WEXFORD DUNGARVAN CARLOW

## Local Firm's Exhibition Dungarvan's Poor Effort

PRESENTLY claiming widespread interest is the most attractive furniture exhibit on which Messrs. W. and G. Hadden Ltd. are putting on in Dungarvan's Town Hall. The exhibition which opened on Wednesday continues until Saturday next, Sept. 25th, and if present indications can be taken as a criterion, this four-day mammoth exhibition is expected to attract record numbers.

In charge of the exhibition is Mr. N. Binions, of the Hadden Company, and the splendour of the countless "exhibits" makes this exhibition a must for all. To step into this show is to enter a wonderland of modern ideas in house furnishing that really must be witnessed to be appreciated.

There are Bedroom Suites, Diningroom Suites, Kitchen furniture, Chesterfield suites, Standard Lamps, Venetian Blinds, Youghal Carpets, Floor Coverings, Beds and Bedding, and many other items too numerous to mention. One could go on and on outlining outstanding features of this exhibition. But everyone in Dungarvan knows the efficiency of Messrs. Haddens and their flair for doing everything to perfection. This exhibition is another classic example of that.

Neither can one let the occasion pass without complimenting Haddens Dungarvan Manager, general Mr. Elliott, and his staff. The warmth of their welcome to all who attend this exhibition is brilliantly conspicuous and all in all it is a venture that enhances further the name of this highly reputable and valued firm.

### Toured Ireland in Pony and Trap

In May this year, Mr. Wm. McCaul, of 87 Ballycroe St., Limavaddy, Co. Derry, commenced on a tour around Ireland—with nothing more than a shetland pony, neatly harnessed, a gaily decorated trap and two dogs. Dungarvan was amongst his "towns of tour" and when passing through the Old Boro made acquaintance with Tim Murphy, the well-known shoe repairer, who did "a job" on Mr. McCaul's foot gear. Now Tim has received word from Mr. McCaul who states that in all he completed 950 miles in 47 days and an additional hundred miles in travelling from his native Limavaddy to Lough Derg. Mr. McCaul, who incidentally is in his seventies, told Tim that he intends to make another tour of the country in 1966 when he hopes to pay another call to the Old Boro.

### RATEPAYER'S COMPLAINT

THE EDITOR, "Dungarvan Observer" BELIEVE IT OR NOT!

Sir, Since October last we've had to endure continuous flooding outside our shop when it rains, due to a defective water gully outlet which Co. Council workers after two abortive attempts to rectify same, now refuse to use even cleaning rods from a manhole provided for this purpose. An employee had the audacity to insinuate we were sweeping empty chip bags etc. into this shore despite the fact we are seventeen years in this particular line of business. This is hardly the accepted way to treat ratepayers—yes, we are paying two separate rates plus £7 p.a. special water charge and not a very nice gesture from a Council that boasts of the most modern machinery and technical potential in the country.

Many people, particularly children, entering and leaving the shop, and going to early Mass and evening devotions have time and again become saturated. For the first time in my uneventful life I contacted two public representatives and the engineer in charge but seemingly they've no say nowadays in a servile state. — Yours faithfully, MICK DOHERTY, Mitchel St., Dungarvan

### CREDIT UNION NEWS

The quarterly meeting of the Waterford-Tipperary Chapter, Credit Union League of Ireland was held at Waterford, on Wednesday, 15th inst. Mr. John Leonard, presided.

Representatives present were: Waterford—Messrs. Wm. Byrne, J. J. Keating, M. Mansfield, C. Doyle; Clonmel—Wm. Carey, P. Donegan; Dungarvan—J. J. Cullen, J. J. Foyle; Carrick-on-Suir—T. Power, M. Carey, G. I. Fitzsimons, Director. Credit Union League of Ireland and W. O'Brien, Hon. Secretary were also present.

The position of the Unions forming the Chapter was as follows at 31st August:—  
Waterford: Members, 1,242; Shares, £31,000; Loans Current, £30,000; total sums to-date, £90,000.

Carrick-on-Suir: members 384; Shares, £11,000; Loans current, £10,000; total sums to-date, £28,000.

Clonmel: Members, 286; Shares, £9,467; Loans current, £8,333; total sums to-date, £14,790.

Dungarvan: Members, 86; Shares, £280; Loans current, £20; total sums to-date, £300. Members expressed surprise at the low loan rate in Dungarvan in comparison with other member unions.

Dungarvan people, in common with their neighbours in Clonmel, Waterford and Carrick must sometimes need ready cash in a hurry.

Some of the things for which members borrow in above Unions are: taxis, buying bicycles, prams, household furniture, bedding, etc. preparing children for first Communion and Confirmation, etc.

As the Credit Union movement is as yet in its infancy, it is a great many people it may be as well to give some general information at this stage.

To begin with, what is a credit union? A credit union is an association of persons, united by some common bond, who have joined together in a mutual endeavour for the following purposes:—

(a) To encourage thrift by providing a safe, convenient and attractive medium for the investment of the savings of its members, and to promote systematic savings by encouraging them to save a part of their earnings each pay day.

(b) To increase the purchasing power of its members, by enabling them to borrow for productive and other purposes, at a rate of interest that does not exceed the true cost of providing a credit service.

(c) To train and educate its members in business methods, corporate procedures and self-government and to bring them to a full realization of the value of co-operation.

(d) To promote democracy by operating through a Board of Directors, a Credit Committee and a Supervisory Committee, elected by and from the members.

The Dungarvan Office at the Courthouse is open from 6 to 9 p.m. each Friday evening and citizens may, without obligation whatsoever, call during these hours for any information on the Co-operative Credit Union movement.

The Directors and Officers will be only too pleased to give all possible information. Total membership in Ireland is 39,000. Shares, £275,000. Number of credit unions, 120.

The following are Dungarvan's marks in the 1965 Tidy Towns competition: Effort involved (maximum marks 30); actual marks, 21 (1964, 23). General cleanliness and tidiness (15) 7, (9). Condition of streets and sidewalks and paved and grassed areas (15) 11 (12). Appearance of public, private and commercial premises (10) 7 (5). Colour, colour harmony and general appearance (10) 6 (5). Appearance of planting, gardens, trees, shrubs (10); 7 (6). Absence of unsightly objects (10); 5 (6). Out of a maximum 100 marks, 64 (1964, 66).

ADJUDICATORS' REMARKS  
The name sign of the town on the Clonmel approach has become rusted and needs replacing. The pavement in the vicinity of the thirty-mile speed limit is badly overgrown with weeds both on the surface and in the kerbs. Coming into the town there are neat rows of single-storey cottages many of which have been newly white-washed. The Technical School on this approach has been newly decorated and looks well.

Dungarvan has a considerable problem in regard to litter. On the centre square, in the main streets and on the approach roads there was a profusion of litter on the streets and side-walks. There was some litter on the footpaths of the approach road from Waterford. On the left-hand side near the entrance to the Dungarvan tennis club is a waste area overgrown with nettles, thistles and all sorts of weeds. While there are some pleasant properties adjoining this road there are also a number of derelict and neglected cottages.

