G.I.B. STATEMENT MISLEADING

When Fianna Fail County Councillor, Kieran O'Ryan, asked at Waterford County Council's monthly meeting in Dungarvan on Monday last if there had been any further news concerning the re-appointment of Mr. Gerard Murphy as assistant County Engineer, it was the basis of a lengthy discussion. When informed that no reply had been received he stated that they could not and would not take this lying down. He went on to say it was a very serious blunder on the part of the Government and he appealed even at this eleventh hour to have them reinstated before more drastic action would be taken.

Deputy William Kennelly (F.F.) criticised the Government Information Bureau on the recent statement they had released and termed it as grossly misleading and which cast aspersions on the County Manager and the members of the Council as a whole. He continued by stating that the dismissals was a deliberate attempt to pull the wool over the eyes of Council member and the public at large. He went on to say that the statement implied the Government was unaware that the two men were back at their posts following their convictions and that they finally acted only after this had been brought to their notice. The Government are now telling the country, Deputy Kennelly said, that the two men automatically forfeited their positions having been convicted. While this was correct, the Government deliberately omitted to mention in its statement that under subsection 5 of the Act the Government has the power to reinstate them at their discretion and that they alone have the power. He concluded that the G.I.S.

are to make themselves out to be the good boys from all this but their hypocrisy has been seen through by the public. The County Manager, Mr. O'Connor said the statement was factually correct but incomplete due to the omission of subsection five. Continuing, he said that he as Manager, had responsibility for his staff. Following the conviction, in the Claudia trial of Mr. Murphy, he had discussions on the situation with the Council's legal advisor and on his advice did not take any action. It was following the communication from the Department of Local Government, Mr. Murphy had been asked to forfeit his position.

The dismissals reeked with suspicion, Deputy Kennelly said. "The men had been convicted on May 21st but the Government hadn't the guts to dismiss them because of the Presidential election at the end of the month. Colr. O'Ryan said the dismissals coincided with the visit of Mr. Heath to this country and anything the Government might say would not detract him from that fact. Fine Gael Senator, Austin Deasy, said the statement was in every way factual and he strongly denied that the Presidential election and Mr. Heath's visit had any relevance in the matter. Colr. O'Ryan said that as long as he is a member of the Council he will continue bringing this up until Mr. Murphy is reinstated. The Council, on the proposition of Colr. Kieran O'Ryan, seconded by Colr. D. Ahearne with three Abstentions to request an immediate reply from the Government to their previous resolution.

Dear Sir,

When three delegates from the Cappoquin Owners, Leaseholders and Tenants Association met Sir Richard Keane on Oct. 2nd to discuss the problem of ground rents they were presented with a statement setting forth the terms which he is prepared to sell to leaseholders the fee-simple or freehold of their properties in the town.

The fortunate ones whose leases comply with the provisions of the 1967 Landlord and Tenant (Groundrents) Act may be allowed to purchase the freehold under that Act but all others such as those whose leases expire within 25 years or whose ground rent is greater than or equal to the P.L. Valuation will be treated with the utmost severity, in as much as they have to pay on average 100 times the existing ground rent. For example, a leaseholder now paying £30 p.a., must pay the landlord £3,000 plus a considerable sum in legal fees, etc., before the property is really his own.

If this be not an example of the type of extortion Shylock exulted in, then nothing is. Surely it isn't too much to expect that an Irish Minister of an Irish Government will quickly introduce amending legislation to protect the people of Ireland from the orbitant demands of greedy landlords.

Sir Richard Keane of course, maintains that his behaviour is reasonable and fair and expects the lease holders to agree with him when they have read his terms. But the fact that this 'generous' offer was unanimously and disdainfully rejected at a large public meeting on the night of Oct. 2nd, proves that his thinking is all awry and that his pretentious logicity makes no impression. His terms shocked the dele-

CAPPOQUIN GROUND RENTS

gates who hopefully went to negotiate a settlement that would end local fear and giving. The result was a bitter disappointment from every one concerned and a widening of the rift between the local people and the landlord. In-

deed the way may have been open to sterner action against a man whose sole concern seems to be for himself and for his 'pound of flesh.' Nothing the delegates said could move him from a predetermined course which, how-

ever, may be fraught with unforeseen consequences and may prompt the victims to feel: "Mischief thou art afoot; take what course thou wilt."

JACK McCARTHY, P.R.O., Cappoquin Owners, Leaseholders and Tenants Association.

Mr. Paddy O'Sullivan, Keating St., Dungarvan, and Miss Therese Cashman, Abbeyside, who were married at Abbeyside Parish Church on Saturday last.

An Roinn Slainte Thalidomide Medical Board

THE Minister for Health has set up an expert medical board to examine Irish children with disabilities which might have been caused by thalidomide and to give an opinion on whether the drug was responsible for the disability. The purpose of the examinations is both to assist parents who may have a claim against the German compensation fund and to help the Minister decide in what way the special needs of Irish thalidomide children can best be catered for.

Parents of children whose names are already with the Department in this connection are being contacted by letter regarding appointments with the medical board and need not reply to this advertisement. Any other persons who may be in charge of children whose disabilities might be attributable to thalidomide and who wish to have them seen by the board should write for an appointment as soon as possible, but in any event not later than 26th October, 1973, to

Secretary,
Irish Thalidomide Medical Board,
25, Clyde Road,
Dublin, 4.

NOTE —
Thalidomide preparations were marketed in this country under the brand names of Softenon, Nocto-Sediv, Entero-Sediv, Polygripan and Predni-Sediv, distribution being discontinued by the distributors at the end of 1961. It should be noted however that new formulations of the preparations, with the exception of Softenon, were subsequently marketed under the same brand names but did not contain thalidomide. There is no cause for concern in relation to these new formulations.

Western Terrace, Dungarvan
Widespread regret was expressed at the announcement of the sudden death of Patrick Coady, Western Terrace, who died on Sunday evening, October 7th at his residence. The deceased was a very popular gentleman and a member of a well-known and old Shandon family. The late Patrick Coady was a friend of all by reason of his gentle and most retiring disposition. He was an employee of the Dungarvan Leathers, prior to his illness where he also enjoyed wide popularity.

To his sorrowing wife, daughter, brothers, sister, son-in-law, grandchildren and relatives we wish to tender our deepest and most sincere condolence.

His remains were removed on Monday evening to St. Mary's Parish Church, followed by a very large and most representative cortege and were blessed and received by Rev. Fr. W. CAPPOQUIN NEWS

B.L.O.E. AWARD WINNER - We congratulate John Treacy, Villersstown on his most recent achievement, the 1973 Bank of Ireland Star Award. John is the Waterford winner and along with winners the remaining 31 counties, he will be presented with his award at a dinner at Dublin Airport on Saturday, October 27th. The winners are selected on their track and field performances at county level as well as National. It is a deserving tribute to this youngster for his outstanding achievements and his dedication to the sport he loves.

RECEIVED DIPLOMAS - Congratulations to Messrs John Fraher and Patrick McCarthy, both of O'Donoghue Terrace, on receiving their diplomas in Social Study at a conferring ceremony at U.C.C. recently.

