## Council Appoints Extra Engineer

Waterford County Council has decided to appoint an additional Engineer. On Monday last a motion in the name of Mr. W. Kenneally, T.D., and countersigned by five other members that they approve of the creation of the additional post for work on the Design of Road Improvement Works, was passed by nine votes to six.

In proposing his motion, Mr. Kenneally said their road

grants this year were being increased three times last year's amount—from £30,000 to £90,000. If they did not appoint this additional Engineer to supervise the spending of this money there was a chance that this amount of money might not be allocated to the County. The first to suffer would be the road workers because next January they could be left idle if no money was available.

Mr. W. Foran—That is a ridiculous statement.

Mr. Kenneally said they would have to go...by what the County Engineer said.

Mr. M. Galgey said he thought that in this case it would be good business to appoint the additional engineer. One thing that should never be done was to give back money because they might never get it again.

Mr. Kenneally said that the Minister gave £100,000 to a particular county last year and they did not take it all and he would not give it to them this year. The same might happen in this county if they gave back some of the money which they would have to do if this additional engineer was not appointed.

Mr. T. Lannon—How do we know we will lose this grant if the appointment is not made? Have we been notified of this effect?

The Chairman (Mr. C. Curran) said that Deputy Kenneally had told them it had happened in another county. This additional engineer was required to supervise the spending of the increased grant and proper supervision was very important in this particular case.

Mr. Lannon said a few pounds could not be found a few weeks ago for the poor and now they wanted to employ an extra engineer costing £2,000 a year. He did not think there was any necessity for this additional appointment as they had ample engineers to do all the work that had to be done. He proposed they make no additional appointment.

Mr. K. O'Ryan seconded.

Mr. Kenneally said the Co. Engineer said they had not enough engineers to do all the work. They were now going to get almost £100,000 in grants from the Government for the expenditure of £2,000 on an engineer and yet some Councilors did not want to do this.

Mr. Foran—We will have all officials and no workers soon.

Mr. Kenneally's motion was then put to the meeting and passed by nine votes to six.

The voting was: For—Cols. Curran, Butler, Kyne, Drohan, Fahey, Roche, Cahill, Galgey, Kenneally (9).  
Against—Cols. Hartly, Lannon, Foran, O'Ryan, Ahearne, N. Walsh.

## CO. COUNCIL AGAIN DEFY MINISTER COTTAGE COMPLAINT BY COLR. O'RYAN

Once again Waterford County Council has defied a Ministerial decision with regard to the appointment of a new Co. Manager. The Council already asked the Minister to amalgamate the positions of Secretary and Manager with their present Secretary, Mr. J. G. Dowling, filling the post. This was not accepted by the Minister, who stated that such a step was not feasible. He also said that a deputation from the Council to discuss it would serve no useful purpose. But at last Monday's meeting of the Council it was again decided—this time by 9 votes to 6—not to agree to the appointment of a separate Co. Manager, and they again referred it back to the Minister.

Mr. Norman Walsh said he did not think there was any need for a separate Co. Manager in any county. They should at least voice their protest to the Dept. in this matter.

Mr. Thomas Lannon, who originally proposed that the two posts be amalgamated, said they were more familiar with existing conditions in this county than the Dept. Their proposal was made in an effort to save the ratepayers £3,000 or £4,000 every year.

Mr. P. Cahill proposed and Mr. J. Drohan seconded that they give their acceptance to the appointment of a County Manager in succession to Mr. S. J. Moynihan.

Mr. T. A. Kyne said he was always against the Management Act. It was an unnecessary evil, he said.

Mr. Lannon then proposed that they stick to their guns and have the two positions amalgamated. Mr. K. O'Ryan seconded.

Mr. W. Foran said he believed the Minister was adopting a dictatorial attitude in this. This was a very vital issue and they should support Mr. Lannon's proposal.

Mr. Lannon's proposal was then carried.

The voting was: For—Cols. Curran, Hartly, Kyne, Lannon, Whelan, Foran, O'Ryan, N. Walsh, Galgey (9); Against—Cols. Butler, Drohan, Fahey, Roche, Cahill, Kenneally (6).

## Deputation Object to water scheme

A four man deputation from the N.F.A. came before the monthly meeting of Waterford County Council in Dungarvan, on Monday last, outlining the reasons why the Council should not go ahead with the proposed Regional Water Scheme for the Rathgormack area costing £200,000. The members of the deputation were Mr. D. J. Coughlan, Mr. B. Pearce, Mr. T. Hahessy and Mr. P. Baldwin.

Addressing the meeting, Mr. Coughlan said the last time a deputation from the N.F.A. came before a Council meeting was in connection with the proposed Regional Water Scheme for Modeligo, which had since been scrapped. They had now got the opinions of their members in the area about his Rathgormack scheme. The way this scheme would be financed would mean that it would eventually cost two and a half times the cost that was already given. A piped water supply was no use for cooling milk and that must be taken into account, he said from a farmer's viewpoint.

Mr. Coughlan said the alternative to a Regional scheme was private schemes for farmers. In recent years these private schemes had increased by a big extent and it would now pay any farmer to instal his own supply. In two years time there would be very few farmers of

any consequence that would not have their own private supply of water. Also, group schemes were ideal for cottiers.

Mr. Thomas Hahessy said the position in the Rathgormack area was that there were 37 farmers of every description. Fifty had their own private supply, he said, and four more were being supplied at the moment.

Mr. T. A. Kyne, T.D., said he had to make representations in Dail Eireann last year because there was no water at all in Rathgormack village. There was a pump there that was not working.

Mr. John Fahey, T.D., said the position had changed completely in the Rathgormack area since they first adopted the Regional scheme for the area. The need for water was urgent, but he felt it should be supplied by minor schemes.

Mr. Brian Pearce said that 60% of the people in the Clonea area had water and there was no urgent demand for a large piped water scheme.

Mr. Hally (County Engineer) said there was justification for Regional schemes, mainly on the agricultural demand. The minor schemes were ideal up to a point.

Mr. Thomas Lannon said that recently they had received deputations about the Modeligo Regional scheme and now this Rathgormack scheme and these

deputations were due to the enormous cost of them. He hoped the cost of them was outrageous and he did not see why they should have them.

Mr. W. Foran said they had already scrapped the Modeligo Regional scheme. He was now proposing they scrap this Rathgormack regional scheme as well. Mr. K. O'Ryan seconded.

Mr. P. Roche said they could not do anything about that today.

The deputation then withdrew and the Chairman (Mr. C. Curran) said it would be discussed again at a future meeting, and the views expressed by the members of the N.F.A. would be taken into consideration.

## ASKS WILL COUNCIL QUARRIES CLOSE DOWN

At last Monday's meeting of Waterford County Council, Mr. P. Cahill said he had heard the rumour during the week that the County Council were going to buy stones from an outside firm and that they would be closing down some of the quarries in the county.

Mr. Charles Curran (Chairman) said it had been rumoured that the Glenshank and Stradbally quarries were to be closed down.