There are some fine residential houses off the approach road to Tramore. On one side here the verge has been trimmed and a number of young trees planted. The kerbs of the footpaths on the other side have become overgrown with weeds. Near where this junction joins the road to Waterford there is a badly neglected derelict cottage with roof fallen in and weeds growing out of the gutter.

Coming in towards the harbour area one notices an abandoned patrol station with two derelict pumps outside. The railings on the approach to the bridge have been brightly painted yellow with the linking details in blue. The hedges here are neatly clipped and the effect is quite good. The hinterland is rather grim with a number of abandoned washhouses with broken windows.

Apart from the litter problem which was mentioned earlier, the main square and principal business streets in the town are reasonably well kept. Quite a number of private houses and commercial premises have been newly painted. However, it is a pity to see an abandoned property here and there falling into decay, some rusted corrugated iron and the inevitable tattered fly-posting. The area of the swimming pool and promenade was comparatively free from litter.

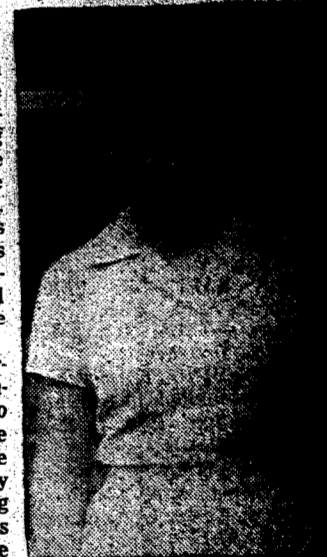

Generally speaking Dungarvan has made little progress since 1964. The problem of litter is still as great as ever and there appears to be no sign of a beginning on the implementation of the plans to solve the derelict building problem mentioned by the adjudicators last year. While a number of individual properties have been redecorated and look well there is no evidence of any concerted effort to tackle the problems of the town. If Dungarvan is to keep pace with progress elsewhere in the country it will require the full backing of the townsfolk with the co-operation of the local authority.

There is a neat terraced housing development here and the grass area in front of it has become very much overgrown. If this area were properly treated with lawns, flower beds and little kerbing it could provide a feature for Dungarvan. There was considerable quantities of litter in the gutters on the approach road to Clonmel. The properties bordering on this road in the main lacked colour. There was one exception to this however, the new Presentation Convent Schools were extremely well presented with an excellent flower garden and shrine in front.

There was a row of badly neglected terraced cottages near where the Cork road comes into the town proper. Further east it was evident that the approach hear is the best by far to the town with a fine wide thoroughfare and a neatly kerbed footpath. There was several very good flower gardens bordering this approach road.

Generally speaking Dungarvan has made little progress since 1964. The problem of litter is still as great as ever and there appears to be no sign of a beginning on the implementation of the plans to solve the derelict building problem mentioned by the adjudicators last year. While a number of individual properties have been redecorated and look well there is no evidence of any concerted effort to tackle the problems of the town. If Dungarvan is to keep pace with progress elsewhere in the country it will require the full backing of the townsfolk with the co-operation of the local authority.

### NEW N.T.

On Saturday last at the Mary Immaculate Training College, Limerick, twelve-year old, Anne McCarthy, only daughter of Mr. and Mrs. John McCarthy, Western, Co. Dungarvan, received her diploma having passed the final examination for National Teachers. This brilliant student received her education at the local Mercy Convent and has now been appointed to Faithlegg National School. She is sister of Mr. John McCarthy, N.T. (G.B.S.) and Patrick McCarthy (Rev. Brp. Vincent in religion) who is attached to the Gregorian University in Rome.

WEST WATERFORD NEWS

LOCAL STUDENTS SUCCESSFUL
Congratulations to Master Gerard O'Connell, Clashmore, on his success with honours, in the current year's intermediate certificate examinations...

CHURCH HANDED OVER

Thursday of last week was an historic day in the pretty village of Villierstown, when the local Protestant Church was handed over to the Catholic Church Authorities...

Highlight of the historic occasion was the impressive and sincere speech of Dean Mayes, and the equally sincere and touching expression of thanks by Fr. Quinlan...

When the church has been put in a proper state of repair, weekly Mass will be celebrated there. Up to now the people of Villierstown had to travel to Aglish to attend Sunday Mass.

VILLIERSTOWN

For Villierstown the future is somewhat brighter than at any time in recent years. The village is now getting its long-delayed water and sewerage schemes...

When the schemes have been completed the County Council will carry out a number of further improvements, lay footpaths, etc. There are also high hopes that in the not too distant future, Dromore Road and B-side will again be open to the public...

THE WEATHER

One of the worst rain storms of recent years hit this area on Friday last. Considerable damage was done to crops and heavy flooding occurred in low lying areas.

VOCATIONAL EDUCATION

Night classes will be held at Ballinacoola and Villierstown centres this year. This is welcome news for the people of the two areas.

LOCAL TEAMS SUCCESSFUL

Sunday last was a great day for local teams when Aglish Geraldines and Ardmore's St. Declan's succeeded in winning their respective games in the S.F. Championships. Both teams are to be congratulated on their achievement.

WEDDING BELLS

The wedding took place on Saturday last at St. Nicholas' Parish Church, Ring, between Mr. Brendan Brennan, Carnew, Co. Wicklow, and Miss Nancy O'Regan, daughter of Mr. and Mrs. Daniel O'Regan, Shanakill, Ring.

The ceremony was performed by Rev. Fr. Kennedy, C.C., and was conducted in Irish. The best man was Mr. Michael Brennan (brother of the groom) and Miss Maureen Francis acted as bridesmaid.

The reception was held in the Hotel Minella, Clonmel, after which the happy couple flew out on their honeymoon which is being spent in Greece.

The groom is a brother of Mr. Pádraig Brennan, Parliamentary Secretary to the Minister for Local Government and the bride is an Inspector with the Dept. of Education.

Hackettstown, Old Parish

It is with feelings of deep regret we announce the death of Thomas (Tom) O'Mahoney, late of Hackettstown, (who had been residing with his sister at Caseyville, Dungarvan for some time back). The sad occasion occurred on Monday, 13th September, at the District Hospital, Dungarvan, after a period of illness. He was a general labourer in the Old Parish and Ardmore and Dungarvan town. His gentle and retiring manner won for him a very large circle of friends and acquaintances.

We extend our deepest condolences to his brothers and sisters at this sad time.

LATE THOMAS O'MAHONEY

His remains were removed to St. Mary's Parish Church, followed by a very large cortege, on Tuesday evening, and were blessed and received by Rev. J. Murphy, C.C. Requiem Mass was offered on Wednesday morning for the intentions of his gentle soul and the funeral took place later in the day to St. Declan's Cemetery, where the interment took place, in the presence of another large concourse of mourners. Rev. T. Draper, C.C., imparted the final absolution at the graveside.

