## Tramore Failte

Receives Grant of  
£70,000

Bord Failte have made an allocation of £70,000 to Tramore to finance: (a) Provision of inland lake; (b) playground and amusement centre; and (c) pitch and putt course.

In reporting the above to last Monday's Co. Council meeting at Dungarvan, T.Oylas meeting, the Co. Manager, Mr. S. J. O'Connor, in a report to the meeting, stated that Tramore Failte were now seeking from the Council: (1) A lease of 3 1/2 acre (approx.) of land for a period of 99 years at £0.05 per year; and (2) A contribution of £1,143.05 and (3) Disused Toilet Sites.

The 3 1/2 acres referred to represent the area of seven non-vested cottage plots at Riverstown, Tramore. Tramore Failte have reached agreement with the tenants of the cottages.

Tramore Failte have purchased eight plots attached to vested cottages at Riverstown. The sum of £1,143.05 represents the contribution that would be due to the Council arising from the sale of the plots by the vested tenants. What is being sought is that the Council would forego a claim for this sum and regard it as a contribution to the over-all development of Tramore.

Proposing that the Council meet the Tramore Failte requests, Mr. M. J. Shalloe said that Tramore was a major resort at present, but when this development plan was completed it would be one of the foremost in the country and would not alone benefit Tramore but the whole county as well.

Mr. A. Deasy seconded the proposal and it received the unanimous support of the Council.

## Minister Stalls on Receiving Council Deputation

At Monday's meeting of Waterford Co. Council at Dungarvan, a letter was read from Mr. D. Devitt, Secretary to the Minister for Health Mr. Childers, replying to the Council's recent request that the Minister receive a deputation from them concerning the health charges increase under the new South Eastern Health Board.

The letter stated that it will be appreciated that the amount to be met by the rates in respect of health service costs will be significantly influenced by the levels of special grant in relief of rates. As soon as full information is available a decision will be taken on the extent of special relief in each area, and any effects of the interim determination of contribution by rating authorities to the Board will be taken into account in assessing the amount of special grant and the manner of its application. In the circumstances, the letter stated, it is felt that any discussion with local representatives would at this juncture be of limited use and the Minister suggests that the matter might be deferred. "I am at the same time to assure you that the funds available will be used to remedy to the fullest possible extent any imbalance in the demands on the rates in the areas of the individual contributing bodies."

Mr. Austin Deasy said that the reply was very unsatisfactory, but Mr. Norman Walsh (Chairman) said that some hope could be derived from the reference in the last sentence, which states that the "funds available will be used to remedy to the fullest possible extent any imbalance in the demands on the rates in the areas of the individual contributing bodies."

## Council Call on Minister to Reduce Motor Tax

It was decided unanimously at the meeting of Waterford County Council, held on Monday last, to call on the Minister for Local Government to reduce motor tax for a period of twelve months.

Mr. Thomas Foley, proposing the motion, said that a lot of people who are caught evading motor taxation, would gladly pay, but they just could not afford it, and therefore had no option but to try and evade paying.

The proposal was seconded by Mr. P. Kenneally.

## NEW MEMBER OF THE INSTITUTE OF INDUSTRIAL ENGINEERS

Mr. Michael Whelan being congratulated on becoming a member of the Institute of Industrial Engineers, by Mr. D. O'Brien, B.Sc., A.R.I.C., Managing Director, Dungarvan Leathers Ltd. and Mr. Michael Brennan, M.I.E., Work Study Engineer, do.

In keeping with company policy to keep fully abreast of all aspects of modern aids to management, Dungarvan Leathers Ltd. were one of the first companies in Ireland to introduce Work Study Principles. With the valued co-operation of the employees, Work Study was first introduced into the firm in 1959. Now Work Study can be found in most industries—engineering, administration, construction, marketing and distribution, agriculture, etc.

Since 1967 over 100 new jobs were created, bringing the labour force up to its present strength of approximately 250, at an annual wage bill of over £300,000, most of which is spent in the Dungarvan area.

Encouragement is given to employees to participate in the various educational courses now available, which offer promotional prospects and Mr. Whelan's success is the result of that policy. At present several employees are participating in various courses, including languages.

With a continuation of forward thinking such as this wonderful team spirit which exists the company can look forward to the challenge of Europe without fear.

Some of the conclusions which emerged from a Government sponsored investigation into the leather industry published recently which was set up by the Minister for Industry & Commerce to examine the progress of Irish industry in its preparation for free trade were that: (1) Considerable investment in adaptation and re-equipment in preparation for free trade had been made; (2) The adoption of clearly defined marketing and production policies with an up to date knowledge of home and export market demands, as actioned by market investigation and interpretation.

As well as having Work Study in operation the firm continues vast investment in adaptation and re-equipment, in preparation for free trade and further development. Whilst marketing and distribution policies are clearly defined with the aid of market investigation and interpretation, an up to date knowledge of home and export market demands is acquired.

## Beach Material Regulations

On the question of people taking sand and gravel from the foreshore, Mr. J. D. Hally (Co. Engineer), in reply to a question from Mr. Austin Deasy, informed last Monday's meeting of Waterford County Council that no individual who had traditional rights to the materials would be stopped from taking them.

Mr. Hally said it was the big contractor they were out to step and if they did not they would be faced with an acute coast erosion problem.

Late Mrs. Margaret Hurton

Congress Villas, Dungarvan It is our sad duty to chronicle the death of Mrs. Margaret Hurton, late of Congress Villas, who died during the early hours of Thursday morning, February 10, at St. Joseph's Hospital, Dungarvan. Deceased was wife of Patrick Hurton and a member of a very old and most esteemed Dungarvan family.