Mr. J. D. Hally (Co. Engineer) said an approach had been made to them for the acquisition of a quarry in the county, but no decision had been made. If they did close the deal there would be no question of loss of employment for some workers. Neither would it necessitate outside purchasing of stones.

The discussion then ended.

Lismore YOUGHAL NOTES

Notes

**WOMEN'S CONFRATERNITY**  
The monthly meeting of the women's branch of the Sacred Heart Confraternity will be held on to-night (Friday) evening, in St. Carthage's Church, at 7.30 p.m.

**DEATH OF MR. M. GREEHY**  
It is with deep and since regret we record the death of Mr. Michael Greehy, Derpark, Lismore, which sad event occurred at his residence on Friday night last, June 11th.

The deceased gentleman, who had reached an advanced age, was a member of an old and highly esteemed family. Possessing a very quiet and cheerful manner, he had countless friends everywhere and will be sadly missed by all, but more especially by his sorrowing sisters and all other relatives, to whom we tender our deepest sympathy.

The remains were removed to St. Carthage's Church on Saturday evening and were received and blessed by Very Rev. Canon Dunphy, P.P., V.F., assisted by Rev. Fr. Queally, C.C., and Rev. Fr. Slattery, C.C., and burial took place on Sunday following second Mass, in the adjoining cemetery, the same clergy officiating at the graveside.

Large and representative corteges attended both funeral and burial.

LISMORE SPORTS ON SUNDAY

The annual meeting of the Lismore Novice Sports (under N.A.C.A.I. Rules) will be held at the Gaelic Field, Lismore, on Sunday next—June 20th, commencing at 3.30 p.m. Already a very large number of high class entries has been received, and weather permitting, a very enjoyable evening's sport should be had by all.

LATE THOMAS MURPHY

St. Brigid's Tee, Dungarvan

The death occurred on Tuesday, June 8th, at Ardkreen General Hospital, of Thomas Murphy, after a duration of protracted illness and at an early age. Tommy, as he was better known in his native town, was a gentle and retiring person, a general favourite, and his charming manner made him a friend of all who had the pleasure of his acquaintance. He was an outstanding hurler in his youth and a great follower of Gaelic games.

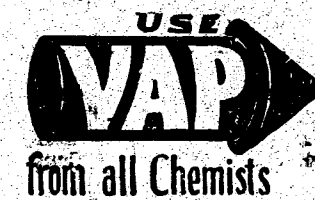

We would like to express our deepest condolence to his brothers and sisters on their great loss.

His remains were removed on Wednesday evening, followed by a very large cortege, to St. Mary's Parish Church, Dungarvan, and were blessed and received by Rev. J. Murphy, C.C. Requiem Mass was celebrated on Thursday morning for the intentions of his young soul and the funeral took place later in the day to Abbesside cemetery where interment took place in the family plot. Rev. M. Walsh, C.C., Abbesside, officiated at the graveside. Another large and most representative concourse were present.

(Funeral arrangements by James Kiely & Sons, Dungarvan.)

SALMON FISHING

Over last week, the catches of good quality salmon were maintained in addition to grilse averaging 5lbs. The grilse have not as yet shown up in great numbers, but they should increase considerably in the next week or two. Fishermen at Ardmore are having a very lean season and many crafts of nets have been destroyed by large basking sharks. Upriver from Youghal, catches are said to be poor with both drift, draft and snap nets, which is said to be due to the very clear water in the river. The price last week to fishermen was: salmon 7/-, and grilse 6/- and 5/6.

LIFE BOAT ALERTED

On Tuesday last, at 1.45, a salmon boat was seen to be in difficulties in Youghal bay, when they were being blown on to the rocks on the eastern shore by a strong S.W. gale in mountainous seas. The life boat under Coxswain Dick Hickey, was alerted and put to sea and after careful manoeuvring, succeeded in towing the boat Harbour Licence No. 2, back to Youghal. Seemingly, the crew had cast their nets west in the bay and with the strong wind, were unable to haul them before reaching the opposite side. The boat had shipped a good amount of water, but little or no damage was done to the nets. The crew members were Jimmy O'Shea, Tom O'Connell and Christy Hennessy, who were little the worst of their experience.

PROCESSION

During the week residents are busy decorating their houses and business premises for the 88th Annual Corpus Christi Procession on next Sunday. The first public procession of the Blessed Sacrament in the country, was held in Youghal in 1898, and since that time only three had to be abandoned due to unfavourable weather condition on the appointed Sunday. The time (3 p.m.), route and order of the procession will be as in former years, with Benediction at the Green Park and at the Parish Church on the return journey.

Final arrangements were made at a meeting of the Marshals, held at the League of the Cross Hall, on Thursday night, presided over by Very Rev. Canon Sheehan, P.P.

DIOCESAN APPOINTMENTS

His Lordship, the Bishop of Cloyne, Most Rev. Dr. J. J. Ahern, has made the following appointments: Rev. D. Gould, C.C., Chaplain to Loretto Convent, Youghal, to be Chaplain Nazareth House, Mallow. He is being replaced in Youghal by Rev. P. O'Keefe, C.C., a native of Ballymore. Fr. Gould, who has been in Youghal for over three years, will take with him the very best wishes of the people of the Parish.

RESTORATION OF FERRY SERVICE

There are great expectations that the ferry service between Youghal and Monastrea will be resumed in the very near future. In this service, Youghal lost a most attractive amenity when, some four years ago, the Urban Council decided to cease its operation as it was a great burden on the ratepayers of the town. A small company has been formed locally and its

LATE WILLIAM TRECAY

Ballinacourty, Dungarvan

We announce with deep sorrow, the death of William Trecay, which sad event took place on Sunday, 13th June, at St. Joseph's Hospital, Dungarvan, after a duration of illness, but at the fulness of years. He was a most popular member of the farming community and his charming disposition and jovial witty humour won him the admiration of all, especially in the Ballinacourty and Abbesside area, where he was better known.

We express our deepest sympathy to his sister, Mrs. Meehan, Kilminton, and also to his nephews and nieces, on this very sad occasion.

The removal of his remains took place on Monday evening to Ballinacourty Church, followed by a large cortege and his coffin was blessed and received by Rev. M. Walsh, C.C.

Requiem Mass was celebrated on Tuesday morning for the happy and eternal repose of his soul, and after which, the interment took place in the adjoining family plot. Rev. M. Walsh also imparted the final absolution at the graveside.

Very many Mass cards were received.

members are to inspect shortly suitable river passenger craft on the Continent. The new boat will be much larger than the previous one, which was 408 by 8' beam and of shallow draft to enable it to reach Cappoquin.

DAMAGE TO LIFEBOUYS

The Harbour Board members were told by the Secretary that six new lifebuoys were required to be replaced on the quays. A member stated that the new ones should be fixed on poles with appropriate life lines, as children have been seen playing hoops with them on the quays. He also informed the meeting that only £6 had been collected out of the estimated levy on boats in the harbour amounting to £60.

