ARE WE FAIR TO OUR TRAVELLING TRADERS ?

Travelling Traders or Gypsies are regarded by many as a problem in our society. However, the people who think of them as such are usually of the opinion the problem is not theirs and therefore do nothing in an attempt to rectify it.

They have to travel the country whether they like it or not because that is their business. To sell goods and create a market for same. They look for nothing for nothing from anybody. The fact remains that quite a problem is in existence when they visit an area — from the sanitary and general convenience points of view.

Nowadays, sanitation is to the fore in the demands of almost every public representative. Why is it then that no mention is made of this when travelling traders visit our area or other areas? Surely these travelling traders are also human beings earning an honest living and they should be treated decently. Landowners complain when they camp near their holdings. They have the right to complain as the place is more often than not in a terrible state when they leave.

How can this problem be overcome? Could not the local authority appoint a type of liaison officer? These officers could keep in communication with the traders and when they intend to visit an area it would be known beforehand. Hence temporary sanitation could be provided at the place where they intend to make a stay. Temporary clothes lines should also be provided as presently to get their clothes to dry, they have to be thrown on hedges and fences and the local authority could arrange for refuse collection regularly while they remain and have the place swept up immediately they leave.

There are people who may say and often justifiably that travelling traders have more money than themselves so why should they be facilitated. We have no doubt that if they have the tax man will catch up with them in his own good time and maybe the local authority will also.

For the moment, however, there is a problem and if temporary sanitation was provided it may not be completely overcome but at least it would go a long way towards solving it.

NEW TRAFFIC CORPS. WELCOMED

"I am very perturbed at the effect of the unit on the motoring public of the area," Mr. T. A. Kyne, T.D. said and going on, he stated, he had heard they had gone too far, even to the extent of measuring the spare tyre. Deputy Kyne was speaking at a function officially welcoming the new traffic corps to the area, in Dungarvan, on Friday last. He continued that it was hard for young working people to run cars without having them in tip-top order and that every little breach doesn't deserve a summons. He concluded by wishing the corps well in the work they were mainly intended to do.

Mr. C. Curran, Chairman, County Council; Supt. M. English and Supt. Sills also spoke. The Unit's main purpose is to make the roads safer and hence keep death off the roads. They do not issue summonses for every little breach of the law as rumour had it. Although concerned

with every aspect of road safety their main concern is speeding, bald tyres, tax and insurance and of course drunken driving. Supt. English said they were all specially selected for the job and when the public get to know they are doing a good job they will come to accept it.

When on duty they are attired in orange and white jackets. The radars in the cars are new and can be locked on the speed a car is doing and can be used as a car comes towards or from them.

Referring to what Deputy Kyne had said, Sergt. Hurley said that no apparatus for measuring tyre depths had been issued to them. Since the time the new traffic corps have come into being wild rumours have been circulated as Deputy Kyne stated, concerning them. However, bad and all as they have been made out to be as yet, no summonses have been issued by them.

Taoiseach asked to receive Deputation

At the last meeting of Waterford County Council when the members discovered that no reply had been received from the Government concerning the re-instatement of Mr. G. Murphy as Assistant County Engineer, a resolution proposed by Col. K. O'Ryan, seconded by Col. P. Cahill was adopted. The resolution is that the Taoiseach receive a deputation from Waterford Co. Council concerning reinstatement of Mr. G. Murphy as Assistant County Engineer. The deputation is to be representative of the three main political parties.

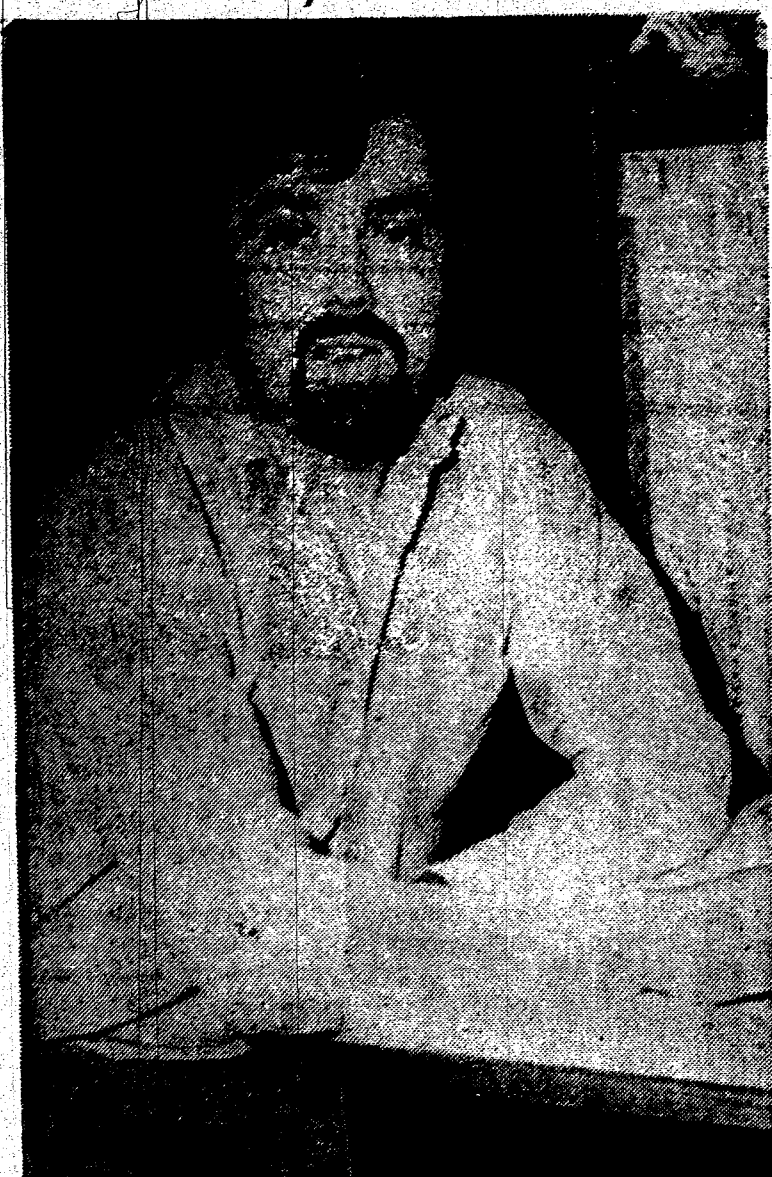

The Chairman, Mr. C. Curran, stated that he doesn't believe the Government will accede to the resolution.

Barnawee Lake Project at County Council

Following last week's letter in the "Dungarvan Observer" from John H. Walsh, Captain, Dungarvan Rowing Club re Barnawee Lake project, the matter was raised at Waterford County Council by Col. T. Foley who wanted to know what was going on there and what was happening.

Senator Austin Deasy asked that a copy of the planning permission be placed before the next meeting of the Council. He concluded by saying that things don't add up and that the situation looks anything but satisfactory. The Chairman stated he knew nothing of it excepting what was on the paper concerning it.

Local Hair Stylist visits Switzerland

MR KARL CASEY, Kilmaethomas, who recently opened a premises in Dungarvan left for Lausanne, Switzerland last Saturday to visit the European Hairdressing Championships. A member of the Irish Hairdressers' Federation, he was accompanied by Mr. Zimon Branigan, Manager Peter Mark, Grafton St., Dublin and Mr. Phillip Carroll, Irish Hairdressers' Federation, Colour Champion 1973, who is a cousin of Mr. Casey's.

Touraneena News

N.A.C.A. A.G.M.
 The annual general meeting of the Slabh gCua will be held in the Parish Hall Touraneena, on Saturday night, 27th October, commencing at 8.30 p.m. All members are invited to this meeting.

LINK WITH BALLINAMULT
 The death of Mr. Dan Gibbins which took place at his home, Baron Park, Clonmel, on October 18th, will recall to the older residents in these parts other days of over twenty five years ago when he was postman to the different routes in the Ballinamult postal district.