MR. and MRS. PATRICK CURRAN, Aghlish, at the Hunt Ball on Monday night

She was a lady of the first degree and the possessor of many wonderful qualities which endeared her to a large circle of life long friends. She was a loving wife and a wonderful mother and brought up her family in the true Christian way of life, and who now mourn her passing. Her remains were removed on Sunday evening to St. Mary's Parish Church, followed by a cortege of great proportions and were blessed and received by Rev. W. Carey, C.C. Requiem Mass was offered on Monday morning for the repose of her gentle soul and the interment took place in the adjoining family plot, Rev. W. Carey, C.C., assisted by Rev. W. Cahillan, C.C., imparted the final absolution at the graveside.

Late Miss Maria Cronin

Lisarrow, Ardmore It is with feelings of deepest regret we record the death of Miss Maria Cronin, late of Lisarrow, Ardmore, who died on Tuesday, February 8, at Ardenk Hospital, after a short duration of illness, but at the allotted span. The deceased was a lady with many charming qualities which endeared her to many life long friends. She was a member of a most popular and widely connected Lisarrow family. We tender our deepest sympathy to her sorrowing sister Mrs. Margaret O'Reilly, Mayfield Road, Cor and also to her many nephews and nieces and relatives, who now mourn her loss. Her remains were removed on Wednesday evening to Grange Church and, followed by a large cortege, were blessed and received by Fr. O'Gorman, C.C. Requiem Masses were offered on Thursday morning for the repose of her soul and the interment took place in the adjoining family plot, V. Rev. W. Meehan, P.P., officiated at the graveside, when another very large concourse were present. (Funeral arrangements were by James Kiely and Sons, Undertakers, Dungarvan.)

Waterford Wheel Chair Association

The Annual general meeting of the Waterford Branch of the Irish Wheelchair Association was held recently and the following report was read: "During the year one member of the Committee Rev. D. L. Conroy resigned following his transfer from Waterford, and we thank him for all the work he did for the members of this branch during his time with us. His place was taken by Mr. G. Breatnach, who we were pleased to welcome to the branch. The membership of the branch has steadily increased as our activities and work are more widely known. During the year we were sad to record the passing of two well loved members, Anselm McCarthy and Mrs. Gannon; we offer our sympathy to their bereft families. "At the outset of the year the financial position of the branch inhibited our activities, and accordingly the first task undertaken by the Committee was the raising of funds. A most successful sponsored walk was held at Butterstown on Sunday, April 4, when a total of £1,200 was raised. We offer our sincere and heartfelt thanks to the people of Butterstown, Dungarvan and Waterford, without whose generosity this sum could never have been raised nor any of our subsequent social and welfare projects been undertaken. "In the field of Welfare we have continued to help members in a variety of ways. Some needed wheelchairs, and/or other medical aids. Some needed help with family or personal problems; in this respect funds were used to purchase a sewing machine, provide transport, specialist medical treatment and special comforts, particularly at Christmas. Christmas cards were sent to members and some gifts, which took the form of waterproof capes for the gentlemen and light weight tweed stoles for the ladies. "The first social of the year was a pre-lent one, which was attended by members of the branch from as far away as Mt. Mellory, Clonmel, Carrick-on-Suir, as well as Dungarvan and the bulk of members from Waterford city and environs. In May the Branch had an outing to Lismore. After refreshments and lunch at Ballyraheen House they were taken on a conducted tour of Lismore Castle. Our Chairman's husband Lt. Col. J. Sileock made the necessary arrangements as well as organising the building and placing of special ramps to facilitate wheelchair access. We should like to thank him for making this a particularly pleasant outing. "The Annual Holiday weekend at Tramore was held in mid-June, members being once more accommodated and devotedly attended by the Moore family at the Atlantic Hotel. The holiday was much enjoyed by everyone. "In the course of the year we have had much help and many kindnesses from people all over the county and outside it—some officials and many private individuals—for these we are most grateful. As our membership expands and we undertake more work more widely, we shall continue to need help by way of funds, gifts and transport. We hope we can look to our many old friends and more new ones for support."

Waterford Wheel Chair Association

ACKNOWLEDGMENT KEATING. — The brothers, sisters, nieces and nephews of the late Elizabeth M. Keating, "Seaview", Ardmore, wish to thank most sincerely all those who sympathised with them in their recent bereavement; those who sent Mass cards, telegrams and letters of sympathy. The Holy Sacrifice of the Mass will be offered for the intentions of all. WALSH.—The wife, daughter and relatives of the late Jack Walsh, wish to return sincere thanks to all those who sympathised with them in their recent bereavement; sent Mass cards, telegrams and letters of sympathy; called personally or attended the obsequies. They especially wish to thank the kind neighbours who were so helpful in every way and visited him while in hospital. They trust this will be accepted by all in grateful acknowledgment as they regret they cannot thank each one personally, as Mass cards and messages of sympathy were too numerous to write to all. The Holy Sacrifice of the Mass will be offered for their intentions.

