### LATE MAURICE NOONAN

RICE'S ST., DUNGARVAN is extended to his sorrowing widow, sons, daughters and grandchildren on their great loss. The unexpected death of Maurice (Monnie) Noonan, took place on Monday, 18th October at his daughter's residence at Boreenatra. The deceased was a member of a very old Dungarvan family and was a sportsman of the highest degree. He was a well known hurler and footballer in his youth and figured on the famous Dungarvan Blues team. But his greatest interest was greyhounds and he kept some all his

life. He was a regular courseing man on the mountains every Sunday. His cheerful and amiable manner made him a great favourite among all sections of the community. Our deepest sympathy.

The funeral took place on Monday, 22nd October at 10.30 a.m. from St. Mary's Church, Dungarvan. The coffin was borne by Mr. J. O'Shea, Mr. Nicholas Flynn, Mr. George Deane, Mr. Maurice Frater (sons-in-law); and very large circle of grandchildren and great grandchildren.

Large sheaves of Mass cards, telegrams and letters of sympathy were received by his family. (Funeral arrangements by Kiely & Sons, Dungarvan.)

### ALL SET FOR CREAMERY E.B.S. DANCE

Attention all dancing fans. Wednesday night next, 27th October at the spacious CSM Ballroom, Clonea, the fabulous Dixies (formerly known as the Dixielanders) Showband will be on the rostrum for the Dungarvan Creamery Employees Benevolent Society Annual Dance. A flashback to twelve months ago when the same band played for the same annual dance, and a packed hall rightly voted it as the dance of the year.

Well, it is our safe prediction that next Wednesday night's dance will be truly one to remember. The Creamery dance Committee, headed by that most industrious of workers, Tommy Cotter, will ensure that everything is in order, and it would come as no surprise if all attendance records went by the board for this hall.

It is accepted in all quarters that the Dixies are one of Ireland's leading showbands. Lead vocalist Brendan O'Brien is tops whilst the fabulous comedy king and ace drummer Joe Mac would pack in the fans on his own. Incidentally, the Dixies are releasing a new record next week, which it is believed will top the Irish Chart very soon after release date.

Yes, it is a dancing attraction not likely to be passed over by many. The Organising Committee deserve the fullest support of the dancing public, for I can reveal that they have gone to considerable expense in giving the public only the very best in entertainment. So note the date—Wednesday next, 27th. See advert. in this issue for full details. P.S.—A bus will also ply between the Square and Clonea.

### Local Happenings

### APPROVED APPOINTMENT

County Waterford Committee of Agriculture at its monthly meeting on Friday, approved of the appointment of Mr. D. N. Flynn as Permanent Instructor in Agriculture.

Mr. John Fahey (Chairman) said it had not yet been decided where he would operate, but as the Clonmel area was the only one with a vacancy for an Instructor, he suggested that Mr. Flynn be appointed in that area.

On the proposal of Mr. G. Heskin, seconded by Mr. R. Walsh, the Chairman's suggestion was unanimously agreed to.

### DEISE BRIDGE CLUB

### TRAGIC PASSING OF KILMAC' YOUTH

The hand of Providence, so cruel betimes, struck in tragic fashion on Saturday afternoon last, October 16th, when 15-year-old James Dee, youngest son of Patrick and Bridget Dee, Graiguerush, Kilmacthomas, lost his life in a harvesting tragedy on the farm of John O'pen, Ashtown.

The youngest of a family of ten, Jim, as he was so affectionately known, was crushed between the rollers of a baler, and was dead on extraction. When news of the terrible tragedy broke, the entire parish of Kilmacthomas and all the surrounding areas were numbed with grief. For Jim was a general favourite, an unassuming and extremely likeable young boy.

The funeral took place in the Church on Sunday evening, 21st October, and strikingly emphasised the sorrow of the entire populace. It was without doubt the biggest ever funeral in the district, as all the more poignant was the fact that on Saturday—the same day that Jim lost his life, his brother Maurice was married in London.

And at an inquest on Monday last, before Dr. J. C. Walsh, Coroner for East Waterford, sitting without jury, a verdict was returned that death was caused by the deceased being pulled between the rollers of a baler, causing compression of the brain.

To the parents, brothers, sisters, and relatives of the deceased we extend our deepest sympathy on this shocking tragedy.

the county's brightest stars, but for this ironic twist of fate. He was one of the key members of the Kilmacthomas team that brought county juvenile football honours to the village for the first time ever this year, and was also a member of the John Mitchels minor team that lost to Mount Sion in an East-Tern final replay also this year. But what made this tragedy all the more poignant was the fact that on Saturday—the same day that Jim lost his life, his brother Maurice was married in London.

And at an inquest on Monday last, before Dr. J. C. Walsh, Coroner for East Waterford, sitting without jury, a verdict was returned that death was caused by the deceased being pulled between the rollers of a baler, causing compression of the brain.

To the parents, brothers, sisters, and relatives of the deceased we extend our deepest sympathy on this shocking tragedy.

**TALLOW NOTES**

**DEATH OF MR. M. WALSH**  
 We regret to record the death of Mr. Michael Walsh, Coolbeggan, Tallow, which occurred at St. Joseph's Hospital, Dungarvan, last week. Deceased, who had reached an advanced age, was a member of a widely-esteemed family. He had the distinction of being the first man in the area to drive a motor car, for the late Martin Murphy, Horse Dealer, Park House, Youghal, by whom he was employed for many years. The remains were removed

to the Church of the Sacred Heart, Knockmore and the interment took place in the adjoining cemetery. Very Rev. M. Power, P.P., Knockmore, officiated at the interment.

**LATE MR. M. HUNT**  
 It is with deep and sincere regret we chronicle the death of Mr. Maurice (Mossy) Hunt, Rhincrew House, Youghal, which occurred unexpectedly on Wednesday, 13th October, after an illness of only a few hours duration, and at the early age of 40 years. The late Mr. Hunt was an extensive farmer and agricultural contractor. He was engaged on harvesting operations on the farm of Mr. M. Browne, Coolbeggan, Tallow when he collapsed. He was removed to Youghal Hospital on Tuesday evening, 12th October, but died without regaining consciousness on Wednesday evening.

Mr. Hunt was brother of Rev. Fr. Michael Hunt, Los Angeles, California; Rev. Sister Carmel, County and City Infirmary, Waterford, and was first cousin of Very Rev. Fr. Michael J. Leahy, L.S.S., S.T.L., P.P., Passage East, Co. Waterford. He leaves a widow and three young children to mourn his loss.

The remains were removed to Glendine Church and the funeral took place to North Abbey Cemetery, Youghal. There was a huge concourse of mourners, friends and sympathisers present on both occasions.

To his widow, family, brothers, sisters and relatives very sincere sympathy is extended on their great loss.

**TALLOW FAIL TO AFFANE**  
 Tallow junior hurling team lost to Affane in the divisional semi-final of the junior hurling championship, at Lismore on Sunday last. Affane had a two-point advantage at the long whistle. It was a game of missed opportunities for Tallow

who looked a better team. Had they availed of their many scoring opportunities they would have carried the day.

Ned Power in goal for the Bridesiders was in his usual top form and Philly Cox, who came from England specially for the game, was also a great asset to Tallow as also was Eddie Cunningham.

**DANCE AGAIN POSTPONED**  
 The dance, which was to be held in Kilwatermore Hall, on Wednesday night, 20th October in aid of Glendine Church Repairs Fund, is again postponed to Thursday, 28th October, owing to the death of Mr. M. Hunt, a prominent member of the Church Repair Committee.

The drawing of prizes for valuable livestock is also postponed to the same night.

**LEFT FOR ENGLAND**  
 Mr. Jerry Keane, Ballyduff, left for England, on Friday, 15th October, where he will take up employment. A most popular young man, we wish him the best of luck across channel.

**HOME FROM HOLIDAY IN U.S.**  
 Mrs. C. Crowley, Tallow Hill, has returned from a holiday in the United States, during which she attended the wedding of her son, Mr. J. Crowley.