Attached to the transport section, Clonmel Post Office, he delivered the mails to and from the Ballinamult P.O. each day and in between (his arrival and departure) he acted as postman. He was later promoted to the indoor Post Office Staff, Clonmel Road Office where he worked up to his retirement some years ago.

To his bereaved wife, sons, daughters, brother, sister and relatives we extend sincere sympathy.—R.I.P.

VOTE OF SYMPATHY
 At a specially convened meeting of the Touraneena branch of Fine Gael a vote of sympathy was passed to the brother, sister and relatives of the late Jack Power, Doon, Ballinamult, whose death took place recently at Ardkeen Hospital, Waterford.

COURAGING NEWS
 An ideal day marked the opening trials of the Four-millemeter / Aughavoullman

Couraging Club 1973/74 season when they met at the Bridge House, Foblinewater on Sunday last and coursed over their immediate preserves there. A large gathering of ladies and enthusiastic couraging fans who took part enjoyed a great day's sport. The results were as follows: Frank Hallinan's Tempting Bull beat Michael Haven's Eelrose Hannah; Sean Riordan's Shannon Millie beat M. Franklin's The Spartan; Mrs McGrath's Martilla beat Gerald Noolan's Gallant Mick.

The next meet of the club will be at the Halfway House on Sunday next, October 28th at 1.30 sharp. All dogs for this event must be at hand when called to slips.

CONDOLENCE
 Deep and heartfelt sympathy goes out to the sorrowing and brokenhearted parents in Dublin and many relatives and friends in Slabh gCua and other parts of Ireland, of the late Miss Niamh O'Millea, Churchtown, Dublin whose untimely death occurred at St. Vincent's Hospital, Elm Park, Dublin, recently.—R.I.P.

VISITOR FROM NEWFOUNDLAND
 Looking very fit and well was Dr. Kevin McCann when he paid one of his periodical and welcome visits to Touraneena. Attached to this ardent attachment to his locality is reciprocated by the people of Slabh gCua who loved and respected him for his kindness and amazing skill when he was our resident doctor in Seskinane from 1946 to 1963.

LETTER TO THE EDITOR

Rossmore House, Kilmacthomas.

Dear Sir,
 I would like to reply to Mr. Walsh's letter in your issue of October 13th. He has attempted to reply to mine of some weeks earlier by mis-interpretation. He referred to it as a semi-emotional plea. Perhaps he would be good enough to quote the emotional words or sentences because I cannot find them.

With regard to what he wrote about the volume of agricultural output, he would hardly have expected progress between 1850 and 1950, this was a red herring. The quote a 'snail's pace' increase of less than 1 per cent per annum from 1950 to the present. Perhaps I would say mis-quoted, because he chose the nett output of agriculture quite wrongly of course and even then came up with the wrong figure. The nett output from a base of 100 in 1953 was 124.4 in 1971, an increase of about 1.34 per cent per year. The figures for non-agricultural output are for volume of production, which is gross output and to get a comparison Mr. Walsh should have quoted the gross output for agriculture which is 149.3 for 1971 from a base of 100 in 1953. An average yearly increase of nearly 3 per cent. This is good when one considers the difficult marketing situation in those years and the stop, go, stop motive of Government agricultural policy because of this.

Also Mr. Walsh should be aware that the processing of the primary production generator, in toto, a considerable proportion of our total G.N.P. The great leap forward since 1971 bears out my point that farmers respond quickly to the stimulation of good prices and markets and don't deserve the cheap jibe "that it was about time it happened".

In his reference to mining, Mr. Walsh ignored the fact that mining is a wasting asset, agriculture is not. Regarding his statement that workers in manufacturing and services are as much producers as farmers, this is not so. Farmers produce that was not there before. Those who pro-

vide services produce nothing. Many manufacturers in this country add to the cost rather than the value of what they make, they transform rather than produce.

Mr. Walsh's final paragraph, where he states "he would nationalize us" in an attempt, above all to provide cheap food, ignoring the fact that the food on his table has doubled and trebled in price since it left our farms, because of the high cost in the manufacturing and services sectors.

This statement that farmers pay no taxes and receive generous subsidies is not true. We now receive no subsidies, we pay V.A.T., excise duties, rates on land, rates on our buildings etc. in common with the rest. Mr. Walsh ignores the tax concessions to industry and the huge subsidies they receive, far greater than we ever got. He probably hoped to get away with his use of economic indications and I would point out that his figures of agriculture accounting for 18 per cent of the national income and only 14 per cent of the G.N.P., does not paint a true picture. The very large amount of subsistence farming, especially along the Western seaboard, distorts the picture. If these across the board figures could be broken down, say for the South of the country, the figure for Gross National Product would be much higher indeed.

The gross value of agricultural output gives a better indication of agricultural progress — 1952, £160 million; 1962, £214 million; 1972, £478 million. An annual mean growth of 15 per cent. I advise Mr. Walsh to forget his figures and take to the road in his own county of Waterford, look over the fences, go in to see the farmyards, visit the Co-op. in Dungarvan, talk to the people involved. He should approach this with an open mind, dropping his theoretical and doctrinal attitude. I will guarantee a change of mind from being a knocker to one of admiration for farmers and their efforts to make the most of their opportunities now.

Yours sincerely,
 D. J. COGHLAN.

LUNACY

What is the moon?, bold Jockser asked, while gazing in
 his stout,
 And now, intrepid astronauts, it seems, are finding out,
 They've analysed the lunar crust and photographed the
 craters,
 And signalled up and down the scale on lunar modulators,
 The Russians and the Yankees now are out to conquer
 space,
 They're vying with each other, in attempt to save the
 face,
 The roubles and the dollars spent to solve the new
 equation,
 Were better spent, however meant, to curb the mad
 inflation,
 The scientific questions which, they say, they soon will
 answer,
 May tell us more about the moon, but nothing more of
 cancer.
 The underprivileged and poor are doomed to suffer on,
 In terms of strict priority, the urgency has gone,
 While homeless ones, who walk the streets, in utter
 desperation,
 Are unimpressed by satellites ... derive no consolation,
 From pledges, by the Powers that be, that they will
 conquer space,
 The moon will keep, let's concentrate upon the Human
 Race.

LOVE AFFAIR VISIT
DUNGARVAN
 "Love Affair" first came
 into prominence when they
 topped the charts all over
 the world with "Bringing
 on back the Good Times",
 "Rainbow Valley", "Ever-
 lasting Love", "Help, Get me
 some Help". Disputes arose
 over recording contracts and
 this is why Love Affair have
 not been in the charts re-
 cently. For the last year and
 a half they have gigged
 around England and Europe
 working at least five nights
 a week. They have appeared
 also on T.V. shows. About
 two months ago Love Affair
 did a six-day tour of Ire-
 land. They were so delighted
 with it that they decided to
 come back again. An eighteen
 day tour was arranged and
 the boys are working the full
 18 days. Lead singer Bob
 Engard stated that they did
 not fully understand the
 scene but after the experience
 of the last tour will change
 image to suit the Irish mar-
 ket. They will have an ex-
 hibition where show and will
 dress in glamorous glitter

type suits and will have a
 top class light show. Their
 programme will include their
 hits. All the top commercial
 hits and some popular oldies.
 They will then go into hiding
 for a month to rehearse for
 their permanent Irish stay.
 Needless to say, Love Affair
 are bringing something new
 to the Irish dancing scene
 with their show and look as
 if they will surely be one
 of the top draws on the Irish
 scene. Dungarvan is Love
 Affairs first Waterford date.