FIRE OUTBREAK

On Tuesday last, Youghal Fire Brigade were alerted to an outbreak of fire on a large lorry at Gortree Cross, a few miles from the town. The lorry loaded with bales of cotton for Youghal Carpets, caught fire at the rear. The fire was noticed by the crews of two Ellis & Sons lorries travelling behind and they notified the driver of the lorry of cotton. In a short time they unloaded the cotton onto the side of the road, and shortly afterwards the brigade had the fire under control. The rear of the chassis and back wheels and tyres were destroyed.

NEW LABOUR BRANCH

A Labour Party Meeting was recently held at the League of the Cross Hall, Youghal, for the purpose of re-organising the Branch in Youghal. Great enthusiasm was shown by the younger members and the Branch appeals to the young people and to women, especially to housewives to come forward and join the Branch.

The following Officers were elected: Chairman, Thomas Hickey, U.D.C.; Secretary, Pat Myers; Treasurer, Sid Daly.

Touraneena Notes

MUINTIR NA TIRE COUNTY RALLY

At the Muintir na Tire County Rally, held recently in the Parochial Hall, Touraneena, representatives from the following Guilds attended: Bonmahon, Portlaoigh, Ballyduff, Kilsrossity, Kiltwatermoy, Kinsalebeg and Waterford City. Mr. Gerald Dooley, Gowran, Co. Kilkenny, gave a very impressive lecture on the aptitude of Muintir na Tire for rural areas. Rev. Fr. Lamb, C.C., Cashel, and Very Rev. Fr. Farrell, Stradbally, also spoke.

Tea was served by the local Guild hostesses, and the dance and impromptu concert which followed was thoroughly enjoyed by all present.

BALLYMACARBRY FLEADH WINNERS

At the recent all Ireland Fleadh Ceoil, held in Thurles, Miss Teresa White, Castlerough, Ballymacarbry, won the Concertina Competition and the Ballymacarbry No. 1 and No. 2 celli bands were placed second and third.

CAMOGIE

Waterford will play Cork in the Munster Camogie semi-final on Sunday next, 20th June.

BALLYMACARBRY WATER EXTENSIONS

In answer to his representations, Ald Sean Treacy, T.D., received the following reply from the Secretary, Waterford Co. Council, Dungarvan:—"A Chara,

With reference to your letter of the 25th ult., re: Extension of Ballymacarbry Water Supply via Nire Road to Howard Bolgers and 7 other families I am to advise you that the extension has been approved by the County Council and Department of Local Government, and work will be carried out in due course."

REQUIESCAT

At the Masses at St. Mary's Church, Touraneena, on Sunday last, the prayers of the congregation were requested for the repose of the soul of Mrs. T. Hickey (formerly of Doon, Ballinacourty) whose death took place at her daughter's home, Grattan Square, Dungarvan.

LATE MR. PATK. RYAN

The customary meeting of the Clonmel No. 2 Old Age Pensions Sub-Committee at Ballymacarbry, was adjourned as a mark of respect to the late Mr. Paddy Ryan, Curtiswood, Ballymacarbry.

NIRE I.C.A. ANNUAL EXCURSION

The Nire I.C.A. Annual Excursion will travel to Courtown Harbour, Co. Wexford, on Thursday next (Feast of Corpus Christi) on their annual excursion.

WATERFORD FEDERATION

I.C.A.

VISIT OF NATIONAL ORGANISER

Miss Phyllis O'Connell, I.C.A. National Organiser, directed the highly successful Guild Officers Conference, held in the Devonshire Arms Hotel, Dungarvan on Friday, 11th June. Miss M. Hogan, Area Organiser, was also present. Federation President, Mrs. J. P. Twomey, presided.

Officers from the following Guilds were present: Kimac Thomas, Cappoquin, Waterford, Eutlerstown, Dungarvan, Coolnasmeear, Gaultier, Portlaoigh, Talow, Tramore, Villierstown, The Nire, Ballinacourty, Ballinacourty.

Guild problems were animatedly discussed and keen interest was obvious in the stream of quick fire questions put to Miss O'Connell. She emphasised the importance of studying the various Association leaflets and the application of the recommendations in the working of the Guilds. Planned programme was the nucleus of guild success. New ideas from members should be encouraged. Programmes should be geared to suit age groups.

Articles from The Irish Countrywoman; T.V. Programmes; Current Affairs, etc., were all subjects for discussion. Miss O'Connell suggested that a drive for young members should be undertaken. Also, the formation of Macra na Tuatha Clubs.

Attendance of Guild members at Federation, Council meeting and National annual general meeting was strongly recommended. Miss O'Connell paid tribute to Co. Waterford Federation and expressed appreciation of the big attendance at Federation meetings.

On behalf of all present, Mrs. Twomey thanked Miss O'Connell for the incentive and valuable advice she had given.

WEST WATERFORD NEWS

O.A.P. MEETING

A meeting of Youghal No. 2 (Rural) Old Age Pensions Committee, was held at Clahmore on Saturday evening, 12th June. Five claims were considered, and proved successful.

NURSE ON HOLIDAY

An extended holiday in her native Clashmore at present is Miss Mary C. Veale, S.R.N., who holds a senior executive post on the staff of a Hammersmith hospital. Miss Veale, who received her training in England and in Ontario, Canada, spent three years in Toronto and a period in San Francisco. During the latter period she visited several parts of the U.S.A., and met many Waterford people.

KINSALEBEG FAIL

The recently revised Kinsalebeg G.A.A. team failed to survive the first round of the Junior football championship on Sunday last. Most of the players, however, gave a good account of themselves and have no reason to be discouraged by this set back.

SALMON FISHING

Local crews continue to get good hauls of fish. This, to some extent, compensates for the fact that the season was slack up to recently.

POPULAR BEACHES

The ever-increasing popularity of the West Waterford beaches from Ardmore to Ferry-point, is demonstrated by the big crowds that have visited them in recent weeks. All the beaches in this strip of coastline are safe and attractive.

SAFETY FIRST RALLY

A Safety First car rally will be held on Sunday, June 27th (opening day of Dungarvan Gala) over a 50-mile circuit embracing the Comeragh mountains. The route will be well sign-posted.

First cars will leave the Square at 1.30 and the rally will be concluded by 5.30 p.m. Intending participants are asked to give their names to Noel Prendergast, O'Connell St., on or before Thursday, 24th June. There will be an entry fee of 5/-. Three awards will be given to men and three to ladies.

We must stress that this is not a speed test, as it is merely promoting road safety. The rally is being sponsored by Tyresoles Ltd.

### Wants Direction of Signpost Changed

Mr. W. Kenneally, T.D., at Monday's meeting of Waterford County Council, asked if the sign at Tarr's Bridge, Dungarvan, indicating the direction of Killarney could be so directed as to have Killarney-bound people going through Dungarvan. At the moment the Killarney sign meant Dungarvan was being by-passed and it could mean extra business for the town if the sign was changed.

Mr. Hally (Co. Engineer) said he was talking to Bord Failte about it at the moment.

