possession and roughly £3 a year was being spent on each of them for repairs.

Mr. Kyne said they would all have to agree that £3 a year for house repairs was trivial.

Mr. S. J. Moynihan (County Manager) said a rate of 57/9 in the £ was necessary to carry a deficiency of £45,198. This was an increase of 6/10 on the current rate.

Mr. Richard Walsh said it seemed to him that the only thing they could cut down on was Town Planning. This item had been increased from £300 to £3,000.

The Town Clerk said the Council had to draw up a town plan. The estimate for this work had been made by the County Council and the Urban Council would have to pay 20%.

Deputy Kyne said he thought they were getting a good deal from the County Council. They were obliged to do this work and they should do it in co-operation with the Co. Council.

Mr. R. Walsh said that the central Authority who ordered that this work be carried out should pay for it.

The Co. Manager pointed out that there would be a contribution from the State.

Mr. R. Walsh said the Urban Council had its own Engineer and the appointment of special Consultants to do this planning work was only filling a hole. The Urban Council he added was capable of doing its own

planning.

Mr. Lannon said he agreed with Mr. Walsh with regard to employing Consultants to do the work. If the Department wanted Consultants on the job they should pay for them also. The same should apply to salary increases, he said.

The Town Clerk said that the estimate for wages and salaries for the coming year was £5,106.

Mr. Lannon remarked that salaries and wages had doubled since 1958.

The Chairman, Dep. Kyne, said they could save 6d. if the £5,000 loan for housing repairs was used instead of using capital.

At this stage, the Co. Manager said he would be prepared to accept a rate of 57/- in the £. This rate was then proposed by Mr. Nicholas Kelly and seconded by Mr. Kyne.

Mr. Lannon proposed that £5,000 be taken off the County Demand. The major part of this increased demand was due to salary increases. The salaries that some of the Officials were getting were crimes against the people.

Deputy Kyne said that as Chairman he could not accept Mr. Lannon's proposal. The Co. Demand was compulsory and they had no choice but to meet it. He had to protect the Council by rejecting Mr. Lannon's proposal.

Mr. Lannon said he was prepared to accept the Chairman's ruling on the matter. However, the demand being made on the people was breaking the country. He then proposed that a rate of 56/6 in the £ be accepted. He pointed out that the reductions could be made in the salaries.

The Co. Manager said this proposal was not acceptable. The salary increases had already been approved by the Council and would have to be paid.

Deputy Kyne said Mr. Lannon's proposal could only be regarded as a protest against the increased salaries.

Mr. Kelly's proposal for a rate of 57/- in the £ was then put to the meeting and resulted in a tie. It was carried, however, on the casting vote of the Chairman, Deputy Kyne.

Double Tragedy as Men Die in Car Blaze

The charred bodies of two men were found in a burned-out car at Garryduff, Colligan, early on Tuesday morning. The men have been identified as Mr. Edward Loneragan, of Lackendarra, Ballinamull, a well-known farmer and agricultural contractor, about 51, married, with a family, and Mr. Dominic Doyle, another farmer, a widower in his fifties, with no family, of Garrycloyne.

The tragedy occurred at Garryduff, Colligan, about 7 miles from Dungarvan and on a side road just off the Dungarvan-Clonmel road.

The left-hand door of the car appeared to be slightly open and the two bodies were huddled together in the front seat. The car was up against an electric pole which was burned by the flames. It did not appear to have been in a collision.

Mr. Connors, when he found the car, contacted a nearby farmer, Mr. Jack Foley, and together they notified Very Rev. Denis McGrath, P.P., Kilgobnet, and from his house they contacted the Dungarvan Gardaí. The Gardaí sent the Dungarvan Fire Brigade to the scene.

Mr. Foley said that the car was absolutely blazing when he and Mr. Connors returned to it and there was no hope whatever of doing anything for the men inside.

Mr. Loneragan's remains were removed from Dungarvan District Hospital to Touraneena Church on Tuesday evening, and those of Mr. Doyle were taken to Kibrien Church. Both were buried on Wednesday.

The bodies and the badly burned car were discovered at 3.30 a.m. on Tuesday morning by Mr. Nicholas Connors, veterinary surgeon, Dungarvan, who was out on a late night call.

The car was at the side of the road with the left wheels in a water culvert with Mr. Loneragan in the drivers seat. The men had attended Dun-

garvan Mart on Monday and it is known they had visited a neighbour about half mile from the scene of the tragedy on Monday night.

On Tuesday Gardaí were trying to piece together the exact circumstances surrounding the tragedy, and to find out why neither of the victims was able to get out of the car before being overcome.

LATE MR. E. O'BRIEN, N.T.
The unexpected death of Mr. E. O'Brien, N.T., Youghal, came as a great shock to the people of this area, where he was very popular and highly respected. For a number of years he was principal of Piltown National School.

To his bereaved wife and children sincere sympathy is extended in their great sorrow.

AGLISH MAN'S DEATH
Mr. Thomas Ducey, Dromore, Aglish, who died recently was a well known and popular member of the agricultural community and an all round sportsman. His sad demise has occasioned deep and widespread regret and sympathy is extended to his bereaved relatives.

SALMON FISHING IMPROVED
Although the beginning of last week was still poor for salmon fishing by nets, there was a considerable improvement on the closing day Friday amongst a number of boats, and one landed 20 and another 9 salmon in the afternoon tide. All boats did fairly well for the week, but nothing near what they should have landed for this, the third month in the season.

Upriver the drift men are still having a lean time and the drift nets continue to do fairly well. The same applies to Ardmore, Knockadoon and Ballycotton rivers.

The price last week was 9/6 and 9/- to the fishermen. One of the twenty fish taken on Friday weighed 27 lbs. Rod men throughout the area are said to be doing rather badly.

FUNERAL OF THE LATE MR. E. O'BRIEN, N.T.
The large and representative cortege at the funeral of the late Mr. Ned O'Brien, N.T., of Upper Strand, Youghal, bore testimony of the high esteem in which he and his family were held in the district. Following Requiem Mass at the Strand Church, celebrated by Rev. D. Gould, C.C., the funeral took place to North Abbey Cemetery.

For many years the deceased was principal at Ballyphero National School, up to the time of his death. Represented in the cortege were the I.N.T.O., Chairman and members of the Urban Council; Little Theatre Society; Chamber of Commerce; G.A.A.; Gardai; Table and Lawn Tennis Clubs and the children from the National Schools at Kilmacdonagh, Ballymacoda Ballyphero and Gortree, who flanked the hearse as an escort of honour. Very Rev. Canon Sheehan, P.P., officiated, assisted by Rev. E. Dwyer, C.C.; Rev. D. O'Donnell, C.C.; Rev. D. Gould, C.C.; Rev. C. O'Sullivan, C.C.; Youghal; Rev. D. Gallagher, P.P.; Lallysbribe; Rev. T. Williams, C.C.; Ballinacree; Rev. M. Power, C.C.; Dunmore East; Rev. B. O'Mahony, O.F.M.

Council's Proposal Rejected

A proposal sent to the Dept. by Waterford County Council recently asking that instead of appointing a new County Manager for County Waterford (Mr. S. J. Moynihan present County Manager is retiring), a post of Secretary/Manager be created with their present Co. Secretary doing the duties of both has been rejected.