Narrow Win for Fews Rangers

Fews Rangers 3; Ferrybank 2 Fews Rangers came from behind to narrowly defeat Ferrybank in a rather disappointing game at Progress Park on Sunday last. A strong wind blowing across the park made it difficult for the players to control the ball. Still, in spite of this, there were some passages of good football. Jim O'Shea opened the scoring for Ferrybank in the 14th minute, but coming on half time Tom Power placed Vinnie Kirwan for the equaliser. Both sides missed some good chances early in the second half before Michael Barry sent a low cross which was helped on by 12th man Franck Whelan to Vinnie Kirwan, who put Rangers ahead. With 16 minutes left for play and Rangers doing most of the attacking, Kirwan scored again. In the dying seconds of the game Gleeson got one back for Ferrybank. Fews Rangers: Pat Morrissey, J. Whelan, L. Power, W. O'Connor, P. Ahearne, O. O'Connor, T. Power, V. Kirwan, R. O'Connor, M. Barry, T. Whelan, Res. F. Whelan, P. Ferrybank: E. O'Shea, T. Hayden, M. Whelan, D. Lynch, P. Heasrne, T. GRANGE MAN'S DEATH

The death occurred recently of Mr. James Fitzgerald, Ballybrusa, Grange. Deceased was a popular and respected figure and his demise is much regretted. We join in extending sincere sympathy to his bereaved wife and family.

CLASHMORE FAMILY BEREAVED

The death has occurred of Sister Mary Patrick, Convent of Mercy, Coth, and a native of Clashmore. Deceased, who had spent 63 years in religion was a member of one of the best known families in West Waterford. She was aunt of Mr. R. Russell, Youghal, Mr. F. Russell, Kilmeady, Kinsalebeg and Mr. Rodmond J. Russell (Staff Officer, S.E. Health Board), Dungarvan. SALMON FISHING The current season promises to be reasonably good on the Blackwater and along the West Waterford coast. However it is generally agreed that the future of the industry is in jeopardy due to the depredations of heavy boats at sea, i.e., along the coast.

THE NATIONAL LAND LEAGUE

The National Land League is very busy in this area. However, it is generally realised that the amount of land available for division in the district is very little.

### SALMON FISHING

Salmon fishing by nets opened on Monday at 12 midnight but only two boats in the harbour fished the first day without any luck. However a large number took the next tides and according to reports some 9 salmon were taken among the boats in the harbour and bay.

A number of licenses, mostly unexpired, were not taken out on the appointed day but it is expected that they will come forward by this week-end. This year eight new licenses were issued at the fishery office at Youghal.

### LATE MR. WM. DOWER

Deep regret was felt at the announcement of the death on Monday last at the Mercy Home Cook of William Dower, 1, Fitzgerald's Terrace, Youghal, formerly of Waterford. Mr. Dower served for 12 years in the Irish Army with the rank of Sergeant and on his retirement was a local postman. He took an active part in the fight for Irish freedom and was a well-known member of the West Waterford Brigade Old IRA.

The remains were removed to St. Mary's Parish Church where Requiem Mass was celebrated on Wednesday and the funeral followed by a large gathering took place immediately afterwards to North Abbey Cemetery. He is survived by his widow and family, to whom deep sympathy is extended.

### YOUGHAL MUSEUM

An all-out effort is being made by the Urban Council, Forane, V. Rev. John Canon McGrath, P.P., Ardinnan; V. Rev. Patrick Canon Power, Clerk Tower by submitting any historical documents of interest. The Council stressed at their recent meeting that the museum did not contain all the items it should. There is plenty of space for many more items and he hoped the response to this appeal would be good.

### FINED £20 AND DISQUALIFIED

An East Cork motorist was disqualified from driving for the second time in a week, at Youghal Court, when con-

victed in his absence of driving without insurance at Youghal on October 23 last. He was John Tray of Bgk. Youghal, who it was stated, had several previous convictions under the Road Traffic Act. Guard McNulty said the defendant had on the previous Friday at Castlemartyr Court been fined and disqualified for six months, on a similar charge.

The D.J. imposed a fine of £20 and disqualified him from driving for 12 months and ordered that the conviction and penalty be endorsed on his driving licence.

### RESOLUTION ON N.I. DEFERRED

At a recent meeting of the Urban Council a resolution from the Tralee U.D.C., pertaining to Northern Ireland, resulted in sharp exchanges between members of the Council.

The resolution called on the Government of the 26 Counties to organise the army, call up reserves and all other defence forces and place them at strategic points along the border to protect their people in the North "and to cooperate fully with the freedom fighters who were protecting the people against the atrocities of the dwindling British Empire."

There were two proposals, one for adoption and the other to be marked "read." It was finally decided that as three members were absent, it be deferred to the next meeting. This was carried on a 4-2 vote.

# RUGBY NEWS

### MUNSTER JUNIOR CUP

Dungarvan 3, Tralee 21. Tralee were clear winners of this first round tie at Dungarvan on Sunday last. The home side never settled into the game, having lost Sean McGrath through injury after 15 minutes. This meant that the back division had to be reshuffled and the forwards were reduced to 7. The problems were further aggravated when Billy Harty damaged his finger.

On the form displayed, it is probable that Tralee, who looked quicker, fitter and better organised, would have won out, even if Dungarvan were at full strength, but nonetheless, it is disappointing to lose a match when handicapped by injuries.

The Dungarvan forwards played really well and particular mention must be made of John Byrne, who is in his first season as a rugby player.

## APPEAL FOR FUNDS

Very Rev. Canon T. J. Fitzgerald, President, makes the following appeal for financial assistance for St. John's College, Waterford.

"It is now four years since St. John's College appealed to the priests and people of the diocese for financial assistance. The occasion for that appeal was the need to repair and restore the building on the centenary of its foundation. Your generous response enabled us to renovate the College and put it in a condition fit to welcome back to their Alma Mater over half of the five to six hundred priests, former students, who are now serving in Ireland, England, Scotland, Wales, the U.S.A., South America, Canada, Australia, New Zealand and South Africa.

