"Made Look Like Clowns in a Comedy by Frank Hall"

R.T.E.'S PROGRAMMES AGAIN CRITICISED

Criticism of R.T.E. by members of the County Waterford Committee of Agriculture at their January meeting concerning the lack of Irish programmes on television, to which Frank Hall subsequently replied on "Newsbeat," was again referred to at this week's meeting of the Committee in Dungarvan.

Mr. Kieran O'Ryan said at their January meeting he protested at the fare being served up by R.T.E. Then they were treated to sarcasm by Frank Hall on Newsbeat, but he was again protesting at the tripe that was being dished up by their National Television Network. The rank and file of their people, continued Mr. O'Ryan, would much prefer to see programmes of Irish songs and music than the tripe that was being dished out at present. He was not looking for any publicity in this matter, but he wished to protest strongly against the R.T.E. programmes.

Mr. Patk. Kenneally said he supported everything Mr. O'Ryan had stated. Some members of the Agricultural Committee who criticised R.T.E. were made look like clowns in a comedy by Frank Hall. The criticism they offered was constructive, but it was not replied to by Mr. Hall in a very constructive way.

Mr. Charles Curran said he did not see the Newsbeat programme, but he believed he was on the programme twice.

Mr. O'Ryan: The sooner these people are sacked by R.T.E. and replaced by Irish-minded people the better.

Mr. Patrick Cahill said he believed Frank Hall was doing a

great thing for the country by spotlighting grievances.

Mr. O'Ryan said that Frank Hall had also stated that he could not see anything pertaining to agriculture in the Press Reports from the meeting. That was a slur on the local

Press, who, in his view, were doing a very fine job on the reporting of their meetings.

The Chairman, Mr. John Fahy, T.D. (Chairman) said they had far more important business to discuss and they should proceed with it. The discussion ended.

PARK HOUSE (DUNGARVAN) WIN DARTS FINAL

The Park House Dart team, that moment onwards, The Dungarvan, scored a magnificent 4-1 win over Conway's (Cappoquin) in the final of the Pomara Cup tournament at Cummins' of Lismore on Friday night last. The cup and cheque for £40 was presented to the winning team, and a most enjoyable night followed.

The Park got off to a great start when Johnny Hamilton, in the top of his form, beat Jack Barron but Jim Murray got the Cappoquin side back on level terms when he mastered Bill Sheehan, but from

Paddy O'Dwyer made 11-11 with a top class win over Tommy Doherty and Joe Devine quickly followed this up with a superb exhibition of dart throwing to beat Billy Conway. Then in the fifth game Sean Sheehan clinched the trophy for the Park with a fine win over a gallant opponent in Tom O'Keefe.

The Park now had an unassailable 4-1 lead and it was not necessary for John Sheehan to play any more.

To Appoint Extra Instructor in Agriculture

MR. George T. Frost, C.A.O., told last Monday's meeting of County Waterford Committee of Agriculture in Dungarvan that an Agricultural Instructor was needed in the County to improve still further their Advisory Service. After discussing the matter at length, the Committee decided by eight votes to two to appoint an additional Temporary Instructor for the East Waterford area.

Mr. Frost at the outset read a letter from Mr. Stephen O'Connor of the Waterford Co-Op Society in which he stated that at a recent meeting of the Waterford Co-Op. Society in Gaultier the view was expressed that that area was not adequately supplied in the matter of Advisory Services. He asked that the Committee consider this matter at their next meeting.

Mr. Patrick Cahill said that as a representative on the Committee from the Gaultier area he could state that an additional instructor was definitely needed in the area.

Mr. Frost said he had been in the area recently and a number of farmers had said to him that an extra agricultural instructor was needed. Of the 27 Committees of Agriculture in the County, he said, Waterford was placed 14th in the number of farms per advisor. He personally believed there was need of another instructor.