FUNERAL OF VERY REV. W. KIRK, P.P.

The funeral of Very Rev. William Kirk, P.P., who died recently in England, took place from the Strand Church, Youghal, and was one of the largest seen in the town for many years. Aged 54 years he was born in Gortree, Youghal and received his early education at Gortree N.S., the Youghal C.B.S., and later at St. Colman's Fermoy, and All Hallows, Dublin, where he was ordained for the English diocese of Portsmouth. Following Solemn Requiem Mass at the Strand Church, celebrated by Very Rev. Canon Sheehan, P.P., with Rev. Fr. O'Dwyer, as deacon, and Rev. D. Gould, as sub-deacon, and Rev. D. O'Connell, C.C., as Master of Ceremonies, the funeral took place to North Abbey Cemetery. Amongst the clergy were: Very Rev. D. Canon O'Hanlon, Aldershot; Very Rev. D. Ryan, P.P., Bridge Mary; Very Rev. T. Lane, P.P., Reading; Very Rev. E. Wallace, P.P., Workington; Very Rev. P. Stuart, P.P., Newberry; Very Rev. P. Murphy, P.P., Aglish; Very Rev. T. Gallagher, P.P., Ballymacoda; Very Rev. W. Egan, P.P., Castlebar; Very Rev. P. Condon, P.P., Kilmorth; Very Rev. P. McGrath, P.P., Milford; Very Rev. A. Watson, P.P., Kilmacshilly; Very Rev. P. De Barra, P.P., Clondrohid; Very Rev. T. McGrath, P.P., Kiltobinet; Very Rev. J. Warren, Adm. Cobb; Rev. J. Sheehan, C.C., Mallow; Rev. J. Kenneally, C.C., Charleville; Rev. P. Aherm, C.C., Killymore; Rev. P. McDermott, C.C., Castlemartyr; Rev. T. Meade, C.C., Inch; Rev. T. McGrath, C.C., Clonakilly; Rev. E. Kennefick, C.C., Newmarket; Rev. J. Finn, C.C., Cloyne; Rev. M. Riordan, C.C., Youghal; and Rev. C. O'Sullivan, C.C., do.

The chief mourners were: Messrs. John and Patrick Kirk (brothers); Mrs. James Hallahan, Mrs. N. Hickey and Miss E. Kirk (sisters).

LATE MR. JAMES TWOHIG

We regret to record the death of Mr. James Twohig, which took place at his residence Greenacroyne, Youghal, on Sunday last, after a short period of illness. Formerly of Clondrohid, Carriganinna, the deceased was a well known member of the farming community and he and his family were held in high esteem by all. He was father of Sr. Mary Magdalen of the Presentation Convent, Youghal. He is survived by his wife, sons and daughters, to whom deep sympathy is extended.

The remains were removed to the Parish Church, from where the funeral, both large and representative, took place to North Abbey Cemetery, on Tuesday last, after Solemn Requiem Mass, at 12 noon.

YOUGHAL WELL BEATEN
At Castlemartyr, under unpleasant weather conditions, Middleton went through to the second round of the county intermediate hurling championship, as a result of their win 4-8 to 3-5 over Youghal. In the first half Middleton faced the wind and turned over with a lead of 2-5 to 1-4. With the wind in the second half Middleton consolidated their early position and stretched their lead further. They never really looked like losing and Youghal gave a rather disappointing display.

YOUGHAL CARNIVAL
At present a fund raising carnival is being run by the Youghal Boat Club in the Market Square, Youghal. The profits realised will be handed over to the Club and will go to making the coming regattas and fireworks the best ever.

Salary Increase for FINED AND Secretary Rejected DISQUALIFIED FOR TWELVE MONTHS

It was a case of making the rich richer and the poor poorer on this Council, said Mr. Norman Walsh, at last Monday's meeting of Waterford Co. Council, when they were considering a salary increase for the County Secretary, Mr. J. G. Dowling. The proposed increase was rejected by 13 votes to 4. It was stated at the outset that the County Secretaries from all Co. Councils made a claim for a new rate of pay. It went to arbitration and a new scale had been devised—the same as was granted recently to the Secretary of Waterford Health Authority. The new scale would be: £1,790 by £72-10-0 to £2,200, plus the 12% bringing it to £2,464 a year, retrospective to October 1st, 1963. His present salary scale was £2,000 a year. Mr. P. Cahill proposed and Mr. W. Kennelly seconded that the new scale be implemented for their Secretary. Mr. K. O'Ryan: Is this going to be the policy of our new T.D.s? Mr. Kennelly: The policy of the new T.D.s will be to be fair and just with all. Mr. Norman Walsh said he agreed with the views of Mr. O'Ryan and he was making no apologies to anyone for that. Even if they were alone in that he was proud of it. In this Council it was a case of making the rich richer and the poor poorer. Salaries were the main feature in the rates' increase. They were not however voting against the personalities involved and he would not deviate from that. Mr. O'Ryan: Here we have a man with £40 a week and they want to give him an increase retrospective to October 1st, 1963. At this stage there were some O'Ryan and Mr. Galgey. heated exchanges between Mr. H. R. Dowd then proposed and Mr. J. Drohan seconded that the new scale be granted, but only from April 1st this year. This was defeated 12-5. The voting was: For—Cols. Dowd, Drohan, Foran, Heskin and Ahearne; Against—Cols. Butler, Curran, Dower, Hart, Fahey, O'Ryan, Roche, N. Walsh, Cahill, Galgey, Kennelly, R. Walsh. Mr. Cahill's proposal that the new scale be given with retrospective from October 1st, 1963, was then put to the meeting and was defeated 13-4. The voting was: For—Cols. Cahill, Butler, Roche, Kennelly; Against—Cols. Curran, Dower, Hart, Drohan, Fahey, Foran, O'Ryan, Dowd, Heskin, Ahearne, N. Walsh, Galgey, R. Walsh.

New Deputy Congratulated

Mr. John Fahey, Lyrenergara, Clonmel, newly elected Fianna Fail deputy for the South Tipp-West Waterford Constituency, was congratulated on his election by Ven. Archdeacon Power, P.P., Chairman of Co. Waterford, Vocational Education Committee at their monthly meeting on Tuesday. Archdeacon Power said they should feel proud that one of their Committee members had been elected to Dail Eireann. Replying, Mr. Fahey said he was grateful to the Venerable Chairman for his kind remarks. It was a great honour for him and he felt very proud of it. He was also very proud of the people of West Waterford who supported him. He was selected on the Fianna Fail Ticket to contest the General Election but he put himself before the people of West Waterford irrespective of their political affiliations. He assured these people he would represent them to the best of his ability again irrespective of their political beliefs. His ambition was to uphold the trust they had shown in him.

SYMPATHY

Before the commencement of last Tuesday's monthly meeting of County Waterford Vocational Education Committee, a vote of sympathy was proposed by Mr. Norman Walsh and seconded by Mr. W. Dower, with the relatives of Mr. Edward Lonergan, Lackendarra, Ballinamult, and Mr. Dominick Doyle, Garrycloyne, Colligan, who were burned to death in the early hours of Tuesday morning.

