Signposting change for Tarr's Bridge

On the completion of the roadwidening scheme now underway at the Burgery, Dungarvan, the signposting of the controversial Tarr's Bridge Junction will be altered, the County Engineer, Mr. Hally, revealed at the last meeting of Waterford Co. Council. The realignment had already been designed. There will now be only one major road—that from Waterford to Dungarvan. The junction will be on the same principle as the Master McGrath one.

It is hoped to have the scheme completed within the next twelve months, taking into account all the legal difficulties being ironed out concerning the C.P.O's.

More plans for £4,000 Grant

Bord Fáilte has again rethis register be as precise as Waterford Co. Council on the spending of a £4,000 Gaeltacht Amenity Grant in the Helvick area. At a previous meeting of the Council it was decided to dispose of the grant by providing a protective railing over the top of Helvick and to spend the remaining £3,000 on coast protection works at the mouth of the Cunnigar. The Cunnigar was originally an area of 44 acres but over the past few years due to severe erosion has decreased to 20 acres. The Cunnigar scheme was rejected.

Colr. M. Harty said only a bullwark is saving the main road but this is also slowly being eaten away unnoticed to almost everyone. He considers Bord Fáilte is making a serious mistake and is not giving serious consideration to the disposal of amenity grants for the Gaeltacht areas.

The grant has to be disposed of before March 31st next.

It was decided to spend the money on the provision of two car parks—one below the Post Office at Ring and the other in Mullinahorna, as well as improvement works at Ballinagoul.

Not Too Late Yet

Mr. J. G. Dowling, County Secretary, said at the last meeting of Waterford County Council, that late claims for the Register of Electors will be considered and may be considered for another week or two. It is essential, he said, this Register be as precise as possible with the Presidential and local government elections coming off this year. He emphasised it is not essential to use the Official form. As there has been a shortage of claim forms, some were distributed among the Councillors.

Kilmac' proposed for Maximum Industrial Grant

Colr. Tom Foley at the last meeting of Waterford County Council proposed that the Council apply to the Industrial Development Association (I.D.A.) that Kilmachomas be designated an area to qualify for the maximum industrial grant. This is an area, he continued which has been associated with the milling industry over the year and which industry carries a considerable amount of importance in the area. However, he said the job opportunity, is nil, since this Kilmachomas is considered by him as an ideal area for attracting industry to and there is also a good water supply in the area. This proposal was seconded by Colr. M. Hennebery who

said it is a place where a large amount of development could take place and it is also ideally and centrally situated. Colr. Phil Cusack associated himself with the proposal and said that any type of industry could be set up in the area.

Ballyquin Water Scheme

The proposal by Colr. P. Kenneally for a water scheme at Ballyquin has been added to the schedule which has been submitted to the Council by the County Engineer. It is hoped to commence on the scheme as soon as possible.

Kilrossanty Piped Water Scheme

Kilrossanty is a very neglected area as regards piped water supply, especially as there is no shortage of water there, said Colr. Phil Cusack at Monday's Co. Council meeting, having submitted a motion that a piped water supply be provided for the area. He continued that lots of people are looking for extensions. Colr. T. Foley said that in a time when the purchase of executive jets is being considered it is surprising a loan has to be sought for the provision of a tap for water.

WIVES AND MOTHERS

The first annual general meeting of the Association of Christian Wives and Mothers took place in Lawlor's Hotel, last Wednesday, 17th January 1973. The size and the enthusiasm of the meeting augurs well for the coming year. A constitution for the association was drawn up and formally adopted. The outgoing President, Mrs. Gerlie Morrissey congratulated the members for their enthusiasm of the past year. Such enthusiasm, she said, was the measure of the need for such an association of wives and mothers. The newly-elected Executive Committee are: Mrs. Mary Beresford, Mrs. Margo Booth, Mrs. Maureen Creed, Mrs. Avicé Casack, Mrs. Josephine King, Mrs. Rita Landers, Mrs. Mairead Mather, Mrs. Joan Mansfield, Mrs. Ann Morrissey, Mrs. Gerlie Morrissey, Mrs. Bridie McHugh, Mrs. Mary Nicholson, Mrs. Mary Riordan. Later on the committee elected for the coming year: President, Mrs. Avicé Casack; Vice-Chairman, Mrs. Mairead Mather; Hon. Secretary, Mrs. Maureen Creed; Hon. Treas., Mrs. Rita Landers; Fr. B. J. Carroll, O.E.A. Spiritual Director was also present.

ALCOHOLICS ANONYMOUS AND AL-ANON

Alcoholics Anonymous is a fellowship of men and women who have lost their ability to control their drinking. There is no cure for Alcoholism. A.A. members come together regularly because they have faced disaster through drink. They were powerless to stop drinking even when they found no pleasure in it. They are now leading sane normal lives by helping each other. They are bound together because they are all alcoholics and they know that the disease need never affect them again—provided they stay away from that first drink.
Al-Anon is a fellowship of the husbands or wives or close relatives of Alcoholics who come together regularly and by sharing their thoughts and experiences, learn to cope with their own lives and help the alcoholic to attain and keep sobriety.
A.A. Meeting every Tuesday at Friary, 8.30 p.m.
Al-Anon Meeting every Tuesday, Fatima Hall, Presentation Convent, 8.30 p.m.
In the interest of Alcoholics who want sobriety more than anything else in life... In the interest of those men and women relatives who have to live with the alcoholic, and wish to learn to cope with the problem—
A Public Meeting will be held at the Mercy Convent Hall, Dungarvan, on Friday, February 2nd, commencing at 8.15 p.m. A Lecture on the disease of Alcoholism will be given by Dr. Lane O'Kelly.