Mr. Frost went on to state that there were a total of 4,200 holdings in the County and 781 were in this area of East Waterford. They had six agricultural instructors which meant that each instructor had over 700 holdings to visit. He went on to state that only 88 people had availed of the Small Farms Scheme and that was a very poor response.

Mr. Charles Curran said Waterford was a County of small farms and it was amazing that they had only 88 applicants for the scheme.

...Mr. George Heskin said he was always in favour of having extra instructors and they should go ahead now and appoint an extra one.

Mr. James Quirke said they should go ahead and carry on with the number of instructors they had at present because the ratepayers of the County couldn't afford to pay for it. The ratepayers would be faced with an increase of about 12/- in the £ on the rates in a few weeks' time and they should keep that in mind now.

The C.A.O. said the Committee of Agriculture had very little to do with the putting up of the rate. The present County rate was 71/6 in the £ and of that amount the Committee of Agriculture was responsible for only 1/- of it. The appointment of an additional instructor would cost less than a penny on the rates.

Mr. George Heskin then proposed and Mr. Patrick Ken-

neally seconded that they appoint an additional temporary instructor in Agriculture.

Mr. O'Ryan proposed that they carry on with their existing staff and Mr. Quirke seconded.

The Chairman, Mr. John Fahy, T.D., said the agricultural community were the most important section in the county. It was the farmers themselves who had this demand before them for an extra instructor, and for the amount he farmers were paying in rates the least they were entitled to was a proper advisory service that would help them to have better incomes.

A vote was then taken and by 8 votes to 2 it was agreed to appoint an additional temporary instructor.

Messrs. Fahy, Heskin, Kenneally, Curran, Dower, Ahearn, Cahill and Harty voted for and Messrs. O'Ryan and Quirke voted against.

It was also agreed to put on the agenda for consideration at the next meeting the question of appointing an extra permanent instructor.

ADJOURNED

Last Monday's meeting of the Co. Waterford Committee of Agriculture in Dungarvan was adjourned for 10 minutes as a mark of respect to the late Mrs. Catherine Keane, Ballinahilla, Kilmacthomas, whose son John Keane is a member of the Committee.

The resolution of sympathy was proposed by Mr. Charles Curran and seconded by Mr. Kieran O'Ryan.

The Committee also passed a vote of sympathy with the parents, brother and sisters of the late Patrick (Pat) McGrath, Caseyville Dungarvan, who lost his life in a car accident at Ballymacmague, on Thursday night of last week.

APPOINTED STAFF OFFICER

Congratulations to popular Mr. Maurice McHugh, Strandside North, Abbeyside, on his appointment this week as Staff Officer with Waterford County Council in Dungarvan.

Maurice has been a clerical officer with the Council for a number of years.

CLASHMORE FINE GAEL'S SYMPATHY

At a recent meeting of the Clashmore Fine Gael Branch, resolutions of sympathy were passed to Mrs. McGrath, Knockanaris, the relatives of the late Mrs. Mary Ormond, and the Sheahy family, Monasterevin, who were to discuss with him the question of increased Road Grants.

Minister to Receive Deputation

Mr. Kieran O'Ryan, speaking at last Monday's meeting of the Co. Waterford Committee of Agriculture in Dungarvan, said he had been speaking to the Minister for Local Government in Dublin recently and he had assured him that he would be prepared to receive a deputation from the Waterford and Cork County Councils to discuss with him the question of increased Road Grants.

Lost Life in Car Crash

SEVENTEEN year old Patrick (Pat) McGrath, son of Mr. and Mrs. Billy McGrath, Caseyville, Dungarvan, lost his life on Thursday night of last week, when the car in which he was a passenger crashed into a wall at Ballymacmague, Dungarvan. The accident occurred shortly after 11 p.m. when the car was travelling into Dungarvan. The scene of the accident was the former level crossing at Ballymacmague, the subject of much discussion at recent meetings of Waterford County Council.

Within a very short time an ambulance was on the scene and Pat was removed to hospital but he died on the way. The driver of the car was Liam O'Riordan, Shandon, and he was removed to Ardkeen with multiple injuries. His condition at first was serious, but he is now improving. The car was a complete wreck.