CAPPOQUIN NOTES

HOLY WEEK DEVOTIONS

A pre-Easter Retreat opened in the parish church on Sunday evening. Rev. Fr. Clarence, C.P., conducts the Devotions on Thursday, Friday and Saturday at the following times: Holy Thursday—7 p.m.; Good Friday Holy Mass at 4 p.m.; Station of the Cross at 8 p.m.; Easter Saturday—at 30 p.m.

LATE MR. M. SCANLAN

We record with regret the death, which occurred in Dalkey Dublin, on last Saturday, of Mr. Michael Scanlan, B.A. He spent several years here, while on the teaching staff of Mount Mellery Seminary and was very well known in the town. To his Cappoquin-born wife, nee Ronayne, and his brother, Mr. John Scanlan, Ballinwilling, Lismore, sympathy is extended in their bereavement.

SUCCESSFUL G.A.A. PROMOTION

The Entertainment sponsored by the G.A.A. and held in the Desmond, on Sunday night, was very generously patronised and those who attended were loud in their praise of the fare offered. The programme was arranged to suit every taste and the slick presentation by the compere, Mr. Frank Walsh, obviated unnecessary delays.

Those who contributed were: the G.A.A. Players, in two short comedies; the "Balladiers" in a series of ballads (Messrs. W. O'Hara, W. Cunningham and the Pender brothers—all of Tal- low); country and western numbers presented by the Misses Mary O'Donoghue, Lena Mason, Helen O'Donovan, Messrs. Joe Connolly, Noel Mason, and Eddie Fraher. Traditional songs were rendered by Nicolas O Toibin and monologues were given in fine style by Mr. P. J. Olden. Accompaniments were played by Miss E. Mullins.

A.L.C.M. The members of the Hallahan School gave a fine display of dancing, for which the local members of Ceoltoiri na hEireann supplied the music.

DEVOTIONS IN AGLISH PARISH

In Aglish and Ballinameela churches, Holy Mass will be celebrated on Holy Thursday, and on Good Friday at 8 p.m. There will also be midnight Mass in both churches on Saturday night.

BENEFIT PERFORMANCE

We learn that on the 5th of May in the Regal Cinema, Tal- low, the programme presented here on Sunday night, will be repeated, the proceeds going to the funds for the Mentally Retarded Children Association.

ROWING

Given fine weather conditions, a pleasant couple of hours can be spent on the river bank on next Sunday watching our young oarsmen in action. In the Boat House Ballroom, a dance will be held later. Particulars of this are given in our advertising columns.

FIRST STAFF DANCE

Details of the First Staff Dance (Cappoquin Bacon Factory) are given in the advertising section of this issue. The eagerly-awaited function will, we feel sure, be generously patronised.

**S.E. May Get Elected Deputies
General Tech. Congratulated**

A general survey of the entire south-eastern area of the county is to be made with a view to establishing the feasibility of a General Technical school to cater for that area. This was decided at a meeting of Co. Waterford Vocational Education Committee in Dungarvan, on Tuesday last.

Mr. P. G. Whelan, Building Instructor, addressing the meeting, said that he, together with the Committee members, M. Uas O Domhnaill, N. Walsh, M. Morrissey and the C.E.O., Mr. J. Rushe, had inspected a building in Tramore—"Stella Maris," to see if it was suitable for a General Technical school.

The roof of the building, he said, was not the best and would have to be replaced sooner or later. The timbers were sagging and the slates were also bad. Practically all the windows would have to be removed, whilst one complete floor would have to be replaced. The front of the building was also pretty bad.

Referring to accommodation, Mr. Whelan said there were two class rooms, an entrance hall, kitchen, pantry, cloak-room and toilet on the ground floor. On the first floor there were two classrooms, an office, one other small room and bathroom. There was also an attic over the kitchen.

Mr. Whelan added that in round figures it would cost about £3,000 to put it into "ship shape."

Mr. Norman Walsh said he got the idea from his visit that they might be slightly cramped for space.

The C.E.O., Mr. Rushe, said that as it was, the building was not suitable for a normal Vocational school. The existing rooms could not be converted into metal work rooms, wood-work rooms or domestic science rooms. He would like to see it turned into some kind of Commercial school, catering for boys and girls with intermediate or leaving certificate, and later on a higher level as a Secretarial school. He would say, however, that it was out as regards a General Technical school.

Mr. M. Galgey said they were lacking in something in the county because there were pupils from his area attending Vocational Schools in County Kilkenny.

Mr. C. Curran said the Tramore building was a very old one and would be a big risk.

Mrs. Griffin suggested that they find out the demand for a full scale technical school in the eastern end of the county.

Mr. Galgey said a survey should be made of the whole south-eastern area and the discussion ended.

Outgoing Deputy Mr. T. A. Kyne, and new Deputies John Fahey and William Kenneally, all members of Waterford County Council were congratulated by the Chairman, Mr. C. Curran, at the Council's monthly meeting on Monday.

Mr. Kenneally, he said, was the son of a man that had proved himself in public life, and Mr. Fahey he also knew to be a dedicated and energetic public representative.

Mr. Norman Walsh said he also would like to congratulate their three Deputies. Mr. Fahey and Mr. Kenneally were new T.D.s. and were young men of energy and ability that would serve their constituents well in Dail Eireann irrespective of class or creed.

Senator Jack Butler in congratulating our wonderful deputies said he did not know if any other County Council had three Dail Deputies.

Mr. Milo Galgey said that whilst congratulating the elected deputies he hoped they would do more than the men that went before.

Mr. Norman Walsh said that whilst lavishing praise on the successful men, they should not forget the men before them. He could not agree with Mr. Galgey's remark. All the Deputies that went before these newly elected men had given excellent service to the county and in this respect he wished to mention in particular, Mr. Sean Ormonde.

Mr. H. R. Dowd said he wished to second those remarks of Mr. Walsh's.

Mr. Kenneally suitably replied.

Mr. Fahey, thanking the members for their kind remarks, said he wished particularly to thank the people of West Waterford for their support on polling day. He felt when selected to contest the elections he had an obligation to the people of West Waterford to represent that area being a Waterford man, and he was conscious of the fact that he got their support regardless of politics. He would work for them irrespective of political affiliations in return for that loyal support. He congratulated Wm. Kenneally on his election and if he was half as good as his father he would be a worthy Deputy. He also congratulated Deputy Kyne, and he (speaker) had no better friend than he. They would all work for the betterment of their constituents.

Another big Success for Ballinroad Players

Ballinroad Parish Hall Players brought their season to a close on Sunday night last, when they presented the well-known comedy "Love and Land," by G. Lynn Doyle, to a full house in the Rainbow Hall, Kilmacthomas. This was one of the Group's most successful seasons. Since Ballinroad Parish Hall Players were founded some eight years ago, they have gone from strength to strength and have made a name for themselves in the world of drama. Their speaking, acting and movements have the hall-mark of the professional, and they are very much at home on the stage.

Sunday night last was their first visit to the Rainbow Hall, and they delighted the audience by the excellence of their performance. It was the unanimous opinion that this was an outstanding show and that Ballinroad Parish Hall Players were a most versatile group. Round after round of applause and laughter greeted the many humorous sayings and funny situations, and it was evident that the comedy audience enjoyed the play to the full.

It was the express wish of all who saw this show that the Ballinroad Players would return to the Rainbow Hall in the near future. They were assured that a big welcome would always await them in Kilmacthomas.