CAPPOQUIN I.C.A. - The September meeting of the I.C.A. was held in the Parochial Hall, on Wednesday, 19th September. The attendance was very poor but we hope for an improvement next month. Our congratulations to Mrs. E. Landers on the birth of her baby.

Great disappointment was expressed at the failure of our Annual Outing to materialise but it is hoped to make up our loss at our 21st Birthday celebrations this year. Our Annual Jumble Sale was discussed and will take place on Sunday, October 14th at 3.00 p.m. in the Parochial Hall. We hope that it will be well supported as there will be a large Jumble Stall, a home-made cake stall, spinner, raffles and other attractions. Mrs. Lalor, Mrs. J. Mason and Mrs. McGrath attended the Federation meeting in Ardmore about which we hope to hear more next month.

PARISH HALL - The A.G.M. of the members of the above will be held at the Parish Hall, on Tuesday, 16th October, at 8 p.m. sharp. A special appeal is being made on this occasion to the people of the town to take a more active interest in the hall and come to the meeting. It would seem reasonable to request all clubs, organisations or groups that use the hall to send representatives to this meeting.

While most towns in the Deise are now considering the setting up of youth centres with proper facilities to cater for modern recreational needs, Cappoquin has only a dilapidated building to cater for clubs or groups that wish to indulge in modern indoor games or activities. While some repairs have been carried out during the past year further repairs are urgently needed to make the place tolerable for users, until the people of

the town decide to consider a proper community centre for the area. However as a very efficient and enterprising field committee has already provided for outdoor games and activities there is no reason why a similar committee should not endeavor to provide facilities for indoor games and activities.

G.A.A. - Affane under 21 footballers have qualified for yet another Western final by virtue of a hard earned victory over Stradbally at Dungarvan on Sunday last. Affane were nearly always in command in this game, but at various stages as in the senior final they threw away their advantage by notoriously slack marking and easy going play. It would be an injustice had they been beaten, but beaten they could have been but for the herculean efforts of Mical Phelan, who had a tremendous game. On each occasion when Affane looked to be fading, Mical demolished the opposition with his power packed football. He also scored 2 goals and 1 point from his centre field position. Other stars on the side were Thomas Scanlon, who was not far behind as the best player of the match. He is a county prospect without a doubt.

Shanie Denn, Lar Denn, Frank McCarthy, Danny Flynn, Francis Power, Kieran O'Connor and Pat Moore, also played well. The under 21 hurlers meet Eire Oge on Sunday next in the Western semi-final and should have no trouble in qualifying for yet another final.

DEATH OF BRIDGET McGRATH - It is our sad duty to record the death of Bridget McGrath, which occurred so unexpectedly at her residence at Belmont, Cappoquin on Saturday, 6th October. She was in her early sixties and a native of Killeenagh, Knockanore. She was nee Nicholson. Her untimely passing has caused much grief to her many friends and relatives in the area.

The remains were removed the same evening to St. Mary's Church, Cappoquin, where the coffin was received and blessed by Rev. J. McGrath, C.C., assisted by Very Rev. J. Power P.P.

A large cortege accompanied the funeral to Knockanore Cemetery on Monday, 8th October for burial in the family plot. Very Rev. T. Draper P.P. read the final prayers at the graveside, assisted by Rev. J. McGrath C.C., Cappoquin. She is survived by her husband, Bill; son, Jim; daughter, Margaret; grandchildren and other relatives. (Funeral arrangement by Aidan Walsh and Sons, Undertakers, Cappoquin)

Notes

Ballinroad 4; Kilmacthomas 5
In a game which was decided only after extra time. Kilmac advanced to the second round of the Munster Cup by virtue of a thrilling 5-4 win over Ballinroad in the latter's home ground on Sunday last. After a tame first quarter the game suddenly sprung to life when Elsted scored for the home side. They held this lead until three minutes into the second half when the visitors scored when a long range shot completely deceived goalkeeper Londers. The game finished at 3 all.

Ballinroad scored in the first five minutes of extra time but Kilmac came back to score twice in a minute spell to guarantee their ticket to the second round.

BROKE INTO CANON'S HOUSE

A man who appeared at Clonmel Court last Tuesday charged with breaking and entering a Curate's house in Tipperary appeared yesterday before Justice O'Carroll at Dungarvan District Court, charged with breaking and entering the Canon's House at Cahir and committing damage to glass window. J. Halpin of no fixed abode, pleaded guilty.

Shortly before 6 p.m. on Tuesday last he entered the Canon's House, at the time unoccupied through a window which he broke. Some time later he was located by the Sergeant in a public house and he admitted the offence. When asked by Justice O'Carroll where he got the money he replied that he got a couple of pounds from the Superintendent.

He asked the Justice to make an order recommending a medical examination with a view to getting mental treatment.

The Justice imposed a sentence of two months imprisonment and an order recommending an examination.

SOUND BEGINNING TO WATERFORD'S LEAGUE CAMPAIGN

Waterford ... 2-13; Galway ... 2-6.
Baile Atua an Ri (Athenry) was a long way from home for Waterford to begin their hopeful journey for establishment in Division I among the elite hurling counties. It was absolutely vital that two points be taken from Galway; none of the other counties in our section are noted as being a soft touch.

This is the beginning of stone-wall and sheep country, flat peaty land; the nicely laid out pitch had a heavy dark soil, holding after overnight rain — too slow to be advantageous to Waterford's light team.

Pat O'Grady replaced the injured John Galvin on the selected side. And he was soon settling in well, shooting Waterford ahead from a 40 yards free, the first of a series of beautifully struck middle-distance frees. Waterford pressure for several minutes did not increase the lead as movement broke down and shots were narrowly wide. There was an appearance of tension about the team that was never quite dissipated throughout the game — the pressures that have been building up on them seem to have killed the fluency they showed in the tournament against Cork at the Official Opening of Pairc Uí Fhearaichair.

Some good work by Canning allowed Heffernan to clip a first-time shot to the net. Connolly opened for Galway from a free; Hickey struck a fine long range reply and Canning screwed a beauty in from near the left corner. 1-3 to 0-1.