Waterford County Council, at its monthly meeting on Monday last decided by a majority vote to borrow £20,000 to finance the Villierstown Water Supply scheme.

Mr. T. A. Kyne, T.D., proposed and Mr. J. Fahey, T.D., seconded that they borrow the money.

Mr. T. Lannon proposed and Mr. K. O'Ryan seconded that they adjourn it until they got the views of the N.F.A., on the proposed scheme. This latter proposal was then defeated by 10 votes to 4, and Mr. Kyne's proposition was passed.

The Council also decided to borrow £14,000 from the Local Loans Fund to finance the Villierstown Sewerage Scheme.

You can trust the cheerful blue flame of Kosangas

... that's why more and more housewives are changing to it. And Kosangas is so much more convenient, especially during the summer (no more messy fires to light whenever you want to cook a meal). Cooking's so easy too! The right heat—just when you want it! No waiting! From cold to boiling in a few moments—just turn up that bright efficient Kosangas flame and meals are cooked so quickly. From boiling to simmering in a second—turn down that clear blue Kosangas flame to a tiny 'bead', dishes go on cooking gently while you save money. Only Kosangas—Ireland's best and cheapest bottled gas—gets your cooking done so well, so speedily, so cleanly, so economically. (Use a water heater and you get an endless supply of piping hot water, too.)

**Deputation Wants**

**Road Improved**

A Deputation of four people living on a road at Ballyleen, Dunhill, came before Waterford County Council's monthly meeting on Monday last, and one member described the road as being "in a terrible condition." Col. P. Cahill, who introduced the deputation, said he had been talking about the conditions of the roads in this area for three years. The roads in this area were so bad that the people there would not tolerate them any longer. Three years ago work costing £150 had been done to the road at Ballyleen, but it was worse now than ever before. These people had lost confidence in him over this.

A member of the deputation, Mr. O'Brien said the road at Ballyleen was taken over three years ago by the County Council, but apart from filling a few pot holes and relieving flooding, nothing had been done. The road at present was in a terrible condition.

Replying to the Chairman (Mr. C. Curran) Mr. O'Brien said there was about a half mile of road and three families were living on it. Col. M. Galgey said the Council was asked to put up money for the maintenance of the roads and it was turned down because the Council expressed the view that the rate payers would be mulcted if they continued to keep them in repair. There were hundreds of such roads in the county that they were not able to take over. Mr. Lannon said they should consider what it would cost them to repair a half mile or mile of road with only three families living on it. Col. W. Foran said that all roads with three families living on the mshould be taken over. There was millions of pounds being squandered on their main roads at present and that was a sad state.

Mr. Curran said the County Engineer would make a report on the Ballyleen road for the next meeting, and the discussion ended.

## N.F.A. NEWS

# MORE FOR PIGS IN MORE OCTOBER

The N.F.A. Pig and Bacon Committee and the Department of Agriculture have agreed that an increased price for pigs would be paid from early October next. At the request of the N.F.A., the Department has also agreed to make an announcement on the amount of the increase within the next two weeks.

At a meeting which took place between the two sides at the Department of Agriculture, the N.F.A. deputation sought an increase of 15/3d per cwt. During the lengthy discussion which followed, it became patently clear that the Department are in favour of having whatever increase is granted allotted to grades A and A special only.

Outlining the reasons for their 15/3d claim, the N.F.A. men pointed out that at least 50% barley was used in pig rations. This meant that to compensate the pig feeder for the increase of 5/- a cwt. on green barley, an increase of 12/- a cwt. for pigs would be needed. Added to the price increase in barley were labour costs and the increase in the price of other feeding stuffs such as native pollard (up by £3 a ton) and imported grains (also up by about £3 a ton). The overall picture meant that pig producers would require 15/3d. to compensate them for their increased costs.

The Department disagreed with the N.F.A. statement that at least 50% barley was used in pig rations. Their reckoning was that a more appropriate figure would be 40% to 45%. N.F.A. Economist, John Howley then presented the meeting with the N.F.A. projected figures for coarse grains during the coming year. These figures revealed that the usage of barley in rations would be 52%.

The N.F.A. deputation was as follows: Mr. E. O'Sullivan, Cork (Chairman); Mr. J. Donelan, Wicklow (vice chairman); Mr. M. Delahunty, Tipperary; Mr. M. Tierney, B.Agr.Sc., Clover Meats, Waterford; Mr. G. Allen, Meath; Mr. T. Kelly, Leitrim; Mr. J. Lavan, Roscommon; Mr. T. D. Fives, Waterford; Mr. W. Fox, Monaghan; Mr. J. Howley, N.F.A. Economist, and Mr. M. Whelehan, B.Agr.Sc., Committee Secretary.

Representing the Department were: Mr. D. Buckley, Asst. Secretary; Mr. John Beatty, Chief Livestock Inspector; Mr. J. F. Wallis; Mr. R. Meaney; Mr. C. Ryan; Mr. W. Carlos; Mr. S. O'Grady.

### REVOLUTION IN MEAT MARKETING

In a week when the N.F.A. was meeting the Minister for Agriculture on the question of meat marketing, a report on "The Economic Effects of Fresh Meat Prepacking" in the current issue of the O.E.C.D. Observer had a special interest. The report reveals that in the United States, self-service stores handle at least 50% of retail sales of fresh meat, and that the pace of change in Europe is so fast that self-service sales are expected to constitute a same percentage of retail meat sales within ten to fifteen years.

The report goes on to make the following points:—Most of the emphasis in European self-service supermarkets is on providing good quality meat attractively presented and conveniently available to the customer. So that this can be economic, the first problem is to ensure sufficient sales. To do this the supermarkets prefer to maintain prices at a constant level while improving quality.

Meat sold by this method is not exactly comparable with that sold across the counter. In the absence of sales employees, the customer has to rely on the appearance of the product. Dealing with methods of reducing costs, the report states that a number of voluntary and co-operative groups have centralised purchases without actually handling the product. This is done by collecting orders from a group of stores and placing them as one order. These groups claim savings of as much as 30% on the cost of the product to the stores.

Central facilities for cutting and packaging meat for retailing offer several cost advantages, the main one being the saving of labour. For example, an United States firm selling 250,000 dollars worth of fresh meat a week in forty stores can save over 750,000 dollars a year in labour costs. With constant rising wage rates, this amounts to reducing such costs by about one-half. Prepackaging and the selling of meat by self-service are actually only a small part of the total changes occurring in meat distribution. Wholesale markets can be expected to adjust to changing times, he concentrated. It is to be hoped that some of the wholesale business in the market centre into the hands of a few firms is one phenomenon Bill went through the Dail.

that has occurred many times in the U.S.

**CONCLUSIONS**  
The report reaches some interesting conclusions. It seems likely, it states, that because of sales competition and increased costs of modernisation the wholesaling and retailing of meat will be carried out by larger, though fewer firms. No one can say at present what the next changes in the meat market will be. Concentration of livestock farming and marketing need not be detrimental to competition nor to producers or consumers.

