SECOND IN IRELAND

Paddy Lynch, Ring, Dungarvan, 15 year-old son of Mrs. Mary Lynch and the late Dr. Tom Lynch, M.O. Kilmacthomas, achieved a really outstanding feat in this year's Intermediate Certificate, by gaining 2nd place in Ireland and the Burke Memorial Scholarship. He is a student of Dungarvan C.B.S.

Elected to Governing Body of U.C.C.

Mr. M. Harty, M.C.C., has been elected representative of Waterford County Council on the Governing Body of University College, Cork, for the term ending 31st January, 1977.

He was proposed by Colr. N. Walsh and seconded by Colr. P. Cusack.

More Gardaí needed for West Waterford

The members of Waterford County Council were shocked at their last meeting on Monday when they were informed by Mr. O'Connor, Co. Manager, that a resolution passed unanimously last June calling on the Minister for Justice to increase the Garda Force in West Waterford had never, in fact, been sent.

Due to certain unforeseen circumstances and changes in staff, Mr. O'Connor stated the resolution had never been sent and that he had only discovered this a few days prior to the meeting.

Mr. George Heekin said the need for more Gardaí came home to them all last week when Carrigrohane was the centre of dramatic bombing incidents.

It was unanimously agreed to forward the resolution to the Minister and to inform him that in the view of Waterford Co. Council West Waterford was one of the most understaffed Garda regions in the entire country.

Dungarvan Dramatic Club presents "Bonaventure"

This latest presentation by the Dungarvan Dramatic Club well maintains the high standards of performance set over the years. Bonaventure could well be described as a mono-play, typical West End Theatre, in which while the emotions are not plumbed to the depths yet the conflicts and sympathies of a group of people thrown together by flood waters in the Convent-cum-

hospital of Our Lady of Mercy is a most closely drawn and finely produced by Brian O'Connell. The evenness of the casting and the brilliance of individual performances.

May Patricia's debut on the Dungarvan Stage is made memorable by her tightly reined portrayal of Sarah Carr, an artist condemned to death for murder and on her way to the hanging. Opposite to her in the title role, Eileen O'Mahoney gives another fine performance, controlled, loving and kind; the soul mate of Sarah Carr on the deeper spiritual plain. The rapport achieved by these two actors is to my mind rare in theatre, and of itself makes the play worth seeing.

Peter O'Callaghan, whom I congratulated on his playing in "Philadelphia Here I Come" last year, plays a smooth, creditable Dr. Jeffries.

All the minor, if no less important, roles reveal a competence in stagecraft (too seldom attained on the amateur stage).

This is the forty-third presentation by the Club. Donorship may well be proud of "Bonaventure." There is an extra performance this Thursday, 15th inst. Don't miss this play.

WATERFORD N.A.C.A. A meeting of the Waterford County Board N.A.C.A. was held in Conway's Hotel, Cappoquin, on 29th October, 1973. The following officers were elected for 1974—
Chairman, Leonard Finner; Vice-Chairman, Pat Dunne; Hon. Sec., Mrs. Alice Burke; Hon. Treas., Albert Burke; County Registrar, Geraldine Finner; Hon. & handicapper, Pierce Butler; County Organizer and P.R.O., Tony Reynolds.

Hopeful Mr. Murphy will be back

— Chairman

"We have no official information but we are hopeful Mr. Murphy will be back. Mr. Charles Curran, Chairman of Waterford County Council said at a meeting of the Council last Monday.

This was the closing comment of a lengthy discussion on the engineers go-slow. Colr. C. Curran said that the seriousness of the situation continues to develop within the County that the services were critical and the situation intolerable.

Colr. J. Quirke said that the County was in a worse position when the Government sacked the engineer in his area, Lismore.

Colr. K. O'Ryan said it was an extraordinary situation that when he raised the go-slow in the first instance the Chairman stated the best said of it the better and now he was raising it himself, he concluded by saying he considers it a strike.

Colr. H. R. Dowd said that they might as well be on strike and that he didn't see why West Waterford should be victimised. It is a shame and a disgrace, he said. He went on to say that he was promised some time ago and he called on every Councillor to witness, that a report for a water scheme for the Ballgullane area, would be on the agenda and there wasn't one thing about it. He concluded by stating the West Waterford area was being neglected.

Colr. Dowd was later assured the matter was being attended to.

PUBLIC SUFFERING The general feeling of the Council was that the public are suffering to the greater extent.

Senator Deasy said the go-slow was causing terrible inconvenience to the public and that it had gone on far too long.

Colr. Cahill stated there should be a public inquiry into this and in the opinion of Colr. Curran it is an inter-union dispute.

Colr. T. Foley said that these people are drawing hefty wages and are causing havoc while Colr. K. O'Ryan quipped they should be paid on a go-slow basis.

While the engineers are not supposed to communicate with the councillors they have communicated with members of the public, which was described as a scandal by Colr. Dowd who asked why should they see people we are representing and not see us.

PRIVATE TREATY

BOHADDOON, DUNGARVAN, CO. WATERFORD

Highly Important Sale of Superb Residential Holding of 84 acres or thereabouts (S.M.)

I am favoured with instructions from Mr. John Doyle, who is retiring from farming to sell by Private Treaty his attractive roadside holding of 84 acres or thereabouts (s.m.). P.L.V. Lands £29.50; Buildings £2.10.

The lands lie in the centre of an excellent and very popular farming area. Their exceptional high grazing and fattening qualities with southerly aspect cannot be too highly recommended. The lands are suitable for either grazing or tillage, well limed and fertilised. They are laid out in suitable sized divisions. Fences are well maintained and there is an excellent never failing water supply.

This farm is undoubtedly one of the most desirable residential agricultural properties to come on the public market in the vicinity of County Waterford in recent years. Splendidly situated about 6 miles from Dungarvan town and mart, on the Dungarvan road, 2 miles from school and church.

There is a slated dwelling house, recently renovated, on the holding, comprising of kitchen, sitting room, 4 bedrooms and scullery. There is a suitable range of outbuildings including a 3 span hayshed.
The auctioneer can with every confidence recommend this prime farm to intending purchasers as seldom does an opportunity like this present itself.

HARD LUCK

Hard luck on near neighbours Tourin who just failed to annex the county junior hurling final by two points

at Portlaoigh on Sunday last. Dunhill was the deciding factor of this game.

DARTS

Local teams hit top form in their respective matches in the West Waterford Dart League on Friday night last. Cummins' trounced Walsh's Modéligo 5 games to 1 while Morrissey's had a titanic struggle with Maddens. Lismore, before eventually winning the match on the last game. The standard of darts produced by those teams will never be surpassed by any team in the league. It was undoubtedly the most exciting match witnessed since the establishment of the league which saw victory for the locals in a nailbiting finish.

ON COUNTY TEAM

We congratulate M. Hackett who has been the model of consistency for Waterford senior footballers since his selection at the beginning of the league campaign. In the four games he has played he has scored 34 and allied with this, his intelligent distribution of the ball has helped in a big way to put Waterford in their present position on top of their section in the league table.