Galway now whipped up their best efforts; Connolly pointed another free, and a series of fozzles by backs and forwards ended in a goal rushed in by Ted Murphy. Frank Burke hit point immediately from mid-field. 1-3 each, five minutes to half-

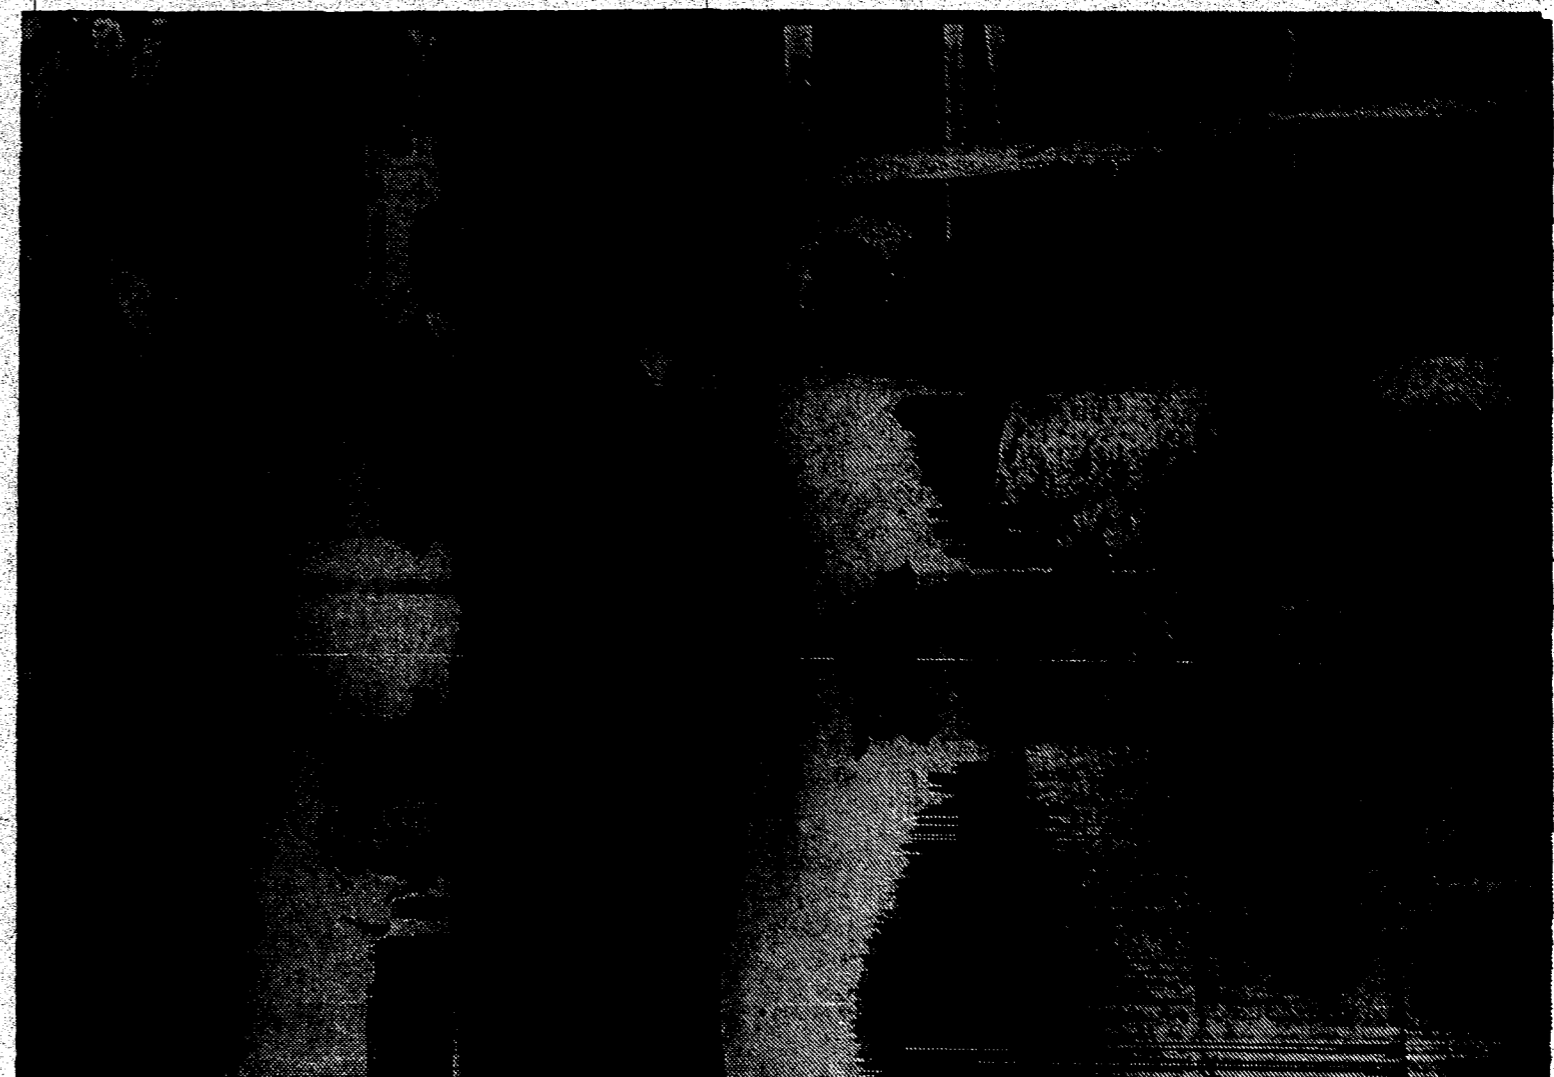

time, rain and a stiff breeze starting which would be against Waterford in the second half.

Waterford showed their quality here. O'Grady pointed a free from the sideline on the 21. Hickey smashed over a fine point and soon after followed up an energetic burst by Canning to finish a goal. Geary finished the half with a nice point cutting across goal. 2-6 to 1-3, and far better than appeared likely a few minutes before.

Connolly again swung a lovely Galway point to begin the second-half, but only spurred Waterford to their best of the hour, pinning Galway on defence even against the worsening weather. O'Grady's free on the right at 30 yards, Geary, Hickey, Geary again and Hickey from a close free added points to the score, the only reply another sweet right-wing from Connolly. Reid flogged a magnificent first-time point from the ground more than 50 yards out, after a brief Galway burst had added a goal from a 21 yd. free by Molloy and another Connolly special. 2-12 to 2-5. O'Grady again, and Connolly again closed the scoring, Waterford comfortably on top.

Overall, Waterford had 75 per cent of play, so there was no lack of effort. Galway really were not allowed enough possession to have a chance of winning. In the circumstances, then, the margin was not flattering and indicated a certain over anxious approach by the forwards.

Now for Clare, another vital match on Sunday week, and home venue and a maximum support will give this earnest team a good chance.

LISMORE NEWS

The September meeting of the Board of the Lismore Credit Union was held at the Branch Office, with Mr. T. Doocey in the chair. The meeting heard a comprehensive financial report from the Treasurer, Mr. John Ryan, and this showed the following position at the close of business, at the end of September. Shares £12,398. Loans outstanding £11,331. General satisfaction was expressed at these and other financial details. The report of sub-committees also showed a generally satisfactory position. Mrs. R. Campion was unanimously appointed Insurance Officer. P. Lawton and D. O'Leary reported on the proceeding on chapter meetings held in Clonmel with particular emphasis on the details of the new inspection and advisory service which is shortly to be instituted. The meeting expressed its unqualified support for the principles and aims of the new scheme. It was also agreed to take part in the Cumis Bonding and General Insurance Scheme, when this became operative. Various aspects of promotional work to mark Credit Union Week were also discussed.