Youth on Car Charges

A 15 year old youth of Laura, Cappagh, appeared before Justice L. B. Sanner, at Dungarvan District Court on Wednesday on 16 charges arising out of the larceny of three motor cars on February 21st, 23rd and 24th last. The youth pleaded guilty to the charges and the Justice adjourned the case for three months to enable the youth to pay back the appropriate compensation and to see how he behaves in the meantime.

Supt. S. Fanning said at 9.30 p.m. on February 21st, Michael Brennan parked his car outside 1 Caseyville and when he returned to collect it at 11 p.m. it was missing. The car was later found in Ballinacult. On February 23rd, Noel Fleming parked his car outside the Dungarvan creamery at 8 a.m. and when he went to collect it at 7.30 p.m. it was missing. It was found six miles away and was damaged. On February 24th a car owned by Mr. Pierce Hallahan was stolen and was found at Cappagh. It would appear said Supt. Fanning that the youth had the keys to Brennan's car and used it to start the others.

Mr. A. R. Farrell, Solr., defending said it was a most unusual case of its type. The defendant was only 15 years of age last December. He was one of a family of six and his father was a labouring man who required a car for his work. He used to drive his father's car around their yard at home. He knew how to drive and had the urge to go on the road. He went into Dungarvan late at night and took the cars. There were no previous convictions against him or any member of his family. His parents knew nothing of the offences and in view of his good record he asked the Justice to give the defendant a chance.

Supt. Fanning said there was damage done to the extent of £10.20 and there was also some petrol involved. He suggested that the case be adjourned for three months to see if the defendant would pay compensation and behave himself in the interim.

Judge Skinner addressing the defendant said: "You are a very foolish young fellow joy riding in these cars. You should go away for four years and then you will find it is no joke. I will adjourn the case for three months but I advise you to stay away from cars."

PHONE DELAY

At a meeting of Waterford County Council on Monday last, Mr. Kieran O'Ryan said that a public telephone had been agreed to for Coolnasmeary by the Council a long time ago but now the people of the area would not erect one there.

The County Engineer (Mr. J. D. Hally) said that the District Engineer in Waterford did not know anything about this.

Mr. O'Ryan said he understood that the Dept. had the final say in the matter.

The Secretary (Mr. J. G. Dowling) said that was the first he heard of it. They would have been told about it as it was they who would have the order.

The matter was approved by the Council on November 9th last.

Mr. O'Ryan said that someone from the Postal Authorities made the statement that the phone would not be installed in Coolnasmeary. Could they do anything to speed the matter up, he asked.

It was then decided to write to the Dept. asking them to expedite the matter

SAFETY FIRST RALLY

Thirty-one competitors took part in a very successful safety first car rally sponsored by Dungarvan Go Kart Club on Sunday last. Drivers had to complete a 28 mile circuit which started from Grattan Square and ended again in the Square. At several strategic points on the circuit observers were placed and marks were deducted wherever drivers failed to observe the usual rules of the road.

Joint winners of the men's section were Tom Dolan O'Connell St., Dungarvan, and Willie Fennell, Mitchel St.; joint second was shared between Nicholas Havard, Ballyneely and P. J. Kilgrew, Modeligo.

The award for the best lady driver went to Mrs. Noel Prendergast, O'Connell Street. The next rally will be held on Sunday June 27th.

N.F.A. NEWS

Agricultural Wages Increase

Farm workers, like farmers themselves, are not among the more prosperous members of our community so one cannot begrudge them the 15% per week increase in wages which has been awarded to them by the Agricultural Wages Board as from May 24th next. There is also a proportionate increase for juveniles and women workers.

Farm workers need to be men of the highest skill and broadest knowledge in these days of increased competition and efficiency. Their job is a more difficult and exacting one than the greater part of industrial work. Farmers realise that a solid core of skilled agricultural workers is needed to help in the attainment of the increased targets set out in the Second Programme of Economic Expansion. Farmers also realise that only a remunerative wage will keep the farm worker from drifting to industrial employment.

But the farmer also bears in mind that this increase in wages will cost him another £2,400,000 (including overtime) resulting from reduced hours during the next twelve months. It is another added burden in an era of rising costs. Of course the farmer and his sons are also entitled to a similar increase for their labour input. Hence a sum of £14,000,000 is needed to recoup farmers in this respect this year. It will take a good share of commodity price increases to reach that total.

There is one aspect to the increase in wages which has annoyed farmers considerably. Despite the fact that the increase would have a considerable effect on farmer's incomes, there was no hint of it given at this

year's Annual Review of Agriculture between the Government and N.F.A. Even though the Agricultural Wages Board is an independent body, officials must have known that the increase was impending. Less than 24 hours after the close of the Review it was announced in the daily papers.

I believe that the N.F.A. team pointed out during the Review that prospective wage changes should be taken note of in the Review. "We didn't expect that our point would be rejected in quite so emphatic a manner as this," said one member of the team.

If the Review of Agriculture, which is supposed to consider every facet of the agricultural industry and to shape its direction during the following year, is to be of any use it must have all relevant facts before it. Decisions on such matters as agricultural wages should be timed as to permit the Review to be conducted in an informed manner.

The present position is that the N.F.A. will now seek further discussions with the Government in the light of this sudden change in circumstances.

FARMERS IGNORED

The most amazing thing about the investigations carried out by the Committee on Industrial Organisation's Survey Team into the agricultural machinery manufacturing industry is that the farming community was completely ignored. They consulted the firms involved in the industry and also the Irish Congress of Trade Unions, but there was no consultation with the farmers, who are so vitally concerned with the industry and whose opinions would have been of much assistance to the Survey Team. Thus commented Mr. John Murphy, Secretary, N.F.A. National Industrial and Transport Committee.

Mr. Murphy said that the general gist of the report was that the industry was not in a very sound state, despite the fact that it had the benefit of fairly substantial import duties since 1956/57. The failure of the industry to make adequate headway vindicated the N.F.A. attitude of 11 years ago when they fought against the imposition of the import duties. N.F.A. still maintains that there should be free trade in the matter of agricultural machinery.

The import duties fixed in 1956/57 were 37 1/2% full and 25% preferential, i.e., on imports from Britain and Canada. There have been two ten per cent reductions since, bringing the duties down to 31% full and 20% preferential.

Mr. Murphy noted that big play was made in the Report on the agricultural machinery manufacturers' concern at the likelihood that the imports of steel were to be reduced when the expansion programme at Irish Steel Holdings at Haulbowline was completed. "There was absolutely no reference at all to the effects of the high-cost Irish steel on the agricultural industry," he said.

The Report also bears out the N.F.A. viewpoint on the need for improvement in quality and design of some of the products being manufactured. It is noted, however, that an improvement is expected through the establishment of a machinery-testing station at Carlow by the Agricultural Institute and a course in agricultural engineering at U.C.D.

Referring to recent changes in the industry, Mr. Murphy said that since the Survey Team's investigations there had been re-organisation movements involving the amalgamation of certain firms. "N.F.A. is watching these new developments with interest," he said.

VAST POTENTIAL

A full report on the prospects and potential of Irish meat sales on the British market will be considered at a meeting of the N.F.A. National Livestock Committee during the coming week. The report comes from a three-man delegation from the Association who made a four-day survey of markets and marketing methods in London, Manchester and Liverpool last week. On the delegation were Mr. C. V. O'Reilly, Chairman of the

Livestock Committee, Mr. David Dolan, Chairman, N.F.A. National Sheep Committee and Mr. Tony Sherry, Secretary to the Livestock Committee.