BOWLING

Bowling enthusiasts are presently out in strong numbers on the Melleray road competing for the Richie Ryan Cup.

COURSING NEWS

An unusual and exceptionally fine November day, favoured the Fourmilewater/Aughavoulinane Coursing Club trials ran off over the Halfway preserves on Sunday last. November 11th and brought out a big following of coursing fans who had a thrilling day's sport.

Hares were plentiful and lively and in every course outpaced and outwitted their pursuers so that there was no sign at the end of the chase. In the final for the Fr. Walsh Cup, Mrs McGrath's Portenill beat Sean O'Riordan's Shandon Millie.

COMING EVENTS

The Slabh gCua Athletic Club will hold cross-country races under the N.A.C.A. rules at Bearys Cross, Lackendarra on Sunday November 5th next. The big event will be the men's three miles open. As well as first, second and third prizes there will be first and second team prizes, to count.

KILLOGRUE CUP

In the first run down of the Killogrue Cup, Frank Hallinan's Templing Bait beat Dick Grennan's Watch the Talent.

The club will meet in Newcastle Village on Sunday

next, 18th November at 1.30 p.m. sharp when all dogs for this event must be ready when called to slips.

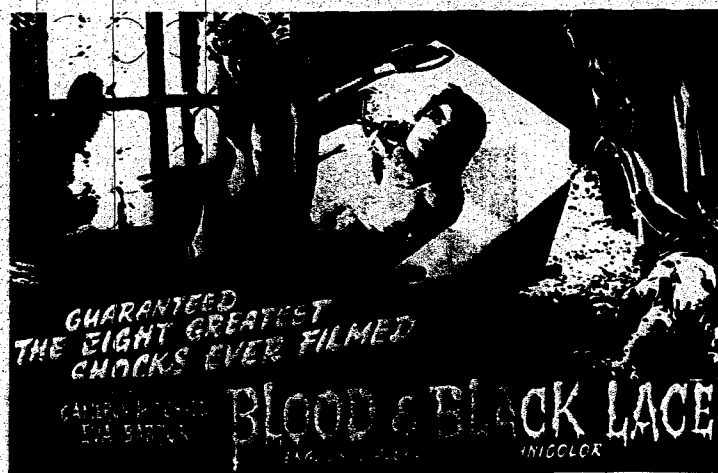

LATE MIKE O'FLYNN

We tender our deepest sympathy to the bereaved sons, daughters, sister, nieces, nephews and relatives of the late Mr. Michael O'Flynn, Cloneety Terrace, Dungarvan (and late of Knockmeal, Ballynamult) whose death took place at the District Hospital on Hallowe'en.—R.I.P.

His passing recalls to mind a family name that brought honour and lustre to Slabh gCua. His brother, the late Tom O'Flynn, Knockmeal,

won world fame in the early part of the century and was acknowledged the greatest long distance runner that Ireland ever produced. He first came into prominence when he won the 'Herald Cup' from a field of over twenty competitors in the marathon race in July, 1909—a distance of seventeen miles — from St. Laurence's Gate Drogheda, to Navan, in 1 hour 35 minutes. His brother Pat, (Tom's twin brother) was also a great athlete and won numerous trophies and his youngest brother, the late Willie O'Flynn was a noted intercounty hurler up to the middle 30s, while their father, John O'Flynn was a great handball player.

New Bridge for Clonmel Section 4 on Manager

Sometime in the near future it is more than likely Sir Thomas Bridge, Clonmel, will be replaced by a new one the overall cost of which will be in the region of £125,000.

Mr. J. D. Hally, County Engineer, at last Monday's meeting of Waterford County Council, said that the present bridge is very narrow having a maximum width of about eleven feet and is an inter-county bridge between Tipperary and Waterford.

The present structure is subject to a load limit of two tons and indeed the whole question of its condition is something which must give rise to concern.

Mr. Hally stated he was reluctant to demolish the existing bridge because of its historical significance - it was built in 1699 by Sir Thomas Osborne and it is impracticable to carry out any significant improvements to it because of its condition and also the foundation difficulties. Accordingly, it seems that if traffic across the river at this point is to be provided for there is no alternative to a new bridge and if the existing one is to be maintained it must be on a line parallel to it.

The length of the new bridge will be approximately 250 feet or thereabouts and will of necessity have to be wide enough to carry a reasonable amount of heavy traffic because this new road would be a main route from Clonmel into a residential area. Accordingly, an overall width of 30 feet in the bridge and combining this with the length and allowing for work on the approach roads the probable cost of the bridge would be £125,000.

It must now be determined if Tipperary (S.R.) County Council will be prepared to bear 50% of the cost and on the proposition of Colr. K. O'Ryan, seconded by Colr. M. Harty, Waterford Co. Council will be prepared to put the rest of the money which could be met out of the County road grant over a period of three years.

Senator threatened

Mr. C. A. O'Connor, County Manager, firmly indicated to the members of Waterford Co. Council that the forthcoming appointment of a Development Officer for the County would not be made from existing Council staff. He stated that he proposed to advertise the post and make it open to the entire country.

It is an utter disgrace, Senator Austin Deasy commented that a long serving member in the Council's Housing Department had not been made a staff officer. While we have a man of his calibre on the staff, he said, there should be no need to go outside the county to appoint an officer.

He warned that unless this employee was allocated the staff officer post about to be created he would move a Section 4 notice against the Manager.

This was replied to by the County Manager that he was not bound by Section 4 in this regard and that the post would not be filled from the existing Council staff. It will be by public advertisement and nothing less he concluded.

Ballinroad Soccer Notes
Ballinroad 5; Kilmacthomas 1
Kilmacthomas' unbeaten run this season came to sudden halt on Sunday last when falling victims to a rampant Ballinroad eleven. Not that one could visualise this result when after five minutes the visitors took a shock lead when John Walsh pounced on a loose ball in the area to shoot from close range. Far from being discouraged by this disastrous start the home side brought the game to the onset of a golden snail between the 15th and 20th minute shocked the visitors with two well-taken goals by Tobin and Fraher. Kilmac tried hard to get on terms after this but ran up against a home defence in fine form. Fifteen minutes into the second half Ballinroad went two up when Vince Tobin beat off 150 tackles before slotting the ball home. Twelve minutes later Peter Power breasted down a centre from his brother Joe to score No. 4 and with just two minutes remaining, Jimmy Green completed the rout when converting a penalty. Coming so soon after their great win over Dungarvan this was another moral boosting victory for Ballinroad which has left them handsomely placed in the table.

NEW APPOINTEE
The Council was told by Colr. Quirk that any successor to Mr. Murphy would not be welcome in the Lismore area.

Mr. J. D. Hally, County Engineer, said that while the Council engineers were refusing to work the area they would not object to a new appointee taking over duties there. When the County Manager, Mr. C. A. O'Connor said that a new engineer was being appointed, Mr. J. Quirk said that in the interest of harmony he should not be assigned to Lismore and he concluded any man with a shred of common sense would not take up the position.