The wedding took place at St. Carthage's Church, Lismore on Tuesday last, October 2nd of Mr. Eric Flynn, eldest son of Mr. and Mrs. E. Flynn, Main St. and Miss Tina Scanlon, eldest daughter of Thos. & Bridget Scanlon, Main St., Lismore. The Nuptial Mass was celebrated by Rev. Fr. P. Quealy, C.C., Lismore. Mr. Donal Flynn, brother of the groom, and Thomas O'Donoghue were the best man while the bridesmaids were Misses Marie Scanlon and Flynn, sisters of the bride and groom respectively. The bride who was given away by her father looked charming in a white crepe dress trimmed with lace and matching head-dress, and she carried a bouquet of heather, white chrysanthemums and maidenhair fern. The bridesmaids wore mauve crepe dresses, with matching head-dresses and carried bouquets of yellow roses, white chrysanthemums and maidenhair fern. Mrs. E. Sullivan presided at the organ. The reception was held at the Ballytrafer House Hotel and the honeymoon is being spent in England. We wish

Mr. and Mrs. Flynn many years of wedded bliss.

For the third time in nine years the Lismore Cricket Club has won the Munster Junior League. At the Annual Dinner in Cork on Saturday night last, the Cup was presented to the captain P. Pollard by the Cork Co. President, Mr. G. Pearce. When one looks back at the fantastic season and examines the make up of the team, one sees youth and experience, the prime factor for this victory. Boasting the best attack in Munster Pollard, Thomas, G. Kingston Jr. and P. Cooke, it is easily understood why the opposing batmen make such low scores. It is no coincidence that the first three names have been opening Munster's bowling in the interpro's this season. To add torment to the opposition the club has two spinners — Fenney and Norris. Their bowling averages tell their story of success. In the batting they have J. Cooke, M. Hickey, E. Pollard with the above names, plus the grand old man of Irish cricket, Percy Harris. Also a player who spends more time coaching the youngsters, G. Kingston Sr., who this season saw all his work being justified. Add the experienced hands of Crowley and Doyle, with young players like Stapleton, Barry, Cahill backed up by wonderful club administration from J. O'Neill, M. Gough and J. Feeney and one can see why the club is entitled to be called the best club in the town this year. To finish only three players have featured on the league winning sides, P. Pollard, P. Harris and P. Feeney. Previous years of success 1964, 1965 and now 1973.

On Sunday afternoon next the annual married v's singles soccer game goes on at the Castle Farm venue, with kick-off at 5.30 p.m. sharp. The annual fixture was proved to be a keenly contested game each year, but the singles must be rated favourites.

Trophies for this fixture have very kindly been donated by the Keaneland Hotel and will be presented to the winners at a social later that evening in the Hotel.

Waterford Association, London

THE committee of the Waterford Association is busily planning activities for the coming Autumn and Winter. The traditional bacon and cabbage dinner at the Irish Centre in December, is on the menu, so to speak. The annual children's Christmas party is also a must and dances are being arranged at various venues.

The first event of the season, however, is also the highlight, the event eagerly anticipated by all. This is the Annual Dinner at the Hammersmith Town Hall. The date is Saturday, 27th October, 7.30 bar, 8 p.m. until 1 a.m., tickets £25 and there will be a licensed bar.

At this Dinner, we will be welcoming visitors from Birmingham and Waterford. For those coming from Waterford, special arrangements are being made which will go a long way towards ensuring that this week-end will be a memorable one. A special coach is leaving Waterford at 2

p.m. The party will leave by plane for London, where they will be staying at the London Park Hotel (bed and breakfast), until the return journey leaves for Dublin at 2 p.m. on Monday, 29th October.

It might be of interest to know that the Annual Motor Show is on in London until the 27th October, so our visitors from Waterford will have the opportunity to visit the show.

The travel arrangements are in the capable hands of Mrs. Kitty Jones, 117, Hennessy's Road, Cork Road Estate, Waterford (tel. no. 5459) who will be delighted to discuss the matter with interested parties.

When our forthcoming Annual Dinners is but a memory, we hope that the memory will be happy one and we will be content to have prepared an evening comparable to our previous Annual Dinners, all of which have been outstanding successes.

THREE TEAM PRIZES FOR GRANGE A.C. AT KILOSSERA

At Killossera on Sunday last, Grange A.C. made a great start to the new cross country season, collecting three team prizes as well as some individual prizes. There was a good turn-out of athletes in the younger age groups but it is obvious that there is a great shortage among the U-16 and 18 age groups. There was a mild sensation in the boys U-16 race when Pat Geary of John's Park A.C. won from the more fancied Sean Meehan of Dungarvan A.C. and Mattie Curran of Friary A.C. Dungarvan A.C. collected two team prizes and in the senior race Ger Deegan of De La Salle A.C. showed that he is still no. 1 with a good win from Davy Browne of Dunhill A.C. and Pat Byrne of Waterford A.C. It was good to see the Keane brothers of Lismore A.C. back in action, also John Barry of the same club and what a pity they haven't one more athlete as they have the making of a good team. Tramore A.C. also won two team prizes with their established star Dermot Cunningham and Alison Corcoran winning their respective races.

The full results are as follows—
 Boys U-8: 1—T. Organ, Dungarvan A.C.; 2—P. Prendergast D.L.S.; 3—T. Curran, Dungarvan; Team, Dungarvan.
 Boys U-10: 1—A. King, D.L.S.; 2—D. Purcell, Tramore; 3—C. O'Shea, Tramore; Team, Tramore.

STRADBALLY NEWS

YES IT'S TRUE—The give-away of the year, £300. The venue is the Stradbally Pony Race. £300 in prize money. The races will be held on Sunday next at Park Stradbally. First Race 2 p.m. These races are under Pony Association Rules. Ponies for 10 counties will be competing.

MEDAL WINNER — Congratulations to Michael Casey, Fahá who collected a bronze medal in the National final of the Community games.

SOCCER—Stradbally travelled to Kilrossery on Sunday last, but arrived at the field to find there were no lines on the pitch and it was also too short. Mr. Corcoran the referee said that we could take the points if we wanted, but sportingly we played on. Five minutes before the interval Kilrossery got the only goal of the game. Stradbally were in hard luck

when Jimmy Kiely missed a penalty mid-way through the 2nd half.

NEW ARRIVALS — Welcome to Dick and Kitty Gough, who have taken up residence in their new bungalow at Carrigahille.

FOOTBALL—Stradbally played Affane in the U-21 championship on Sunday last, in the Western semi-final at Dungarvan. Stradbally kept pace with rivals during the first half and were 1-5 to 1-4 down at the interval. Affane got a soft goal and the pressure was felt by Stradbally. 6 points points down with 10 minutes to go Stradbally attacked desperately. Two points from play and a goal by Pat Butler brought Stradbally within a point of their rivals. Affane drew away to clinch the issue. This is a game which Stradbally could have won if the selectors were a little sharper making changes.

New efficiency competition for Waterford

AT a reception held in Lawlors Hotel, Dungarvan, officers of County Waterford Macra na Feirme revealed details of the County Executive competition, which will take place next summer at the County Waterford Agricultural Show at Dungarvan. The event will be the biggest in the history of Macra na Feirme in Waterford for many years and it is intended to make this an annual event. To participate in the Competition each Branch must reach a qualifying standard, this will be based on participation of members in competitions and attendance at County Executive meetings during the year. There is also a rigorous demand made on the officers of branches to keep efficient records and have good public relations. Allied Irish Banks are presenting prize money — total of £250, to be spent on an educational project. Allied Irish Banks have sponsored efficiency competitions in several counties over the past few years.