The chief mourners were: Jeremiah O'Mahoney, Keating St., Matthew O'Mahoney, Old Parish (brothers); Mrs. Bridget Foley, Ardmore; Mrs. May Mulcahy, Rice's St., Dungarvan; Mrs. Lena Fisher, Mapstown, do.; Mrs. Nora Street, Cathal Brugha Pl., do.; Mrs. Hannah Crawford, Ardmore; Mrs. Kitty Kelly, Caseyville, Dungarvan (sisters); Mr. Pierce Foley, Ardmore; Mr. John M. Street, Cathal Brugha Pl.; Mr. John Crawford, Ardmore; Mr. Joseph Kelly, Caseyville (brothers-in-law); and a large circle of nephews and nieces, etc.

(Funeral arrangements by J. Kiely and Sons, Dungarvan.)

OLD PRAYERBOOKS

Sir—I would be most grateful if any of your readers could assist us with copies of old prayerbooks of any type, especially CATHOLIC PIETY and JESUS MY LOVE by Rev. William Gahan, O.S.A., several editions of which were issued over a long period. Holy Mass will be offered for the intentions of all who help us in this urgent matter. Thank you.

Yours sincerely, MAURA TALLON, F.L.A.I., Hon. Librarian, Augustinian College, Ballyboden, DUBLIN 14.

**SCIENTISTS MET IN DUBLIN**

Some 20 scientists from all over Ireland met in the Guinness Brewery, St. James's Gate, Dublin, on Monday last for a discussion on freshwater fishing and allied research.  
 The meeting, which was sponsored by the Salmon Research Trust of Ireland, gave scientists an opportunity to exchange information on the work being carried on in this field throughout the country, and to discuss possible methods of achieving co-operation between the various interests involved. Those attending the conference included representatives from the Department of Agriculture and Fisheries, the Northern Ireland Ministry of Agriculture and the Zoology Departments of U.C.D. and Magee College, Derry.  
 The Salmon Research Trust of Ireland, which was established in 1955 by Arthur Guinness Son & Co. (Dublin) Ltd. in conjunction with the Government, carries out fundamental research into factors affecting stocks of salmon and sea trout, with ultimate aim of increasing the value of Irish fishing.

**SHAMROCKS CLUB SUSPENDED**

Shamrocks (Knockanore) junior hurlers were disqualified from the West Waterford championships when scenes which occurred in their game with Lismore at Tallow were investigated by the Board at a meeting at Cappoquin. This was the second occasion on which the Board had met to deal with the matter, a previous meeting having been adjourned to allow the Chairman and Secretary to have consultations with referee T. Ryan of Fourmilkwater.  
 Chairman Mr. N. McGrath, told the Board that the two players concerned in the fracas which led to the scenes were considered by the referee as having been sent off the field though his (referee) had not been able to do so officially because of the disorder.  
 The Chairman accordingly ruled that because of the Shamrock player's action his team was disqualified from the championships. On the proposition of the Board vice-chairman, P. Kenneally, a term of six months suspension was imposed on him.  
 The Lismore player was suspended for one month.

**ANNUAL GENERAL MEETING**

AT LAWLORS HOTEL

Monday Next, 27th Sept.

BUSINESS REPRESENTATIVES, CLUBS AND ALL INTERESTED PARTIES ARE INVITED TO ATTEND

★ THIS NOTICE SHOULD BE TAKEN AS FINAL NOTIFICATION OF THIS IMPORTANT MEETING

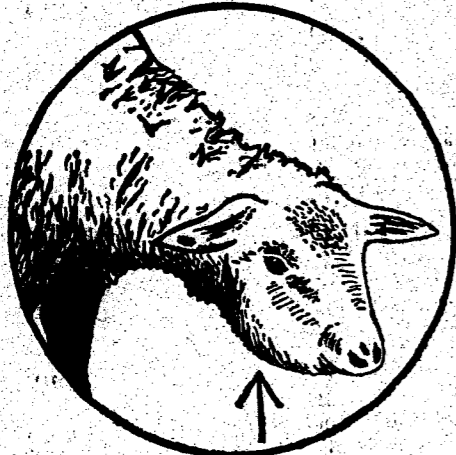

**WARBLE FLY ERADICATION SCHEME**

We wish to draw Stock-owners attention to the following—It is absolutely essential for owners to present the relevant blue cards for every animal presented in order to ensure correct certification at the time of dressing. The number of blue cards submitted should exactly coincide with the number of animals presented for dressing. Where blue cards are not available, however, it will be necessary for the herd-owner to have in readiness in anticipation of the operator's visit a list of the T.B. ear-tag numbers of all the cattle in his herd and indicating, in case exemption from dressing is claimed in respect of any animal, the specific ear-tag number of that animal.  
 We would like to draw farmers attention to the absolute necessity of having their cattle housed and help available at the appointed time.  
 In view of the very large number of herds to be visited in the limited time available it may not be possible for technicians to call back to any farmer a second time.  
 — GALTIE CATTLE BREEDING STATION, Mitchelstown, Co. Cork.

# WARNING OF FLUKE DISEASE

Dangerous months for cattle and sheep are forecast because the wet summer was ideal for the development of the Fluke parasite.

## ACT NOW

- Dose cattle and sheep at the end of September and at MONTHLY intervals until February.
- Take cattle and sheep off wet flukey fields NOW for at least 3 months.
- Fence off wet patches and ditches.
- If black disease was a problem in other years arrange with your Veterinary Surgeon for vaccination of all sheep against it now.

Fair and meeting senior executives of the trade. Considerable help was given to Youghal Carrels by the officers of Coras Trachtala in Frankfurt, who arranged meetings with the German buyers and provided valuable information as to local market conditions.

### REPAIRS TO CLOCK TOWER

At a recent meeting of the Urban Council, Mr. J. O'Regan, B.E., the Town Surveyor, stated that it was necessary that the roof of the Clock Tower be repaired immediately, at a cost of £110. This was agreed to, the work to be carried out without delay, and the Council is to consider proposals for the further use of the building, now 188 years old.

### PROPOSED SWIMMING POOL

The Town Clerk, Mr. F. Moloney, informed the members of the U.D. Council at its last meeting that he contacted the appropriate body, but they were not prepared to give further information than that in their document, which cost £10. Several members expressed the view that there was no necessity for a swimming pool when Youghal had 41 miles of safe strand, and that any monies to spare should be spent on housing, of which there is a great shortage. Housing in Youghal was far more important for the people than a swimming pool. Messrs. G. Good and K. Hennessey were appointed as a Committee to go into the matter further and report back to the Council.

### SOCIAL SCIENCE COURSE

The room allocated at the Youghal Vocational School proved too small to accommodate the large gathering of prospective students at the Social Science meeting last week. With Mr. Murphy, the Adult Educational Organiser from U.C.C., was Rev. Fr. O'Leary, the noted Sociology Professor. Introduced by Mr. M. O'Driscoll (headmaster of the school) Fr. O'Leary spoke of the aims and gave a general outlook of the course. He laid special emphasis on the sacrifices it would be likely to entail. The aim, he stressed, was "good citizenship" that is real patriotism.