The wall into which the car crashed has been the centre of discussion at meetings of the County Council. Only a few months ago Col. Kieran O'Ryan asked to have the wall at either side of the roadway removed—and to quote him, Col. O'Ryan declared: "It is a virtual death trap." An undertaking was given that the wall would be removed but it was not, and again at the last meeting of the Council, Mr. O'Ryan said it would be removed when a life had been taken. Ironically at a special meeting of the Council in Tra- more on Friday last, when Mr. Austin Deasy raised the matter, the County Engineer, Mr. J. D. Hally said they had just got approval that morning from C.I.E. to remove the wall. It is understood that a full inquiry is being called for into the whole affair at next Monday's meeting of the Council in Dungarvan.

SOCIAL STUDY OF ALCOHOLISM

It is a true fact that the influence of our social mores do our social progress. In a series of penetrating articles by Michael Viney, THE IRISH TIMES has already covered some aspects of modern social problems such as "alcoholism", "the unmarried mother", and "growing old". Next week THE IRISH TIMES publishes a series of articles by Karl Jones about the spread of venereal diseases and the increase in prostitution in modern Ireland. A Medical Correspondent will write about the clinical aspects of these social disorders.

Tragic Passing of Young Gael

G.A.A. players, mentors, and supporters the County over, but particularly those in his native Dungarvan, learned with a sense of deep shock and sadness last week, of the death, following a car accident, of young Pat McGrath, Caserville, Dungarvan. A member of a family that has contributed much to the G.A.A. Pat was son of Mr. and Mrs. Billy McGrath, Billy being one of the best known referees in the Neise County. Although only coming on seventeen years of age, Pat had already established himself as a hurling star of the future. From the time he first caught a hurley, Dungarvan was his club and through juvenile and minor ranks he had caught the eye in a way that only a first class hurler can. It is surely a measure of his ability that last year, when still a juvenile, he was rated good enough for his club's Premier panel—the Junior hurling string. His ability was matched only by his sportsmanship, and though he more often than not enjoyed a physical advantage over his opponents, when playing in the juvenile grade, it was something he never tried to take undue advantage of.

Clearly his very best years lay before him and it is tragic beyond words that this budding young starlet has had his life cut short so tragically. He was a boy who in every way was a credit to his family, a credit to the club he served so well and above all was himself an adornment to the game he loved so well.

To his parents, brother and sisters, I tender my very sincere sympathy on their great loss.

IN MEMORIAM

CASEY — (1st Anniversary) — In loving memory of a dear mother, Catherine Casey, of Faha, who died February 6th, 1968.
Days and nights you bore your pain,
To wait for a cure that never came,
I saw you suffer, I heard you sigh,
All I could do was to sit nearby,
Until God alone knew the time had come,
And your earthly battles had been won.
You did not deserve what you went through,
I'm always thinking of you and God bless you.
(—Never forgotten by her loving son Dick, Frances and children.)

PRENDERGAST — In loving memory of our dear father, John Prendergast, Ballinroad whose third anniversary occurs at this time. R.I.P. Masses offered.

From heaven I'll help you to bear,
This trial which God placed upon you,
Since He took me from your gentle care.

A.G.M. OF YOUGHAL GOLF CLUB
The netting season in Youghal and upriver opened up on a mild note which was expected due to the ice cold water and weak tides. However, the salmon taken on the opening day was poor, being three fish but there was improvement on the following day although the full quantity of boats have not operated so far. The full quantity of 29 harbour licences have been taken out, the upriver licences are less than those in 1968 and only 2 bay licences have been issued. On the eve of the opening, Vry Rev. Deán Sheehan, P.P. celebrated a special Mass in the Parish Church at 11.30 accompanied by two acolytes blessed the boats and nets at McDonald's dock which was concluded with the singing of the hymn "Star of the Sea." It is expected that with the improvement of weather and tides there will be an improvement in the catches. The price on opening to fishermen was 15/- per lb.
The Youghal Branch of the C.Y.M.S. Society will hold a get-together in their rooms at the Town Hall, Youghal and the purpose of the gathering will be for members to air their views with the purpose of placing them before the National Convention to be held later this year at Limerick. The Youghal meeting will be a prolude to the next Diocesan meeting to be held in Youghal in April next.