Clear Victimisation of Fishermen

The reduction in the number of salmon fishing licences being issued to people who traditionally have earned a substantial part of their income on the coast and rivers of Waterford is a matter of grave concern to Waterford County Council.
The matter was brought to light more forcibly at the last meeting when no reply had been forthcoming from the Department of Agriculture and Fisheries concerning a proposition of Colr. A. Deasy that the method of allocating licences be examined closely.
Colr. Deasy said it is a most unfortunate situation and his worst fears have been realised. Licences have been issued to some people, he said, whose income does not depend on the fishing trade. Something must be done, he continued, concerning this important industry.
Eight full-time fishermen from Dunmore East have been refused licences, as have also four in Bonmahon and several in Boatstrand, Colr. Deasy revealed.
At least four of those, he continued, all small holders, whose income in the summer months depends on the salmon fishing industry.
However, for the quota of licences to be increased, the regulations must be changed and the final say is with the Department.
Colr. Deasy however, points out he does not want a free for all, but he wants to see those who derive a substantial part of their livelihood from fishing get justice.
Another 25 licences would solve a major problem, he said.
Colr. P. Kenneally said the poor section of the community is being victimised considering men with no boats get licences.
Colr. Tom Foley said that in Ardmore small holders had been deprived and he also considers it as victimisation. We were led to believe, he continued, on entry into the E.F.C. our ills would decrease but they seem to increase daily.
Colr. C. Curran, Chairman, said licences had to be reduced to prevent overfishing and he supports all that Colr. Deasy said in that the livelihood of many had been endangered. He feels the most deserving have been denied.
Colr. Deasy agreed that the issue of licences be controlled.
A deputation is to travel to Clonmel to see the Parliamentary Secretary and discuss the situation with him.

Members of the above team are asked to check their gear because during the excitement in the dressing room after the match a number of items were mislaid. NATIONAL COMMUNITY GAMES 1972/73

1972 is now passed and gone but for some, the glory of it remains. We refer to these young athletes from the Decies who competed for the first time in the National Community games. For the majority of our 27 participants it was their first sight of Santry Stadium, but they justified their entry by their highly commendable performances with the cream of the Irish athletic world. For all, including parents, sponsors, promoters, September 16th, 1972, will be remembered with pride as the day the Co. Waterford athletes returned with 3 Gold Medals and an Overall award. That all happened in less than two months from the day National Community Games were first mooted in West Waterford.

1973 is with us—just one month old. It is now time to look to our laurels and prepare for this year's All-Ireland finals to be held in Butlins.

A meeting of the Co. Waterford Committee, National Community Games, will be held at Christian Bros. Schools, Dungarvan (by kind permis-

sion of Rev. Superior) on Wednesday, January 1st, at 8 p.m. It is desirable that everyone interested in athletics or in the many other sporting events on this year's programme should attend.

LATE JOHN SCANLAN

It is our sad duty to record the death of John Scanlan, Ballinwillin, Lismore, which occurred at the County and City Infirmary, Waterford, on Tuesday, 16th January. The deceased, who was a native of Garraunboy, Killaloe, Co. Clare was a tremendously popular figure in the locality an dhad acquired a multitude of friends in his lifetime. He had been associated with the Gaelic Athletic Association all his life and held the position of President in his own Club, Tourin. Indeed, they did not forget him as they came out in strength to form a guard of honour. Surely the immense crowds that attended the removal and burial fully testified the esteem and popularity in which John Scanlan was held.

The remains were removed the same evening to St. Mary's Church, Cappoquin, where they were received and blessed on arrival by Rev. Charles Scanlan, C.C., Ballybricken (son), assisted by V. Rev. J. Power, P.P., Cappoquin, Rev. J. McGrath, C.C., Very Rev. D. Byrne, P.P., Fourmiletwater and Fr. Queally Lismore. Requiem Mass was celebrated by Rev. C. Scanlan C.C.

GAELIC JOYTINGS

COLLIGAN MEETING.

A special meeting of the Colligan Club will be held on to-night (Friday) at Foley's Workshop. All players are specially requested to attend. It is of interest to note that the Colligan Club are not fielding any teams in the junior grade this year, therefore they will be concentrating all their energies on the Intermediate championship and they could be quite a force.

INTERESTING ITEMS

We learn that a combined Colligan, Kilbrin and Kilgobinet team will be entered in this year's U-14 and U-16 championships and this is welcome news indeed. It is believed that there is a likelihood that Clashmore, Ardmore and Old Parish may join forces for hurling purposes.

If Geraldine's application for upgrading from senior to Intermediate football is successful they will certainly add considerable interest to this year's Divisional championship.

Waterford's new hurling centre forward, Liam Power, is by all accounts quite a find. He has hurried with Amaglen in recent years and was a member of the Cork Intermediate last year.

SYMPATHY

Through columns we extend our sympathy to the family of Ballinwillin, Lismore on the death of Mr. John Scanlan, the late Mr. Scanlan's son, John, Joe, Stephen, Bernard and Rev. Charles, have given wonderful service to the Tourin club over the years. Sympathy is extended to the relatives of Tom Ducey whose death occurred last week-end. The late Tom Ducey was a brother of former Tourin/Cappoquin and Waterford stars, Liam, Billy Ducey.

WATERFORD HURLEARS

Waterford senior hurlers turned in a most spirited performance against All-Ireland champions, Kerry, at Walsh Park on Sunday last. At the end of six exciting minutes

hurling, Kerry came out on top, 3-12 to 3-4. John Galvin and Paddy Heffernan

started at centre-field and Davy Ducey and Paddy Heffernan were in rare form. The great goalkeeper Noel Sheehan denied Waterford many scores. In this score Stephen Green, Martin Geary and the Kilbrin brothers, John and Martin, were best.

There can be no doubt now but that our hurlers are quite a good team who with extra experience can put us back at the top.

CLANCY CUP FINAL

Nire 0-7; Ring 0-4. This replay of the Clancy Cup final played at Ring on Sunday last resulted in a deserved victory for Nire after a well-contested hour's football. Outstanding for Nire were Jim Wall, Paddy Joe Ryan and Kieran O'Ryan, while Tomas Maher, Pat Hogan Harry and Tom Kelly were Ring's best.