REPLY FROM TAOISEACH
A letter from the Department of an Taoiseach in reply to a resolution from the Council that a demotion be received by Mr. Cosgrave to discuss Mr. Murphy's case. It stated that the matter in the first instance was one for decision by Mr. Tully, the Minister for Local Government.

In a letter from Mr. Tully it was stated there will be a further letter to the Council on the matter.

"Mummy! Mummy! Daddy's got a new car!"

It may be a New car. It may be an A-1 used car. Either way, to you and your family it's excitingly new. If it is an A-1 used car you will hardly notice the difference. Inside, outside, under the bonnet, it will look and behave almost like a new model.

Ford dealers have a wide variety of trade-ins for used car buyers to choose from. The latest models of virtually all makes, most of which are good looking, well cared for and with low mileage. The best of these become A-1 used cars. They are thoroughly inspected from wheels to roof, bumper to bumper and reconditioned inside and out. Where necessary parts are repaired or replaced.

Then it goes through a rigorous road test. If it doesn't behave perfectly it doesn't get the A-1 sticker. Because that A-1 sticker automatically guarantees the car for three months or three thousand miles. If anything goes wrong under the A-1 guarantee, the Ford dealer foots the bill. So you can be pretty certain that he's not going to leave anything to chance.

Good as new - the phrase takes on a whole new meaning when applied to the A-1 used car.

B.L.E. ATHLETIC NEWS

TWO COUNTY CHAMPIONSHIP TEAM PRIZES FOR DUNGARVAN A.C.

THERE was a great turnout of young athletes at John's Park, Waterford, on Sunday last for the cross country county championships. At the end of an entertaining afternoon's sport honours were fairly evenly divided with most clubs having some measure of success. The boys and girls under 11 races provided another individual double for Grotto A.C. with Brid Slanahan and Colm O'Neill once again beating all opposition in their respective races. Mary Hallahan of Grange A.C. once more had to be satisfied with a runners-up medal but no doubt she will return to her winning form in the near future. Grange A.C. had to be content with second place in both under 11 team prizes with Grotto winning the girls and De La Salle collecting the medals in the boys race. Perhaps Grange would do better if they could get their youngsters to run more together in an effort to scatter the opposition. Pat Mooney of Bally A.C. had to pull out all the stops to beat his opponents in the U-13 races but in the end he successfully conquered all opposition. At various stages in the race he was challenged by Liam Kelly of St. Nicholas A.C.; Joe Hennessey of Dungarvan & finally N. Flynn of Dungarvan who stuck with him up to the last 100 metres when the Bonmahon boy pulled away to collect his first cross country championship. The team prize as expected went to Dungarvan thanks to Niall Flynn, Joe Hennessey, Richard and Edward Moore and this team should challenge strongly for Munster honours in Shannon on Sunday next. Kay Moloney of St. Nicholas A.C. gave plenty of opposition to the favourite Alison Corcoran in the under 13 race and even though in the end she had to be content with second place she can feel well satisfied with her display. The very consistent Sheila Quinn of Grange A.C. finished third to continue her great record of nearly always figuring among the medal winners. It was another tussle between St. Nicholas A.C. and Tramore A.C. in the girls U-15 race and here Bernie Pendergast gained some measure of compensation for Kay Moloney's defeat when she reversed the tables on Maura Clarke of Tramore A.C. This was a fine performance by young Pendergast and she showed great courage and determination in sticking her task and she had the race sewn up with 400 metres to go. Anthony Kelly of Dungarvan A.C. continued his good run of success with another win in the U-15 race and he seems to be coming bang into form in time for a crack at the Munster title on Sunday next.

Nickey Connors of Friary A.C. finished fourth in this race and he gave one of his best displays ever in leading his team mates Milo Ahearne, Michael Leahy and T. J. O'Neill to victory. Elizabeth Treacy of St. Nicholas A.C. only had Bernie Flynn in the under 17 race and in the end she had plenty to snare over the De La Salle girl. Her brother John had no difficulty in making it a family double as he won

the U-17 race at his ease but failed to lead his team to victory. The expected Michael Casy v. Sean Meehan "battle" ended once again in favour of the Bally A.C. athlete and young Meehan must be getting tired of being always second best.

The team prize went to a Dungarvan team which was strengthened considerably by the inclusion of John Moloney and Richie Curran who did not run the previous Sunday. John Moore and Sean Meehan were the other scoring members of the victorious Dungarvan team. Whither our senior athletes could well be asked after the first leg of the senior league since one of the smallest fields for a long time faced the starter. In fact there was no team prize as the only team entered Kinsalebeg only had three finishers. The race was won by Ger Deegan of De La Salle who had plenty to snare over David Browne of Dunhill A.C. and Tom Jordan of John's Park A.C. who eventually were down Robbie Walsh of Kinsalebeg A.C.

On Sunday next Waterford athletes will be competing at two different venues as the boys and girls U-11, 13 and 15 will be striving for honours at Shannon, Co. Clare in the Munster juvenile cross country championships while in Leamlara, Co. Cork our senior athletes will be hoping for success in the Munster novice championships. Here's hoping we will have plenty to cheer about come Sunday evening the best of luck to all the athletes concerned.

The following is the Waterford novice team — Ger Deegan, David Browne, Pat Byrne and Tom Jordan of Waterford City A.C.; Ray Treacy of Leevale; John Treacy, John Barry, Jim Kenne, Tony Ryan, Roger Barron, Robbie Walsh and Tony Shalloe of West Waterford A.C. The subs. are Michael Halloran, John Harly and Jimmy Morrissey of West Waterford A.C.

NATIONAL MENTAL HEALTH ASSOCIATION

A public meeting, under the auspices of Junior Chamber Dungarvan, was held on Thursday, October 25th in the Mercy Convent Hall. The purpose of the meeting was to ascertain what support there would be for forming a branch of the National Mental Health Association.

The President of Junior Chamber, Mr. Sean O'Brien presided over the meeting. Having welcomed the attendance, he said that it was only human nature to concern oneself with problems which are as meaningful for the future as they are for the present and that the subject of mental health must surely fall into this category.

Miss Mary O'Mahony, National Secretary of the Mental Health Association, stressed the need for a change in attitude to the problems of mental health pointing out that whilst sympathy was extended to the suffering from physical ill health, those suffering from mental ill health were often ignored or rejected solely because we were unable to appreciate their difficulties. She cited friendship, tolerance and the art of being a good listener as the main steps in promoting good community responsibility.

Dr. S. Lennon, Chief Psychiatrist, St. Otterans Hospital, Waterford paid tribute to the various groups and individuals who were already devoting much time to this particular cause. He saw the function of this association as providing assistance to existing groups, setting up particular projects, to aid discharged patients in re-adjusted to life in the community and above all to promote an understanding of the causes of mental upsets, to alleviate the stresses where possible and assist people under stress which could lead to emotional upset or mental disturbance. Dr. Lennon put great emphasis on educating the general public about mental health.