Successful Dungarvan Race Meeting

IDEAL weather conditions, a big crowd and big fields enabled the Dungarvan Harriers to get the point to point season (postponed from Monday) off to a good start at Killosera on Wednesday.

The generous sponsorship of Messrs. Guinness, Youghal Carpets Ltd. and Dungarvan Leathers Ltd. also helped to ensure the success of this outstanding Southern meeting. The feature event, the Guinness Open Maiden Race was won by Mr. P. O'Connor's Honey Power a splendid achievement for Mr. J. Riordan jr., his rider, who is a newcomer to the field of competitive racing.

This race attracted an entry of fourteen, and after a false start, the early pacemaker was Ballyhough, who led the field from Step It Out and the others. Early fallers were the fancied Bisco and Vulfox and on the second circuit it was Speedy Rain and Dunsill who were showing the way. There was little between this pair for a time but Speedy Rain then began to open up a fairly big lead. Speedy Rain was plugging away steadily in front up to the second last but here Mr. Dalton's mount came a cropper and Mr. Riordan was quick to seize his chance and drive Honey Power into the lead, 15 lengths being the very respectable distance which the mare had at the line from Dulcedo with Batty's Choice in six lengths further away in third place.

Declaran's Glory proved a good servant to Mr. Con O'Keefe, the well known Co. Cork trainer, last season with four wins and the gelding was again on the mark when winning the Youghal Carpet Stakes, the opening event on the card. A warm fancy in this race was Speedville, the mount of Mr. M. Browne, but an early fall out paid to its chances. Declaran's Glory went well clear two fences out and ran on well to get the verdict by "a distance."

Lady Pando in proved a worthy favourite in the Dungarvan Leather Race and Mr.

J. E. Kiely's mount held off the challenge of Cashlane VI and Lisadell VII in the run-in to show two lengths ahead of its nearest rival at the line.

LUCKY NUMBER
Parlourmaid was No. 13 on the card in the Killosera Stakes, and it proved a lucky number for the punters who chose it. A possible dangerous rival to the winner could well have been Southlander, who was showing well in front of Parlourmaid and Rodragusa coming into the second last. Southlander however fell and Parlourmaid went on to win by the very comfortable margin of fifteen lengths from Rodragusa with Knockdoon 11 three lengths further away.

The last race — the open lightweight event — provided the best finish of the day with Little Ark just ahead of Cocanut Grove and Just Belle with two to jump. Over the last a keen tussle developed between this trio, but in a thrilling run up Mr. Williams held on to get a length decision, a length separating Little Ark from Just Belle.

Waterford Sportstars Honoured Bishop Presents Awards

THE Sportstars of 1968 in County Waterford — Michael Foley (Mount Sion) hurling; Michael Power (Tramore) football; Maura O'Donnell (Portlaoise) were presented with their awards at last Sunday night's County Board G.A.A. dinner in Lawlor's Hotel, Dungarvan. The awards were presented by His Lordship, Most Rev. Dr. Michael Russell, Bishop of Waterford and Lismore, who was Guest of Honour at the function, attended by 110 Gaels.

In his address His Lordship said one idea that the G.A.A. had caught onto was the social life aspect, and this function was an example of that. There was so much to be gained from meeting each other at socials, and the G.A.A. would have to develop this aspect of their life still further. Other codes had

financial resources than they. His Lordship went on to state that one big problem that Co. Waterford would have to meet in the next 20 years was a growing population, and Waterford city's population would reach 40,000 within the next 15 years. The Association would have to have greater sensitivity for the problems of Waterford City, and even if it meant borrowing the money, the Board should purchase fields near the city. Even if it meant paying £1,000 an acre they should buy fields because in the years to come that price would be steadily increasing.

