At the meeting of the Labour Party, held on Saturday night the selection of candidates for the local elections next year was deferred until further aspects of the matter be examined. The members decided to give their utmost support to the 1916 Commemoration Committee.

It is our sad duty to record the death of Mr. William Whyte, Tinniscart, Aglish, which took place on Saturday last, 11th December.

The deceased was a most unassuming man, quiet and kind, who earned the respect of all sections of the community. A most diligent and conscientious worker, he was a valued and respected County Council worker for a long number of years, and earned the esteem of all who made his acquaintance.

His remains were removed to Clashmore Parish Church, on Sunday, 12th inst., and were blessed and received by Rev. E. Tobin, C.C. Requiem Masses were offered on Monday morning, after which the interment took place in the adjoining cemetery. Rev. Fr. Tobin, C.C. also officiated at the graveside.

The chief mourners, to whom deepest sympathy is extended, were: Mrs. Nell Whyte, Tinniscart (wife); Mrs. Margaret Foley, England (daughter); Margaret O'Shea and Miss Nora Whelan (retired S.R.N.), Carrigeen, Cappoquin (sisters-in-law); William Whelan, Carrigeen (brother-in-law); nephews and nieces.

THANKS !

On behalf of our Augustinian Missionaries in Africa I wish to thank you for all your co-operation in our recent Sale of Work in aid of the Missions. Our sincere thanks are due to the men who built the stalls, to the people who stocked them and looked after them during the Sale and especially to you, the general public, who by your traditional generosity helped to make the Sale a success.

I appreciate the fact that everyone made an extra effort this year and it is due purely to this extra effort that this year's Sale of Work has been the most successful to date. As a token of our gratitude the 11.30 Mass on Sunday next will be offered for the intentions of all those who helped us in any way. May God reward you for your generosity and Sacrifices.

18th December, 1965.

It is with feelings of deep regret that we record the death of Mrs. Mary Ann O'Donnell, Ring, which occurred at the residence of her daughter Mrs. Maggie Curran, Garranurton, Kilrossanty, on Sunday last, 12th December.

A native of Lismore, the deceased had lived all her married life in Ring, where she was deservedly held in the highest esteem by all. A member of the farming community, she was a most unassuming lady. Quiet, kind and above all understanding, she proved herself a most devoted wife and a kind and loving mother. And though her death came when at an advanced age, she will be greatly missed by her legion of friends.

Her remains were removed from Garranurton to Ring Parish Church, on Monday evening, followed by a large and representative cortege. Requiem Office and High Mass was celebrated on Tuesday morning and the burial took place afterwards in the adjoining cemetery.

Deepest sympathy is extended to her sons, daughters, sisters and other relatives.

The chief mourners were: Jack, Andy and Willie O'Donnell (sons); Mrs. Maggie Curran, Garranurton, Mrs. Kay Dunford, Abbeyside and Miss Mai O'Donnell, Ring (daughters); Mrs. Bridget Ormonde, Dungarvan, Mrs. Kit Kavanagh, Abbeyside and Mrs. Hanfah Drohan, Lismore (sisters); Mr. Willie Curran, Mr. Patrick Dunford (sons-in-law); Mrs. Jack O'Donnell, Ring; Mrs. Mary O'Donnell, Dungarvan, Mrs. Peggy O'Donnell, Ballydwan (daughters-in-law); Mr. Matt Kavanagh, Abbeyside (brother-in-law); nephews and nieces.

FERRY BELL FOR MISSIONS
At the request of the local Branch of the Legion of Mary, the Urban Council decided to give the bell, now not in use at the Ferry House, to the missions. This bell has been in use to announce the departure of the former ferry boats from the ferry slip to Monastrea. This service is not operating now due to the burden it placed on the local ratepayers.

LATE MRS. MARY MULCAHY

Congress Villas, Dungarvan

The unexpected death of Mrs. Mary Mulcahy, took place at her residence on Sunday night, 12th December, after a rather short, but protracted illness. The deceased was wife of Declan Mulcahy and mother of Very Rev. John Mulcahy, P.P., St. John's Church, Marquis, Saskatchewan, Canada. She was a general favourite in the town and made many life-long friends. She was always ready to help those requiring her assistance, and her passing will be regretted locally. Our deepest condolences are extended to her husband and family, at the passing of a kind and gentle wife and a loving mother.