The third speaker was Mr. Michael Wallis, Chairman, Waterford Branch Mental Health Association. He explained that there were many patients in the hospitals who had no relatives and whilst their physical well being was assured, they were suffering from loneliness and lack of personal contacts in the community. The question of loneliness would also apply to people who were being discharged from hospital and possibly living in a remote area or even alone. A branch of the men-

tal health Association could help to make loneliness a thing of the past.

A lively question and answer series took place between members of the audience and the panel.

Mr. Sean O'Brien summed up, saying that they had listened with great interest to the speakers, not alone interest but with profit. He felt that no one present at the meeting would go home without feeling that a great deal of new light had been thrown on the subject of mental health and in particular how the ordinary lay person could display his/her concern for the same. As for the value of forming a branch of the association, he felt that the speakers had presented the case with great force, but had also shown great fairness in their advocating of it, and had made their point very clearly. He hoped that the audience would act on the appeal and that those who were able would offer their help and involvement to form an active branch of this association. Concluding the President of Junior Chamber felt that he was interpreting the feeling of the audience correctly in offering a very sincere vote of thanks to the speakers. He believed their journey would not be in vain.

A large number of the audience indicated their willingness to participate in such an association and we are sure there are others who would wish to assist with this work. People interested should contact any member of the Junior Chamber or write to the Secretary, Junior Chamber, 1 Gratian Square, Dungarvan. A further meeting of interested people will be held soon and a committee will be formed.

The panel also included Miss Kay Walsh, Secretary Waterford Branch. The attendance included Canon Cassidy P.P., Dungarvan; Fr. Callaghan, Prior, St. Augustine's; Dr. O'Neill, County M.H.O.; Mr. Charles Curran, Chairman Waterford Co. Council and Mr. McNally, Secretary Waterford County Council.

Apologies were received from Mr. T. A. Kyne T.D., Senator A. Deasy and Canon Clarke, Stradbally.

Junior Chamber Dungarvan wish to express their sincere thanks to the Mercy Convent for providing the use of the hall for the meeting.

AN APPRECIATION

Late Jimmy McGrath

South Terrace, Dungarvan
 The recent tragic occasion of Jimmy McGrath is felt most of all by his family, but to those of us who also knew him as a very good friend, the loss is very considerable. Jimmy was one of nature's gentlemen: always willing and ready to offer the helping hand; always available to assist his own people and community at no little inconvenience to himself.

He never sought the limelight. In fact he seemed to thrive on doing things quite unobtrusively, happy in the knowledge that it was for the all round betterment of the local community. A pillar of strength, an inspiring community leader, his likes are truly the exception rather than the rule.

Nowadays when it is popular to associate oneself with youth clubs, community halls and Parish Councils, it is good to remember that Jimmy was one of the first people to join the then very new rural organisation, Macra na Feirme. He was in truth a pioneer of the organisation in county Waterford and under his dynamism and leadership it prospered and flourished. It was his founding of the Ballinacree branch in 1947 that his tremendous organisational talents emerged. He was branch secretary, was chairman for a spell and was chairman of the county executive for two years. Today the technical school at Ballinacree stands as a tribute to the voluntary labour that went to build it — with Jimmy as the quite fantastic organiser behind it all.

During his time in Macra he was noted for his outstanding ability at stockjudging and won many trophies for Ballinacree at Field Days throughout and beyond the county.

The subsequent of Macra na Tuaithe found Jimmy once again to the forefront as an organiser. He supervised countless projects: was the recognised adult leader and gave to the organisation generally the same kind of talented zeal as marked his contribution to Macra na Feirme.

In other walks of life too his contributions were immense. He was a star footballer with the now defunct Kereen club in the mid 40s, while the emergence of the Ballinacree Dramatic Club in 1946 was again due in large measure to him. For this club he took many leading parts in different productions and as always worked ceaseless "backstage" as well. He was Treasurer of the Shamrock A.C. which emerged in '47 and was an aide of considerable merit as well.

One really could go on and on to enumerate the countless organisations to which Jimmy devoted years of invaluable service. But truly no appreciation could do adequate justice to this quite extraordinary organiser.

Many of the young people of that time are now the most progressive farmers of today and I'm sure I speak for all of them when I say "thank you very much Jimmy". Without his gentle yet firm guidance and direction Ballinacree would be a much poorer place, organisationwise, today.

I know that God in his eternal mercy will reward him now for all the kindness, consideration and help he gave to others. The work of directing youth, which he so effectively carried out will not have gone unnoticed. His quite influence will forever guide us on the straight and narrow path to Heaven, where we know he will be waiting to welcome us.

Late Miss Eileen Dineen, N.T.

William St., Waterford and Ballyvourney. Deep feelings of sincere and profound regret were expressed at the announcement of the death of Miss Eileen Dineen, N.T., late of William St., Waterford and late of Ballyvourney, Co. Cork, who died on Tuesday, November 6th at her sister's residence Ballinacourty after a period of illness but at an early age. The deceased was a sister-in-law of Michael Foley, Ballinacourty, who is a well-known and extremely popular gentleman, whose business in market gardening is most progressive.

The late Miss Eileen Dineen N.T. had taught most of her time since she qualified at the Sisters of Charity and later at the Ursuline Convent, Waterford where she excelled as a teacher of high standards. She was a daughter of the late Timothy and Julia Dineen, Renaniree, Macroom.

Our deepest and most sincere sympathy is extended to Mrs. Sheila Foley, her sister, also to her other sisters, brothers, relatives and friends who now mourn her loss.

Her remains were removed on Wednesday evening to Ballinroad Church followed by a very large cortege and were blessed and received by Fr. M. Walsh C.C. Requiem mass was offered on arrival. Requiem mass was also offered on Thursday morning and the funeral took place afterwards to St. Gobnait's Cemetery, Ballyvourney. Another large and most representative concourse were present. V. Rev. Fr. J. O'Connor P.P., Kilmarrat, Macroom, assisted by Rev. Fr. J. O'Connor C.C., Farranferris officiated at the graveside.

Large numbers of mass cards, telegrams and letters of condolence were received. Many beautiful floral tributes were placed on her grave.

Chief mourners — Denis Dineen, Macroom; Jerry Dineen; Timothy Dineen, London (brothers); Mrs. Mary Lehané, Macroom; Mrs. Catherine O'Rourke, Bantry; Mrs. Sheila Foley, Ballinacourty, Dungarvan (sisters); Mrs. Rose Dineen, London (sister-in-law) and a large circle of nephews, nieces, relatives and friends. (J. Kiely and Sons had charge of funeral arrangements).