"I am asking the Board on behalf of the kids," continued His Lordship, "to give this matter very serious thought. Because if we lose the city then we lose the children that grow up there. I ask you therefore to consider Waterford City sympathetically."

His Lordship concluded by thanking the Board for inviting him to the function, and congratulating the recipients of the awards.

Other speakers at the function were Pat Fanning, Chairman of the Co. Board, who

presided; Dec Goode, Co. Secretary, who proposed the toast to the G.A.A.; Donal Whelan, Central Council Representative, who replied to the toast "Eire"; Nicholas McGrath, who proposed the toast to their Guests; Rev. P. Cooney, C.C., Chairman of the Camogie Board; Rev. Sean Nugent, C.C., Tallow, President of the Club of the Year, Tallow, and Bill Sheehan, Chairman of the Tallow Club.

Kilkenny best in Challenge

KILKENNY 6-6; WATERFORD 5-4
BOTH the Waterford and Kilkenny selectors were in experimental mood when the counties met in a senior hurling challenge at Nowlan Park, Kilkenny, on Sunday last. It was a game Waterford looked like winning for most of the hour, but a late Kilkenny rally saw them wipe out their deficit and go on to win by a flattering five point margin.

The game was played under quite appalling conditions and consequently the standard of hurling suffered. But with scores coming rapidly at both ends, the small attendance had plenty to enthuse over and interest was very much maintained to the end. Waterford had the best of the first half exchanges and were not in any way flattered by their interval lead of two points—4-2 to 3-3. Had the forwards picked off points that seemed there for the taking that lead would undoubtedly have been greater and Waterford's failure in this respect cost them victory in the final reckoning.

Kilkenny looked like running riot for the opening quarter and when they built up a nine point lead, looked all set to win in facile fashion. But then Waterford took complete control to turn over with their slender but merited interval lead.

The second half was nip and tuck for most of the way, with the scores level on two occasions. But it was Kilkenny who asserted dominance in the closing minutes and it was during this period that they snatched the scores that gave them victory.