The team spent one day each in Manchester and Liverpool and the remaining two days in London. They toured the markets, questioning wholesalers, retailers and supermarket managers.

"The first thing that hits you is the vastness of the market potential for Irish meat. It is there for us if we want it. Our meat is regarded as top-class and the only criticism levelled against us is lack of constancy of supply; and the fact that we have not been able to send a graded or classified product to particular places," said Mr. Sherry.

He considered that in the light of their findings the group took the view that some sort of authority for beef, lamb and mutton was essential in order to co-ordinate the efforts of the producers, processors, marketing arm and Irish Government Departments, so that optimum advantage might be gained from these markets.

It was felt as well, that this development would be consistent with the aim of the Programme for Economic Expansion, in which certain targets for cattle and sheep production are set.

URGENT NEED FOR ACTION

An increase of 33% in cattle sales off farms is projected for 1970, the major proportion to be for the export market. The increase sought in sheep output was from 1.9 million in 1963 to 2.5 million in 1970, roughly a third.

The delegation stressed that if these targets were to be achieved a substantial capital investment on the part of the producers would be needed. Close attention would also have to be paid to the breeding and scientific rearing of cattle and to the improvement of grassland management techniques.

Mr. O'Reilly said that if such a body as they had visualised was, in fact, established, it would act as a link right from producers to the wholesale and retail market. The Agricultural Institute, the Department of Agriculture, the county bodies and the N.F.A. would be co-operating in such an effort.

The establishment of such a body becomes all the more urgent in view of the recent statement by the British Minister for Agriculture, Mr. Fred Peart that he considered the setting up of a meat commission as a matter of top priority.

It is expected that the Livestock Committee will put forward clear-cut recommendations for the consideration of the National Council of the Association. When the Association decides on what line of action should be taken discussions will then be sought with the Dept. of Agriculture.

HERE AND THERE

Catholics are committed to the idea of an united Europe, says His Holiness, the Pope: "Our Catholic sons and daughters are willing to welcome this European ideal and contribute towards its achievement," he said.

By 1985 the estimated population of Dublin City and county will be between 1,012,000 and 1,038,000. This is stated by Prof. Myles Wright, Dublin regional planning consultant in a preliminary report of the planning and future development of the area.

Sheep are selling for as little as 1/2 a head in Australia. This "ridiculous" price is not due to any overloading of the market but has resulted from one of the worst draughts in Australia's history. In addition to sheep, cattle are also dying daily from thirst.

I have had discussions with your union on meat marketing and I hope to bring into being quickly orderly marketing for this major industry. This is top priority. I have decided in principle that there will be a meat commission and now I am having discussions with the interested parties on what form it will take. — Mr. Fred Peart, British Minister of Agriculture, speaking to the West Riding Farmers' Union.

The Annual Review of Agriculture was not an annual alms giving to farmers, as some people seemed to imagine, said Mr. Henry Plumb, Vice President of the N.F.A. at a mass meeting of farmers at Sandown. "It is the means by which the farmers' prices for staple commodities are determined for the coming year. This year, so far from giving farmers £10m, the Review leaves them to find £185m. of extra costs out of their own pockets.

INCREASED EXPENSES

An application by Mr. John Frazer, P.T. Instructor, 13, Convent St., Tallow, for an increase of 10% a week travelling expenses for his attendance at Dungarvan Technical School every Thursday, was unanimously granted at last Tuesday evening's meeting of Co. Waterford Vocational Education Committee.

It was stated that Mr. Frazer was getting 10% a week travelling expenses from the Committee at the moment.

A one week's Retreat opened in the Church of the Immaculate Conception, Tallow, on Sunday. Large numbers of the faithful are attending the morning and evening devotions. Mass will be celebrated at 7.30 p.m. in Tallow Parish Church, on Holy Thursday. The Retreat is being conducted by Rev. Fr. Reynolds, C.S.S.R., Limerick.

CONFIRMATION
Most Rev. Dr. Ahern, Bishop of Cloyne, administered the Sacrament of Confirmation to the children of Tallow, Shean, Glencairn, Kilcail, Knockmore, Kilwatermoy and Glendine National Schools, in the Church of the Immaculate Conception, Tallow, on Wednesday, April 7th. His Lordship was assisted by the following clergy: Rev. Dr. Rea, Prof. St. Colman's College, Fermoy; Very Rev. O'Brien, P.P., Tallow; Very Rev. M. Power, P.P., Knockanore; Rev. M. Condon, C.C., Tallow; Rev. S. Nugent, C.C., Glendine; Rev. Fr. Quailly, C.C., Lismore.

IN HOSPITAL
We are glad to learn that Mr. Patrick Cunningham, Kilmore, Tallow, who underwent an operation at a Cork hospital, last week-end, is progressing favourably. We wish him a speedy recovery to health again. We also wish a speedy recovery to Mr. Patrick Keane, Ballymote, Tallow, who is in Dungarvan district hospital for the past week.

BANK CHANGES
Mr. Patrick Cashell, Accountant, Munster & Leinster Bank, Tallow, has been transferred to Navan, Co. Meath. A most popular official, we wish him the best of luck in his new sphere of duty. He is replaced in Tallow by Mr. N. C. St. George Mausergh, a native of Ballyhooley, Co. Cork.

LATE MR. ED. O'BRIEN, N.T.
The funeral of the late Mr. Eamonn O'Brien, N.T., Ballyferode, N.S., a native of Moorehill, Tallow, took place, following Requiem Mass at Our Lady of Lourdes Church, The Strand, Youghal, on Wednesday, April 7th. The cortege was of huge dimensions and as it wended its way through the streets of the town to North Abbey Cemetery, blinds were drawn and business houses closed their doors.

THE SEAN RIABHACH
The recent spell of cold, showery weather, which usually marks the beginning of April, is readily explained by gaelic speakers as being the "Sean Riabhach." This name is an abbreviation of Sean Mh. Riabhach, or the old speckled cow. The legend which is connected in folklore with this term tells of the old cow kicking up her heels with delight as she finds herself alive and well on the last day of March.

PROCEEDS DONATED TO WORTHY CAUSE
The proceeds of the Kilwatermoy Drama Group's presentation of 2 comedies, at Our Lady of the Wayside Hall, on Friday night was donated to the nuns of the Mercy Order, Cappoquin, in connection with the proposed project for the care of mentally handicapped children.

TWO HURLING GAMES AT KNOCKANORE ON SUNDAY
Two very interesting hurling games will be played in the John F. Kennedy Park, Knockanore, on Easter Sunday. The teams participating will be Abbeside v. Fermoy, and Youghal v. Shamrocks. Granted fine weather, a big crowd should turn up to see the games.

NUN'S FINAL VOWS IN GIBRALTAR
On Thursday, March 25th (feast of the Annunciation), Sr. M. Mechtild, one of the Sisters of Mount Alvernia, made her final profession of vows in the recently completed and very beautiful Church at Mount Alvernia.

His Lordship, Bishop Healy, celebrated Pontifical High Mass assisted by seven priests, during which Sister Mechtild was handed a gold ring as a symbol of her marriage to the Church and a crown of thorns placed upon her head, symbolic of the life of sacrifice to which she is now committed. She then lay prostrate while the litany of the Saints was chanted and finally took her triple vows of chastity, poverty and obedience.