Late William Browne Colligan, Dungarvan

Widespread sympathy was extended to the wife, sons, daughter, relatives and friends of the late William (Willie) Browne, Colligan, whose death occurred most unexpectedly on Thursday, November 8th, at the District Hospital, Dungarvan, after a very short illness. He had been in town on the Monday morning previous carrying his business affairs when he suddenly became ill and was removed to hospital. He was a very well-known and extremely popular member of the farming community. He was a farmer of note for his methods and systems by which he conducted his farming, brought him respect and admiration from all. Besides his full-time farming he made time to get involved in many committees, especially Dungarvan Show, Point-to-Point and Dungarvan Harriers, and in which capacity he was recognised as one of the best workers and anything he promised to do was done well. We wish to join with the many who have sympathised with his wife and family by extending our deepest condolence on their very great loss.

His remains were removed on Friday evening to Colligan Church followed by a huge cortege and were blessed and received by V. Rev. Fr. J. Lawn P.P., assisted by V. Rev. Fr. P. Callaghan O.S.A. Prior Friary; Rev. Fr. Whelton O.S.A. and Rev. Fr. C. Kelleher C.C. and many other visiting clergy. Another very large and widely representative concourse were present.

Many mass cards were received. Also telegrams and letters of condolence. Some beautiful floral tributes were placed on his grave.

Chief mourners — Mrs. Alice Browne, Colligan (wife); Mrs. Ann Tyrrell, London (daughter); Pat Browne, Swansea; Sean Browne, Colligan; Timothy Browne, London; Liam Browne, Colligan; Tony Browne, do.; Noel Browne, do.; Stephen Browne, do.; Richard Browne, do. (sons); Mrs. Margaret Butler, Carrigroe, Dungarvan (sister); Alfred Tyrrell (son-in-law); Mrs. Eileen Browne; Mrs. Irene Browne (daughter-in-law); Jackie, Michael Browne; Karen Tyrrell (grandchildren) and a large circle of nephews, nieces, relatives and friends. (J. Kiely and Sons, undertakers, Dungarvan, had charge of funeral arrangements).

MEDICAL CARDS

At the monthly meeting of the S.E. Health Board, Mr. C. Curran M.C.C. asked if it was proposed to raise the level of entitlement for medical cards.

The existing figure was totally unrealistic having regard to inflation and falling money values.

The C.E.O. said that he would look into the matter and have a report for the December meeting of the Board.

AGRICULTURE IN POORER FARMING AREAS

With a view to improving the position of farm incomes and to ensuring the continuation of farming in mountain areas and certain other poorer areas, each member State including Ireland is authorised to introduce a special system of aids to farms designed to encourage farming and the development of farms having regard to the permanent natural handicaps affecting agriculture in these areas.

At this stage it appears that the Directive is orientated in terms of aids to prevent depopulation and to preserve the environment. Poorer farming areas in the mountain regions are areas satisfying the following conditions:

1. They must have adequate infrastructure, especially in regard to access roads to farms, electricity and drinking water supply. Should such infrastructure be lacking, its provision must be envisaged in public investment programmes.
2. The average income from farming in such areas must be less than two thirds of the national average income from farming.
3. The areas in question must also satisfy the following conditions—either there must be over the greater part of the district in question slopes too steep for the use of machinery or requiring the use of special machinery; or there must be difficult climatic conditions, the effect of which

is to reduce substantially the growing season (i.e. to less than six months), and slopes such as to limit the use which can be made of the land and add to the cost of working it.

Poorer farming areas threatened with depopulation are areas made up of farming land with similar natural production conditions, and satisfying the following conditions—

—they must have adequate infrastructure, especially in regard to access roads to farms, electricity and drinking water supply. Should such infrastructure be lacking, its provision must be envisaged in public investment programmes.

Such areas must also satisfy all of the following conditions—

Average income from farming must be less than two thirds of the national average income from farming.

The farmers in question must have poor land, less suited for crop growing or intensive cultivation, with a limited yield capacity which cannot be increased except at excessive cost, and mainly suitable for extensive livestock farming.

They must have either a low overall population density or a dwindling population. Their population must be predominantly dependent on an agricultural economy. The situation must be such that an increase in the rate of depopulation would jeopardise the viability of the area concerned and its continual habitation.

The special system of aids to be applied in these poorer areas shall consist of the following measures—

- the payment of grants to compensate for permanent handicaps;
- the granting of aids to investment provided for in the Directive on the farms suitable for development;
- the granting of aids to joint investment.

COMPENSATION GRANTS

Farmers eligible for compensation are those with at least 7½ acres of utilised agricultural area who undertake to remain in farming for five years or more. However, where a farmer aged between 55 and 65 gives up agriculture in accordance with the Directive on retiring farmers (72/160 EEC) he shall cease to be bound by such an undertaking.

A Member State including Ireland may lay down further conditions to be satisfied by the recipient of a grant.

Member States including Ireland shall fix the level of compensation according to the severity of the permanent natural handicaps affecting farming and having regard to the limits set out below. No grants shall be less than £9.25 per livestock unit 1.u. or £3.70 per acre.

(a) In the case of cattle, sheep and goats, compensation shall be calculated in relation to livestock numbers. The Council of Agricultural Ministers failed to reach agreement with regard to the position of dairy cows. Compensation may not exceed £23.10 per livestock unit and the total amount may not exceed £9.25 per acre of fodder crop area per farm.

A table for converting cattle, sheep and goats into livestock units is annexed.

(b) In the case of enterprises other than cattle, sheep and goats compensation shall be calculated in relation to the area farmed, less the area required for cattle, sheep or goat production and less any areas of wheat production. Compensation may not exceed £9.25 per acre.

INCENTIVE TO FARMS SUITABLE FOR DEVELOPMENT

1. The minimum interest rate payable by a person in receipt of the subsidy provided for in the Directive on the modernisation of farms is reduced to 2 per cent. Interest rate subsidies, or the equivalent in the form of a capital subsidy or deferred repayment terms, may exceed 5 per cent.

2. The amount of the guidance provided for in the modernisation Directive (72/159/EEC) and the maximum amount per farm laid down in the Directive are increased by one third. Thus the premiums shall be as follows subject to adoption.

1st year £11.20 per acre — maximum £2,773 per farm. 2nd year £7.50 per acre maximum £1,850 per farm. 3rd year £3.75 per acre — maximum £924 per farm.

Such an increase shall apply only to farms having at least 0.3 of a livestock unit for each acre of fodder crop.

3. A recipient of a compensation grant as provided for in this Directive may include the amount of the payment in calculating the labour income to be attained upon completion of his development plan under the modernisation Directive (72/159/EEC).

OTHER MEASURES TO ASSIST FARMS

Member States including Ireland shall grant aids to joint investment schemes in respect of fodder production, and to land improvement and joint capital equipment schemes in respect of pastureland and mountain grazing. The granting of such aids shall, however, be subjected to the following limits—

—the maximum investment qualifying for aid shall be £3,700 per farm;

—no aid, in whatever form granted, may exceed 50 per cent of the amount of the relevant investment, or the equivalent of a capital subsidy of £1,400.

(This Directive is subject to adoption by the Council of Ministers and is therefore open to further alteration).