Her remains were removed on Monday to St. Mary's Parish Church, followed by a cortege of very great dimensions, and were blessed and received by Rev. J. Murphy, C.C. Requiem Mass was celebrated on Tuesday morning for the repose of her gentle soul and the interment took place in the adjoining cemetery. Another large concourse were present, despite the very inclement weather. Rev. J. Murphy, C.C., officiated at the graveside and recited the prayers of requiem.

The chief mourners were: Declan Mulcahy (husband); Very Rev. John Mulcahy, P.P., St. John's Church, Marquis, Saskatchewan, Canada, Thomas Mulcahy, Conn., U.S.A., James Mulcahy, Cathal Brugha Pl., Dungarvan (sons); Mrs. Nan N'avin, Abbotside (daughter); Mr. and Mrs. Declan Mulcahy (grandson and family); John Joe Mulcahy, Thomas Mulcahy, Michael Navin, Abbotside (grandsons); Miss Alice Mulcahy, Miss Rosaria Navin, Miss Ann Navin, Mrs. M. James, England (granddaughters).

(Funeral arrangements by James Kiely & Sons, Dungarvan.)

A PILGRIMAGE TO LOURDES

As can be seen from our advertising columns the Seventh Annual Pilgrimage to Lourdes from the Diocese of Waterford and Lismore has been arranged for the 13th May to the 18th, 1966. The first official pilgrimage from this Diocese took place in 1959 and since then, over three hundred invalids and well over one thousand pilgrims have been brought to the Grotto where Our Lady appeared to Saint Bernadette just over one hundred years ago.

Since the first appearance of Our Lady on the 11th February, 1858, Lourdes has exercised a tremendous attraction for people of all nations and all beliefs. In the popular mind, perhaps more emphasis has been placed on the physical miracles which have happened there rather than on the countless other miracles of another order which take place there day after day and which receive no publicity at all. Many have gone out of curiosity—maybe in a spirit of scepticism—and, almost in spite of themselves, have been absorbed in the atmosphere of prayer and recollection which pervades this holy place. They have experienced in themselves a surprising renewal of Faith, an increasing awareness of the value of spiritual things and have found a peace of mind and a spirit of cheerful resignation to the Will of God which they would not have believed possible.

No one who goes to Lourdes and takes part in the Spiritual Exercise of the pilgrimage can feel otherwise. Long ago, Our Lord issued an invitation to His Apostles: "Come ye apart into a desert place and rest awhile that you may find peace for your souls." At Lourdes, Our Lady has issued the same invitation to the whole world. She asked that a Church be built there in Her honour and that people should come in procession to pray and do penance. She did not promise material reward for doing so, but those who have accepted her invitation and prayed at the Grotto, taken part in the Blessed Sacrament and Torchlight Processions and helped with the sick, bear witness to the ever-recurring miracle of a faith renewed and a greater trust in the Providence of God. Going to Lourdes on a Pilgrimage accompanied by invalids has a tremendous advantage over a visit privately. On a private visit one can feel out of things but there is an atmosphere of solidarity and community of spirit—a oneness of purpose on an invalid pilgrimage which cannot be found elsewhere. One's eyes are opened to an appreciation of the expense and the work involved. First of all, many of the invalids simply could not afford the cost. In this respect, the Waterford Diocesan Committee have been particularly fortunate in the number of industrial concerns, parochial groups and individuals throughout the Diocese who have contributed or collected sufficient funds to sponsor the vast majority of invalids. Without their generous help and continued co-operation, the number of invalids who could be brought would be considerably smaller. This year it is hoped to bring seventy, the highest so far and it is confidently expected that the various sponsoring groups will continue to support this very deserving cause.