Junior Chamber Survey '73

Junior Chamber Dungarvan, with the co-
 operation of the towns citizens, intend
 carrying out a Community Survey dealing
 with subjects which need an indication of
 the wishes and opinions of the people.
 Only subjects of a serious nature, with an
 appeal to all the people of the town, and
 which need a fairly early consensus of
 opinion, will be included. In the formula-
 tion of the questionnaires, every effort has
 been made to maintain as much simplicity
 as possible. The co-operation of the people
 within the Urban Area is being sought. It
 has been decided to distribute forms to

all those who work or live or own property
 within this area, as it is felt that all these
 categories of people should be vitally in-
 terested in the issues involved. The mini-
 mum age will vary for each questionnaire.
SURVEY '73
PURPOSE 1. To allow all citizens over a
 certain age an opportunity to voice their
 opinions and state their preferences on
 matters of importance which are being de-
 cided currently or may be decided in the
 near future.
 2. To produce a work of reference which
 can be analysed under various headings.
 This analysis will be detailed but imper-
 sonal work and will be available and of
 use, to those bodies responsible for the
 various decisions to be made — Urban
 Council, Co. Council, Vocational Educa-
 tional Committee, Voluntary Organisations,
 etc. as well as to the general public.

FIRST QUESTIONNAIRE
 The first questionnaire will deal with
**SPORTING AND RECREATIONAL FACILI-
 TIES** and will have a minimum age of 16
 years.
 We appeal to the people to consider the
 following —

1. Have we the right sports?
2. Are they good enough to attract
 players or members?
3. Have the clubs any ideas as to how
 people should be brought out to at-
 tend games and such meetings and
 functions or to take part in them?
4. Have we the facilities where
 people can come to our clubs and
 play whatever sport is on offer?
5. Can we train people to play our club
 games — can we say that every child
 at school gets a fair chance of "having
 a go" at some game — or is it left at
 just "having a go"?
6. Is their emphasis enough on physical
 education both in the schools and for
 adults — can we encourage people to
 keep it up once they begin?

The above points are not included in
 the actual questionnaire but nevertheless
 should be kept in mind. We appeal to the
 people to be careful when filling in the
 questionnaire, which we sincerely hope they
 will oblige, so that the analysis of the re-
 sults will be accepted as authentic and re-
 liable.
DISTRIBUTION OF FIRST QUESTIONNAIRE
 It is intended to distribute the first ques-
 tionnaire dealing with Sporting and Re-
 creational Facilities within the next week.
 Please co-operate and make your opinions
 known.

Revival of Boxing Club

Many followers of boxing around Dun-
 garvan, were pleased at the recent revival
 of the club. Down the years Dungarvan's
 sporting public have always appreciated
 their boxing club, which lapsed some years
 back.

Prominent officials then were Con
 Murphy and Jim Patterson. In the past
 Dungarvan produced some excellent ex-
 ponents of the noble art. I recall Jim
 Street, Bill Begley, Gus Kelly and Johnny
 Morrissey, Abbeyside. In later years we
 had Martin Morrissey, O'Connell St. and
 Peter Crotty, the popular Dungarvan boxer
 who won an Irish boxing title and rep-
 resented his country at International level.
 I recall great fights at the Town Hall in
 yester year with Duck Daly and Battling
 Brannigan, providing the fire works. We
 cheered and cheered them on, both in
 their quest for victory.

The late Jim Hayes was the big man in
 boxing in those days. He supervised train-
 ing sessions at Scanlans Yard. There we
 saw some great boxing and very rarely the
 towel was thrown in. Some years back a
 certain boxer from the area, boxed at the
 late Mike McTigue's gym in New York.

It is good to know that Tom Lannon
 has provided training presides. I am
 pleased to hear that John Michael Street,
 a son of the late Jim Street, a boxing idol
 of yester year is identified with the newly
 formed Boxing Club. Also sterling Dun-
 garvan Gael, Jadda Power, in his day a boxer
 of repute. The popular Jadda should be
 able to pass some tips to budding boxers.
 Dungarvan folk everywhere wish the club
 well. Yes, once again we can smell the
 embrocation and the resin around the
 training camp in this historic town. How
 exile Matty Barry would have acclaimed
 it all. Seconds out!
MICK MORRISSEY.

ALCOHOLISM - A MAJOR HEALTH HAZARD

Alcoholism has for a long time posed a serious social problem for this country. A recent report compiled by the Irish National Council for Alcoholism indicates that im-
 mediate action is required in order to prevent this problem growing to a stage where it will prove to be an unbearable burden on our society.
 The World Health Organisa-
 tion assumes that there is a relationship between the num-
 ber of people who drink and the
 number of alcoholics. It esti-
 mates that not more than five
 or six out of every 100 drink-
 ers will develop a depend-
 ence on alcoholism. If this
 assumption is accepted, then
 any increase in the numbers
 who drink lead to an increase
 in the number of alcoholics.
 An estimate of one million
 drinkers in the Republic of
 Ireland was made by the
 Licensed Vintners Association
 in 1964. Evidence from recent
 surveys and consumption
 tables indicates that the
 numbers who drink have in-
 creased significantly in the
 meantime. There is no reli-
 able information available
 nor is there any sure way of
 determining the number of
 alcoholics. The figure most
 often quoted is that there are
 some 50,000 to 60,000 male
 and female alcoholics in the
 Republic of Ireland. The
 specialists working in the
 field of alcoholism consider
 that the figures above are
 conservative. A recent publi-
 cation by St. Patrick's Hospi-
 tal Dublin estimates that
 one in every thirteen men
 over the age of 20 years is
 an alcoholic. This would pro-
 ject a figure in excess of
 60000 male alcoholics, without
 taking female alcoholics into
 account.

Expenditure on alcoholic
 beverages is not a valid in-
 dicator of consumption nor,
 indeed, is it a guide to the ex-
 tent of alcoholism. It serves,
 however, to indicate the im-
 portance of alcohol in the
 national life of the com-
 munity.
 All alcoholic beverages con-
 tain a chemical, Ethyl Al-
 cohol. The amount of the
 chemical contained in these
 beverages varies with the
 type of drink: Stout, Beer,
 Cider, 2½%; 4%; Table Wines
 10-15%; Sherry and Port 20%;
 Spirits, 37.5% (all figures
 are approximate).

Ethyl Alcohol is regarded
 mistakenly as a stimulant.
 The reason for this belief is
 due to the effect of alcohol
 in removing inhibitions, par-
 ticularly in social situations.
 Ethyl Alcohol is a sedative
 which acts as a depressant
 on the central nervous sys-
 tem. Even relatively small
 amounts will diminish normal
 caution and will cause some
 impairment of skill, co-ordin-
 ation, vision and judgement,
 hence for example the danger
 of driving after drinking.
 Ethyl Alcohol is a potential
 drug of addiction and per-
 sons who abuse it by exces-
 sive consumption or use it
 for the psychological effects,
 are as likely to become de-
 pendent on it as on any other

addictive drug. In other words
 they are likely to become
 alcoholics.
 The causes of alcoholism
 are many. In the individual
 alcoholic the cause may be
 physical or psychological or a
 combination of both and
 must be considered against
 the background and attitudes
 towards alcohol of the partic-
 ular society to which the
 individual belongs. The
 reasons why certain people
 drink to excess, thus leading
 to addiction in the predisposed,
 are not known. It is gener-
 ally accepted however, that
 the consumption of alcohol
 to overcome the normal
 stresses of life will lead to
 the consumption of more and
 more alcohol to achieve the
 same results. Thus, using
 alcohol as a drug or crutch
 can lead to psychological de-
 pendence. Eventually, as more
 and more alcoholic is con-
 sumed, a constitutional bar-
 rier is broken, from which
 point the victim is in the
 grip of a progressive disease
 —alcoholism.
 Alcoholism is one of the
 major health hazards. If not
 arrested, it may cause a sig-
 nificant decrease in life ex-
 pectancy. It is a causative
 factor in mental and bodily
 illnesses of many kinds. It is
 progressive and irreversible
 but controllable. It cannot be
 cured in the sense that the
 victim can ever return to
 normal drinking. Alcoholism
 is a relapsing disease from
 which the patient can re-
 cover through treatment and
 by remaining abstinent.

HANDBALL

The draw for the Dee Cup will be made
 on Tuesday 30/10/73. All players in the
 county wishing to participate in this
 singles competition should have their
 names in with John Mansfield, Paddy
 McGrath, Tom Cummins or Pat Noctor
 on Monday night, 29/10/73 at the latest.
 There is also a beginners and a novice
 competition being held and names for same
 competitions are requested. This is a
 doubles competitions. The draw for this
 will take place on 1st November, 1973.