**WON SCHOLARSHIP**  
 Congratulations to Mr. Kieran Heffernan, on winning a 3-year science scholarship to the University College, Cork. Kieran is son of Mr. and Mrs. M. Heffernan, Garryduff House, Youghal.

**GOING TO CYPRUS, WITH IRISH TROOPS**  
 Trooper M. Heffernan, 1st Motor Squadron, Fermoy, son of Mr. and Mrs. B. Heffernan, Pike, Tallow, will leave for Cyprus shortly, with the Irish U.N. Peace Keeping Force. This is his second tour of duty in Cyprus with the Irish Contingent.

**TOURANEENA NOTES**

**CONGRATULATIONS**

Congratulations to Helen and Eddie Power, Knockboy, Ballinmut, on their recent school success. Both pupils received their earlier education at Touraneena N.S., and were County Council scholarship holders. Helen was later educated at the Presentation Convent, Clonmel and was called to the Training College, Limerick.

Eddie, who is a past pupil of Rockwell College, Tipperary, was awarded a University Scholarship by Waterford Co. Council. He is at present attending U.C.D., where he is studying for his B.Agr.Sc. Degree.

We join in wishing both sister and brother, further successes in their future careers. They are children of James and Mollie Power, Knockboy.

**CREDIT UNION NEWS**

**OFFICE HOURS**  
 In response to requests from members and prospective members, the offices at the Court-house, Dungarvan, will open at 8.30, instead of 8.30, and will remain open until 9.30 p.m. instead of 10 p.m., each Friday. There is no change in the first opening, i.e., 5.45 p.m. to 6.30 p.m.

A big change is noticeable at the office every Friday evening and night. Some months ago the offices were very quiet. Now and then a member called, did his or her business, had a few words to say about this and that and went away, leaving the staff with nothing to do until the next member called—usually quite a while afterwards. To the staff, the few hours seemed long and 10 o'clock came slowly.

Now, however, from the moment the offices are opened, they are the centre of almost constant activity. Members keep coming and going, frequently waiting their turn at the booths; pass books are constantly flashing back and forth across the counter; new faces are constantly appearing and application forms for membership being requested; questions are being asked about shares, loans, insurance, rates of interest and many other aspects of Credit Union business.

It is also noticed that members, when they have completed their financial business, stop for a short chat with other members—in fact, there is quite a social atmosphere about the place. Before the staff realises it 10 o'clock has come and the accounts have to be balanced and the increased takings deposited in the night safe of the nearby bank. There is no doubt about it, the Credit Union is growing rapidly.

By the way, you may like to know that the counter in the offices is divided into four partitioned booths, so that each member can do his business privately, without being observed by any other members waiting to be looked after. The Credit Union members themselves feel that this privacy is very desirable.

**Gay Waterford Get-Together**

The annual dinner dance of the Waterford Association, Birmingham, was held on October 9th, at the Co Op Rooms High St., Birmingham and proved to be a very gay get together, and was a memorable night for the large attendance of over 150 emigrants.

As a social event it was an outstanding success, reflecting high credit on Association Chairman Edward Cullinan (Bleantis, Ballinamut) and his energetic Committee, who had attended to every detail with meticulous care.

**Additional Instructor Appointed**

By eight votes to five, Co. Waterford Committee of Agriculture decided at its monthly meeting on Friday last to appoint an Instructor in Agriculture to fill the vacancy created by the departure of Mr. J. McCarthy.

Mr. Michael Byrne (Acting C.A.O.) said at present they had three permanent Instructors, plus the C.A.O. and they had two further temporary Instructors.

Mr. Kieran O'Ryan said they had sufficient Instructors without making another appointment.

On the proposal of Mr. C. Curran, seconded by Mr. M. Galgey, it was then decided on an 8-5 vote to fill the vacancy. Mr. M. Harty did not vote.

**The whole country is now attested**

- Every herd with valid Blue Cards is an attested herd; any other herd is a "restricted" herd.
- All attested cattle with Blue Cards may now move freely within the country or for export to Britain or Northern Ireland.
- Only attested cattle or untested calves under six weeks old from attested herds may be brought to the fair, mart or other public sale.
- The Blue Card is of the utmost importance — see that you get the correct card with every blue card animal you purchase. Any alteration to a card renders it invalid.

**OUR SHOPPING BILL WAS OVER £300 MILLION**

During the last year we spent exactly £347,815,097 on imports (almost £100 for every man, woman and child in this country). Some of this money went on necessary imports. And some didn't! Some was spent on goods which are also produced right here in Ireland. Needless to say, the money to pay for these goods left the country. They should have been Irish made goods—it's up to us all to see they're Irish next time!

**MIXED FORTUNE FOR ABBEYSIDE**

Abbeyside ... 4; Tom Cowman and Michael Lyons.  
Dolphin ... 1.

Abbeyside met with mixed fortune in their league games played on their new and splendidly laid out ground at Skeaherne, on Sunday last. The juniors got off to a successful start in their Division 111 league by decisively defeating the City newcomers Dolphin. The latter, however, reaped some consolation when their minors overcame the home-sters in a league game also.

United's juniors certainly have it in them to make this a really successful season. Dolphin, it is true, may have been just a little disappointing, but there is plenty of ability in this Abbeyside team, and they moved impressively on Sunday. The day was an ideal one for football, and the home-sters availed of the extraordinary favourable conditions to play some fine football. Their defence was seldom troubled by a weak dolphin attack, while up front John Michael Duggan, who was in tremendous form, was leading the visitors defence a merry dance.

Abbeyside did most of the first half attacking and deservedly led 1-0 at the interval. On the change-over, the home team made certain of the points with three further goals. Their scorers were Duggan (3) and Michael Lyons.

Late in the game Dolphin did come more into the game, but Abbeyside, satisfied in the knowledge that the points were theirs, gave the impression of being content to play defensively. But the Dolphin attack was very weak, and their only reward was a solitary goal scored seven minutes from full time. The Abbeyside defence was seldom outwitted, and had a great half-line in Michael Keohan, John Woods and John Beresford, Duggan was undoubtedly the key man up front, and was ably assisted by

**MINORS GO UNDER**

Abbeyside — 0; Dolphin — 2  
The Abbeyside minors eleven, however, were not quite as successful, and Dolphin fully deserved their two nil victory, if only for their ability to take the scoring chances offered them. The first half saw Abbeyside well on top territorially but then, nearing the interval, two defensive blunders saw Dolphin snatch the two vital goals.

Abbeyside again pressed strongly during the second moiety, but lacked any real penetration, which resulted in the Dolphin keeper having a comparatively easy time with any shots that came his way. However, over all it was not such a bad display from the losers, and with a couple of changes here and there could still be a pretty strong force.

Big man in the Abbeyside defence on Sunday was again centre-half Billy Kyne, and he got good support from Finbarr Dunphy and Tommy Fitzgerald. Pick of the forwards was undoubtedly outside-right Tommy Flynn, who got fair support from Cliffe and Kennedy.

Abbeyside: J. Mulcahy; F. Dunphy; P. Walsh; P. Donovan; B. Kyne; T. Fitzgerald; T. Flynn; M. Cliffe; L. Waters; C. Power; B. Kennedy.

**Ballinacourty Take Western Title**

**Clashmore Never In It**

BALLINACOURTY — 2-8; CLASHMORE — 0-2

AT last the championship hoodoo that has taunted Ballinacourty so frustratingly on so many occasions, has been well and truly laid. For at Cappoquin on Sunday last I saw years of vain endeavour amply rewarded when they decisively defeated Clashmore in a Western Intermediate football final that was seldom better than mediocre. It was an ideal day for this much talked of final, but long before 'twas over many spectators were filing homewards disappointed in the extreme at this major championship anti-climax.

That this decider however should fall so very far below general expectations, was no fault of Ballinacourty. They endeavoured to open up the play, particularly amongst their forwards, but with Clashmore unprepared to co-operate, the standard inevitably suffered greatly.

For Clashmore it was a final best forgotten. They entered the fray as outsiders, but there was a quiet air of confidence in their camp at their own ability to cause an upset. But it was not to be and this final was as good as over at the half way stage.