Mr. Bill Canning, Chairman of Waterford County Executive Macra na Feirme thanked Allied Irish Banks for their sponsorship and said that the object of this competition is to improve overall efficiency in Macra Branches throughout the County and eliminate the mediocrity found in some of our clubs and provide opportunities for members to derive full benefit from membership of the organisation.

It is hoped that the final day competitions will include: Make and Model; Buffet; Salad; Local Survey; Milking test; Welding; Crop or animal husbandry; Machinery operation.

Late Michael Donnelly

Ballycullane, Dungarvan

We deeply regret to record the death of Michael Donnelly, late of Ballycullane, who died at the District Hospital, Dungarvan, on Thursday night, October 4th, after a rather short duration of illness.

The deceased was a member of a very well-known and extremely popular West Waterford family, and was the husband of Mrs. Catherine Donnelly. LETTER TO THE EDITOR

New Line, Abbeyside, Dungarvan, October 5, 1973.

Dear Sir,

Mr. D. J. Coghlan's arguments against taxing the farmers (Observer, Sept. 22) do not seem to hold much water. His semi-emotional plea to regard farming as a special case within the economy is a ruse which, I think, has been played out. His assertion that farmers are "more likely to use extra earnings to expand output" is directly contrary to the facts. Between 1850 — 1950, there was virtually no change whatsoever in the volume of agriculture output and since then, output has expanded at a snail's pace — less than 1 per cent per annum — compared with the other sectors of the economy. There would seem to have been something of a leap forward in the last year, but my only reaction to this would be to comment that it is about time it happened.

There is undoubtedly great scope for expansion in agriculture (although for Mr. Coghlan's information, mining has far greater potential here), but the old hoary argument that taxation will hinder such expansion cannot be entertained simply because such taxation has had no intimidating effect in the other economic sectors. And it should be remembered that companies pay up to 50 per cent tax, whereas only normal rates or personal income tax are being demanded of farmers.

Anyway, the basic argument still remains: if workers in the manufacturing and services sectors — who are just as much producers as farmers — have to pay income tax, then why shouldn't farmers? I personally disagree with the rating system, but if non-agricultural property owners have to pay both rates and income tax, then why shouldn't farmers pay both as well? "As it is, farmers are also given privileged treatment here," since they don't pay any rates on farm buildings erected since 1959, nor will they have to on future buildings. Incidentally, the total amount of rates paid on land in 1971/72 was £11.3 m., which is a long way short of the £20m. quoted by Mr. Coghlan.

While on the subject of statistics, Mr. Charles Curran (same issue) seems to be somewhat mixed up. Last year (according to current definitions) agriculture accounted for 18 per cent of national income, but only 14 per cent of G.N.P. (gross national product). Since farmers pay no taxes and receive quite generous subsidies, it follows that their share of the national income should be greater than their contribution towards it.

Finally, Mr. Coghlan asks whether, in the light of his argument, I would still tax him. The fact is, Mr. Coghlan, in the interest of rationalising Irish agriculture and expanding output, in the interest of preventing agricultural land from being bought by foreigners and/or speculators, and above all, in the interest of guaranteeing a supply of cheap food for all, I personally, if a member of the Govern-

Late James Whyte

Kilnafrehan, Dungarvan

Deepest feelings of sincere regret were expressed at the news of the sudden passing of James Whyte, Kilnafrehan, whose death occurred during the very early hours of Sunday morning, October 7th at his residence.

The deceased was a surviving member of a very well-known and most esteemed Monarud family and was the husband of Mrs. Nora Whyte.

The late James Whyte was a gentle and most unassuming and retiring person and a gentleman of many fine qualities which greatly endeared him to a large circle of friends. To his sorrowing wife Nora, nephews, nieces and relatives we tender our deepest condolence.

His remains were removed on Sunday evening to Kilgobinet Church, followed by a very large and most representative cortege and were blessed and received by Rev. Fr. C. Kelleher, C.C., assisted by V. Rev. Fr. N. O'Donnell, O.S.A., St. Augustine's College and Rev. Fr. Tracey, O.S.A. Requiem mass was offered on arrival.

Requiem masses were also offered on Monday morning and the interment took place in the adjoining family plot. Another very large concourse were present. Rev. Fr. N. Sexton, O.S.A., assisted Rev. Fr. Foley, O.S.A. and Rev. Fr. C. Kelleher C.C. officiated at the graveside.

Very many mass cards were received. Chief Mourners — Mrs. Nora Whyte, Kilnafrehan, wife; John Whyte, Monarud; James Drohan, Stradbally; Patrick Drohan, do.; John Drohan, do., nephews. Mrs. Kitt Watson; Mrs. Catherine Walsh; Mrs. Stella Byrne; Mrs. Pearl Hallissey; Miss Ita Whyte, nieces. (Funeral arrangements by J. Kiely & Sons).

Grange Athletic Club A.G.M.

The Annual General Meeting of Grange Athletic club was held in Grange Hall recently. The chairman, Mr. J. Troy welcomed all present and congratulated the athletes on their achievements during the year. He thanked those who had contributed in any way to make the club a success. The Secretary, Catherine Healy, N.T., reported that the past year had been both an active and progressive one and it had played its part in the social life of the Parish. The Treasurer, Mr. T. Curran, in his report showed the club to be in a good financial position.

The following officers were elected for the coming year: — President, Rev. W. Meehan, P.P.; Vice-do., Rev. M. P. Gorman C.C.; Chairman, Mr. J. Troy; Vice-do., Mr. M. Hallahan; Secretary, Mr. E. Hickey; Treasurer, Mr. T. Curran; P.R.O., Miss C. Healy.

RURAL ELECTRIFICATION

In the period between now and 1975 the Electricity Supply Board, with Government approval, will be engaged in a special programme to give applicants for electricity supply in each of the 792 Rural Electrification areas one further opportunity of getting a supply on subsidised terms.

In order to carry out this programme it will be possible to offer the opportunity of subsidised supply only during one specified period in each area between now and 1975.

In those areas in which work under the Rural Electrification post-development programme has already been carried out, applications for supply will be invited by advertisements in local newspapers and posters displayed in prominent places.

This programme is designed to give supply to the greatest number of people in the shortest possible time. Its success depends on the co-operation of all who desire supply. In particular it is essential that application for supply should be made during the period which will be announced for each area.

ELECTRICITY SUPPLY BOARD

Land being used to only 50 per cent capacity

Membership of the European Economic Community has created conditions favourable to a significant expansion in the volume and value of agriculture output, and in net farm incomes. This was stated by Mr. T. J. Maher, President of the Irish Farmers' Association when he spoke at the Community Conference in Ballingarry, Co. Tipperary.