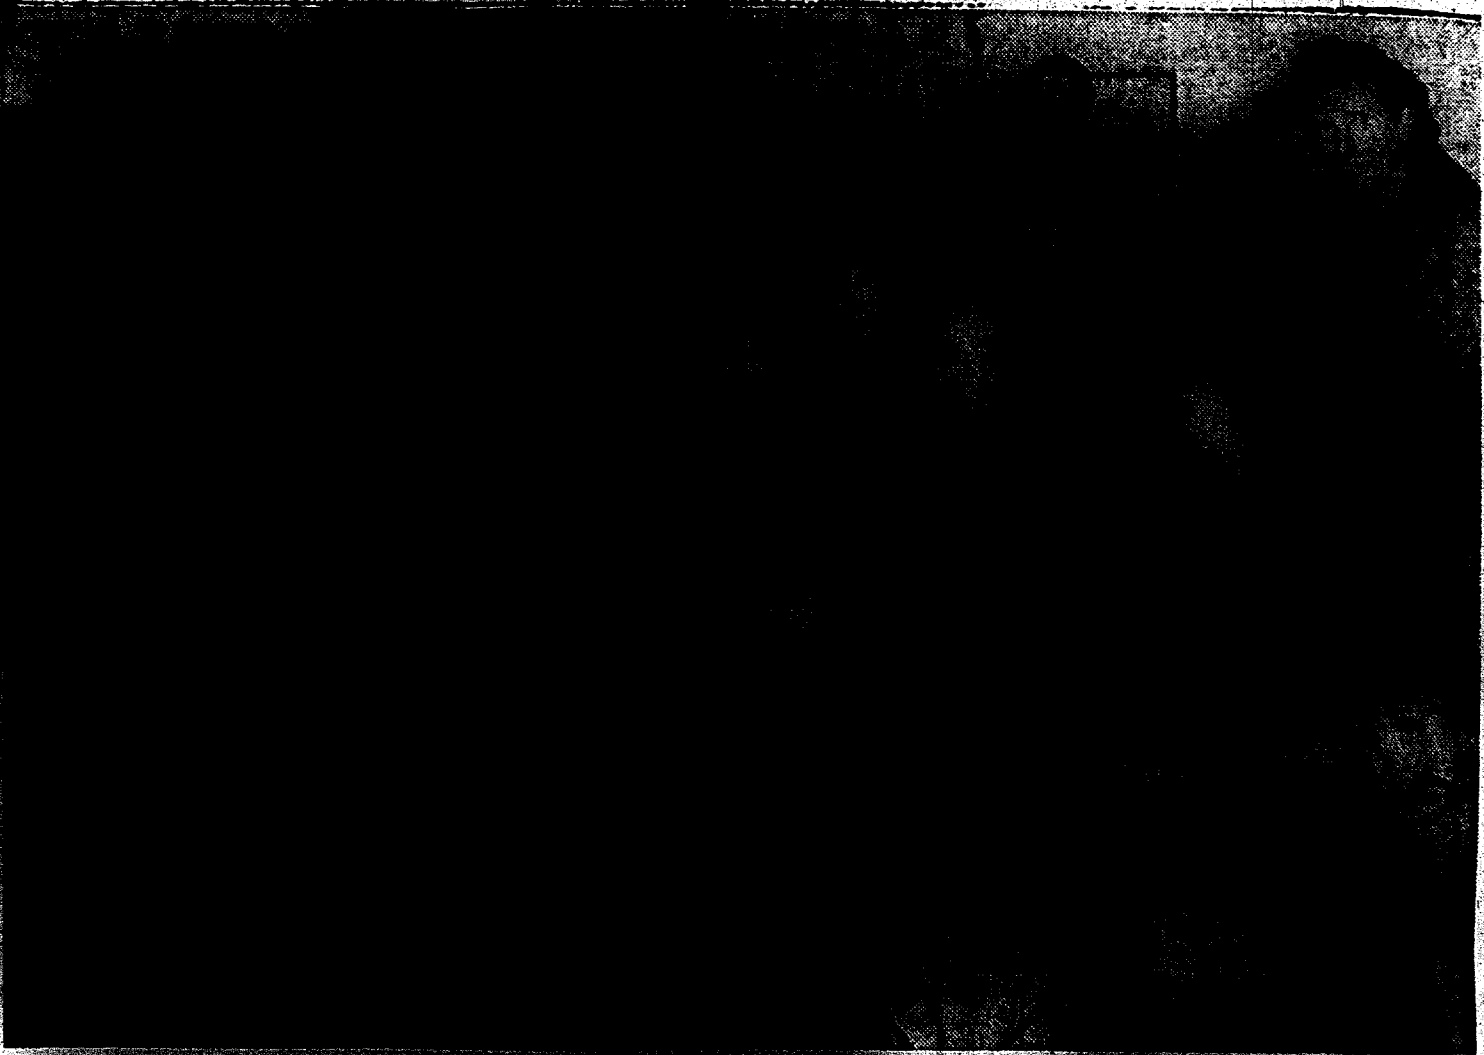

Ted Carroll, Pat Henderson, Martin Coogan and Jim Treacy were the stars of the winners' defence and Eddie Kehr and Pat Delany were their stars in attack. Michael Foley, despite being beaten six times, was an outstanding performer on the Deise side, and Joe Condon, Rob Power, Tommy Hearne and Mick Gaffney hurled their hearts out in defence. Michael McGrath of Lismore had a fine hour at midfield and Pat Enright also operated with effect in the sector. Danny Mahon, home again from England, returned at corner forward and though obviously in need of an outing, still seems to have lost little of his guile. The main honours in the sector, however, went to Ballyduff/Portlaoise's John O'Brien who was the game's top scorer with three goals.