A campaign designed to promote more up-to-date marketing methods and practices and to help firms and organisations adapt themselves to change could lead to a better system of food distribution. It could also help through its stimulating effect to alleviate some resistance to current progress in this sector.

Where does Ireland fit into this picture of change? At present, very little prepacked meat is sold in our supermarkets; there is still a strong bias here in favour of the family butcher. But as sure as the supermarkets increase in size and number, the swing to pre-packed meat will follow.

The view has been expressed that we are inclined to think too much in relation to what is happening here at home rather than keeping our eyes on the dramatic developments abroad and adjusting our sights accordingly.

If the trend is towards prepacked self-service sales of meat, it is absolutely imperative that our meat is of premier quality, properly graded, and that supplies are available when and where the market demands. Such a development can only be brought about through a Meat Marketing Development Authority.

The argument has been proved in full by the marketing successes in our dairying and pig meat industries.

### MAYO FARMERS DEMAND ACTION ON RATES

Rates was the big talking point at last week's meeting of the Mayo Co. Executive of N.F.A.—and no wonder—with a rate of 79/- in the E. Mayo farmers, like those of many other counties, are growing weary of demanding that the Government take action on the rates problem. Everyone is agreed, even members of the Government, that it is high time that a more realistic system of local taxation be adopted.

A few weeks ago the Minister for Health, Mr. Donagh O'Malley, spoke for the whole country when he said: "We have reached the stage where the rates burden can no longer be borne." It was only fitting that the statement should come from the head of the department which is at the centre of a great deal of the rates problem. Maybe Mr. O'Malley can use his influence to bring about a change in the financing of this country's health service. From recent statement it seems that the Taoiseach is open to suggestions.

But while the Government is deciding on a plan, Mayo wants action. In a nutshell, the County Executive is demanding that special concessions be provided to bring the high-rated counties on the western seaboard down to the national average, which is about 52/-. As chairman, Mr. Laurence Barrett put it: "We will not accept anything less than a grant to bring our rates down to the national level."

The Executive also agreed to contact the executives in Galway, Kerry and Donegal to ask for their support.

### N.F.A. WELCOMES E.S.B.

**BILL**  
N.F.A. welcomes the new Bill which proposes to give the E.S.B. more money to expand its resources and construct new generating stations, over the next eight years. The Bill provides for the raising of the capital expenditure limit of the Board from £160 million to £225 million.

The Association is particularly pleased that the Bill proposes to increase by £5 million (to £42 million) the amount which may be spent on rural electrification. This is something for which the Association has been pressing for years. The electrification of every farm home is as much a social as an economic necessity today. If we want to keep our people on the land we must provide them with the same amenities as town and city dwellers can be expected to adjust to.

It is to be hoped that some of the wholesale business in the market centre into the hands of a few firms is one phenomenon Bill went through the Dail.

pledges, Mr. Brendan Power, Assistant General Secretary, expressed some concern that a number of counties had not yet forwarded cheques to Headquarters for the amounts stipulated in their pledge forms. "It is very difficult for the organisation to plan in a business-like manner unless the co-operation of all counties is forthcoming," he said. Mr. Power asked all present to do their utmost to ensure that their counties paid 75% of their pledges by the 30th of this month.

The meeting recorded its appreciation of the whole-hearted co-operation received from creamery managers and creamery committees. "Many of the problems confronting farmers," said Chief Organiser, Richard Hourigan, "could be to a large extent solved by close working at all levels between N.F.A. and the creamery managers."

### HERE AND THERE

What is a small farmer? It is not the amount of land you have. A man with small ideas is a small farmer. — Mr. J. Mulligan, Monaghan, N.F.A. National Council.

A move by Bradford Corporation to encourage increased imports of Irish meat was opposed by local wholesale meat traders at a public enquiry in Bradford this week. The Corporation has suggested that the charge for beef, killed in England, Scotland and Wales should be 11 per carcass and 10/- a carcass for sheep and pigs, but for carcasses from Ireland the proposed charge was 8/9d. for beef and 2/6d. for the smaller animals. Mr. G. Moody, Chairman of the market's committee said that imported meat was in short supply. The encouragement of Irish supplies would benefit the local housewife by making more meat available and the prices more stable.

No reliable test has yet been devised to discover which bulls are increasing or decreasing milk yields. — Mr. Martin Mulvaney, Chairman, Dublin District Milk Board. The recent restriction on credit has having an adverse effect on farm sales in this country. Auctioneers have revealed that a number of farms which were put up for sale have remained unsold. Farms are still making good prices but there are fewer potential buyers.

Dungarvan too good for Lismore in Rice Cup

Dungarvan C.B.S. — 74

Lismore C.B.S. — 10

Dungarvan are on the march! This is the only conclusion one can reach after watching the champions in action on Sunday evening last, when they snapped up their chances against a very game Lismore XV. It is quite on the cards that Dungarvan can win the Rice Cup for the second year in succession—a feat, which, surprisingly enough—has never been accomplished.

This was a game of good hurling from start to finish. Fast, clean and exciting, it held the interest of the big crowd all the way, even when the result was well beyond doubt. It takes two teams to make a match and all credit to Lismore for an excellent performance, in no way reflected on the scoreboard. True enough, they were forced into a mainly defensive game, but every Dungarvan score was well earned, as there was no "presents" from the visitors' rearguard.

Dungarvan have improved almost beyond recognition in a few short weeks. The hesitant, fumbling side that set out on the champions trail at the beginning of the season has given way to a side bubbling over with confidence and enthusiasm. If they can continue to improve at this rate, they are going to be a match for the best. Certainly the formula for success seems to be there—a solid defence, excellent midfield and a forward line eager to snap up half a chance.

On Sunday last, Lismore simply could not cope with the midfield pairing of Martin Sandford and Joseph Phelan. It is very doubtful if any Dungarvan

partnership ever in the Rice Cup has been as effective as this one. As a result, the home forwards had plenty of scope in which to display their skills and against a lesser defence than the Lismore one, they would have run riot. Good as that defence was, however, it still had to give way before the onslaught of Noel Duggan, Brian Steele, Larry Sheridan, Mossie Keane, Anselm Hayes and Martin Sandford. Noellie Duggan can be justly proud of this, his first full game in the blue jersey, whilst Martin Sandford, on only his second showing, served notice that he intends to stay. Mr. Dunford gave another grand display in the half back line and was well supported by Kieran Quinn, Martin Crotty and Hubert Hyslop. So well did these lads perform that goalie Patsy Hackett had a very easy job between the posts.

Lismore deserve bouquets also for their part in making this such a fine spectacle. Though well beaten at the end, they could still hold their heads high, for they fought a good fight and refused to throw in the towel. They can take consolation from the fact that it would have taken a team of exceptional merit to surprise the champions last Sunday, and most other sides would have "died" long before the final whistle. Not so Lismore. They won the hearts of friend and foe alike, and when one considers the limitations imposed on them by virtue of extremely small numbers, the magnitude of their effort is all the more praiseworthy.