"Since then we have had to face new problems and a new situation. An outbreak of fungus involved us in very extensive repair work costing over three thousand pounds. In addition, extraordinary repair work to the roof of the College cost a further two thousand pounds.

"The new situation with which we are faced is one which is common to all seminaries at the present time: the problem of reduced numbers. Our present number of students is half what it was ten years ago. And, of course, overheads go on increasing, as do Rates and Insurance Premiums and the cost of living generally.

"Our College was built in 1868, some twenty years after the famine, at a cost of twenty-four thousand pounds. It must have been a great sacrifice for the priests and people of the diocese to raise such a large sum of money at that time to further the work of Christ and His Church throughout the English speaking world. Since the day on which the foundation stone was laid in 1868 some fourteen hundred priests have been ordained in the College.

"Their contribution to the work of the Church in many lands will never be fully known to us. But we do know that the Bishops, priests and people of our diocese, both in the past and in the present, share in that great work. This is our chief response to the missionary call to spread the faith outside our own diocese and outside our own country. It is the principal missionary effort of this diocese.

"In the present era we are being constantly reminded that the human race is one great family and that we have responsibility to share the good things we possess with our brothers and sisters in Christ throughout the world. It was Pope Pius XI who said: "there are none so poor as those who lack the knowledge and grace of God." The general unrest of our times bears witness to this. It underlines the truth of the words of Our Lord: "man does not live by bread alone." Those who went before us believed that. They expressed their belief in the very practical way of building this College.

"Our problem at present is: ordinary yearly income from students' fees and all other sources is £4,000 less than we need each year to run the College. Our Bishop, the Cathedral Chapter, the priests of the diocese, have shown great interest in our problem and an eagerness to help. Thus encouraged, we make this our first annual appeal for £4,000. We feel sure that we can rely on your faith and generosity to support this diocesan missionary work for Christ."

## Co. Council Offered

### £200,000 Loan

In a report submitted to the meeting of Waterford County Council, held on Monday last, Mr. C. O'Connor, Co. Manager said that Waterford Corporation had offered a £200,000 loan to the Council, at a rate of 6 1/2% interest.

Mr. O'Connor said however that as the quarter ending June 30 was their "good" quarter, they didn't really need it. He said, however, they would take the loan at a later date if the offer still stood. He stated that it was through the good offices of Mr. William Kennedy, T.D., who is a member of both the Corporation and Co. Council, that the offer had come about.

Mr. O'Connor (Chairman) expressed his thanks to Mr. Kennedy for "his very fine gesture."

The announcement was made by the Manager after Mr. J. G. Dowling (Co. Secretary) told the members that overdraft accommodation of £400,000 would be required for the next quarter ending June 30. This was an increase of £50,000 on the corresponding quarter last year, while their debit balance on March 31 would be an estimated £50,000.

Mr. Patrick Cahill said it seemed to him that while Waterford Corporation were getting richer and richer, the County Council was getting poorer and poorer.

The meeting unanimously approved of the £400,000 overdraft accommodation for the coming quarter.

# Prize Winning Composition

The following is the composition written by Marian Ryan, Leaving Cert., Presentation Convent, Dungarvan, which won first prize (senior) in the recent competition sponsored by the . . . As a young person matures the question of choosing a career takes on considerable importance. As one matures the problem of choosing a career becomes very realistic. Why? Because in recent years people have begun to realise that the choosing of a suitable career is of vital importance.

Very few of us are normal things to find people who did not even know the meaning of the word 'career'. Today there is such a wide variety of careers available to us that it is absolutely essential that we choose the suitable one. A person's happiness could be determined on whether or not he chooses a suitable career. It could lead to his elevation or his ruination.

In my opinion these who are constantly in contact with a young adolescent are those who influence him most. These are particularly parents and teachers, for therefore his choice depends largely on the amount of advice, be it good or otherwise that he receives from his daily contacts. But very often the adolescent is left alone to choose his own career. Some parents tend to show a great deal of indifference when it comes to this stage in a child's life. They seem to think that once a child has completed his secondary education that he just automatically walks into a job. All too often it does happen that a boy or girl takes opportunity of the first available job. Very often the leading to the absolute ruin of the individual, and all because a little extra time was not taken so as to give him the chance of making a proper choice.

Sometimes it will be found that parents advise their children to choose a particular career just because it has been a family tradition or because they would become highly esteemed by the upper class if they chose such a career. But in reality such parents are playing a major part in helping to destroy the best of their own children. Some people may think that this is absolute nonsense, but we just have to face up to the fact that this is true, and that it is a frequent occurrence. Take for example a boy who has completed his secondary education and who wishes to become a motor mechanic but his parents object. They want to send him to the University to study medicine. It is inevitable that the parents should be the stronger of the two parties. So he decides to go to study medicine in the university just to please his parents, but completely against his own will. It is obvious that this boy will not succeed in his examinations, because he is doing something completely against his will. Gradually he could begin to take drink or drugs. He believes that these will give him relief from his troubles. Very often such people could become so addicted to drink or drugs so as to become alcoholics or drug addicts, and eventually this could result in death. People may ask how could such a boy have taken the wrong road. The answer is very definite. This boy had been ferretted to choose a particular career which he himself completely resented. Because he is unhappy and discontented he will obviously desert his position. Thus the result is evident when an individual is not allowed to choose his or her own career.