Again, few may realise that sending an invalid to Lourdes entails endless care and attention. The Hospitals in Lourdes only provide sleeping accommodation for the sick. All other attention must be provided by the personnel of the pilgrimage. Such help is absolutely necessary. The medical and nursing staff could not possibly cope with all that has to be done. Consequently, much depends on the good-will, generosity and Christian charity of the able-bodied pilgrims who freely give full or part-time service in helping with the sick. It is a tiring but tremendously rewarding work and one can get great personal satisfaction in doing something positive, even though it may be only once a year, for those who are not in a position to help themselves. The work of these voluntary helpers has always been a source of great edification and an example of inspired Christian Charity. Without this help, so generously given, it would not be possible to bring so many invalids.

A special word of appreciation is due the Directors and Staff of Waterford Metal Industries for their kindness in providing, without cost, a number of metal trays which made the feeding of the invalids much easier. These trays, designed by Waterford Branchardiers and manufactured at Metal Industries under the direction of Mr. Patrick Jacob, were so successful that many of the Continental Pilgrimages asked permission to copy them.

Again, the comfort of the invalids was greatly added to by a beautiful set of blankets, each emblazoned with the Diocesan Crest. These were the gift of the members of the Social Club of Messrs. A.C.E.C. (Ireland) Ltd., Tycor, Waterford and were much appreciated. Finally, most of the food, and all the medical supplies have to be brought from Ireland. Each year the financial burden of providing these very necessary items has been considerably eased by the gift of food parcels and subscriptions from friends and anonymous donors.

Many men and women helpers will be needed on next year's pilgrimage. Will YOU come this time? If you do, you will find it a profound and deeply moving experience.

LATE MRS. MARY WALL

The death occurred on Thursday, December 2nd, at the District Hospital, Dungarvan, of Mrs. Mary Wall, relict of Patrick Wall. She had reached an advanced age, but her death took place after a rather short duration of illness.

Her remains were removed on Friday night to St. Mary's Parish Church, followed by a large cortege, and were received and blessed by Rev. J. Murphy, C.C.

LONDON NEWS

WATERFORD ASSOCIATION

The tenth Annual General Meeting (1965/66) of the Waterford Association (London) was held at the Irish Centre, London, on Saturday, the 4th inst. Prior to the meeting, at which a record number attended, Mass was celebrated for both the living and deceased members by the Association's President, Rev. Fr. Michael Enright.

In his address before the election of the new officers and committee, the Chairman, Mr. W. Smyth, thanked all members for their kind co-operation during the past year. Likewise, he thanked both the national and local Press for the fine publicity given in promoting the good name of the Association, and last, but certainly not least, grateful thanks to all the firms and private bodies at home who had so generously responded to the myriad but necessary appeals throughout the year. Referring to the Association flag (presented by the Association this year) Mr. Smyth said it is our most treasured possession.

Continuing his address, the Chairman placed emphasis on the important role of the youth of the Association. He said, there are the people who have a responsibility to pass on our message to. We want them to be proud of their heritage and especially of Waterford.

Mr. Smyth then made reference to the various achievements of the Association over the past year. Apart from the very successful "social functions" and the recent annual dinner (at which there was a record attendance of 250), the Chairman made special reference to the newly acquired "Association Tie" and the "William Vincent Wallace Trophy."

The Chairman then congratulated Messrs. Dick Buckley and Joe Heffernan for the excellent performance put up in the recent "Inter Counties Quiz Contest" . . . the gentlemen referred to having procur-

ed 2nd and 3rd places respectively. Mr. Smyth then expressed the Association's regret at the sad loss of their beloved Patron the late Dr. Coughlan. "His Lordship was a very great friend and benefactor," he said. Regret was then expressed regarding the passing of one of the life members of the Association, i.e., the late Tom Cahill (R.I.P.).

The executive committee was then elected as follows: President, Rev. Fr. Michael Enright; Chairman, Mr. Willie Berron; Vice-Chairman, Mr. W. Smyth; Hon. Secretary, Mr. Jim Griffin; Recording Secretary, Mr. W. Kiely; Hon. Treas., Mrs. C. O'Regan; Asst. Treasurer, Mrs. P. Power.

The following is an amendment to the Association's constitution: "The Association will be known as The Waterford Association (London)."