F. Ahearn (Brickey Rangers) refereed.

RECOVERING

At Lismore on Sunday last it was good to see veteran Siabhán Ó'Cona player, Tommy Hickey out and about again. Tommy received a leg injury in one of his club's championship games last August and while he will be off work for some time yet, he was certainly very happy with his team's great win.

Also present at Lismore to cheer on the home side was John Scanlan, who is also recovering from a leg injury received in an accident last year. Patrick rarely misses a G.A.A. game of any importance in the Division.

ABBEYSIDE SOCIAL

The annual Abbeyside/Ballinacorney club social held at Lawlor's Hotel, Dungarvan on last Saturday night was as usual, a most enjoyable evening. The Rev. Fr. M. Farrell, C.C., presided over the evening. Board members present were: O'Brien, C.C., Secretary; Greg Fives and Chairman; Tony Mansfield were brief and to the point. Music was supplied by the Diamonds.

Acknowledgment

The widow, sons and daughters of the late and much-loved, of Ballinacorney, of Ballinacorney, wish to thank all those who sympathized with them in their bereavement. In those who sent messages of condolence, letters of sympathy, and those who attended the funeral, they were most helpful. DUNGARVAN BADMINTON CLUB

For Dungarvan 3 the second of the League started when they played Affane 1 in Dungarvan on Wednesday, 17th January. When these two teams met in Affane in November last Dungarvan were defeated by five games to three. Last Wednesday Dungarvan reversed the situation and won by the same margin; Dungarvan winning both Ladies' Doubles, one Men's Doubles and First and Third Mixed. The most exciting match of the night was Jack Clancy and Sheelagh O'Hanlon's mixed. In the first game the home side were defeated but in the second Jack's cross shot and accurate placings reversed the situation. The third game was very tense with Dungarvan lagging behind for the first few aces; even scoring at 12 all and then Dungarvan took the lead. At fourteen all the game was set this means that the first pair to score three aces or points wins the match, the match ended with the score 18 — 15 in favour of Affane. Playing for Dungarvan were: Sheelagh O'Hanlon (capt.), Rena O'Brien, Elizabeth O'Dwyer, Kathleen O'Connell, Felix Shields, Jack Clancy (capt.), John O'Shea and Ned Harney.

On the same night Dungarvan 4 played Dunmore 5 in Waterford. When these two teams met in Dungarvan, Dungarvan with the advantage of the home venue won by seven games to one. On the return Dungarvan were short one player and after some very exciting games emerged winners by five games to three. Playing for Dungarvan were Sylvester Murray (capt.), Jack Flanagan, Michael Keating, Eric Flynn, Imelda Keohan, Anne Murphy, and Margaret Buckley.

Last Monday night, Dungarvan 2 played Melleray 1 in Dungarvan. When these teams met in Melleray before Christmas Dungarvan were defeated by six games to two. In spite of the home venue, last Monday, Dungarvan were again defeated by five games to three. Dungarvan winning Second Ladies' Doubles, Third and Fourth mixed. Playing for Dungarvan were: Mary Comerford, Mary Riordan, Miriam Healy, Rena O'Brien, Padraig de Burcha (capt.), Tony Burke, Brian Keohan and Greg Fives.

Next week: Home matches — Dungarvan 1 v Waterford 4 on Monday; Dungarvan 4 v Slevierne on Thursday; Dungarvan 5 v Ballymacarbery on Wednesday.

Away Matches: Dungarvan 2 v Waterford 7 on Wednesday; Dungarvan 3 v Health Authority 1 on Tuesday.

SENIOR TITLE FOR GER DEEGAN
At Waterford on Sunday last Ger Deegan of De La Salle A.C. proved that he is the athlete in form when he came home an easy winner of the Waterford Senior Cross Country Championship. This was another vintage display by young Deegan and in his own words after the race he said, winning the elusive senior title was something he had a long wait for. This is true as Ger has been one of the most consistent runners in Waterford athletics for the past few seasons, without at the same time winning very many races. Sunday's victory then was all the sweeter for the De La Salle athlete and his success was a popular one. After one lap of the six mile course it was obvious that this was Deegan's day and the longer the race progressed the more this fact emerged until in the end it was a foregone conclusion. Ray Treacy of St. Nicholas A.C. never got to grips with the task of outpacing his great rival and had to be content with second place but this was no disgrace when one considers that Ray is at present suffering from a temporary loss of form which comes to every athlete. However, he had the consolation of leading his team mates to victory in the inter club contest and so ensured that the Dovey Cup will rest on a Villierstown sideboard for the year. In third place was John Barry of Lismore A.C. and surely this great sportsman is a model of all that is best in athletics. He eventually wore down David Brown of Dunhill after a few miles and was full of running at the finish and what a pity his example is not being followed by his former club mates, as surely John Barry deserves better than having to run as an individual. Jimmy Costin finished in 6th place behind Roger Barron of Kin-Salebeg who showed he will be a force to be reckoned with next season in senior circles. Next came Paddy Kelly and Tom O'Donoghue of St. Nicholas A.C. and once again they played their part in gaining the honours in the inter club contest.

There was a large field for the boys U-12 race and at long last Liam Kelly of St. Nicholas A.C. showed his true form by going to the front at an early stage to dispute the issue with all challengers and in the end his greater strength and speed told, as he came home an impressive winner from Roger McGrath of Tramore and Paul Aspel of De La Salle A.C. However, his display was not enough to inspire his team mates and once again Dungarvan A.C. took the team prize, thanks to the combined efforts of Jerome Kiely, Richard and Edward Moore and Niall Flynn. In fact Dungarvan furnished two teams but due to the fact that they did not declare, two teams at the start they only got credit for one team with St. Nicholas A.C. in second place and Grange A.C. in third position. The girls U-12 race was yet another victory for Alison Corcoran of Tramore but she got plenty to do from Sheila Quinn of Grange A.C. who ran a very good race and was in contention to the very end and in fact succeeded in keeping Caroline Power of Tramore A.C. behind her. Tramore A.C. won the team prize from Grange A.C. with Bally A.C. in third place, thanks to the efforts of Margaret Flynn, Ann Crowley, Marie Power and Mary Condon. The smallest field of the day was in the girls U-14 race with Maura Clarke of Waterford Glass an easy winner from two gallant young girls from Grange, Mary Quinn and Katty Silwell. Anthony Kelly of St. Joseph's A.C. was a surprise non-starter in the boys U-14 race, which was won by Dermot Cunningham of Tramore A.C. from Michael Fitzgerald and Jim Meehan of Dungarvan, but what a different race this could have been if these two boys combined to challenge the Tramore boy. Dungarvan A.C. won the team prize with Francis Coffey and Richard Gough being the other two scoring members of the successful team. Dungarvan