### LATE PATRICK HOGAN

Ballinacourty, Dungarvan

The death took place on Friday, 17th September, at Ardkeen General Hospital, of Mr. Patrick Hogan, Ballinacourty, Dungarvan. Deceased, a well-known grower of early potatoes, a market gardener and farmer, was a very popular man. His quiet and kindly disposition made him a great favourite.

The funeral, followed by a large cortege, took place to Ballinacourty Church on Saturday evening and the remains were received and blessed by Rev. Fr. Walsh, C.C., assisted by Very Rev. Fr. Roche, P.P.

Interment was made on Sunday morning after 9.30 Mass which was offered for the happy repose of his soul in the adjoining cemetery. Rev. Fr. Walsh, C.C. officiated at the graveside, assisted by Rev. Fr. Coffey, O.S.A., Dungarvan, after which the latter, a personal friend of the family, recited a decade of the Rosary.

The chief mourners were: Thomas Hogan, Ballinacourty (brother), Miss Mary Hogan (sister); Mrs. Nellie Hayes, New York (sisters), nephews, nieces etc.

## WATERFORD'S GREAT SEASON

A record number of enquiries were received at the Tourist Information offices during the month of August. A total number of 22,700 enquiries were received throughout the region as compared with 20,008 received in July.

In County Waterford there were 16,112 enquires compared with 14,956 for the previous month. This in effect means that an average of just under three persons to each group who made an enquiry, 48,000 visitors called to the office during the month. In Waterford there were 9,513 enquiries (July, 11,603), while in Tra more there were 3,726 (July, 2,462), Dungarvan had 2,873 (July, 1,891).

## GAELIC JOTTINGS

### WATERFORD TEAM TO PLAY KILKENNY IN HURLING LEAGUE

The Waterford team to play Kilkenny in their opening game of the National League at Nowlan Park, Kilkenny on Sunday week was selected during the week and contains a few real surprises, biggest of which is the placing of Martin O'Gorman at full forward.

The Waterford team is: N. Power, T. Cunningham, A. Flynn, S. Walsh; L. Guinan, J. Condon, O. Wilkinson (Tourin); J. Meaney, J. Byrne; P. McGovern, T. Cheasty, F. Walsh, J. Kirwan, M. O'Grady (Mt. Sion), D. Mahon.

### WATERFORD MAN ON WARWICKSHIRE TEAM

Pat Hallahan (Fourmilewater) was a member of the Warwickshire team that recently defeated London in the Junior hurling championship. Warwickshire now meet Roscommon at a Roscommon venue in the All-Ireland final next month and here's wishing Pat every luck in his quest for that All-Ireland medal.

## FURTHER SUCCESS BY BYE BYE BABY

At the Cork Track on Saturday night last, Bye Bye Baby, owned by Mrs. V. O'Mahony, Upper Strand, Youghal, gave a splendid display of clever tracking by winning the Jackwell Trophy, the Anglo Irish Invitation Race. Drawn in box six, the Youghal dog broke very smartly with the English-owned Elkra and the rest of the field closely bunched behind them. However, Capt. McMorrow, in first three, put an end to his own and two English chances, when, mid-way up to the first bend, he endeavoured to cut in to the rails and a lot of bumping resulted. From then on it was really a two-dog race and although Elkra did close the gap slightly in the closing stages, Mr. Posnett's dog found himself a length and a half behind at the finish. Third place four length further back, was taken by the fast finishing Witches Hand. The trophy was presented to Mrs. O'Mahony by the famous actress Sue Lloyds.

## YOUGHAL CARPETS FOR GERMANY

Youghal Carpets Ltd. had a major achievement recently, when it captured substantial orders in West Germany following a recent survey of the market there. The German orders are significant in that they provide Youghal Carpets their first major step into Europe and open up the possibility of their overseas sales division expanding their activities to other continental countries. Negotiations started back last February, when a survey team consisting of Managing Director John C. Murray, Sales Director Mr. C. Crampton, Chief Designer Mr. C. Meaghan, went to Germany, visiting the Frankfurt Trade

VILLIERSTOWN SCHOOL CHILDREN who were present at the handing over of the keys of the Church of Ireland Church.

# N.F.A. NEWS RISING RATES

Everyone agrees that something must be done about it... yet nothing is done. For years it has been like a festering sore on the back of farmers and indeed everyone else. At general election time political parties denounce it... yet nothing is done. I am talking about the rates problem.

Prior to the General Election earlier this year the Taoiseach said that the Government were examining the whole rates structure with a view to its overhaul.

In May of this year the Minister for Health, Mr. Donogh O'Malley said: "We have reached the stage where the rates burden can no longer be borne." The General Election has come and gone and the unbearable rates burden is even more unbearable now. In Mayo, the highest rated county in the country, the rate now stands at 79% in the E—this after a considerable amount of protest had been done. But it isn't just Mayo. Every county in the country has had to face increased rates and if there's one thing you can lay your hands on it is that there will be another jump next year... on the rates. There is a general feeling that the small farmer has been exempt from these increases because of concessions given in previous Budgets; this year's budget did nothing on rates. But if a farmer met recently in Co. Westmeath expresses the situation this belief is a myth. His farm was classified as £20 valuation, but his bill for rates had increased by 46% this year.

**DISMAL REPORT FROM CORK**

This week we had a report from Cork that the ratepayers in the city and county can even at this early stage expect a further increase in their rates of up to 1/10d. next year. Where is it all going to stop?

At the Cork meeting at which this dismal announcement was made, a member of the Government, Mr. Martin Corry, T.D., said: "I consider the time has arisen and, in fact, is overdue, when the whole of this burden will have to be reconsidered. I don't think the ratepayers can bear it." All the increases were in respect of the health services and Mr. Corry considered that "a lot of people on whom these charges fall heaviest have no benefit to gain from this, but it is 'eat what ever'." How right he is!

**COUNTIES MUST SHOULDER THE BLAME**

We agree that there is little counties can do in the present situation when the great bulk of their expenditure is imposed on them from outside. N.F.A. has long advocated that the health charges and road charges should be taken off the local rates. More and more people are coming round to that point of view.

But counties must shoulder a large proportion of the blame for soaring rates because of poor administration of their finances. Regional water schemes are a perfect example. Waterford Co. Executive of the N.F.A. took courageous action recently in calling a halt to a ridiculously expensive regional scheme in the county. They put facts and figures before the Waterford County Council to show how the same work could be done more cheaply. The County Council ultimately agreed. At present the Donegal Executive are campaigning against a regional scheme which will cost their county, which will increase the rates by 3/4d. The N.F.A. position is quite clear—the cheaper group scheme should be availed of wherever possible.

Going back to Waterford it is interesting to note the statement of a Co. Councillor at a meeting this week. Mr. H. Dowd thought that over the years the Council was borrowing far too much and not doing enough out of revenue.

**SITUATION IN LONGFORD**

Another county which should be examining its conscience on the matter of rates is Longford, where it would appear that cost is being thrown to the wind in the interests of political expediency. I am referring to the proposed appointment of five rate collectors, which if carried through will cost about £10,000 a year. The arguments put forward in favour of the appointments are that Longford has one of the worst records for the payment of rates, but this was always so, even when they had rate collectors before. The ratepayers in the county appreciate fully the present manoeuvring of the two major political parties.