SUCCESSFUL N.F.A. ANNUAL DINNER

CLOSE ON 120 attended the sixth annual dinner-social of County Waterford Executive of the National Farmers Association, at Hotel Ormonde, Dungarvan on Thursday night of last week. Guest of honour was Mr. Rickard Deasy, National President of the Association, and certainly this event—for which County Secretary, Mr. Brian Pearce must take much of the credit, was the most successful so far.

Addressing the attendance during the after dinner speeches, Mr. Deasy said that the main effort would now be to install minor schemes from were daily being told by one Minister after another that capital resources available for new investment in the Irish economy must be carefully husbanded and used only in a strict order of priority and essentially for productive purposes. The Minister for Finance had applied these dictums to investment within agriculture in a particularly blunt way by ordering the Credit Corporation to lend only for productive purposes and by invoking the notorious three months clause to implement this principle in respect of its outstanding commitments to farmers.

Mr. Deasy went on to pay tribute to the fine stand Waterford County Council had made with regard to the water problem. They had rejected two expensive Regional schemes, he added, and all other Councils throughout the country would well be taking a leaf from their book.

Surely it was time, he said, that the Government put its own house in order, and they might do well to examine the example set by Waterford Council in relation to these regional water schemes. "Only a few years ago Waterford Co. Council appeared to be concentrating all its efforts on very large scale Regional Water Schemes. Yet, in the light of new information, another approach had been found possible and he saw where their Coun-

ty Engineer had stated that the main effort would now be to install minor schemes from were daily being told by one Minister after another that capital resources available for new investment in the Irish economy must be carefully husbanded and used only in a strict order of priority and essentially for productive purposes. NFA NEWS OUR BACON QUOTA INCREASED

Ireland's bacon quota on the British market has been increased by 10,000 tons to a total of 28,010 tons. Mr. Fred Peart, the British Minister of Agriculture explained that the reason for the increase was the failure of the Netherlands and Yugoslavia to fill their quotas.

Both Mr. Tony Sherry, Chief of the N.F.A. Live Stock Division and N.F.A. representative on the Bacon Industry Advisory Panel and Mr. Michael Whelan, B.A.G.S.C., Secretary of the N.F.A. National Pig & Bacon Committee have welcomed the announcement. Both paid tribute to the work of the Pigs and Bacon Commission which has been largely instrumental in building up the reputation of Irish bacon on the British market. "But," said Mr. Sherry, "with this additional increase in our quota it is now more necessary than ever that some form of centralised pig purchasing scheme should be implemented."

KERRY ACTIVE THE need for live liaison between the milk producer and Bord Baine

Mr. Howard informed the meeting of the work being done by Bord Baine. Irish butter, he said, was commanding a price of £18 a ton more than the New Zealand product on the London area was being exceeded.

Bord Baine, he said, would open next year's trading with empty stores for the first time in history, even though they had to deal with the produce resulting from an increase of 35,000,000 gallons of milk.

A few nights later at the annual dinner of the Kerry Co. Executive, Mr. A. J. O'Reilly, the Board's General manager, bore out Mr. Howard's words. He also stated that while it was difficult at this stage to analyse production trends for 1966, it was likely that there would be an increase in milk production in Ireland and a probably increase in European production provided weather conditions were favourable.

Mr. O'Reilly also told of an interesting development which is being investigated by the Development section of his organisation. They are experimenting with the possibilities of long-life cream. "The product showed interesting possibilities and, if successful, would complement existing fresh cream exports."

DYNAMIC ASPECTS OF AGRICULTURE "It seems to me an inescapable necessity that we must think about and plan for the day when we shall have our own distribution centres in Britain and other markets together with a radical overhaul in our transport arrangements."

This was stated by Mr. Rickard Deasy, President of N.F.A., when speaking on "Dynamic Aspects of Agriculture" at the Inaugural Meeting of Dublin University Agricultural Society in Trinity College, Dublin, this week.

Mr. Deasy said that though the annual throughput of our cattle markets are approximately £80 million, they still had to rationalise themselves and to learn to think in European dimensions. They also had to weld themselves in the context of a new national marketing development authority, in to the supply line linking the livestock producer with his future markets. Above all they would have to develop centres for the improvement of livestock breeding policies.