A.C. completed a treble of team wins in the boys U-16 race which was won easily by John Treacy of St. Nicholas A.C. who showed he signed of his recent illness. This was a display of easy running by young Treacy and without doubt he is a class apart and seems to be coming into form just at the right time. He was followed home by Michael Casey and Michael Walsh of Bally A.C. and here we had two boys who hunted together and overcame all opposition in the struggle for team honours. In the end all their gallant efforts were in vain as the Dungarvan boys pipped Bally A.C. by three points with Sean Meehan, John Moloney and Paddy Noonan finishing 4th, 5th and 6th respectively and John Moore in 9th place just behind Kevin Barnes of Bally A.C. What a struggle these two teams will have on Sunday week when the U-16 County Championship takes place! For a change the girls of St. Nicholas A.C. had a challenge for team honours from the girls of De La Salle A.C. in the under 16 race. Once again the all round strength and experience of Elizabeth Treacy of St. Nicholas A.C. was too much for all the other girls and she was followed home by Geraldine Cullen and Bernie Flynn of De La Salle, but St. Nicholas A.C. had the next three to finish. Kay and Breda Moloney and Kathleen Kiely and so ensured a well deserved victory for their club.

On Saturday next the Waterford U-18 boys made the long journey to Tuam, Co. Galway to compete in the All-Ireland inter-county cross country championships. In the race for individual honours much will be expected of Ger Deegan, Ray and John Treacy and the race for team honours should also see Waterford figure among the medals. Let us hope that the long journey will not be in vain for the athletes concerned. The Waterford team is: Ger Deegan and Tom Aspel of De La Salle A.C.; Ray and John Treacy and Mattie Curran of St. Nicholas A.C.; Sean Meehan of Dungarvan A.C.; Michael Walsh and Michael Casey of Bally A.C. With only two more cross country fixtures to be fulfilled the race for the all round cup is at a very exciting stage and the picture to date is as follows: St. Nicholas A.C., 69 points; Dungarvan A.C., 68 points; De La Salle A.C., 49 points; Grange A.C., 45 points; Tramore A.C., 37 points; John's Park A.C., 19 points; Friary A.C., 17 points; Kinsalebeg A.C., 14 points; Bally A.C., 12 points.

Regional Game Council

The quarterly meeting of the Waterford Regional Game Council was held in the Ormonde Hotel, Dungarvan, on Friday, January 12th. The meeting was representative of the I.F.A. Macra na Feirme, the Sheepbreeders Association, Beate Clubs and Gun Clubs of the county. The Regional Game Council formed in 1968 concerns itself with game development within the county. Misconception of what game development entails is not uncommon. It has a number of facets, the principal ones being:

- (1) Erection of release pens for young pheasant poult;
- (2) Purchase of poult from game farms;
- (3) Release of young mallard ducklings on ponds and rivers;
- (4) Feeding of poult in release pens and surrounding areas on an all year round basis;
- (5) Control of vermin like foxes and grey crows, which are the most destructive where pheasants are concerned;
- (6) Controlled shooting - which means restricting the number of shooting days per week, restricting the size of bag to one or two birds; or restricting the length of the season within each gun club area.

The game council is presently engaged in a fund raising campaign for the purpose of accelerating game development within the county. A monthly draw of £1 tickets promoted through the eighteen existing Gun Clubs is paying rich dividends. All profits are ploughed back into game development. It is hoped that farmers generally will take an active interest in the Council and its aim and help it on its way by—

- (a) Controlling the amount of shooting over their lands;
- (b) becoming game conscious.

This aspect of game development is of particular interest in the Council's Chairman, Mr. James Ryan of Tramore, an extensive farmer himself, though not a very keen shooter. Some farmers have hunted their own pheasant chicks successfully for many years. This particular type of initiative we would like to see encouraged.

Romance and Tragedy of Steady Castle

By Ned Ryan (Our Touraneena Correspondent)

The officers attempted to draw their swords but the bandits rushing forward overpowered and disarmed them and forced them back to their chairs holding their pistols to their heads amid angry gesticulations of the officers. The oaths and threats of the robbers and the screams of the terrified ladies. The widow recognised Green of whom she had often heard. She lunged herself on her knees exclaiming "Oh! Mr. Green I know you and I know your purpose and I do not ask you to spare my property; take all, if you will, money, plate and jewels but I humbly beg of you one request. Oh! for the love of heaven, harm not my daughters." "Madam! replied the outlaw, you are worthy to have your request granted; for you bear a good name; you have been kind to the poor and generous to your tenants and it shall be granted provided your guests remain quiet and give us no trouble but not otherwise" and turning to his gang, he drew his pistol saying "If any of you, even my own son, dares to lay hand or molest that lady or her daughters, he shall receive the contents of this through the brain."

The matron tottered to her chair and on demand surrendered all her keys to Green who with his men quitted the room to begin their pillage, but first leaving his son with some of the fiercest of his band to stand guard over the officers whom they reduce to passiveness less by their cocked pistols than by their threats to fire the castle and spare no one if the prisoners attempted any resistance. Where, it will be asked, was Pierre McGrath the while Tradition says he was present during the whole scene but does not say that he was noticed in any way by the robbers or that he took any active part or even offered any remonstrance (which however, would have been useless. In the meantime there was a silence full of dread and suspense in the room, so faintly resounding with cheerful voices, where no were heard only the deep breathings of the indignant officers and the painful sobs of the three sisters with the thoughts of how would the fearful night's happenings terminate and who could rely on the forbearance of the outlaw.