N.L. HANDBALL—Waterford handballers
 travelled to Carlow on Sunday last and
 were unlucky to lose at this venue. Scores
 were 125 to 105 aces.

The Boarded floor at this venue was the
 downfall of the Waterford players and
 only Paddy McGrath and John Mansfield
 seemed to be able to master these diffi-
 cult conditions. Next game against Wick-
 low at Arklow.
 On Sunday next at 2.15 p.m. Waterford

COURSING NEWS

Congratulations to that well-known
 sportsman, Mr. John Crotty, Leamybrien,
 on his well deserved and popular victory
 in the Oaks Trial Stake, at Cashel on Sun-
 day last, which earned him his ticket to
 the National Meeting at Clonmel, next
 February.

Handled by experienced and successful
 trainer, Mr. Tom Power, The Hill, Kilmac-
 thomas, the bitch, "Ideal Deal", by Hack
 Up Fenian ex The Burgee, flew through
 her four courses, having winning margins
 of three and four lengths each time up.

Having had an initial unsuccessful out-
 ing at Thurles, where she was beaten in
 the semi-final of the Trial Stake by half
 a length. This bitch could be one to watch
 at the Dungarvan Club's Deise Cup Meet-
 ing at Clonea in January next.

handballers are playing Carlow in a chal-
 lenge at Kilgobnet. The repeat of last
 Sunday's game should be worth watching.

DUNGARVAN RUGBY CLUB NEWS

Waterford 16; Dungarvan 3.
SHARP SHOOTER ROBS DUNGARVAN
 The sharp shooting of B. Gribben out-half for Waterford R.F.C. failed Dungarvan's hopes of advancing in the Garryowen Cup in Waterford on Sunday last. Gribben scored 12 points in all from 4 penalty kicks, their other score, a try coming in extra time. The little fancied Dungarvan side have much to be happy about in this performance. They dominated the game for much of the time but failed to register their superiority on the score board.
 Their only score came from a fine penalty kick by captain, J. Lynch within 10 minutes of the start. Waterford's only reply in the first half was the first of B. Gribben's penalty kicks to make the scores level and the game, a very open one at half time. Dungarvan turned in a fine second half display but the vital scores necessary to win the game eluded them. Half-way through the half Waterford pulled ahead with 2 penalty kicks, Dungarvan, however, refused to give up and Waterford had to wait until the final minutes before penetrating their closely knit defence.
 Best for Waterford were — T. Galvin, H. McGrath and T. Ronan. Dungarvan were best served by Lar Curran, P. Dineen and Pat Morrissey who formed a most formidable front line. Others to impress were captain J. Lynch and full back P. J. Killebrew.
 The teams were as follows — Waterford — T. Blount, T. Burke, J. Hughes, R.

DEISE GUN CLUB

The forestry lands of Lacken, Inchdrisla, Coolnamear Mountain (part), Boolatin, Ballyknock Upper, Currahaha, Colligan, Ballylemon, Dungarvan Forest, Ballymulala, Clashbrack, Drumslig, Ballintoor, Curran, Toor, Ring Forest, Reamanagh East, Carrigeen, Moyng Little, Moyng, Moonaheen are strictly reserved for the members of the Club only.
 The area around Carrigeen Convent as sign posted is a sanctuary and under no circumstances is shooting permitted. Any unauthorised persons found on these lands will be prosecuted. Any members wishing to use rifles in the forest area must let the forester know when they intend to visit the forests.
 The club has since 1968, upwards to 1,000 8-week-old pheasants in its release pens. Another year has passed by and it is time once again for the sportsmen in the Dungarvan area to have a look at the pheasant situation.
 Last season for many was not as good as previous years, but judging by the large amount of birds in circulation during the Spring and Summer the coming season is expected to be good. The reasonably good hatching season and the fact that our club has once again made a good contribution to the number of birds by releasing a large number of pheasants this year also makes the coming season full of promise.
 The pressure on game stocks is now greater than ever before as there are more than 140 guns in the Dungarvan area alone. It is only by the continued cooperation of all sportsmen that a successful season can be had by all shooting men.
 A meeting will be held in the Ormonde Hotel, on Friday, 26th October at 8.30 p.m. Anyone wishing to join the club or anyone wishing to know more about the club is more than welcome to attend.
 Signed,
JOHN YOUNG, Hon. Sec.

LATE MRS. MARGARET CONNORS

St. Joseph's Hospital, Dungarvan
 Widespread sympathy was expressed at the news of the death of Mrs. Margaret Connors, late of St. Joseph's Hospital, Dungarvan, who died on Saturday evening, October 20th, after a very short duration of illness but at the fullness of years. The deceased was wife of Patrick Connors, very well-known tin smith of former years.
 The late Mrs. Connors was a very popular figure throughout the Parishes of County Waterford, where she had travelled all her life. She was a kind person and most honourable in all her dealings.
 To her sorrowing husband, her large family who now mourn her loss we extend our deep condolence.
 Her remains were removed on Monday evening to St. Mary's Parish Church, Dungarvan, followed by a very large cortege who travelled near and far to be present. Her coffin was blessed and received by Rev. Fr. W. Callanan C.C., assisted by Rev. Fr. W. Carey C.C.
 Requiem mass was offered on Tuesday morning for the repose of her soul and the interment took place in the adjoining cemetery. Another capacity concourse were present. Rev. Fr. W. Callanan C.C., assisted by Rev. W. Carey, C.C. officiated at graveside.
 (J. Kiely and Sons had charge of funeral arrangements).

BALLINROAD SOCCER NOTES
 Ballinroad 1; Villa 2.

The Villa paid a welcome first visit to Ballinroad on Sunday last and although outplayed for most of the game they still managed to collect two valuable points to keep them well up with the leaders in the Div. 2A League.
 This was a game which the visitors virtually wrapped up in the first quarter, when scoring 2 well taken goals. The first after 8 minutes, when from a corner forward out jumped the home defence to head a picture goal. The second, 5 minutes later was a similar effort when from a free kick near the corner flag the same player nodded home number two. The home side came more into the game after this and during a fifteen minute spell before the interval Landers missed three gilt edged chances. The first when shooting wide of an empty net; next when he shot straight at the keeper from 6 yards; then 4 minutes from the break the same player shot into the side netting from a similar position. The second half saw Ballinroad press forward in search of a goal, which would bring them back into the game, but were continuously caught off side by the clever play of the Villa backs.
 Then they did pull one back six minutes from time, when John Landers raced on to a long ball down the middle to shoot past the diving keeper. But the Villa held on to their slender lead to collect the points.
 Best for Ballinroad were Veale, Breen, Harv. Power and Tobin. Ballinroad team — Veale, Breen, Fraber, Butler, Keane, Harty, Kiely, Fraher, Tobin, Power, Landers; 12th man, Elstead.

Birmingham Waterfordmen's Association

THE Waterford Association Birmingham held their 11th Annual dinner-dance at the Irish Community Centre. A guideline to the popularity of the occasion is the large number of Waterford exiles who travelled from Wolverhampton, Coventry and out-lying districts. The principal guest from Ireland was Dr. Michael Russell, Bishop of Waterford and Lismore. Councillor Tim Galvin representing Tom Brennan, Mayor of Waterford and Fr. Nicholas Power from Clonmel. Mr. Jim French, Chairman of the Association, London and his wife also attended.
 The Chairman, Mr. Michael Delaney, welcomed the guests and said how pleased they all were that his Lordship the Bishop found time to make the journey once again. He said how delighted they were that it was Tim Galvin, the Mayor choose to represent him in his own unavoidable absence. Since becoming Mayor four years ago, Councillor Galvin comes over every year to our function, and spends a week of his holidays with us.
 Mr. and Mrs. Jim French were also familiar figures at our dinner and would always be very welcome. Fr. Brendan O'Malley, President of the I.D.A., Birmingham, proposing the toast to Ireland said that expressing more dissatisfaction at present day social level, was not sufficient. We should also do something more positive and constructive there by helping the community and helping Ireland.
 His Lordship, the Bishop, proposing the toast to our Association expressed his regret at not being able to come last year, but was delighted to be here this year, and would make every effort to come in future. He congratulated the Association on that one of its members, Margaret Cullinan won the "Miss Munster" Birmingham contest this year, adding they had beauty amongst its members in addition to many other attributes. While he was delighted to see so many home on holidays this year he was concerned with the high cost of travelling, while the reduction in off peak fares was desirable, most people's holidays were confined to two weeks in the summer and as they must wish the longest possible time at home it was necessary to travel at week-ends. He thought that instead of spending so much money in the U.S.A. promoting tourism the Government would be better advised to spend the money to subsidise the fares from England.
 The evening was enjoyed by all.