It was in the field of livestock breeding policy that we had the most urgent need for

WEDDING BELLS HENLEY - GEARY The wedding took place at the Church of the Holy Cross, Kilwatermo, on November 21, of Mr. Peter Henley, son of Mr. Elizabeth Henley, New Street, Talloy, and Miss Bridget Geary, daughter of Mrs. Sarah Geary, and the late Denis Geary, The Paddock, Talloy.

The ceremony, with Nuptial Mass and Papal Blessing, was performed by Very Rev. Michael Power, P.P., Knocknaree, assisted by Rev. Sean Nugent, C.C., Glendine. The bride, who was given away by her brother Mr. John Geary, wore a pale blue gown of brocade embroidered in satin. Her shoulder-length veil was held in place with a tiara of diamonds and she carried a bouquet of carnations and maiden hair fern.

Miss Mary Geary, sister of the bride, and Miss Ann Henley, bridesmaids and wore gowns of pink nylon brocade and carried bouquets of flowers to match the gown. Mr. John Henley, brother of the groom, was best man. The reception which was held at the Park View Hotel, Younghill, was attended by sixty guests, and after which Mr. and Mrs. Henley left on their honeymoon, which was spent touring the South of Ireland.

We join with their many friends in wishing Mr. and Mrs. Henley the very best of good luck and happiness in their married life.

DEATH OF ESTEEMED DUNMOON LADY It is with deep and sincere regret we record the death of Miss Mary Dunne, Dunmoon, Talloy. The late Miss Dunne came of a family who took a very active part in the fight for freedom. Her two brothers, Tom Dunne, ex-M.C.C., Glendine, and the late Mr. James Dunne, Dunmoon, were in the Volunteer Movement, as early as 1916 and Miss Dunne herself was a member of Cumann na mBan, and was awarded a service medal. She was a fluent Irish speaker and folklorist and had stories recorded by the Folklore Commission on several occasions. She used Irish on every possible occasion and on "Sundays she recited the rosary in Irish for the congregation in the Church of the Holy Cross, Kilwatermo. A lady of many admirable qualities, her passing is deeply mourned over a large area of West Waterford and East Cork, where she was well and popularly known.

The remains, accompanied by a large cortege, were removed to Kilwatermo Church, on Saturday evening, 11th December, and were received and buried by Very Rev. Fr. M. Power, P.P., Knocknaree, as assisted by Rev. Sean Nugent, C.C., Glendine. The interment took place on Sunday at 4 p.m. in the family plot in the adjoining cemetery.

BONMAHON'S TITLE

Old Parish Fade in Second Half

BONMAHON 2-7; OLD PARISH 1-3

FOR the first time in the history of Waterford Gaelic, Bonmahon captured a County title, when on Sunday last at a crowded Fraher Field, Dungarvan, fifteen history making heroes captured the Junior football crown for the club. It was a momentous occasion for them, and in defeating a fancied Old Parish side so decisively proved themselves worthy of this great honour. They played some delightful football during the hour and this side, if kept together could well bring further honours to the club.

It was, as I had so confidently anticipated a final in keeping with the importance of the occasion. Despite the inclemency of the weather, and the very unfavourable underfoot conditions, the standard of football redounded to the credit of the Junior grade. There were thrills aplenty particularly during a truly absorbing first half and though Bonmahon assumed complete control in the second half, the quality of their football must have been consoling to even despondent Old Parish supporters.

The result might be termed somewhat of a surprise, for Old Parish on the familiar confines of the Fraher Field were strongly fancied to prevail. But to-day the honours well and truly rest in Bonmahon territory. This was their supreme moment of achievement, and certainly in their first ever appearance in a county final, they reached the heights of football greatness.

Old Parish, on the other hand, can offer no alibi for defeat. They were there with a great chance of victory for half an hour, but on the turnover were well outclassed by superior opponents. They did not play nearly as well as when they overcame Ardmore in the Western decider, but it is doubtful if they would still have taken the title even if at their very best.

GREAT FIRST HALF

Undoubtedly the abiding memories of this final will come from the opening half hour. That moiety was pro-

O'Donnell. Again Bonmahon edged in front with a Joe Ahearne point but back to equilibrium came the sides again with another O'Donnell minor. Thus they retired at the half-way stage no better off scoring wise than they had started, and it was still an open book as to how it would go.