He said: "But in order to make the most of EEC membership we must use price and market opportunities to rapidly expand agricultural development, which has suffered in the past from quantitative restrictions and price uncertainty on our main export markets for some of our key products. The Common Agricultural Policy enable Irish farmers in general to rid themselves of the fear that by increasing output, they would simply come up against quantitative restrictions, or depress prices to uneconomic levels."

"The action required to make the very most of the opportunities which membership offers are more intensive exploitation of the productive potential of Irish land; rapid rationalisation of the industries processing agricultural products and a sensible approach to the export marketing of our agricultural products, recognising the fact that within the enlarged Community our output of any commodity is a very small proportion of total output."

"Reliable research indicated that Irish agricultural land is now being used at about 50 per cent of its capacity, given the present state of knowledge of production techniques. Wherever this under-utilisation may be, we must ensure that the slack is taken up, and the more quickly we can do this, the better. The main reasons for this under-utilisation are undoubtedly to be found in the history of marketing difficulties with which Irish farmers have been faced. Full EEC membership will remove these constraints."

"At the same time, it must be recognised that there are many farms on which the constraint on development is to be found mainly in the fact that the farmer is not expansion minded, whether because of age, ill-health, or some other personal reason. To deal with cases like this, we must develop a land policy aimed at transferring land into the hands of younger and more vigorous farmers, while giving the present owner the kind of income and security that he needs. We in the I.F.A. believe that this requires the development of a land leasing scheme, together with a realistic pension scheme for retiring farmers."

"The E.E.C. decisions on farm structure reform will mean that external finance will be available, to assist in the operation of an adequate pension scheme. Action of this kind will take some time to operate. In the meantime, we need further credit facilities orientated towards facilitating the retention of breeding cattle and sheep."

"The World Bank Livestock loan is a move in this general direction but further credit is required because the faster we build up livestock numbers, the greater the gains from membership, and the more quickly we realise them."

"Development studies show that for rapid livestock expansion, credit must be made available for minimum period of four years, covering fixed capital, livestock and the recurring working capital element. Longer term credit would facilitate faster expansion."

"It is clear that in cases where a major fixed capital element is involved, the term of the loan should be related to the life-span of the asset created. Rationalisation of our food processing industries is not moving quickly enough. A big job needs to be done by farmers themselves in the rationalisation of co-operative creameries. Recent changes in co-operative legislation have given us a more powerful level, but we must get down to business and use it."

"The bacon curing industry presents a particularly difficult problem. We need a reduction in the number of bacon factories, but at the same time, substantial investment in plant for diversification is required. At present the economic power of the commercial structure which farmers have under the control is not yet fully realised. Part of the reason is that farmers are not, in fact, fully exercising their powers."

"To be more specific, the co-operative member should ensure that his committee is running the business in such a way as to secure the best return for all the members. The Creamery member has a right to expect that his committee will keep him informed on what kind of produce he should produce in order to get the best return."

"The meat factory shareholder has a right to expect that his board will make sure that the changes in consumer tastes and preferences are transmitted to him, so he will know exactly when and what kind of stock to produce for the market. After all, one of the most important functions of a farmer-owned business is to maintain a close link between the producer and the consumer. Encouraging progress has been made in the direction of ensuring the continuation of orderly and efficient export marketing of our dairy products through a co-operative agency which replaced the old An Bord Baine."

"Co-ordination of effort can be applied with equally beneficial results to the export marketing of Irish meat. While the EEC agricultural policy, provides, under certain conditions, for intervention buying of our main farm products, we should not be content merely with realising intervention prices."

"The quality of our produce is high enough to enable us to secure premium prices, if our marketing structures are geared to do this."

JOHN ORPEN ON INCREASES IN FEED STUFF PRICES

Speaking to the Carbery Pig Producers C-Operative Society in Roscarbery, Mr. John Orpen, I.F.A.'s representative on the Pig and Bacon Commission said that Price Control of Feeding stuffs had paradoxically done more to increase feed stuff than limit it.

Control has been operated on a formula which has in each case been out of date as soon as it was used. It had taken no account of the low cost of home grown barley in a rising market but had allowed the maximum profit on this barley to middle men. The effect had been to keep the inefficient in business and has allowed splendid profits to the efficient.

Mr. Orpen said: "Price control is operated by the Minister for Industry and Commerce on the advice of the National Price Commission on which compounders are represented through the Federation of Irish Industry where as the consumers, in this case pig and poultry producers, have no say whatsoever."

Recently, both the Minister for Industry and Commerce and the Minister for Agriculture, have in discussions with I.F.A., questioned whether we should retain any price control on feed stuffs or should go back to relying on competition to retain prices. Consultants are now studying the subject for N.P.C., and I.F.A. has told the Minister for Agriculture that when we see this report and the recommendations for Price Control which the consultants have been asked to produce, we will make up our minds whether or not we are in favour of retaining Price Control.

"What we expect of Price Control is relatively simple. It is quite easy to formulate least cost rations at any time taking note of the limitations appropriate to the use for which the ration is intended. This least cost ration can be calculated frequently, perhaps, monthly and cumulative adjustments made to the sale price at quarterly intervals. The provender miller is entitled to a fair margin on the least cost ration, but Price Control would not be used to keep in business those who cannot buy their supplies wisely."

Mr. Orpen added: "Very substantial windfall profits were permitted to those who bought and held grain of the 1972 harvest while prices were on the way up.

BETTER PENSIONS NEEDED

The hopes of thousands of young people in agriculture depend on what new sort of schemes the Minister for Agriculture and Fisheries and the Minister for Lands present in Brussels next month, said Fr. F. Kelly, Chairman of the I.F.A. National Rural Development Committee.

Mr. Clinton's scheme deals with the modernisation of farms. Mr. Fitzpatrick's concerns how to compensate older people for the selling or letting of land to "modernising" farmers.

A good deal is known about Mr. Clinton's scheme but it is hoped that the final draft will be submitted for debate and discussion to farmers before it is sent to the EEC Commission. Less is known about the second scheme. Its contents should also be fully threshed out with farmers before it is submitted to Brussels. The previous effort of the Department of Lands to get farmers to give up their land voluntarily was a dismal failure and this country cannot afford a repetition of what happened before.

If the new scheme is to succeed the amounts to be offered as a pension, said Fr. Kelly, will have to be more generous than the minimum amounts mentioned in the EEC Directive. There should also be no ceiling on the size of holding which might qualify under the scheme, in order that the maximum amounts of land can be distributed to young people with initiative. He also said that this scheme should not be looked upon as one aimed solely at the small farmer.

Figures relating to various parts of the scheme have been published and attributed to the Minister for Lands. As Chairman of the I.F.A. National Rural Development Committee, Fr. Kelly said: "I wish to say that some of these figures will be quite unacceptable to farmers and if insisted upon they will prevent the scheme having the far reaching and much needed effects which the Minister, presumably and the I.F.A. certainly want it to have."

If grain prices are now on the turn and are heading for the way down these same people must take their chance on the least cost prices. It would be disgraceful for the Price Control to be manipulated so as to protect these people at the expense of the pig feeder."