Sr. Mechtild entered the congregation of the Franciscan Missionaries of the Divine Motherhood seven and a half years ago and has been taking the vows annually until now. This time she has taken them for life. Sr. Mechtild came to Gibraltar a little over a year ago from the Motherhouse at Ladyswell, Surrey, England, after qualifying in general nursing at Portsmouth, Ballinasloe.

The ceremony aroused much interest as it was the first ceremony of its kind performed by His Lordship, Bishop Healy, and the first ceremony of Final Profession in the new Convent Church.

An Anglican Dean, a number of Protestants and Jews were amongst the congregation present. Sr. M. Mechtild (formerly, Miss Marie Kiely) is youngest daughter of Mr. and Mrs. Laurence Kiely, Touraneena, who have given their entire family of five to religion. Another of their daughters (Ann), Sr. M. Gertrude in religion, also joined the Franciscan Missionaries of the Divine Motherhood and is now serving on the Missions in Victoria, Australia, while their two elder daughters entered the Convent of the Sisters of Mercy, Dungarvan, and their only son, Fr. James Oliver Kiely, O.S.A., who was ordained in Rome in February, 1962, is now doing Missionary work in Northern Nigeria.

All received their early education at Touraneena National School and later at Coliste Mhuire, and St. Augustine's College, Dungarvan. We wish them every happiness and a long and fruitful life in the services of the Divine Master.

Before the borrowed days had ended, the old cow had departed and the cruel month of March had regained his deadly reputation. This is the outline of the ancient legend which still lives in the minds of our people, and is but one of the many tales of wonderland handed down from generation to generation of our gaelic forefathers. Stories which shall survive when many of the so-called "best sellers" shall be forgotten.

LATE THOMAS DOOCEY
DROMORE, AGLISH
We announce with deep regret the death of Mr. Thomas Doocey, Dromore, Aglish, which took place in the District Hospital, Dungarvan, on Thursday, 4th April. News of his passing was learned over a wide area where he was held in regard and respect with a feeling of deep loss. He was a farmer by occupation and was an acknowledged authority on horses, many of which he bred. He was a founder-member of the Aglish Hunt in which he maintained a keen interest.

Sympathy is extended to his brother, sisters and other relatives in their bereavement. The remains were removed from the hospital to Aglish Church on Friday and were received by Rev. J. E. Morrissey, C.C., and on Saturday the interment took place in the adjoining cemetery. Very Rev. D. Quinlan, P.P., Rev. J. F. Morrissey, C.C., and Rev. W. Carey, C.C., officiating. On both occasions there was a very large attendance of the general public. The immediate mourners were: William, Dromana and Patrick, Mayfield, Lismore (brothers); Mrs. J. Foley, Grange, Youghal and Miss Mary Doocey, Dromore, Aglish (sisters). (Funeral arrangements by A. Walsh & Sons, Cappoquin.)

Lismore C.B.S. Win Kinnane Cup in Thrilling Replay

Lismore C.B.S. — 6-5; Templemore C.B.S. — 4-4.

THE DR. KINNANE CUP (for Munster Colleges under 18 hurling) received a rousing welcome on Saturday evening last, when it arrived in Lismore for the first time following a fine victory earlier in the day by Lismore C.B.S. over Templemore C.B.S. in the replay of the final, in Tipperary town, on Saturday last.

The final score 6-5 to 4-4, however, gives little indication of the swaying fortunes of the hour and it was only in the closing stages that Lismore forged ahead to anything like a comfortable lead.

This was a grand game—clean, hard-fought and with plenty of good hurling. The determination of the Waterford boys illustrated every time one of them went for a ball their

first-time pulling along the ground and their tenacious tackling were major factors in the win. Added to these qualities was the fact that in Michael McGrath Lismore had the man of the match. McGrath had played magnificently in all the previous rounds of the competition, but this must have been his finest hour. A marked man from the drawn game, Templemore gave him the fullest attention, but to absolutely no avail and to him goes the most credit for his team's success.

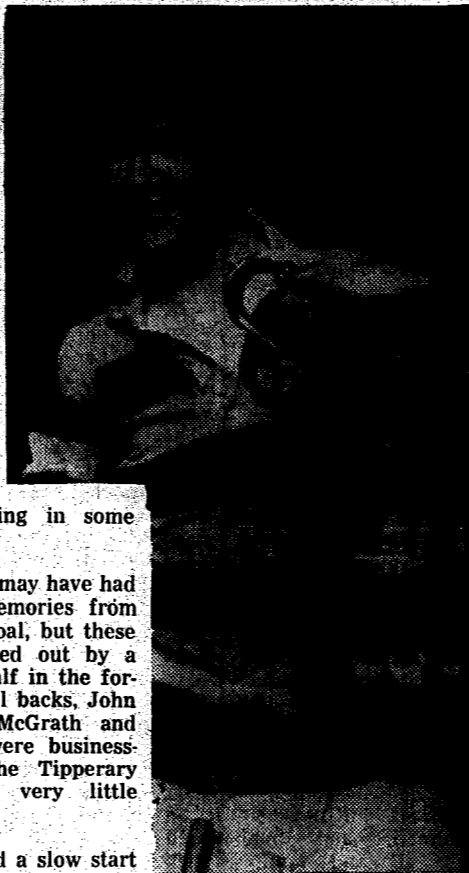

Not that this was a one-man victory. Jimmy Geoghegan had a thundering game at full-forward despite an injured ankle. Denny Buckley gave a glorious display in goal when moved from the forwards at half-time, while the half-backs, Johnny Cotter, Monty Scanton and James O'Brien eventually completely mastered their op-

ponents after being in some trouble early on.

Sean O'Sullivan may have had some unhappy memories from his first half in goal, but these were quickly wiped out by a top-class second-half in the forward line. The full backs, John Fleming, David McGrath and Tommy Hyland were business-like and gave the Tipperary full-forward line very little scope.

Jarlath Daly had a slow start but came right into the game when moved to midfield in place of Davy Whelan for whom little went right early on, but who fared better at centre-forward. Well to the fore also were Tommy Savage—one of the best forwards on view; elusive Liam Frazer and Liam Sheehan, who hit some grand scores.