But within minutes of the restart Bonmahon had jumped on to what for them was the high road to victory. Kearns started the winning streak with a point and a brace of like scores by Bill Fleming gave them a commanding advantage. It was now all Bonmahon and they consolidated their position still further before the close with a goal by corner forward Allen and a point by Fleming.

ALL PLAYED WELL

This historic victory was achieved by a Bonmahon side that did not contain a weak link. All played golden parts in a memorable hour that will be talked of down 'Mahon way for a long time to come.

Some did play better than others, and if I had to pick out the real stars of this side then I would plump for forward Bill Fleming, Eddie Kearns and John Dwan, midfielders J. Kearns and Joe Ahearne who larded it for long periods in the sector and defenders J. J. and E. Ahearne, Griffin and J. J. Fleming.

Old Parish, without ever reaching the heights achieved within their own Division, nonetheless contributed to this

Geraldines Team Suspended For One Year

ADDED 'TERM' FOR INDIVIDUALS

THE sequel to the incident-tarnished Co. Intermediate hurling final at Tramore, has been a dramatic one. On Monday night last at a meeting of the County Board in Dungarvan, the Geraldines team was suspended for a period of twelve months and suspensions ranging from six months to two years were imposed on some of those involved. Recommendations from a Sub-Committee who had spent nine hours interviewing witnesses and deliberating on the whole affair, were not accepted by Geraldines, and Patsy Kennealy (their delegate at the meeting) said the report before the Board was unfairly directed at them alone.

Those suspended separately were: Liam "Bunny" Ronayne (Geraldines)—two years, plus the 12 months' general suspension; Patsy Kennealy (G.), 12 months, plus one year suspension; Johnny Grady, six months plus one year suspension; and John Barron (De La Salle), six months. Because of lack of evidence no additional suspension was imposed on Mick Tobin (G.) who was alleged by one witness at the investigation to have struck a De La Salle player from behind with a hurley. Tobin, who appeared before Monday's meeting, emphatically denied the

allegation. The evidence of the Sub-Committee about he striking another player. Chairman—You were definitely named by one witness at the investigation as having struck another player. Do you deny this charge?

County Secretary Mr. Declan Goode, said the Investigating Committee held their first meeting in Tramore on November 23rd, and spent 4½ hours "in session." On Nov. 30th, a second meeting lasting 4½ hours was held in Dungarvan, and in all 14 witnesses and the referee were interviewed. After long and careful deliberation the Sub-Committee had issued the following report and recommendations.

"A number of witnesses agreed the scenes were the worst they had ever seen. Geraldines were the aggressors, but there was a measure of retaliation by De La Salle in the second half. Liam Ronayne, Johnny Grady and Patsy Kennealy (all Geraldines) were the chief offenders of dirty tactics. The incidents at the end of the game were mainly between players of both teams and there was no influx of spectators. Stephen Power (De La Salle) was struck from behind by a hurley by Michael Tobin (Geraldines). It is established that P. Kennealy also struck a player. There was an exchange of blows between John Barron and Tobin and Kennealy then rushed at Barron and struck him. Accusations that Mr. Billy Jones (a member of the County Board) struck a Geraldines player with a hurley were not substantiated."

The County Secretary said that besides this report of the Sub-Committee, they had also recommended (1) That the Geraldines team be suspended for 12 months; (2) That Johnny Grady (G.) be suspended for an additional six months; (3) That P. Kennealy (G.) be suspended for an additional 12 months; (4) That Liam "Bunny" Ronayne be dealt with according to the referee's report which entitled him to an additional two years' suspension; (5) That John Barron, De La Salle, be suspended for six months.

The Chairman, Mr. J. Molloy, N.T., said he was not going to allow a lengthy discussion on this to-night. Whilst the recommendations in some cases were not unanimous they had all agreed on by a majority. He was asked by the Sub-Committee to deal with the Geraldines under Rule 15—bringing the Association in to disrepute.

Mr. Michael Tobin (Geraldines) who was summoned to appear before the meeting, said he wished to deny em-

phatically the evidence of the Sub-Committee about he striking another player.