Against this litany of high costs and inefficiency we have the assurance from the Government that an Inter-Departmental Committee is studying the

whole rates structure. The Committee has been sitting for two years past and will no report for a long time yet. But we also had the Walker Report on rates two years ago, on which no action was taken.

While all this studying is going on, N.F.A. has called for the payment of a Government subvention to the highly rated counties to bring them down to the national average of 52%. This should be implemented now as an intermediate measure while a permanent solution is being awaited.

**FARM INCOMES STILL FALLING**

"The Taoiseach and the Minister for Agriculture confirmed that it is Government policy to narrow the gap between agricultural and other incomes to the greatest possible extent."

The above quotation is an extract from the Government/N.F.A. joint statement issued on April 2nd last—the closing day of the Annual Review of Agriculture between the N.F.A. and the Government.

Since then disillusioned farmers have seen their incomes falling still further behind those of others with no apparent planned programme on the part of the Government to counteract the slide. Certainly there have been concessions made to farmers since the Review but by themselves they are of minimal consequence in changing the overall picture.

This year, as N.F.A. predicted back in Spring, is going to be a bleak one for farmers and while the trade unions are bargaining their arms for battle in pursuit of a national wage award prior to the tenth round to compensate workers for the increased cost of living, farmers continue to hear the garbage platitudes from the politicians about the importance of the family farm, etc.

**SOARING COSTS**

The position is that nothing has been done at Government level to bring over-all farm income into line with the rest of the community. The farmer's labour costs have gone up, his rates have gone up, his feeding costs have gone up and his cost of living has gone up and he is still expected to struggle along on 27 a week. Many of the cost increases can be attributed directly to Government action—namely rates and labour costs and in many other cases the slide in the living standard of the farmer can be attributed directly to Government action.

At the Annual Review this year N.F.A. called for full scale inquiries into the price of fertilisers and the margin taken by compounders of feeding stuffs. While nothing has been heard about the latter, an inquiry is being conducted into the price of fertilisers by an Inter-Departmental Committee. This is not sufficient. It has not the same powers as an inquiry conducted under the Prices Act and therefore will hardly be as effective.

But there are many other factors concerning the industrial side of agriculture which would produce interesting revelations if subjected to the scrutiny of a Prices Act inquiry.

**FARMERS TO DEMONSTRATE IN CASTLEBAR AND DROGHEDA**

Mayo County Executive of N.F.A., in conjunction with the other western counties, is pushing ahead with plans for the holding of a mass demonstration of farmers in Castlebar on October 16th next. Mr. Laurence Barrett, Chairman of the Executive, told me that detailed plans for the demonstration would be worked out at a meeting of the Mayo Executive being held this week and at a further meeting of all the Western Counties during the coming week.

"We are determined," he said, "that this demonstration will show the Government in a convincing way the anger of farmers with falling incomes and with our soaring rates."

At a previous meeting the western county delegates agreed that Castlebar would be the best site for the demonstration as Mayo was the highest rated county in the country.

The Castlebar demonstration will be the first of a series to be held throughout the country this Autumn. The others will be staged at towns in Munster and Leinster. The decision to hold the rallies was taken by the National Council of N.F.A.

Mr. Barrett also stated that his county would be considering the question of withholding rates. "Most of our members here do not want to pay any rates at all this year," he said. "The rates position, coupled with low farm incomes is more than the small farmer can bear. Cattle prices are falling. There is absolutely no profit on pigs compared with a few years ago

and half the 2d. per gallon put on milk a few years ago has been swallowed up by wage increases alone."

**BRKV County of Drogheda**, is to be the venue for a demonstration by thousands of farmers from the north and Leinster counties. Though the final date for the demonstration has not yet been finalised, it will be staged early in November.

A meeting of delegates from counties Cavan, Monaghan, Meath, Louth, Longford, Donegal and Westmeath in Virginia this week decided that Drogheda would be the best venue for the demonstration.

Like the Castlebar demonstration, its purpose will be to bring to the notice of the Government the dissatisfaction of farmers with their treatment by the Government.

**N.F.A. URGES PENTON OF GUARANTEE PAYMENTS TO MEAT FACTORIES**

...which is due to expire in December next, was the major item under discussion at a meeting between N.F.A. Live-stock Committee and the Department of Agriculture this week. The scheme was formulated early this year to enable Irish meat factories to compete with British buyers.

The N.F.A. team, led by their Chairman, Mr. C. O'Reilly of Co. Westmeath, urged that the scheme be extended to May next, at the minimum and they also called on the Department to give notice of their intentions as soon as possible, so that farmers could plan now on the number of cattle they would be feeding over the winter.

Mr. M. J. Barry, Deputy Secretary of the Department, agreed with the views of the N.F.A. spokesmen that farmers would require adequate notice in order to make their plans. He said that the Dept.'s only worry in relation to the scheme was in the field of finance. The scheme could become costly and he wondered if the present scheme might be modified slightly. But in the absence of the Minister's clear indication of the Dept.'s intentions was given.

Mr. J. Bruton, Co. Meath, outlined the present situation facing the cattle industry. He said that the current credit squeeze was forcing people to sell cattle which should be held back until next year. A second concession contributing to "panic selling" was the scarcity of good hay in this country, which made farmers reluctant to feed the winter with backward cattle.

But at the present time there was also a scarcity of fodder in Britain, which made the British farmer less inclined to pay good prices for his cattle. Added to this was the scarcity of fodder on the continent, which should bring about extra slaughterings, thereby slowing down the buying of cattle from Britain and Ireland.

The present guarantee payments scheme to Irish meat factories "A full assessment of the situation," said Mr. Bruton, "brings the inevitable conclusion—panic selling of cattle now would be foolish and disastrous. The present position is only temporary; the future is basically sound."

He considered that any rush of selling now by the Irish farmers would only reverse the carefully planned build-up of stocks and undermine confidence.

A full discussion took place on the Dept.'s Warble Fly Eradication Scheme and Mr. O'Reilly brought up the point that the application form sent by the Department to all far-

mers gave no indication of who it was to be forwarded to. "I learned," said Mr. O'Reilly, "that the form is to be retained by the insurer and handed to the operator when the dressing is being done."

Mr. O'Reilly stressed the need for operators to make special arrangements with owners of dairy herds.

Mr. Bruton said that farmers should co-operate with operators by having cattle ready on the day the operator called, as he might not be in a position to come back again. "If this happens the farmer will be the sufferer as he cannot expose undressed cattle for sale after December 1st."

**BOOST FOR BACON**

N.F.A. welcomes the current publicity programme being undertaken by the Pigs and Bacon Commission to boost home consumption of bacon. The programme—a most ambitious one—should bring about a considerable improvement in the percentage of bacon consumed on the domestic market.