After a lapse of time that seemed interminable ages, the heavy tread of the pillagers were heard approaching and laden with plunder. Green then said to the guard whom he had left in charge of the officers "Come! boys, it is time to return to our quarters, we have got as much as we can carry so come away and take your prisoners with you." At these words the shrieks of the affrighted ladies filled the castle; the officers struggled to release themselves but were grasped with hands like iron voices. The lady and her daughters fell at the feet of Green and his son imploring them to free their prisoners and offering large ransoms which they promised would be left in any place the bandits appointed.

"No madam," said Green to the widow, "remember that the one request made by you was granted, I did not bargain for any other and my own safety requires that I take charge of these Exon soldiers." Again the weeping women besought the robber and undertook that the officers should swear the most solemn and binding oaths of secrecy on the subject of the night's occurrence but Green was inexorable and at length bursting into a rage he swore with a tremendous oath that if he were pestered any further he would blow out the officers' brains and hold himself freed from his promise to the widow. The threat prevailed; the officers obeyed their captors to rise and prepared to depart. In the agonising moments of such a parting as this there was no room for feminine reserve. The unhappy girls fell upon the necks of their betrothed and reciprocated the close clasping long embrace as though they felt in their anguish it was too surely the last. It needed some force to divide them and the robbers left the apartment with their captives in the centre of the band. The distracted sisters flew to the door to catch a farewell glimpse of the military ornaments of the officers, plucked for an instant to the candlelight and then disappeared in the gloom. The sisters then hurried breathlessly up to the stone steps to the town and from the top to look down below through the night's gloom. They saw the dark mass crossing the drawbridge; there was a halt when it had crossed; there seemed to be some struggle, some altercation; it was evident that the outlaws were forcibly placing their prisoners on a car and binding them upon it. The struggle ceased; the grating sound was again heard of the heavy retreating steps; the close black mass was seen moving rapidly in the direction of 'Sleep Rock' and was soon utterly lost in the darkness.

WESTERN TITLE FOR SLIABH

Sliabh gCua 0-7; Tallow 1-3.

SLIABH gCua Junior Footballers captured the Tour-na-mheana club's second ever Divisional championship title at Lismore on Sunday last, when they had one point to spare over Tallow after a most exciting Western Final (1972). By winning this match they bridged a gap of 26 years as Sliabh gCua last won this title away back in 1938.

SNOW

Early on Sunday morning this game was in doubt, as the Lismore pitch was covered in snow. However, the hardworking Lismore officials had everything in order by match time. Sliabh gCua opened the scoring with a point from Christy Hallahan in the first minute, in the tenth minute a John Dunford free crashed against the Tallow cross bar and Austin Barron fisted the rebound over for his sides second point. Tallow replied with a point from a Billy Ryan free. J. Dunford and Billy Ryan exchanged points from frees to complete the first half scoring.

CHANGE OF BALL

Sliabh gCua introduced a leather ball in the second

half and straight away they hit peak form and inside six minutes, points from Jim Kiely, John Fitzpatrick and John Dunford stretched their lead to four points. Jim Kiely fisted over their seventh points in the 10th minute. One minute later the same player broke clean through but his shot for goal went wide off the upright, Tallow now re-arranged their forces and the introduction of Seamus Treacy helped to bring them right back into the game. Billy Ryan pointed a free in the 13th minute then in the 15th minute the same player scored a really well worked goal for the Bride-siders and now only one point separated the sides. Amidst growing excitement Tallow dominated the final quarter, but as time ticked away they were unable to pierce a resolute Sliabh gCua defence. Following an incident in the 30th minute referee Jim Joe Landers cooled things down and when play resumed, Tallow attacked and were awarded a free 45 yard out from

which they had to score direct. Sadly enough Billy Ryan's effort fell short and was subsequently deflected over the bar, but all to no avail as the final whistle had sounded and Sliabh gCua were champions.

CONTRASTING STYLES

This was a game of contrasting styles, the winners relied on the traditional catch and kick styles while Tallow as always used their field craft and team work to good effect. Everyone of the Sliabh gCua team played his part in this historic victory. Finbarr Harrington, Bob O'Meara, Michael Quinlan, Lar Whelan and Ned Power starred in defence ably assisted by J. Coffey and Tony Condon. John Dalton starred at centre-field. While Christy Hallahan, John Dunford, Fr. J. Kiely, Austin Barron and John Fitzpatrick (in the second half) impressed in attack where John Fraher and Larry Cliffe also had their moments.

Tallow too had their stars in John Lyons, Liam O'Brien, Muttu Curley, Michael Hartigan, Billy Ryan and substitute Seamus Treacy.

All in all it was a most enjoyable and sporting contest which was well controlled by referee J. J. Landers.

PRESENTATION

After the game young Patrick Doocoy presented the "Doocoy Perpetual Cup", which commemorates the memory of his late Grand-father Patrick Doocoy, to Sliabh gCua captain John Dunford amidst scenes of great excitement.

Sliabh gCua — F. Harrington, J. Coffey, B. O'Meara, M. Quinlan, L. Whelan, N. Power, T. Condon, J. Fitzpatrick, J. Dalton, C. Hallahan, J. Dunford, L. Cliffe, J. Kiely, A. Barron, J. Fraher.
Tallow — B. Pratt, J. Russell, J. Lyons, C. Henley, M. Hartigan, L. O'Brien, T. McCarthy, B. Sheehan, M. Curley, J. Hartigan, M. Harpur, N. Sheehan; T. MacSweeney, J. O'Brien, B. Ryan, Subs. — R. Ryan for T. MacSweeney; S. Treacy for J. Hartigan; T. Doyle for N. Sheehan.