Winning spell is broken**Footballers throw away vital points Maybe promotion too**

Kildare ... 2-10; Waterford ... 3-5. It was too good to last, no doubt. A hundred per cent record of success in both hurling and Gaelic football is something to which we have never been accustomed, yet it was hardly to be expected that the footballers would have reasons as serious as the hurlers for not continuing the run. Certainly, in the aftermath of Sunday's defeat by Kildare, all will admit that the visiting opposition did not provide an adequate excuse for Waterford's loss of two vital League points.

These points might not seem crucial, since we have already gained six and a good scoring average as well from the three earlier ties against Carlow, Limerick and Wexford. We are even top of the League Section table still. But, Waterford has played one game more than either Dublin or Kildare.

Kildare have already played Dublin and have the lesser counties to contend with from now on, so they may be expected to continue winning now that they have got off the mark; and Dublin must be expected to continue winning also. Supposing then that Waterford beat Clare (not at all certain) and Kilkenny (more likely), the teams might well end up with Dublin 12 pts.; Kildare 11 pts.; Waterford 10 pts., excepting the result of the Dublin Waterford game to be played in Croke Park. A draw with better score average might do for Waterford; more likely a win could be required.

SCALDING

That is the real meaning of the defeat on Sunday last in the context of the League competition as a whole, and it goes to show how scalding a defeat it was, more so because it was a game which could and ought to have been won.

Playing against the breeze in the first-half, and with much less than a half share of play — as might be expected — Waterford held on grimly, often luckily, sometimes raggedly and desperately to contain Kildare, while punctuating the periods of Kildare pressure with dangerous breakaway attacks and three beautifully taken goals.

COMPLACENCY ?

The next result was a lead of 3-0 to 1-5 at the interval. Perhaps flattering, and almost certainly causing some complacency. At any rate, the second half was not begun with the necessary settling that would have wrapped the issue neatly against no more than moderate opposition.

Instead, by nothing more than hard work and by nothing in the nature of inspiration or class football Kildare were allowed to force themselves gradually into the game. When Waterford realised the way things had developed they began to make frantic efforts with some of the energy and urgency they should have shown immediately after half-time, but by now it was too late and to hastened by desperation.

With three such goals as they got in the first half Waterford should not have allowed the game to drift away from them. They were hammer blows to Kildare and high bonus marks for Waterford who might have expected to be on short rations against the breeze.

LIVELY START

In contrast to their slow starts in previous matches, Waterford were buzzing from the beginning, prising gaps in an uneasy visiting defence. Several chances, in fact, were lost in the first minutes and Grinnigan made a great deflection to save a fisted effort from the square. Hennessy, constructing brilliantly at this stage, pushed up a lob to the edge of the square where Hackett back-flipped a lovely ball into the corner.

When Kildare moved down for the first time they were in a squandering frame of mind; their movements were sluggish and their efforts from play threatened only occasionally. From frees also they were dreadfully inaccurate; from middle distances, Dunny, Mangan and Carey all sent poorly directed balls from blurred kicks. Hyland and O'Doherty, however, picked points from play.

DEFENSIVE TROUBLE

The home defence was not impressive through all this; the full back line jittery and an ominous gap through the middle of the half-line where the absence of Tom Moore through illness was an unhappy circumstance that probably meant a great deal in the end. Nevertheless, Pa Walsh and John Hennessy were in command at mid-field at this stage, using every ball well; their main trouble arose from a rather short kick-out which tended to confine play to the Waterford defensive zone.

FINE GOALS

A break on the left: Vinny Kirwan coming out a long way to collect, played a ball up the line where Hennessy had run more than 50 to take position. He gathered and turned in towards goal, where Kirwan again grabbed the ball and beat Crinnigan with a beauti-

fully controlled top-spin that ducked in under the bar and over the goalie's hands.

Shortly afterwards, Kirwan repeated the exercise this time from the right of goal into the far left corner, having been placed by Pa Walsh. These were two goals as good as one could hope to see—reminding one forcefully of the pair by Brendan Lynch which won the League final for Kerry last May. Emphasising too what a first rate forward Kirwan is.

Myles pulled first time on a rolling ball for a point that was preventable: Dunny was again wide from a 21 yards free. Then O'Doherty beat Ahearne cleanly to a centre in front of goal, turned round him and hit a fine shot across the goalie. Myles reduced the margin to one point by the interval, 3-0 to 1-5.

Five or more minutes of inconclusive football opened the second half. This was the very moment when Waterford should have been pressing home their position. Instead Kildare got the first score—a point that equalled the scores. Waterford, however, pushed in an effort now: Hennessy took up good position for a Casey pass from a free and put Waterford back in the lead. Sean Ahearne with a quick-thinking flicked pass sent Casey in for another point; and Vinny Kirwan obliged from the 14 yard free awarded when Hackett was grounded, 3-3 to 1-6.

A certain carelessness, too much indirect method. And not long afterwards one could see the drift of play changing; centre-field began to get the better of Walsh and Hennessy, Mangan, in particular, jumping well. Yet, it seemed there was no great danger though the defence was still uneasy and their clearances too short or over-elaborate. Hennessy, however, was firing at mid-field, still nothing like fit after his injury.

Suddenly one of the backs—who had better be nameless—with all the time in the world to clear, sliced the ball out over the sideline; Mick Carolan's long kick in brought a free (a bad decision, incidentally) and from Carolan's delivery, a forward got the break and banged the ball in off the post to level matters. A point put Kildare in the lead. Vinny Kirwan pointed to regain equality. Then he missed a 30 yard free distracted by an opponent who stood in front of him very close.

Kildare broke for another point; Waterford's urgency caused them to pile forward, leaving gaps. The same defender whose error contributed to the goal, now gave a point away, 2-9 to 2-4. Pat Morrissey, a sub for Billie Fleming, scored a good point, but a goal was needed. Kildare were able to stretch their lead to two points again before the end. In the closing minutes, everybody was pushing up trying to get the winning goal, but it was too late. Had they displayed the same urgency just after half-time, they could have coasted easily in the late minutes, for the game would have been won. Let us hope they do not regret this unfortunate defeat.

The next outing is against Clare in Pairc Uí Fhearraich. With good support, they can clear this critical hurdle. Waterford teams always play best in Dungarvan's field.

Late Walter Cullinan

Ballyvoile, Stradbally

It is with the deepest of sincere sorrow we record the death of Walter Cullinan late of Ballyvoile, who died at St. Joseph's Hospital, Dungarvan, during the early hours of Thursday morning, November 8th, after a period of illness. The late Walter Cullinan was a member of a well-known and widely connected West Waterford family, who are most attached to the farming community. He was a gentle and most retiring person and a friend of all his acquaintances. He was a firm believer in straight forward and upright dealings and honesty was one of his great qualities.

To his sorrowing sister, Catherine (Katty) and to all his relatives and friends we wish to extend our deepest condolence.

His remains were removed on Thursday evening to Stradbally Church followed by a very large and representative cortege and were blessed and received by V. Rev. Fr. P. Farrell P.P.