It is essential that guidance should be given to the young adolescent when choosing a career. If an individual has been well advised during the younger years, then when the time comes for making the final decision he will face up to it like a mature person. He will have given this thought much consideration and as a result he will make a wise choice. A person who has chosen a career in such a manner will attain the job for which he has worked and yearned for many years. He will be happy and contented with his work. It is obvious that such an individual will have a very strong influence on his fellow workers. He will help to enliven his place of work and give it a gay happy atmosphere.

It is also necessary to consider those who do not receive guidance from their parents or teachers. Thus a career guidance course is necessary to help such people to make a suitable choice. Such courses usually consist of one or more lectures and also an exhibition. Usually at such an exhibition pamphlets are issued to those who are interested. They contain information about many different careers, for example: advantages, disadvantages, prospects and salary. Recently such a course was held in our town through the initiative of the local Junior Chamber of Commerce. An exhibition was also included in the Career Guidance Course. This course was mainly for the benefit of local leaving certificate students. I think it is true to say that all aspects concerning a career were catered for. Therefore this course was of immense value to all who availed of it. This effort by the Junior Chamber of Commerce shows their concern for the future of the youth of Dungarvan, and it was certainly appreciated by one and all.

It must also be remembered that various factors must be considered by the individual having chosen his career. If he has decided to go to the University he must consider his parents who will be financing his education. He will have to ask himself a number of questions. Can his parents really afford this money? or will he be imposing a great financial burden on them? Having overcome the financial side he will then have to find out what are the future prospects for such a job. Are there any openings for such work or will he find it very difficult to find employment when he has qualified? Very often people forget to ask themselves these questions. They rush blindly into any available job with the result that they are constantly changing from one job to another. This can have a very disturbing influence on an individual and sometimes it could lead to various mental illnesses.

From the very beginning nature has intended a definite way of life for each and every individual. It is up to each person to decide for himself if he wishes to obey or disobey the will of nature. If he chooses the latter it could have a catastrophic result for him. So when choosing a career the words of Sydney Smith could be borne in mind: "Be what nature intended thee to be, Be anything else, and thou wilt be a thousand times worse than nothing."

**LATE PATRICK ANGLIM**  
The late Mr. Paddy Anglim, Clonlog, Cappagh, whose death occurred at Arkeen Hospital, Waterford recently, was a well known figure in the Ballinacott district where he was employed and spent his youthful years before going to Glendog.

An exceptionally quiet and reserved personality, hard-working and strictly honest, he was well liked in the Touraneena parish. To his bereaved wife, sister-in-law and his sister Mrs. Kate Coffey, Bennettschurch, Ballinacott we tender our sincere sympathy.

**Late Mrs. Mary McGrath**  
Lacken, Dungarvan  
It is with feelings of the deepest regret we place on record the death of Mrs. Mary McGrath, Lacken, Dungarvan, which sad event took place at St. Joseph's Hospital, on Friday, February 11, after a period of illness patiently borne.

The deceased was a member of a well known and popular Kilmacshane family and relict of Joseph McGrath, who predeceased her by some years. The late Mrs. Mary McGrath was a gentle and most retiring lady and was extremely popular over a very wide area.

To her sorrowing family, brother and relatives we extend our deepest sympathy. Her remains were removed on Saturday evening to Kilmacshane Church followed by a cortege of great proportions and were blessed and received by Rev. C. Kelliher, C.C., assisted by Rev. M. Walsh, C.C., Abbeyside.

Requiem Mass was offered on Sunday morning and the interment took place in the adjoining family plot when another large concourse were present. Rev. C. Kelliher, C.C., assisted by Very Rev. J. Lawn, P.P., officiated at the graveside.

Very many Mass cards were received and some floral tributes were placed on her grave.

The chief mourners: Noel Lacken (son); Mrs. Kay Power, London; Mrs. Mary Crotty, Ballinacott (daughters); Robert Quilty, Kilmacshane (brother); Brian Brown, London; Wally Crotty, Ballinacott (son-in-law); Mrs. Ann McGrath, Lacken (daughter-in-law); Mairie, Patricia, Joseph, Michael and Sean McGrath, Douglas, Robert and Alexandra Brown, Mary, Gerard, Ann, Siobhan and Catherine Crotty (grandchildren), and a large circle of nephews, nieces and relatives.

(Funeral arrangements were by James Kiely and Sons, Undertakers, Dungarvan.)

## TALLOW NOTES

LATE MR. MICHAEL O'CONNOR  
It is with feelings of deep regret we record the death of Mr. Michael O'Connor, Ballinacree, Tallow, which occurred unexpectedly on Monday, February 7. Deceased was one of the district's most popular residents. A great lover of outdoor sports, his first love was foxhunting and he was an ardent follower of the local Hammers Club and the West Waterford Hunt. He founded the Kilmacshomas Blazers Harriers Club and was Master for a number of years.  
In the mid-fifties, he, along with Rev. John F. Morrissey, C.C., and William Neville and some others, formed the Shamrocks G.A.A. Club and was vice-chairman up to the sixties. He very generously gave a field to the club free of charge.  
In his younger days he was a foreman employed by the I.L.C. in the division of land in the Tipperary area. Socially he was the life and soul of any party with his witty songs, jokes and stories. He was a well known farmer and agricultural contractor.  
His death at the age of 63 has caused a void in the area which will be hard to fill.  
One of the largest congregations seen in the area for a number of years accompanied the remains to the Church of the Holy Cross, Kilmacshomas on Tuesday evening where Requiem Mass was celebrated on arrival. The coffin was borne into the church by members of the Shamrocks G.A.A. Club and a guard of honour from the club also rendered honours at the burial on Wednesday, which took place following Requiem Masses. Very Rev. T. Draper, P.P., Knockanore, Rev. M. O'Byrne, C.C., and Rev. C. Scanlon, C.C., Waterford, officiated.  
The chief mourners: Mrs. Elizabeth O'Connor (widow); Messrs. Thomas and Richard O'Connor (sons); Mrs. Maureen Ryan and Miss Noreen O'Connor (daughters); Mr. John O'Connor (brother); Mrs. R. Cahill Lismore and Nora, Edgland (sisters); Mr. Tom Ryan (son-in-law), and a large number of cousins and relatives.