From the very start, however the losers approached this game in a completely wrong vein. They foolishly foresook their normal type of combined play, opting instead for rough house tactics that did nothing other than lay the foundations for their heavy defeat. This I do believe—they would not have beaten the new and worthy champions irrespective of how they went about it—but certainly their decision to tackle the task as they did, merely contrived to bring about their humiliating championship exit.

**SHOULD NOT HAVE BEEN CONCEDED**

In fact neither of Ballinacourty's goals should have been conceded, but whilst their defenders were all caught up in playing the man, the winners were allowed pick off the majors that put the issue beyond all doubt. Then, to add to Clashmore's misfortune, centre-forward Liam Rourke was given marching orders two minutes before the interval by referee Tom Ryan, when caught red-handed striking Pákie Hogan.

At the half way stage it was 2-5 to no score, and then it was obvious that only a football miracle could save Clashmore.

And yet, with a changed view as to how this game should be played in the second half, Clashmore, even with fourteen men, more than held their own. True, the winners were content to hold their lead, but the losers showed such vast improvement that it would undoubtedly have been an infinitely better final had they not blundered so gravely in tactics during that crucial opening moiety.

As a spectacle, too, it was a failure all through. Almost from the throw there was an

obvious element of needle, and had the referee not had his back to the six players involved in an ugly first half fracas, then several would, without doubt, have made premature exits. Finally, Liam Rourke's departure put paid to Clashmore's rapidly fading hopes, although this action by the referee led to a 'cease fire' between the sides in the second half.

**THE SCORING**

The game was but a minute old when Ballinacourty mounted the first of their many determined offensives, and it took a diving save by Clashmore goalkeeper John Hurton to prevent an early calamity. Then followed an era of equality with both attacks going persistently near to opening the scoring. But then, in the 12th minute, Duck Whelan fisted over a Ballinacourty point for a lead they were never to surrender thereafter. Midfielder Pat Enright quickly added a second and Tony Mansfield did likewise from a 17th minute free.

Then, within a minute, came the two goals that put the issue beyond doubt. In the 20th minute Tony Mansfield slipped one

through as all defensive attentions were directed towards Donal Whelan, whilst at the same time at the other end backs and forwards traded pug-

ilistic prowess. And before Clashmore had recovered from this setback they were in further trouble as Mansfield again availed of a defensive miscalculation to flick the ball to the net. Further points from Duck Whelan and Mansfield (free) gave the winners their half way lead of 2-5 without reply, and two minutes before the break had become worse for Clashmore as Liam Rourke was banished from the scene by the referee.

The second half brought about an improvement, and Clashmore proved conclusively that, if in the mood, they could play football with the best. True, points by Johnny Hogan and Tony Mansfield (two from frees), added salt to an already painful wound, but throughout the closing quarter the losers definitely held the upper hand. But their forwards were palpably weak, and the winners' defence, together with Danny Barry who replaced the injured Brian O'Connor in goal, were never seriously in trouble. Try as they might—and to their credit they did give every-thing they had, they failed to make appreciable headway, and their only reward was a brace of points, both scored by midfielder Pat O'Rourke from close in frees, in the 21st and 26th minutes.

That Ballinacourty were more than equal to the demands of this final goes without saying. They were not I think as good as in their semi-final rethronement of Affane, yet when they did set properly moving during Sunday's encounter, showed themselves as a side of vast potential.

**UNCOMPROMISING**

Their defence was in its most uncompromising mood, being complete masters of a guileless Clashmore attack. Brian O'Connor, until forced to retire through injury, was very safe, and Danny Murray, Mick Kievy and David Murray all starred. Their half line, too, was rock solid, with John McGrath and Liam Enright at

their very best, and John Cosgrave certainly obliterated some unhappy memories of the Affane game with a towering display.

At midfield, too, the victors reigned supreme, thanks to the work of Pat Enright and Pákie Hogan. But once again it was in attack that 'Courty really roamed all over the place to great advantage, but seldom was he given the support his herculean efforts deserved.

Liam Rourke, until his departure, was prominent without being the danger man he can be, but none of the others made any impression.

**MILLABLE WHEAT REGULATIONS**

Under the Millable Wheat Regulations, 1961, wheat having a bushel weight of less than 54 lb. is deemed to be unmillable. In view of the exceptional circumstances of this year's harvest the Minister for Agriculture and Fisheries has decided to amend this Order to provide that wheat having a bushel weight of less than 54 lb. may be classified as millable. This does not mean that wheat having a bushel weight of less than 54 lb. will automatically be classified as millable. It will still remain subject to all the usual requirements in regard to millability, including the falling number test.

The purpose of the amendment is to enable millers to accept for milling wheat of low bushel weights which otherwise comply with the conditions governing millability.

The amended regulations will not apply to wheat which has not been delivered to the purchaser before the making of this Order.

Wheat which is of low bushel weight may be improved in quality by screening. Growers are advised, however, in their own interests, to have their wheat examined for falling number value before undergoing expenditure on screening.

The Minister for Agriculture and Fisheries discussed these matters with representatives of the Irish Flour Millers' Association and National Farmers' Association. The foregoing has been issued by the Government in-formation Bureau on behalf of the Minister for Agriculture and Fisheries.

THE ERADICATION OF BOVINE T.B. FIVE-DAY WEEK FOR AGRICULTURAL INSTRUCTORS

The signing by the Minister for Agriculture and Fisheries for the building or repair of this week in Cork, of the Order 14,000 grants to farmers who installed water systems as an aid to farm hygiene. A total of about 2490,000 was paid to creameries to help them install pasteurisation plant so that skim milk returned to farmers would not carry disease germs. Another financial aid to the eradication scheme was the guarantee payments which were excluded from the British market because of attestation there.

These were the measurable costs, but they give no indication of the hard work that was put in by a vast number of people—Department officials, the veterinary surgeons, the voluntary rural organisations, the farmers' organisations and above all by the farmers. For many farmers the removal of reactors under the compulsory measures of the scheme was a considerable blow, in particular because among cows the best milkers very often were the first to react to the test. The Department paid full market value, but replacements were often a problem as many more cows went down than were replaced.

The threat had been obvious to successive Governments and a pilot scheme to explore eradication methods had been started in Co. Tipperary in 1950. In 1954 a sum of nearly £2m. was allocated for the start of a nation-wide eradication scheme.

The battle was on, but there were some who thought that it would not be won in time to save the cattle export trade. The disease in 250,000 cattle in 1950, 450,000 in 1951, 500,000 in 1952, 550,000 in 1953, 600,000 in 1954, 650,000 in 1955, 700,000 in 1956, 750,000 in 1957, 800,000 in 1958, 850,000 in 1959, 900,000 in 1960, 950,000 in 1961, 1,000,000 in 1962, 1,050,000 in 1963, 1,100,000 in 1964, 1,150,000 in 1965, 1,200,000 in 1966, 1,250,000 in 1967, 1,300,000 in 1968, 1,350,000 in 1969, 1,400,000 in 1970, 1,450,000 in 1971, 1,500,000 in 1972, 1,550,000 in 1973, 1,600,000 in 1974, 1,650,000 in 1975, 1,700,000 in 1976, 1,750,000 in 1977, 1,800,000 in 1978, 1,850,000 in 1979, 1,900,000 in 1980, 1,950,000 in 1981, 2,000,000 in 1982, 2,050,000 in 1983, 2,100,000 in 1984, 2,150,000 in 1985, 2,200,000 in 1986, 2,250,000 in 1987, 2,300,000 in 1988, 2,350,000 in 1989, 2,400,000 in 1990, 2,450,000 in 1991, 2,500,000 in 1992, 2,550,000 in 1993, 2,600,000 in 1994, 2,650,000 in 1995, 2,700,000 in 1996, 2,750,000 in 1997, 2,800,000 in 1998, 2,850,000 in 1999, 2,900,000 in 2000, 2,950,000 in 2001, 3,000,000 in 2002, 3,050,000 in 2003, 3,100,000 in 2004, 3,150,000 in 2005, 3,200,000 in 2006, 3,250,000 in 2007, 3,300,000 in 2008, 3,350,000 in 2009, 3,400,000 in 2010, 3,450,000 in 2011, 3,500,000 in 2012, 3,550,000 in 2013, 3,600,000 in 2014, 3,650,000 in 2015, 3,700,000 in 2016, 3,750,000 in 2017, 3,800,000 in 2018, 3,850,000 in 2019, 3,900,000 in 2020, 3,950,000 in 2021, 4,000,000 in 2022, 4,050,000 in 2023, 4,100,000 in 2024, 4,150,000 in 2025, 4,200,000 in 2026, 4,250,000 in 2027, 4,300,000 in 2028, 4,350,000 in 2029, 4,400,000 in 2030.