COUNTY CONVENTION

ELECTIONS

Sunday's County Convention will hold additional interest as it is now certain that we will have a number of contests. Chairman Nicholas Mac Craith and Secretary Seamus Grant will be returned unopposed, and Munster Council representatives Tom Cunningham and Seamus Power seem certain to be returned for another term, but the certainty ends there and much interest will centre around the election of a replacement for the Board's long serving and efficient treasurer, Paddy Kennedy (Erin's Own) who has announced his intention to see re-election to this office. Not Dalton, Pat Coffey, Paddy Kennedy (Geraldines), John Lyons and Ned Power (Tallow) have all been nominated for the post. It is likely that outgoing Central Council representative, Donal Whelan, will face strong competition from former treasurer, Paddy Kennedy and De La Salle's Billy Jones and Erin's Own's Michael Dawling will challenge Cappoquin's John Fraher for the post of Registrar.

NOMINATIONS FOR CO. CONVENTION

The following are the nominations for next Sunday's County Board Convention which will be held at the Friary Hall, Dungarvan, commencing at 1.30 p.m.

Chairman — Nicholas Mac Craith (Glen), outgoing; P. Kennedy (Erin's Own); K. O'Riain (Dungarvan); K. O'Riain (Fourmilwater).
Treasurer — P. Coffey (Portlaw); P. Kennedy (Geraldines); N. Dalton (De La Salle); J. Lyons (Tallow); E. Power (Doonbeg).
Secretary — Seamus Grant (Mount Sion); outgoing; M. Dowling (Erin's Own); M. Whyte (Fourmilwater).
Munster Council — Tom Cunningham (Dungarvan) and S. Power (Mount Sion) both outgoing; P. Kennedy (Erin's Own); E. Power (Tallow); B. Jones (De La Salle); E. Cheasty (Ballyduff); D. Power (Portlaw).

Central Council — D. Whelan (Abbeydorney/Ballincourt); outgoing; P. Kennedy (Erin's Own); B. Jones (De La Salle); S. Power (Mount Sion); P. Coffey (Portlaw).

MOTIONS

In all there is a total of twenty six motions down for discussion and it is expected that there will be some lively discussions on the many important issues which will be raised. Cappoquin seek to have the losers' group in the senior championships abolished. Portlaw want to have the present system of running the S.F. league and Sargent Cup competition discontinued, by reverting back to their original system and the same club seeks to change the present method of appointing the county's selection committees. Several motions ask to have the bye-laws dealing with a close down in December and January enforced.

would be a limit that it be for five years. The present limit which was adopted in 1969, is three years. Other motions request runner-up trophies be provided for beaten senior finalists and for a special annual award for the outstanding player in grades U-18 in hurling and football while believe it or not a mention from the Ring club if adopted would have the Divisional Board abolished. It's hard to understand the thinking behind this motion. One wonders if it is a form of kite flying to have some other less drastic proposal adopted at a later date. I doubt if this motion will receive more than seven votes. It certainly does not deserve even one vote.

SECRETARY'S REPORT

Mr. Seamus Grant, County Secretary, in his report states: "While the year under review cannot in many ways be regarded as a distinguished one, nevertheless considerable progress was noted on the local scene. This was evidenced in many spheres of solid progress and bears favourable comparison with other counties, inside and outside the province of Munster. Whilst fully conscious of the fact that defects in much of our organisational structure must give rise to concern in many instances, it is true to say, that the Association within the county remains strong and virile. It still continues to hold a dominant position in the thoughts and energies of our people. Consequently, it behoves each and every one of us to harness the vast resources of goodwill and manpower at our disposal, to channel every effort towards an even more flourishing and expanding organisation. Stagnation can never be allowed to enter the framework of our endeavour. The G.A.A. must forever remain an evolving institution. It must be prepared to institute change and adopt new ideas, when these are designed to improve the Association image and prestige."

LOYALTY

In this fast moving age when many are inclined to regard conventional as outmoded discipline still remains the hallmark of success. The latter seldom if ever comes easily and those who think otherwise are hardly playing their part in promoting the interests of our native pastimes. Such thoughts prompted by the apparent lack of response in some quarters to further this county's interest on the inter-county plain. The decline in football fortunes can hardly be attributed to officialdom, and must remain for all of us a deep source of concern as we commence another season. A short twelve months has witnessed a gradual phasing out of the justifiable high hopes endowed following a resounding run in the previous season's National League series. Not even the consequential drop back to Division 2 blighted our highest aspirations and indeed the splendid showing at the Munster

championship campaign, only SOCIAL ACTIVITY

tended to reinforce the view that our sojourn in the lower regions would be of short duration. As expectations were shattered in the initial stages of the current League and now we are faced with the distinct possibility of a further term in the doldrums. The root cause stems in the main from an unmistakable lack of dedication on the part of some, who judging by their attitude consider it no longer an honour to wear a county jersey. This coupled with the removal of the "excluded" playing rule, has led to a situation where on the occasion of a National League game, we had to be content with a player's second best. This is not good enough and all our energies and guidance must be directed towards ensuring that our players — our members, owe and provide their first allegiance to the national game. In such a way the word loyalty will become a by-word and clarion call and any deviation which has tended to darken our memories of 1972, will be quickly eradicated. Thankfully, the vast majority of our players have and will continue to place their priorities right. On such shoulders rest the future of our games and one must hasten to add, they remain in safe keeping.

DISCIPLINE AND MISCONDUCT

Any untoward incident which endangers the dignity and prestige of the Association must be ruthlessly dealt with. The establishment of disciplinary committees at county and divisional levels following a motion at Convention, proved timely and helped to streamline this important facet away from the politics of open board meetings. That the latter body still remains the ultimate, is proof positive that the democratic working of the Association obtains and the right of the individual is guaranteed through avenue of appeal. However, although instances for Disciplinary Committee action proved few and far between, each case was considered in depth and justice meted out in accordance with rule. It is further gratifying to record that in no instance was a decision of the sub-committee subsequently reversed by the Board. In an organisation catering for upwards to five hundred games each year, less than half a dozen produced the untoward or unsavoury incident. A statistician would doubtless argue that the percentage is negligible. Such a reckoning would find general favour, it is not however negligible in the strictest sense and should not be accepted as a criterion on which to base or assess the overall importance and effectiveness of the Association within the county. All breaches of conduct in the field of play must be dealt with in accordance with rule and all concerned must at all times be prepared to act impartially and firmly with such incidents or misconduct.