## NIRE VALLEY NEWS

ANNUAL QUESTION TIME  
Fourmilwater Hurling Club will hold their annual Question Time at the Parish Hall, Ballinacree, on Thursday, February 24. Teams from all over West Waterford and South Tipperary will compete. Following the Question Time the Waterford Musketeers will supply the music for a short dance.  
LATE MR. WALTER BRAZIL  
With deep sorrow we record the death of Mr. Walter Brazil, which sad event occurred at his residence Glenacree, Ballinacree, on Wednesday last, February 9, following a short illness.  
Deceased was in his seventies and had been in indifferent health for some years, and was like all men of his generation from the Nire Valley, hard working and honest, and was ever ready to help a friend or neighbour in trouble or distress.  
To his bereaved wife, sons, daughters and relatives, we tender our deep sympathy.  
On Thursday evening the remains were removed to the Nire Parish Church, and following the celebration of Requiem Mass on Friday morning interment was made in the family plot in the adjoining cemetery, R.I.P.  
SOCCER  
Ballinacree struck the soccer headlines on Sunday week last when they defeated the league leaders Old Bridge 1-0, in the Tipperary league.  
PLAY FOR MUNSTER  
On Sunday next, when Munster trot out in their Railway Cup tie, the Nire's Jim Wall will be out there in the number 3 jersey.  
All goals wish Jim the best of luck and let's hope he collects a Railway Cup medal to add to his collection this year.  
SPRING STATIONS  
The Spring Stations will commence at Fourmilwater Parish on Monday next, February 21.  
MASS DURING LENT  
During Lent, Mass will be celebrated at Fourmilwater Parish Church each Friday evening.

## ASKED TO CARRY PICKS AND SHOVELS IN PRIVATE CARS

Mr. Patrick Cahill asked at Monday's Waterford Council meeting at Dunganvan, if it was fair that plumbers serving the County Council should be asked to carry tools such as picks and shovels in their private cars, and at the same time receiving the pittance sum of 21p. per mile expenses.  
Mr. Norman Walsh (Chairman) said that this was the concern of the Union.  
Mr. Cahill: "All the same, it's not fair that they should be asked to use their private cars in this manner."  
Mr. D. Connolly said that the question of the 21p. per mile expenses was under review at the moment.

## SPONSORED WALK

To help pay off the debt on Tallow Gaelic Field a sponsored walk will be held on Sunday, March 5.

## PUBLIC TOILET

Once again we must refer to the lack of a Public Toilet in the town. The lack of this facility in a town of Cappoquin's size is deplorable. It is no good blaming that powers that be, the blame lies with ourselves, as if we want this amenity we will have to fight for it.

## JUMBLE SALE

The Jumble Sale in aid of funds for the Parish Hall, held on Sunday last proved to be an outstanding success. The committee are to be congratulated on their wonderful zeal and zest.

## FIANNA FAIL DANCE

Affine/Cappoquin and Melroy Fianna Fail Cumainn held their first Annual Dance at the Boghouse on Sunday night last. First class music was provided by the Pat Burke 7 (Cahill).

At the Point-to-Point Races were Masters Alan Flynn, Joseph English and M. O'Donnell

## DUNGARVAN PLAY CHALLENGE

A Committee meeting will be held at the Commercial Club on Saturday night next at 8 o'clock.

## CHAMPIONSHIP REVIEW

This week we review last year's senior football championship. By and large it was an interesting campaign which created great interest and produced some good games, but overall the standard did not reach the expected level. Stradbally commenced with a flourish by defeating Tramore; the defending champions John Mitchels unquestionably the glamour team of the championship, proved too strong for their arch rivals Kilrossanty, while other teams to impress at this stage were Dunhill and Clashmore.

Stradbally opened well against Mitchels, but on an evening when the skies literally opened, the champions' greater experience was the deciding factor. Tramore were now once again battling their way back via the losers group, accounting for Kilrossanty first, then defeating Ballinacourty by a single point in an exciting tussle and in the final of the losers group they proved too strong for a resurgent Brickey Rangers team. After two tries Kill knocked out Gaultier and the stage was set for the semi-finals in which Kill and Tramore played a draw and the replay, which was one of the best games of the championship, went on at Dungarvan, with the second semi-final, between Mitchels and Dunhill.

The outcome of this double fixture, which attracted a huge attendance to the Fraher field resulted in a big win for Mitchels, while Tramore just held on despite a great rally by a determined Kill team, and in the county final the Seaside tore the form book to shreds and in doing so they served up as fine a display of combined team play as we have seen for a many a long day, to capture Tramore's second senior crown.

**Footnote.** — It would be wrong to leave this short review of last year's senior football championship without mentioning the fact that due to unsporting conduct one game had to be abandoned, and the manner in which this affair was subsequently handled by the Co. Board certainly did not meet with universal approval to say the least of it. Of course some officials feel that the Press should not have the authority to comment on such affairs, but needless to say the Press are entitled to their opinion, which will be published at all times.