They had known all along that this final phase would be the toughest, since the remaining area contained the main dairying counties where the disease was far more common than in the rest of the country. A good deal of softening up had been done by this date through the special Sanitation Scheme introduced in October 1959 and ended in 1962. It had enabled 285,000 cow reactors to be removed and 32,000 herds to attain "clear herd" status. Among the six counties 70,000 herds, containing 1.9 million cattle, tuberculosis incidence had been brought down to about 10%. Further testing and removal of reactors brought the overall incidence in these herds to 0.5 per cent by February last and attestation was clearly in sight.

In the national accounts the battle will be shown to have cost a net sum of almost £38. This includes, in addition to the cost of the Scheme proper,

such items as—£1.1m. in grants for Agriculture and Fisheries for the building or repair of 14,000 cow byres; £225,000 for grants to farmers who installed water systems as an aid to farm hygiene. A total of about 2490,000 was paid to creameries to help them install pasteurisation plant so that skim milk returned to farmers would not carry disease germs. Another financial aid to the eradication scheme was the guarantee payments which were excluded from the British market because of attestation there.

THE Agricultural Instructors employed by the County Waterford Committee of Agriculture are to have a five-day week. This was decided on the casting vote of the Chairman, Mr. John Fahey, T.D., at the Committee's monthly meeting on Friday last. The Committee had previously turned down the application for a five-day week.

Before the meeting was a letter from the General Council of Committees of Agriculture asking them to reconsider their decision and to come into line with all the other County Committees of Agriculture in the country.

Mr. Kieran O'Ryan said they had an application before them already to-date at this meeting for another Instructor. As he saw it they wanted to reduce the working hours of the Instructors and increase the number they had working for them.

Mr. William Foran described it as a draft approach to their main industry. The farmer, he said, had to milk his cow on Christmas day and St. Stephen's day.

Mr. Norman Walsh proposed they take the letter from the General Council and send it to the Minister for Agriculture. Mr. Kieran O'Ryan said they had already to-date at this meeting for another Instructor. As he saw it they wanted to reduce the working hours of the Instructors and increase the number they had working for them.

Mr. John Fahey, T.D. (Chairman) said they were the only county out of line in this. Mr. O'Ryan: We are the only county out of line in a lot of things. Mr. Richard Walsh said it was not fair to ask their Agricultural Instructors to work six days a week and also some nights.

Mr. O'Ryan: We are always making cases for the Instructors. Why not make a case for the farmer. The Acting C.A.O. said the Instructors worked a half day on Saturday, but this work was confined to the Office and they did not make normal calls on this day except on cases of urgency. If the five day week was applied and an urgent call

NFA NEWS WHY ARE FARMERS DEMONSTRATING?

Why are farmers demonstrating and why is there a "Go Slow" on the payment of rates? These pages, during the past few months have tried to outline the reasons for the present unrest among farmers, but never has the case been put so succinctly as by Mr. Joe Bruton of Co. Meath, when speaking at a meeting of Co. Cavan Executive.

"You find yourselves working harder and harder and receiving less and less," said Mr. Bruton. He then told his listeners about the Department of Finance, which, "backed by its extensive and expensive resources, has declared you will be £12m. better off this year than last year." On the other hand, the N.F.A. team produced a forecast of a fall of £2 million in income. "I needn't tell you who is right; but the Department, having accorded themselves handsome increases in salary, refuse to believe that we farmers are not equally fortunate."

Those of you who had bonhams to sell, or ewes, or store lambs, or wool, or store cattle or pigs to buy feeding for, or rates to pay, or corn to sow, or a haggard of bad hay, will need no computer to decide which forecast will be right." On rates, Mr. Bruton said that every year it was accepted policy to shove a bit more on the farmers' rates. Once or twice when farmers got really annoyed they were thrown a fish a little line when he threatened to brake away. So far there was no sign of the Government really tackling this gross injustice.

EFFICIENT MARKETING On marketing Mr. Bruton said that farmers had been asked in the Second Economic Programme to increase agricultural output and right loyally we have responded; indeed it looks like we will exceed the target even before 1970. Modern production needed modern salesmanship. We had seen how scientific selling had put Kerrygold butter on the top of the maps; how Irish bacon had been pushed up to second place. It was as foolish to have a product without salesmanship as to have salesmen with no product to sell. The only result could be overproduction—a slump and then a cut back in production. Lack of efficient marketing organisations was why agricultural production in Ireland had remained static up to recent years; we couldn't sell it when we had it—we were without it when there was a market. Whereas, all our competitors realised the need for marketing organisations we were still waiting.

"We don't want doles and featherbeds," said Mr. Bruton, "what we do want is to be let get on with the job of earning foreign currency for the country and to be given a fair share of the proceeds. Reviewing the situation last year, he pointed out that agriculture had earned £124m. in foreign currency at a cost of £16m. in imports. On the other hand, industry last year had earned £77 million (of which one third was largely of agricultural origin) at a cost of £195 million in imports. This revealed that agriculture had shown a net profit of £107 million and industry a net loss of £118 million. But how the picture was reversed when it came to incomes. Here agriculture averaged £460 per annum while industry averaged £782 per annum. The Taoiseach and the Minister were no fools. They had both seen the injustice and had publicly promised to put it right. "But," said Mr. Bruton, "they cannot do it without our support." There are so many powerful pressure groups claiming more and more of what is going, that should we remain idle, we will get less each year instead of restoring our proper rights.

ment of Agriculture and the Irish Flour Millers' Association. In our view they are still unsatisfactory and will leave too much windfall profit to the buyers of unmillable wheat. "We regard it as an abuse of the Grain Storage Laws Act that those who were given facilities under the Act should now be allowed to exploit growers who do not have a similar opportunity.

"If the position is that the millers will refuse to provide a market for unmillable wheat if they are not allowed to profit handsomely, then the sooner the wheat marketing provisions of the Survey Team Report on the Flour Milling Industry are put into effect the better. As the time of writing the Department's views were still being awaited.

PROPOSED ANGLO-IRISH FREE TRADE AGREEMENT DISCUSSED

The Proposed Anglo-Irish Trade Agreement was one of the major items discussed at the five-hour meeting of the N.F.A./U.F.U. Consultative Committee which was held in N.F.A. House, Dublin, this week.

Members of the Committee, which, under the Chairmanship of Mr. Rickard Deasy, President of N.F.A., exchanged views on many agricultural aspects of the proposed plan to set up a free trade area. Neither Government has yet made known even an outline of the provisions which it could wish to write into the plan; accordingly, much of the discussion was based on conjecture. It was generally recognised that, whereas the British Government might take the view that the balance of advantage lay in obtaining concessions in the field of industrial trade, the Government of the Republic would probably be seeking special concessions in the agricultural sector, and these assumptions coloured the attitudes of the respective sides in the discussion. Various hypotheses were considered, and there was general agreement that the interests of farmers on both sides of the border were not identical. It was agreed that the organisations would maintain liaison on this subject.

Developments in EFTA and EEC were also discussed in the context of the agenda for the forthcoming meeting of the European Committee of I.F.A.P. Beef and store cattle supplies and the marketing of fatstock were reviewed, with particular reference to Warble Fly Eradication. Views were exchanged on the future evolution of meat marketing.