Michael Sheridan, John Barry, Michael Ormond, John Russell and Pat Hegarty did heroic work in defence. J. Har-

tigan and L. Scanlon came off second best at midfield, but have no reason for dismay, for both of them fought their corners to the best of their ability. Billy Landers, Michael Whelan and John O'Connell tried all they knew up front and if the result of their efforts made no impression on the scoreboard, they were certainly not to blame.

LATE MISS B. TROY

HELWICK, DUNGARVAN

We regret to announce the death of Miss Bride Troy, of Helwick, which occurred at Dungarvan Hospital on Saturday evening, June 12th. She was in the early seventies and had resided at Helwick all her life except for fourteen years spent at Graigue more, Modeligo, where she resided at the home of the late Mr. Edmond and Mrs. O'Donovan. She there worked zealously and continuously without reward in the Cumann na mBan and I.R.A. movements. She farmed at Helwick until a few weeks ago when her doctor advised her to go to hospital. She was extremely popular with all classes and a large funeral accompanied her remains from Dungarvan Hospital to Ring Church on Sunday afternoon. Her relatives and friends came from far and near. It was the largest cortege seen in the district for many years and was accompanied by her cousin, Fr. E. Condon, C.C.

Requiem Office and High Mass was celebrated at Ring Church on Monday morning. Eleven priests took part in the ceremony. Again a large crowd of mourners, relatives and neighbours attended at Divine Service and at the interment. May her gentle soul rest in peace.

Cappoquin Master Ardmore

Last year's Western junior hurling champions, Ardmore, made their exit from this year's Intermediate race when they crashed by a five point margin to Cappoquin in the first round at Dungarvan on Sunday night last. It was a hard earned victory for Cappoquin, but a fully merited one, in a game in which the issue was in doubt for practically the entire hour.

Ardmore entered the fray as favourites, but once again Cappoquin turned up trumps in the most important competition of all. They had a real tough assignment on hands, but when the challenge to their supremacy was at its zenith, they never flinched and ended the game on top—and the worthwhile winners.

By any standards it was a good game, close and unrelenting, but at all times scrupulously clean. Cappoquin, whose preparation for this game was not all that it might have been, certainly made light of that disadvantage, and on this form would be worthy opponents for either Dungarvan or Colligan Rockies in the semi-final.

But in praising Cappoquin for a spirited display, this was one occasion in which Ardmore failed to strike top form. Territorially they had as much of the play as the winners but lacked the drive and verve which marked their game last year.

The opening half was nipped and tuck the whole way with scarcely a puck of the ball between them. At the interval, Cappoquin led by a solitary point—1-1 to 0-3 and it was still anyone's guess as to how it would go.

Nor did the first twenty minutes of the second half throw any light on the game in this respect. It was still all round equality prevailing, and entering the closing ten minutes, Cappoquin were hard pressed to cling to their insecure two points advantage.

Then with eight minutes remaining came the goal that ensured Cappoquin of their ticket to the semi-final. Surg-

ing upfield they launched an all-out attack on the Ardmore goal and were fully rewarded when Eddie Fraher, displaying rare opportunism, smacked the ball to the net. Try as they might thereafter, Ardmore could not recover from that body blow and the winners were complete masters at the call of time.

On Sunday last, the Cappoquin defence took the fray of the honours. All six together with goalkeeper M. Phelan started, but I have particularly in mind Jimmy Arrigan, John O'Brien and Tom Lonergan.

Nor can one let the occasion pass without mentioning that ageless veteran supreme, Paddy English, who made a complete mockery of his years.

At midfield Ger Mason and John O'Donoghue were both prominent and in attack the half line of Eddie Fraher, Moe Kelleher and Mickey Fraher were best.

Ardmore were brilliantly served by their goalkeeper John Colbert, and in defence Maurice Colbert and Bertie Hallahan were best.

John Joe Carlton when introduced as a sub was their key man at midfield and up front Jim Rooney, Mickey Carlton and Noel Rooney posed the biggest threat to the winners defence.

Scorers: Cappoquin P. Fraher (1-0), E. Fraher (1-2), M. Kelleher (1-0), J. O'Donoghue (0-2), Ardmore, T. Hallahan (1-0), J. O'Brien (0-3), J. Rooney (0-2).

Cappoquin — M. Phelan, J. Arrigan, E. Cahill, J. O'Brien, A. O'Keefe, T. Lonergan, P. English, G. Mason, J. O'Donoghue, E. Fraher, M. Kelleher, M. Fraher, R. O'Shea, N. Mason, P. Fraher, Sub. — C. Cullen for P. English.

Ardmore — J. Colbert, J. Mulcahy, N. Power, M. Colbert, B. Hallahan, P. Carlton, T. Power, J. McManus, B. Hallahan, J. Rooney, M. Carlton, N. Rooney, T. Hallahan, J. O'Brien, J. O'Brien, Sub. — J. J. Carlton for McManus.

CAPPOQUIN NOTES

HURLING SUCCESS

Following a practice game against Midleton in which they displayed very good form, our hurling side met Ardmore in an Intermediate championship hurling game at Dungarvan on Sunday. After a well-contested match Cappoquin won, the margin being five points.

SUNDAY EVENING'S GAME

At the Gaelic Field next Sunday evening, at 7.45 the final of the hurling tournament sees Geraldines and Cappoquin in opposition. A really good game may be expected. The Tournament is one of the promotions in aid of St. John's Association for the help of mentally-retarded children and we hope that this worthy cause will benefit substantially.

OARSMEN TO ROW IN BELFASH

On next Saturday the Rowing Clubs sends its senior four to compete in Belfast regatta. It is generally believed that this will be the first instance of a Cappoquin crew visiting the North and so on Saturday history will be made. The "boys" will have to give of their best as competition here will be very keen.

LOCAL HISTORY

On Thursday night at Affane School, Mr. G. Butler of Waterford lectured on a subject of much local interest, "The Battle of Affane" to a crowded audience. The lecturer evidently had devoted much time and study to the history of the two great families involved and traced their pedigrees down to the 16th century from the Norman Invasion. At the conclusion of the lecture many questions were put to Mr. Butler, Mr. Norman Walsh presided and speaking on behalf of the audience Mr. P. P. Morrissey returned thanks.

HOME FROM U.S.A.

Recent arrivals on vacation from the U.S.A. are Mr. Henry McGrath of Dromana and Mr. Thomas Heaphy, Dromroe. Both gentlemen are in splendid health. We wish them an enjoyable holiday in the "old homestead."

NOVELTY ITEM FOR GALA WEEK

An interesting feature of this year's Gala week is the Cheese and Wine Tasting, which is being held on the opening Sunday at the Friary. Cheese and wine are being supplied by a number of firms and it is hoped that those who attend will thus be able to sample some new, and even exotic, products. There will be ten different wines—or, more correctly, ten different stalls, since the organisers have planned to have some varieties un-named, and thus afford the "tasters" the opportunity of seeing if they can identify them. The Irish Countrywomen's Association are supplying the gracious dispensers and maps of the wine-producing areas, general information on wines and cheese and a talk on enjoying wine, will be added attractions. The charge for this event is a mere 7/6, which in view of the value of the wine and cheese involved, seems to be remarkably good value for such an enjoyable evening.