Scorers for Kilkenny were E. Kehr (1-3), S. Brennan (2-0), P. Kavanagh (2-1), P. Delaney (1-1) and L. O'Brien

(1-1). For Waterford, L. O'Brien (3-0), P. Enright (1-1), W. Walsh (1-0), M. Hickey, D. Mahon and J. Foley (0-1) each.

DEATH OF NOTED ATHLETE

Kilmacthomas has lost one of its best loved sons in the person of Mr. Percy Kirwan, Merchant and Vintner, whose death occurred at his residence on Wednesday of last week. His passing leaves a void which will not easily be filled. Percy was everybody's friend; was possessed of a shrewd business brain, a keen sense of humour and was a most interesting conversationalist. Indeed he could be truly described as one of nature's gentlemen. His keen interest in athletics and sport of every kind was maintained right to the end of his long and full life and he was a familiar figure at every Olympic Games from 1928 to 1960. He was a founder member of the Kilmacthomas A.F.C. and was its President ever since. The monthly meeting of the club, fixed for last Thursday, was postponed as a mark of respect to his bereaved ones. Members of the club formed a guard of honour at the removal of the remains to Newtown Church. The cortege on that occasion was the largest and most representative seen in the locality for a long number of years and again on Friday in the adjoining cemetery. Percy was an outstanding Irish athlete over half a century ago and won All-Ireland titles in the 100 yards hurdles, long jump and 400, 800, 1,500 and 2,000 metres. He competed in the Rome International Games of 1936, where he won titles in the 100 metres, 200 metres and long jump. Deceased is survived by his sons, Danny, Vintner, Kilmacthomas, and Paddy Waterford, by three daughters, Misses Kathie and Maureen Kirwan, Kilmacthomas and Mrs. A. Nicholson, Canada, and by his brother, James, Kilmacavee, to all of whom we tender our sincere sympathy in their bereavement.

"Rivers Being Kept For Tourists"

The possibility of extending the salmon fishing season to include the month of August was again discussed at the Monday meeting of the Waterford Committee of Agriculture in Dungarvan. Before the meeting was a letter from the Dept. of Agriculture which stated that the Committee's resolution had been received and "noted" in which they had requested a change in the salmon fishing season from February-July to March-August.

Mr. Patrick Kennelly said as far as he could see the Department wanted to keep the rivers for the tourists and get those who depended on fishing for their livelihood off the rivers. Mr. Kieran O'Ryan said it was catastrophic that big numbers of people living in England owned fishing rights on the Blackwater. Mr. Charles Curran said the month of February was useless to the fishermen, and then at