LISMORE NEWS

The A.G.M. of the West Waterford Darts League was held at Cummins, Cappoquin, on October 11th last and all clubs within the league, with the exception of Queally's were present. In the absence of the outgoing Chairman and Secretary M. Madden and W. Conway, Noel Cummins presided. After the reading of last year's statement of accounts which M. Madden was complimented on, some delegates voiced their disapproval at last year's finance raising scheme and with the lack of co-operation in their efforts to sell tickets. After a lengthy discussion on the feasibility of extending the league for the coming year, a proposal from M. McNamara was not seconded. All last year's clubs were accepted as entries following M. Farrell's—Maddens—assurance that Queally's Tal-low wished to participate.

Election of Officers — Chairman Mr. S. Morrissey, defeated S. O'Dowd 6 votes to 3 votes; Sec., M. Madden, unopposed; Treas., Sean O'Dowd, unopposed. In the event of anyone of the entries for this year's league failing to participate it was decided that a reserve team be named, so as to ensure an early start to the league. It was decided that Walsh's, Modchoo and Walsh's, Tal-low, be invited to stand-by and in the event of a team dropping out, a draw of the bar would determine. It was also decided that last year's grouping system will be adhered to again this year. On the proposal of M. McNamara and seconded by Ter O'Brien it was decided to commence the league on Friday, October 19th and this was carried unanimously.

Draw for 1st round — Maddens v. Kereen; Morrisseys v. Queallys; Cummins a bye; Crislin Len v. Lindsay; Tobins v. Mahonys; Dowds a bye. Next meeting Maddens 23/10/1973 or alternative Queallys; Grange F.C. newcomers to association

Football were welcome visitors to Lismore on Sunday last and handed out a deserved trouncing to the home side by 6 goals to 2 goals. The visitors displaying a more organised style of football were really very fit and they ran the home side into the ground. They showed a more energetic approach to the game and never gave up trying and this stood to them all through, when in the final stages they were moving as well and as quick as at any time throughout. They still have an amount to learn but if they continue as they are, they will do well in the league. They opened the scoring early in the game with two goals, scores from which the home side never recovered and went on to score two more before the break. The home side got goals with one from the spot, Billy Cunningham converting, while three goals in all were scored in the second half two to the visitors with a lone reply from R. Keating. For the home side,

Walsh in goal could be faulted for one or two poor handling, but really he never got adequate cover from his backs of whom Dennis M. Walsh, O'Sullivan and Mason gave of their best. Up front Donal Lambers was ploughing a lone hand at half-field and he had to spend most of his time in defence, while Keating, Cunningham, Veale and Whelan came into the game in patches. Team: J. Walsh, M. Walsh, Atkins, Mason, O'Sullivan, O'Connell, Whelan, Cunningham, Veale, Landers, D. and R. Keating.

It is now fairly obvious to all that one cannot hope to compete in any type of competition, friendly or otherwise without being reasonably match fit and Lismore are far away from this just now. Most of the players have the playing ability but are not fit.

CAPPOQUIN NEWS

**"Mummy! Mummy!
Daddy's got a new car!"**

It may be a New car. It may be an A-1 used car. Either way, to you and your family it's certainly new. If it is an A-1 used car you will hardly notice the difference. Inside, outside, under the bonnet, it will look and behave almost like a new model.

Ford dealers have a wide variety of trading in used car buyers to choose from. The latest models of virtually all makes, most of which are good looking, well cared for and with low mileage.

The best of these become A-1 used cars. They are thoroughly inspected from wheels to roof, bumper to bumper and reconditioned inside and out. Where necessary parts are repaired or replaced.

Then it goes through a rigorous road test. If it doesn't hold perfectly it doesn't get the A-1 sticker. Because that A-1 sticker automatically guarantees the car for three months or three thousand miles. If anything goes wrong under the A-1 guarantee, the Ford dealer gets the bill. So you can be pretty certain that he's not going to leave anything to chance.

Good as new — the phrase takes on a whole new meaning when applied to the A-1 used car.

KILMACTHOMAS — On Saturday night, 20th October, two very interesting and entertaining debates were held in the Temperance Hall, Kilmacthomas, with Kilmacthomas v. Bullerstown and Tramore v. Ballymacarby. Misses Anna Decker, Deirdre Murphy, Messrs. John Hobbs and Sean Murphy, the members of the Kilmacthomas team, were successful in convincing the adjudicators, Messrs. Nicholas Power, Ted Buckley and Edmund Creasty, that "Money is not the best form of aid to the Third World" and Ballymacarby had no doubts "That Ireland should not forget its Past."

The Kilmacthomas team will now go on to the County semi-final when their opponents will be Kinsalebeg, debating on a very topical subject — "That the E.E.C. means a bonanza to the majority of Irishmen." This should prove to be a debate well worth listening to. I am convinced that a visit to the Courthouse in Dungarvan should be well worth while when you can hear these two teams in action. The novice public speaking competition is scheduled to start around the end of Nov.

CONRADH NA GAELIGE—Leadog Eoid

All teams under 14 or over 14 who intend to enter for the county championship this year should contact the organiser, Pádraig O'Liannusa immediately. Games will commence after 1st November. When the complete number of teams is available teams will challenge each other to play and all challengers will provide for game entertainment at home venues. Dates must be arranged between the competing teams and any team failing to travel on the agreed date forfeits the match. A very keen competition is expected this year. Mixed teams can compete in both junior and senior competitions. There are three teams in the final of the 1972 senior competition. Tulach an Iarainn, Lios Mor and Ceapach Chunnin. Those teams are asked to take note that those matches must be played before November 30th. Teams will be notified of the dates and venues in the near future.

APOSTOLIC WORK SALE — The Apostolic Work Sale will be held at Our Lady's Hall, Convent Grounds, Cappoquin, on Sunday, October 28th at 2.30 p.m. in aid of the Missions. Other attractions include raffles spinner etc. The Apostolic Work Society look forward to the generous support of the public.

G.A.A. NEWS — Last Sunday's games at the Sportsfield resulted as follows. In the junior football league, Shamrocks had a good victory over Ballinacoola while Dun-

garvan accounted for Tallow in the women's junior football final.

ON COUNTY LEVEL — We are delighted to see that Pat Egan is on the Waterford senior hurling panel. The team has full points from their two games so far. Let's hope Pat gets a chance to show his paces in future game in the league.

DARTS — Morrisseys displayed tremendous form in their opening game in this year's West Waterford Dart League. Their opponents were newcomers Walshs of Moolisigo, who contested every game to the last "double". They helped to keep the standard of throwing very high indeed and will be a decided asset to the league.

The final result was Morrisseys 5 games, Walshs 2 games. The other local side Cummins had a bye on this occasion. Let us hope both sides do well in this competition.

T.V. — Well R.T.E. has increased the License Fee on our T.V. sets, but they have not increased the programme value. Indeed it is worse if anything. Can they not show us anything else but "private eye" series. It is now about time we had some decent comedy programmes for example, the sooner we get multi-channel viewing the better. At least then we can have a choice and get some value for our money.

MARRIED — Congratulations to Peter Kirby, Dungarvan Road, Cappoquin, youngest son of Mr. and Mrs. Thomas Kirby and Miss Ann O'Reilly, Portarlinton on their recent wedding in Rome on October 1st last.