ONCE AGAIN IT IS PLEASING TO TAKE NOTICE OF THE INCREASE IN SOCIAL ACTIVITY EVIDENCED AT CLUB LEVEL DURING THE PAST YEAR. IN MANY AREAS THERE HAS BEEN A FRESH AWARENESS THAT MEMBERSHIP OF THE ASSOCIATION CANNOT IN THE PRESENT-DAY CONCEPT OF THINGS, BE MEASURED IN PLAYING ACTIVITIES ALONE. WHILE OUR GAMES MUST CONTINUE TO BE THE BASIS ON WHICH THE VERY STRUCTURE OF THE G.A.A. IS FOUNDED, IT WILL BE CONCEDED THAT THE MODERN CLUB UNIT MUST, IF IT HOPES TO SURVIVE, BROADEN ITS AREA OF INFLUENCE AND EMBRACE SOCIAL HORIZONS UNDREAMED OF EVEN BY THE FOUNDERS OF THIS GREAT ORGANISATION. THE BEST WAY AND INDEED THE MOST PRACTICAL MANNER IN WHICH A CLUB CAN FULFIL ITS OBLIGATIONS IN THIS REGARD CAN BE FIRST EXPERIENCED BY ACTIVE PARTICIPATION IN THE NOW WIDELY ACCLAIMED SCOR COMPETITIONS. THE RIVALRY CREATED BY SUCH COMPETITIONS CONTINUES TO PROSPER AND AROUSES IN THE COMPETITORS A DETERMINATION TO MAKE THE EXTRA INVOLVEMENT WORTHY OF "THE PARISH, VILLAGE OR TOWN" WHILE FOR THE SUPPORTERS IT GIVES THE ADDED SPICE TO THE SOCIAL OCCASION. MANY CLUBS HAVE FAILED SO FAR TO INTEREST THEMSELVES IN THE DIFFERENT COMPETITIONS AND THEIR SOCIAL LIFE AND THAT OF THEIR MEMBERS ARE ALL THE POORER AS A RESULT. HOW BEST TO ILLUSTRATE THIS POINT TO THE STILL UNCOMMITTED BY HALLING ONE AGAIN — Sliabh gCua our only All-Ireland winners of 1972.

THE NORTH

In this darkest hour of Irish history, our minds are constantly focussed on that troubled part of our nation and the suffering of our fellow countrymen throughout the six partitioned counties. The G.A.A. still survives amid all conceivable threats and intimidation must for us far removed from it all, stand out as a further example of what membership of this Association is all about. Their courage and fortitude in the face of all kinds of provocation, has only been matched by their deep attachment to the things Irish and the games in particular. Here sincere appreciation must be recorded to the Antrim Board and officials for their warm hospitality extended to the Decies hurlers on the recent visit to Ballycastle for a National League engagement. Everything which could be done to make the weekend stay enjoyable was accomplished and our hurlers came away with lasting and abiding memories of their trip to the Glens. The clubs of this county showed their sense of generosity when they agreed to subscribe to the Northern Relief Fund initiated by Ard Comhairle and later in the year they were not found wanting when a further appeal was made for subscriptions to the late Frank Carr Testimonial fund.

SCHOOLS AND THEIR ROLE IN THE G.A.A.

As we take our place among the nations of Europe it is well to ponder on what effect if any, this historic step will have on the future and future of the G.A.A. New horizons and visions we are told will be laid before the Irish people. Prosperity will come to those who are prepared to meet the challenge of a much changed society. Perhaps in all this clamour for industrial and economic stability, we may tend to lose sight of the role of our Association in the every day lives of the nation. Herein, to my way of reckoning, represents the real challenge of the 70's. Each of us have a part to play towards ensuring that our games remain strong and flourishing. For longer than most of us care, to remember the schools remain the lifeblood of this Association. We will forever laud the part played by our educational establishments, which inculcate a love of things national, who nurture not only a great attachment to the games, but equally an undiluted fervour to the Irish language and due recognition to other aspects of our noble heritage. These schools without question the elite of our schools and we in the G.A.A. must on all occasions acknowledge a deep sense of gratitude to each of them. To those in our midst who continue to remain aloof, I say come and join in this great national crusade. The motto must forever remain "Irish games for Irish youth." Other

pastimes there may be but they belong by right, to those racy of the soil and those proud to be labelled Irish.

FRAHER FIELD

As we move into another year, it is indeed the fervent and sincere wish of each and everyone of us that the famed Pairc Uí Fhearaigh will once again re-echo to the clash of the leather and the flight of the ash in the not too distant future. It has proved a tremendous loss to the games in the county and the Western region in particular during the past twelve months or so. The officers of the County Board and indeed the other officials in the county are deeply indebted and conscious of this fact and have been actually engaged pursuing every avenue towards acquiring this famed property for the Association. No one has worked more diligently in this regard than our Cathaoirleach, Nicholas Mac Craith and I for one could not allow this opportunity to pass without placing on record, our deepest appreciation for the manner in which he, as this county's chief executive, handled this most delicate subject. Acting always with the full approval of An Choiste Gnótha and supported by and in the best interests of the County Board, the Cathaoirleach remains relentless in his quest and can be assured of the full support of all of us genuinely concerned about providing the Dunmorethan area with a G.A.A. Grounds it can call its own.