Requiem mass was offered on arrival. Requiem masses were also offered on Saturday morning and the interment took place in the adjoining family plot. Another capacity concourse were present. V. Rev. Fr. P. Farrell P.P., assisted by Rev. Fr. M. O'Byrne C.C. officiated at the graveside. Very many mass cards were received. (J. Kiely and Sons had charge of the funeral arrangements).

THE "BLUES" ARE BACK

Dungarvan 2-6; Roanmore 0-8.
 IT'S a long road that has no turning and Dungarvan successfully negotiated that turning in a thoroughly competent manner at the Fraher field last Sunday, when for the first time since 1954 they swept to a four point win over Eastern standard bearers Roanmore to capture the Junior Football Championship title. The scenes of jubilation which followed the final whistle had to be seen to be believed as the huge success starved Dungarvan following gave

full vent to their feelings and unashamedly embraced their heroes before carrying them shoulder high from the scene of triumph. And how well the Blues deserved it all. From the throw in they dictated play, showing an appetite and a thirst not heretofore evident in their play. And when Jackie Sandford shot them into the lead with a goal in the tenth minute it was clear that they meant business. They fetched high, they carried and they teased; they knew when to pass and when to kick

and few in the large attendance could begrudge them the few minutes breather they stole just before the interval so confidently had they been playing. True Roanmore came more into the game in the 2nd half and some well taken points kept them in the hunt right up until the final ten minutes. But really their goal led a changed life during this period as twice the woodwork and again a super save from their keeper denied Dungarvan the scores that would have wrapped up this game long

before it had run its normal course. In the end it was Dungarvan, thanks to some superb saves by their men on the line, who were in complete control and when M. O'Gorman sent over the bar to restore their four point lead, their faithful followers cheered their every move in what must have been for them an agonising last few minutes. Perors all then right through the entire field. The defence was first class clearing the ball coolly and intelligently and giving

maximum cover to a competent George Tutty in goal. Sean Power can feel well satisfied with his performance and on his left Ml. Norris never put a foot wrong. But undoubtedly the mantle of greatness shone on the commanding figure of John Moylan at centre field whose majestic display all through clearly marked him a player apart, reaching high, delivering deep and possessing the happy knack of being in the right place at the right time. His performance alone was well worth the admission fee. The centre field pairing of Pa Meehan and M. Houlahan withstood all partnerships that the opposition nitted against them and they gave the forwards a ready supply of the ball that was used to the best possible advantage. Full marks too to a most unselfish forward line who once they found the target bombarded the Roanmore goal with a variety of shots and wailed of every opportunity to consolidate their apparent dominance over the entire hour. Well done Dungarvan!

Roanmore's performance was too indistinctive to make any impression on a team in form Dungarvan team. True they had their chances but their tendency to walk the ball into the net rather than avail of the many points they went a-begging contributed greatly to their downfall.

Dungarvan — scorers— M. Sheridan (1-1); J. Sandford (1-0); P. Meehan (0-2); M. O'Gorman (0-2); L. Simms (0-1).

MINOR FOOTBALL FINAL

M. 0-0; Tallow 2-4.
 In a highly entertaining minor football final Dungarvan dominated all and sundry by a power packed display that had Tallow in trouble right from the beginning. Their tendency to play the ball on the carpet may have detracted somewhat from their performance and when Tallow changed their normal style of play to take them on at their own game it was painfully obvious that their nit and miss tactics would not match the free flowing rhythmic pattern of play of the city lads. Perhaps the ground ball was the proper tactic to adopt on the greasy surface but Tallow's traditional catch and carry has stood them in good stead down through the years and to discard it at the ultimate stage of the competition was courting disaster.

Be that as it may this was a thoroughly enjoyable game punctuated by some fine passages of football, more than average individual displays with the closeness of the scoring keeping the issue in doubt right up to the final whistle.

For a predominantly hurling club this was one out of the blue for Mount Sion but one which they fully deserved. They moved well with possession the key note and the tactic of involving one of the centre field pairing in the forward play gave them an undisputed advantage where it counted most. They were fit and eager and when Tallow threw caution to the wind in the last quarter in an effort to pull this game out of the fire they returned to the fray with renewed vigour and forced the Tallow lads into errors which dearly cost them in the final tally.

Tallow had the winning of this game but when the initiative was wrested from them at an early stage it took them too long to recompose themselves and then it was too late. The heavy demands on some of their players in the past few weeks had obviously begun to take its toll and the underfoot conditions may not have suited their fighter players. To their credit it must be said that they never gave up and some of their efforts may have deserved better rewards.

Referee — V. Mulligan, Ballinacourty.

DUNGARVAN'S VICTORY

Dungarvan's victory in last Sunday's county junior football final brought the Old Boro club its first adult title since 1954 and it was their first county title in this grade since Lar Condon skippered them to victory away back in 1919. Also included in that team were Pakie Whelan, P. Noonan, La Loughlin, P. Fraher etc. Among the excited attendance at last Sunday's final were many former wearers of the club's famous blue jerseys and no doubt memories

KILROSSANTY MACRA NA FEIRME
 The above club will hold its A.G.M. ON TUESDAY NIGHT, NOV. 20th IN KILROSSANTY HALL AT 8.30. p.m. All members and intending members are requested to attend.

Gaelic Jottings

of past glories have been evoked on numerous occasions in the round of celebrations all week long and rightly so as there are few clubs indeed who possess the wonderful record of the Dungarvan club.

One may well pose the question, where now for Dungarvan? Well in '74, last Sunday's team will be participating in the Intermediate championship. There is a youthfull team which with proper guidance will be quite a force in the higher grade and with six of last Sunday's team eligible for the U-21 grade next year. They could also be strong contenders in that championship. We extend our congratulations to the new champions.

INVESTIGATION

The Western Board's Disciplinary committee meets in Dungarvan on tonight Friday, when it will hold a full scale investigation into the incidents which occurred during the Board's Div. I football league final, between Ring and Old Parish, played at Dungarvan on Sunday, November 4th.

In due course their recommendations will be put to an open meeting of the Western Board. It is expected that the Officer Board will also finalise its championship fixtures on Friday night.

DOUBLE FEATURE AT CAPPOQUIN

The Western Board stages an attractive double feature programme at the Cappoquin venue on Sunday next. Ballinameela play Tallow in the semi-final of the U-21 football championship and Kilgobinet and Shamrocks meet in the Div. II Football League Final.

U-21 F.C. — TALLOW v. BALLINAMEELA

Tallow following their hard earned victory over Ballinacourty will start as firm favourites to score over Ballinameela in the semi-final of the U-21 football championship. Ballinameela have scored wins over Eire Oge and Ardmore and they are capable of testing the Eridesiders, as players like Eamonn and John Walsh, Patsy O'Keefe, Gerry Donovan etc. are well up to the standard that one associates with this grade.