The marketing of horticultural produce was also discussed. The U.K. Government's White Paper on the Development of Agriculture and the Republic's

MAHER MEMORIAL FARM PRIZE SCHEME 1966 Would you like to WIN A TRIP ABROAD? If you are a milk supplier or farmer in the Dungarvan Creamery area, you are eligible to enter for the above Competition. THE WINNER IN EACH SECTION OF THE COMPETITION WILL BE AWARDED A TRIP ABROAD. For Entry Forms and further particulars please contact any of the following: YOUR LOCAL BRANCH CREAMERY MANAGER; YOUR AGRICULTURAL INSTRUCTOR; Mr. P. CONROY, C.A.O., The Courthouse, Dungarvan; Mr. J. CURRAN, Agr. Advisor, Waterford Co-operative Society Limited, Dungarvan.

In his letter of resignation, Mr. Ryan thanked all the Committee members for their cooperation during his stay in the county. He also thanked his colleagues and staff, and especially the C.A.O., Mr. P. Conroy, whose advice he found inspiring and beneficial. Mr. John Fahey, T.D. (Chairman) said they were sorry to be losing Mr. Ryan, and whilst regretting his departure, wished him every success in his new post. Mr. C. Curran said that Mr. Ryan worked in his area and the farmers would be very sorry to see him go. He worked late and early and he would be a great loss to the farming community of west Waterford. Other members present also extended best wishes to Mr. Ryan. The Acting C.A.O. said they were very sorry to be losing Mr. Ryan and on behalf of his colleagues and his own behalf he wished to extend every good wish to Mr. Ryan. Mr. W. Foran said this proved beyond doubt that they had more than their temporary instructors leaving. Mr. Ryan was a permanent instructor. Mr. K. O'Ryan said they were given to believe at previous meetings that only their temporary instructors were leaving to seek better conditions elsewhere. This proved otherwise however, he added.

MAHER MEMORIAL FARM PRIZE SCHEME.—The Maher Memorial Prize Scheme was initiated about three years ago to perpetuate the memory of the late Mr. E. Maher, Manager and Secretary of the Dungarvan Co-Op. Creamery Ltd. Each year any farmer in the Dungarvan Creamery area is entitled to participate in the competition, which is divided into three sections according to farm size. One prize is awarded to the winner of each section. Marks are awarded for different aspects of farm management and appearance of yards, buildings, etc. Total possible marks amount to 1,000 and each winner will carry a penalty of 150 marks to successful competitors. The winners of the 1965 competition were: (1) Mr. THOMAS WALL, Colligan; (2) Mr. LIAM CHRISTOPHER, Ballylemon; (3) Mr. D. TWOMEY, Clonkerdon House, Canagh. Each received a free air passage to London for the Royal Dairy Show to be held at Olympia from October 26th to 29th, 1965. The prizes were presented by Mr. A. V. Sincere sympathy is extended to the sisters and other relatives of the late Mr. Jack Walsh, Tinelira, Ballinacully, whose death took place recently, at St. Joseph's Hospital, Dungarvan. R.I.P.

**FILM SHOW**

A very interesting and revealing film show was given by the Missionary Sisters of St. Columban, at the Parochial Hall, Touraneena, on Thursday night of last week. The films, which were in technicolor, gave an insight into the great missionary work of the Order,

showing the many convents and hospitals established by the sisters, the care and education of the children, the nursing of the sick and the hardships endured in their sacred calling to bring relief and comfort to suffering humanity in the far-flung fields of their great spiritual empire.

**GOOD NEWS FOR NIRE VALLEY**

The Waterford Health Authority have decided to build a new dispensary in the Nire Valley. It was also proposed at the meeting to appoint a special health nurse for the Ballynacabry, Kilsheelan and Clonmel districts.

**ROSARY TIME IN IRELAND**  
Tis Rosary time in Ireland, And looking across the years, A picture unfolds before me, That's dimmed with the mist of tears.

For sure it lacks gorgeous setting, No wealth of colour it boasts, But Rosary time in Ireland, Is envied by Angel hosts.

Ah! never was rank or station, Or fame of glorious deeds, As dear as the scene in Ireland, When mother took down her beads.

And readily would I barter, The trophies the years have won, To kneel by the hallowed fire-side, When the day's rough task was done.

I care not for stately temples, Or the glamour of service grand, I'd rather one prayer in Ireland, For isn't it God's own land?

The smell of the turf for incense, And love for the sacred light, Ah! Rosary time in Ireland, My heart is with you to-night.

**LATE MAURICE AHEARNE**

Knockaun, Cappagh and Cork  
A great gloom was cast over the Brickey and Dungarvan areas at the announcement of the death of Maurice Ahearne, late of Knockaun, Cappagh, which occurred at the Hospital for the Industrious Blind Cork on Wednesday night, October 13th. He had been in hospital for many years as a result of a quarry blast accident, way back in the early twenties, from which he lost his sight. Prior to this he had fought in the struggle for Irish Freedom and he always kept in touch with his comrades in arms. He was a most popular personality and was the possessor of many outstanding qualities.

His remains were removed on Thursday evening to Ballinacully Church, followed by a cortege of great proportions, and were blessed and received by Rev. M. Carey, C.C. His coffin was draped with the tricolour. Requiem Mass was offered on Friday for the intentions of his soul and the interment took place later in the adjoining family plot. Another very large concourse were present. Rev. M. Carey, C.C., assisted by Very Rev. D. Quinlan, P.P., imparted the final absolution at the graveside.

Very many Mass cards were received by his relatives. The chief mourners were: Comdt. Jack Ahearne, Dublin, Patrick Ahearne, do, Maurice Ahearne, Loughrea, Francis Ahearne, Knockaun (nephews); Miss Phyllis Ahearne, Bermuda, Miss Teresa Ahearne, U.S.A. (nieces).

Deep regret was occasioned in town on Saturday last, on the announcement of the death of Mrs. Noreen Hennessy, which took place suddenly at her residence "Dun Angus," Strand Street, Youghal. Formerly of Ballingearry, the deceased was wife of Mr. Michael J. Hennessy, the District Court Clerk. **YOUGHAL MAN'S TRAGIC DEATH IN LONDON**  
During the week, Mr. and Mrs. John Stack of Friar Street, Youghal, received news that their 26 year old son had lost his life in London, as the result of an accident. The first son, Donal, was killed in August 1964, in an accident at Toronto, Canada. The remains of Mr. Sean Stack are being

brought home to Youghal for burial. To his parents, six sisters and three brothers, deepest sympathy is extended on this tragic happening.

**LATE MR. M. HUNT**

The funeral cortege of the late Mr. Moseie Hunt, Rhin Crew, Youghal, which was both large and representative, took place to North Abbey Cemetery. His death had occurred at Youghal Cottage Hospital shortly after being admitted there. The body had lain overnight at Glendine Church, where Requiem Masses were celebrated for the repose of his soul by Very Rev. Fr. Power, P.P., Knockanore, and Rev. D. Gould C.C., Mallow (cousin of deceased).

The deceased was a member of a well known and respected farming family and was brother of Rev. Michael Hunt, Los Angeles and of Sister M. Carmel, Waterford. He is survived by his wife and three young children, to whom deepest sympathy is extended.

The chief mourners were: Mrs. E. Hunt (widow); Michael and Anthony (sons); Noreen (daughter); Rev. M. Hunt, and William Hunt (brothers); Rev. Sr. M. Carmel, Convent of Mercy, Waterford; Mrs. E. **YOUGHAL'S HOUSING PROGRESS**

At present Youghal U.D.C. are engaged in the erection of 45 houses at the Old Town Walls and in addition a further scheme of ten houses are to be built at Tallow Street at the north end of the town. Private persons are also contributing to the house needs and in the past year twelve high class bungalows have been erected.

Still, Youghal requires more and more houses to cope with the present demands for accommodation. This demand is due to the town's industrial progress. Local factories are obliged to send special buses as far as 14 miles from Youghal to collect workers. The local factories have already provided many houses for their key workers.

The shopping week proper will be from 3rd to 11th December, and will be followed by a week of social entertainments and functions, the idea being to attract the greatest possible number of visitors to the town for the period up to and including Christmas Week.