## LONG-AWAITED FINAL

Six months ago Tallow U-14 footballers captured the Western championship title when they defeated Abbeyside at Cappoquin on a sunny August evening. One wonders how much longer the Bridesiders must wait before the county final is played. At least it's about time that a definite date was announced for this long awaited final.

## U-17 COMPETITION

Whatever happened to the special U-17 football competition which commenced last November? I am aware that at least one group completed its schedule of games, but as to what the overall position of the competition—no one seems quite certain.

## CHAMPIONSHIP DRAWS

In the coming weeks we will be reviewing the coming Western Board championships now that the draws have been made. No doubt there will be intense interest in the intermediate and junior hurling championships this year as the eventual Western champions in both grades will be strong favourites to annex county honours due to the unusual position obtaining in the Eastern Division.

An amazing feature of the intermediate hurling pairings is that for the fourth successive year local side Eire Oge are pitted against Shamrocks, while in the intermediate football championship Ardmore again face neighbours Ring, while we have a local derby clash between Eire Oge and Dungarvan.

## STRONG TEAMS

**Tallow.**—The addition of the Ryan brothers (Sean and Liam) must considerably boost Tallow's chances of winning this year's intermediate hurling county title. Both players captured championship medals with Youghal in the Cork championship and both also held All Ireland intermediate medals which they won with Cork.

**Lismore.**—Lismore could be very strong contenders for senior honours this year as there is a new spirit abroad in their club and the addition of Patsy Quinn and Tom Lander, both of whom are accomplished hurlers by any standard, must add further strength to their promising team.

## FIRST OUTING

The Abbeyside Club had their first outing of the season on Sunday last when their hurlers travelled to Tallow, and played the home club in a challenge game, which produced some passages of good hurling despite the difficult conditions.

## ABBEYSIDE/BALLINACOURTY CAPTAINS

The Abbeyside/Ballinacourty Club has appointed the following captains for 1972:—  
S.H. Joe Power; vice-do, John McGrath; J.H. Joe Flynn; vice-do, Larry Cliffe; U-21H, Michael O'Flynn; vice-do, Martin Kiely; M.T. Eddie Cashin; vice-do, Pat McGovern; U-16H, Donacha Griffin; vice-do, Seamus Cleary; U-14 H, John Regan; vice-do, Jim Kiely; S.F., Greg Fives; vice-do, Jimmy Fraher; J.F., Bernard Shields; vice-do, Michael Power; U-21F, Jimmy Fraher; vice-do, Michael Connors; M.F., Richie Hanrahan; vice-do, Vincent Feeney; U-16F, Kieran Young; vice-do, Brendan Hogan; U-14F, Raymond Fives; vice-do, Joe Wright.

## SARGENT CUP

The Sargent Cup competition commences on Sunday next and all going well four Western Clubs will be in action. Tallow take on Ballygunner at Tallow and it will be interesting to see how the Bridesiders fare against such renowned opposition. Lismore should account for Eire Oge's own at Lismore, while Four Milewater face De La Salle, and Abbeyside play Dunhill. At the time of writing the venue for the latter game has not yet been decided.

## RAILWAY CUP GAMES

Both Munster teams will be in action on Sunday next in the Railway Cup competitions against Connacht. Waterford will be represented by Jim Whelan and Pa Walsh in football and John Kirwan in hurling, while Martin Hickey has been named as a stand-by substitute.

## LOCAL TRANSFERS

On last Saturday night, at the Western Board meeting a number of local players changed clubs. Among those transferred were Mick Brett, who went from Eire Oge to Brickey Rangers for football purposes; Mickie Sheridan transferred from Eire Oge to Dungarvan, while John Walsh moved from Dungarvan to Eire Oge, and Amby McGovern and Monnie Lennon transferred from Eire Oge to the Abbeyside/Ballinacourty Club.

## MUNSTER SEMI-FINAL

Waterford's Scór '72 champions will be in action in the Munster semi-final at Clones on Friday night next when they pit their talents against Tipperary and Cork.

## COUNTY SELECTORS

The executive committee of the Co. Board have named the following selection committees from their meeting on Tuesday last:—  
Senior Hurling: Pat Coffey (Portlao), Seamus Power (Mid Sion), Joe Coady (Eire Oge), Dave Doyle (Tallow), Tom Cunningham (Dungarvan).

Senior Football: P. Flanagan (Tramore), S. Maher (Kilrossanty), M. Flynn (Stradbally), Fr. Kennedy (Clashmore), Ned McCre (Dunhill).  
Minor Football: Tom Hennessy (Kill), S. Collins (Ferrybank), Tom Scanton (Affane), R. Abernethy (Stradbally) and one representative from Tallow.

The appointment of the remaining selection committees was deferred.

# Western Board Meeting

The Western Board Draws and Fixtures meeting attracted a full attendance of delegates to Cappoquin on Saturday night last. In all the championship draws for ten of the Board's 12 competitions were made with a total of no less than 117 teams entering for the ten grades.

## JUNIOR CHAMPIONSHIPS

With only eight teams allowed to enter the open club section of the junior championships competition was naturally keen to fill the vacancies. In hurling Brickey Rangers, Stradbally and Melloy Rangers were allotted the vacancies.

Dick McAllister (Brickey Rangers) told the meeting that his club would not be affiliating in the intermediate grade, but that they would be entering a team in the senior hurling championship.

In football three clubs sought admission. There were two positions open and these went to Ballinacourty and newcomers Ballywilliam, with Ballyduff remaining in the intermediate grade.