Gaelic Jottings

FOUR-MILE-WATER v. ABBEYSIDE

The second game sees a fancied Four-mile-water team take on Abbeyside, at Dungarvan on Sunday next. "Four-mile" impressed in their victory over Ballyduff and since then they have swept to a brilliant victory in the minor championship and they have also captured the Western Intermediate title. In every sense they have been extremely active, hurling wise a fact which could sway the issue in their favour. Their team will be led by Paddy Joe Ryan, Declan Whyte, Willie Ryan, Declan Fitzpatrick, etc.

Abbeyside's last hurling outing was quite some time ago. Yet, the Villagers are wily campaigners and Jim Fraher, Nicky and Eddie Cashin, M. O'Flynn, Humphrey and Jim Kelleher, Jim Kiely, Hubert Hyslop, Marty Kiely, Michael Hanrahan, Joe Whelan, Pat Whyte, D. O'Connor, I. Gordon, T. Butler, P. McGovern, A. Barron, etc. and dispute their long lay off and it is quite possible they could win this one.

U-21 HURLING CHAMPIONSHIP CAPPOQUIN AND FOUR-MILE-WATER FANCIED

The Western Board stages two U-21 hurling championship games at the Fraher field on Sunday afternoon next.

Cappoquin v. Eire Oge — In the opening game, Cappoquin who were champions in 1971 and who were surprisingly defeated in last year's campaign must be rated as odds on favourites to overcome local side Eire Oge. To date Cappoquin have accounted for Shamrocks and Lismore after a real thriller and with such experienced hurlers as Pat Sgan, Frank McCarthy, Sean Brackett etc. in their ranks they must be rated as favourites not only to win this one, but to win out the championship. Eire Oge as always can be depended upon to try hard here.

KILGOBINET FOR FINAL

Kilgobinet junior hurlers will start as firm favourites to defeat Tallow in the semi-final of the divisional championship, at Cappoquin on Sunday next. Last year they reached the Western final, only to lose to the eventual county champions, Ballysaggart. Now they are only one hour away for yet another final appearance.

In their games to date they have accounted for St. Mary's (Touraneena) and Ardmore and with such as Martin Walsh, Connie Kelleher, Paddy Lynch, Eamonn Byrnes, Mick Brett, Mick Keohan, Pat McNulty, Liam O'Rourke, Tommy Power, Peter Power, etc. now at peak fitness, they should have too much in hand for Tallow's second string who scored wins over Cappoquin, Clashmore and Shamrocks and their young team which will be back-boned by a number of experienced players. Tallow could nevertheless give the fancied Kilgobinet men quite a game of it and early comers should be rewarded with some exciting fare.

TALLOW JUNIORS WIN

Tallow ... 4-9; Ring ... 1-2.

Tallow junior footballers, as expected scored an easy win over Ring in the semi-final of the Divisional championship at Cappoquin on Sunday last. They will now meet Dungarvan in the Western final. The winners lead by 2-4 to 0-0 at half time and they remained in control throughout the second half. A feature of the game was a hat trick of goals by Tallow's left corner forward Pascal Prescott, who combined well with Seamus Treacy, Billy Ryan, Noel Sheehan and Matt Harpur in attack.

"Mutt" teamed up to good effect with Eric Curley at centre field and Liam O'Brien and Billy Sheehan were best in defence. Ring, who were relying on their seconds, never stopped trying and Tomas Drohan, Richie Harty, Earty Whelan, P. Walsh, Liam Walsh (goalie) Jim Manahan and Kevin Curran all had good games for them.

Scorers — Tallow — P. Prescott (3-0); D. Cotter (1-0); M. Harpur (0-3); B. Ryan (0-2); N. Sheehan (0-2); S. Treacy and M. Curley (0-1) each.

Ring — J. Manahan (1-1); B. Whelan (0-1). Referee: T. Mansfield, Ballinacourty.

MINOR FINAL

Tallow ... 2-10; Abbeyside ... 1-8.

Tallow retained their Divisional minor title at Cappoquin on Sunday last, when they defeated Abbeyside in a lull lustre Western final. Abbeyside's hopes received a set back before the game began, when they were forced to field out short the services of regulars Kevin Frost and Donacha Griffin. Yet, they remained in contention throughout the first half which was dominated by the champions, who failed to turn their territorial advantage into scores and at half time the teams were level at 0-4 each.

The sides exchanged points on the resumption. Then Tallow scored a goal. Eddie Condon added a point and they had a second goal minutes later, when amazingly a most blatant square ball was allowed. Yet in truth this was only one of many surprising decisions.

Tallow were now leading by seven points and Abbeyside were now reduced to fourteen players, following the dismissal of Michael Durand. Yet, the Abbeysiders came back with points from T. Butler and Richie Hanrahan. Tallow replied with two further points before following a great movement by Kieran Young who crashed home a goal for Abbeyside. However, Tallow held on to win by a five point margin.

The winners owed most to right half back Tom McCarthy who with Kieran Ryan and Pat Daly formed a very forceful half back line. While their wing forward F. Singleton and D. O'Mahoney caused endless trouble for the village defence. Eddie Condon also impressed at times. Tallow will need to show considerable improvement if they hope to match Eastern champions Mt. Sion in the county final.

Abbeyside were well served by Richie Hanrahan, Noel Murphy, Vincent Feeney, Peter Healy, John Moloney, Michael Kiely, Tony Butler, Kieran Young and Goalkeeper Brendan Hogan.

Referee — J. J. Carlton, Ardmore.

EASTERN CHAMPIONS

The up to date position in the Eastern U-21 hurling and football championships is as follows: in hurling Mount Sion are the fancy to account for St. Mollorans in the Divisional final. While in football Tramore powered by many of last year's successful minor teams are favoured to defeat Ferrybank in the final.

THOSE HOUSES

The suggested offer by a Galway business man of a house for every member of the team if Galway defeated Cork by more than twelve points was quite rightly turned down. Nevertheless it is interesting to note that one has to go back forty three years to 1930 to find a team winning the Sam Maguire Cup by more than a twelve point margin. In the 1930 decided, Kerry defeated Monaghan by 3-11 to 0-2.

U-21 F.C.

Champions for final

Affane ... 3-9; Stradbally ... 2-7.

County senior finalists Affane, would appear to be despondent still after that county final defeat as their Under 21 squad were in lack-lustre mood at the Fraher field last Sunday when they had to withstand tremendous pressure from an unfancied Stradbally team before emerging winners by a five point margin.

Played before a fairly large attendance the game failed to reach any great heights, although both sides strove very hard for the entire hour.

Affane got off to a flying start when after only two minutes a high lobbing ball was crashed to the Stradbally net. They commanded the entire field for the first quarter and tacked on two further points before Stradbally raised the siege and came surging back with a great goal. From there to the interval it was score for score with Stradbally coming to grips with the job on hand and showing great fight and appetite for the game.

Affane displayed more urgency in their play in the 2nd half, but again over carrying of the ball played into the hands of a no nonsense Stradbally back line. True they had their scores but first time direct methods might have been more profitable and would certainly have eliminated the pressure they encountered in the final ten minutes. Stradbally kept in touch all the way and midway through the 2nd half showed displeasure at the decision to allow an Affane goal which they claimed was an infringement of the "square". The umpires however had no hesitation in signalling the score and Affane went on to clinch the issue with some neatly taken points from frees.