# COLLIGAN - KILGOBINET SAGA Referred Back to Western Board

THE COLLIGAN ROCKIES-KILGOBINET aftermath continues in topsy turvy fashion within the confines of the G.A.A. Boards of the County. When first the untidy incidents during and after Intermediate hurling championship game were considered by the Western Board it was decided that a full investigation into the happenings after the game was abandoned was necessary. The investigation was held and the Divisional Board after hearing a "show" of evidence decided that because what happened brought the Association into disrepute they were powerless by rule to act and passed it onto the County Board.

On Monday night last the County Board met to deal with it—or so we thought. At that meeting something of a "rule quoting" contest took place between Nioclus Mac Craith (Chairman of Western Board) on the one side, and Co. Board Chairman (Jamie Moloney) backed by former Chairman, Pat Fanning, on the other side. And it finally transpired that Mr. Moloney decided that the Divisional Board had in fact power to deal with it under rule 126 (misconduct on the field of play), so he promptly tossed it back to the Western Board. This latter Board will now deal with it at its next meeting.

At the outset on Monday night last, the Secretary of the Western Board, Seamus O'Brien said their Board held an investigation into the incidents after the game at which both clubs were present. The Board decided to invite those involved to this meeting. He asked the Chairman if he would allow those involved to remain in the room whilst it was being discussed. Mr. Moloney said he would like to hear the report of the Western Board in the absence of both clubs.

S. Hanley (Kilgoibinet)—Are you ruling that both clubs leave, Mr. Chairman? Mr. Moloney—Yes. The delegates of both clubs withdrew.

Mr. N. McGrath said the match up to half time did not give any cause for investigations, but after the abandonment there was a rather dangerous row and the Divisional Board referred the matter to the County Board.

Mr. Mac Craith continuing said "Here is the evidence as we got it from the clubs. As regards the incidents there is a conflict of evidence. Colligan say their full-forward was attacked with a hurley by the Kilgoibinet full-back, that he fell to the ground and was struck again. Colligan also say that two other of their players were also attacked and struck by the Kilgoibinet full back." "Kilgoibinet on the other hand, said Mr. MacCraith, say that the Colligan full-forward struck their full back on his way towards the goal and he retaliated."

Mr. Mac Craith said that in all, three Colligan players were struck by the Kilgoibinet full-back with his hurley. He would not give his name to the referee and this sparked off the major incident. This player would be dealt with by the Western Board as his club had subsequently given his name to the Board. After the final whistle a number of Kilgoibinet players attacked a number of Colligan players.

Mr. Mac Craith said that at their investigation Laurence Cummins (Kilgoibinet) admitted striking the Colligan centre-back (M. Walsh) with his hurley. He said that he did so in retaliation because he had had six teeth knocked out earlier in the game. As he struck Walsh he (Cummins) said he was attacked by Jim Cliffe and Ted Coughlan (both Colligan players). Coughlan, however, did not strike him because Michael Keating intervened and stopped Coughlan in his tracks. Cummins added that he had to have medical treatment after the game. His brother, Tomas Cummins, struck Cliffe and Keating too struck Cliffe having also struck Coughlan.

Mr. Mac Craith said he would also have to admit that the County Board met on this with it—or so we thought. At that meeting something of a "rule quoting" contest took place between Nioclus Mac Craith (Chairman of Western Board) on the one side, and Co. Board Chairman (Jamie Moloney) backed by former Chairman, Pat Fanning, on the other side. And it finally transpired that Mr. Moloney decided that the Divisional Board had in fact power to deal with it under rule 126 (misconduct on the field of play), so he promptly tossed it back to the Western Board. This latter Board will now deal with it at its next meeting.

## FINAL OF MEDAL TOURNAMENT IN CAPPOQUIN

Followers should get a real tory over Ardmore on Sunday pointer to the championship of last and on home soil are pointer to the championship quite confident of halting the chances of Cappoquin and Ger-now cock-a-hoop Aglishers. On auldine Intermediate hurlers Sunday they will be opposed by when the sides meet in the an Aglish side that will have final of the Medal tournament the services of Mick Lacey, (in aid of the mentally handicapped children's fund) at the how big a difference he will make to both clubs should be Sunday night (7.30).

Geraldines, by virtue of impressive performances of late, have been installed favourites to win out the Divisional Championship this year, but Cappoquin are convinced there will be a sharp revision of opinion following this final. WILL THE former Kilrossanty and Stradbally footballer, Paddy Moloney, please contact Mick Morrissey, 8 Barnes House, Camden Road, London N.W.1.

# 'INTER' HURLERS FOR Easy Win For Dungarvan MUNSTER FINAL

## Mahon The Four Goal Star

Waterford 8-4; Limerick 3-5 IMPROVING out of all recognition on their victory over Clare, Waterford's Intermediate hurlers continued on their championship winning way at Dungarvan on Sunday last. This time it was Limerick who found themselves on the wrong end of a fourteen point hammering and that decisive victory earned Waterford their place in the Munster final.

It goes without saying that Eddie Howard exchanged points, before Mahon again struck in the 13th and 14th minutes with great goals. In the 19th minute Whelan pointed another Waterford free and less than a minute later it was Mahon again who shook the Limerick riggings with a pile-driver. Whelan tacked on another minor from a free and after Moloney had a like score for Limerick Whelan gave Waterford their 5-4 to 0-4 half-time advantage with a long range point from a perfectly placed pass by Frankie Corcoran.

And whatever slim hopes Limerick had of overhauling the homesters faded in those early second half minutes. In the 3rd minute, Nick Fitzgerald goalled from twenty yards—a score that should never have been conceded. Limerick replied with a point by substitute Enright and another goal this time by Mick Regan, gave Waterford an unassailable 7-4 to 0-5 lead. In the 9th minute Limerick had their first goal but two minutes later this was neutralised when Mahon rounded two defenders before centreing for Davy Fitzgerald to smack it to the net.

The game had now been completely drained of all interest and two Limerick goals in the 25th and 26th minutes proved nothing more than consolation scores for them.

## IMPRESSIVE

Even allowing for the fact that Limerick were but feeble opposition, this by any standards was an impressive Waterford display. There were weak nesses particularly in attack, but with one or two alterations in the sector, this is a side that will make a bold bid to bring Provincial honours to the county. Tony Flynn, replacing Ned Power in goal gave a very competent display—far better than in the minor championship against the same county on the previous Sunday.

The Waterford defence was tops from beginning to end. Sonny Walsh gave a superb display at full-back and the eyes of the senior selectors are very definitely on him now. Tom Walsh was solid if un-spectacular and Eugene Hickey justified his selection with a fine display. The half-line too played some great hurling, but good though Ollie Wilkinson and John O'Donnell played, they were both overshadowed by a brilliant Frankie Corcoran. The Shamrocks club man was in tremendous form throughout, and mastered different opponents with relative ease.