B.L.E. ATHLETIC NEWS

ROGER BARRON WINS O'SHEA CUP AT TRAMORE

Roger Barron of Kinsalebeg A.C. confirmed beyond all doubt on Sunday last at Tramore that he is the most improved athlete in Waterford. His display in winning the O'Shea Perpetual Cup from a field that included such as Pat Byrne of Waterford A.C. and David Browne of Dunhill A.C. was the outstanding feature of a well run off programme. In addition Roger had the distinction of leading his team to victory getting great support from Tony Shalloe and Robbie Walsh.

In the boys and girls U-11 races we saw a clean sweep by Grange A.C. as they collected both team prizes in convincing fashion. In addition these two races proved to be a personal triumph for Mary and Maurice Hallahan with Mary winning her race and Maurice just failing to beat a very good youngster in Declan Aspel of De La Salle but what a race it will be when these two meet again in the county championship. Bouquets all round also to the following Grange A.C. athletes who helped win the two team prizes and so keep their club in a strong position for the All Round Cup — Marie O'Connor, Sheila Mansfield, Catherine Veale, David Quinn, Paddy Flynn and John Joe Stilwell.

In the boys U-13 race, Pat Mooney of Eally A.C. won a very exciting race from Niall Flynn of Dungarvan A.C. and Finbarr Murray of St. Nicholas A.C. Young Mooney was always disputing the lead and after a lap had opened a gap on Murray and seemed to have the race at his mercy. Then young Flynn made a determined effort and closed the gap near the finish, but the Bonmahon boy pulled away to record his first ever victory at cross country level. The team prize here went to a good Dungarvan team who will take some beating and in addition to Niall Flynn the scoring athletes were Joe Hennessey, Richard Moore and Joe Conway. In the boys U-15 race, the Friary team packed well to win the team prize. The winning team was Nickey Connors, Milo Ahearne, Michael Leahy and T. J. O'Neill. There was also plenty of joy for the Friary boys in the U-17 race where thanks to the efforts of Mattie Curran, Martin Curry,

Brendan O'Shea and Rickie Dove, another team prize went to Duckspool. This race was won as expected by Michael Casey of Bally A.C., who once again proved too good for Sean Meehan of Dungarvan A.C. and Pat Gear of St. John's Park.

There was a mild surprise in the girls U-15 race when Bernadette Prendergast of St. Nicholas A.C. failed to beat Maura Clarke of Tramore A.C. in a very exciting finish and it will be very interesting to see what will happen when these two girls meet again soon. In the girls U-17 race there was a great struggle between Dervila Mollerick of Grange-Fermoy A.C. and Elizabeth Treacy of St. Nicholas A.C. but in the end the Cork girl had plenty to spare over her gallant rival.

The full results are as follows — Boys U-11 1—D. Aspel, D.L.S.; 2—M. Hallahan, Grange A.C.; 3—R. Henneberry, Grotto A.C.; Team—Grange A.C. Girls U-11 1—M. Hallahan, Grange A.C.; 2—L. Stafford, Grotto A.C.; 3—M. Power, Tullogher; Team—Grange A.C. Boys U-12 1—P. Mooney, Bally A.C.; 2—N. Flynn, Dungarvan; 3—F. Murray, St. Nicholas A.C.; Team—Dungarvan A.C. Girls U-12 1—A. Corcoran, Tramore; 2—M. Henneberry, Tullogher; 3—L. Power, Tullogher; Team—Tullogher. Boys U-13 1—J. Heenan, D.L.S.; 2—J. Wilkinson, Tullogher; 3—W. Eird, Newtown; Team—Friary.

Girls U-15 1—M. Clarke, Tramore; 2—B. Prendergast, St. Nicholas A.C.; 3—B. Quilly, John's Park. Boys U-17 1—M. Casey, Bally A.C.; 2—S. Meehan, Dungarvan; 3—P. Gear, John's Park; Team—Friary. Girls U-17 1—D. Mollerick, Grange-Fermoy; 2—E. Treacy, St. Nicholas; 3—G. Pleass, Newtown.

Senior Men 1—R. Barron, Kinsalebeg A.C.; 2—P. Byrne, Waterford A.C.; 3—D. Browne, Dunhill A.C. Team—Kinsalebeg A.C.

In all well over 200 athletes took part in last Sunday's races and it is hoped that as many will take part again next Sunday in Kilmorien, when there will be races for boys and girls U-10, 12, 14 and 16 as well as the first leg of the novice league.

A factor which contributed to this was full utilisation of carcass.

DUNGARVAN ARE BACK

Dungarvan ... 3-2; Tallow ... 2-4. DUNGARVAN footballers overcame a disastrous start (they were two goals down after five minutes of play) and stormed their way back to score a great victory in this Divisional junior final played at Cappoquin on Sunday last. This was a most exciting final which the good attendance thoroughly enjoyed.

TWO GOALS AHEAD

Tallow got off to a wonderful start when in the second minute, Billy Ryan opened the scoring with a well taken goal. Three minutes later following a great movement, which involved no less than five Tallow players, Matt Harpur shot his side's second goal to put the Bridesiders six points clear. Two minutes later Noel Sheehan had the ball in the Dungarvan net, but the score was disallowed. Pa Meehan steadied Dungarvan with a point from a free in the eleventh minute. Then Jackie Sandford, who was one of Dungarvan's hardest working players placed Eamonn Kiely for his team's first goal. Tom Doyle pointed for Tallow before John Moylan set this game alright,

when he fisted the ball to the net in the 20th minute, to leave only one point between the teams. Points from Billy Ryan (free) and Noel Sheehan left the Bridesiders two points in front at the break.

GREAT RALLY

Tom Doyle scored a point for Tallow in the 39th minute and Tallow were now enjoying territorial advantage, but as the time slipped by they failed to increase their tally. Billy Ryan's drive came back off the cross bar and again Noel Sheehan had the ball in the net but this score was again disallowed.

Dungarvan brought on Des Foley. John Moylan moved to the defence. Mick O'Gorman moved to full forward and Jackie Sandford went to the half forward line and as the game entered the final quarter one sensed that Tallow's grip on the game was slipping and as the minutes ebbed away Dungarvan surged upfield in search of victory. Mick O'Gorman's shot crashed into the side netting. With nine minutes remaining to be played, Des Foley centred the ball into

the Tallow goal area, Mick O'Gorman gained possession and slammed the ball to the Tallow net. From the kick out O'Gorman raced through and scored the winning point. Tallow tried all they knew to get the equaliser, but Dungarvan were now rampant and they were not to be denied the title.

Tallow, I am sure will ponder on how they lost this one, yet they can have few excuses as they enjoyed the lion's share of the play, but they failed to translate this advantage into scores, as on numerous occasions they overdid the passing. They were well served by Billy Sheehan, John Russell, Mutt Curley, Seamus Treacy, Tom Doyle, Matt Harpur and Billy Ryan.

19 YEARS WAIT

This was a sweet victory for Dungarvan. A win which gave them their first championship success in nineteen years and everyone of their players will be rightly regarded as a hero on this memorable occasion for the Dungarvan club. They withstood an early set back and sustained pres-

sure for most of the hour and the manner in which they rallied their forces in the final quarter shows the capabilities of this team of theirs.

With Liam Sandford and Michael Norris starring in defence, where Jim Curran and Jim Houlahan also had their moments. They were never happy at centre field, until Eddie Sheehan moved there in the first half and Eamonn Kiely also impressed in this sector after the interval. John Moylan played best when moved to defence. Mick O'Gorman was their most lethal attacker. Mickey Sheridan always threatened danger and Jackie Sandford's work rate was an example to all. While Sean Power, Mickey Houlahan, Des Foley, Pa Meehan and George Tutty also played their part. Liam Simms best football was also played when he moved to defence.

Scorers — Dungarvan — M. O'Gorman (1-1); J. Moylan and E. Kiely (1-0); P. Meehan (0-1). Tallow — B. Ryan (1-1); M. Harpur (1-0); T. Doyle (0-2); N. Sheehan

(0-1).