## TRANSFERS

No less than eleven of Tourin's championship winning team were transferred to Lismore, while a number of juveniles were transferred from Eire Oge to Dungarvan. Tourin's well known hurlers Patsy Quinn and Tom Lander were also transferred to Lismore. The meeting was told that there are inter-county transfers pending for the Ryan brothers, Sean and Liam, from Youghal to Tallow (a big catch for the Bridesiders).

## REGRADES

Lismore's application to have all eleven players transferred from Tourin regraded from intermediate to junior football grade, ran into

strong opposition and nine of the players involved who had played in last year's county final with Tourin were refused regrading by 51 votes to 17. Otherwise regradings followed the normal pattern, with most clubs regrading approximately eight players. However it is most likely that any further applications from clubs who have had a number of players regraded, will be closely scrutinised at the next meeting of the Board.

## U-21 CHAMPIONSHIPS

The draws for the U-21 championships were deferred until the next meeting of the Board, which will be held at Dungarvan on tonight Thursday.

## B.L.E. ATHLETIC NOTES

# Tony Ryan Snatches All Ireland Title From John Treacy

At Roscommon racecourse on Sunday last, Tony Ryan of Dungarvan made a glorious exit from juvenile ranks when in a pulsating finish he snatched the All Ireland Cross Country u-16 championship from John Treacy of St. Nicholas A.C. Make no mistake about it, this was a close call for Tony from his great rival, and the performances of these two young athletes was the outstanding feature of a great day's sport.

They were the only two Waterford athletes to collect all Ireland medals on a day dominated by Cork and Dublin.

From an early stage it was obvious that young Treacy meant business when he had everything to gain and nothing to lose, as Tony Ryan was a clear favourite to collect the title.

Rogers and Byrne of Dublin were the early pacemakers followed by Treacy and Paul Craig of Derry, with Tony Ryan next and the gallant Richard O'Donovan of Frisky A.C. recovering from a disastrous start in 6th position.

With over a mile to go John Treacy had supported the Dublin boys and with half a mile to go he had in fact taken a small lead and looked set to cause the upset of the day.

However, Tony Ryan was not yet finished and decided to make a do or die effort

to catch the boy from Villiersdown who was still leading with about 200 yards to go. Slowly but surely the Dungarvan boy closed the gap and with great determination passed his rival to go on to win.

No praise is too high for Tony Ryan who turned apparent defeat into glorious victory, but he was the first to admit that John Treacy gave him a great fight!

So the Dungarvan boy has finished his juvenile cross country career in a blaze of glory, but full marks to John Treacy for making it such a memorable race, and in these two boys Waterford have two of the finest prospects in the country.

The heartbreak stories of the day belong to Richard O'Donovan of Frisky A.C. and Michael Casey of Cove Athletic Club Stradbally, as both had the galling experience of finishing in 7th position with medals for the first six. Still, their performances were something to be proud of since they finished so well up in such exalted company.

Other notable performances were given by Sean Meehan, Michael Fitzgerald and John Moloney of Dungarvan; Anthony Kelly of St. Joseph's A.C.; Joe Ahearn of Shamrock A.C. and Kevin Curran, Michael Manahan, Elizabeth Treacy and Kathleen Kelly of St. Nicholas A.C.

A word of thanks to former Dungarvan resident Timmy Regan, whose help and encouragement was much appreciated by the band of athletes and officials from Waterford, who made the long journey to Roscommon. Timmy, who now lives in Athlone travelled to Roscommon to cheer on the Waterford athletes—a fine gesture indeed.

On Saturday next at Rockwell College the Munster Schools Cross Country championships take place and once again Tony Ryan and John Treacy will do battle for honours. It should be another great race, especially with Eddie McCarthy of Cork also in the field and here's wishing the Waterford boys the best of luck in their quest for further honours. Also in line for medals should be Ray Treacy, Sean Meehan, Michael Casey and Michael Fitzgerald. On Sunday the focus will be on Fermoy with many boys and girls from west Waterford battling for honours in the festival of juvenile races.

## John Mitchells Disappointed!

Great disappointment has been expressed by John Mitchell Club and supporters, on the news of the exclusion of Tony Kirwan from the senior football selection committee, especially at a time when the county senior football team is doing so well. In fact, we learn that the Club is considering withdrawing their five members at present on the football panel as a protest.

# Galway Too Good For Waterford

Galway hurlers assured themselves of a place in the quarter-finals of the National League when they defeated Waterford at Galway on Sunday last. Galway made sure of this with a tremendous display late in the second half, to which Waterford had no reply.

Until shortly before half time Waterford, with a strong wind at their backs, looked the more convincing side. The pairing of S. Power and M. Hickey dominated at centre-field.

But shortly after the resumption Galway got more and more of the ball and centre-fielder John Connolly picked off some vital long-range points.

The visitors opened with a surprise goal by Pat Enright in the first minute, but by half time had made little use of their early chances and, with Galway coming more into the game, finished the half only 2-3 to 1-5 ahead.

Galways were level by nine minutes in the second half and a Waterford bid to regain the initiative, with points by Enright and Power, was crushed by a Des Coen goal and a series of points.

Pick of the Waterford side were Pat Henneberry and Dave Duggan in defence, centre fielder Seamus Power, and forwards Pat Enright, Michael Ormend and Vinny Connors.

Waterford scorers were: P. Enright (1-3), V. Connors (1-0), S. Power, P. McGrath (0-1 each).  
Waterford: M. Foley; P.