At present Irish consumption represents about 65% of total production and the aim of the Commission is to increase this figure by another 5%. A Commission spokesman told me this week that slaughterings had increased by 12% to 15% this year and he added the encouraging point that there had been a substantial improvement in grading.

Citing the benefits of increased home consumption, he said that such a development would give increased market stability and would also result in a considerable saving in Exchequer support.

The last remark will bring frowns to the faces of many pig producers who quite rightly regard this year's increase in prices as completely inadequate.

Nevertheless, the Commission's present effort is worthwhile in the extreme and should have the support of every farm household.

**NEW MOVE BY A.C.C.**

**WELCOMED**

The new move by the Agricultural Credit Corporation to accept deposits of money from all sources, was welcomed by Mr. Michael Howard, National Treasurer of N.F.A., at a meeting of milk suppliers in Tralee.

"We are delighted that the A.C.C. is now accepting deposits from all sources as this is something we have been pressing for for a long time," he said.

It took a long time to get general acceptance of the fact that credit was one of the fundamental factors in the development of our agriculture. Farmers were now using credit as never before "and it would be economic suicide to refuse them credit now that they are prepared to avail of it."

**CAPPOQUIN Kilmacthomas Notes**

**NOTES**  
**ANGLER'S MEETING**  
 At the annual general meeting of the Cappoquin and Lismore Anglers' Association, held on Saturday night there was a good attendance. Mr. P. O'Shea, president, the Hon. Secretary, Mr. W. Conway, in the course of his report, stated that during the season under review had been most successful and had fully justified the existence of an Anglers' Association in the district. During the season they had had three competitions, one of which was in Lismore, and all had been most successful. There were many entrants on each occasion and a most satisfactory feature was the presence of many cross channel anglers. So satisfied with the sport and general arrangements were these visitors that they had shown their appreciation by donating valuable prizes, one of which was a handsome cup, to be used as a perpetual trophy.  
 Co-operation by members of the Association was excellent and their work in the clearing of banks and removal of obstacles to fishing contributed much to the success of the competitions. On behalf of the Association, gratitude is tendered to Mr. M. Lehane, the Knockmeal Co-operative Society and the Rowing Club for facilitating competitors fishing from their lands.

**Canadian Visitor**—Currently holidaying with jovial Mr. Percy Kirwan, Main Street, Kilmacthomas, is his daughter Alice, who has come from the "Land of the Maple Leaf." This is her first visit home for a period of thirteen years and no doubt she is finding many changes in her native Kilmac. Her father last met her when he visited her while she resided in Trinidad, where her husband was employed as a medical officer. She has three sons in their early twenties at home in Canada, one of whom is in the bank, another is studying medicine, while the third is doing engineering. While she is here she will visit her brother Danny, a licensed vintner and grocer here, her sister Katie, a qualified M.P.S.I.; brother Paddy, Waterford, and sister Maureen, Dublin, as well as nephews, nieces and other relatives and friends.

**Beauty**—Congratulations to Miss Kathleen Cunningham, Carrigeen, Kilmacthomas, who obtained second place in a beauty contest held in the Premier Hall, Portlawn, recently.  
**Swimming Pool**—The site is already cleared for the new swimming pool in Kilmac and construction will begin in the near future. This will be a very welcome attraction for the village and great credit is due to young and old alike for their co-operation and enthusiasm in everything concerning the pool.  
**Exam. Success**—Once again we felicitate Paudie Murphy, fifth son of Mr. and Mrs. Michael Murphy, St. Anne's Tce., Kilmac, who won an agricultural scholarship awarded by Waterford Co. Council, tenable at University College, Cork. Well done, Paudie!

**Local Happenings**  
**DUNGARVAN DRAMATIC CLUB A.G.M.**  
 The annual general meeting of the Dungarvan Dramatic Society was held at the C.B.S. rooms, on September 10th. The following officers were elected: President, Mrs. J. Coward; Vice-President, L. Comerford; Hon. Secretary, E. Hughes; Hon. Treasurer, P. O. Murchu; Committee: Mrs. E. Hockin, Mrs. Rosemary Regan and Messrs. J. O'Keefe, V. Byrne, M. Coward, J. Riordan and S. Aherne.

**Wedding**—The Church of the Exaltation of the Holy Cross, Stradbally, was the scene of a very pretty wedding on 14th inst., when members of two esteemed families were united in Holy Matrimony. They were Mr. Peter Qually, son of Mrs. and the late Mr. Qually, Grenan, Kilmacthomas, and Miss Eileen Cullinan, only daughter of Mrs. and the late Mr. Cullinan, Ballinard, do. The ceremony, which was performed by Rev. Fr. White, O.S.A., was celebrated with Nuptial Mass and Papal Blessing.

**REQUEST TO HOUSEHOLDERS**  
 Householders in the town and district prepared to let rooms to visitors next season are requested to notify Mr. Wm. Conway.

**WEDDING BELLS: HOGAN - KELLEHER**  
 The marriage took place at St. Mary's Church, Cappoquin, of Mr. William Hogan, only son of Mr. John Hogan, Chapel Street, Lismore and the late Mrs. Ann Hogan, and Miss Mary Kelleher, only daughter of Mrs. M. Kelleher, Main Street, Cappoquin and the late Mrs. Thomas Kelleher. The ceremony, with Nuptial Mass and Papal Blessing, was performed by Very Rev. J. Canon Kennelly, P.P., assisted by Rev. M. O'Meara, C.C., and Rev. M. Coleman, Lismore.

**LABOUR MEETING**  
 A meeting of the Labour Party, at which Mr. Sean Treacy, T.D., will attend, will be held in the C.Y.M.S. Rooms, on Saturday night, at 8 p.m.

**CRAFT CLASSES FOR LADIES**  
 We learn that a large number of ladies enrolled on Monday night for the "Craft Classes" to be held in the Vocational School during the coming term.

**TALLOW NOTES**

**TALLOW IN JUNIOR HURLING FINAL**  
 Tallow went into the western junior hurling final against Afane, when they had a two-point win over Lismore in the semi-final played at Cappoquin, on Sunday. It was a good close game with the issue always in doubt. One of the main factors, however, in swinging the game Tallow's way was the brilliant goalkeeping of Ned Power.

**ON VISIT HERE**  
 Mr. John Fenton, formerly of West Street, Tallow, and now residing at Loughrea, Co. Galway, visited his native town last week. Mr. Fenton served in the Irish and British armies, and saw active service with the latter in World War 11. He is now engaged in farming. During his visit he looked up many of his old friends. He is brother of Mrs. M. Healy, West Street.

**RETURNED TO ENGLAND**  
 Mr. and Mrs. Anthony Allen, and child, returned to England on Sunday last after a holiday spent at the home of Mrs. Allen's parents, Mr. and Mrs. P. Allen, Ballymote, Tallow.

**COTTAGE BUILDING**  
 Building work on the group of cottages at Tircullean, Tallow, is proceeding apace. Mr. Bill Sheehan, Convent Street, Tallow (contractor) and his staff are to be congratulated on the progress made to date.