**SPECIAL LIGHTING EFFECTS**

are also being arranged and there will be a prize for the best scheme of lighting and decoration of a business premises. **G.A.A.**

Affane advanced to the divisional junior hurling final by beating Tallow in the semi-final at the Castle Farm grounds on Sunday. Affane just about deserved their 2-12 to 3-7 victory, but gave their supporters many anxious moments in the process. The manner in which they allowed control of the game to slip from their hands periodically throughout the hour could have had them in trouble against stiffer opposition. They own much to the constructive and thoughtful work of Maurice O'Connor in the forward line and the whole-hearted all-out displays of Sean Buckley, Denny Coughlan, Paddy McGrath.

**TALLOW NEVER HIT THEIR BEAT**

and their attack laboured throughout the hour. Their Philly Cox moved up to the centre back in the closing stages. Others to do well for them were Ned Power in goal, Liam Henley until his enforced "retirement" and John O'Gorman.

**CLASHMORE DISAPPOINT**  
 The Clashmore football team gave a disappointing display in the intermediate divisional final on Sunday last. It is generally agreed by football experts that they would have done much better had they adopted a more positive and less unorthodox approach to the game. Against extremely fit and well opponents they adopted spoiling tactics instead of open football and this proved disastrous.

**LATE MR. MCE HUNT**  
 The unexpected death of Mr. Maurice Hunt, Ringcrew, occasioned deep regret in this area, where he was well known and very popular. His sister, Mrs. E. Hynes, resides at Tinnock, Clashmore. We join in extending sincere sympathy to his bereaved wife, little children, brothers and sisters.

**SYMPATHY**  
 At a specially convened meeting, Clashmore G.A.A. Club extended sympathy to the family and relatives of the late Mr. Hunt, who was a former playing member of the club.

**HOUSING IN CLASHMORE**  
 Several families in the Clashmore area are in urgent need of houses and concern has been expressed at the delay in commencing the proposed local housing scheme. Local members of the County Council have been asked to take steps to expedite commencement of the work and it is hoped that work will begin without any avoidable delay.

**NEW SCHOOLS**  
 Work on the erection of the new schools at Clashmore (3 rooms) and Ballycurrane (one room) is proceeding satisfactorily. Both schools are of modern design. A new school was completed at Piltown two years ago.

**ROADS**  
 The County Engineer has addressed the following letter to Mr. C. Curran, M.C.C.:—"I refer to your list of roads for 5-year Plan, which you handed me on 27th September. The position is as follows:—

The following roads have been included for rolling and sealing: Kilmeevy road, Piltown P.O. to Upper Piltown; Shanacoolie via Hynes' House; Coolbagh Road; Knockatoor Woodhouse; Tinnescart road; Ballyheeny bridge to Knockbrack; Ballylemon via Lynch's and Power's; Knocknagloogh road; Mountstuart road; Ballycurrane road; Ballingown road; Summerhill road; Goulane, Glendine. I am sure you will agree that above is a satisfactory state of affairs."

A list of roads submitted by Mr. W. Dower, M.C.C., which list includes most of above, has also been accepted.

**ARDMORE**  
 The future of Ardmore as a tourist centre is a bright one indeed and this year the picturesque seaside resort had a record number of visitors, many of whom came from across channel. It has no less than 3 caravan sites and these were fully occupied throughout the season.

**GOOD FOOTBALLERS**  
 The Waterford team which defeated Carlow in the N.F.L. on Sunday last included three local players: M. Tobin (Aglishe Geraldines), and E. Mooney and J. Rooney (Ardmore St. Declan's). All played very well and contributed in no small part to the home team's win.

**KILMAC' NOTES**

**Macra na Feirme.**—A television set has been provided by the Dept. of Agriculture for Stradbally/Ballylaneen branch of Macra na Feirme. **Winner.**—Mr. David O'Brien, Kilmovee, was among the winners of a door prize at the card game held at the Mooncoin Parish Hall, on a recent date.

**Another Winner.** Ann Power, daughter of Mr. and Mrs. John Power, Coolubrid, collected her thirteenth prize. Ann won her prize for painting. Aged 9 years, she is a pupil of Kilmacthomas Convent N.S.

**Nuptials.**—The Parish Church Ardagh, Ballina, Co. Mayo, was the scene of a very pretty wedding, when Garda Thomas Flynn, second son of Mr. and Mrs. Geoffrey Flynn, St. Anne's Tce., Kilmacthomas, and Miss Eileen Munnely, first daughter of Mr. and Mrs. M. Munnely, Clonkee, Ballina, Co. Mayo, were joined in wedlock.

The ceremony, with Nuptial Mass and Papal Blessing, was performed by Very Rev. Fr. McLoughlin, P.P., Ardagh. The bride, who was given away by her father, wore a full-length gown of white brocade, with shoulder-length veil, held in place by a tiara and carried a bouquet of red carnations and maiden-hair fern. The Misses Maisie and Rosaleen Munnely (sisters of the bride) acted as bridesmaids and were attired in dresses of pale blue satin, with head-dress to tone, and carried bouquets of white carnations and maiden-hair fern.

The best man was Mr. Patrick Flynn, brother of the groom. A reception was held at the Marine Hotel, Enniscrone, Co. Sligo. The honeymoon was spent on a tour of Ireland. Garda and Mrs. Flynn will reside in New Ross, Co. Wexford.

**Bon Voyage.**—We wish bon voyage to Miss Georgina Dobbs Briskey, Leamyribon, who is off to far away Israel.

**Wedding.**—A former hair stylist at "Lous" Main St., Miss Joan Griffin, has the congratulations of her many friends on her marriage to Mr. Thomas Gallagher, Waterford.

The Annual General Meeting of St. Anne's Guild, Muintir na Tire, was held in Bonmahon, on Friday night. There was a well and contributed in no small part to the home team's win.

Keane presided, Dan Gallagher, Portlaoise was the guest speaker. Fr. O'Farrell, P.P., and Fr. Fitzgerald, Portlaoise, also addressed the meeting.

The following officers were elected for the coming year: President, Brig. R. Atkins; Vice-Presidents, Fr. O'Farrell, P.P., and Dr. Clarke; Chairman, John Keane, Fahsfealagh; Vice-Chairman, Dick Fleming; Treasurer, Sean Keating; Secretary, Mrs. O'Donnell.

In his address, Dan Gallagher congratulated the guild on the success of their many activities during the past year. He urged the members to have closer cooperation with all other associations in the parish. Muintir, he said, has a very important part to play in the Ireland of today, when patriotism means not dying, but living for our country.

Prizes were presented to the lucky winners in the Garden Competition. The Chairman then presented a Record Gift Token, valued £3.0.0, to Michael Power, Ballingarry, Kill, who has been one of the Guild's most loyal supporters since its formation.

Teas were served by the ladies committee and this was followed by a social which was thoroughly enjoyed by all present.

**Civil Defence.**—A First Aid Class, as part of the county's Civil Defence Effort, got off to a great start last Thursday night, when upwards of 26 men and women from the surrounding locality were enrolled. The class, which is supplementary to a Civil Defence Warden training in Kill, is under the direction of popular Medical Officer, Dr. J. P. Twomey, assisted by Mr. P. W. Godfrey, Civil Defence and Order of Malta Instructor.

The responses to such an extent that the training centre selected as a training centre had to be abandoned and the more spacious hall of the more assembly in future. Very Rev. Fr. O'Farrell, P.P., with whose enthusiastic support and encouragement the class has been started, was in attendance for its first meeting. Also present was Mr. T. O'Donoghue, B.E., County Civil Defence Officer.

The venture appears to have all the elements of success. It offers scope for community effort of a patriotic kind. Any healthy pursuit which can sustain the interest of such a gathering over a period, brings its own reward in the creation of a healthy and friendly spirit to the enjoyment of all.

The store of technical knowledge offered also is of a very valuable kind. The lucky holder of such knowledge is well equipped to deal with the many cases of human suffering or injury, which arise from time to time in the home, on the highway or at the seaside, which is a very practical form of Christian Charity—Gach Beannacht are an Obair.

**Asked Why C.A.O. was Absent**  
 Before the commencement of last Friday's meeting of County Waterford Committee of Agriculture, Mr. Kieran O'Ryan asked why the C.A.O. was absent.