Another who had a truly memorable hour was Jackie Whelan (Portlaw) at midfield and the more I see of this strapping hurler the more convinced I am that he is ready made senior material. His partner on Sunday however, John O'Gorman, had one of his less happy days and completely overdid the picking of the ball.

The attack led by Danny Mahon, had a veritable field-day. The corner forward star had a first half to be remembered and though not as prominent after the change of ends, was deadly dangerous when in possession. In that second half he made one goal and had another "goal effort" just scrambled to safety.

Although Kieran Ryan failed to score from play, I would rate him next in the order of merit in attack. He created opening after opening and whenever in possession had the entire Limerick defence at sixes and sevens. Minutes before the end he received a nasty hand injury but it is expected he will be fully recovered for the Munster final. Nick Fitzgerald and his namesake Davy also played well but the half-forwards, Mick Regan (although he scored two goals) and Davy Barry found it tough going against solid opponents. For Limerick, so shattering a defeat must have been totally unexpected. Their promising start only flattered to deceive, and they were a well-beaten side at an early stage.

They were best served in defence by S. Quilty and half backs J. Ryan and P. Flanagan. Tom Mackessy and Tom Howard tried hard at midfield but in a weak attack only sub. J. O'Brady, E. Howard and J. Moloney (until he retired) impressed.

Waterford—T. Flynn; T. Walsh, E. Walsh, E. Hickey; O. Wilkinson, J. O'Donnell, F. Corcoran; J. Whelan, J. O'Gorman; M. Regan, K. O'Ryan, D. Barry; D. Mahon, N. Fitzgerald, D. Fitzgerald. Sub.—B. Tobin for O'Ryan.

Limerick—S. Sparkling; J. O'Brien, S. Quilty, L. O'Neill; J. Ryan, S. Allis, P. Flanagan; T. Mackessy, T. Howard; E. Howard, J. Moloney, J. Carroll; J. Shanahan, S. McCarthy, M. Hennessy. Subs.—J. Enright for McCarthy; J. Grady for J. Moroney.

Referee—J. Foran (Tipp.)

Dungarvan ... 2-13 last they had no particularly brilliant performers, as being competent enough to meet with the opposition provided. Nevertheless one feels this side has it in them to play infinitely better and now that they have qualified for the closing stages of this championship we may see them in a better light.

Although Sunday's win was basically a team effort, Timmy Healy, Michael Norris, Johnny Reilly, Kevin Fleming, Christy Whelan (who came on as a sub.) and Pat "Foggy" Walsh were particularly good.

For practically the entire sixty minutes this was a one-sided encounter, devoid of any interest. After early Dungarvan scores the issue was never in doubt, although in fairness to the losers they battled gamely right to the very end. Leading 2-5 to 0-1 at half-time, Dungarvan were then ensured of a place in the Western semi-final. And although the losers improved considerably in the second half they still had not the remotest hope of crasing the leeway.

Clear cut though this victory was, however, the winners still fall far short of championship winning material. On Sunday

All credit however, to the Valleys. True they were well beaten, but the side in general possessed endless spirit and determination. They were very young, they were at a marked physical disadvantage, and in all these circumstances their heavy defeat is not as humiliating as the final scoreline might suggest. In fact in the closing stages of the game they got well on top when they had the winners on the run. During that spell they played some very good football and the writer feels that in twelve months time they will leave a far bigger impact on this minor championship.

On Sunday their best players were centre-back Kelleher, Tom Power, M. Ryan, Coleman, O'Brien, Cullinane and Connolly.

## GAELIC TOTTINGS

### OLD RIVALS MEET IN MINOR CHAMPIONSHIP

Old rivals Kilrossanty and Stradbally meet in the first round of the minor football championship at Dungarvan on Tuesday next. Stradbally are reigning Western and County champions in this grade, and with the bulk of last year's victorious side again available they must be fancied not alone to survive this first challenge but to make a bold bid to retain their titles.

Kilrossanty teams in any grade always pull out that something extra against near neighbours, Stradbally, and this latest squad from the Comeragh country should live up to that standing. However, the Reds, with five County minors to call on look far more powerful and they are confidently expected to go on to the second round.

### KINSALEBEG MAKE CHAMPIONSHIP EXIT

Kinsalebeg, making their debut in this year's junior football championship, slumped disappointingly to Ballinacorney's second string in the first round at Cappoquin on Sunday last.

Another surprise at this venue was when Colligan Rockies second string scored a shock win over St. Mary's (Mount Melroy) in the first round of the junior hurling championship.

# Stradbally Should Oust Ring

The senior football championship swings into action on Sunday night next (8 p.m.) at Dungarvan's Fraher Field when Stradbally and Ring meet in the Opening round. At a glance this might appear to be something of a soft thing for Stradbally but one never knows particularly in the championship, and Ring are a side renowned for their battling qualities. Thus whilst Stradbally will undoubtedly start favourites—and they are my choice to win, this is a game that is very open.

In recent years neither club has made any worthwhile impact on the senior championship scene. Stradbally of course boast one of the finest traditions in the County, and a record of past achievements that any club would envy. But times have changed and although the Reds reached the senior decider a few years ago, they have not won the title for twenty-one years. That was in 1944 to be exact and that triumph was their fifth in a row a feat equalled only by Clashmore.

Ring have an even less imposing record in recent years when an early exit from the championship has been the order of the day for them. But nevertheless the Gaeltacht club is one I have long admired. They play a nice brand of football and doubtless will be hoping for better things on Sunday. They received some mead of encouragement recently when they held Valley Rovers to a draw in the Phelan Cup and if anything were unlucky not to have won that game. They have prepared well for Sunday's test and given a dry sod they must be given every chance.

Certainly their team can call on players that would be gladly accepted by any club in the county. The Hartys, Tommy Joe, Pat and Jim are amongst their key players, and add to these such accomplished individuals as Sylvester Murray, Liam Maher, Tommy McGrath and goalkeeper Nick Graves, and it can be readily appreciated that Ring will be battling out the issue right up to the final whistle.

Stradbally too, are hoping for an uplift in fortune this year, and they point to that recent success of theirs over Gaultier also in the Phelan Cup as an indication of their upsurge.

On Sunday they hope to field their strongest team for a long time, which will include star minor Tom Hearne whose one month suspensions just expires in time. The Reds defence is particularly strong, with Jim Power a dependable net minder who is certain of adequate protection from Tom Foley, Paddy Power, Terry Guiry and Tom Walsh.

Their midfield pairing may well be Pat Clancy and Eugene Casey and in attack their key players are Tom Cunningham, Billy Barry, Jimmy Guiry and Tom Ahearne.

As already stated the Reds will be popular choice, and I feel that they will get over this hurdle. But Ring sooner or later must find their feet in the premier grade, and high hopes are being entertained for this year. It would not be all that great a surprise if they pulled off the first championship upse of he year.