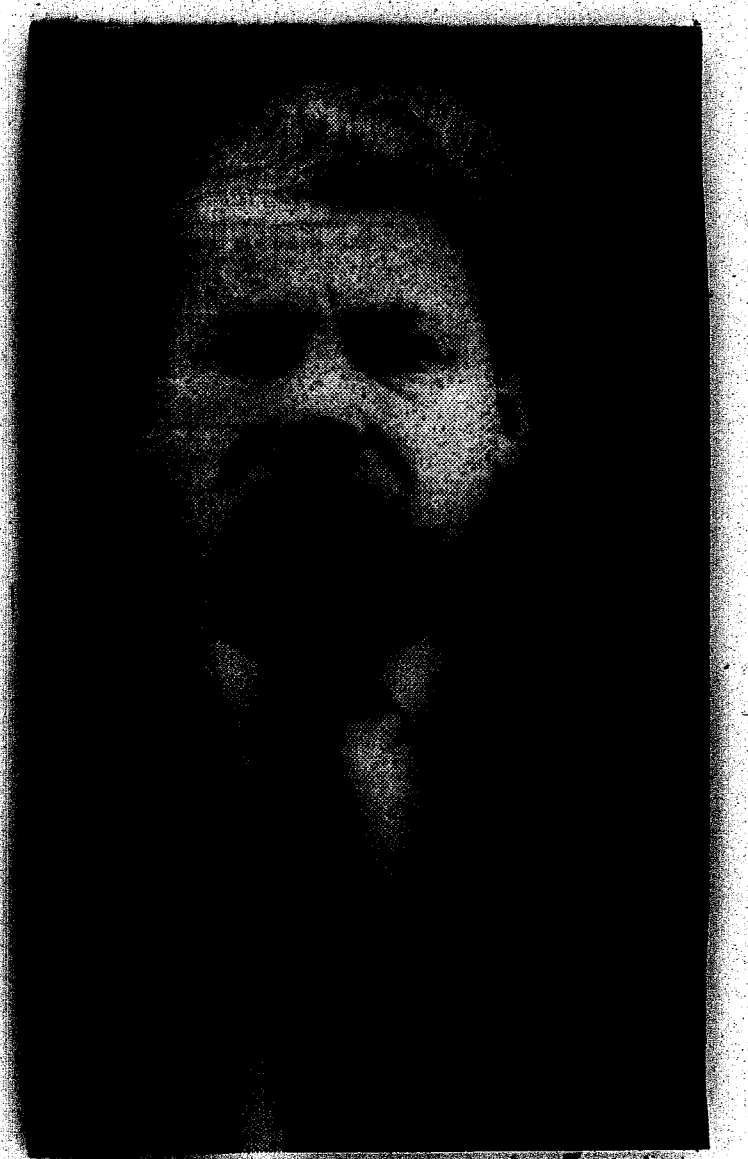

the end of July when things would be improving they had to pack up. The position was very serious because the livelihoods of a number of fishermen were involved. The month of August was the month when the fishermen would do best and they should not take no for an answer in their efforts to have this month included in the salmon fishing season.

Mr. John Fahy, T.D. (Chairman) said a survey was going on at the moment and it had not been completed yet. They should wait until the results of that enquiry had been announced before taking any further action. The Chairman's suggestion was unanimously agreed to.

Waterford Hurlers Face Stiff Task

FURTHER progress in the National hurling league for Waterford is totally dependent on just one factor at the present moment—victory over Offaly in Birr on Sunday next. On the face of it this might not seem to be so difficult an assignment, but the Midlanders are far from easy opposition, and Waterford will do very well to come away from the venue with both league points. Offaly have already failed to Wexford, but for fifty minutes they gave the All Ireland champions a rare battle for the honours, and they are not very far off the top flight.

On home soil Offaly are particularly hard to beat and if Waterford cannot improve on the dismal display given against Tipperary before Christmas, then it is quite on the cards that the trip to Birr will be a completely fruitless one.

Waterford have had two league outings to date—a most impressive win over Kilkenny at home, and a lack lustre, spiritless display in going under heavily to Tipperary at Thurles. One display was

made his debut in the league against Wexford last year and after a reasonably good performance, was surprisingly dropped from the panel. He was recalled for last Sunday's challenge game with Kilkenny and on the strength of a good performance is retained for Offaly clash.

The attack, undoubtedly the suspect sector of the side, should benefit from the return of corner forward Danny Mahon, now home after a short sojourn in England. In defence a surprise placing is that of Dunhill's Rob Power at full back. Power had come to be regarded by many as a corner back, but he is such a versatile performer that he may well solve a problem that has existed since the retirement of the great Austin Flynn. Offaly, already two points down and in no position to lose further ground, will field their very best available side. Hurers of the calibre of Paddy Molloy, Paddy Spellman and goalkeeper Andy Galagher, to mention but three are as good as any in the game and with

the result of such importance to them as they are going to be very difficult to beat before their own supporters. It must also comfort Waterford very little that in the corresponding game in Cappoquin last year, Waterford having trailed for most of the hour, eventually scraped home fortunate winners by two points. All of this merely goes to emphasise the magnitude of Waterford's task on hands on Sunday and they will do very well to take the points from this very awkward tie.