Mr. J. Fahey (Chairman) said Mr. Conroy was unavoidably absent.

Mr. O'Ryan said he considered this a very important meeting and it should be adjourned until the C.A.O. could be present. They adjourned other meetings, he said, because certain members had to go to Waterford to visit a Minister.

The Chairman said Mr. Conroy was unavoidably absent, but they would go ahead with the meeting.

The discussion ended.

# Waterford Face All-Ireland Champions

JIMMY DOYLE... Tipp's ace marksman.

TOM CHEASTY... now at right half-forward.

## Tipp. Strongly Fancied at Dungarvan

**T**ROPHY-LADEN Tipperary, All-Ireland of hurling titles, and it is indeed a mighty National League and Oireachtas incentive for the Deise men to be the first champions, will prove a tremendous attraction when they face Waterford in their first game of the current National League at Dungarvan on Sunday next. Tipp. could hardly be coming at a better time, having just completed the grand slam

ship game against Mount Sion. Martin O'Gorman's retention at full-forward was expected, but I must admit I am in no way enamoured by the choice of wingmen John O'Brien and Mick Murphy. O'Brien seems more suited in the open spaces, whilst Murphy's recall is hardly made with an eye to the future.

Knowing the strength and quality of the material at the disposal of Premier County mentors just now, one can draw conclusions that whatever fifteen they field will be formidable.

So the vote must go to these all-conquering champions. Waterford hurling badly needs a shot in the arm and victory over Tipp. would surely do that. It is a glorious opportunity of crashing back into the hurling forefront and these hurlers are certain to have the backing of a huge following. But whilst believing that they will push Tipp. hard for victory, this is one occasion when I cannot see them succeeding where all others at home have failed.

Waterford—N. Power; T. Cunningham, A. Flynn, S. Walsh, J. Byrne, J. Condon, O. Wilkinson; P. McGovern, T. Hearne; T. Cheasty, L. Guinan; F. Whelan; J. O'Brien, M. O'Gorman; M. O'Connell, M. O'Connell, M. O'Connell. Subs.—T. Walsh (Mt. Sion), J. Irish; P. Enright (Abbey-side); W. Walsh (De La Salle); J. O'Donnell (Ballyduff-Port-law).

P.S.—As we go to Press the Tipperary team has been announced, and what a powerful one it is. In fact, 14 of the men that played in the All-Ireland and Oireachtas finals have been chosen in the very same positions, the odd man out being Toomevara's Tom Ryan, who replaces the injured Mick Burns.

Nor is Ryan a newcomer to the side. A brilliant former minor, he was the man who was mainly responsible for Tipperary's victory in the first leg of the league final against New York. He is now battling for permanency on the team, so we

### GAELIC JOTTINGS

#### BALLINAMEELA FOOTBALLERS ADVANCE

Ballinameela advanced to the semi-final of the Western junior football championship at Cappoquin on Sunday last when scoring a 2-3 to 1-1 victory over Tourin. It was generally speaking a disappointing hour's football but on the hour Ballinameela fully deserved their victory.

The winners laid their victory foundations in the opening half when they built up a winning lead of 2-1 without a solitary reply. Michael Kelleher gave them the lead with an early point and then Mick Cashman put them on the road to victory with a goal.

Continuing to dominate, Ballinameela came near to adding to their tally and indeed their second goal, scored by Michael Kelleher, could be termed an inevitable score.

But what a transformation that second half brought about. This time it was Tourin who took control, and their side, now reshuffled all over the place attacked incessantly. But somehow the scores would not come against a Ballinameela defence in which Pakie McCarthy, Jim Power and William O'Keefe starred. Many good chances were squandered and it was not until 12 minutes from time that Ollie Wilkinson had their first score, a long range point. And when the same player flighted a 30-yard drive to the net shortly afterwards Tourin hopes of snatching a belated victory rose.

Then it was however, that the winner raised the siege. They hit back with a pointed free by Kelleher and the same player finally clinched victory with another minor from play two minutes before the end.

As already stated, McCarthy, Power and Keefe starred in the winners defence but a great deal of credit for victory must go to midfielders Tom Browne and Jim Maher. They held sway all through the first half and gave invaluable assistance to their defence when hard pressed after the change of ends.

Once again Michael Kelleher was their top scorer in attack and he got best assistance from Tommy Reynolds, Lancers and Mick Cashman.

Tourin never got going in the first half and when they eventually took control, forward failings cost them many scores. To their credit they never gave up trying but even they themselves will concede that Ballinameela were a better all round balanced side.

They were well served by Ollie Wilkinson, Tom Lancers, Bobbie Bealey and Jimmy Gorman who had excellent games while others to try had were Tommy Healey, Tom Sullivan and Wally Dooney.

#### AFFANE FOR WESTERN FINAL

There was a titanic struggle for supremacy when Affane and Tallow met in the semi-final of the Western junior football championship at the Castle Farm Grounds Lismore on Sunday last.

In the end Affane won by two points on a scoreline of 2-12 to 3-7, but this was surely a game in which two fine sides did not deserve to suffer defeat.

Yes, this was a semi-final that redounded to the credit of both victors and vanquished. It was nip and tuck all the way, and the standard of hurling was admirably high.

Affane however just about deserved their hard won victory. They were a better balanced side and wisely their forwards shot for points at every opportunity, rather than make the error made by Lismore in the previous round in trying for goals off so accomplished a netminder as Ned Power. But if Affane are worthy in the Western final they are not likely to forget the stern opposition provided by the Tallow men.

Just how seriously they approached this game can be

seen by the fact that they brought centre-back Philly Cox home from England specially for the occasion. But if Philly made some fine clearances, he was sorely troubled by Affane's Bob Troy who had a great game.

All in all a superb hour's hurling entertainment. All credit to Affane for qualifying for the Western final and congratulations to Tallow also on a heroic bid for victory.

#### THE GUNNERS FOR SENIOR FINAL

The county senior hurling final will not after all be played in Dungarvan. Ballygunner put paid to that hope on Sunday last at Tramore when they defeated Erin's Own by 3-12 to 3-9 in the semi-final. The Gunners will now meet the holders, Mount Sion in the final at Tramore on Sunday week.

For Erin's Own this was a real hurling catastrophe. They dominated right through the first half and so dominant were they in fact that their 12-point lead in no way flattered them.

But what a transformed team the Gunners were in an exciting second half. Inspired by Tommy Hearne, who by his display has played himself back onto the county team, the youthful Gunners took over in all sectors and were worthy winners at the end. Over all however, it was a disappointing game in which the standard of hurling never reached any great heights.

#### WATERFORD CO-OP. FACE INTER-FIRM CHAMPIONS

On Saturday last I journeyed to Cashel where the draws for the Munster Inter-firms hurling championship were made in the Castle Hotel. This year's championship has attracted a record number of 15 teams, included amongst them being Waterford Co-Op. Society who will be participating for the first time.

The Creamery delegates at the meeting were Jack Donoghue and John Dwyer whilst Billy Kiely and Mark Cummins were also present.

By a unanimous decision it was decided to form groups with the competition being run on the league system, with semi-finals and a final. There are four teams in the Waterford group, namely, the Creamery, Waterford Glass, Irish Tanners, Portlaw, and Iron Founders Ltd.

The Creamery for their first game drew last year's champions, Waterford Glass, and this game will be played in Dungarvan on November 6th. Waterford Glass can field a very strong team boosted by several top class hurlers and the Creamery certainly face a mammoth task in their opening game in the competition.

Watch this column for further news of this very important competition.

#### OLD PARISH FANCIED

As a curtain raiser to next Sunday's Waterford-Tipp. National hurling league game at Dungarvan, Old Parish and Shamrocks meet in the Western junior football championship quarter final.

Last year Old Parish fared excellently, reaching the Western final, and now they are hoping to go one better this year.

They should be greatly strengthened on Sunday by the return of Pat French and they should prove too strong for a Shamrocks team that has been none too impressive to date.

#### ARDMORE SWAMP GERALDINES

By virtue of their resounding 4-7 to 0-1 win over Geraldines at Dungarvan on Sunday last, Ardmore qualified to meet Kilrossanty in the semi-final of the Western junior football championship.