Tallow's team is a very well balanced one and with such star players as Liam O'Brien, Seamus Treacy, Kieran O'Rvan, Eric Curley, Malt Harpur etc. on call they receive our vote to take another important step towards their second Divisional title in this grade. They were last champions in 1968.

FOOTBALL LEAGUE

SHAMROCKS v. KILGOBINET

The meeting of Shamrocks and Kilgobinet in Division II football league final should produce a fair deal of excitement as both teams will be anxious to atone for a disappointing year on the championship front, by winning this secondary competition. Going on current form there would appear to be little enough between these sides with the Knockanore men probably enjoying a slight advantage fitness wise.

Kilgobinet with Connie Kelleher, Michael Fraher, Vincent Tobin, Paddy Cummins, Pat McNulty, Paddy Lynch, Martin Walsh, Jack Cooney, Jimmy Breen, Eamonn Byrne etc. on duty could upset the odds. However, they will need to show a vast improvement on their display against Dungarvan in the championship if they are to hold out any hopes of winning the title.

DUNHILL'S TITLE

Dunhill 1-11; Tourin 2-6.

DUNHILL junior hurlers had to withstand a great second half rally by a gallant Tourin side to win this county final, played before a good sized attendance at Portlaoise on Sunday last. Dunhill had first use of the breeze and the hill and they exerted tremendous pressure on Tourin and gradually they built up a seven point lead by the break — 1-7 to 0-3.

Tourin's first half points came from Jimmy O'Gorman from a side line cut and two from Bernie Scanton.

Dunhill retained their lead through the third quarter and entering the final quarter they were ahead by 1-10 to 0-5. Bernie Scanton scored Tourin's two points and again it was Scanton who put his side back in with a winning chance, when he crashed home a great goal. Joe Bennett added a point. Peter Scanton placed brother Bernie for another well taken goal and now only a single point separated the teams and the excitement was intense, as both teams chased every ball as if their lives depended upon it in those final five minutes. The final score of the game came from Con Murphy for Dunhill.

Over the hour Dunhill were the better balanced team and they dictated the exchanges for most of the hour. They had the outstanding player afield in former inter-county player Eilly Dunphy whose expert striking proved very valuable to his team in that thrilling last quarter. Well known referee Jim Dunphy who scored five points was another to star for the winners. Willie Moore, Con Murphy, Eddie Power and Oliver Hally were others to stand out for this youthful Dunhill side.

Tourin, although out hurred for most of the hour, nevertheless nearly snatched this one out of the frying pan. Their defence

WATERFORD V. KILKENNY IN N.H.L.

WALSH PARK, Waterford will be the Meca for hurling fans on Sunday next, when resurgent Waterford take on age old rivals, Kilkenny, in their fourth outing in the current National League campaign.

There is little doubt but that in recent months there has been a great up-surge of interest in the fortunes of our county hurling team and every where one goes hurling comes up for discussion. Yet, indeed it is like old times at present. The average loyal fan knows that here is a team worthy of his support and the players' confidence and moral is boosted further by the knowledge that they themselves with their hard working mentors have succeeded in re-kindling the flame of Waterford hurling.

ARCH RIVALS

Over the years there has been no greater rivals in hurling than Suirside neighbours, Waterford and Kilkenny and with memories of those epic games in the All-Ireland finals of 1937, '59 and '63 still fresh in our minds, I expect that Walsh Park will house its biggest attendance of the year on Sunday next. As without doubt from a Waterford view point Sunday's game is the most important hurling game staged within the county since 1967, when Waterford defeated the then All-Ireland champions Cork at Walsh Park.

Last week I discussed Sunday's game with an official close to the team and he rightly pointed out that Kilkenny are unquestionably still one of the best if not the best team in the land. At present they may have only one point from these games. However, they only fielded a shadow side against Tipperary and two weeks ago they were extremely unlucky to lose to Cork and of course they held Limerick to level scoring at Limerick and they will be a very determined team on Sunday next as they badly need the points and then Sunday's clash is without doubt a local derby in the real sense.

STEADY IMPROVEMENT

In recent weeks our team has shown steady improvement. After the drawn county final, they defeated New York at Walsh Park in the final of last season's Div. II League without being over impressive. Next in line was Galway at Athenry in the opening round of the 1973/74 Div. I (A) League and they won this one and collected two vital points. Then they faced Clare at Walsh Park and as the Banner County side had been considered most unlikely to lose to All-Ireland champions, Limerick, by three

played really well. They were reasonably well served at centre field, but it was up front that they had their limitations and only Bernie Scanton and Joe Bennett posed any real threat to the Dunhill defence.

Olly Wilkinson, Matt Enright, John Lander and Frank McGrath had good games in defence. Where Peter Scanton turned in an outstanding display in the first half and he was also seen to good effect when he moved into attack in the second half.

points in the first outing, especially as they had played the last quarter a man short as regular full back Vincent Loftus had been sent off, many doubted if our lads could collect the points.

Waterford again displayed further improvement and came out on top by six points. The next test was against League champions Wexford at New Ross and after a thrilling hours play which was fought out with the skill that one associates with a championship game. Wexford were overcome and any doubts about the ability of this team of ours to hold their own in the higher grade was dispelled.

Oh! what a transformation has been brought about as now Waterford are out in front heading the table and now the question arises can they make it clean through to the semi-final stages?

STAR FORWARDS

Kilkenny's attack are going to take some holding as in Eddie Keher, Kieran Purcell, Pat Delaney, M. Crotty and M. Brennan they possess five of the best forwards playing at present. Add on Liam O'Brien and Frank Cummins at centre field, Pat Henderson, Frank Larkin and Noel Skehan in defence and one sees how strong a challenge the men in black and amber will pose.

Let us have no false illusions about this game as in my book Kilkenny are a better team than Wexford and it's going to take a mighty effort to win both points on Sunday.

Mick Foley is again back at his best and Martin Kirwan, Paddy Coady and Shamie Hannon (or Peter Whelan) are going to be fully occupied coping with Keher and Purcell and centre back Jim Greene faces his biggest problem to date in the flying Pat Delaney and wing backs John Galvin and Pat McGrath will need to be in top form and cut out attacks before Kilkenny are allowed to build them up. If Pat O'Grady and Mossy Whelan can win the mid-field duel then Waterford's attack, which is unlikely to be changed from the Wexford game should have the ability to notch the vital scores to ensure victory.

Both Martin Geary the should have some great tussles with Frank Larkin and Liam Canning are in rare form at present. Andy Heffernan is a clever and fast moving player. Stephen Greene is always worth a couple of scores. U-21 star Tony Reide is improving all the time and if team captain Martin Hickey can re-capture his best form then the Kilkenny defenders will have their hands full. On Sunday direct first time striking must be the order of the day, needless to say over-carrying of the ball achieves nothing.

To date our men have achieved more than we had dared to hope for. Yet, they still have a long road to travel. But they are on the right road and with three good results already achieved they are certain to relish a crack at Kilkenny and in their present mood they may just shade the verdict.