**DANCE AT KILWATERMOY**  
 A dance in aid of Glendine Church Repair Fund will be held in Kilwatemoy Hall, on Wednesday, 13th October. Music will be by the well known and popular Bridesiders Showband.

**WIN IN POOLS**  
 Congratulations to Mrs. P. Moore, Tallow Bridge, on winning £71-6-7 in the M.H. Pools recently. This is the second successive win in Mrs. E. Lynch's books, West St. (promoter for the Pools).  
**GLADEN DAY AT GLENDINE**  
 Wednesday next, September 29th (feast of St. Michael) is Pattern Day at Glendine. Mass will be celebrated at 9 a.m.  
**PRIEST ON HOLIDAY FROM AFRICA**  
 Rev. Fr. Timothy Twomey, S.C.A., is at present on a six months holiday from Tanganyika, Africa. Fr. Twomey is brother of Miss M. Twomey, licensed vintner, Chapel Street, Tallow.

**LATE MR. P. CONNOLLY**  
 The late Mr. Patrick (Sonny) Connolly, Ballyroberts, Castlelyons, who was found dead in a disused house near Fermoy last week, was well known in this area of West Waterford, in his capacity as hay shed rector for Messrs. Keenans, Baginbun, Co. Carlow. A well liked and highly popular, his untimely death is deeply regretted. The funeral to Knockmounse Cemetery, Conna, was both large and representative.

**RETURNED TO THE U.S.**  
 Messrs. Patrick and Thomas Leahy, formerly of Chapel St., Tallow, who had been on a visit from the United States, returned to the U.S., on Monday.  
**NEW PARISH PRIEST**  
 Very Rev. Fr. P. Barry, P.P., Clondrohid, Macroom, has been appointed parish priest of Killeagh, Co. Cork. Fr. Barry spent many years as curate at Youghal, before being appointed parish priest at Clondrohid. A native of Carrigtwohill, he is well known in musical circles. We welcome Fr. Barry to Killeagh and may his stay be a long and fruitful one.

**DANCE POSTPONED**  
 Owing to unforeseen circumstances, the dance, which was to have been held at Kilwatemoy Hall, on September 29th, has to be postponed to 13th October.

**DUNGARVAN URBAN DISTRICT COUNCIL TENDERS FOR SUPPLIES—2nd NOVEMBER, 1965 to 31st MARCH, 1966**  
 Tenders are invited for the following commodities to be supplied during the above period as required:  
 Machine-Won Turf: Approximately 16 tons per week.  
 Bread: Including plain buns; plain buns with fruit; plain bun mixture; bun mixture with fruit; delivered to the various schools. Sample of each to be submitted with quotation.  
 Butter: Butter in one-lb. rolls, delivered to schools.  
 Milk: At per gallon, delivered to schools.

# Shock Win Puts Geraldines in Semi-Final Fully Deserved Their Victory

GERALDINES ... 1-10; JOHN MITCHELS ... 1-7  
THE AGLISH GERALDINES, long renowned for their flair for doing the unexpected, had yet another hour of glory at Dungarvan's Fraher Field on Sunday last. Against all the odds they shocked highly fancied John Mitchels to qualify for the senior football championship semi-final, a victory let me add that was achieved without the slightest trace of fluke.

This was undoubtedly the greatest upheaval to-date in this championship—and that includes Mount Sion's first round win over the reigning holders Killossanty. For gallant though Geraldines were expected to perform against Mitchels, even their own supporters must have faced the tie with trepidation and doubt. But in one blazing hour, these white-shirted Aglishers made victory an exciting and meritorious reality.

Nor can there have been a more exciting championship encounter at the venue this year. The standard of football was not high it is true, but such was the game's fluctuating trend and the closeness of the scoring, that the fair sized attendance never budged until referee Con Crowley had signalled the end.

**NEEDLE EXCHANGES**  
There was, however, an all too obvious needle in the second half exchanges, but fortunately, the pot never really boiled over. But it is the writer's view that first a Mitchels forward should have received nothing orders for indiscriminate use of the boot, whilst shortly afterwards at the other end a Geraldine attacker should have gone the same way for another unlawful "act of pugilism."

That much said, however, let Geraldines bask in the glory that was theirs on Sunday last. They experienced a disastrous start when playing with the wind they found themselves in arrears from a second minute goal by Tommy Kirwan. But thereafter it was they who dictated the trend of the game, and, in fact, were better value for their slender one point in-

terval advantage. But splendidly though the Aglishers had performed throughout that opening moiety their lead looked totally insufficient in all the circumstances. The odds were now unmistakably favouring a Mitchels victory, and the outcome if anything, bordered now on inevitability.

But defiance in capitol letters faced Mitchels frankly in the face after the change of ends. The losers, obviously dissatisfied with themselves, made numerous switches, so numerous in fact that on occasions I had to search the field for certain players. But their re-shuffling, which included the placing of Noel Kirwan at centre back and Wally Connors, the former occupant of that berth moving to the forty, failed to bring about the desired effect, and with the exception of the closing ten minutes, this half belonged in the main to the Aglishers.

**DEFIANCE**  
And yet, though it would have been a travesty of justice to Geraldines—Mitchels, had they not completely panicked, might have salvaged the game as it ebbed to its entirety. Frustratingly for their followers the defence, at the slightest sign of danger, foolishly conceded blatant frees, from which the unerring Patsy Kenneally made them pay the supreme penalty. Then at the other end, as they fled on the pressure in relentless fashion minutes from time they simply tried to walk the ball to the net. And this method of score getting was futile against an uncompromising defence as that of Geraldines.

**THE SCORING**  
Mitchels got off to a dream start with a goal in the 2nd minute. Tommy Kirwan, having gained possession twenty-five yards out, soloed clean through a seemingly perplexed Geraldines defence and coolly planted the ball in the net from a drive not more than six yards out. But the Aglishers weren't in arrears for long. Two minutes later a great movement initiated by Patsy Kenneally and carried on by Willie Joe Treacy, culminated in full forward Bunny Ronayne smacking home a superb equaliser.

But Mitchels were not long in reasserting their position with points by Tommy Kirwan (free) and Mick Mullins. An exchange of pointed frees followed from Kirwan and Kenneally, but then the Aglishers took over in no uncertain fashion, and points by Ronayne and Kenneally (2) from frees, left them ahead by 14 to 13 at the short whistle. It looked a precarious lead to say the least, but the ensuing thirty minutes showed up in splendid light the resoluteness and determination of this Geraldine team. Within two minutes of the resumption Kenneally again made no mistake from a close in free, and when "Stylo" Riordan tacked on another minor, it was more than obvious that an upset was on the cards.

Mitchels hit back in the 8th and 10th minutes with pointed frees by Tommy Kirwan and a further exchange of points left the minimum of margins between them entering the closing quarter.

Then it was, however, that Geraldines "clinched it." The losers defenders at this stage seemed obsessed with the idea of fouling and twice in as many minutes Kenneally flashed over vital points from placed balls. Mitchels now launched a series of all out attacks on the Aglish goal, but that defence of theirs remained steadfast and never conceded a score.