Teams — Dungarvan — G. Tutty; L. Sandford, S. Power, M. Norris; J. Curran, E. Sheehan, J. Houlahan; M. Houlahan, P. Meehan; M. O'Gorman, J. Moylan, L. Simms; J. Sandford, E. Kiely, M. Sheridan; Sub: D. Foley for S. Power.

Tallow — B. Pratt; J. Russell, B. Sheehan, T. McSweeney; T. McCarthy, L. O'Brien, J. Cronin; M. Curley, E. Curley; N. Sheehan, T. Doyle, S. Treacy; M. Harpur, B. Ryan, P. Prescott. Subs: K. Ryan for T. McSweeney; John McDonald for P. Prescott. Referee — J. J. Landers, Affane.

PRESENTATION

After the game, Dick Doocey presented the Doocey Perpetual Cup to Dungarvan's captain, Liam Simms and in doing so he reminisced on other memorable occasions for the Old Boro Club. Then amidst scenes of great excitement the Dungarvan skipper was carried shoulder high from the field with the Cup. As the old saying goes, 'tradition dies hard.'

Big hearted display by Waterford's hurlers

SHOW DETERMINATION AGAINST CLARE

Waterford ... 1-16; Clare ... 3-4. LAST Sunday was another red-letter day in the revival of Waterford hurling. By a great-hearted display of determination and will-to-win that made little of any shortcomings in technique or tactics they gained a fine win over Clare at Pairce Bretnach by 1-16 to 3-4.

Waterford opened on top, hurling briskly, a nervous O'Grady, not really at home at corner forward, fozzled a chance, then failed to get the right lift for a free on the left. Three minutes had still brought no score when Clare broke away. They went wide, but the inability to capitalise on early possession might have been more serious — a good start is half the battle.

Waterford were back immediately; Canning was wrestled to the ground and O'Grady hit cleanly from the 21 yards line for the first point. Four more minutes — mostly favouring Waterford, with occasional Clare breaks, before Canning hurled over the second point. Eleven minutes and still no further advantage taken; Clare meantime, had mounted a few attacks and Waterford lived a little dangerously in defence. Now, a lack of decision in front of goal allowed Timmy Ryan to slap in a ground ball, badly missed by Foley who was slow to react. A soft goal and Clare now led 1-0 to 0-2, a poor return for the first quarter, and a bad blow at psychological moment.

But, Waterford warmed to the challenge;

Geary, getting up a nice head of steam now in the left corner, worked hard for a point in the 12th minute; O'Grady, now steadier, pointed nicely from a 40 yard free after a foul on Mossie Whelan. But, in the 17th minute Pascal Russell pointed a 21 yard free to level.

Then, in the 20th minute, came the second Clare goal by Noel Casey another easy one, a compounding of errors as play approached on the right wing of the defence and with Foley again slow. Two minutes later, Russell pointed a 21 yard free conceded by a hard pressed defence. 2-2 to 0-4 in Clare's favour — a serious set back.

Once more the home team's determination brought them back into the game; O'Grady snapped up and pointed; added another when Geary was fouled 25 yards out on the left. Suddenly, Canning cut loose, racing away from Gus Lohan, building and then finishing for a goal, sweeping to the left and pulling the ball back across his shoulder for a great point, and then bustling outfield to hit a high 40 yard point. This was the key effort of the match. Russell struck a Clare point just on half-time. Waterford 1-8; Clare 2-3.

Martin Hickey and Tony Reid had changed wings to some advantage just before half-time, during the interval, Davy Duggan was feeling unwell and retired. Galvin dropped back to right-half; O'Grady came out from the corner to mid-field where he is so much more at home; and

Stephen Greene came on in the corner. When they all settled, it tightened matters up greatly. Galvin, in particular, was an immediate success and needed to be as Clare pushed on to the attack on the throw-in. For five minutes Waterford had to withstand strong pressure; they did with a defence that looked sounder now and less given to over-elaboration or indecision. When Jim Greene pointed a 65 yard free and O'Grady added another from a 21 yard free, the worst seemed over. But, Clare struck again just then as Tim Ryan bored a 21 yard free through the lined goalmouth for their third goal.

From there to the end, however, Waterford gained in stature and were almost entirely on top: defence steady, midfield now well in command, and the forwards running hard and working well to stretch the Clare defence. Geary, who was particularly prominent throughout the second half, had a point in the 15th minute. 1-11 to 3-4, the lead again. Stephen Greene had hard luck for a goal before hitting a nice point from the wing. McKeogh replied with a point from a 65 yard free for Clare. But, then, O'Grady from a left wing free, 18 minutes; Hickey, 21 minutes; O'Grady a 25 yard free, 23 minutes; and Reid 25 minutes stretched out the lead to a comfortable six points.

Waterford relaxed their grip then and spent three or four unhappy minutes on

the rack as Clare strove desperately for some late scores. Two 21 yard frees were saved on the line; Foley, Kirwan, Coady and Hannon all cleared under heavy pressure, but it was a couple of minutes uneasiness which need not have been endured. Play was back near the Clare end when the referee called it a day.

Coady played a thundering good game at full-back, as he so often has over the last year; Hannon struck into every awkward situation as always; Martin Kirwan was a little too like a half back at times for the sudden death position of corner-back. Galvin stabilised the defence on the right in the second-half; McGrath was excellent all through and Jim Greene struck well to a task that looked unrewarding at times during the first half.

O'Grady played with his usual compact competence at midfield after half-time; but Mossie Whelan was easily the best man on the field in this match — intelligent, cool, hard-working.

The attack — 1-16 is not bad and it could have been 6-16 or more but for Seamus Durack's wonderful goalkeeping for Clare — was still working under strain. The capacity is there in terms of work certainly, but somehow or other the tuning is off, so that the whole machine works harder for less results. Heffernan by sheer effort could almost convince one that he

is comfortable as a forward — which he is not. Hickey had a moderate game; Reid tried well but does not travel well enough; Geary works like a beaver; Stephen Greene may be over the worst of his bad form after this game. In this match, however, Canning was the key victory — there are not many full backs who will break even with this tremendous dreadnought. Curiously, not a ball was struck his way in the second half. And in this lies the difficulty with the side — that they still play mostly to get the ball moving forward rather than hitting to a spot where the best tactical advantage might be gained. Like a snooker player who pots the red, but forgets about positioning his cue ball. Still, in a year, you cannot learn it all. Remember that, a year ago they were nobodies; to-day, everybody has an eye on Waterford.

Teams — Waterford — M. Foley; M. Kirwan, P. Coady, S. Hannon; D. Duggan, J. Greene, P. McGrath; J. Galvin, M. Whelan; M. Hickey, A. Heffernan, A. Reid; P. O'Grady, L. Canning, M. Geary. Subs. — S. Greene for D. Duggan.

Clare — S. Durack; J. Power, G. Lohan, J. O'Gorman; G. Loughnane, M. McKeogh, S. Heir; J. Cullinane, M. Moroney; P. Russell, N. Ryan, J. Callanan; N. Casey, E. O'Connor, T. Ryan. Sub: J. Commare for Russell.

RULE CHANGES

What do you think of the proposed rule changes as suggested by the G.A.A.'s rules revision committee, I have been asked that question many times in the last three weeks, since the experimental changes were announced. Well, the obvious answer is that a committee has spent many months working on these suggested changes then I feel that there should be a fair trial of these changes before any final decision is arrived at in respect of them.

Such changes are the re-introduction of the hand pass and the abolition of the orthodox pick up in football. In hurling that the sliath cannot be lifted with the stick from the ground to the hand. All deserve a fair try-out. Old timers will be familiar with the hand pass. The abolition of the pick-up in football will certainly provoke much discussion as will the change in the lift up in hurling and unless these changes prove to be fully satisfactory when they are tried out then they are going to meet with opposition.

The none charging of the goalkeeper in both hurling and football looks certain to be adopted, yet the idea of two squares is another matter entirely. The suggestion that only three defenders could man the goal for a 21 yard free in hurling, sounds good providing of course that the attacking team are not trying to abuse the idea by working for frees.