After playing with a lively

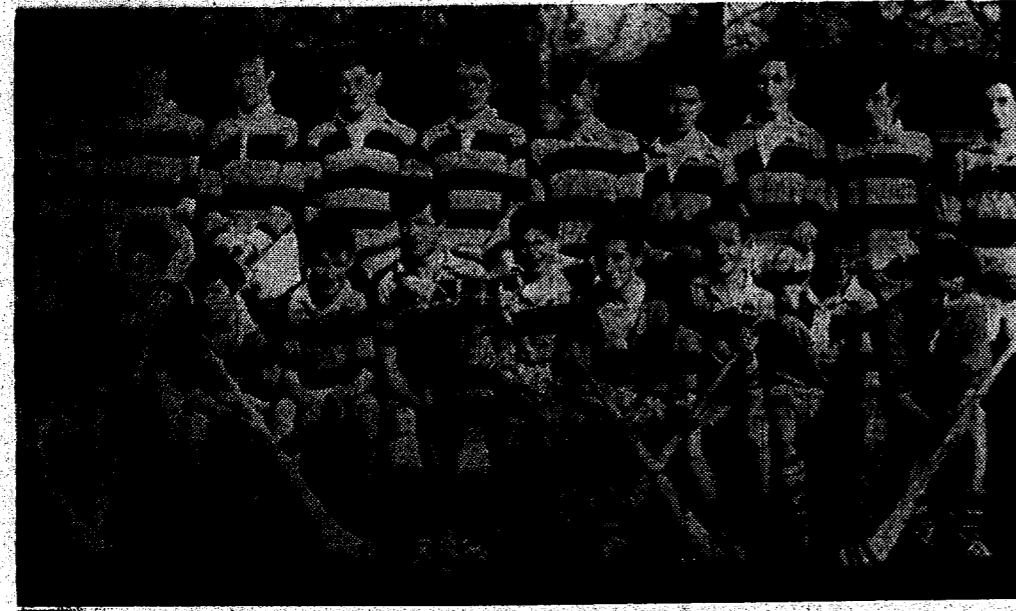

JARLATH DALY (Capt.) with the Dr. Kinnane Cup

wind, Lismore trailed 2-3 to 3-2 at half-time. The first of their connected with a McGrath side-line cut and the second came direct from a McGrath 21 yards free. Many felt that Lismore had missed the boat, but such goals came when Geoghegan reckoned without the spirit of the Waterford men.

Shortly after the resumption Geoghegan restored hope with a goal. Templemore equalised with a point. O'Sullivan restored Lismore's lead with a point and again Templemore secured an equaliser. Then came Sheehan's goal and from then on Lismore kept ahead, being now well in command and playing the best hurling of the hour.

Lismore scores came from: Geoghegan (3-1); M. McGrath (1-2); Frazer (1-1); Sheehan (1-0); and O'Sullivan (0-1).

The Lismore line-out was: S. O'Sullivan; J. Fleming, D. McGrath, T. Hyland, J. Cotter, M. Scanton, J. O'Brien, M. McGrath, D. Whelan, T. Savage, J. Daly, D. Buckley; L. Sheehan, J. Geoghegan, L. Frazer. Sub., Tommy Veale for Daly.

THE VICTORIOUS LISMORE TEAM

Glen Master Blackrock in Fiery Final

GLEN ROVERS 4-5; BLACKROCK 3-5

ALTHOUGH minus the services of Christy Ring, Glen Rovers still proved too good for Blackrock in the final of the Cappoquin senior hurling tournament on Sunday last. Played almost throughout in a torrential downpour, the contest was marred far too often over the hour by outbursts of temper by players on both sides.

Despite the inclemency of the elements, this final attracted quite a good crowd. The standard of hurling was top class, but one could sense at an early stage that there was a certain amount of needle between these Cork city rivals. Unfortunately, the second half was marred by senseless outbursts of violence, and shortly before the final whistle things looked like developing into something approaching a free for all, as several players from both sides swapped punches within the small confines of the net behind the road goal.

Be that as it may, the honours rightly went to the Glen. They looked the more purposeful and better equipped for most of the hour, and only looked in real danger when the Rockies made a great last quarter rally. Having dominated most of the first half exchanges, the Glen were not flattered by their 2-2 to 1-1 interval lead, between them again.

The hour had now run its course, but with Blackrock surging upfield, there was no indication that referee J. Kennedy was going to blow the full time whistle. In fact the clock had gone five minutes over the hour when the long whistle did sound, but only after a spectacle of violence seconds before. As the Rockies sought the all-important equalising goal, O'Neill between the Glen posts defied them and in making one of his many fine saves—this particular one in the 63rd minute, he was more or less set upon, and the scramble that followed did no credit to either of the sides.

At this juncture, however, I feel the referee must not be let go uncriticised. Why was there five minutes with the allotted hour played? There was no stoppages, and the extra time was totally unjustified.

For the winners Finbarr O'Neill was an excellent goalkeeper, and in defence Jerry O'Sullivan, and Mick McCarthy were best.

Sean Kenniffick was the better of their midfielders, and in attack corner forwards Bill Carroll and Patsy Harte took the honours.

For the losers, centreback Jimmy Brohan gave a polished performance, and it is difficult to imagine the Cork inter-county selectors having better material at their disposal at the moment. Mick Cashman also played well in goal, and in attack, where John Bennett never hit top form, John Redmond and Florrie O'Mahony were best.

Scorers — Glen Rovers: W. Carroll (3-3); P. Harte (1-1); R. O'Connell (0-1); Blackrock: F. O'Mahony (2-0); S. Falvey (1-0); J. Bennett (0-2); W. Galligan (0-2); J. Redmond (0-1).

Glen Rovers — F. O'Neill; S. O'Riordan, M. Lane, M. Twomey; J. O'Sullivan, E. Buckley;

Waterford County Council is standing firmly behind Lismore in their "battle" with the Library Council of Ireland, who for some time past have been endeavouring to persuade the County Council to agree to transfer the Library Headquarters in the County from Lismore to Dungarvan.

After discussion the Council unanimously passed the following resolution: "That they hereby restate their determination not to accept any Library Development Plan for County Waterford that does not include the development of the existing Library headquarters in Lismore and the retention of the headquarters there. We again urge the Library Council to sanction the implementation of the Library Development plan approved by this Council."

Mr. H. R. Dowd said the hold-up and apparent dead lock was all the fault of the Library Council of Ireland. This was another round in democracy versus bureaucracy. All the people of Lismore were grateful for the County Council's support in retaining the Library headquarters in the town. He thanked the Councilors for what they had done up to this and he hoped they would continue to support Lismore.

Mr. C. Curran said there was great credit due to Mr.

GAELIC JOTTINGS

SUNDAY'S GORDAN CUP FINAL

The stage is set for the final of the Gordon Cup (senior football at Dungarvan, on Sunday next, between the holders Kilrossanty and challengers Kill.

Right now Kilrossanty are riding on the crest of a football wave, having battled their way to the semi-final of the newly inaugurated Munster club championship. Nothing acts like success, and Kilrossanty will not hear of defeat on Sunday.

But Kill's mission on Sunday next is two fold. Firstly the desire to capture this trophy (presented by P. J. Gordon, Tarr's Bridge) for the first time, and secondly to avenge the championship defeat which they suffered at the hands of the Comeragh men last year.

Both teams will field at full strength and patrons should see a good final between these two footballing "K's." The game starts at 7 p.m.

SUNDAY'S BIG ATTRACTION AT KNOCKANORE

Big attraction in Knockanore on Sunday next is the final of the Shamrocks senior hurling tournament between Abbeyside and Youghal, the intermediate champions of Cork last year.

Right now there seems to be no stopping this talented Abbeyside outfit. They have won a Sargent Cup final; have won the Tallow game that marked the opening of their new field, and on Sunday last they travelled to Ferrybank and inflicted a four point defeat on Ballygunner in the Sargent Cup. That indeed is the type of form that just cannot be overlooked, and indeed many believe that they are now ready to take over the Mount Sion supremacy.

Youghal, with their inter-county star Noel Gallagher, will offer good resistance, but it is difficult to see this potent Village side being beaten just now.

CURTAIN RAISER

In the curtain-raiser at the same venue, local club Shamrocks take on Fermoy, and they should be good enough to win on their own ground.