Mr. Kennealy (Geraldines) said he disagreed entirely with the report and recommendations. The report was a completely one-sided account of what happened in Tramore. Most of the witnesses at the investigation were from the one area and they told what they saw against Geraldines but remained silent about what they saw against De La Salle. This was not a factual report, as two Geraldines players were assaulted and seriously injured, yet no mention of this had been made at all.

Mr. Kennealy went on to say that the report also states that I rushed at John Barron, but that is not true. I took one step towards Barron and said to him "What did you do?" I was then held by a De La Salle player and Barron hit me down on the head with his hurley whilst I was held. It was Barron who rushed at me when he saw me held.

Mr. Keating (Geraldines) — Were all these witnesses at the investigation sworn? Chairman—No.

Mr. Kennealy—There were 300 Geraldines supporters at this game but none of them were asked to testify. Had this final been played in Cappoquin or Lismore it is De La Salle and not the Geraldines that would be here in the dock to-night.

Mr. Mick Flynn (Stradbally) said there were only four or five players mentioned altogether. Surely, he said, they could not victimise the other nine or ten players.

The Chairman said these four or five were mentioned as chief aggressors and he would like to emphasise the word "chief." Rule 12, the one which was asked by the Sub-Committee to apply demanded suspension or expulsion. The suspension could not be for less than six months.

Mr. John McKenna (Brickeys) said there was evidence from one witness that Tobin had struck another player with a hurley. But Tobin denied this and it was only one man's word against another.

Mr. Kennealy — Barron went very low so in Tramore.

Chairman—Cut out the cross-fire. Mr. Charlie Ware then proposed and Pat Fanning, seconded that the report and findings of the Sub-Committee be adopted in full.

Mr. Kennealy proposed they not be accepted but he got no second.

Mr. Kennealy said there was a lot of publicity in the Press afterwards about the Guards having to escort the De La Salle team off the field after the game. He would like to know who stopped De La Salle from leaving the field.

Chairman—That was not investigated at the meetings. I would also like to state that all the witnesses were heard individually and none heard the other's evidence.

Mr. Eamonn Cheasty said he was present at the game but he would not agree that all the Geraldines players should get the same fate. There were some that were innocent and it was not justice that they should be lumped with the guilty ones.

John Fraher (Cappoquin) said he was in agreement with Mr. Cheasty. He would not go along with the idea that all the Geraldines' players were guilty and would not agree to suspending all the team.

Mr. Cheasty said whilst he saw Michael Tobin playing in that game he did not see him doing anything wrong. They were only furthering the trouble by suspending the innocent with the guilty.

Concluding, the Chairman said that Ronayne was entitled to two years in addition to the general suspension; an additional six months for Grady; an additional twelve months for Kennealy and six months for John Barron. There was no recommendation with regard to Tobin and he was ruling that these recommendations be implemented.

On the proposal of Pat Fanning seconded by Mick Flynn, no additional suspension was imposed on Tobin.

Abbeyside Win Vital Tie

ABBEYSIDE UNITED 2; GLENVILLE 1

IN conditions that could only be described as atrocious, Abbeyside United returned to the winning trail once again in the Division Three soccer league on Sunday last, when on home soil they carved out a slender victory over City team, Glenville. It was a deserved victory over Abbeyside had to fight for those valuable points. Right up to the final whistle the outcome was in doubt, and the final whistle was indeed sweet music to the ears of the homesters.

The conditions were such that classical football was an utter impossibility. But for honest to goodness endeavour, thrills and excitement, this tie takes beating, and both sides were to be complimented on the way in which they overcame the murky underfoot conditions.

Yes, analysing this game, the Abbeyside defence must take the bulk of the credit. The sector found itself taxed to the full for long periods, but it was there that they rose to it in finest style.

It would in fact be invidious of me to single out any one of them for special mention. To the writer, full-time Whelan and Billy Kyne, and the halves Mick Keohan, John Woods and Joe O'Brien were all superb. Nor was John McGrath in goal found wanting, being supremely confident all through, and especially in the latter stages cutting out many dangerous corners.