Affane had a fair sprinkling of senior experienced players on view but this display was far from impressive and a lot of tidying up is called for if the team is to retain their county titles in this grade. D. Flynn, F. McCarthy, S. Denn, K. O'Connor, F. Power and goalkeeper P. Hackett all had their moments but the overall performance of the team was marred to an extent by the disregard for team work and the apparent go-it-alone policy of some of the players.

This was an encouraging performance from Stradbally and with such a wealth of talent available the Covemen need not fear for the future. Liam Carroll had an outstanding game and got great assistance from R. Dunford, P. Butler, L. O'Connor, M. Keane, P. Power. The entire team must be commended, however, for a brave effort and never say die spirit which nearly carried the day.

PROTEST AGAINST DISMISSAL

The Chairman of the County Board, Nicholas McCraith reported to the meeting on the steps taken by the Officer Board in respect of the dismissal of Central Council representative, Donal Whelan, from his post as headmaster of Kilmacthomas Vocational School. In reply to questions from Seamus O'Brien and Tony Mansfield, the Chairman stated, the action had been taken by central council on Donal's case. The meeting agreed to keep the position under review and if necessary further representations on the matter will be made.

November 11th at Dungarvan — Junior football final.
November 11th at Portlaw — Junior hurling final.

ABBEYSIDE/BALLINACOURTY LEAGUE

In last Saturday's two games, Sarsfields defeated Fenians 3-6 to 1-0 and Wolfe Tones and Emmetts finished all square (1-6 to 2-3) after a great game of football. Indeed this was one of the finest games that we have ever seen in this special Parish U-14 League, inaugurated in 1969. Over seventy boys took part in last Saturday's games, a fact which goes to prove how well organised this special competition is and how much the boys like it.

On Saturday next, places in the final will be at stake. Tommy Wade's Emmetts should account for Fenians to earn their ticket to the final. However, the second game between Wolfe Tones skipped by Pat Moloney and Sarsfields captained by Seamus Feehan should provide the real excitement of the afternoon as both teams are still very much in the running for a place in the final.

Fixtures for Saturday, October 13th — Emmetts v. Fenians (2 p.m.) Wolfe Tones v. Sarsfields, 3 p.m.

FOOTBALLERS TO WIN

In the curtain raiser at Walsh Park on Sunday next Waterford Footballers play Carlow in the opening round of the National League and following quite a useful trial game on Sunday last between county champions John Mitchels and a county XV, the selectors have named a strong side for Sunday's important test and as the majority of the team have been active with their clubs in the championship in recent times, Waterford playing on home ground have the ability to win this.

Team — T. Fleming; R. Ahearn; J. Wall, P. Clancy; M. M. Kirwan, P. Walsh; N. Walsh; J. Hennessy, T. Casey; J. Flynn, G. O'Neill, B. Fleming; S. Ahearn, M. Hackett, V. Kirwan, Subs. T. Moore, Tony Whelan, T. Gough, E. Dunphy, F. Murphy, J. O'Donnell, L. Slevin, E. Keane.

CO. BOARD MEETING

The Co. Board held its monthly meeting in Dungarvan on Monday night last. The meeting was informed that the Association's new fund raising project, Choiste Gael, had now been launched and Co. Board and Divisional officials will be visiting all the clubs in the coming weeks in order to get the scheme off the ground. The Co. Board's biggest financial problem is of course to clear off the debt on the Fraher field. Sargent and Phelan Cup competitions

Following a full and frank discussion the meeting adopted a proposition by Tony Mansfield and Dick McAllister that the Sar-

gent and Phelan Cup competitions commence in February 1974, rather than starting right away. As it was felt that these competitions would fulfill their purpose to a greater effect by getting them under way in February. Clubs who wish to run special tournaments in the coming months will be facilitated by the Board. Both the Ballygunner and Tramore clubs were granted permission for such tournaments.

RING'S TITLE ?

On Sunday next, at Cappoquin, Ring footballers play Ballyduff in the Western final of the Intermediate championship and the Gaeltach team will start as firm favourites to win their first title since 1962. Eleven years is a long time by any standards to be out of the honours list and Ring's talented team are unlikely to take anything for granted on Sunday. Now that they are only one hour away from the Divisional title and a draw in the county final against Eastern champions, Tramore.

Since 1962, Ring did of course win the U-21 county title in 1967 and Tomas Maher, Tom Kelly, "Bilest" Murray, Tom Whelan, T. Curran, Tom Harty and Pat Tobin of that team will again be in action on Sunday next. The only direct links with the champion team of 1962, who won the title on a replay from Newtown, are Sylvester Murray, Jim Harty and Liam Maher.

* PROMISING TEAM

This present Ring team is one of distinct promise. In the first round they scored an impressive win over Colligan Emmetts. Then in August they were held to a draw by Clashmore at Cappoquin. In the replay which was played in Dungarvan, Ring scored a fully deserved win.

They have played numerous challenge and tournament games and following a well planned training course they are fit and rearing to go. Besides those already mentioned Seán Linnane, Michael Drummy, Michael Whelan, Brendan, Walsh, Shamie Murray, Donal Murphy, Jim Manahan and goalkeeper Noel Murphy are the men whom the Gaeltacht supporters will pin their hopes on.

* OUTSIDERS

Ballyduff are of course outsiders, yet it is a role in which the spirited Ballyduff men will rebel. Last year they scored shock victories over Emmetts and Old Parish. While in this year's campaign they have accounted for Dungarvan and Lismore and Mossey Walsh, Shamie Hannon, Liam Canning, Mick Caples, Shamie Flynn, Paddy Quirke, Mossev McNamara, G. Guiry, Dave Feeney, Pat Hegarty and company will be striving might and main to upset the odds and bring the title back to the Village for the first time since 1964. While they were county champions in the old junior grade in 1917 and 1953, they also will have much to play for on Sunday next.

However, on this occasion our vote goes to Ring whose greater skill and football know-how should see the title safely back in the Gaeltacht on Sunday night.

**PORTLAW
THIS
TIME !**

The eagerly awaited senior hurling championship final replay between champions Mt. Sion and their arch rivals Portlaw should attract another large attendance to Walsh Park on Sunday next.

When these two teams clashed in the drawn decider a few weeks back, five players were sent to the line in a game which at times became quite heated but yet never got out of hand. The general view seems to be that Mount Sion's great know how will be the deciding factor in their favour as many feel that Portlaw missed the bus in the drawn game. Having tipped Portlaw to win in their first meeting it would be wrong to change horses mid-stream, so to speak. Portlaw's team is every bit as good as the champions and if their defence can contain the 'Sion attack, then they could regain the title and of course the mighty Tom Chesty could cause the champion's defence a deal of worry. All in all it should be quite an encounter between these arch rivals of Waterford hurling.

Members of the Dungarvan Post Office exchange staff on their last day of work before the change to the automatic system.