MINOR CHAMPIONSHIPS ON SUNDAY

The commencement of the minor championships was delayed a week with the postponement of last Sunday's tie at Cappoquin between Tallow and Ardmore, but all is set for Sunday next and two minor hurling clashes are down for decision.

The reigning champions, Dungarvan, are first into the field of battle putting their title in the melting pot against the lads from Stradbally. Make no mistake about it this is a really powerful Dungarvan side, fielding no fewer than fourteen of the heroes that swept all before them in the Division last year. It is a side laden down with talent and whilst the championship has always been instrumental in providing shock results, the Blues, provided they treat every game with the importance the championship deserves, then they are my confident nap at this early stage

to retain their title. Sunday's tie against the boys from the Cove was to have been played in Stradbally. But the pitch there was not the minimum regulation size and so the game has been transferred to the C.B.S. ground in Dungarvan. This will be to the advantage of the champions and I fully expect them to win their first round tie with something to spare.

Just one note of warning, however. Greater certainties than Dungarvan will be on Sunday have fallen by the wayside because of overconfidence. That the champions can win—and win with something to spare, I have no doubt, but there are no greater championship battlers than Stradbally, and if there is to be a major first round upset they could be the very ones to provide it.

RING FANCIED

The other minor hurling championship tie down for decision on Sunday is at Aglish, between Ring and Affane, and although the latter is the better known hurling area of the two, I have a fancy for the Gaeltacht boys on this occasion.

THE PIKE SEEK FURTHER GLORY

Fresh from their magnificent victory over Cappoquin in the Winter Football League, a game which marked their re-entry into competitive football after a number of years, the Pike travel in confidence to play Clashmore in the same competition at Aglish on Sunday. It is, however, a mammoth task for these enthusiastic newcomers as Clashmore are one of the best sides in the West at present. It would be a tremendous feather in their cap if they could add their Clashmore men to their victory belt, but gallantly though they will try, I just cannot see them mastering what appears to the writer to be a better drilled opposition.

Villagers Oust 'Gunners' in Sargent Cup

ABBEYSIDE 4-4; BALLYGUNNER 2-6

NOT for the first time on Sunday last at Ferrybank, Abbeyside served notice on all and sundry that they are going to be a tremendous force in the coming senior hurling championship. They — to all intents and purposes — conceded ground advantage to Ballygunner by playing them at the Ferrybank venue, but turned in a superb display that richly gave them a four-point victory.

This in my way of thinking cannot help singling out a few in particular who turned in superb displays. Back in goal again was Pat Enright and as expected turned in a performance in his best tradition. True he was to blame for one of the Gunners' goals, but more than compensated with two other saves that were little short of being out of the ordinary.

In defence all six starred. But one could not help noticing particularly the influence full back Austin Flynn had over the rest of his colleagues. Mick Kiely gave another great exhibition of hurling at centre-back and London based Rogie Cashin when called on during the game at half-back showed little sign of his long lay off.

Once again Liam Enright took the midfield honours. He hurled a tremendous hour, and is rapidly becoming one of the top men in the County. Certainly he does not deserve to be completely discarded from the inter-county panel. In the first half the forwards did their duty in splendid fashion and although not so well supplied in the second moiety all six remained a threat. Of the sextet, however, Duck Whelan and a back-in-form Pat McGovern were best. Ballygunner fielded their full championship line-out and were not disgraced in defeat. They made valiant second half efforts to come out on top, but could not master the coo-hoop Abbeysiders.

Their best performers were Tommy Hearne, Tony Cummins, John O'Brien and Letter Trov. The Abbeyside team was: P. Enright, J. Browne A. Flynn, M. Kiely, J. Flynn, L. Enright, J. McGrath, B. Shields D. Barry; J. Elstead, D. Whelan, P. McGovern; T. Mansfield, E. Moore, J. Hogan. Sub.—R. Cashin for J. Flynn.

Backed by the breeze in the opening half the Villagers let few chances go. Their defence too was well impregnable and at the interval they were in no way flattered by their 4-2 to 0-3 lead.

On the change-over the Gunners piled on the pressure in relentless fashion. They succeeded in eating away at that interval deficit, but they could never pierce Abbeyside's heroic defence often enough for the scores that might have saved the game for them. In fact for the final few minutes Abbeyside had again taken over control, and had the game gone on much longer they would I feel have consolidated their position even further.

Charged With Taking Car Without Permission

Patrick Connors, Belahéen, Leamybrien, was charged at Dungarvan District Court on Wednesday, with taking a car the property of Miss Nora Hally, Baylough, Portlaw, without her permission on December 27th last and with having no driving licence or insurance.

Fintan Walsh, nephew of Miss Hally with whom he resides, said he attended a dance in Clonea on the night in question. His aunt gave him the car to go there. In the dance hall he did give permission to a boy named Patrick Coffey to drive the car.

Cross-examined by Mr. E. P. King, Solicitor, witness said he knew Coffey was only 15 or 16 years of age. He gave him permission to use the car because he knew he could not drive it anyway. He gave Coffey the keys of the car to put his cap into it. When Coffey asked him for the keys the defendant Connors was present. He knew Connors could drive and he knew it would be Connors that would be driving the car if they took it away for a spin.

Sergeant Morgan Hayes said he was on duty in Grattan Sq., Dungarvan, at 9.30 that night. He saw Connors getting into a car accompanied by Coffey. He spoke to Connors and asked him if he was the owner of the car and he replied that he was not. He said Fintan Walsh was the owner of the car and Coffey added that Walsh had given it to them in Clonea to go for a spin. He (witness) asked them to drive back to Clonea and he followed them. He spoke to Walsh and he said he told Connors not to drive the car that night. Connors was present when Walsh said that but never spoke. He then asked the defendant for his driving licence and insurance but he could not produce any of them. Two or three years ago the defendant did have a driving licence but he was under age to hold an ordinary driving licence.

Patrick Coffey (14) said he was at the dance in Clonea with the defendant. They met Walsh and asked him for a loan of the car to go for a spin. He said he did not mind

and he gave the keys to Connors. When they came back to Clonea with Sergeant Hayes, Walsh said that he did not give the defendant permission to drive the car.

The defendant, Patrick Connors, said Walsh handed him the keys in the dance hall and told him he could have the car. He did hear Walsh tell Sergeant Hayes that he had not given him permission, but he (witness) did not know what to say then.

Replying to Supt. Fanning, witness said he would be 19 next August and had a licence out for himself when he was 16.

Dunmore East Want Tech. School

At last Tuesday's meeting of Waterford Vocational Education Committee in Dungarvan, a letter was read from Rev. Fr. M. Leahy, P.P., Dunmore East, requesting the C.E.O. to attend a meeting in Dunmore to discuss the possibilities of establishing a technical school in the area.

Fr. Leahy, in his letter, stated that the nearest school to Dunmore East was Waterford City and that was already overcrowded. He hoped the Committee would give them their utmost consideration.

Mr. Galgey said the idea was to get the Committee's feelings on it. He thought it would be advisable if they could get one general technical school to cater for all that area including Tramore. It would be cheaper and better.

Mr. Rushe said he would do anything for the furtherance of vocational education. He agreed to attend a meeting in Dunmore after Easter to discuss the entire matter.