The outlawing of the third man tackle, i.e. charging the man off the ball, will be welcomed by most followers. Although it is worth noting that such tackles are not allowed under the present rules.

The placing of the ball by the player for side line kicks and pucks is sure to be adopted, as is the awarding of a free against a player who fouls a free pucker or kick. While I am somewhat mystified as to the reasoning behind the suggested change for commencing play in hurling games and the recommendation in respect of the solo run is very vague and would place the onus on our referees.

ABBEYSIDE/BALLINACOURTY FINAL

Wolfe Tones ... 3-4; Emmetts ... 1-1. The favourites, Wolfe Tones, lived up to their rating in last Saturday's final, when after a hard fought encounter they emerged as deserving winners of the title.

Emmetts played their best football in the first half when playing against the breeze, they were only four points down at the interval. The winners got well on top on the resumption and a goal from stymond Moloney put the issue beyond doubt.

After the game, Martin Higgins presented the Mick Higgins Perpetual Cup to Wolfe Tones captain, Pat Moloney and the club presented a trophy to each member of the winning team and to Emmetts' skipper Tommy Wade and so the clubs fifth annual U-14 football league has been brought to a successful conclusion and since its beginning in 1969 this competition has more than proved its worth to the club and long may it continue to do so.

Wolfe Tones — D. Looby; John Keohan, John Mulligan, L. Shanley, Michael O'Donnell, M. Coleman, M. Foley; P. Moloney, T. Kelly; P. Regan, P. Hayes, M. Riordan; B. Moloney, B. O'Brien, Martin O'Donnell.

Emmetts — R. McCarthy; B. Shanly, G. Looby, J. Veale; D. Cosgrave, T. Foley, M. Organ; S. Woods, T. Wade; A. Meehan, P. Hyslop, P. O'Connor; G. O'Connor, P. Dwyer, Maurice O'Donnell.

LEAGUE GAME Shamrocks ... 1-6; Ballinacoola ... 1-4. In the curtain raiser at Cappoquin on Sunday last, Shamrocks scored a two point victory over Ballinacoola in their junior football league game. Shamrocks now go forward to play Kilgobinet.

When Ballinacoola went in front with a point from a free with six minutes to go they seemed set for victory. However, Shamrocks came back to snatch victory with a goal. This game produced an amount of ill tempered play which we could have done without and we had one particular nasty incident in the second half when a Ballinacoola player was laid out in front of the Shamrocks' goal area. Unfortunately the referee was unsighted at the time.

TOURIN FANCED FOR TITLE

Tourin v. Tallow On Sunday next, the Western Board completes its adult championship programme at Cappoquin, where Tourin and Tallow meet in the Divisional final of the junior hurling championship and with Tallow fielding their seconds here, Tourin must be

rated as firm favourites to win their first hurling title in a decade. Their last hurling win was in 1963 when they won this self same title, which was then known as the Primary Grade. Direct links with that side are present day players, Oly Wilkinson, John Joe Scanlon, Jimmy O'Gorman and Tom Sullivan and with Peter and Bernie Scanlon, John Landers, Frank McGrath, Matt Enright, Joe Bennett and company they have impressed in all their games to date and they have scored big wins over Na Gaeltacht, Killyossanty and Dungarvan in the semi-final.

Tallow followed up their good form in the earlier round with a shock win over Kilgobinet two weeks ago and Denny and Eddie Cunningham, John McDonald, Eddie Condon, Richie McNamara, John Curley, Kieran Ryan, Pat Daly etc. could pull it off. However, Tourin are unlikely to take anything for granted and the driving force of their experienced players should give them an upper hand and the title.

MINOR FOOTBALL CUP

The Western Board has purchased a trophy for the Divisional minor football championship and the Board now has Perpetual trophies for all ten of their championships at long last.

NEXT OUTING

Waterford hurlers will have their next outing on Sunday week, November 4th, when they travel to New Ross to take on the other team with full points, Wexford. The curtain raiser to this vital game will be provided by Waterford and Wexford footballers who meet in the third round of the league.

All in all it should be quite a day in New Ross on November 4th.

EASTERN FINAL

I am sure that the Dungarvan club will have a few observers present at next Sunday's Eastern junior football final in which Ballyduff are fancied to account for Roanmore.

I.F.C. COUNTY FINAL AT DUNGARVAN Ballyduff v. Tramore at 3 p.m.

FOOTBALLERS FACE LIMERICK

Waterford footballers travel to Limerick on Sunday next to play the home county in the second round of the National Football League and in their present mood this is a game that they can win. Two weeks ago they turned in one of their best displays for quite some time, when they had a big win over Carlow at the Waterford Glass field. For Sunday's game the selectors have named an unchanged team, a fact which must give added confidence to the players.

However, Stradbally's Pat Clancy cried off on Tuesday evening and a replacement will not be named until the team arrives in Limerick on Sunday next. In Limerick they will face a sterner test than that encounter in the Carlow game, yet in their present mood they should have too much on hand for the Shannonsiders.

Team T. Fleming; R. Ahearn, J. Wall, P. Clancy; M. M. Kirwan, P. Walsh, N. Walsh; J. Hennessy, T. Casey; J. Flynn, G. O'Neill, B. Fleming; S. Ahearn, M. Hackett, V. Kirwan. Subs E. Keane, T. Whelan, T. Gough, T. Moore, J. O'Donnell, F. Murphy, E. Dunphy.

DUNGARVAN'S VICTORY

All neutral football followers will be delighted with Dungarvan's victory in last Sunday's Western junior final over Tallow. A win which gives the "Old Boro" club its first adult championship title since 1954 and this win should very well see an upward surge in this famous club's fortunes. I use the word could as clearly the answer lies with the players themselves. Now that they have at long last tasted championship success, surely they must realise what such a victory means for their club and for the Association in the town and provided they give complete loyalty to their club for such vital games as last Sunday's final then they should have a bright future ahead of them and inside a few years Dungarvan could be back in senior ranks where they belong.

Finally a word of praise for men like Mickey Tobin, John A. Murphy and Jim Mullins who have worked so hard for their club over the past number of years, they had their reward on Sunday. Congratulations to all concerned on a great and most important victory for the "Blues".

TOM CHEASTY

On Sunday week last when Portlaw won their fourth county senior title by defeating defending champions Mount Sion in their replayed county final, the shining star of their attack was once again the irascible Tom Cheasty, who proved to be more than a handful for the current county centre half back, Jim Greene. Tom Cheasty first hit the headlines in 1956 at Fermoy, against Cork in that year's Munster Championship, in a game which heralded the coming of greatness of a new generation of Waterford hurlers and during Waterford's golden years at the top from 1957 to 1963, Cheasty became a household name throughout the land.

During these great years, Tom won every major honour in the game at inter-county level and his finest hours were in this writers opinion played at Croke Park in 1959 when in both the drawn and replayed All-Ireland finals he won a special place in the hearts of all Waterford hurling followers by the manner in which he waltzed his way past the Kilkenny defenders.

After his retirement from the inter-county scene, Tom continued to hurl with his club, Ballyduff/Portlaw and he won his first county senior medal in 1970. However, as in fact we had on county final that year, this title win was far from satisfactory for the Portlaw men. They were back in 1971 only to be almost caught on the hop by St. Mollorans. Yet on the call of time, Tom Cheasty earned them a second chance with a point from a free. For the replay Mossey Whelan allowed Cheasty the honour of leading Portlaw to their first senior title victory "on the field of play" since 1937.

Then on Sunday week last Tom won his third senior medal, a sweet one this by defeating old and respected rivals Mount Sion. Only Tom himself knows how much longer the legendary cheasty will continue to grace Waterford's hurling fields. Let us hope that it will be for another few years at least. As when Tom finally retires, Waterford hurling will have lost one of its greatest characters and most glamorous stars. Incidentally, Tom is not the only fifty niner still hurling as Martin O'Morrissey, Joe Harney, Ned Power and Donal Whelan are all still assisting their respective clubs.