But with six minutes remaining came the most spectacular incident of the hour. With Mit-

## NED POWER DEFIED LISMORE

Tallow ... 1-7  
Lismore ... 1-5

Tallow are through to the Western junior hurling championship semi-final. At Cappoquin on Sunday last they earned that distinction with a hard won two-point victory over Lismore in a tense and thrilling encounter in which the balance hung perilously on the moment referee Mossy McGrath (Dungarvan) signalled the end.

This was a game that finished with a thrilling incident, and without begrudging Tallow their win, a draw would, I feel have been a more equitable result. In fact it is doubtful if Tallow could possibly have survived had it not been for the positively brilliant net minding of county goalkeeper, Ned Power. This was without doubt Power's greatest ever display between the posts—and that is praise indeed, and time out of number he thwarted Lismore with saves that were out of the ordinary. Little wonder that the huge crowd rose in salute to his uncanny display at the end.

The first half of this game belonged to Lismore. They played the better hurling and had their forwards gone for points—particularly in view of Power's almost invincibility, then they would have built up a substantial lead by the half-way stage. Instead they were ahead by only 1-4 to 0-3 and Tallow, quite obviously were in the game with a great chance.

But the second half saw Tallow as a side inspired. They got a grip at midfield and soon the losers rearguard became taxed to the limit. Gradually the lead was whittled away and with seven minutes remaining the sides were level. But it was the brideside fifteen that finished strongest and a brace of points gave them victory.

Yet it took another fantastic Ned Power save to ensure them of success. Only minutes remained when he went full length to save a pilderiver from Willie Bob Lineen that had goal written all over it, and that proved Lismore's last chance of salvaging this game. For the occasion the win-

## GAELIC JOTTINGS

A SLIGHT PREFERENCE FOR GALWAY

Not for many a long year has any game whipped up such intense interest as next Sunday's All-Ireland football final between Galway and Kerry at Croke Park. Everywhere these days the topic is undeniably football, and the search for tickets has never been as great. In fact despite the attractiveness of watching it on the screen at home, it is quite on the cards that the existing attendance record (90,600 at the Down-Offaly final of '61) will go by the boards for this decider. Certainly the figure will be in the eighty thousand bracket at least.

When these same Counties clashed in last year's final, Kerry were then firm favourites to take their twenty first title—thus becoming the first county to "come of age." It is now history that they failed and failed in no uncertain fashion to a vastly superior Galway fifteen. Now Tipperary's hurlers have come along and earned the distinction of being the first to chalk up twenty-one titles, so the Kingdom are fervently intent on emulating the feat of their provincial neighbours on Sunday.

There can be no denying the fact that the champions have reached this final unimpressively. Neither against Sligo or Down did they reveal the form of last year, but all Galway are convinced they will be seen at their best on Sunday. The form of the teams in their respective semi-final victories will mean Kerry starting as slight favourites but seldom if ever can a final have had such an open look about it. It promises to be a real football classic and one I would not miss for worlds. Again there will be that intriguing clash of styles, Kerry's catch and kick against the Tribesmen's neater short passing movements.

Provincial loyalty causes my allegiance to lie with Kerry, but for all that I believe Galway can take the Sam Maguire Cup across the Shannon for the second successive year.

**POSTPONED**  
The Nire-Ballinameela junior football championship game scheduled for Cappoquin was postponed at the request of the Ballinameela club who would have had to field without several key players. The game has now been re-fixed for October 3rd.

Incidentally because of the All-Ireland final no games will be played in the County on Sunday next.

## Late Scores Gave Brickeys Victory

Brickey Rangers ... 1-8  
Abbeyside ... 1-5

Brickey Rangers—their side bolstered up by the inclusion of several players of senior experience, belatedly snatched victory from Abbeyside at the Fraher Field on Sunday last and qualified for the Western junior championship final in which Tallow or Affane will provide the opposition.

But the closeness of the scoring apart, it was not a great game and the Rangers will have to show considerable improvement if they are to entertain any hopes of taking the Divisional title.

They were, however very worthy winners on Sunday last. Throughout the entire second half when backed by the breeze, not been for the inaccuracy of attack must have won by an even greater margin.

But all credit to the Villagers, who went so close to victory. They fielded a very young side—many of them recruited from this year's minor side, and in all the circumstances did exceedingly well to hold this very strong Brickey outfit to three points.

The first-half exchanges were evenly contested although Abbeyside were just about deserv-

ing of their slender 1-3 to 0-5 lead. But on the resumption the Rangers took over and the bulk of the "traffic" was towards the Villagers goal. Yet for all their outfield supremacy, the winners attack failed to pierce a rock solid Abbeyside defence.

In fact with less than ten minutes remaining the Villagers clung tenaciously to that solitary point lead. But non-stop offensives had their inevitable reward and the all-important winning goal came eight minutes from time.

Abbeyside did have one final chance, but one of their forwards, finding himself unmarked and in possession ten yards out muffed the golden opportunity and never subsequently did they even remotely look like staving off defeat. The winner added a further point and were pressing strongly at the call of time.

## United For Final—After Extra Time

ABBEYSIDE UTD. ... 4;  
PORTLAW ... 2.

**WHAT** a glorious start to the competitive soccer season Abbeyside Utd. made on Sunday last in the Casey Cup semi-final against Portlaw in Kilmacthomas. Very definitely the underdogs for this tie, Utd's form was a revelation and it now looks quite on the cards that they will retain this trophy, which they won for the first time last year.

It is true, of course, that last season's inconsistency was one of the most significant features of their display. But if the form they displayed on Sunday last can be maintained throughout the coming season, then it should be a very successful one indeed for Utd.

front they always looked capable of bagging that vital score or two. Peter Power gave them the lead after quarter of an hour, but then Portlaw got on top and deserved their 2-1 interval lead.

But Abbeyside proved themselves a vastly different proposition in the second half. For practically the entire second moiety in fact they ruled the roost, and justice was done when John Beresford headed home the equaliser. Thereafter the Villagers reeled on the pressure without reaping the desired reward.

And so to extra time. The first period again belonged to Utd. and in a golden two minute spell Power and Beresford repeated their earlier scoring feats and this brace of goals ensured them of their place in the decider. Portlaw did press strongly towards the close, but their attack never looked like piercing a defence that benefited game, with their defence rock solid, whilst up

front they always looked capable of bagging that vital score or two. Peter Power gave them the lead after quarter of an hour, but then Portlaw got on top and deserved their 2-1 interval lead.

The forwards moved very well at times and though schemer in chief at inside left slip, they nevertheless showed excellent promise.

John Beresford, transferred this year from Kilmac, was the some good chances were let and capped a fine display with a brace of goals. Peter Power, also took his two goals in fine opportune fashion, whilst Tom Cowman was another who tried very hard.

Portlaw contributed their share to making this a fine game, and they too had many outstanding individuals. But they lacked the all round balance of Utd. and their forwards could never find an effective answer to the close marking of the winners defenders.

Abbeyside now meet Kilmacthomas in the final at Kilmacthomas on Sunday week.