This was as one-sided a game as the final scoreline suggests and Ardmore were not even extended in running up their big winning tally.

Already Waterford have dropped two points in this league, losing most unimpressively to Kilkenny at Nowlan Park. With all the 'big guns' in the one section a further loss of points would be fatal to the County's league hopes, so a win over the All-Ireland champions is imperative if they are to retain any hope at all of figuring in the closing stages of the competition.

It is of course a tall order to say the least, and that considering that they will have the advantage of a home venue. For in truth to tell there has been a considerable draining of confidence following their league defeat by Kilkenny and it would be a major though very welcome, surprise to Waterford followers, should they bring about the defeat of the triple champions.

The Waterford team was selected on Monday night last, and not surprisingly the selectors made numerous changes following the Kilkenny defeat. Power and Grimes are continued absentees, though as yet they have not indicated

NED POWER... playing well in goal.

Power continues as first choice net-minder with the accomplished trio of Tom Cunningham, Austin Flynn and Sonny Walsh fronting him.

Following his failure to re-

veal true form at either mid-field or in attack against Kilkenny, the return of Jimmy Byrne to the half-back line was expected. Joe Condon is playing great hurling at centre back and it is to be hoped that he will have recovered from the knock received in last Sunday's club game against Ballygunner. Ollie Wilkinson continues at left half, having accomplished enough on his last outing to merit retention.

But once again midfield has been given a complete overhaul. This time Peter McGovern is taken from the half-line of attack to operate there as partner to the recalled Tommy Hearne. But should Tipp's Mick Roche and Theo English be on duty then nothing other than superlative displays from this pair can hope to gain equality in this sector.

The attack too has been a source of justifiable worry, and the problems here are in no way eased by the absence of John Kiwan who will be engaged in a football championship tie with his club. Frankie Walsh, still hampered by an eye injury, is another absentee.

The big surprise in this sector is, of course the placing of Larry Guinan at centre forward. A move no doubt that has been helped by the mastery Tony Wall has generally held over Tom Cheasty. The latter now moves to the right of the line, with newcomer Frankie Whelan getting his big chance on Guinan's left. Whelan, a brother of Jackie, was one of the successes of this year's Inter-

JOE CONDON... the pillar of the half-back line.

mediate side and he earns selection now on the strength of a top class display with his club in their recent champion-

# Footballers Score Impressive Victory

WATERFORD ..... 2-10; CARLOW ..... 2-7

**W**ATERFORD made a glorious start to the 1965/66 National Football League campaign at Dungarvan on Sunday last, when before a fair-sized attendance and in conditions highly conducive to good football, they shocked fancied Carlow by a three-point margin. Not for a long time has there been as entertaining a game in this code at the Old Boro venue, as Waterford once again scaled the heights when much less was generally expected from them.

This may have been an unexpected win, but it was truly a meritorious one. Waterford played some fine football over the hour; built up an early substantial lead but were brought back to equilibrium in the closing stages as the Carlow men were seen at their very best. But then came the acid test and in the final ten minutes the Deise men took the initiative in unflinching manner to fire over the three points that gave them such a deserved victory.

Carlow, on Sunday, proved quite a useful fifteen, and for a period of the second half played superbly intelligent football. But that in itself underlines the impressiveness of Waterford's display, which

will undoubtedly have done invaluable good for the game in the county.

Both sides showed last minute changes from the original line outs, the Waterford absentees being goalkeeper Sean Ormond and towering midfielder Martin Kennedy. John Colbert took Ormond's place between the posts whilst an outfield reshuffle saw Monty Guiry brought from the "40" to midfield as partner to Tom Flynn and substitute Tommy Joe Harty took over from Guiry up front.

Waterford started this game in brilliant fashion, displaying football ability that was a rarity with Deise men. They had the visitors reeling before

their well-planned onslaughts and early points were followed by goals by Tommy Kirwan and Tom Walsh. That gave them an eight point lead and one could be forgiven for thinking in terms of a complete Carlow rout.

But such was far from being the case. The Leinster men slowly but gradually came more into the game and their forwards combined in expert fashion to pick off the points. Six times in all they raised white flags without a Waterford reply, and the game was well and truly in the melting pot at the interval when Waterford led narrowly by 2-2 to 0-6.

For twenty minutes of the second half Carlow continued to hold a slight but definite edge. Their forwards however, found few loopholes in a cast iron defence for a time and Waterford continued to remain in front. Then came goals from Brendan Hayden and the former Stradbally player, Pat King, and as the sides entered the closing ten minutes they were locked in scoring deadlock. But then when needed most Waterford produced their greatest effort of the hour. They again assumed control and justice was done when they notched three points without a reply for a thoroughly deserved and impressive vic-

tory. Inconsistency has long been the keynote of Waterford football sides, and we can only await in hope their next outings in this league campaign. But certainly Sunday last was a great day for Waterford football and if their display of Sunday last can be repeated or even improved upon then they could have quite a say in the destination of group honours. But as already stated one never knows where Waterford footballers are concerned.

Substitute goalkeeper John Colbert justified his last minute selection whilst the defence did exceptionally well against forwards who combined splendidly.

However well though all six played, this game in the main belonged to centre-back Wally Connors. I have long advocated the talents of the John Mitchells man, and on Sunday against worthwhile opposition he proved himself capable of standing upside with the best in any company. On his left, Noel Walsh was another to sparkle brightly and this pair took the major honours in a good defence.

Kennedy's absence was a blow to midfield, for well though Monty Guiry played as partner to Tom Flynn, the Kill man's inspiring leadership was sorely missing in attack. Flynn

was another to leave a sizeable impact, fielding brilliantly, whilst his pointed free from sixty yards was good.

The attack, confronted as it was by a solid defence, fared excellently. Tommy Kirwan and Tom Walsh picked off vital scores whilst Willie Connolly who completed the full line was a revelation.

The half-line was not quite so successful, however. Jim Rooney had a good hour, but neither Tommy Joe Harty nor John Martin were at their best and were replaced during the hour.

Scorers for Waterford were Tommy Kirwan and Tom Walsh (1-1) each; Jim Rooney and Willie Connolly (0-3) each; Tom Flynn (0-2). Carlow replied per Brendan Hayden (1-4), Pat King (1-1), Jim Doyle and Tom Kehoe (0-1) each.

Waterford—J. Colbert; T. Walsh, E. Mooney, M. Tobin; G. Mooney, W. Connors, N. Walsh; T. Flynn, M. Guiry; J. Martin, T. J. Harty, J. Rooney; W. Connolly, T. Walsh; T. Kirwan. Subs.—T. Riordan for Martin; M. Connolly for Harty; Carlow—J. Nolan; S. Treacy; S. Nolan, P. Dalton, P. Roberts; T. Boland, P. Brennan; P. King, E. Kelly; T. Murphy, S. King, J. Doyle; B. Hennessy, B. Hayden, T. Kehoe. Referee—Seamus Garvey (Kerry).

JIMMY BYRNE... back in defence.

their intentions of calling it a day from inter-county fare. Now Mick Flannelly has fallen out of favour and generally speaking the selected side is an experimental one.

Tipp., on the other hand, though warm favourites, have their troubles on Sunday. In fact their mentors did not meet until Wednesday night to try and pick a team and it now seems likely that they will be without several of the stars that have brought them high honours in the last two years. Mick Burns, nursing a fractured arm, is a definite absentee, whilst local championship games may also claim the services of others.

All this, however, may appear worse than it actually is. For it is now common knowledge that Tipp's reserve material is more than adequate and should there be many defections, men like Babs Keating, Tom Ryan, John Dillon and Noel Gorman will prove themselves capable understudies.

TOMMY HEARNE... recalled to mid-field.

Thus, even though the champions may be below full strength, they will be taking no chances on Sunday. A defeat here would be no help to their hopes of league retention and one can hardly see them being beaten.

#### UNALTERED

The Waterford team—such are the changes, merits closer scrutiny, and the only sectors to remain unaltered from the team that failed to Kilkenny are the goalkeeping and full-back lines. Quite rightly Ned