YOUTH MATTERS

In all matters pertaining to youth matters, the county continues to be well served. The chief responsibility in the vital sphere is shared by those who were appointed during the past twelve months in a highly commendable manner. This City League and Primary Schools competitions also continue to flourish while throughout the County and various Districts there is encouraging evidence that people are at work moulding our youth in the interests of Gaelic games. They deserve, and merit our heartfelt thanks when they accounted for Limerick in the initial round

CLUB GROUNDS

More clubs continue to acquire grounds of their own and in doing so set about having such property vested in the Association. We are still a considerable way from the ideal of every club owning its own ground. It is imperative that this policy be pursued energetically and enthusiastically for this Association has too long, been satisfied with clubs securing playing fields on an annual let-basis or some other unsatisfactory terms. In such a way is the progress so long demanded impeded of having grounds sufficiently equipped to cater for our players and their needs and the comfort of spectators. The Association's overall policy in this regard is well defined and if clubs expect the financial assistance which it may be possible to give, the necessary legal requirements which such a property is acquired must be complied with at the outset. From a small beginning can emerge bigger things and the aim of all must be to make the local G.A.A. Grounds the focal meeting place for the entire community where the games of the Gael are played and the people of all ages can assemble in comfortable social surroundings and pride themselves in belonging to it all.

HURLING RESURGENCE

Perhaps the most significant happening on the entire 1972 scene was the welcome uptrend in hurling fortunes, particularly at senior inter-county level. This has not been achieved overnight and the meagre success so far attained, will, it is hoped, only prove a prelude to much better things to come. Our first round Munster championship eclipse by the eventual All-Ireland finalists, Cork, while disappointing on the day, in the fullness of time, emerged as an unmistakable indication; that precious little now separates the Decies county from their rightful place in hurling. That seven points defeat, 3-16 to 4-6, convinced many and especially the players that a place in the sun could be achieved and within a reasonable period of time that. The first major objective was to regain Division I status in the National League. This was and still is the target and after five wins on the trot, it must now be bordering an excellent harmonious and fruitful job of work. No words of mine can sufficiently express the part played in this hurling renaissance by one of the county's former greats, Seamus Power. Tippler, selector, the player's confident and more besides, his undiluted dedication and inspiration has been a big factor in our 1972 hurling recovery effort.

FOOTBALL FORTUNES

While it is to football that we look to the meagre championship success of 1972, a disastrous National League record bears close examination. This was far from the high hopes engendered following first, a splendid 0-10 to 0-8 first round Munster senior championship success over Limerick at Kilmallock and an even more encouraging performance against Cork in the provincial semi-final at Fermoy. Defeat on the score 2-8 to 0-9 was our lot on that occasion but Decies football gained considerable prestige in defeat. Success will not come easily. Many frustrating setbacks, such as those already mentioned must be experienced before the county can join company with the elite. Football talent abounds in fair measure in the county and with those charged with bringing into fruition still as steadfast as ever, there is much hope for the future. Surely, the solid progress of recent times at minor and under-21 levels must sooner or later make us mark in senior ranks — let 1973 be the real beginning of the anxiously awaited breakthrough.

MUNSTER CHAMPIONSHIP REPORT

End to relate our successes at Munster championship level and our progress in the various rounds under review. The senior grades, already mentioned, undoubtedly provided heartening signs while our minor footballers provided us with a welcome meed of success when they accounted for Limerick in the initial round

at Kilmallock by 0-13 to 2-5

but failed to Cork at a later stage although producing a superb effort in no way reflected in a 1-14 to 0-8 defeat. Cork also put paid to our intermediate hurling aspirations at Cappoquin on the score 2-6 to 1-3. The pattern was continued in the under-21 round Munster championship series when Tiobraid Árann proved our conquerors in each instance — hurling at Cashel, 6-5 to 0-5 and football at Walsh Park 1-9 to 2-5. In minor hurling, Cork recorded a facile 7-9 to 1-3 victory at the Athletic Grounds while in the Special Minor football competition, we failed first time out to Tiobraid Árann at Portlaw.

LEAR AWARDS

Congratulations are in order to those honoured with Lear Awards under the Board's auspices and here great credit is due to the special sub-committee under the Chairmanship of Seamus O'Broinn for their considerable volume of work towards nominating the various winners. To Captain Rogha Eirreann goes the title of "Club of the Year" — it is an honour richly deserving of one of this county's longest established G.A.A. units. May I add my congratulations to Padraig Breathnach (Cill Rosnata in his selection of Footballer of the Year and Daithí O'Duignan (De La Salle) — our "Harrier of the Year."

THE SAME GAMES TO SEAMUS WALL AND PA WALSH ON THEIR FEET IN HELPING MUNSTER REGAIN RAILWAY FOOTBALL HONOURS AFTER A LASSÉ OF 23 YEARS AND TO JOHN KIRWAN ON THE COURT HE PLAYED IN MUNSTER'S HURLING SUCCESS.

1972 was the first-ever appearance of our own annual An Doicéach — it was a splendid effort surpassing in our opinion anything produced in any other county. For this great credit must go to its editor and producer, Seamus O'Broinn. Unfortunately full accreditation was not forthcoming from the people who would have been in the vanguard of this nomination. Unfettered Seamus is already pressing ahead with "Doicéach" number two. Let each club member realize that this time support will not be found wanting.

GAELIC JOTTINGS

ON RAILWAY CUP TEAMS

The Munster Railway Cup teams were selected last weekend. In football Waterford's Jim Wall retains the full back berth, while he held last year when the Province won its first since 1948. We congratulate the popular Nire star who is a great favourite in the county. In hurling Mount Sion's Stephen Green gains deserved recognition in attack. He is without doubt Waterford's star forward at present, while Paddy's Andy Heffernan who is regarded by several as a real inter-county hurler is included in the substitutes.

END TO RELATE OUR SUCCESS AT MUNSTER CHAMPIONSHIP LEVEL AND OUR PROGRESS IN THE VARIOUS ROUNDS UNDER REVIEW. THE SENIOR GRADES, ALREADY MENTIONED, UNDOUBTLEDY PROVIDED HEARTENING SIGNS WHILE OUR MINOR FOOTBALLERS PROVIDED US WITH A WELCOME MEED OF SUCCESS WHEN THEY ACCOUNTED FOR LIMERICK IN THE INITIAL ROUND