The attack must also get full credit for trying all the way, and all five's willingness to come back and help out in defence when the occasions demanded, had a big say in keeping the city men at bay. Beresford's goal was a gem; Power also displayed fine opportunism in notching his goal, and Tom Cowman, Michael Lyons and John Michael Duggan can all feel satisfied with their parts in this fine win.

Glenville, though understandably disappointed at going under, proved themselves a side of top class ability. On this form they will win more matches than they'll lose, and for me they remain one of the teams that will be fighting out the finish of this league.

THREE TO GO With six games played, Abbeyside have but three more games to go. They are the pace-makers in this league, but with some teams breathing down their neck the title is not won by any means. The games that lie ahead will be the crucial ones for Abbeyside, and knowing that, an extra effort—if that is possible—should be forthcoming from them all.

The following is the league table to-date:—

Team	P	W	D	L	F	A	Pts
Abbeyside	6	5	0	1	18	7	10
St. Joe's	5	3	1	1	10	7	7
Portlaoigh	3	1	2	0	11	6	4
St. Luke's	3	1	1	1	6	5	3
Glenville	3	1	1	1	4	4	3
Marion	4	1	1	2	5	8	2
Woodstown	4	1	0	3	10	13	2
Tycor	2	1	0	1	3	7	2
O'Connell's	2	0	1	1	3	2	1

GAELIC JOTTINGS

STRADBALLY CAPTURE HURLING HONOURS

Stradbally, predominantly a football stronghold, hit the hurling headlines on Sunday last when at the Friary Field grounds, Dungarvan, they captured the Winter League title. Their vanquished opponents were Ballinameela, and Stradbally were fully deserving of their 35 to 1-1 victory.

What a pity, however, that this final should have been played under such dismal conditions. The rain apart, the ground was in a desperate condition and few would have quibbled had the game not been played at all.

This was Stradbally's first hurling title for a very long time, but if they can retain their present playing strength then they could be a big force in next year's junior championship. For half an hour on Sunday the outcome remained in the balance, but on the restart the Reds became completely dominant and ran out easy and impressive winners.

The best hurling was undoubtedly served up in the first half, during which period Ballinameela looked in with a great chance of victory. If anything they had slightly the better of matters territorially in that half, but by 1-1 to 0-2. But then strong Stradbally pressure brought its reward and the winners turned over leading by 1-3 to 1-1.

The second half was a very one-sided affair. Ballinameela's challenge completely faded, as though resigning themselves to defeat. And Stradbally piled up the scores at times almost effortlessly to leave no doubts as to who were the masters. Congratulations then to the men of Stradbally on this great victory. And who knows but it might well herald a hurling revival in the Parish.

Ballinameela to be quite frank about it disappointed. They fared quite well in the opening half but their second

half collapse was inexplicable.

As I have stated, Abbeyside just about deserved their one goal victory. And this result now stretches their lead at the top of the table to three points as their nearest rivals were not playing on Sunday last, and they have but three more games to play. But this was as hard-earned a win as they are ever likely to record again this season, as Glenville, themselves strongly in the running for league honours, staked everything on a win in this game. And they certainly did not spare themselves in trying for the points. They put it up to Abbeyside in a big way, and it certainly reflects credit on the ability of the homesters that they were still good enough to come out on top, even if only by the narrowest of margins.

At half time Abbeyside held a one goal advantage, and that just about indicated accurately the trend of the exchanges up to then. Their scorer was in side left John Beresford in the 20th minute, and what a spectacular effort it was. A free on the right by John Woods went to Michael Lyons whose centre was superbly headed home by Beresford.

Then in the 15th minute of the second half Abbeyside increased their lead with a fine first-time shot by Peter Power, and this goal seemed to ensure them of a comfortable win.

But not by a long shot had Glenville declared "enough." In fact, when trailing by these two goals did they produce their great effort, and six minutes from time the issue was again thrown wide open when the visitors scored.

That goal then heralded a truly spell-binding finish. Glenville, surging upfield, threw everything into all out attack. Dangerous centres came floating in from either wing, full-blooded drives from the centre were sent downwards, and Abbeyside found relief only through the concessions of corners. But dangerous though each one of these corner kicks turned out to be, that Abbeyside defence was as impre-
